## Cowboys slaughter Rotan, advance to regional

For school expansion —

### \$990,000 bond election

A \$990,000 bond election for expansion and added construction to the Plains Independent School has been called for Saturday, December 6.

Qualified voters in the school district, who own taxable property in the district and who have rendered the same for taxation, will be eligible to cast their votes for or against the issuance of the bonds and the levying of a tax in payment thereof. The election will be held at the Plains school.

The local school board's recommendation for additional school construction is a result of both increased enrollment and an improved curriculum, Supt. G. D. Kennedy said this week.

Recommended construction includes:

1. Addition of a new high school library and the conversion of the present library into two or more classrooms.
2. Under existing conditions, Supt. Kennedy explained, three

high school classes are having to be held in the 7th and 8th grade rooms while these junior high classes are having science laboratory or library periods. Some high school classes are also having to be conducted in the library.

Since the structural arrangement of the present high school library does not meet recommended standards and could easily be partitioned into two or three classrooms, it is felt by the board that the construction of a new library is advisable.

2. Addition of a biology and general science laboratory.

Both increased requirements and demands for laboratory sciences have made present laboratory facilities inadequate, the school head declared. At present there are three sections of biology, two of chemistry, one of physics and one of general science. It is impossible to schedule laboratory classes with the one existing laboratory without conflict, Kennedy stated.

3. Construction of a new auditorium and conversion of the present auditorium into classrooms and an improved band department.

The existing auditorium with 474 seats is entirely inadequate for the present enrollment of approximately 600 students, the superintendent stated. This condition, plus the fact that several elementary classes will need dividing within the very near future makes the construction of a new auditorium necessary, he pointed out. This would also provide an auditorium adequate for public use.

4. Construction of a new high school gymnasium.

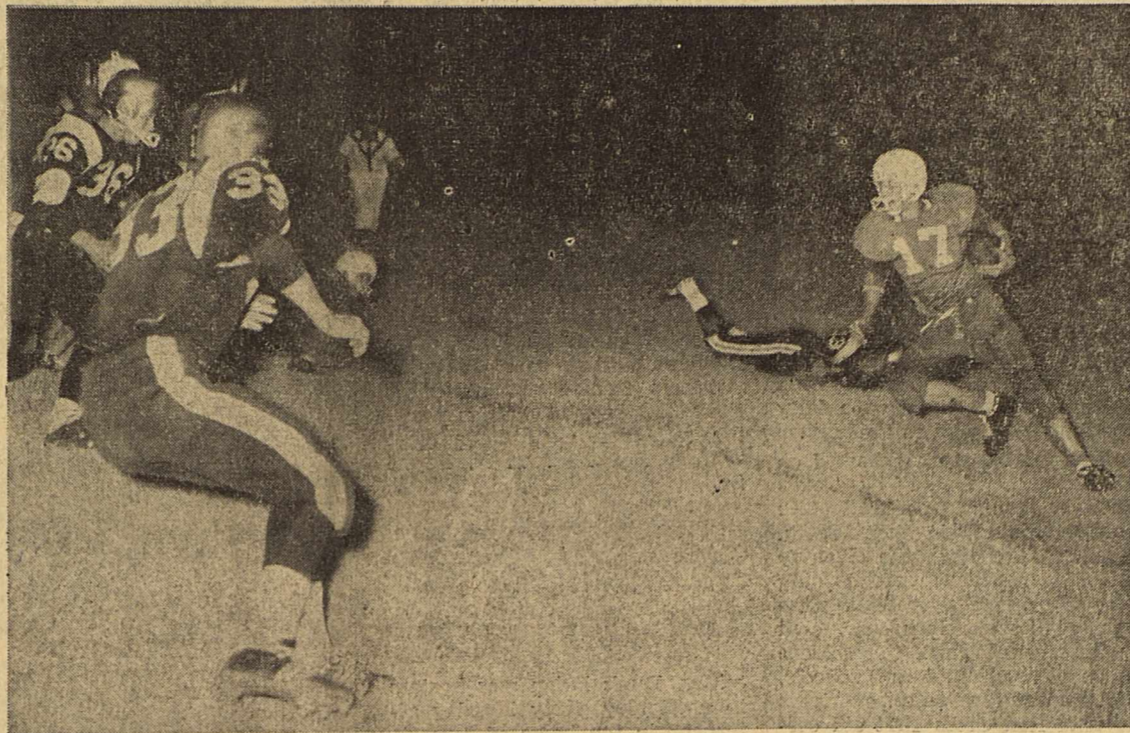

This would eliminate a shortage of gymnasium facilities that has existed for several years. Simultaneous use of the one existing gym by two or more classes is entirely unsatisfactory, Kennedy said.

5. Construction of administration offices in connection with the new auditorium.

The present use of a portion of the superintendent's office for the school tax assessor-collector's office is unsatisfactory due to inadequate space and lack of privacy, it was pointed out. By moving the high school principal into the quarters now occupied by the superintendent and tax personnel, space could be provided for teacher work stations and student activities. At present, the annual staff and at least one teacher are having to use the First Aid room for working quarters.

6. Expansion of the high school plant will necessitate the moving of the football field. Since it will be necessary to move the stadium, it is felt by the board that it should be improved to include facilities for track, improved seating and better lighting.

"It is felt that all of these recommended items are necessary for an adequate school plant", Supt. Kennedy concluded.

Harmon Meixner (36) and Ray Faught (33) of the Cowboys are ready to close in on Bradley Brittain (with ball) of Rotan during the Plains-Yellow-hammer clash last Friday night at Big Spring. The local team beat Rotan, 36-14, to advance into the regional this week, when they meet Ozona.

### Will meet Ozona Lions Friday nite at Big Spring

The Plains Cowboys run onto a big stumbling block by the name of Ozona in their quest for a regional football title Friday night in Big Spring. The two teams, both winners of bi-district battles last week, meet at 7:30 p.m.

Ozona, representing District 8-A, knocked off Fabens, 15-8, Saturday afternoon to gain the right to play the Cowboys, who

### Librarians attend district meeting in Plainview

Mrs. Bert Bartlett, librarian of Yoakum County and Mrs. Norelle Sloan, assistant librarian of Plains Library attended the District I Texas Library Association meeting at the Van Howling Memorial Library at Plainview Saturday, November 22.

