THE COWBOY BASKETBALL SQUAD opens season's play this Saturday in a game at Denver City against the Mustangs. Those currently on the squad include: back row, Joe Don Marrow, Jack Meixner, Walter Coffman, Jim Williams, Don Todd, Claude Lee, Ray Faught, Bob Oats; front row, Mike Culwell, Dick Cooke, James Alberding, Cordell Huddleston, Harmon Meixner, and Coach Rip Sewell.

\$990,000 school bond is approved in election

Voters gave the \$990,000 school bond election overwhelmingly approval Saturday as they balled by more than five to one to go ahead with the proposed expansion of the present school plant facilities.

Unofficial tally of the votes showed 163 for the issuance of the near million dollars in bonds, and only 31 against.

According to G. D. Kennedy, superintendent of the Plains Independent School district, the bonds were sold this week to The First of Texas for 3.185.

The architectural firm of Atcheson, Atkinson and Cartwright of Lubbock has been employed to draw plans for the expansion and revampment of the existing school plant, Supt. Kennedy said. It is expected that this will take from six to eight weeks.

The expansion as planned will include a new high school library, conversion of the present library into two or more classrooms, laboratory for biology, and general science, new auditorium with administrative offices attached, conversion of the existing auditorium into four classrooms and improved band department, new gymnasium, and moving and improving of the school football stadium.

School officials this week commended the voting public for their far-sightedness in making possible the best facilities in education for the young people of the community, and expressed their appreciation for the confidence shown in the judgement of the school board and administration, who had endorsed the project as necessary for the development of the local school system.

Two county 4-H youth honored at Lubbock meeting

Two 4-H Club members from Yoakum County were honored this week at a banquet held in Lubbock. Mark Barron and Zoleta Brantley, the Gold Star boy and Gold Star Girl from this county, attended the first 4-H Gold Star banquet honoring the county winners in Extension District 2. The banquet was held in the ball room of the Student Union Building on the Texas Tech Campus Monday evening, December 8th. Over 3000 people attended the banquet which was sponsored by the 12 Electric Cooperatives serving the area.

The Honorable Waggoner Carr of Lubbock, Speaker of the Texas House of Representatives, was the Master of Ceremonies. The entertainment was furnished by Mr. Sam Hunter of Tulsa, Oklahoma, better known in these parts as "Sluttering Sam." The principal speaker of the evening was John E. Hutchison, Director of the Texas Agricultural Extension Service, College Station. Director Hutchison gave a very inspiring talk in which he encouraged the 40 Gold Star Winners—two from each county—to be optimistic and to go into the future with the courage to defend their own ideas.

This is the 50th year of 4-H Clubs in the State of Texas and it was very fitting that the Rural Electric Cooperatives chose 1958 as the year to hold the first District Banquet in recognition of the contributions of 4-H Clubs. The 12 sponsoring Cooperatives are: Bailey County Electric Cooperative Association, Muleshoe; Caprock Electric Cooperative, Inc., Stanton; Dickens Inc., Spur; Hall County Electric Cooperative, Inc., Memphis; Lamb County Electric Cooperative, Inc., Lamb.

Listed on the defensive team were Jerry Holbert, end, Harmon Meixner, middle linebacker and Walter Coffman, halfback. Honorable mentions were Doug Todd, Ray Faught and Don Cooke.

The complete rosters of the all district teams include:

Offense: Kenneth White, O'Donnell, Dickie Stephenson, Seagraves, ends; Don Todd, Plains, Buddy Rusk, Sundown, tackles; David Schultz, Sundown, center; Bobby Foster, Sundown, Jack Priestage, Seagraves, guards; Dennis Grimes, Seagraves, quarterback; Joe Don Marrow, Plains, Don Williams, Plains, Lewis Sessums, Sun-

Mr. Duke is a graduate of Arkansas State and also attended the University of Arkansas. He received his training in Soil Conservation work at Pecos then was transferred to Bridgeport where he spent the next four and one-half years.

He has been employed with the Soil Conservation work the past seven years moving here from Bowie where he worked the past two and one-half years.

Mr. Duke's wife, Melba and their two children Brenda Mae, 11, and Michael, 5, will remain at Bowie until after mid-term when they will move to Plains providing they can find a house.

Marilyn Goehry injured by dog

Marilyn Goehry received a very painful cut on her lower lip when she was attacked by a collie dog at the home of friends in Odessa.

Marilyn, with her parents, the Hank Goehry's and brother, Myron were visiting Mr. and Mrs. Don Hummel in Odessa, when she ran to play with the dog. The dog, mother of a new litter of puppies, had been teased by neighbor children. Not knowing Marilyn, she resented her presence near her family and attacked her. Luckily, the dog had been immunized and only recently checked by a veterinarian.

Several stitches were used to close the cut. Marilyn suffered no ill effect other than a very sore lip.

Cowboys overpowered by White Deer, 46 to 16

The bubble burst about 7:45 p. m. Saturday night at Plainview. That was approximately the time that the second half of the Plains-White Deer quarter-final football game began. At that stage of the contest, the Plains team held a 8-6 lead, but 24 playing minutes later, the White Deer team had a semi-final berth and a 46-16 victory over the Cowboys.

The hopes of the Cowboys to advance another round in the state playoffs melted under as vicious and savage an offense as has been seen in the South Plains this year. The Bucks completely dominated play in the final half, as halfback Allen Harmon and fullback Herschel Powell gained huge chunks of yardage almost at will. The White Deer blocking

But the White Deer defense stopped the Cowboys cold, and the only other threat the Cowboys could muster came on another kickoff return when Eldridge Tidwell romped to the White Deer 20 with a lateral from Mike Sink before being brought down. However, the Plains lads could go no further. In fact, the Cowboys did not make a first down in the last half.

Joe Don Marrow, Plains' bread and butter ball carrier, left the game in the third period with an injured hand, and his loss was something the local lads could never overcome.

