518 students are enrolled in school on opening day

The 1958-59 year for the Plains School got off to a very successful start, according to Supt. G. D. Kennedy. A total of 518 students were enrolled on the first day.

The enrollment according to grades was as follows: First prade-56, Second grade-49 Third grade-48, Fourth grade -55, Fifth grade-48, Sixth grade-42, Seventh grade- 40 Eighth grade -44, and High School—136. The high school enrollment is the same as it was at the beginning of the 57-58 term. It is felt that this enrollment will be increased considerably when the harvest

fertilizer had ever been used the yield measured out to 8250 pounds per acre. The same crop planted on an adjacent area following two years of fertilized cotton yielded 15,370 pounds per acre. Since the same care, water and other factors were the same on both it appears that the residual fertilizer from opening game of the season include: left to past years amounted to some right, first row, Walt Coffman, Don Cooke, Bill 7000 pound acre more forage. Some problems connected with this crop include the dan-

ger of wind erosion following harvest. Most silage crops are cut rather short and leave a minimum of stubble on the ground and the harvesting operation powders the surface of the soil so that it is in con. dition to blow. However, silage crops are harvested green and thus come off rather early in the year. This enables the farmer to seed rye or other cover crops in the stubble in order to held the soil through the winter and if moisture conditions are good some regrowth may be obtained for cover An-

field or in the pit. When yields

are high the return per acre is

good. Most people raise silage

for their own use. A few acres

of good silage can produce en-

ough forage to winter quite a

few cows or to feed quite a few

steers. The numbor will depend

on the type of prage planted,

the amount of water available

to apply, the amount of ferti-

lizer applied and overall care

of the crop during the season.

ing to silage crops. This crop

produces a large tonnage of

green forage per acre and thus

responds very directly with

fertility of the soil. Technicians

from the Plains Soil Conserva-

tion Service office have been

making some sample clippings

Lattimore, Vernon Ethridge, Dough Todd, Don Todd and Harmon Meixner; back row, Jim Willaims, Don Williams, Cordell Huddleston and Joe Don Morrow.

Plains Ready for First Game

Plains Cowboys awaiting their first eagerly game of the season this Friday night when they meet the Meadow Broncos on Broncos field with the kick off buzzer scheduled to sound at 8:00 p.m. The Broncos are always tough and may be even tougher under the leadership of a new coach. They will field a more experienced team than usual. They lost 4 boys from last years squad that won 6 and lost 4 games.

NUMBER 36

After nearly two weeks of hard drills the Cowboys are getting into good shape and should be ready for the first game with no major injuries.

On this years starting eleven there will be 4 seniors, 4 juniors, and 3 sophomores. Only two of these boys failed to letter last year. This years club has a little more weight and experience than last years team according to Coach Jack Pierce, a graduate of West Texas State. Pierce will be ably assisted this year by Rip Sewell, a graduate of Tulsa University, and Ralph Dahl, a graduate of North Texas State.

"Strong points on this years edition of the Cowboy eleven is the hustle and desire they show," stated Coach Pierce.

In the passing department Cordell Huddleston is rounding into good form and has three very capable receivers in Wingback Jim Williams, End Walt Coffman, and End Harmon Meixner. Don Williams and Joe Don Marrow are looking fine in the running departmen.

Tackles are held down by two very capable performers in the persons of Don Todd and Don Cooke. Doing a fine job as guards are Doug Todd and Bill Lattimore. At the center position and lacking only experience is sophomore Pernon Ethridge.

Top line reserves are Claude Lee, Jim Warren, Dick Cooke, Mike Sink, Tom Warren, Darreli Barron, Jack Meixner, and Robert Hooper. In the backfield the top re nay r Eldridge Tidwell, James Alberding, and Mike Culwell. Twenty-two Cowboys are to make the trip to Meadow Friday night.

were those from Eagle Pass, Crystal City,, Lake View High of San Angelo, Sam Houston High of San Antonio, Carrizo Springs Coleman, Rankin, Uvalde Pecos and Alpine.

