PLAINS, TEXAS, THURSDAY, SEPTEMBER 17, 1959

NUMBER 38

Plains Talk

By Wendell Faught

Those who failed to take part in the Chamber of Commerce slogan contest which ended last Thursday really missed some fun. Yours truly was privileged to sit on the board of judges Friday, along with Roger Curry and Melba Fitzgerald, and it was evident from the entries that a lot of thought and a lot of fun went into the thing by a lot of people.

Selection was extremely difficult as we were choosing from dozens of excellent suggestions. Judges were each given a typed copy of every suggestion turned in. Each had a number, but no name. Not until the winning entry was chosen did any of the group know who had written it.

We feel we picked a good slogan for the Chamber of Commerce, "Plains, proud of its past, plans for the future". At least it says a lot in a few words. Significant is the fact that Charles Bedford, who submitted the winning entry, is only a freshman in high school. The youngsters of Plains are well aware of the fact that the shoes worn by earlier generations are big indeed and it makes us sure the future is in good hands when fellows like Charles recognize both the past and the future.

Not all suggestions sent to the Chamber of Commerce were written with the idea of winning the \$10 prize, but more for the entertainment it offered. One unsigned entry, for instance, read "A city of over 2,000 contented people and a few old sour pussers." This was the only suggestion not signed and the reason is evident.

Other suggestions offered "classic" poetry, such as "No pains, no trains in Plains."

Altogether, there were 49 entries in the contest. Many of them were very good. The contest went a long way in promoting Chamber of Commerce consciousness among our citizens. And after all, that was one of the primary purposes of the event.

For the benefit of all of you who did not see the complete list of all suggestions, we list them here with:

1. A growing, friendly city where everybody is somebody. 2. Promote, push and pull, plans for Plains. 3. Home, Home on the range, is what you get when you move to Plains. 4. If a home on the Plains is what you want, come to Plains. 5. It's plain smart to shop in Plains.

6. A progressive town. 7. The gateway to opportunity. 8. The city with a future. 9. In the ashes of my campfire, this town was built. 10. A city of love, hope and charity.

11. Best in the West. 12. The Chamber of Commerce welcomes you to live in Plains and be a Plainsman. 13. The County with a future. 14. Use your brains, grow with Plains. 15. A wide place in the road and we are getting wider every day.

16. No pains, no trains in Plains. 17. Plains, Equalizer and Tranquilizer for all classes of honest people. 18. The place. 19. In the wake of my plow, this town was built. 20. The last frontier.

City ambulance leased to Davies

The city has leased its ambulance to Davies Funeral Home in Plains after years of operating it as an emergency vehicle for the local population. Persons in need of ambulance service have been requested to call the funeral home at Glendale 6-8000, instead of dialing the city's light plant as in the past.

Before the opening of the funeral home here earlier this year, many people received ambulance service through the city and it has been estimated that a number of lives were saved because of this service. Now, however, private facilities are available and the city feels this service is no longer an obligation of the local government.

CHARLES BEDFORD was \$10 richer Friday after he had been named winner of the Chamber of Commerce slogan contest.

Young Bedford, a 14-year-old freshman in Plains high school received a \$10 check from the Chamber.

Youth is slogan winner

Charles Bedford, 14-year-old Plains high school freshman, was declared winner of the Chamber of Commerce's slogan contest Friday. Judges declared the youth the winner after carefully studying 49 suggestions which were received by the chamber.

"Plains — proud of the past,

plans for the future" was the slogan Bedford offered which was adjudged the most appropriate. Actually, Bedford entered four slogans in the contest and all were considered good.

For submitting the winning entry, Bedford received a \$10 check from the Chamber of

Commerce. The slogan will be used in all Chamber of Commerce advertising. It is to be printed on the letterheads used by the organization and all printed matter which is mailed from the local office. There is talk that billboards at the outskirts of town may be erected, revealing the slogan.

Bedford is the son of Mr. and Mrs. H. G. Bedford. He has attended the Plains schools for the past two years, moving here from Mountainair, New Mexico, where he obtained all of his previous schooling. His father is a rancher and had lived in Plains earlier, being a member of a pioneer family.

