Plains Talk

By Wendell Faught

That the large number of Mexican laborers now seen in town have been a wonderful boon to business is a fact that cannot be disputed by anyone. The bad weather brought a lot of them to the business area for several days. Grocery stores have been lined with Mexicans. R. J. Van Liew of Plains Electronics said he had sold quite a number of portable radios to the Mexican trade. He explained they really go for the portables since few of them live in areas back home which are served by electricity. Even the clinic has had its share of increased business from the farm labor group as the damp, crisp weather has brought about exceptionally large numbers of sniffy noses, upset stomachs and the like.

Haircuts went up to \$1.50 in Brownfield this week. Barbers here have told us they get a good bit of out-of-town business. If any of it come from Brownfield way, business should be picking up pronto.

Oklahoma's Sooners will have to get along without our support in their traditional battle with Texas Saturday. We've missed only three Texas-Oklahoma games since 1944, the year Bobby Layne was a 17-year-old freshman.

Walt Coffman must have looked pretty big to a Levelland radio broadcaster who taped the Plains-Whiteface game last Friday. Listening to the play back Saturday morning, local fans heard the 166-pound Coffman described as 6-3½ and 185 pounds.

Coach Jack Pierce was pretty much upset over the article in the Morton newspaper which we ran here last week. "Our boys are aggressive," he said, "but they are not dirty." Pierce told Booster Club members Monday that he would like for fans to point out any unnecessary tactics to the coaching staff. "We won't tolerate it at all," the coach explained.

Are students smarter today than they were a few years ago? That question has been kicked around in some pretty high-powered discussions lately. We don't know, but we do know that Plains teachers are smarter. Instead of sending students home with their report cards, the cards are mailed to the parents. Quite an arrangement, huh?

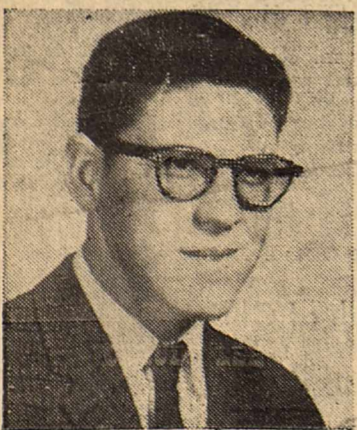

Christmas light program discussed

Preliminary plans for a Christmas lighting program for Plains were laid Wednesday when representatives of several local clubs met in the office of the Chamber of Commerce. The group will meet again at 9:30 a.m. October 16.

N. D. Taylor, president of the Chamber of Commerce, pointed out the city had not had any downtown decorations of significance during the Christmas season. It is possible prizes will be offered.

Meeting in the Wednesday session were representatives of the Chamber of Commerce, the Lions Club, the Fine Arts Club, the Iota Pi Sorority, the Tsa Mo Ga Study Club, the Plains Dirt Gardeners and the city.

Claude Lee is candidate for presidency of freshman class at Texas Tech College

CLAUDE LEE

Claude Lee of Plains has been selected as one of six candidates for the presidency of the freshman class at Texas Tech. More than 3,000 freshmen are enrolled at the Lubbock school.

The election is to be held the latter part of the week. Lee is a 1959 graduate of Plains high school. He visited in Plains this weekend, along with another Plains student at Tech, Jay Earl Bryson. They attended the football game in Whiteface Friday and visited in the homes of their parents, Mr. and Mrs. Chick Lee and Mr. and Mrs. Earl Bryson.

Cowboys hope to even old score with Farwell Steers there Friday night

Plains and Farwell, two of the top-ranked Class A teams in Texas, clash in Farwell Friday night in an important inter-district battle between the two football titans. Both teams are undefeated and ranked among the top teams in the state. For the local Cowboys, Friday night's encounter will afford them an opportunity to even an old score with the Steers. It was Farwell which came out on top 24-22 last year in the only game Plains lost before being eliminated from the state playoffs in the quarter-finals. Farwell appears just as strong

this season. The Steers have rolled over five consecutive opponents without trouble. Plains has a similar record and only one team, Jal, has extended the Cowboys. Only one common foe, Morton, has been met. Farwell defeated the Indians, 16-6, while Plains won over the same team, 18-0. Offensively, the two teams stack up about even on the basis of points scored. The Steers have scored 146 points while Plains has gathered 152 points. Defensively, Farwell has allowed 52 points, while the Cowboys have yielded only seven

points. But Farwell has probably played a somewhat stronger schedule thus far than has Plains. The Steers have beaten two AA teams, Friona and Morton, as well as Fort Sumner, a large New Mexico school. They also hold wins over two Class B clubs, Lazbuddie and Bovina. Plains coaches are expecting their toughest opponent of the year and they will go into the game minus two top-flight defensive hands. Halfback Joe Bob Oats suffered a shoulder injury last Friday and probably won't see action against Farwell. Eldridge Tidwell has a hip injury

which is expected to keep him out of action this week. These injuries have forced Coaches Jack Pierce and Rip Sewell to make several changes in their defensive lineup. Mike Sink, offensive quarterback, will probably fill the defensive halfback position Oats normally fills. Assistant Coach Sam Mosley painted a sad picture of the upcoming game at Booster Club meeting Monday. He scouted the Steers in their victory over Morton and was highly impressed with their team. He was particularly impressed with halfback Carroll Huggins.