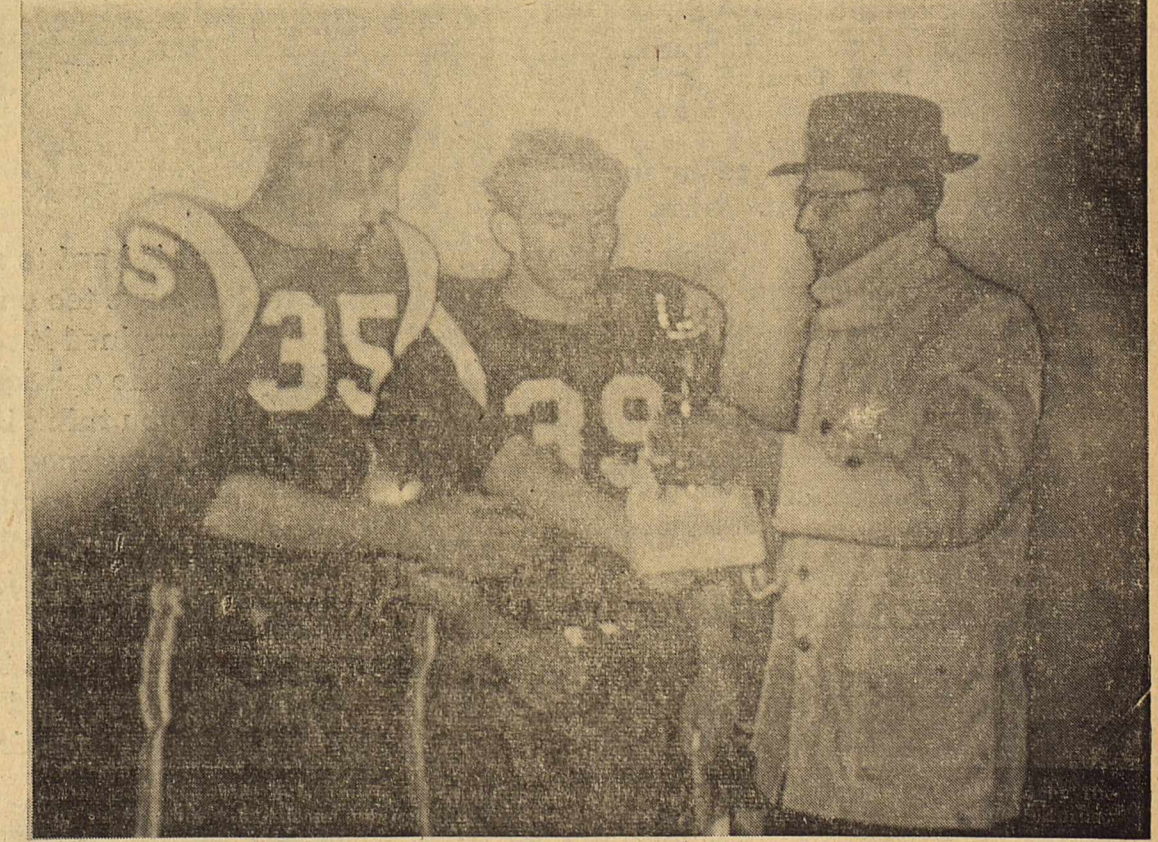

Plains scored first, with Marrow going over from eight yards out with 4:19 left in the initial period. Huddleston passed to Coffman for the two-point conversion. The touchdown was the climax of a 64 yard march after White Deer was forced to punt.

White Deer broke into the scoring column with 5:19 left in the second quarter. Powell

During the recent drive for new members, fifteen new names were added to the roll.

Cagers open season Saturday

The Plains High School basketball team makes its debut in Denver City Saturday night against the strong Mustangs of that city. With only one week of work-outs, Coach Sewell said the boys would probably show signs of football rather than basketball.

The Cowboys have five returning lettermen from the team that finished fourth in the state meet at Austin last March. They are expected to be a very tough ball club as soon as the team gets the feel of the basketball.

The probable starting line for

Saturday night will be Corky Huddleston, a 5 ft. 7 in. senior, Harmon Meixner a 5 ft. 10 in. junior, Walter Coffman, a 6 ft. 2 in. junior, Claude Lee, a 6 ft. 1 in. senior and Jim Williams, a 6 ft. 4 in. senior.

"B" team will play a preliminary game beginning at 6:30. The "B" squad will be made up mostly of sophomores. Boys who will see action Saturday night are Jack Meixner, Don Todd, Joe Marrow, Ray Faught, Dick Cooke, Mike Culwell, James Alberding and Joe Oats.

At present there are only 13 boys out for basketball. More will be added next week until the entire squad comes out which should be about twenty-three boys.

The schedule is as follows:

December 13: at Denver City
December 16: at Post
December 19-20: at Denver City
Tourney
December 30: Levelland (Here)
January 1-3: at Brownfield

New owner for Jones Electric

Johnny Jones, owner of Jones Electric Co., announced this week that he had sold his electrical business to C. L. Guest of Fort Worth.

Johnny has been in business here the past two and one-half years. He has no definite plans for the future, he said.

Mr. Guest has been in this type of business for the past thirty years, knows the state code and will follow it to the point on each job. He and Mrs. Guest, both employed at present, will move here in the next few weeks. They are active church members and are anxious to know everyone and be a part of the community.

Introducing Mrs. T. E. Payne—

Plains personalities on parade

We choose for our personality of the week, a little spry old lady, who is an inspiration to everyone who knows her.

Mrs. T. E. (Rowena) Payne was born in Burnet County, October 10, 1878, the third of ten children. Her parents were Mr. and Mrs. David Arnett.

When Mrs. Payne was three years old, the Arnett family moved to Tom Green County where Mr. Arnett managed the Snyder ranch! The trip was made in a covered wagon. At that time there were no fences and the nearest town was Colorado City, about 75 miles away.

After spending three years on the Snyder ranch, Mr. Arnett bought a ranch near Colorado City where he moved his family in order that the children could go to school. The ranch was located near a settlement known as Seven Wells. The children attended school there instead of Colorado City. Mrs. Payne said at that time the railroad had just come through Colorado City and it was a wild and rough place.

One of Mrs. Payne's vivid memories of her 1st school years is the old water bucket that sat in the corner of the school room.

Marching band wins 'first' rating in regional contest

The Plains Cowboy Band, under the able direction of Mr. J. D. Campbell marched forth with honors their school should be proud of last Saturday, when they took part in the Area 1 Marching Contest held in Plainview High School stadium.

The Plains band placed 1st in inspection and in marching. Class "A" bands receiving 1st division ratings were: Plains, Seagraves, Hale Center, Crosbyton, Sudan, and Springlake. Bands were graded on precision, drill formation, neatness, and ovation.

Judges were: Pete Long, See BAND on page 8

Community choir to give contata

The recently organized Community Choir, under the direction of Mr. Jim Campbell, will give its first public performance on Sunday evening, December 14, at eight o'clock in the First Baptist Church, Plains.

In keeping with the true spirit of the Holiday Season, the choir selected a very beautiful and appropriate Christmas Cantata, "Song of the Holy Night" by Wilson and Tillotson.

Featured soloists will be Mrs. Rod Duff, soprano; Odus Walker, baritone; Gene Belk, tenor; Carolyn Murphy, alto; and Mrs. Jesse Hale, soprano. A duet part will be sung by Mrs. Jesse Hale and Mrs. Pat Henard. The quintet will include Karan Randolph, Sylvia Broach, Jeannine St. Romain, Don Cooke, and Claude Lee. Pianist will be Miss Glenda King.

The entire community is cordially invited to attend this presentation and enjoy forty minutes of Christmas music.

The choir wishes to express appreciation to the churches of the community that are relinquishing their worship hour that this program might be rendered.

TSTA calls for larger teacher salary raises. Present minimum starting salary is \$3,204. Hale-Aikin Committee recommends hiking this to \$3,800. TSTA is asking for \$4,000 for bachelor's degree holders, \$4,200 for those with a master's degree.

TSTA's salary increases would cost some \$10,000,000 to \$15,000,000 a year more than the Hale-Aikin plan. Overall enactment of the Hale-Aikin school improvement plan would cost the state an estimated \$110,000,000 a year more than is now being spent.

Other planks in the teachers' legislative platform are specific

AUSTIN, Texas — Foreshad-owing many hours of debate in the next Legislative session is the steady build-up of proposals and counter-proposals for improving public schools.

Texas State Teachers Association has voted to push a 19-point legislative program. TSTA will go along on most of the Hale-Aikin Study Committee's recommendations, though its own program omits a few H-A proposals and is lukewarm on others.

Most notable difference is that

changes to expand or enrich school programs — driver education, special programs for gifted children, more funds for small schools, etc. TSTA approved the Hale-Aikin proposal for lengthening the school year, but indicated it would not go all-out for it.

Because they call for new spending at a time when the state already is in the red, no one expects smooth sailing for the school proposals. Governor Daniel warned teachers that he could not foresee available money for all the program. Many legislators are haunted on the one hand by the need to dig up new money just to keep the state in business and on the other by campaign promises not to vote for certain kinds of new taxes. They're inclined to view new spending plans like smallpox germs.

On the other hand, advocates of school improvement constitute a large and very active group. And all such efforts gained tremendous new leverage when Sputnik I whizzed into orbit.

FOR BUSINESS SEEKING—Texas Industrial Commission is asking the Legislature for a \$100,000-a-year appropriation to be used in attracting new businesses to Texas.

Commission voted not to go into tourist promotion unless asked to by lawmakers.