Homecoming activities planned by ex-students

Pep rally, queen crowning to highlight events

Friday will be a big day for ex-students of the Plains school as many of the old grads congregate for the annual homecoming activities. The schedule is full and a number of events are scheduled before the Plains-Morton football game at 8 p.m. which will climax the activities.

A big pep rally is scheduled for 3:30 p.m. Friday and the public is invited to attend. It was not known for sure Thursday whether the pep rally was to be held in the gymnasium or at the football field, but indications were that it would be in the gym.

The 1959 football queen will be crowned in ceremonies set for half time at the football game. Three candidates, Ruth Hinkle, Linda Fitzgerald and Sandra Smith are in the running for the honor. The queen has already been elected, by secret ballot by members of the football team but her identity will not be made known until Friday night.

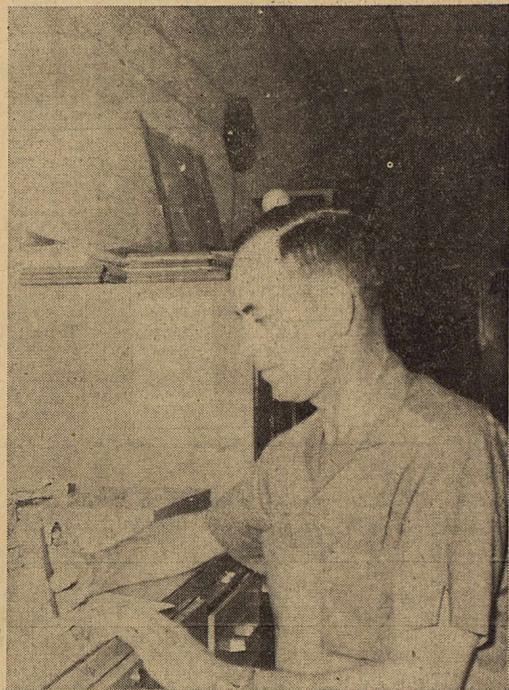

Ex-students will gather at the school cafeteria between 5 and 6:30 p.m. for dinner. Following the meal, the group will attend to business matters and new officers elected. Members of the 1939 and 1940 football teams will be recognized as will the class with the largest attendance. Music is to be furnished by school students.

Tickets are to be given out at the south door of the cafeteria and will include passes to the football game. Corsages will be purchased from members of the senior class.

Immediately following the football game, the group will meet again at the cafeteria for refreshments and a final get-together before disbanding for another year.

Present officers of the ex-students association are Ray Bearden, president; Duane McDonnell, vice president; Billie Zoe McCravy, secretary; Lee Roy McCravy, treasurer, and Lois Romans, historian. D. N. Taylor, high school principal, has assisted the group in planning this year's homecoming events.

A large number of ex-students is expected.

ROBERT C. WATSON, acting postmaster since March of 1957, received word Tuesday that he had been named permanent postmaster of the Plains post office.

Watson is appointed permanent postmaster

Appointment of Robert C. Watson as permanent postmaster for Plains was made Tuesday. The appointment was made in Washington last Friday and Watson was notified Tuesday.

Watson has been acting postmaster since March 22, 1957. His appointment fills the vacancy of permanent postmaster which has existed here for nearly five years.

Mrs. T. W. Read was the last postmaster and she resigned early in 1955 after serving more than 29 years in the position. Mrs. Verda Lee Robertson serv-

ed as acting postmaster for some time prior to the temporary appointment of Watson.

Watson was engaged in farming when he joined the post office. He moved to Yoakum County 13 years ago, shortly after being discharged from the Army. While in service, he served in the European theater.

The new postmaster was reared in the Lubbock area and graduated from high school at Ropesville. He and Mrs. Watson and their three children, Milton 15, Barbara, 13 and Linda, 17 now reside in Plains.

Cowboys meeting dangerous Morton seeking win No. 3

Unbeaten, untied and unscorred on after two skirmishes with Class B foes, the Plains Cowboys meet the dangerous Morton Indians of district 2-AA here Friday night in a homecoming engagement which will mark the end of a three-game home stand. Plains' unusual schedule calls for the Cowboys to spend the next four weeks away from home, not playing again here until October 23.

