OUR COMMENT

Let's all keep our fingers crossed for the kids Saturday as they journey to Lubbock for the regional meet. We would sure like to see them in Austin in May.

clearing the scratchpad

By ROSA LEE MYERS

We were talking to Mr. Taylor, the high school principal, this week and he said students were studying for their six weeks tests. And then one more six weeks of school. Makes us wonder where this year has gone. Seems like school just started.

During World War II, when meat was rationed, a rancher in Arizona had to go into Tucson to report the amount of beef in his freezer to his ration board. "I must have upwards of 300 pounds of beef in my locker," he announced.

One board member fixed him with a suspicious eye. "How come you're hoarding such a big supply?" he demanded.

"Ain't that I'm hoarding, sir," answered the rancher. "It's just that it was necessary for me to kill the whole blamed steer at one time."

The Plains Beauty Bar is now under the new ownership and management of Mrs. Robert Shrimpton of Bronco.

Mrs. Odell Kerby wishes to thank all her loyal customers for their patronage in the past years. Mrs. Kerby assures the public that Mrs. Shrimpton will also appreciate their patronage and will continue to do her best to give the customers what they want.

Mrs. Ann Green and Mrs. Marcy Smith will continue to work for Mrs. Shrimpton. Mrs. Irene Jones is taking over the duties of Mrs. Kerby while Mrs. Shrimpton is in Lubbock attending Beauty School.

Plans are now being made to hold Sunrise Services Easter morning in the park.

Part of the county commissioners left this week to attend a convention. Maybe when they return for Monday's meeting, some decision can be reached on a county judge. At least we're hoping so. The situation is really getting bad. Having as many names on the list wanting the job as we do, surely there is someone who would be acceptable to all the people of the county.

Bank Deposits Exceed Million

MAKES FIRST DEPOSIT

MAKING the first deposit at the Plains State Bank during opening day Saturday was Mr. John E. Fitzgerald, right, well known local rancher. Shown with Mr. Fitzgerald is W. B. Tudor, president of the First National Bank at Brownfield, who with other area bankers was on hand for the official opening.

Plains Students To Compete in Regional Meet

Texas Tech will host the regional meet of the Texas Inter-scholastic League Friday and Saturday, April 12 and 13. Representatives of 161 area high schools will compete for the right to go to the state meeting in Austin the first week in May.

Contestants will vie in three conferences—AA, A or B, based on the school enrollment. Plains will play in the tennis meet at 8:45 a.m. Friday morning on the Texas Tech court near the gym.

The Plains track team will have their meet at 1 p.m. Friday afternoon on the Tech track field.

Trophies or medals will be awarded regional winners, who will be eligible to compete in the state meet May 2-4 in Austin.

Region 1 is made up of the Panhandle, South Plains, and West Texas area.

The Plains literary event will be held Saturday morning and an extra bus will also be provided for any high school student who wish to attend the Tech's Engineering Show, with spectacular and educational demonstrations of the latest scientific advances, a top Broadway musical, and a home economics open house featuring fashions and other developments in homemaking.

Plains State Bank opened its doors for business Saturday, April 6, at 9:00 a.m.

The first deposit was made by John E. Fitzgerald of Plains. Mr. Fitzgerald has been a rancher at Plains since 1902.

The total deposits for the day were \$1,052,891.07.

More than 1,000 people attended the opening of the bank, and about 75 bankers from all over Texas and New Mexico were present, some as far away as Dallas and Ft. Worth.

The bank was beautifully decorated with flowers and greenery from banks and business houses all over Texas, New Mexico and even New York.

Mr. Howard Moore, First National Bank of Lubbock; Frank Grotton, First National Bank of Brownfield; Lillian Hayes, First National Bank of Brownfield; M. A. Brook, West Texas State Bank of Snyder; Mr. Ellise Boyd, Vice President of First National Bank of Ft. Worth, and Mr. Robert J. Dowens, vice president of the Republican National Bank of Dallas assisted Mr. Bill Loyd and Mr. David Levens in opening accounts for the public Saturday.

Jack Pierce Named Head Coach at Plains High

Mr. Jack Pierce was elected in a meeting Tuesday night at the board of trustees meeting to serve next year as football coach of Plains.