The Plains Cowboys (10-1) sport an offensive average of almost 39 points per contest, while their position has averaged a little better than nine tallies per game. The only loss suffered by the local eleven was at the hands of Farwell, 24-22.

The winner of the Plains-Ozona contest will tangle with the victor of the White Deer-Farwell tilt, for the right to enter into the play-off semi-finals.

Ozona has a one-two punch in the backfield, with Bobby Sutton, a 165-lb. four year man at halfback, and Billy Holden, a 170-lb. pile-driving fullback. Sutton is the leading scorer of the Lions, having racked up 132 points. The Ozona team averages 175 pounds as a whole.

The Cowboys had no trouble whatsoever last Friday night, as they ran over the Rotan team, 36-14, on the Big Spring gridiron. The Plains team scored almost at will, while the defense held the Rotan attack in check throughout most of the contest. The final Rotan touchdown came on the last play of the game.

The Yellowhammers boasted a quarterback with a famous name, and the young man lived up to it, as Todd Baugh, son of former gridiron great Sammy Baugh, was almost a one-man team. He was one of the best passers the Cowboys had run up against, and if he had had good receivers, might have given the local eleven some trouble. As it was, time after time he layed the ball into the hands of his men downfield, only to have them drop the ball.

Rotan received the opening kickoff, but were forced to punt after three of Baugh's passes fell incomplete. The Cowboys took over for their first offensive try on the Rotan 42 yard marker. Joe Don Marrow hit for six, then Marrow broke loose for 32 yards and a score, but the Cowboys were observed clipping on the 21, and the play nullified. On the very next play, from the 36 yard line, quarterback Cordell Huddleston faded back and hit Jimmy Williams with an aerial good for the first Plains touchdown. Huddleston ran a two-point conversion, and the Cowboys held an 8-0 lead with only 2:45 gone in the first period.

The Yellowhammers stormed back, taking the kickoff and marching to the Plains 19 yard line before their drive fizzled out. The Cowboys took over there, and were on their second touchdown march when the first quarter ended.

With 10:10 remaining in the second period, the Cowboys crossed the double stripe again, with Marrow doing the honors from eight yards out. A pass, Huddleston to Williams, was good on the first conversion at-

### Mrs. J. C. Sims injured in explosion on Sunday

Mrs. J. C. Sims of Plains received first and second degree burns over a large percent of her body with some third degree burns on her hands and face, when their home was rocked by an explosion of accumulated gas, presumably from the hot water heater, late Sunday afternoon.

Mrs. Sims, with her family and visiting relatives, were being seated for the evening meal when her little nephew wanted to wash his hands. As Mrs. Sims opened the bathroom door the blast hit her, seeming to fill the house with streaks of lightning-like flames.

She was rushed by ambulance to the Yoakum County Hospital,

where her condition is considered fair at this time.

Fortunately, none of the others in the house were injured in the blast. Windows in adjoining rooms of the house were broken, brick siding on the north side of the residence was cracked, while the south wall was loosened from the foundation in several places. A clothes hamper with its contents was destroyed. Damage to the building was estimated at about \$300.

Relatives and friends are busy repairing the Sims home this week.

Mr. Sims is radio man in the Texas State Highway maintenance office at Plains.

### Loe contests election

Notice of intention to contest the election of Clyde Trout as Commissioner of Precinct 4 in the November 4th general election has been filed in district court by Paul Loe, defeated candidate for the post.

Loe, who was nominated for the office in the August Democratic primary, was defeated by Trout, present commissioner, through a write-in campaign in which Trout received 69 votes to Loe's 58.

In the petition, Loe asks that "illegal votes cast and counted" for Trout be subtracted from his poll of votes, and that he (Loe) be declared entitled to the office of Commissioner of Precinct 4, or in event that it is impossible to ascertain the true result of the election, that a new election for the office be held.

He also asks that Trout file a reply to the charges made in the petition.

According to the petition, Loe

charges that in the general election, there were sixteen write-in votes cast for Trout by voters who were not duly and legally qualified to vote, in that they had not legally paid their poll taxes. Loe charges that the 16 were not residents of Yoakum County on January 1, 1957, and that having paid their 1957 poll taxes in Yoakum rather than in the county where they resided as of that date, all of the votes so cast were illegal and were not entitled to be counted.

The petition further states that at Voting Box No. 4 there were only cast 61 votes, but the election judges certified there were 63 votes, and that the two additional votes reported are credited to Trout. The petition asks that these votes be retabulated and the correct return of the box be made.

It is further charged in the petition that the polling place of Box No. 5 was posted as the CG&S Gin prior to the election, and that on Monday morning, November 3, Trout went to the county judge's office and "falsely and fraudulently advised him that the election could not be held at the CG&S Gin for the reason that the owner and/or manager of the gin had refused to permit the election to be held at the gin office and prevailed on the county judge to change the place of holding the election from the gin to the office of the Tennessee camp".

The petition further states: "Although Clyde Trout knew of said purported change of the place where the election was to be held on Monday morning, he did not advise anyone except those working in consort with him of said change until the following morning. That be-

cause of the change of said place of holding election there were at least 16 duly and legally qualified voters who were deprived of their right to vote each of which said voters would have cast their ballot in favor of the contestant (Loe) and which would have changed the results of the election".

"Contestant would further represent and show that Clyde Trout and those working in consort with him, were guilty of fraud and secretive actions calculated and designed to prevent the election held in Precinct 4 for Commissioner of Precinct 4 from expressing the true will of the voters of said precinct. That in the days prior to the election, Trout and those working in consort with him conducted a well organized secretive campaign whereby it was agreed that at a late hour on said election date they would go to the election

See LOE CONTESTS on page 4

### Cotton marketing quota referendum vital issue

How farmers vote in the cotton marketing quota referendum to be held throughout the nation's cotton-growing area on December 15 will determine whether quota penalties will apply, the kind of allotment program in effect, and also the level of price support for 1959-crop cotton. The referendum therefore is of vital concern to every cotton grower, says T. A. Elmore, chairman of the Yoakum County Agricultural Stabilization and Conservation Committee.