Morton looms as a very serious test for the Cowboys. The Indians are unbeaten, having downed a strong Sudan team, 7-6 in their opener two weeks ago and trouncing Whiteface, 27-6 at Morton last Friday.

Morton has always been a tough opponent for Plains. The Cowboys won last year, 20-0, but the game was very close and the score was not at all indicative of the contest. Word from Morton has it that the Indians will be going all out to top the Cowboys and interest in Friday's game has reached an all-time high among the Morton fans. A keen rivalry has always existed between the two schools.

Coaches say Morton is possibly the toughest team on the Plains schedule and they predict nothing short of an all-out effort on the part of the Cowboys will keep their record clean.

Coach Sam Mosley scouted Morton last Friday and was impressed with the Indians' appearance against Whiteface. He said they had a very good backfield with plenty of speed and a line which is both big and fast.

He was particularly impressed with Halfbacks Gary Willingham and Butch Nairn. "Willingham is one of the finest boys Plains will see all year," Mosley said. "He is an excellent runner, very fast and a good pass receiver. He has the speed to get behind our safetymen when he goes down on a pass play."

Willingham is only a 135-pounder, but Coach Jack Pierce says he was listed at 145 last year. The other halfback, Nairn, weighs 180 pounds and has plenty of speed. He is also a good passer, Mosley said, and throws a lot after taking pitch-outs. Quarterback Jackie Brown is a good ball handler and a capable passer. Mosley said the Indian fullback, Russell Ward, another 165-pounder, is a very hard runner with fair speed.

Pierce explained to Booster Club members Monday evening that Morton returned eight starters from the team which opened against Plains last fall. "I can't see how they could fail to be stronger than last year," the coach said.

One of these Plains High School lovelies to be football queen

ONE OF THESE THREE Plains high school beauties will be crowned football queen at half-time of the Plains-Morton homecoming

game Friday night. They are, left to right, Ruth Hinkle, sophomore; Linda Fitzgerald, junior, and Sandra Smith, sophomore. Football players have already voted by secret ballot to determine the queen,

but the announcement of the winner will be withheld until the crowning ceremonies.

Those who have contributed to the fund are the Church of Christ, James Warren, K. O. Hendricks, C. L. Billingsley, Mrs. J. P. Robertson, Pete Bryson, L. M. Mize, E. O. Winkle, Mack Wilmeth, C. A. Girl Scouts make plans for bazaar

Frieda Copper was acting president for Tuesday evening's meeting of the Plains Girl Scouts in the Tsa Mo Ga Clubhouse.

Further plans were made for the scout's booth at the Cracker Barrel Bazaar in November and the folk dance program was discussed.

At the close of the meeting refreshments were served by Linda Robertson and Sylvia McGinty.

34 yard line, nearly 10 yards from where his ill-fated run had begun. Officials left the ball in play at that point.

A check of the rules reveals that the ball was actually dead at the point Crawford picked it up. It should have been merely a fumble and the defensive team cannot run with a fumble. Officials, however, apparently overcame at the unusual developments, failed to call it as such and there was no objection from the Wilson bench.

Morton

(continued from page one)

The coach went on to say that a lot of fans deflated their opinions of Morton after the Indians had barely squeaked by Sudan in their season's opener. Then last week, Sudan trounced Muleshoe, district 2-AA favorite, so it now appears that the victory over Sudan was more impressive

than it had first appeared. Pierce and his assistant, Rip Sewell, expressed satisfaction at the Cowboys' performance against Wilson last Friday. They felt it was a much better effort than they had displayed against Meadow on the previ-

ous Friday. The Cowboy offense rolled up 317 yards in rushing and 37 more via the air lanes. And the Plains defense was tougher than it had been against Meadow, limiting the Mustangs to 165 infantry yards and 45 more through the air.

...what is it dad? To me it seems to be a multitude of jealous people, who have forgotten God, and are experimenting with scientific formulas that could tear us apart. What does it mean — "Am I my brother's keeper?"
What a thought for this age...for men who literally carry our lives in their hands. At best we are confused. The time-table is tipped in favor of total destruction. Why, oh why, will wise men "deaf-ear" God?
He said, "I am the way and the truth." He gave us His church where we could learn to love each other more, but many a man refuses to be called to worship.