The daily schedule included two playing rehearsals, two marching practices, sectional rehearsals for the different instruments, and various recreational activities. In addition, there was an All-Star Band composed of the best players from all bands in the camp. Nine Plains students won a place in this select group by trying out for the judges.

Students making the All-Star Band were Sam St. Romain, Leta Stewart, Kathryn Stroud, Naomi Maynard, Paula Tidwell, Marsha White, Jeannine St. Romain, Billie Wilson, and Brenda Sudderth. This 100-piece organization presented a concert on Friday night.

Also on Friday night, the entire Plains group participated in a massed band concert. The Plains twirlers participated in the massed twirling exhibition. Cecilia Graham, Plains twirling mascot, was the featured twirler of the evening and led the entire group in a routine.

New mechanic for Plains Motor

Les Short owner of the Plains Motor Co. announced this week that James Altman,, an experienced and factory trained automatic transmission mechanic is now associated with the Plains Motor Co.

Mr. Altman,; experienced in all lines of repair work including dynafiow, power glide and hydromatic, moved to Plains from Snyder. He was employed by Mr. Short in Post several years ago at the Buick agency there.

Mr. Altman plans to move his family to Plains in the very near future.

Mr. and Mrs. Leland Ellison were among those who enjoyed the Labor Day holiday at Ruidoso, New Mexico.

The drum section of the Plains band gets in a little informal practice during the Band Clinic held at Sul Ross College. Shown are Naomi Maynard, Mack Barron, Mary Johnson and Janith Tucker.

Part of the Plains band lines up on the practice field at Sul Ross College Alpine, during the Band Clinic recently staged there.

Seven indicted by grand jury action Wednesday

Seven indictments were returned by the grand jury. meeting Wednesday.

Indicted for theft in connection with the loss of a quantity of copper wire by the Lea County Cooperative on August 10 were Edgar Omery, Roy Lee Gonce, Cecil Gurley and Bobby Wavne Jarvis.

Charles Smith and Earl Holliman were indicted for burglary of a lumber yard in Plains on February 27, and an indictment was returned against J. L. Lusby for defrauding by worthless check in a value over \$50.

M. L. Moore was no billed on a charge of theft by bailee of an automobile, and Travis L. Crutchfield was no billed on a charge of defrauding with worthless check.

The case against T. M. Christie on a charge of defrauding by worthless check was passed. Also passed was a case against five persons on theft of oil field pipe belonging to Mabee Oil Company because no representative of the company appeared.

Serving on the grand jury were Dave Levens, B. F. Bartlett, C. M. Marrow, T. J. Murphy, R. D. Rohman, Harold Rumage, W. D. Ashmore, O. O. Wyatt, Mrs. Oleta Lesh, C. Spark D. P. Moorhead and Vance Glover, with Moorhead as foreman.

Mrs. Nokes to open kindergarten

Mrs. Bill Nokes will open a Kindergarten class Monday September 8, at her home in Plains.

Parents with children between the ages of three to six who are interested in the kindergarden class are invited to contact Mrs. Nokes and enroll your child.

Coach Jack Pierce gives instructions to Bill Lattimore and Jim Williams as last minute strategy is planned for the Meadow game Friday night. The players will serve as co-captains for the game.

Plains GOC is praised for excellence of work

Sgt. Wayland Sanders, with the air force at Hobbs, N. M. met with the Plains Ground Observer Corps Tuesday night, Sept. 2, at 8:00 p.m. in the old court house. This was the first meeting of the fall season.

Sgt. Sanders congratulated the Plains Post on having placed first on the past three alerts. This is quite an honor for the Corps.

The Post is planning a trip to the Radar Site in Roswell, N. M. on Sunday, Sept. 28. Any-one interested in making this trip please contact Jackie Coke, James Warren, or Pete St. Romain not later than Sept. 11. There will be a Civil Defense Booth at the Lea County Fair in Lovington, N. M. on Sept. 18 and 19. The Booth will be shown by the Gladiola Home

Demonstration Club. The local post will hold their regular meetings on the first Monday night of each month at 7:00 p.m. in the old court house. The next meeting will be Oct. 6. Any organization or club de. siring a film on civil defense to use for showing in their meetings should contact Jackie Coke.