Old Court House, Sligo Community Building, C.G.&S. Gin, Bronco Gin, Hilburn-Spears Gin, and Wayside Gin have been announced. Notices are being mailed to each farmer who has a cotton acreage allotment informing him of the place he may vote in the referendum.

All persons who, as landlord, tenant, or sharecropper, engaged in the production of upland cotton in 1958 are eligible to vote in the upland cotton referendum. If there are any questions about eligibility, farmers are asked to check with their local ASC office. All eligible voters are urged to vote. The polling places are located throughout the county, so that any farmer may vote without having to drive many miles.

The marketing quota program will be in operation for next year's crop, the chairman explains, if at least two-thirds of the votes cast in the referendum are in favor of the program. In that case, farm operators will have an opportunity to elect a choice between (A) complying with their "regular" farm allotments — with price support available at not less than 80 percent of parity for the 1959 crop of upland cotton, or (B) complying with an increased farm allotment 40 percent larger than the "regular" farm allotment — with support at a level 15 percent of parity lower than under the first choice; quota penalties will apply to any cotton produced in excess of the chosen allotment.

If more than one-third of the votes are against quotas, there would be no quota penalties, only the "regular" allotments would be available, and the price support level to eligible growers would drop to 50 percent of parity.

All farmers who were engaged in the production of upland cotton in 1958 will be eligible to vote in the referendum.

The referendum will be held between the hours of 8 a.m. and 6 p.m. on Monday, December 15. Arrangement for the establishing of polling places at Plains

### Resident's mother called by death

Funeral services for Mrs. R. G. McNutt, mother of Mrs. Homer Sudderth, were held at 2:30 p.m. Saturday in the First Christian Church, Brownfield, with the Rev. Marion Nilsson officiating.

Mrs. Nutt died in a Lubbock convalescent home following several years' illness.

Besides Mrs. Sudderth, she is survived by two daughters, Mrs. Willard T. Townsend of Ukiah, Calif., and Wanda Jean of the home; two sons, James L. of Grand Forks, N.D., and R. G. Jr. of Brownfield.

A number from here attended the services.

Mr. and Mrs. W. E. Love are new residents of this city. Mr. Love is employed on the State Highway Improvement project in this county. The Loves are formerly of Vernon.

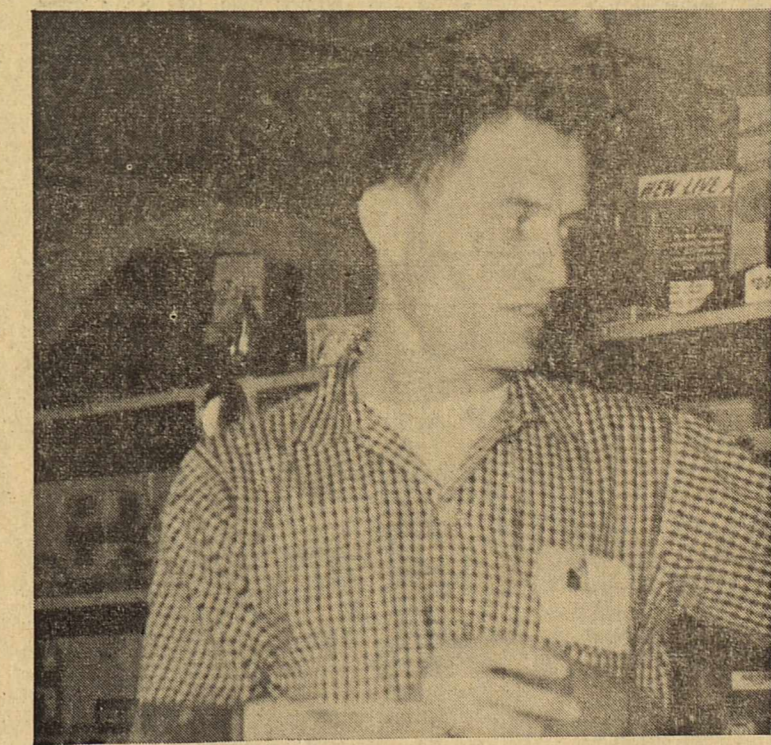

### Will inactivate GOC in January, corps here told

Notice was received by the Plains Chapter of the Ground Observer Corps this week, that the GOC will be inactivated on January 31, 1959, Mrs. Shorty Coke, local corps supervisor, revealed today.

In a communique from Corps Commander J. H. Atkinson, it was explained that the decision to relieve GOC workers from active participation on the air defense team was based on three considerations. These included:

1. The present radar network and its further expansion and improvement that will be accomplished by January gives assurance that an enemy bomber can be detected and identified before it reaches the border of the United States. Specific references:
- a. The Distant Early Warning (DEW) Line stretching across the Arctic and its extensions by radar equipped planes and ships out in the Pacific and Atlantic Oceans.
- b. A secondary early warning radar chain across mid-Canada

See GOC on page 2

BUDDY HANNA  
Morton man new owner —

### Walser sells business

Melvin Walser announced this week that he has sold his business, Walser Auto Parts, to Buddy Hanna of Morton. Mr. Hanna took over the business last Friday; however, Mr. and Mrs. Walser plan to remain with the business about two weeks in order to help Mr. Hanna become acquainted with the stock.

The parts business is not new to Mr. Hanna, as he has been employed at Allsup Chevrolet Co. in Morton the past eleven years as parts manager. He was born and reared near Morton, and graduated from Morton high school. He served in the army two years during the Korean War, and spent several months in Europe. His father is a pio-

near of Morton, having moved there in 1917.

Mr. Hanna plans to move his wife, Lee, and their two children, Ricky age 4 and Jan Rena 2, to Plains as soon as he can obtain a house.