Mr. Pierce has been with the Plains Independent School District for the past two years. He has been serving as assistant coach under Mr. Ed Robertson. Mr. Robertson has resigned as

football coach at Plains to accept the position as coach with the Kermit Independent School District. He will leave to accept the position at the end of school. Mr. Robertson has been with the Plains school for two years.

Others receiving their contract in the meeting Tuesday night were: Mrs. Elmer Cross, as superintendent of the school cafeteria; Mr. H. W. Randell, Hugh Riley and Elmer Cross, custodians Hank Gorey, bus mechanic; Mrs. Bill Harris Powell, tax accessor and collector; Mrs. John Shaw, assistant tax assessor and collector.

Mrs. A. H. Bacon, a teacher at the Frankston Elementary school in Frankston, Texas, for the past six years has been elected to teach in the Plains Elementary school during 1957-1958.

Mr. John Medlin, who was a member of the Plains school faculty in 1955 and 1956 has accepted a position with the school for the year 1957 and 1958. Mr. Medlin is now living in Florida.

Other teachers that were re-elected for another year are: Mrs. L. O. Smith, Mrs. Harvey Stotts, Mrs. Roger Harvey, Mrs. Thelma Ellis, Mrs. Roy Stockstill, Miss Fern Mikeska, Mrs. Ralph Dahl, Mrs. G. D. Ken-

nedy, Miss Lena Norris, Miss Ella Zinn, Miss Myrtle Patterson, Mrs. J. E. Senior Class to Sponsor Talent Show Tuesday

The senior class of the Plains high school will sponsor a community talent show Tuesday night, April 16, at 8 p.m. in the school auditorium.

D'Wayne Rowland and his Tu-Tones will be featured at frequent intervals throughout the show. The Tu-Tones are not entered in the talent show, but are an added attraction to provide additional entertainment.

Each contestant must have a sponsor for the show. The entry fee is \$5.00. Talent may be any type musical, dance, skits or dramatic.

Two prizes will be given. The first prize will be \$10.00 and the second place winner will receive \$7.50.

Sponsors of some of the talent to be presented are: Plains Frozen Foods, Hawkins Food Market, Conoco Super Service, Humble Service, Couden Service Station, Moore and Oden, Yoakum County Review, Sunshine Inn, Walsler Auto Parts, Lloyd Allsup Chevrolet Co., Curry and Loyd Insurance, Tokio Grocery and Service Station, Tsa Mo Go and Iota Pi.

Talent already booked will be provided by the Iota Pi, and the Tsa Mo Go, The James Warren girls, the junior high chorus, Jennie St. Romain and the "Swing Band."

Voting Light in Election of School Board Trustees

Voting was light Saturday in the election for three trustees in the Plains Independent School District. Only 110 total votes were cast.

Two of the trustees elected were already serving on the board. They were Garland Swann and Olen Edwards. Mr. Morri Lowe was also re-elected after resigning a few months ago.

Garland Swann received 82 votes, Olen Edwards 80, Morris Lowe 80, and Foye Powell 76.

The trustees will serve on the board with Rusty McGinty and Ty Field, whose terms have not expired.

Dial Telephone Service

Culmination of a project which was started some four years ago was seen this week with the switch-over to dial telephone service here by the Romaine Telephone Company.

All service extended by the company is now dial, P. W. St. Romaine reported, with the exception of a few on the west edge of the county. Equipment is expected to arrive in the near

future for that sector, St. Romaine said.

Automatic service is now in use, with subscribers of the telephone company able to call direct. Long distance calls are placed through the toll center at Brownfield. St. Romaine said there are now four long distance toll circuits, with two more to be added soon. Prior to the change-over, there were the equivalent of three circuits, he explained.

New rates have gone into effect with the change-over, St. Romaine reported. They are \$4.50 per month plus tax for residences; \$9.50 for one-party business; and \$6.00 for multi-business, all plus a \$10 deposit and \$5 installation fee.

New telephone directories are now in the hands of all subscribers. An added feature of the directory is the inclusion of a map of Plains, giving blocks and streets.

St. Romaine has headed the independent telephone company here since 1946, when he purchased it from D. B. McGinty.

Mrs. Myrtle Patterson was on the sick list Monday.

Senate Bill May Solve County Judge Dilemma

Possibility of a solution to the deadlock which has resulted in the inability of the county commissioners to appoint a county judge was seen this week when Senator Preston Smith of Lubbock obtained unanimous consent of his colleagues Monday to introduce a bill which could clear the dilemma.