Home games will be played on Cowboy field and begin at 8:00 p.m.

Co-captains for Friday night's tilt with Meadow are Jim Williams and Bill Lattimore.

First bale of cotton auction to be held Sept. 6

At the regular meeting Thursday morning of the directors of the Plains Chamber of Commerce, Saturday, Sept. 6, was the date set to auction off the first bale of cotton ginned in Yoakum County.

The first bale of cotton pro-duced by C. C. Freeman of the Silgo community was ginned August 26_* at the D. C. Newsom Gin Co.

The auction will take place on the southwest corner of the Courthouse square at 3:00 p.m. Saturday afternoon.

Mr. Freeman will also receive a premium collected from the different business places in Plains by the Plains Chamber of Commerce.

Members present for the Thursday morning meeting were Bill Loyd, pres. David Levens, Treasurer, Rod Duff, vice pres. secretary-manager B. F. Bartlett and directors, D C. Newsom, Pete Sampson, A. E. Mc-Ginty and P. W. St. Romain.

The Rev. C. J. Coffman spent Tuesday and Wednesday visiting in Muleshoe with his mother Mrs. T. W. Coffman, who is in the hospital there.

other problem which must be considered is the removal of large quantities of forage per acre. This has a depleting effect on the soil nutrients and pr visions for replacment of nutrients and organic matter should be considered in planning silage crops in the rotation of crops on the farm.

Mechanical field chopperhydraulic or mechanical unloaders and other equipment for handling silage have reducer' the labor involved in harvesting the crop so that it is much easier to cut the forage and haul it to the silo in one operation than to cut the feed, shock it, haul it in, stack it and then feed it out of the stack.

Humble to present videotaped 'Game of Week' Sundays

To celebrate its 25th year as sponsor of Southwest Conference football broadcasts, Humble Oil & Refining Company is adding a new feature to this fall's football presentations. It is a videotaped "Game of the Week' to be presented each Sunday afternoon during football season with Kern Tips nar-

rating. Announcement of this and other broadcast-telecast plans was made yesterday at a school for Southwest Conference announcers held in San Antonio. Besides the "videotaped games, there will be 70 radio broadcasts and four live telecasts of Southwest Conerence games

The videotaped games will offer many of the advantages of live telecasting; in fact most viewers cannot distinguish between the two. Each game to be recorded on tape will be selected by Conference representatives and will be telecast at 5 p.m. (CST) the day after the game is played. It will be seen over a 28 station network in Texas and New Mexico. This program will

give viewers a 45-minute version of the game as it would have been if telecast "live."

Live telecasts include the Baylor-Texas Tech game, October 18; the SMU-Georgia Tech game. October 25; the Rice-Army, November 8; and the TCU-Texas game, November 15. These four games slected by the Conference, will be telecast over a network of 24 TV stations.

More than 130 radio stations in Texas and New Mexico will be used for radio broadcasts of games played by the Southwest Conference, Texas Western and New Mexico University. These will originate from 25 stadiums in 16 states.

The announcers school was held in conjunction with the Southwest Football Officials Association convention in San Antonio. As a part of the school the announcers attended sessions of the convention. Instructors were Texas Uni-

versity head coach Darrell Royall and Kern Tips.

he officially began his race riding career, and without the benefit of claiming apprentice allowance in weight. Born in Columbus, Ohio, of a farming family, and raised in Groves City (Home of Beulah Park) he has been around horses all his life.

In '53 he started rodeoing,

riding bareback broncs and Brahma bulls. He rode as an Amateur until '56, then joined the Rodeo Cowboy's Association and rode as a Professional in '56 and part of '57. In the fall of '56 at Omaha,

Nebraska, he broke his left arm during competition and '57's Rodeoing Season when rolled 'round the arm had not healed enough to permit any rough riding. Rodeoing is seasonal and during the off season he had broken and galloped colts, so when this unfortunate incident occurred he undertook race riding and did a right fair job of it, too, at Ruidoso Downs that summer. He went back at rodeoing that Fall and broke the same arm again, in the same place for the fourth time. He journeyed to Phoenix and as soon as possible started riding races again.