Cowboys smother Wilson, 50-0 for 2nd victory

Scoring almost at will against their outclassed rivals, the Plains Cowboys chalked up victory No. 2 here Friday night with a smashing 50-0 triumph over the Wilson Mustangs. The Cowboys scored in every period, including the first time they got the ball.

Wilson's touted passing attack bucked on the visitors, the Cowboys intercepting three heaves and returning them for touchdowns. The Cowboy defense, led by Harmon Meixner, Don Todd, Joe Don Marrow, Dick Cooke, Vernon Ethridge, and James Alberding contained the

much chance to score. But three running plays netted only six yards and a fourth down pass fell incomplete.

The game was less than six minutes old when Halfback Ray Faught scampered 17 yards for the first touchdown to cap a 66-yard drive. It was Faught's first carry in the drive which had been spearheaded by Marrow and Don Williams. Quarterback Mike Sink hit Coffman with a pass in the corner of the end zone in the try for points, but officials ruled Coffman's fine catch was made out of bounds.

Two minutes later Alberding stole a pass thrown by Wilson Quarterback C. W. Slone. Alberding snared the ball at the Cowboy 45 and did some fancy running toward the sideline where a wave of blockers had formed to guarantee him a free ride to pay dirt. Cooke wiped out the last defender at about the 20 yard line. Marrow bulldozed over for the two bonus points to make it 14-0 with 4:05 remaining in the first period.

Less than two minutes into the second stanza, Sink hit Coffman with a 25-yard pass for the Cowboys' third touchdown. Twenty seconds before half time,

Faught intercepted a Slone pass and raced 35 yards for another score.

The Cowboys wasted no time in resuming their scoring activities when the second half got underway. Marrow returned the second-half kickoff to the 36 and eight plays later, Plains had its fifth touchdown when Faught sliced off tackle for five yards. Marrow had been the big gun in the 64-yard drive, almost going all the way from 40 yards out just before Faught's scoring play and an offside penalty against the Mustangs. Marrow got the next touchdown on a 13-yard scamper on the third play after Plains had recovered a fumble at the 20.

The most thrilling play was saved for the very end. With Wilson trying desperately to enter the scoring column, Sink

intercepted a pass at his own 25 and raced 75 yards for the final touchdown. Williams threw two blocks. Eldridge Tidwell cracked over the extra points. Only 55 seconds remained in the game and the weary Mustangs must have been glad it was about over.

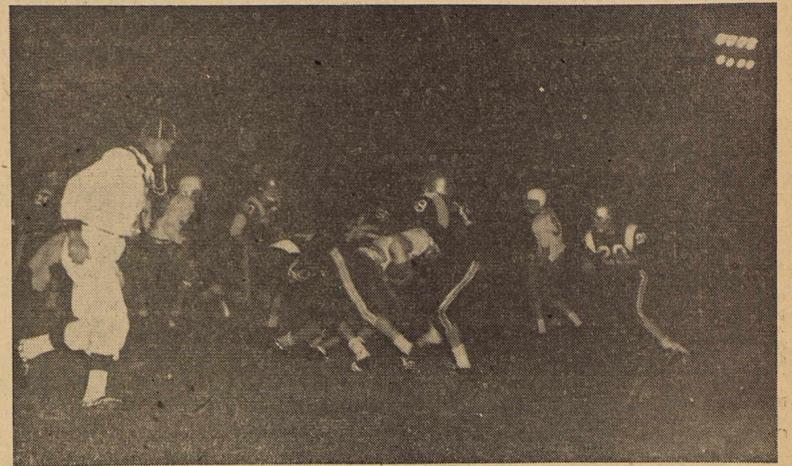

Slone was fairly successful on his short passes, but the Cowboys were real robbers on the long shots. The Mustangs' chief threat all evening was 170-pound fullback, Bobby Wied, who accounted for virtually all of the Mustang yardage. Defensively, Billy Weaver, 145-pound line-backer, was far and away the visitor's top hand.