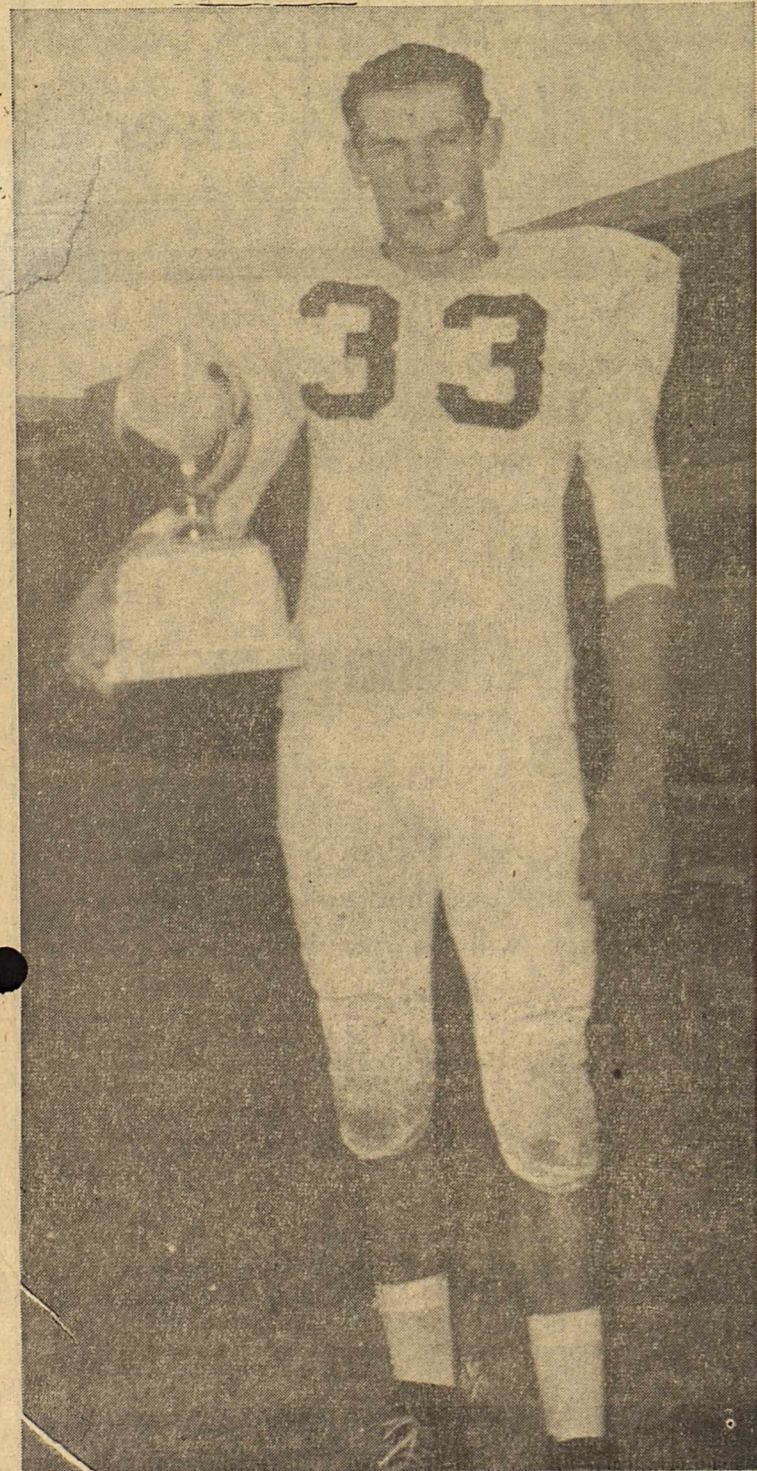

Mr. and Mrs. Hanna were very active in civic organizations in Morton. He has worked with the Little League the past three years, and was a member of the Morton Volunteer Fire Department and Junior Chamber of Commerce. He is interested in all sports and predicts that Plains will win over Ozona 26-13 Friday night. He is well acquainted with football and basketball, having done some officiating. He is a member of the

S.P.O.C.A. at Lubbock.

Mrs. Hanna was reared in Granger, Texas. She was a member of the Junior Study Club, Jayettes, Young Nurses Club, and was previously employed by Dr. B. H. Lee. She will assist her husband in the business here as bookkeeper.

The business will now be known as Buddy's Auto Parts. Mr. Hanna invites everyone to drop in, as he is anxious to get acquainted. He says he will carry the same line of parts as did Walser, and hopes to expand the business in the near future.

Mr. and Mrs. Walser say they have no immediate plans for the future, as they decided on the spur of the moment to sell their business.

JIM WILKAMS, captain of the Cowboy football team, displays the trophy won last Friday night at Big Spring when the locals tromped over Rotan 36-14 to win the bi-district championship.

Plains, Texas, Thursday, November 27, 1958 Page 2

## Parents of local resident observe 50th anniversary

Mr. and Mrs. C. W. Proctor of Cross Plains were honored on their Golden Wedding Anniversary on Sunday, November 23, when their children held open house in the family home.

One hundred six guests registered in the lovely guest book between the hours of 2:00 and 6:00 p.m.

The couple's daughters, Mrs. Dick Dillard of Cross Plains and Mrs. T. R. Nordyke of this city, served from the white lace covered table centered with a huge array of yellow roses.

Their sons, L. D. Proctor of Holbart and Granvel Proctor of Amarillo, assisted their parents as they received guests.

The children's gift to Mr. and Mrs. Proctor was a beautiful television set.

Mrs. Nordyke was accompanied to Cross Plains by Mrs. J. W. Rushing of Plains.

Former Cowboy Coach Cal Stevenson was enjoying the Cowboys' victory Friday night. Cal resides in Odessa now.

## District president guest speaker at Tsa Mo Ga Club meeting Nov. 24

Seventh district president Mrs. A. T. Cocanougher of Lubbock was guest speaker when the Tsa Mo Ga Club met in regular session at the clubhouse Monday, November 24.

Mrs. C. F. McCargo called the meeting to order and conducted a short business session. Twenty-four members answered roll call.

Mrs. R. B. Jones was program director and introduced Mrs. Cocanougher who spoke on "Federation". Mrs. Cocanougher stressed the importance of every individual club having a purpose for existing. She urged that we seek new members to enjoy the privilege of being able to assemble, because clubs strictly for women are a relatively new thing among us.

Federated clubs have grown from one tiny one to existing in every state in the union and fifty-two foreign countries. It is said "the sun never sets on Federation".

Eleven million women in Fed-

eration have made their influence felt in many ways. Our pure food laws, eight hour working days, forest preservation, and many other aids to better living have had their start in women's clubs.

Encouraging girls to enter nursing as a career is one aim of Texas Federation this year. Mrs. Cocanougher distributed booklets from Texas Women's University, Denton, Texas, and asked that they be passed on to our local high school.