Proposed budget allocates \$16,500 annually for an executive director's salary and \$75,000 a year for advertising in national publications. All this activity will be brand new to Texas, made possible November 4 when voters removed an 82-year-old constitutional ban against spending state money for advertising.

Commission also announced that it is opposed to any plan of offering temporary local tax exemption as a sort of "prize" to new industries.

BACK TO WORK — For the first time in 1958, Texas non-farm employment broke the

three-million mark in October.

Christmas rush and other gains may bring the number of workers to a new record high in December, according to the Texas Employment Commission.

Settlement of 13 labor-management disputes involving 9,749 workers contributed to the October employment peak of 3,001,400.

December's bright hopes are based on expectation of the usual retail increases, more employment in cotton processing due to a high per-acre yield, plus gains in manufacturing, transportation and school employment.

OLD AGE ROLLS SHORTER

Number of Texans receiving old age assistance payments dropped during the past year, but Texas still has a greater percentage of its population on state old age pensions than most other states.

State Welfare Department's report to the governor notes that an increase in the number elderly persons receiving Federal Social Security payments is apparently causing the shrinkage in the state welfare rolls.

Despite this trend, Texas has 33.6 per cent of its 65-and-over population on the state pension rolls compared to a national average of 16.2 per cent. Texas' average payments are lower — \$47.08 per month compared to the national average of \$61.39.

During the past fiscal year the State Welfare Department paid out \$125,353,296 for old age pensions. Of this, 30 per cent was state funds, the rest federal.

JUDICIAL REVIEW UP-HELD — Persons unhappy with

State Water Board decisions may appeal to the courts, but not for a new trial starting from scratch.

State Supreme Court ruled that appeals from Water Board rulings may be considered only in the light of the evidence presented in the original hearing. In so ruling, the high court invalidated a provision in the water code providing for trial de novo (or anew.)

At issue was a Walter Board decision denying Southern Canal Co. of Houston permission to take water from the Trinity River. An Austin district judge had ruled that he did not have jurisdiction. Now the case can go back to district court for judicial review under the "substantial evidence" rule.

Effect of the Supreme Court decision could be far-reaching if applied to appeals from other administrative decisions. Heretofore, trial de novo has applied to appeals from the State Board of Insurance.

SHORT SNORTS — Jake Jacobsen, Governor Daniel's top assistant, will leave this job Jan. 1 to enter private law practice in Austin. Jacobsen has been a close associate of the governor since the days when Daniel was attorney general. . . . Texas Employment Commission Chairman S. Perry Brown has been reappointed by the governor for a new six-year term despite protests from labor groups. . . . U.S. Department of Agriculture is recommending a 12 per cent in 1959 acreage allotments for spring potatoes in Texas. This would be 7,875 acres for next year compared to 9,000 in 1958

It is No. 1 J. C. Kelley, 1,980 feet from south and west lines of section 398, block D, John H. Gibson survey.

Shell Oil Company has set seven-inch casing at 7,200 feet for tests of the Permian in No. 1 Granger 13,129-foot Devonian failure in East Yoakum County.

Several sections of the Permian yielded shows of oil when drillstem tested during drilling operations. No signs of production were found in the Devonian.

The wildcat is 1,980 feet from south and 1,650 feet from east lines of section 467, block D, J. H. Gibson survey, eight miles east of Plains.

Admore Drilling Company, Inc., of Midland No. 1 Ellen B. Peters will be dug as a 5,800-foot operation seven miles southeast of Denver City in North Gaines County.

The wildcat is 1,980 feet from north and 660 feet from east

lines of section 274, block G, WTRR survey.

Jake L. Hamon of Dallas and Midland and Republic Natural Gas Company No. 1 J. V. Been, wildcat in West Yoakum County, found slight shows of oil on a test in the San Andres.

A drillstem test from 5,260 to 5,296 feet, open two hours, returned eight feet of drilling fluid and one-foot of oil. More hole was being made below 5,765 feet.

Location is 1,980 feet from north and west lines of section 361, block D, John H. Gibson survey.

Dob Oil Properties, Inc., of Wichita Falls will drill No. 1 Ruth Hudson as a one-mile southwest outpost to the two-well George Allen (San Andres) field six miles southwest of Denver City in North Gaines County.

Drillsite is 440 feet from south and east lines of northeast quarter of section 6, block AX, psl survey. It is slated for a 5,500-foot bottom.

Mr. and Mrs. Billy Winn and family are new residents of Yoakum County, having recently moved to the Alton Webb farm formerly occupied by the Tom Warrens. The Winn's are lifelong residents of Terry County, Mr. Winn's grandparents being early settlers of that county.

Mrs. Lawanna Sudduth and children visited relatives in Plainview last weekend. Mrs. Sudduth's mother, Mrs. Beulah Hathaway is in Roff, Oklahoma this week on business and visiting friends and relatives.

Is It Clear to YOU?

Do you find it hard to read? Is its language too out of date? Have you imagined it contradicts its self? Are you of the opinion God's love for us is a paradox? Do you think if God really loved us He would let us be sick, experience pain and suffer death? Is the Bible actually hard for you to understand? If your answer is "yes," then you should enroll in Sunday School, start going to church regularly and join the band of honest, serious seekers after God's own will in your life; the true interpretation of His word. To the believer the Bible makes sense, it is easy to understand and in it there are no contradictions. It is really the Book of Life.

Tsa Mo Ga Club holds annual Christmas dinner Friday night

"Putting Christ Into Christmas," with Mrs. R. B. Jones as program director, was the theme of the Tsa Mo Ga Club Christmas dinner given in the Plains School cafeteria Friday evening, December 6th.

The club yearbook is dedicated to the clergymen and Educators of our town who inspire us to think good thoughts and bring the world closer to God.

Rev. and Mrs. C. J. Coffman, Rev. and Mrs. R. H. Meixner, and Rev. and Mrs. Pearce Burns representing the clergy and Mr.

and Mrs. Dwight Kennedy and Mr. and Mrs. Roy Stockstill representing the Educators were guests of honor.

Mr. R. K. Field brought an inspiring message on the need to put Christ back into Christmas and not forget in our busy life that it is Christ's birthday we are celebrating after all.

A manger arrangement on the stage was the setting for the nativity scene enacted by club members and their children as Mike Field gave the Biblical record of the birth of Christ.

A huge Christmas tree was beautifully decorated and piled high with gifts which were opened following the dinner. The tables were centered with silver angels, greenery and colored candles.

A delicious dinner was served by hostesses: Mmes. Ty Field, Raymond Bookout, P. W. St. Roman, Harvey Stotts, C. F. McCargo and Mrs. Ruth O'Neal. About 100 members and guests were present.

Dorcas class has Christmas party

The Dorcas Sunday School Class of First Baptist Church enjoyed their annual Christmas party with their families in the Fellowship Hall, Tuesday evening from 6:00 to 9:00 o'clock.

The gift table was snow covered with a pink Christmas tree as the centerpiece surrounded by pink and white "sugar" Church, made by Mrs. Phil Chandler, and small evergreen trees decorated with tiny bulbs.

Tables of four were centered with sprigs of Christmas greenery and bulbs.

A delicious supper of baked ham, french style green, beans, creamed potatoes, tossed salad, hot rolls, pecan pie, fruit salads, tea and coffee were served buffet style to Rev. C. J. Coffman, Mrs. Coffman, Mr. and Mrs. Dub Cook and girls, Mr. and Mrs. W. M. Overton, Mr. and Mrs. T. J. Murphy and Kathy, Mr. and Mrs. Roger Harvey and Rojana, Mrs. Preston Murphy and Jimidene, Mr. and Mrs. Emory Longbrake and sons, Mr. and Mrs. Garland Swann and children, Mr. and Mrs. Tom Warren, Miss Mary Warren, Mr. and Mrs. G. W. Cleveland, Mr. and Mrs. Carl Lowrey, Mrs. Amos Smith and Gary, Mr. and Mrs. Shorty Coke and Corky.