As for the Cowboys, they appeared much more polished than they had in their opener against Meadow the previous week. Their

defense was every bit as sparkling as the offense which chalked up the 50 points. The blocking of Williams, Faught and Todd, as well as others, was outstanding.

Marrow was the leading ground gainer with 155 yards in 20 carries, a 7.75 average. Faught picked up 49 yards in only four tries for an average of 12.2. Williams averaged 4 yards with 44 yards in 11 carries. Tidwell carried three times for 8 yards, Mike Culwell once for one yard and Ronny Hendricks twice for four yards.

Sink connected on two of five passes for 30 yards and Oats completed the only pass he threw. Coffman caught two passes for 30 yards and one touchdown and Alberding caught one for seven yards.

THIS WILSON BALL CARRIER was gang-tackled by four black-shirted Cowboys Friday night at he attempted to pick up yardage through the Plains line Plains won the game, 50-0, to keep its record clean.

Plains' opponents boast fine marks

Opponents of the Plains Cowboys compiled an impressive record last weekend, only one of them losing to someone other than another team on the Cowboy slate. Jal, the Cowboys' opponent for next week, lost to Wink.

Meadow, opening game victim of the Cowboys, crushed Lorenzo, 48-20. Wilson, of course, lost to Plains, 50-0. Morton trounced Whiteface, 27-6, Farwell crush-

ed Bovina, 35-12, Frenship downed Ropesville, 22-6, O'Donnell was tied by Ralls 6-6, Seagraves edged Slaton, 18-16, and Sundown clobbered Hale Center, 49-8.

In another game of local importance, White Deer lost to Stinnett in the battle of the Panhandle's Class A titans. White Deer was state champion last season and eliminated Plains from the playoffs in the quarterfinals.

Rice-LSU game to be televised

A live telecast of the Rice-LSU game from Baton Rouge, Louisiana, will highlight the Humble Company's football coverage Saturday. Humble will also sponsor radio broadcasts of four Southwest conference games.

The Rice-LSU game will be televised, with Lindsey Nelson and Red Grange at the microphone, beginning at 2:45 p.m. over 21 stations, including KCBD-TV, Lubbock, KMD-TV, Midland - Odessa and KSW-TV Roswell.

The game will also be broadcast over radio as will the Texas-Nebraska game from Lincoln, Nebraska, the Texas A&M-Texas Tech game from Dallas and the TCU-Kansas contest from Fort Worth.

Services are held for area resident

Funeral services for Mrs. W. T. Arnett, 80, longtime resident of west Texas, and well known in the Plains area, were held in Meadow First Baptist Church at 10:30 a.m. Wednesday. Rev. R. L. Shannon of Rankin officiated, assisted by Rev. Don Murry, pastor of the church. Burial was in Meadow Cemetery under the directions of Franklin-Bartley Funeral Home of Lubbock.

Mrs. Arnett and her husband, who preceded her in death in October 1944, homesteaded in Terry County in 1901. Later they lived in Gaines and Dawson Counties and ranched west of Plains for a number of years prior to moving to Meadow in 1938 when he retired.

She is survived by four daughters, Mrs. Boyd Rhea and Mrs. J. E. McSpadden of Austin, Mrs. Kirby Nutt Jr. of Lubbock and Mrs. Edith Caldwell of Alpine; a brother, Milton Good of Cotulla; three sisters, Mrs. Annie Raymer of Lubbock, Mrs. Lee Elder of Floydada and Mrs. Melvin Gideon of Houston; 11 grandchildren and 17 great-grandchildren.

Attending the services from Plains were Dick McGinty, one of the pall-bearers, Mr. and Mrs. M. W. Luna, Mr. and Mrs. Marion McGinty, Mr. and Mrs. Hayden Box, Mrs. George Cleveland, Mrs. J. V. Been, Mrs. W. H. Hague, Mrs. Bessie McCravy, Mrs. Rusty McGinty and Mrs. J. P. Robertson.

Boosters consider camera purchase

Booster Club members voted Monday evening to investigate the possibility of buying a new camera to be used in filming football games of the Plains high school team.

All games are filmed and movies are shown each week at the Booster Club meeting. But more important, coaches study the films thoroughly and find out many things about the team's performance which are not noticed during the game.