He made the Fair Grounds,

Turf Paradise and Arizona-

Downs, all at Phoenix. Ariz-

writing.

Stars to appear at Prison Roce

A surprise announcement disclosed that another great personality- Tommy Sands- has been added to the list of entertainment stars to be featured at the 27th Annual Texas Prison Rodeo at Huntsville.

Sands, the star of stage, screen, TV and recording, will appear as a guest performer during the final perfomance of the Rodeo Sunday, October 26 in the prison's million-dollar stadium at Huntsville.

"We believe the addition to Sands of such names as Richard Boone, Dale Robertson, Ward Bond and Robert Culp will give this year's rodeo a star-studded cast that should pack the 30,000 seat stadium each Sunday in October," remarked H. H. Coffield of Rockdale, chairman of the Texas Board of Cor-

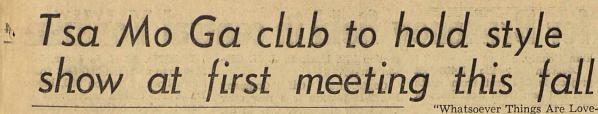

Sands, the 21-year old golden-voiced celebrity, whose versatility has endeared him to the hearts of millions, both young and old, in accepting an invitation to make a benefit appearance at the prison rodeo, said, "If it will help the inmates of the prison system, I certain-

ly want to do my part." Chairman Coffield pointed up that net proceeds from ticket sales are placed in the prisoners' welfare fund in order to supply services not furnished by state appropria-

Reserved seat tickets, at \$2.40 or \$4.40 each, may be purchased by writing Prison Rodeo Ticket Office, Huntsville, Texas, enclosing check or

Blowed Toad Memorial Handicap to top 'Downs' semi-final weekend

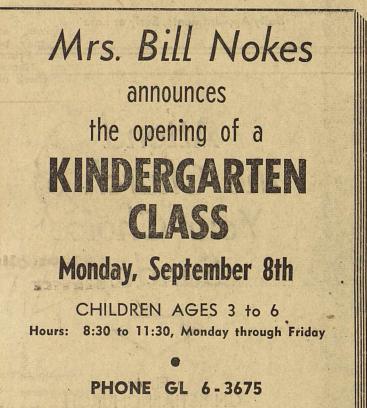

On Saturday, Sept. 6, the 'Downs' will hold the Annual Running of the Blowed Toad Memorial Handicap. This is a 400-yard event for three-yearolds and up vieing for a \$3500 bring together some of the horses that have been sparingly raced so far this Season and are just rounding into form. Cute Trick. owned by R. S. Snedigar, Safford, Ariz., served a warning she was returning to top condition by winning over a good field in an Allowance on Friday, Aug. 29. Sure Now launched his come-back campaign in this same event and was a steady going fourth. These two once defeated the best and are able competition for Vannevar, Vandy's Flash, Brigand, That's My Boy and the class they will oppose in this dash.

On Sunday, Sept. 7, the feature will be The Ruidoso Mile, a \$6000 est. event for three-year-olds and up at the ever popular miles route. This year's Fifth Annual Running has drawn an imposing list of nominees. The Circle K. Stable of Albuquerque, N. Mex., re-

presented by Ruth and Dick Orr, has nominated a good duo in Gemini and Quick Thrust. The former is a four-time winner at this Meet and seems to be in the best shape of her est. purse, and is expected to career while the latter has won one at the 61/2 furlong distance, but favors longer courses. J. C. Watson and Bob Arnett have entered a likely pair in Ahba's Bull and Kansas Cyclone. The former won eight in '57 and is a four-time winner this season. This veteran is tough competition when he is right. Kansas Cyclone is a one-time winner this Season and was a game second to Gemini her Condemnation, belast out. longing to Jess Wilbanks of Big Spring, Tex., ran well on the West Coast and has won

once at the 'Downs'. Bang's Victory, Hana Chief, Biflash, Borned Right, Jean's Demon, Mesa H. and Past Master are the remaining hopefuls and all have established sufficient form to credit them with chance.

Mr. and Mrs. Tye Field are in Ruidoso, New Mexico vacationing this week.

ly, Think on these Things", will be the theme for the style show Monday night when the Tsa Mo Ga Club meets for the first fall session.