Mrs. Coffman brought an inspirational spirit of "Christmas Is The Spirit Of Love" from the beloved story found in the book of Luke.

Gifts were exchanged and a love gift of an electric skillet was presented to the class teacher, Mrs. Cook who is moving from our community.

CONTRIBUTING TO THE SUCCESS OF THE Tsa Mo Ga Christmas party were Mrs. Gene Payne, Mrs. Harvey Stotts, Mrs. C. F. McCargo, Mrs. Ruth O'Neal, Mrs. R. B. Jones, Mrs. P. W. St. Roman, Mrs. Ty Field and Mrs. Raymond Bookout. REVIEW Photo

Exams set for positions open on highway patrol

Examinations will be given January 20th, 21st, and 22nd for positions with the Texas Department of Public Safety, announced T. A. Rowland, local patrolman with the Texas Highway Patrol.

Young Texans interested in a career in law enforcement may compete in Statewide examinations for the positions of Drivers License Examiner, Patrolman, License and Weight Patrolman, Motor Vehicle Inspection Patrolman, January 10th is the deadline for submitting applications to the DPS Headquarters in Austin.

"Job security, paid vacation, sick leave and retirement are just a few of the benefits you will enjoy as a State Law Enforcement Officer. Any young man between twenty-one and thirty-five, a high school graduate and in good physical condition can contact any member of the Department of Public Safety for an application," Patrolman Rowland said.

Judge Reed to conclude duties

Friday will be a memorable day for District Judge Louis B. Reed.

The judge will preside over district court for the last time in Yoakum County, as he hears a number of non-jury cases. The day will climax some 20 years or more he has served this area as district judge. He was not a candidate for re-election for another term, deciding to return to private practice in his home town of Lamesa.

Frank King is FHA supervisor at Plains office

Yoakum County has a new FHA supervisor and a new clerk-typist, both of whom took over their new posts last week.

Frank L. King, who has been employed at the Brownfield FHA office the past two years came to Plains to take over the post vacated by Marvin Elliott, who moved to Morton taking over the job as FHA Supervisor in Cochran County.

Mrs. M. Jeanette Paul of Denver City has been appointed clerk-typist. Mrs. Paul is a native of Dover, Oklahoma. Following graduation from Dover High School, she attended Enid Business College at Enid, Okla. and was employed as clerk-typist for Enid Air Force Base in Oklahoma. Recently she has been employed as secretary for the Chamber of Commerce in Denver City.

King, a native of Colorado City is a Texas A & M graduate. He has been an employee of the Farmers Home Administration for the past three years, working with the FHA in Swisher, Briscoe, Mitchell, Ector, Midland, Andrews and Comanche counties.

Mrs. King is presently employed as night supervisor at the Terry County Hospital. Mr. and Mrs. King are the parents of two children, Frank Jr., 7 and Sharon, 6.
Mr. King said their plans were indefinite as just when they would move to Plains.

Mrs. Joe Cheek and his daughter, Mrs. Hank Goehry visited Mr. and Mrs. Arvel Snodgrass in a Morton hospital on Monday, where Mr. Snodgrass was confined following an accident last Sunday.

Inquest report filed in triple Stephenson deaths

The finale in the tragedy which claimed the lives of a Denver City mother and her two children October 28 was written this week with the filing of the inquest report by Justice of the Peace B. J. Smith.

Losing their lives in a fire which was confined to one room of the residence at 402 Duvall were Mrs. Ray Stephenson, 37, Carol Ann, 10 months, and John Ray, five years.

The inquest report was completed following the receipt several days ago of the results of autopsies performed by the state department of public safety at Austin. Deaths of the three were attributed to carbon monoxide, due to inflammable hydrocarbon from a product.

The report described where the bodies of the three were found, and the extent of the burns. It states further that it appears probable that the lives of the children were taken by the mother placing some inflammable hydrocarbon product fluid upon them and setting it on fire, and that the mother took her own life by the same means.

According to the report, the "fluid" referred to is believed to have been paint thinner. An empty gallon can was found under the edge of the children's bunk bed, and was identified by the husband as the can in which he had thinner stored in his workshop.

Investigation of the mysterious circumstances surrounding the tragedy had been conducted by local and county officials, as well as the Texas Rangers. Captain Raymond Waters of the Rangers

Football squad is honored at dinner

The Brotherhood of the First Baptist Church, with the help of the ladies of the church, prepared and served supper to the football boys and their dads Monday evening, December 8, at the Fellowship Hall.

The ladies brought fried chicken, pies and salad. The men prepared the beans, mashed potatoes, and rolls, made coffee and tea, served the meal and washed the dishes. About eighty fellows enjoyed the food spiced with big helpings of laughter.

After supper, Mr. Neil Parks, Brotherhood president, recognized Coach Jack Pierce, who in turn introduced the boys and their Dads.

To climax the program, Roger Harvey, program vice-president of the Brotherhood, presented the speaker for the evening, Mr. H. P. Clemons of Lubbock. Mr. Clemons, who for 26 years was connected with our Public School Systems in Texas, is now engaged in the oil business in Lubbock.

Officers for the local Brotherhood are: President, Mr. Neil Parks; Membership Vice President, Emory Longbrake; Activities Vice President, G. D. Kennedy; Program Vice President, Roger Harvey; Secretary and Treasurer, T. J. Murphy.

First pack meeting is held by Cub Scouts here on Monday night

Den No. 1 of Pack No. 78 gave the opening ceremonies with the Cub promise, Law of the Pack, and the Pledge of Allegiance to the Flag when the boys held their first real pack meeting in Plains school auditorium Monday night, December 8.

Den No. 2 gave a skit on the first Americans (the Indians) being gradually being subdued by the Spanish, French, Cowboys and others, finally being made wardens of the state and forced into reservations.

Den No. 4 unrolled a movie the boys had made in their den meeting depicting the life, customs and handwork of Indians.

Den No. 5 gave a playlet showing how boys can donate their old toys to be repaired and given to needy children.

None of the boys were present from Den No. 6 which reminds parents that it is their duty to get these boys to all den and pack meetings and give their full support to this fine work.

Mr. L. M. Mize, cubmaster, awarded approximately 30 Bobcat pins and identification cards to boys having completed their

requirements.
It would be good your heart good to see the sparkle of pride gleaming from each as they received these pins.

Mr. Shelby Barry, district scout executive, from Brownfield presented den mothers, Mesdames L. M. Mize, Bill Nokes, Charles Spencer, Hank Goehry, Floyd Ryan, and Bob Hampton with their identification cards.

Mr. Barry presented cards to the local executive committee present and to Scoutmaster Mize and Assistant-Scoutmaster Bud Brian.

Due to the absence of Lions Club President G. D. Kennedy or an alternate, Amos Smith accepted the Cub Scout Charter in behalf of that organization who are sponsors of the local Cub Pack.

Mr. Mize urged all Cub Scouts to work to raise money for their own den and pack. Their projects for January will be woodwork.

The next pack meeting will be held in the same place on January 12, 1959.

Maribeth Dewlen becomes bride

An archway of Christmas greens, tied with white wedding bells and blue ribbons, formed the setting Saturday morning, December 6, at First Baptist Church, when Miss Maribeth Dewlen, daughter of Mr. and Mrs. Robert D. Dewlen, 700 East Broadway, became the bride of Harold G. Smith, son of Mr. and Mrs. J. H. Smith of Plains.

On either side of the arch was a large basket of white gladioli and white chrysanthemums. Performing the double ring ceremony at 9:30 o'clock was Rev. F. C. Bradley.