The bill would allow the governor to appoint a county judge in cases where commissioners courts fail to do so within 60 days after occurrence of vacancies.

Judge Harry K. Benton died early in February, and to date a successor has not been named. Numerous candidates have been suggested, but a deadlock on the voting has always resulted.

A meeting held by the commissioners Monday morning failed to result in any action in the appointment. At the close of the session, the members adjourned to meet informally during lunch for a discussion of the latest candidate, County Attorney Vernon Townes. Should they reach an agreement, they were to return in the afternoon

for action. However, apparently no such agreement resulted.

During the morning meeting, the commissioners canvassed and approved the results of the bond election and that for special state senator; appointed Dr. Joseph Sharpe as health officer for the county; and granted P. W. St. Romaine of the Romaine Telephone Company permission to install a telephone pay station on the south edge of the court house lawn.

They also approved the monthly reports of the county clerk, county auditor and sheriff, and monthly and quarterly reports of the county treasurer. Bills as presented by the county auditor were approved for payment, and hospital bills as approved by the hospital board were ordered paid.

L.B. Johnston was allowed \$190.70 in charity money, and the bill to Yoakum County Hospital for \$678.32 and a \$200 doctor bill, both for Ethel Marie Thorp, as well as a \$20 grocery coupon book for Billie Lee were approved.

Lumber Yard Here Purchased By Lubbock Man

Plans were being made this week to re-open the lumber yard in Plains.

Mr. George W. Gray of Lubbock has bought the yard from Walter Hale Lumber Yard of Snyder.

He has been in the lumber business in Lubbock where he has lived for the past twenty years.

Plans are for the business to open April 20. Mr. Gray said that he would carry a complete line of lumber, building materials, water well supplies, paint and decorator's supplies, sand, gravel and cement.

Mr. Gray and his wife, Helen, plan to make their home in Plains.