"I think he is their best back," Mosley said, "and he's about the best broken field runner you'll see all year." Huggins is a 170-pounder. Coaches said he did not play against Plains last year as he was injured in practice during the week of the game. Mosley was also high in his praise of fullback Jerry Lovelace, whom all fans remember from the 1958 contest. Also a 170-pounder, Lovelace is only a sophomore but he was one of the Steers' top hands last year as a freshman. "He is a very good ball player, offensively

and defensively," Mosley said. The coach said he was also an excellent kicker and frequently quick-kicked. He said once this year he had a quick kick which covered 94 yards. Benji Dial, the Steers' quarterback, is a good field leader, Mosley said. He said the 155-pounder was a real good passer, especially on the short tosses. "He likes to keep on the belly series," Mosley said, "and he can pick up some good yardage."

Farwell's line is big and experienced. One tackle weighs 200 pounds and the other weighs 175. The right end, McDorman, 160, is a talented performer and a very good pass receiver, Mosley said. The Steers throw a lot of passes and McDorman is a valuable man in their offensive attack. All coaches said they expect a wide open game between these two offensive-minded clubs. Farwell, in addition to its passing game and its belly series, runs quite a few reverses and double reverses and employs the quick kick to good advantage from time to time. Plains has been primarily a ground team this year, but the Cowboys have an adequate passing attack.

JOE MANUEL ORTIZ, the four year old youngster all of Plains was pulling for, has returned home after spending several weeks in hospitals at Denver City and Galveston. His parents say the boy is progressing satisfactorily following his recent ordeal when he was in critical condition.

Ortiz boy is recovering

Little Joe Manuel Ortiz, four-year-old son of Mr. and Mrs. Arthur Ortiz, is now recovering from a serious illness in his home after a month in hospitals at Denver City and Galveston.

The Latin-American youngster earned the sympathy and respect of all of Plains during his stay in John Sealy hospital in Galveston where he underwent surgery and lay in grave condition for several days.

Local residents conducted a fund-raising campaign to help defray the family's expenses. A total of \$277 was raised, most of which was sent to the boy's father who was at his bedside in Galveston.

Mr. and Mrs. Ortiz have expressed their appreciation to the people of Plains in helping them through this crisis.

The child's illness began with epilepsy in late August. He was admitted to the hospital in Denver City where his condition worsened and was moved to Galveston September 4. Doctors at first felt the child's brain tions are now there will be a normal recovery.

His father said Tuesday the boy was walking some, but could still not walk well. Physi-

cians have recommended exercise in hopes the activity will help him regain his normal walk. He has been home since September 22, but is still suffering from epilepsy. The father said the boy would be under treatment for some time, but he hoped he would not have to be taken back to the hospital.

Ortiz has been an employee of Plains Oil Company for the past three years. He and Mrs. Ortiz

Mrs. Hale's brother dies in Oklahoma

Mrs. Jesse Hale received word early Monday morning of the unexpected death of her brother, L. M. Thompson, in a Boswell, Oklahoma hospital about 5:15 A.M.

Mr. Thompson, who had a heart ailment, had been in good health the past year, but succumbed shortly after suffering the attack. Funeral services were conducted in Boswell at 2:30 p.m. Wednesday.

Mr. Thompson, who was manager of R. M. Fry Lumber Company, is survived by his wife; a son; a daughter; one brother and four sisters.

Attending the services from Plains were: Hale's brother, Kenneth Hale and wife.