Nuptial music was furnished by Mrs. Carl Nance, organist, who wore a dress of royal blue with corsage of white frenched mums. A prelude of selected music preceded the ceremony, and the traditional Wedding March from Lohengrin, and Mendelssohn's Wedding March were played. She also accompanied Edward Osborn as he sang "Because" and "Always."

The bride, given in marriage by her father, was lovely in a waltz-length gown of white nylon chantilly-type lace over tulle and taffeta. The bodice was fashioned in a sweetheart neckline with portrait "V" in back, and the lace skirt featured a unique bustle arrangement of bouffant puffs of tulle and lace. Her veil of tulle cascaded from a Dior-bow of white velvet. White satin pumps complemented the dress.

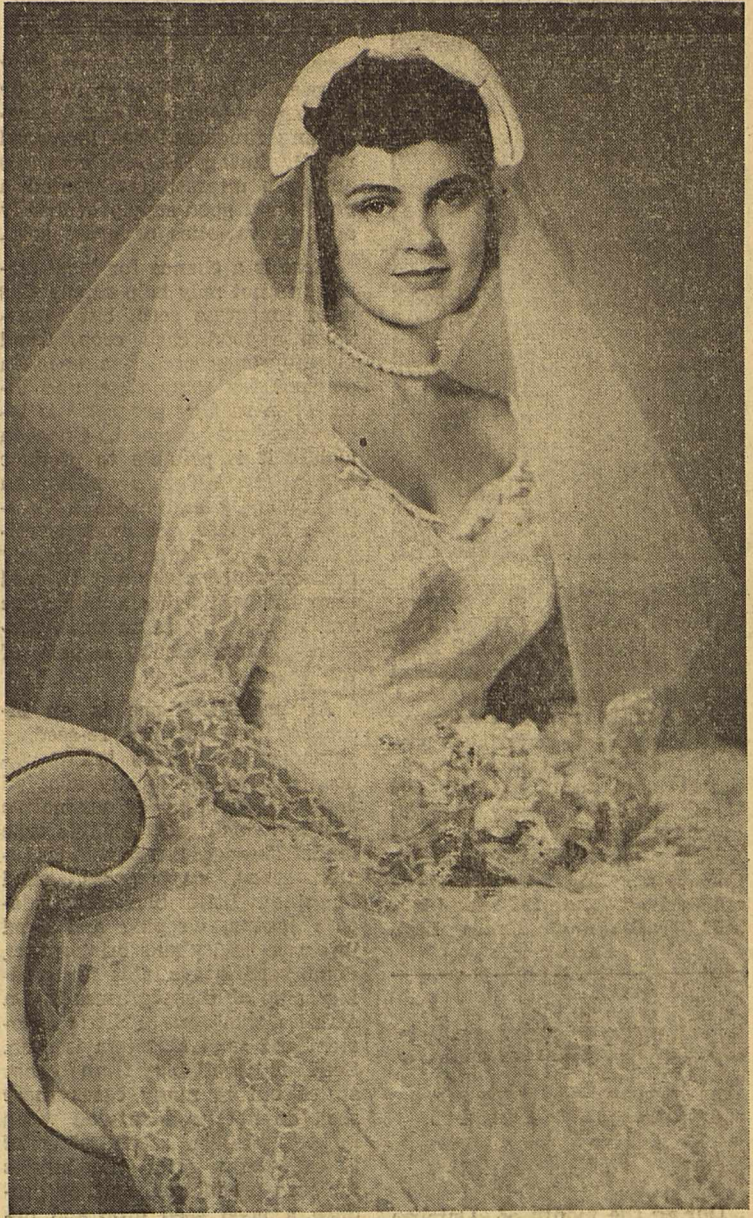

She carried a cascade arrangement of white butterfly roses, accented with blue nylon butterflies and satin streamers, on a white Bible.

Miss Sondra Overton served as maid of honor and Miss Ira Kay Head as bridesmaid. Both were identically attired in sheath dresses of blue matching the bridal gown. The gowns were cut in a low squared "V" back, and featured cummerbunds of the same material. Their head dresses were Dior-bows of white velvet, and they carried colonial bouquets of white frenched mums atop white chiffon velvet muffs.

Jerry Miller of Denton was best man, with Larry Smith, brother of the groom, as groomsman. Ushers were Robert Dewlen, brother of the bride, and James Allison.

Miss Dixie Finch, who received and registered the guests, selected a dress of winter white brocade in princess lines, with blue carnation corsage.

The young couple left on a

MRS. HAROLD SMITH

wedding trip to the coast, the bride traveling in a gray and white knit suit with black and white accessories. Her shoulder corsage was of white roses.

After December 10, they will be at home at 417 Amarillo, Denton, Texas. The bride is a graduate of Denver City High School, and her husband a sophomore at North Texas State College, where he is a secondary education major. The new Mrs. Smith also plans to continue her education at North Texas as a journalism major.

Out of town guests for the wedding included Mr. and Mrs. H. J. Smith, Mr. and Mrs. J. M. Overton and Mr. and Mrs. Yank Camp, all of Plains; Mr. and

Mrs. Harold Dewlen and Harold, Jr., and Mrs. A. L. Filler of Odessa and Mrs. G. C. Middleton of Stephenville.

Tsa Mo Ga Club to meet Tuesday night

The Tsa Mo Ga Club will hold its regular meeting Tuesday evening, December 16 at 8:00 p. m. at the Tsa Mo Ga Clubhouse with program chairman, Mrs. Bill Loyd in charge. Pioneer women and ministers wives will be special guests.

A play entitled, "Christmas at Grandmother's House," will be given by grandchildren of the members under the direction of Mrs. R. K. Field.

Co-hostesses will be Mrs. M. W. Luna, Mrs. Sherm Henard, and Mrs. Eugene Payne, Jr.

Motorists drive faster, speed survey discloses

"Motorists are driving faster in Texas in 1958 than they did during 1957," announced Captain E. L. Posey of the Texas Highway Patrol.

Analysis of a Texas Highway Department Speed Survey by the Department of Public Safety revealed that 12.6 per cent of all vehicles of Texas are exceeding the 60 mile per hour speed limit, as compared to 6 per cent last year. The Statewide survey, taken at twenty-five checking points throughout the State, will be used by the Highway Patrol in planning its selective enforcement program in the future.

"Taking into consideration that the last month of the year is our most deadly in traffic accidents, and deaths," said the Captain, "we will use every available resource to reduce this speed problem." The Captain pointed out that December is a deadly month in traffic due to bad weather, holidays and shorter day hours.

Postmaster says 'thanks' for help in early mailing

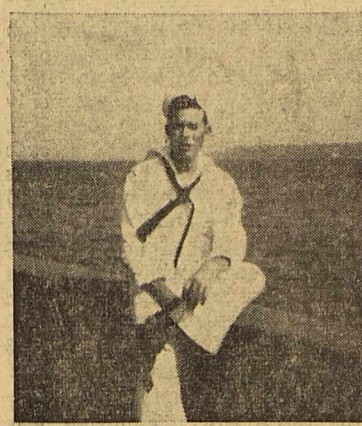

With the expectation that the Christmas mail load will hit its peak within the next few days, Postmaster Watson expressed his appreciation today for your cooperation thus far on his annual "Mail Early For Christmas" Campaign.

The Postmaster said, "It's too late to talk about early mailing of Christmas gifts and cards, because time means everything now—even a few hours delay in getting your cards and gifts mailed may mean disappointment to your friends and loved ones on Christmas Day."

He suggests that last minute mailers use Air Mail for their Christmas cards or gifts that are going out of town. There's still time for local deliveries, but all Christmas cards should be sent by First Class mail. Be sure to include your return address on all Christmas card envelopes and package labels.