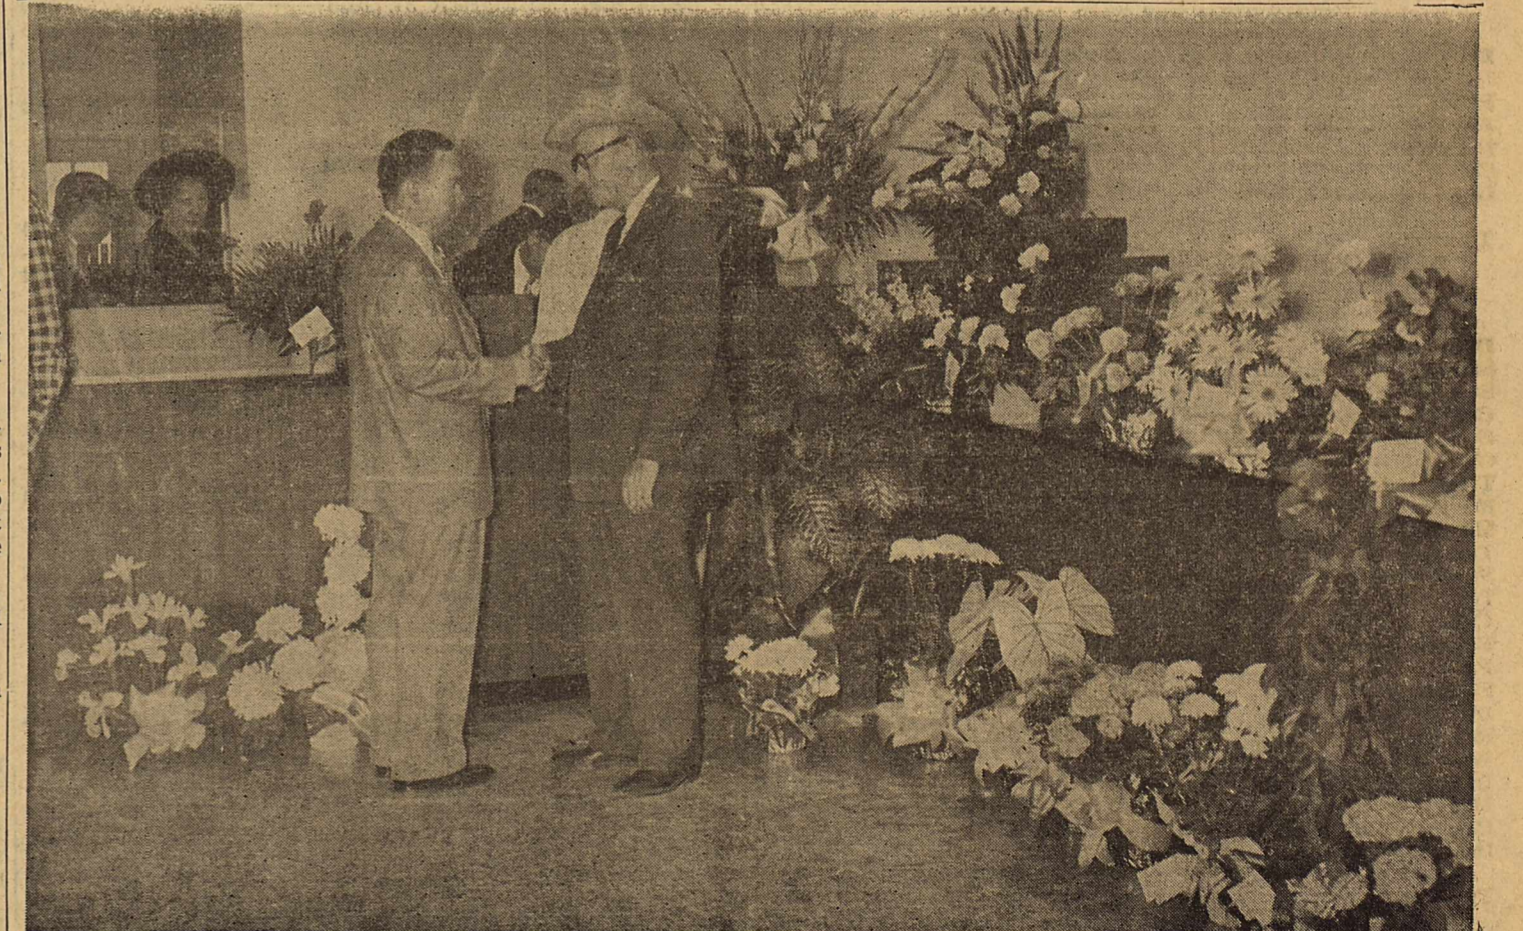

Plains School Band Plans Concert

The Plains School Band will hold their annual band concert Thursday, April 18, in the school auditorium.

The concert will include all students who take band at the school, the fourth grade Tonettes, the Junior High band, and

the Senior High band. The band will play numbers that they will play in the band contest Friday, April 26, at Brownfield.

Two of the numbers to be played are "Spring Festival" and "Pride and Progress March."

MR. BILL LOYD, president of the Plains State Bank is shown above welcoming Mr. Leroy L. Jeffers, assistant vice president of the Continental National Bank of Fort Worth to the opening of the Plains State Bank Saturday. Some of the many beautiful floral arrangements received by the bank for its opening may also be seen in the photo.

ACROSS THE CATTLE GUARD

By LEO W. WHITE
County Agent

About two months ago there was a short article in many of the farm and ranch magazines about a new medicated salt that would prevent bloat in cattle. This article created a rather widespread interest but most people were skeptical about it and felt that it may be a hoax or it may be just a partial preventative. There are many known facts about bloat in cattle but there is no known preventative that will work in every case. Bloat in cattle has always been a condition that was costly to the cattleman even though there are many recommended procedures for its prevention.

Since the introduction of antibiotics in livestock and poultry production, it has been known that several of these antibiotics will kill the bacteria inside the digestive tract of an animal. Some of them are more effective than others. Large doses will control the bacteria to such an extent that they will not do their necessary job in the digestive system. It was found that single doses of penicillin given to an animal that was a known bloater would prevent the condition for several days following the dosage. Through the work at the Mississippi Experiment Station, they found that penicillin was superior to the other antibiotics in bloat prevention qualities. They also found that a daily intake of 25,000 units of penicillin was about the amount necessary to control bloat in cattle.