The Hallmark art contest which is open to senior students is another project this year.

Mrs. Cocanougher is an able and entertaining speaker, and Tsa Mo Ga members expressed pleasure at having such a busy woman pay a visit to the club.

Mrs. M. W. Luna reported on legislation endorsed by Texas Club Women at the 1958 state convention held in Fort Worth. Among these were the clean-up drive on narcotics, safeguarding our water supply, protesting the sale of obscene literature, civil defense education, better science and math training in our schools, and requiring ambulance drivers to hold Red Cross first aid certificates.

Mrs. Floyd Whitney gave a very interesting demonstration on how to "make up to look natural". She used the Merle Norman method of daily care of the skin.

Decorations carried out the Thanksgiving motif. The centerpiece was bronzed fall leaves and miniature turkeys. Spiced tea and fruit cake were served from a copper service by Mrs. Alf Carpenter, Mrs. Don Lackey and Mrs. Morris Lowe.

December 5th is the date set for the annual Christmas party. The dinner will be served at 7:30 at the school cafeteria.

A Christmas pageant "Putting Christ Into Christmas" will be under the direction of Mrs. R. B. Jones.

Hostesses are Mmes. Ty Field, Raymond Bookout, Ruth O'Neal, P. W. St. Romain and C. F. McCargo.

## Cub Scouts have guest speaker

Guest speaker at the Cub Scout meeting at the home of Mrs. Mutt Ryan last week was Mrs. Michael Naranja of Taos, N.M. She spoke about the Pueblo Indians who live near Taos, and their customs.

Scouts attending were Allen Sudderth, Ronnie Bryan, Donnie Spencer, Jerry Myers, John Preston Robertson, Lynn Rollins, Joe Beal and Mike Ryan. Guests were, Nora Sue Naranjo, John Richard Robertson, Sherry Kay and Glenda Kay Miller, and Debbie Ryan.

## Former ranchers here honored on 50th anniversary

Mr. and Mrs. Marion McGinty accompanied their son, Rusty and wife, to Post Sunday to attend the Golden Anniversary celebration for Mr. and Mrs. George Duckworth.

The gala affair was held in the Garza County 4-H barns. A chuck-wagon dinner was served with pit-style barbecue, red beans, pickles, onions, campfire coffee and all the trimmings.

The afternoon program was a "This Is Your Life" of Mr. Duckworth's entire life. His daughters conducted the 'doings' and between each period of Mr. Duckworth's colorful life they played and sang cowboy songs, both old and new.

The Duckworths were early ranchers northwest of Plains. Others from Plains attending the "round-up" of friends were: Mr. and Mrs. Gene Payne and Tommy and Mrs. T. E. Payne Sr.

## Mrs. Dunk Brian hostess at party

Mrs. Dunk Brian was hostess to a Stanley party Monday afternoon in the home of Mrs. A. E. Newsom. Mrs. Elsie Hughes of Denver City was the demonstrator.

Games were played and enjoyed by all.

Refreshments of coffee, punch and brownies were served to Mrs. C. A. Stewart and James, Mrs. R. G. Hartman and Dickey, Mrs. Alton Billings and Lavonda Kay, Mrs. Jim Lewis, Jan and Sissy, Mrs. W. O. Taylor, Mrs. Frank Spencer and Sue, Mrs. Ira Tidwell, Randy and Lyndyl, Mrs. A. E. Newsom, Mrs. Tom Box and Tommy Guy, Mrs. Lee Roy Box, Mrs. Hendrix Wheeler, Mrs. Raymond Palmer, Mrs. Clyde Followell, Mrs. Elsie Hughes, Mrs. Followell of Amarillo, and the hostess, Mrs. Dunk Brian.

Bradley Brittain of Rotan latched onto a pass thrown by teammate Todd Baugh during the Plains-Rotan clash at Big Spring Friday night. The Plains defender is Joe Don Marrow.

## Stanford Valley HD Club plans Christmas party

Stanford Valley Home Demonstration Club held its regular meeting in the Clubroom Thursday afternoon, November 20.

Plans were made for the Council Christmas Party to be held in the Clubroom Tuesday, December 2, at 1:30 p.m. and also the Club Christmas Party to be staged in the clubroom Thursday, December 4, at 7:30 p.m. All members are urged to attend both parties.

Mrs. Hendricks and Mrs. O'Neal gave the demonstration on "Home Christmas Decorations".

Pumpkin pie and whipped cream, spiced tea and coffee were served to Mmes. Robert Chambliss, E. V. Dooley, K. C. Hendricks, Neal Hickman, Preston Murphy, Jim 'Neal, W. B. White, Dr. May Gainer and the hostess, Mrs. J. L. Taylor.

Mr. and Mrs. W. M. Overton were accompanied to the Plains-Rotan game by their daughter, Mrs. Judge E. Young and children of Midland. Also attending the game from Midland were Mrs. Tommy Riggs and Amy, who joined Mr. Riggs' mother, Mrs. Joe Kennedy, and returned home with her.

## Ladies Night is held by Lions

About ninety-one members and guests attended the Lions Club ladies' night banquet Tuesday night in the school cafeteria. The dinner was served by the FHA girls under the supervision of Mrs. Jo Brown.

Rev. Ralph O'Dell, pastor of the Presbyterian church in Brownfield, was the speaker. He spoke concerning membership in the community, church, home and other organizations.

A male quartet, composed of J. D. Campbell, C. E. Belk, Odus Walser and Roy Stockstill rendered two songs, a novelty number and "Down on the Levee". Out-of-town guests included Mr. and Mrs. Homer Starnes of Brownfield and Mr. and Mrs. Garland Shelly of Seagraves.

## NOTICE

to our  
FRIENDS and CUSTOMERS:

We have sold our Auto Parts Store, and want to say "THANK YOU" to our many friends and customers. Thanks a million for your fine business and wonderful friendship, these past three years we have been in business.

We earnestly solicit your continued patronage for Buddy Hanna, new owner.

Melvin and Lucia Walser

## WSCS meets on Wednesday night

The W.S.C.S. of First Methodist Church met in the home of Mrs. H. F. Barnes Wednesday evening, November 19, at 7:30.

Mrs. P. M. Williams offered a very inspiring devotional, while Mrs. Bruce White presented the study of chapters 10 and 11 from the Book of Isaiah.