Jimmy Elmore serves on 'Benner'

Jimmy R. Elmore, machinist's mate fireman, USN, nephew of Mr. and Mrs. Donald Bookout of this city, is serving aboard the radar picket destroyer USS Ben-

ner which returned to Long Beach, California, November 21 after a seven month tour of duty with the U. S. Seventh Fleet in the Western Pacific.

The Benner took part in nuclear test exercises at Eniwetok last summer and performed patrol duties in the Far East.

While with the Fleet the ship visited the Pescadore Islands, Taiwan, Japan, Okinawa and Pearl Harbor.

After arriving in the states, Jimmy informed Mrs. Bookout that he will be home about December 30 for a 20-day leave.

Jimmy attended Plains schools before entering the Navy.

Three are honored at birthday dinner

Rev. and Mrs. Earl Robertson, Sr. were hosts for a birthday dinner Monday evening honoring their sons, John and Earl Jr., and little Miss Ruth Elaine Sudduth, daughter of Mrs. Lawanna Sudduth.

Guests beside the families of the honorees were Mr. and Mrs. Frank Sudduth and Ruth Elaine's grandparents.

CARD OF THANKS

I wish to express my sincere thanks to my friends and neighbors for the many acts of kindness shown to me and my family during my stay in the hospital, for the beautiful flowers and gifts, for the food brought to our home, for your prayers and visits.

Eligible voters in cotton election Dec. 15 defined

Farmers "eligible to vote" in the upcoming referendum on 1959-crop cotton marketing quotas December 15 has been defined by the Texas State Agricultural Stabilization and Conservation Committee, according to W. M. Overton, ASC office manager.

The general rule is that anyone who engaged in the production of upland cotton in 1958 is eligible to vote in the December 15 referendum, the committee explained. This, of course, would include all persons, whether owner, operator, tenant or sharecropper, who had an interest in the 1958 upland cotton crop.

However, under provisions of law now in effect, the term eligible voters also includes some other persons whose right to vote on cotton quotas may not be so well understood.

For instance, any grower who had a 1958 cotton allotment for his farm but who produced no cotton this year is also eligible to cast a ballot on 1959 crop quotas.

Likewise, a farmer who placed his 1958 cotton allotment in the Soil Bank is eligible to vote in the December 15 referendum.

These are the principal classes of persons who are defined as "eligible," the committee stated, but persons may also qualify to vote as a guardian, administrator, executor, or trustee for another person. In such a case the person for whom he is acting may not also vote.

Each individual's right to vote depends upon his or her own qualifications, and this applies to husbands and wives, as well as minors who were engaged in the production of cotton in 1958.

Where any person has a question about his eligibility to vote in the December 15 referendum on 1959 cotton marketing quotas, he is urged to get in touch with his local county ASC office where he may obtain all the necessary facts.

Yokum County farmers may vote at the following places, Plains, old Courthouse, Sligo Community Building, C. G. S. Gin, Bronco Gin, Hilburn Spears Gin and Wayside Gin. Polls open at 8:00 a. m. and close at 7:00 p. m.

Joe Bob Lee, son of Mr. and Mrs. Chick Lee, has been ill with flu.

Eleven PHS students compete in "Homemaker of Tomorrow" contest

Eleven Plains High School Homemakers under the sponsorship of Mrs. Jo Brown participated in the "Homemaker of Tomorrow Day" program this year. The program is held December 2, Mrs. Brown announced.

Plains girls participating in the contest included Brenda Sudderth, Sallie Harkbrough, Shella Smith, Darla Yickerson, Margaret Koncaba, Glenda Stewart, Glenda Bearden, Jo Ann Bailey, Karen Shobert, Judy Lowe and Jeanine St. Roman.

By taking a homemaking knowledge and attitudes test, they will compete for \$106,000 in college scholarships and an educational tour which this year includes the middle west in addition to historical sites in the east.

Enrolled in the Betty Crocker Search for the American Homemaker of Tomorrow this year are 49,150 girls from 12,260 schools. This is the largest number of participants in the five-year history of the scholarship program. Growth has been steady since 1955 when 187,463 girls in 8,040 schools participated.

The 1959 All-American Homemaker of Tomorrow will be announced in Minneapolis April 10 at the American Table Dinner in the Leamington Hotel's "Hall of States." She will be selected from among 48 state Homemakers of Tomorrow and the representative from the District of Columbia, each chosen in a written 50 minute examination which will be administered in the schools Tuesday.

Minneapolis replaced New York as this year's finals site to permit the homemaking representatives from every state to visit the new Betty Crocker kitchens located in the home of General Mills, sponsor of this program. The state winners and their school advisors will travel to Minneapolis after six days of educational sight seeing in Washington, D. C., colonial Williamsburg, Va., and New York City.

The All-American Homemaker of Tomorrow will receive a \$5,000 scholarship. The runner-up will receive a \$4,000 grant, third place winner a \$3,000 scholarship. Each of the morning will receive a \$1,500 scholarship and the runner-up in each state will receive \$500 toward her college education.

The immediate objective of the 349,150 participants in this coast to coast homemaking program will be naming the Homemaker of Tomorrow in each participating school. The school winner's paper will then be entered in state competition. The test is designed and judged by Science Research Associates.

Each school Homemaker of Tomorrow will receive a homemaking pin manufactured by Josten's which represents the slogan, "Home Is Where The Heart Is." The school of each state winner will receive a set of the Encyclopaedia Britannica.

Our special thanks this week to Mrs. Sherm Tingle for sharing one of her very favorite recipes with us. You may be assured that it is delicious for Mrs. Tingle is an excellent cook.

Our spotlight is on her "Apple Dumplings" this week. Use your favorite pastry recipe or the following one:

2 1/4 cups flour, 3/4 cup shortening, 1 teaspoon salt and 7 or 8 tablespoons ice water.

Roll out dough in about 7" squares. Place apple, peeled and cored, in center. Sprinkle sugar mixture over apple and chill. May be kept in ice-box two or three days before baking.

Sugar Mixture: 1/2 cup sugar, 1 1/2 teaspoons cinnamon.

When ready to bake make syrup of 1 cup sugar, 2 cups water, and 4 tablespoons butter and 1 teaspoon cinnamon. Boil 3 minutes, pour around dumplings. Bake in 500 degree oven until brown, then at 325 degrees for 40 minutes.

These dumplings are best served warm. To make them extra rich another half recipe of the sugar syrup may be poured over them when the temperature is lowered.

High Plains cotton producers to take 6 percent cut in acreage

Texas High Plains cotton producers, faced with a 9 per cent reduction in acres for 1959, actually will have to take only about a 6 per cent reduction, due to the small state reserve held out this year by the Texas Agricultural Stabilization and Conservation Committee.

Cotton allotments for the 23 member counties of the Plains Cotton Growers in 1958 totaled 2,279,806 acres and for 1959 these allotments total 2,134,753 acres, a reduction of 6 per cent.

The State Reserve withheld by the State ASC committee was only 1.6 per cent for 1959. This is the first time this reserve has ever been held to below 6 per cent and the small reserve this time enabled farmers all over the state to retain more acreage than was anticipated under operation of the new 1959 farm bill.

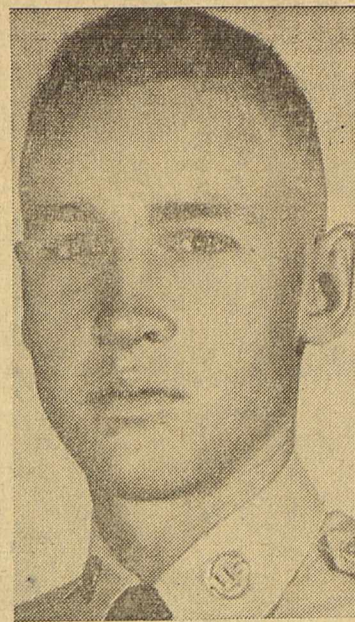

The U. S. Department of Agriculture has allocated 16,310,000 acres among the 21 cotton pro-

ducing states for 1959 cotton, and the portion of that for the state of Texas is 6,846,752 acres. The 1958 allotment for the nation was 17,554,528, and for Texas it was 7,474,661.