When crystalline penicillin G is mixed with salt at the rate of 1,000,000 units per pound of salt, the average intake of the medicated mixture should be sufficient to control bloat in cattle. Cattle will naturally take more salt when they are grazing on lush pastures so if cattle were allowed to graze on irrigated alfalfa and they would consume as much as a pound of

mixture every 40 days, they would get the necessary 25,000 units of penicillin each day. If the daily intake of salt increased, then the amount of penicillin consumed each day would also increase and it could possibly reach a point where the expense of the product would prohibit the use of it. It is my thinking that this penicillin and salt mixture is going to be effective in the control of pasture bloat but I think it will be high priced in comparison to other medicated salt mix-

tures which will make it hard to sell. I would guess that a 50 pound block of this penicillin and salt mixture would cost about \$9.00 of \$10.00. If it is that high then it would certainly pay to build a cover over the salt container to keep the rain and snow from melting the high priced salt.

Since the cost of this salt mixture is likely to amount to about the same as a two percent death loss, it will probably not be used in Yoakum County except when animals are grazing on highly hazardous crops like irrigated alfalfa. There is a possibility that growing and fattening cattle could get some added benefit from this antibiotic and cause them to put on more efficient gains. Further testing will be done by many of the Experiment Stations and we should have some conclusive results by this time next year. In the meantime, I would be sure that the feed tag stated that the mixture contained at least one million units of penicillin per pound of salt.

Here's what makes it a new kind of Ford

The frame is wider . . . wheels are lower

(Lets you ride sweet and low)

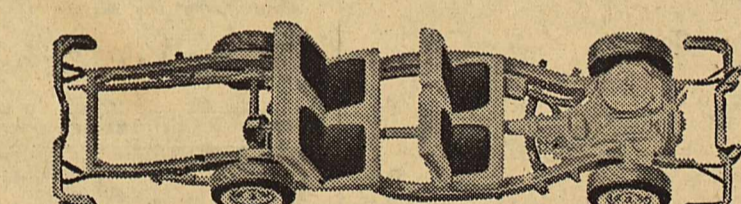

Never before has a low-priced car hugged the road so well. Partly, it's because the frame is sturdier. Partly, it's because the wheels are smaller. Partly, it's the way front and rear suspensions take tilt out of turns. Mostly, it's because there's a whole new smoother-riding quieter-going "Inner Ford."

The power is bigger

(Most power in Ford's 25 years of V-8 leadership)

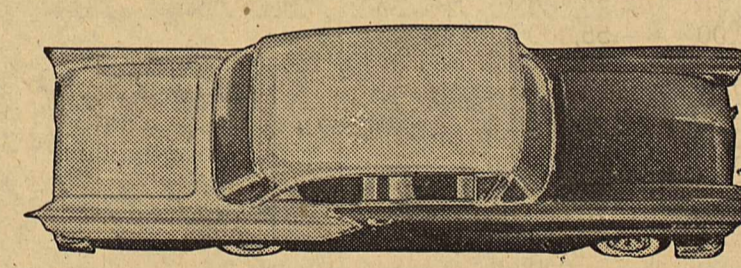

And what a V-8 engine! You can have the kind of Thunderbird power that smashed records at Daytona . . . set a new stock car mark at Indianapolis . . . traveled 50,000 miles in just 20 days at Bonneville, Utah!

The comfort is greater

(You've never had it so plush)

You sit in the lap of luxury. There's head room, hip room, leg room galore. And wait till you get a load of those new upholsteries and color schemes!