The camera now being used is not adequate to take first-class films. Because of this, Booster Club members feel that money spent on a new camera would be well spent.

A committee was appointed to investigate prices and types of new camera equipment.

We're Two Years Old!

On Wednesday, September 16th, your home-owned light and power company observed its second birthday. The first two years have been successfully completed with only minor periods of interrupted service.

Operation of your home-owned light company has progressed according to plans, with 265 meter connections being made during the first two years. Connections are still being made frequently as more and more people realize the many benefits which are derived from patronizing their home-owned light and power company. The forward-thinking citizens of Plains realize that profits from their home-owned light and power company stay in Plains to be used for the benefits of the residents of Plains.

Once again the public is cordially invited to visit the plant, and especially on this anniversary of its opening in Plains. See for yourself the progress that is being made in your city.

END CANVAS TROUBLES - USE THE JOHN DEERE 30 COMBINE

...with 7-FOOT AUGER-PLATFORM--EVEN-FLO FEED

Listen to the steady hum of the threshing cylinder of the John Deere 30 Seven-Foot Combine at work, and you'll know that here is a combine that does a real job of threshing. As every good thresherman knows, even feeding is the big secret to best threshing. And, in the 30 Combine, it's the combination of the auger-type platform and the EVEN-FLO FEED that keeps the cylinder humming at proper threshing speed at all times—completely does away with canvas trouble.

Full-width, straight-through handling of straw and grain is another mighty important advantage you get in the 30 Combine. Because of the even feeding to the full-width cylinder, the material is spread out in a thin layer over every inch of the large separating and cleaning area. This insures more and cleaner grain or seed from every acre harvested.

Come in soon for full details on the 30 Combine. Ask about the John Deere Credit Plan.

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

Presented in marriage by her father, the bride was lovely in a ballerina-length gown, made by her mother, of Chantilly lace over bridal satin fashioned with a high neckline, long sleeves and full skirt, and wore white accessories. Her fingertip veil of illusion was fastened to a satin band by rows of seed pearls. She carried a nosegay of feathered white carnations and a white orchid atop a white pearl Bible. For something old she wore a locket given her mother by her father, her dress was new, she borrowed the Bible and wore a blue garter.

The maid-of-honor wore a red cotton sheath with square neckline and net over-skirt slasped by a red velvet ribbon, a white lace hat, red lace mitts and red shoes and carried a white lace fan topped by tiny red rosebuds and white streamers.

A reception followed in the County Clubroom with Kaye Spencer registering guests in the brides book. Homespun Hints

The cooler fall days will be a notice to cook appetizing meat dishes. This baked tuna ring will really disappear after it is placed on the table. 2 seven oz. cans tuna, 1 cup oats, 1/2 cup peas or other leftover vegetable, 2 tablespoons onion, 2 tablespoons chopped green pepper, 2 tablespoons chopped pimento, 1/4 cup slivered almonds or other nuts, 2 teaspoons salt, 1/4 teaspoon pepper, 1 tablespoon Worcestershire sauce, 2 eggs, beaten, and 1 1/4 cups milk.

Heat oven to 350 degrees F. Combine all ingredients; place in greased aluminum foil lined 8 inch ring mold (holds 5 cups). Bake in over 50 minutes to 1 hour, or until set. Invert on platter, fill with green beans, green limas. Makes six servings.

Lace Cookies make a good combination with milk for an after school snack. 1/3 cup margarin, soft, 2/3 cup brown sugar, 1/4 teaspoon salt, 1/2 teaspoon baking powder, 1 cup oats, uncooked, 1/2 cup chopped nuts, 1 Tablespoon milk and 1 teaspoon vanilla.

Heat oven 350 degrees F. Beat butter until creamy; add sugar and beat until fluffy. Stir in remaining ingredients. Drop with a teaspoon onto ungreased cookie sheets. Bake in preheated oven about 8 minutes. Take from oven and let stand 2 to 3 minutes before removing from cookie sheet. Remove carefully with wide spatula. Makes 2 1/2 dozen, thin, lacy cookies.

Be sure to leave the fair entries at the office.