Refreshments were served to one guest, Mrs. Robinson, and fourteen members: Mmes. Carl Stroup, Leo White, Bruce White, James Warren, Wayne Chadwick, L. O. Smith, P. M. Williams, Jesse Hale, Guy Harrod, Foye Flood, Donald Ray Lackey, R. H. Meixner, Mrs. Mae Gainer and the hostess.

NOTICE—  
The Fine Arts Club will meet in regular session on Thursday night, December 4, at 7:30 p.m. in the home of Mrs. L. O. Smith with Mrs. G. W. Cleveland as co-hostess.

## GOC (continued from page one)

known as the Mid-Canada Radar Line.

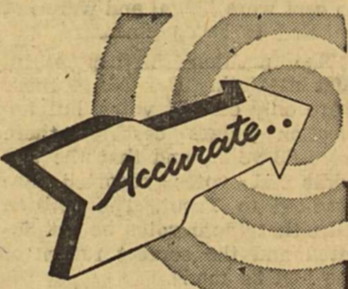

c. The installation of more and better radar within the United States plus the radar equipped planes and ships which extend our coverage off our coasts several hundred miles.

2. The increasing speeds of potential enemy bombers and our own fighter interceptors make it necessary that we develop an automatic means for processing air defense data within the continually reducing time limits. We are converting to a system that can receive, process and transmit information at greater speeds than is now possible by our manual procedures. The manually operated air defense system is now being replaced by Semi-Automatic Ground Environment (SAGE) system which meets present and future requirements.

3. Air Force recognition of its responsibility to relieve the volunteers of a heavy burden of duties when the effectiveness of the electronic air surveillance system will permit."

Commander Atkinson commended the local corps by saying: "I salute and commend all volunteers for a job well done. You have borne your duties well and faithfully and have provided invaluable assistance to the air defense of our country. In giving so much of yourselves to the air defense of our nation you have proved how much free and independent people can accomplish through voluntary association and spiritual unity."

Mrs. Coke wishes to express her gratitude, also, to each member of the local corps for their faithful cooperation in all activities here.

## YOU WILL BENEFIT 5-WAYS

## WITH A "Propel-R-Feed" DISTRIBUTOR

Yes—you will benefit five ways when you equip your farm with a John Deere "Propel-R-Feed" Distributor.

First of all, as the owner of an "LF," you'll have a machine that distributes fertilizer evenly in quantities as low as 20 pounds per acre. You'll have a lime distributor that handles all types of lime uniformly in quantities up to 10,000 pounds per acre. Equipped with row-crop bottom slides, your "LF" becomes the ideal

machine for side-dressing many cultivated crops. Equipped with a grain feed shaft, it will handle small grains and hard-to-handle grasses. And another attachment equips it for sowing small grass seeds. Of course, calcium chloride, cinders, and similar materials may also be handled efficiently and economically with your "LF."

See us on your next trip to town.

## Loe contests

(continued from page one)  
poll and write in the name of Trout at a time when it would be too late for the citizenship of the precinct to become suspicious that such a scheme was being put into execution, and those agreeing to participate in such a scheme were pledged to secrecy so that the citizenship of the precinct would not become suspicious that said scheme was to be put into execution, Trout well knowing that if the majority of the voters of the precinct knew of the scheme that he would not and could not be elected.

"Contestant would further represent and show that the representations made by Trout to the county judge to the effect that the election could not be held at the place designated for the election were false, and were known to be false by Trout at the time the representations were made, and were made with the intent that they could be relied upon and in fact were relied upon by the county judge.

"Contestant would further represent and show that in inducing the county judge to change the place for holding the election, Trout represented to the county judge that the commissioners' court had previously de-

signed the Tennessee Oil camp as the place for holding election in said voting precinct by an order duly entered in the minutes of said court, when in truth and fact said representation was false, and was known by Trout to be false at the time of making the representations. In this connection, contestant would show that the county judge who entered said order changing the place for holding the election had only been recently appointed to the office and that he relied upon the representations made by Trout with the intention of inducing the county judge to rely upon the same. In this connection, contestant would also show that no general or primary election had ever been held at Tennessee Oil Camp.

"Contestant would further show that the contestee, Trout, is estopped to have the ballot that he cast for himself at the general election counted for the reason that the contestee pledged himself to support the nominee of the Democratic party at the general election and this he wholly failed to do, but on the contrary and disregarding his pledge to so support the Democratic nominee he voted for himself as a write-in candidate, and urged all of the other voters who wrote in his name at the general election to vote for him and by reason of such acts and conduct he is estopped to have his ballot that he cast for himself counted therein.

"Contestant would further show that all of the voters who voted for the contestee, Trout, by writing his name in on all of their respective ballots at the general election had participated

in the Democratic primary election in July, 1958, and in the runoff election in August, 1958, and having done so they pledged themselves to vote for and support the nominee of the Democratic party at the general election held in November, 1958, or in the alternative, that if they did not pledge themselves to vote for such candidate they at least pledged themselves not to vote for any other candidate or persons in the November general election, and by reason thereof none of said voters who cast a write-in ballot for contestee is entitled to have their vote for said contestee counted and Trout is not entitled to have any of their ballots counted for him."

Mrs. H. G. McDonnell visited her parents, Mr. and Mrs. S. R. Agnew and other relatives in Lubbock last week-end. Mrs. Nora McKee accompanied Mrs. McDonnell to visit her daughter, and family, Mr. and Mrs. Joe McClarin and Annie Joe.

## Football

(continued from page one)

tempt, but a penalty made Plains try again, and the second attempt was no good.

The Yellowhammer attack bogged down again after making a single first down, and Rotan quick-kicked to the Plains 19. On the next series of plays, confusion reigned, as a 56-yard touchdown pass play, Huddleston to Williams was called back because of a clipping infraction; two plays later, a 40 yard aerial, Huddleston to Walt Coffman to the Rotan 11 yard stripe was nullified because of an illegal use of the hands penalty. Still later, after a Plains punt, Coffman intercepted a Baugh pass on the Rotan 30, and was on his way to a touchdown when he fumbled the ball on the five yard line, with the Yellowhammers recovering. Finally, two plays later, Rotan fumbled, and Harmon Meixner grabbed the ball

for Plains on the 22 yard line. Huddleston hit Williams with a touchdown aerial, but the Cowboy backs were in motion, and the ball brought back. The local eleven scored again on the next play, and it finally held up, with Jim Williams doing the honors. A pass, Huddleston to Coffman, was good for the conversion, giving Plains a 22-0 margin with 22 seconds remaining in the half.