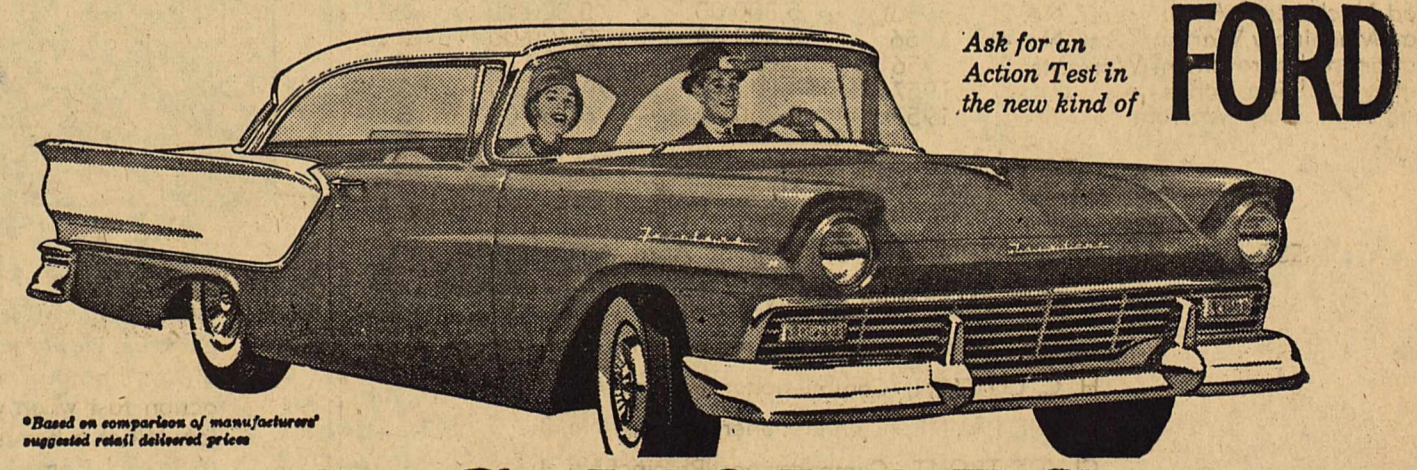

The body is "beefier"

(Up to 9 inches longer, 4 inches lower, with full head room, full road clearance)

From top to floor, front to rear, this body is built like a "battleship." You ride surrounded by new strength.

... and best of all it's the lowest priced of the low-price three!

COMMISSIONERS' COURT
Yoakum County, Texas
In Regular Session
January Term, 1957

WE, THE UNDERSIGNED, as County Commissioners within and for said Yoakum County, and the Hon. H. C. Cotton, Acting Judge of said Yoakum County, constituting the entire Commissioners' Court of said County, and each of us, do hereby certify that on this, the 8th day of April A.D. 1957, at a regular term of our said Court, we have compared and examined the report of Susan V. Hinkle, Treasurer of said County, for period beginning on the 1st day of January A.D., 1957 and ending on the 31st day of March A.D., 1957, and finding the same correct have caused an order to be entered upon the minutes of the Commissioners' Court of said County, stating the approval of said Treasurer's Report by our said Court, which said order recites separately the amount received and paid out of each fund by said County Treasurer since his last report to this Court, and for and during the time covered by his present report, and the balance of each fund remaining in said Treasurer's hands on the 31st day of March A.D., 1957, and have ordered the proper credits to be made in the amounts of the said County Treasurer, in accordance with said order as required by Articles 1636-1637, Chapter 1, Title 34 of the Revised Statutes of Texas, 1925.

And we, and each of us, further certify that we have actually and fully inspected and counted all the actual cash and assets in hands of the said Treasurer belonging to Yoakum County at the close of the examination of said Treasurer's Report on this the 8th day of April A.D., 1957, and find the same to be as follows, to-wit:

Commissioner's Court of Yoakum County, Texas

NOTICE TO BIDDERS

Sealed proposals addressed to the Honorable Mayor and City Aldermen of Plains, Texas, will be received at the City Hall until 7:30 P.M., April 29, 1957, for furnishing all necessary superintendence, labor, materials, tools and equipment for constructing (a) one (1) water well, and furnishing and installing in the

completed well a turbine type deep well pump, complete with vertical hollow shaft motor and starter, motor, air valve, and check valve; (b) one (1) concrete block well house; (c) one steel cylinder sand trap and (d) connection to the existing distribution system, at which time the proposals will be publicly opened and read. Any bid received after the time and date stated above will be returned unopened.

Each Proposal must be accompanied by a Certified Check, Cashier's Check or Proposal Bond, acceptable to the Owner, in an amount equal to at least five percent (5%) of the total amount of the bid submitted, made payable without condition to the City of Plains, Texas, as

a guarantee that the bidder, if awarded the Contract, will promptly execute such contract in the form provided and will furnish good and sufficient bond for the faithful performance of the same. Bids without the required bid security will not be considered.

The successful Bidder must furnish bond on the form provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

Proposals must be submitted on the form provided and, in case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. The Owner reserves the right to reject any or all bids, to waive any formalities, and to accept the bid which seems most advantageous to the interest of the Owner.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Attention is called to the provisions of the Acts of the Legislature of the State of Texas concerning the wage scale and payment of prevailing wage established by the Owner. The scale of prevailing minimum wages is set forth in the specifications.