County ASC offices throughout the state this week are mailing 1959 allotments to farmers. These allotments are needed before farmers vote December 15 in the cotton referendum to determine whether marketing quotas will be operative for the 1959 crop.

Guy Nickels, Mulshoe, represented the PCG at the 1959 allotment hearing held September 25 in College Station. At that time Nickels urged the State Committee to set the state reserve as low as possible. This is the first time since the PCG was organized early in 1956, that this area has been successful in convincing the State ASC committee that a small reserve should be withheld. Also this is the first year this area has had a member from this area on the State ASC committee. Allan Webb of Dimmitt is now a member of the committee.

Allotments for 1958 as compared with 1959 include: Yoakum, 36,256 in 1958 and 33,083 in 1959; Terry, 152,485 in 1958 and 140,725 in 1959; Gaines, 81,635 in 1958 and 75,764 in 1959.

Cadet candidate

Melroy Borland, 20, of Plains, Tex., is attending the nine-month Military Academy Preparatory School at Fort Belvoir, Va. The school, which is only open to servicemen on active duty, is designed to prepare the candidates for the entrance requirements of both the U. S. Military Academy at West Point, N. Y., and the Air Force Academy in Colorado Springs, Colo. Son of Mr. and Mrs. Howard Borland, Route 1, Borland is a 1955 graduate of Plains High School.

Savings bond sales in county reach total of \$54,159

During the month of October the citizens of Yoakum County purchased \$3,205 in Series E and H Saving Bonds.

This announcement was made recently by D. P. Moorhead, Chairman of Yoakum County's Savings Bonds Committee.

"Sales for the first ten months of this year totaled \$54,159," Chairman Moorhead reported. "We have now achieved 68.5 per cent of our 1958 goal of \$79,000."

Sales in Texas during the first ten months of 1958 were \$146,136,258 which represents 83.5 per cent of the 1958 goal of \$175,000,000.

"Under a recent change in Treasury regulations, individuals who hold F and G Bonds that mature after September 1, 1958 may invest the proceeds from the maturing bonds in E and H Bonds without regard to annual purchase limits," Moorhead announced. "This information should be of interest to hundreds of people in this area who hold maturing F and G Bonds," Moorhead concluded.

Jerry Miller, a student of NTSTC at Denton, was a weekend visitor in the W. M. Overton home.

Payment on Clinic okeyed by county

The fourth payment on the Yoakum County Clinic currently under construction at Plains, totalling \$8,794.80 was authorized to be paid to Frank Bennett, Jr., contractor, at a meeting of the county commissioners Monday morning.

In addition, the county also okeyed the payment of \$175.90 in supervision fee for the clinic to Stiles, Roberts, Gee and Messersmith architects.

Bid of \$2175 for a 2-ton Ford truck from D. C. Motors of Denver City was also accepted on motion of Commissioner Vance Brown and a second by Commissioner Clyde Trout.

In routine business, the county auditor was authorized to transfer \$627.81 from the general fund to the court house and hospital sinking fund, and \$784.85 from the general fund to the exposition building sinking fund.

Bills as presented against the county were ordered paid, and reports of officials approved.

Mr. and Mrs. Ralph Bone were business and social callers in Brownfield Saturday evening.

Increase in SS payments said to be automatic

The social security district office has had far more inquiries than usual these past few weeks, John G. Hutton, manager, reported today. A good many calls are from people who are receiving monthly retirement, disability or survivor checks now and who are concerned about getting the increase that was authorized by Congress and the President recently.

Mr. Hutton reminds all social security beneficiaries that the increase in monthly benefits will come to them automatically; they do not have to phone, write, or visit the social security office to request or file any kind of application for the increase.

The checks for January of 1959, which will be mailed out on the first of February, will include the full increase the law provides, an average jump of about seven percent, he said. In dollars this means 65-year-old workers will receive from \$3.00 to \$7.50 more, depending upon the amount of their present benefit. Where total family payments reach \$254.00, individual benefits other than that paid to the worker may show a lesser percentage increase, Mr. Hutton concluded.

A representative of the Lubbock Social Security Office will be in Denver City on December 18, at 1:30 p. m. at the City Hall and will be glad to assist in all matters pertaining to Social Security.

Mr. and Mrs. Howard Borland and family spent Saturday night in Lockney visiting her sister and family, Mr. and Mrs. Weldon Smith. Sunday they visited Mr. and Mrs. Harold Borland, former residents of Plains, in Bushland. Mr. Borland recently suffered a stroke but is improved.

We are glad to report that Mrs. J. H. Morris is home and able to do her housework after being confined in the Yoakum County Hospital.

WSCS meets at church on Dec. 3

The Women's Society of Christian Service of First Methodist Church met in the church parlor Wednesday evening, December 3 at 7:30 with Mrs. Leo White as hostess.

The meeting opened with a devotional by Dr. May Gainer. The concluding lesson of Books I, II, and III of Isaiah was beautifully presented by Mrs. Donald Lackey.

Mrs. Bill Dittmore was welcomed as a member. Mrs. L. O. Smith presided for new and old business and closed with a prayer.

Members answering the roll call were: Mesdames L. O. Smith, P. M. Williams, Donald Lackey, Jesse Hale, Kenneth Hale, Bruce White, James Warren, Foye Flood, Wayne Chadwick, H. F. Barnes, Guy Harrod, Leo White, Harmon Meixner, Joe Cheek and Dr. Gainer.

Spiced tea was served by the hostess.

director of the Ponca City, Oklahoma high school band; Gerald Hemphill, director of the Phillips University Band, Enid, Oklahoma; and Jack Mahon, director of the Arlington State College Band, Arlington.

Sight reading competition in the region has been conducted and ensembles will complete at a later date.

The Plains band presented a routine carefully planned by Mr. Campbell as they marched onto the field with the taps of the drums, then given a halt by Drum Major Jeanine St. Romain.

The required maneuvers of the band did were: forward march, halt white playing, cease playing and start playing while marching, column right while playing, and counter-march while playing.

The special maneuvers were: telescope, pin wheels, four winds, double counter march, and minstrel turns. Marches played by the band: "Headway," "Victory March," "Sturdy Men," and "King Size."

Band members participating were: Clarinets, Jeanine St. Romain, Brenda Suddarth, Shelia Smith, Billie Wilson, Marsha White, Linda Jones, Shirley Gayle, Karen Randolph, Neda Anderson, Annette Suddarth, Oneta Meixner, Kaye Spencer, Irene Koncaba, Saundra Smith, Peggy Hartman, Judy Sewling, Bobbie McGee, Sandra Lewis, Carolyn Warren and D' Lynn McGinty; Flutes Leta Stewart, Kathryn Stroud, Dana Dyer, and Jan Copeland; Alto Sax; Judy Lowe, Chick Coke, and Jimmy Burke; Tenor Sax, Jo Ann Bailey, and Jimmy Taylor; Baritone Sax, Riley Johnson; Baritone, Glenda Bearden and David Johnston; Cornets, Sam St. Romain, Jerry Jones, Milton Watson, Jeanette Jones, Ernie Anderson, James Cogburn, Tommy Elmore, Weldon Spencer, Harry Longbrake and Johnny Pippin; Trombones, Mike Culwell, Billy Stockstill, and Ty Earl Powell; French Horns, Paula Tidwell, Linda Taylor, Terry Powell and Norman Huddleston; Basses, Dennis Hickman and Jimmy O'Neal; Percussion, Mark Barron, Mary Johnston, Janith Tucker, Naomi Maynard and Wes Shaney.