Lightning struck for the Cowboys at the outset of the second half, as Marrow took the kickoff on the 16 yard line, barreled straight up the middle and burst into the clear, traveling 84 yards for a Plains touchdown that brought the fans to their feet. The Huddleston-Coffman combination was good again for the conversion.

The two teams battled to a stalemate most of the remainder of the third period, but with 4:45 left in the quarter, Bradley Brittain broke loose on a 47-yard touchdown run for Rotan's first score. The conversion attempt by Corky Taylor failed. Neither team threatened the remainder of the third stanza.

On the second play of the final canto, Marrow cashed in once more, from the 20 yard line. The try for conversion by Faught failed. The two squads battled on pretty much even terms the remainder of the contest until Baugh intercepted a Huddleston aerial on the Rotan 46.

The Yellowhammers advanced down the field, with Baugh pitching to Brittain for the touchdown with one second showing on the clock. A Baugh to Teddy Roe Underhill pass was good for the 2-point conversion.

## Dirt Gardeners hold meeting on Thursday

The Plains Dirt Gardeners met Thursday, November 20, at 7:30 with Mrs. T. E. Coke, Mrs. E. H. Goehry, and Mrs. John Anderson as hostesses.

Mrs. Roger Harvey, program director, presented Mr. Carl Weichman of Hobbs, N.M., who gave an interesting and informative talk on uses of evergreens in landscaping. He brought a large number of potted evergreens about which he explained uses and suitability to climate.

## Lynn Fitzgerald breaks collarbone

Little Lynn Fitzgerald, four year old daughter of Mr. and Mrs. Johnnie L. Fitzgerald, received a broken collarbone last Friday evening while playing.

Lynn, with her sister Gwen and cousin Travis Loe were romping on the local football field when she fell from the low fence.

Not realizing she was injured seriously, she wasn't taken to a doctor in Brownfield until Saturday morning. She is doing fine except for soreness.

**Oh LORD, OUR GOD.**

... give us hearts of gratitude on this Thanksgiving Day. May the dignity and the solemnity of the occasion of Thanksgiving warm our hearts as individuals, as families, as nations. As we express gratitude for the favors of mercy, may we be conscious of the fact... *they all come from God.* May we know the full meaning of historic Plymouth landing. Let us be reminded anew that freedom began there... and to worship God according to the dictates of our own hearts was guaranteed when the Pilgrim Fathers stepped ashore. Then, let us not fail to humbly recognize God as *the Giver of life,—the Provider of all goods,—and the Savior of the souls of men... AMEN*

# Fight 'Em Team, We'll 'Roar' — Tame the Lions!

## Mrs. H. M. Smith injured in fall

Mrs. H. M. Smith fell late Saturday afternoon when her ankle turned on rocks in her backyard. She had visited her next-door neighbor, Mrs. J. H. Daniels, and as she entered her yard on returning home, she fell upon her face. Her glasses scraped down her face, cutting her forehead and nose, and requiring several stitches to close the wound.

She is up and around with her usual jolly chat. However, 'Pop' pretends he got brave and did the damage.

## Barbara Jean Watson honored on birthday

Miss Barbara Jean Watson was honored on her 13th birthday Monday night with a hot-dog supper and slumber party in the home of her parents, Mr. and Mrs. Robert Watson. Besides the hot-dogs the menu afforded potato chips, pickles, cokes, ice cream and birthday cake.

Girls enjoying the festivities were Loretta Taylor, Ann Lattimore, Tonya Randolph, Peggy Etheridge, Kathy Bryant, LaVerne Sealy, Betty Stewart and the honoree.

BEAT OZONA!

## State Line HD Club to hold Yule party December 12

The State Line Home Demonstration Club met Monday afternoon instead of the usual Thursday because of the Thanksgiving holidays in the home of Mrs. A. E. Newsom. The meeting was called to order by Vice-president Mrs. Ira Tidwell, and business was conducted. Mrs. Tom Box, president, presided over the meeting later. Roll call was answered by "The Christmas decoration I remember best as a child".

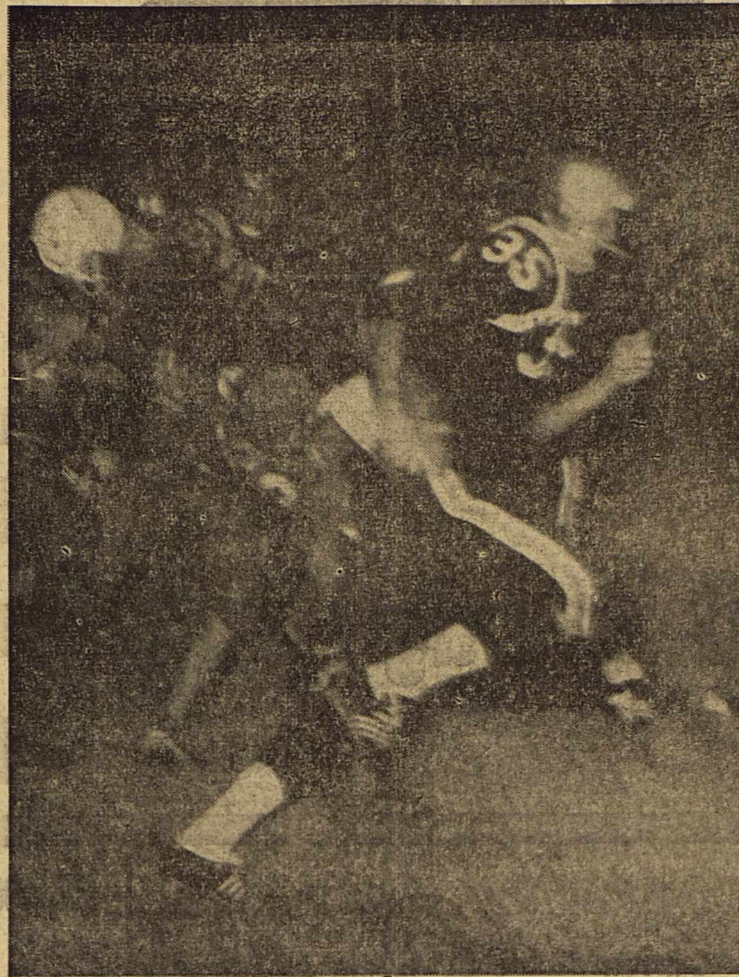

Family Christmas party plans were completed. The party will be held Friday night, December 12, in the home of Mr. and Mrs. A. E. Newsom. Names for secret pals for next year were drawn. The Christmas party for Council scheduled for December 2 was discussed, and recreation for the event planned.