Information for bidders, proposal forms and specifications are on file in the office of the City Secretary, Plains, Texas, and Parkhill, Smith & Cooper, Consulting Engineers, 201 Avenue R, Lubbock, Texas. Copies of such documents may be secured from either the City Secretary or Parkhill, Smith & Cooper.

Stanford Valley H.D. Club Meets

The Stanford Valley Home Demonstration Club met Thursday, April 4, in the club room with Mrs. K. O. Hendricks as hostess. Roll call was answered by thirteen members with "Something I like outdoors about Spring." Mrs. Neal Hickman, president, conducted the business meeting. A very interesting demonstration on "Flower Arrangements" was given by Mrs. A. C. Snider of Denver City. Refreshments were served by the hostess. The next meeting will be in the club room April 18, with Mrs. Kenneth Hale as hostess. The program on "Safety in the home," will be given by Mrs. Jack Palmer and Mrs. Joann E. Fitzgerald.

Plains Hosts District ESA Meet; Dorothy Lowe Named President

Iota Pi Chapter, Plains Texas, was hostess for the District IX meeting of Epsilon Sigma Alpha, Sunday, April 7, at 2:00 p.m. in the Community Room of the old courthouse. Dr. and Mrs. Brandon Hull of Lubbock, were honored guests for the occasion. Dr. Hull, a heart specialist, spoke concerning heart disease. He gave illustrations and statistics on a blackboard and pointed out things of significance on an exact model of the human heart. His speech was followed by a question and answer session among members present. Dorothy Lowe, District IX coordinator, presented Dr. Hull with a check to be donated to the heart fund in behalf of Iota Pi along with a gift as a token of appreciation to Dr. Hull from Iota Pi. Margaret Browder, District IX president from Lubbock, opened the business meeting with the Epsilon Sigma Alpha Opening Ritual and Mary Paul Long, State Project Director from Lubbock, gave the invocation. Business got underway with the reading of the minutes of the previous District IX meeting held in Brownfield in February, by Recording Secretary, Martha Markham of Sudan. A certificate which was presented to District IX by the Children's Training Center of Lubbock, for a donation given by District IX was shown by Jeanette Middleton, Corresponding Secretary of Lubbock, and correspondence was read from Marjorie Irby, State President and Oletha Coffman, State Educational Director, and campaign letters from candidates running for state offices in the election of officers to be held at the State Convention in Odessa in May. Treasurer's report was given by Virginia Campbell of Lubbock, followed by a discussion of new and old business. The election of new officers for District IX was held and the following were elected: Dorothy Lowe, Plains, president; Virginia Campbell, Lubbock, vice president; Dorothy Gore, Brownfield, recording secretary; Mary Jo St. Romain, Plains, corresponding secretary; Greta Hipp, Brownfield, Treasurer and Gwen Short, Plains, historian. Following the election of officers, the new officers were installed by past president, Margaret Browder. First, second and third place attendance trophies were given by Dorothy Lowe to the three chapters in the district having the highest percentage of attendance to all the district meetings during the year. First place was won by Ita Eta, Sudan; second place by Beta Theta, Brownfield and third place by Kappa Zeta, Brownfield. Meeting was adjourned followed by a tea. The Easter theme was used throughout the Community Hall. Floral arrangements of iris and jonquils were used on end tables and the officers' table. The refreshment table was centered with a pink styrofoam wheelbarrow holding an arrangement of assorted colored spring flowers. Around the wheelbarrow were decorated

lard, Martha Markham, Jackie Markham and Jo Lambert of Sudan; Ann Dugger, Frances Gilham, John Lou Callison, Sue Whitson, Evelyn Hopkins, Jo Jennings, Kay Billings, Dorothy Gore, Greta Hipp, Ann Johnson, Trucene George, and Velma Howell, Brownfield; Margaret Browder, Mary Paul Long, Virginia Campbell and Jeanette Middleton, Lubbock; Pat Holleman, Seagraves. Those attending from Plains were: Wilma Powell, Doris Hawkins, Margaret Taylor, Mary Lee Swann, Jo Brown, Mary Dale Williams, Gwen Short, Mary Jo St. Romain, Velma Warren, Jackie Myers, and Dorothy Lowe.

Mr. Cotton Farmers:

With acreage control limiting your cotton acres, why don't you do as others are doing all over Texas and Oklahoma and plant these limited acres in our **State Registered Northern Star No. 11 Cotton Seed** and increase your cotton profits on your farm.