Program director will be Mrs. J. W. Moore, Jr., with Mrs. Margaret Hamby bringing "Fashion Eye Openers". Mrs. D. Roy Lockey will have as her topic "The Trapeze-y Life", and Mrs. Bill Loyd will speak on Colors. Special music will be brought by Jeanine St. Romain, and hostesses will be the social committee, of which Mrs. B. H. Powell is chairman.

Red and blue ribbon winners in the county 4-H club will model the garments they made for the revue, and Miss Marshall will comment.

Girls from the local high school homemaking class will model dresses they made for their summer project, under the direction of Mrs. Jo Brown.

Besides these two special groups used in the interest of learning early to dress smartly by sewing, there will be various other types modeled.

Ladies of the community are invited. The show will be held at the school cafeteria, and there is no admission.

Cotton maturing satisfactorily in majority of fields (The following insect infesta-

tion report as of August 28 was compiled by county agents, voc ag teachers, personnel of Texas A&M College, and the U.S. Department of Agriculture.) Cotton is maturing in a very satisfactory manner in a majority of fields. In heavily fruited plantings, shed has been rather heavy during the past week. Excessive fruit load, bacterial blight, and insect damage have contributed to such loss of small forms. While insect damage has been rather heavy in some plantings, pests have not been serious in many fields.

most instances.

in restricted areas.

Bollworms were reported in heavy infestations in some fields Gaines and Terry Counties. Light to medium infestations were reported in some plantings in other counties in the area. Occasional fields showed rather large populations of eggs and worms, but counts were lower than a week ago in a majority of fields. Since the pest often continues active through the first two weeks in September, cotton should be checked frequently for eggs and small worms. Cabbage loopers were present in a majority of plantings but

metic will be cleared up. infestations were generally light, and were generally found in small areas of plantings in

AUSTIN-Texas' 56th Legislature, though not yet sworn in, alreay casts a long shadow over State house activities.

Its membership was settledor virtually settled-with the counting of the Democratic second primary votes. A few will have Republican opponents in November.

Of more interest now is how the 56th will lean on key issues. Political prophets already are taking pulse readings and pronounce it likely to be more liberal than its predecessor. But not predominately liberal. A big influx of newly-elected liberals from Houston is expected to be offset by Dallas conservatives, plus others from small towns

On next session's crucial issue-finance-everyones crystal ball seems a bit cloudy. Next Legislature will have to grapple with a financial deficit which the Legislative Budget Board has predicted may call for as much as \$140,000,000 in additional tax revenue.

Winning candidates, in both their speeches and newspaper announcements, were understandably skittish and unspecific in making specific proposals for dealing with this gigantic problem. Many came out flatly against a general sales tax or state inrome tax. Numerous suggestions were made to balance the budget through "eronomy in government, elimination of waste, duplication," etc.

Such statements are like the breeze off an iceberg to state departments, many of whom have said they'll be asking for more ,not less money, next ses-

When the showdown comes, decisions will be made largely by the same group who pushed the voting buttons in '57. All told, there'll be 49 new faces among the 181 lawmakers.

Replacing the three retiring senators, Ottis Lock of Lukin, Searcy Bracewell of Houston and Carlos Ashley of Llano will be Martin Dies, Jr. of Lufkin. Robert W Baker of Houston and Louis Crump of San Saba House will have 46 freshmen, slightly less than the normal one-third turn-over of its 150 members. Changes result from the retirement of 33 representatives, defeat of 13 others. MANGLED MATH-When the next speaker of the House of Representatives takes office in January. some confused arith-

A speaker is elected at the

clad predictions on what will happen, but pre-convention rumblings promise at least some of the usual fireworks

A grouu of conservatives are working on ways to bounce the militantly liberal Mrs. Frankie Randolph from her post as national committeewoman. Having the chairman of the Democrats of Texas and leader of the opposition to state party leadership in the prestige-laden national committee post is hard to take. But removing a national com-

mittee member offers difficulties, too. A state convention merely nominates the national committee members; actual election is by the national convention. Whether a state convention could undo the action of a national convention is not definitely known.