Mrs. Frank Spencer gave a very interesting demonstration on making Christmas decorations. Many things can be made from things around any home such as tin can lids, weeds, shrubs, seeds, paper cutouts, etc. She made a very attractive outdoor decoration using pieces of evergreens, wire, pine cones, ribbons, and little bells that tinkle.

Exchange of Christmas gifts was held, and secret pals were revealed. A lot of fun and surprises were enjoyed as well as nice gifts received.

Punch, coffee and cookies were served to Mrs. Janell Wheeler, Mrs. Raymond Palmer, Mrs. Lee Roy Box, Mrs. Tom Box, Mrs. Ira Tidwell, Mrs. Jim Lewis, Mrs. W. O. Taylor, Mrs. C. A. Stewart, Mrs. R. G. Hartman, Mrs. Dunk Brian, Mrs. Frank Spencer, Mrs. Alton Billings, and the hostess, Mrs. A. E. Newsom.

There will not be any more club meetings this year. The first meeting for next year will be Thursday afternoon, January 8, at 2:30, in the home of Mrs. Raymond Palmer. Each and every homemaker in the area is invited to come and meet with the club, as an outstanding program is planned for next year.

Jim Williams streaks past Rotan defenders on a 24-yard touchdown dash just before the half ended in the Plains-Rotan contest Friday night at Big Spring. The Cowboys won the bi-district clash, 36-14.

## 'Kans for Kids' drive reported successful

The Intermediate Training Union of the First Baptist church sponsored a "Kans for Kids" collection Monday night with great success. They went from house to house among the First Baptist church members and secured canned goods and other items which will be sent to the South Texas Children's Home near Beeville, Texas.

Many have called wanting to add to the nice collection later. Mrs. G. R. Todd reports another box will be sent as soon as possible.

The Virgil Shorts, former residents of Plains, now of Denver City, were seen adding their support for the Cowboys at Big Spring Friday night.

Mrs. Frank Sudduth was a medical patient in the Yoakum County Hospital in Denver City, but returned home on Monday of last week. Visiting Mrs. Sudduth on her return were Mr. and Mrs. Delbert Burt, Mrs. H. M. Smith, and Mrs. Bessie McCravey.

Mr. and Mrs. Joe Cheek flew to Kerrville on November 9, where they were met by their daughter-in-law, Mrs. Robert Cheek of Corpus Christi. They have spent the last two weeks visiting there and helping Robert get a new automatic laundry open for business. Mr. Cheek says 'they went down to teach the grandson to talk'. Mr. and Mrs. Hank Goehry, Marilyn and Myron drove down to Corpus Christi Friday afternoon. The Cheeks returned with them on Sunday.

Mr. and Mrs. S. L. Tingle transacted business in Santa Fe, N.M., last Tuesday.

LOST or STOLEN—Small black and white male dog with long black ears and tail. Answers to the name of "Foxye". Contact Mrs. Schultz at Judge Beane's Courts. 48-11c

## Myrna Marshall honored at shower

Miss Myrna Marshall, bride-elect of Bobby White, was honored with a bridal shower, Friday afternoon, November 14 in the Activity Room of the Old Courthouse from 2:00 until 4:30 p.m.

The serving table was covered with a lovely white hand crocheted tablecloth over white with yellow ribbon streamers lettered with the bride and groom's name extending from a centerpiece composed of a miniature bride standing in front of a net and lace fan. Other decorations featured an arrangement of white mums in a crystal bowl on the registration table.

Spiced tea, mints, nuts, and cake squares were served by the hostesses from a beautiful silver tea service to approximately 60 guests with guests registering from Lubbock, Brownfield, Tokio and Denver City.

The couple are to be married Saturday, November 29 and will make their home in Plains where he is engaged in farming and she is County Home Demonstration Agent.

## GOOD LUCK, COWBOYS!

Just wanted you to know that Denver City is behind you 100%... and that we're pulling for you to

## BEAT OZONA!

Your neighbors to the south congratulate you on your fine team and outstanding record. Keep up your winning ways!

## PLAINS NEWS CHIPS

Condition of Mr. Lowell Trout of Montague, son of Mrs. Nona Trout is reported better. Mrs. Trout was called to Montague several weeks ago when a stomach ailment Mr. Trout has had for quite some time, became worse.

A couple of fellows (strangers) told a local fan he didn't know there were that many people in Plains, while viewing the football game Friday at Big Spring. Whereupon, our citizen remarked, "If we had a fire I just don't know who would put it out".

Mr. and Mrs. Lee Miller and son of Brownfield, Mr. and Mrs. Rudolph Houston and Reuben of Tatum, Mr. and Mrs. R. G. Sudderth, Bob, Linda, and Carolyn of Carlsbad, Mrs. Claude Montgomery, Phil and Diane of Brownfield, Roy McCravey and Jess Burns, both of Lubbock, and Mr. and Mrs. Earl Robertson and Susan, Mrs. Beulah Hathaway, Mrs. Lawanna Sudderth and children all of Plains visited in the Frank Sudderth home Sunday.

Judy Lowe underwent an appendectomy in the Yoakum County Hospital on Wednesday morning. Judy, a popular Plains High School senior, is the daughter of Mr. and Mrs. Jack Lowe.

Visiting in the Sperm Tingle home for the Thanksgiving holiday are Mrs. Tingle's sister and family, Mr. and Mrs. H. L. Johnson from Henrietta, Okla., and her father, Mr. Silas Edwards from Normal, Illinois. It is hoped Mr. Edwards will remain with Mrs. Tingle and family for the winter.