Northern Star No. 11 cotton is a cotton that combines the good quality of heavy fruiting, early maturing, good staple and grade, and good lint yield better than any cotton we know of. **Northern Star No. 11** cotton seed were put on the market in 1954, and is an improved strain of our original Northern Star.

Do not be satisfied to plant your limited cotton acres in any inferior variety of cotton but do as others are doing and plant **State Registered Northern Star No. 11** cotton seed and increase your cotton profits. Be sure you understand the difference in **State Registered** cotton seed and **State Certified** cotton seed before placing your order for any variety of cotton seed.

Place your order for these fine seed now, at Winkle Bros. and Tri-County Feed & Implement Co. while **State Registered Seed** are still available.

A REPORT TO THE PEOPLE
By R. L. Bowers, Jr.
House of Representatives

This week began with the passage of H.B.3- a Code of Conduct for officers and employees of state agencies, Legislators and Legislative employees—and H.B.10—The Lobbyist Registration Act. Both of these bills are a step in the right direction toward cleaning our own House.

Also passed Monday was H.B. 527 which provides for the issuance of \$100 million additional bonds for extension of the Veterans Land Program. These bills have now been sent to the Senate.

The House, also, passed S.B. 22 and S.B.94 this week. S.B.32 regulates the handling and sale of chicken eggs. This bill will include Texas among the majority of states in the nation who require a uniform egg grading system. Prior to passage of this bill there was no egg grading system or regulation in Texas, and many states were "dumping" inferior eggs upon the Texas market. Now this practice will be curtailed, and Texans will be restored their fair competitive privileges.

S.B.94 was passed by the House, and will allow representatives of the press to attend precinct, county, and state conventions and report the same. These Senate bills will become law when signed by the Governor.

The special "Cox" investigating committee turned over to the District Attorney certain evidence uncovered by their committee. The full import of this will not be public until the Travis County grand jury has acted. It has been presumed that some of the material may make quite a large disclosure when made public.

Also turned over to the District Attorney were the findings of the House special I.C.T. investigating committee, and indictments are possible in this connection.

The general appropriations bill, H.B.133, was greatly amended in the Senate, and the amendments were not acceptable to the House. Committees from both the House and the Senate are trying to "iron out" the differences at the present time.

After a very busy week, which saw the passage of twenty-one general bills, and fifty-six local bills, the House adjourned Friday afternoon for the week-end.

Sincerely,
R. L. Bowers, Jr.

Mr. and Mrs. Roger Harvey and Rojanna spent the weekend in Canyon visiting the Eual Dean Stricklands.

What am I?

You are a small part of a great plan. The more you learn the more you realize the greatness of that plan and find true humility.

Only when you acknowledge the fact that all men are in the image and likeness of God do you understand your relationship to all men, who are equally important parts of that greater plan and vitally necessary to its fulfillment.

The pattern is simple. The evidence is overwhelming. Hate destroys. Love creates. Peace is ours when we abide by the fundamental law of God, which commands, "Love thy neighbor as thyself."

YOU IN THE CHURCH THE CHURCH IN YOU
Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial and molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. That we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH. GOER and a daily BIBLE READER.

Turner H.D. Club Sees Demonstration

The Turner Home Demonstration Club met Wednesday, April 3, with Mrs. Allen Rollins as hostess.

Roll call was answered by 19 members with "Something I like outdoors in the spring."

Mrs. Rollings gave the council report.

Mrs. Ray Jones, president, conducted the business meeting and also gave a very interesting demonstration on flower arrangements.

Mrs. Barfield Forehand gave a report on the District meeting held in Levelland April 4. Eight members of the Turner Club attended.

The next meeting will be on April 17, at 2 o'clock, at the Club room. The program will be on "Safety in the Home" and will be given by Mrs. E. J. Smith of Denver City. Everyone is invited to attend this demonstration.

ORRAN McRAE COMPLETES BASIC ARMY TRAINING

Word was received this week that Army Pvt. Orran C. McRae, recently completed eight weeks of basic combat training with the 9th Infantry Division at Fort Carson, Colorado.

Pvt. McRae is twenty years old and is a graduate of Plains High School. He attended Texas Technological College at Lubbock one year prior to entering the service.

Pvt. McRae is the son of Mrs. W. B. Scott of Plains. He entered the service in November of 1956.