The Cowboy Band, though numb from the cold, gave a sterling performance during the half-time period of the Plains-White Deer quarter final football game Saturday night.

sprinted 23 yards for the tally, but he was stopped short in his try for the two point conversion.

Quarterback Jackie Burns put White Deer in the lead with 7:23 left in the third stanza as he circled left end from one foot out. Don Adams tallied the conversion for the Bucks. After the kickoff, Plains lost the ball on a fumble, and nine plays later, White Deer had another TD, with Harmon going eleven yards for the tally. Tommy Lester ran the conversion with 3:26 left.

With only three seconds remaining in the period, Burns hit end Ronnie Cade with an aerial good for 25 yards and the Bucks' third touchdown of the quarter. Harmon ran the conversion.

On the first play of the fourth stanza, Plains had their last chance to cheer as Williams returned the kickoff all the way for the Cowboys' last score. White Deer ground out 77 yds. for their next tally, the drive consuming ten plays, with Powell ramming over the goal from the five yard stripe. Burns tossed to Jeff Bearden for the conversion.

The Bucks' final touchdown came as a result of a Plains gamble which failed to cash in. The Cowboys failed to make necessary yardage on a fake punt, and White Deer took over on Plains' 24 yard line. Don Carter crossed the double stripe from the 15 three plays later, and Lester made good the conversion.

The White Deer club plays Mason in the semi-final Class A contest Saturday at Snyder.

RAY FAUGHT (33) leads interference for quarterback Cordell Huddleston on this play against the White Deer Bucks Saturday night. Little yardage was gained, and that was the rule and not the exception, as the Bucks downed the Cowboys, 46-16.

OUR "BILL OF RIGHTS"

December 15 is observed each year as "Bill of Rights Day" throughout the United States. What does this important "document" mean to us?

The American "Bill of Rights," consisting of the first ten amendments to our federal constitution, all adopted at one time in 1791, specifies in some detail a number of basic civil rights of the individual citizen. Unaltered by subsequent amendments and jealously guarded by our courts, these privileges must still be respected by our governing bodies today.

Among the most familiar of our constitutional guarantees are those relating to freedom of religion, speech, and of the press. The same article protects the rights of peaceable assembly and the privilege of petitioning the government for redress of grievances.

Another amendment secures our persons, houses, papers and effects against unreasonable searches and seizures, and specifies that no warrants shall issue but upon probable cause, and unless supported by oath or affirmation.

The due process of law amendment encompasses not one but several guarantees. Every American is secured against being placed twice in legal jeopardy for the same offense; against being compelled to be a witness against himself in a criminal case; and against having his private property taken for public use without just compensation.

He is also secured against being held for trial for a capital (death penalty) or other infamous crime unless upon a presentment or indictment of a grand jury. And, of course, no person may be deprived of life, liberty or property without orderly court procedures, or due process of law.

The right to a speedy and public trial, by an impartial jury, in the locality where the crime was committed, the right to be informed of the nature and cause of the accusation, and the rights to compel attendance of defense witnesses and to have the assistance of defense counsel in all criminal prosecutions are secured by another section of the "Bill of Rights."

Excessive bail and fines, and cruel and unusual punishments, are prohibited in Amendment VIII. Other articles insure the right to bear arms and ban quartering of soldiers in private homes during peace time.

Then, to make quite clear to our governing bodies the underlying intent of the preceding provisions, the Ninth Amendment states: "The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people."

The Tenth Amendment further emphasizes this basic theory by providing: "The powers not delegated to the United States by the Constitution, no prohibited by it to the States, are reserved to the States respectively or to the people."

Thus, that fundamental philo-

sophy expressed in the Declaration of Independence, that men are endowed with certain unalienable rights, and that "to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed," has been carried forward into the highest law of our land.

(This column, prepared by the State Bar of Texas, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts involved, because a slight variance in facts may change the application of the law.)

Payne

(continued from page one)

She said it was always frozen in the winter and sloppy and messy in the spring. The drinking water was carried from the homes. She remarked that the teacher was a native of Boston, Home benches filled the school room.

The Arnett family remained there about ten years, then moved to Mitchell County when Mr. Arnett assumed the duties of the manager of the Elwood Ranch when they bought their vast holdings in Texas.

"This was the very loveliest place one could ever dream of," Mrs. Payne said. There was a big ranch house, a lovely spring gushing out of the side of a hill, water running off to irrigate an alfalfa farm a garden and the orchard. Huge walnut trees grew along the ditch. The trees were so large one could not reach around them. There were grape vines and wild plums and water cress also growing along the ditch. Mrs. Payne feels that no child ever grew up in happier surroundings. Many happy days were spent at the near-by creek where swimming and fishing was enjoyed.

There was a bunk house and kitchen and a negro cook usually prepared the meals. The family and the cowboys all ate together.

Since there were no schools in that part of the county and buses did not run in those days, a governess was employed to teach the Arnett children. After several years of this, Mr. and Mrs. Arnett decided the children needed to go to a public school so Mr. Arnett bought a home in Colorado City. Mr. Arnett remained with the ranch and each summer the family would return to the ranch, where they always had open house and wonderful house parties.

Mrs. Payne finished high school at Colorado City.

It was in 1902 that a lovely wedding was performed in the Methodist Church in Colorado

neth McLeroy, Sundown, defensive halfbacks.

Honorable mentions: Doug Todd, Ray Faught, Don Cooke, all of Plains.

Miss Margie Smith, of LaFeria, Texas and Jack Tanner, formerly of that city, were united in marriage Friday evening, December 5, at 9:00 p.m. when the double ring ceremony was read in San Benito, Texas. Mr. and Mrs. Tanner both attended high school in LaFeria. Mr. Tanner has been employed by Foy Powell this fall and has become popular with the local youngsters. They will reside on a farm owned by Mr. Powell and make Plains their home.

City and Miss Rowena Arnett became Mrs. T. E. Payne.

Mr. Payne had already established a ranch in Garza County and they went there to make their home. Garza County had not been organized at that time and they went to Borden County for judicial purposes.

They were 20 miles from a post office or grocery store and 75 miles from a railroad.

In 1907 Mr. Post bought land in Garza, Lynn and Hockley Counties and Post City was started.

Mrs. Payne said they lived right on the road to Post and there were a lot of people going there for work. Usually when the Paynes sat down to a meal

they had guests who were on the road to Post. She said they not only gave them a meal and a bed but fed their horses, too. She remarked that if groceries had been as high then as they are now they would have gone to the poor house.

However, Mrs. Payne said they always enjoyed having someone drop in.

The Paynes ranch in Garza County 28 years since then they have ranches in Yoakum and Hockley counties.

In 1949 they moved to Plains to retire from ranch life, a 100 Mr. Payne said she dearly loved. At Plains they are fairly close to their five children. Gene and Dick both live here. They have a son, Charles Dudley at Andrews, a son, Jack, lives in Lubbock and their daughter, Mrs. Frances Sanders lives in Portales, New Mexico.

For several years, Mrs. Payne taught a Sunday School class at the Methodist Church here, in fact she taught the class until Mr. Payne's health began to fail and she resigned to devote her full time to taking care of him.

Mrs. Payne says her good neighbors brighten her days, she reads a lot and feels that life holds many joys to come. She is very thankful for her family, friends and health.

Mrs. Payne quoted the following to us, which she said is always her prayer, taken from Max Ehrmann: "Give me a few friends who will love me for what I am, and keep ever burning before my vagrant steps the kindly light of hope, and the age and infirmity overtake me, and I come not in sight of the castle of my dreams, teach me to still be thankful for life, and for times olden memories that are still good and sweet and may the evening's twilight find me gentle still."

Mrs. Betty Smith and children and Mr. Perry Bryan and son of Brownfield were Sunday guests in the D. T. Cox home.