Another possible source of friction is the selection of the State Executive Committee Chairman, the post now held

by Jim Lindsey of Texarkana. Abilene Oilman Ed Connally has been mentioned as a prospect. Liberal delegates and porters of Sen. Ralph Yarborough are expected to fight ham-

mer and tongs against a Connally drive. Connally was a strong supporter of William Blakley in his Senate race against Yarborough and headed Gov. Price Daniel's precinct convention fight against the DOT.

TOO "GENERAL"?-Alumni of East Texas State College are asking help in untangling conflicts over a new program at the Commerce school.

At issue is the value of a "general studies" program instituted by ETSC President Dr. James Gee. Revised curriculum substitutes a course in "communications" for freshman Eng-"heritage" for American lish, history, and so on. A professor who had taught some of the "general" courses called them

"hodgepodge," comparable to grade school work. Dissatisfied exes meeting in Austin asked Sen. Charles Herring, Senate investigating committee chairman, to look into the situation. Herring said he would bring it up at the committee's next meeting, but urged the exes to talk first with the

college's Board of Regents. FACULTY RAISES ASKED-Salary raises for faculty members are the principal item in \$12,515,000 budget increase being sought by Texas' 18 state colleges and universities.

100 members to be added to Texas **Highway Patrol**

One hundred patrolmen will be added to the Texas Highway Patrol during the coming fiscal year beginning September 1. The legislature authorized the Department of Public Safety to strengthen the present patrol force in an effort to curb the ever increasing number of traffic accidents on rural highways. With this increase in person-

Seagraves, Texas

nel the Highway Patrol will have an authorized strength of 874 officers. This is still far short of the 1600 Highway Patrolmen which are needed to adequately patrol the rural highways of Texas.

Major R. A. Crowder of the Department of Public Safety advised that this increase in personnel will give many a young Texan the opportunity to become a Highway Patrolman. Applications are now being taken and the examinations will be given in Lubbock on September 16, in Amarillo on September 17, and in Wichita Falls on September 18.

Major Crowder suggested that interested persons contact one of the D.P.S. offices as soon as possible as application have to be in Austin by September 6.

A rehabilitation center open to all Texans, regardless of their ability to pay. That is the goal of Warm Springs. Your contribution is insurance against the day you might be faced with the high cost of rehabilitation from a crippling disease or injury. Keep Warm Springs open. Make your contribution today.

> Local hunters out for dove; season opened on Monday

Dove hunters opened the season in the North Zone Monday and many Plains enthusiasts were in the fields trying out their "shooting eye."

A few warning for shooters which may well be heeded in order to keep the current season free from accidents or violations: ,

Be sure you have your new 1958-59 hunting license, on sale with wardens, sporting goods stores and county clerks. Shooting starts at 12 noon and ends at sunset. Be sure to City limits. check your time and don't shot by moonlight.

The limit is 10 doves per day. After the first day you may have 20 mourning doves in your possession. This doesn't mean you can put 20 in the deep freeze and then go out and kill another daily limit.

Be sure to get permision from landowners for hunting on the property. You can be arrested for trespassing.

Don't shoot across roads, highways or public property. Stay off of wildlife refuges. Look before you shoot. A charge of bird shot in a man's face has a way of irritating him.

Don't shoot from an automobile. Wardens will get you in a hurry.

THE THREE CROSSES

hree crosses on a hill. Each cross means something. They were all intended to mean the same ... public recognition of guilt ... just punishment for wrong-doing. But look closely! Each has a very different meaning. On one side, the Cross of hopelessness ... hard, bitter, -- "If Thou art the Christ, save Thyself and us." On the other side, the Cross of Penitence ... "Lord, remember me when Thou comest into Thy Kingdom." In the center, the Cross of Atonement ... "Today, Thou shalt be with me in Paradise." Before which cross are you bowing? Have you given up in utter despair? Have you thought of your own personal need of repentence ... an about-face in life? Then go to church Sunday and kneel once more before the Cross of Calvary ... the Cross of Forgiveness... the Cross of Atonement with the God of all the universe... the center Cross.