Maynard buys Conoco station

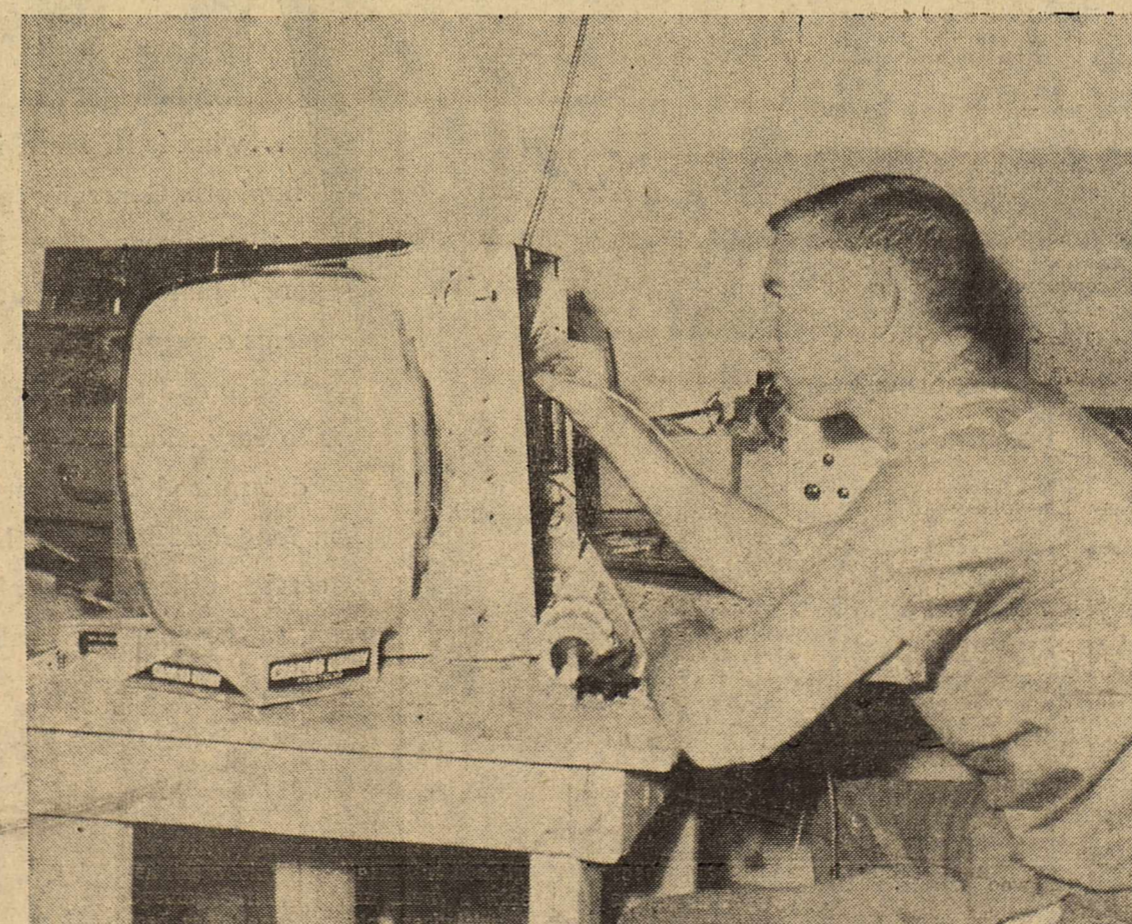

C. C. (Slim) Maynard has assumed management of the Conoco station in Plains after purchasing the business from J. W. (Casey) Brown. Brown had operated the station since June of 1958.

Maynard, who has lived in Plains for the past 10 years, has been a driver for A&S Trucking Company for the past three years. Prior to going to work for that firm, he worked for the Gulf station for five years.

have four children besides Joe Manuel. They are Frank, 10; Danny 8; Yolinda, 3, and Elida, 17 months.

CONGRATULATIONS

Congratulations to Mr. and Mrs. Bobby Young on the arrival of a son, Barry Duane, weighing 7 lbs. 6 ozs., on September 21 in Terry County Hospital. Grandparents are Mr. and Mrs. Howard Mauk of Tokio and Mr. and Mrs. J. O. Young of Brownfield. Mrs. Young is the former Elaine Mauk who attended Plains High School.

R. J. VAN LIEW, owner of Plains Electronics, announced this week that his firm was holding its Grand Opening Saturday. Van Liew, a widely-experienced radio and television technician, will introduce the '60 line of Westinghouse appliances to visitors Saturday. (Details of the open house appear on Page 5).

Rabies vaccine started for victim of dog bite

Serum rushed to Plains for four-year-old girl

A series of anti-rabies shots were commenced at 4:30 p.m. Tuesday for Miesha Hindman, four-year-old daughter of Mr. and Mrs. Emmett Hindman of Plains.

The child had been bitten by a dog belonging to a neighbor last Friday. The dog died Monday night and upon learning of this the parents took the child to Dr. Clyde Lynn. Dr. Lynn immediately ordered the anti-rabies vaccine.

Lubbock was the closest place the serum could be obtained so Deputy Sheriff Olan Heath rushed to Lubbock to pick it up. He was met at the outskirts of town by a highway patrol unit which had the vaccine waiting. He arrived back in Plains with the serum in time for the girl to get her first shot at 4:30 Tuesday afternoon.

Meanwhile, the head of the dog has been sent to Austin for analysis. A report is expected by Thursday. If it is negative, the shots can be stopped. But if the report shows the dog to have rabies, shots must continue each day until the child has received 14 of them.

The incident prompted city officials to announce that the city's recently-enacted dog law would be put into force as soon as possible. In a special election held last summer, local voters gave overwhelming approval to a proposal to require dog owners to keep their dogs penned. The law has not yet gone into effect, but City Secretary Bu-

ford Duff said Wednesday that city officials hoped to have it in force within 30 to 60 days.

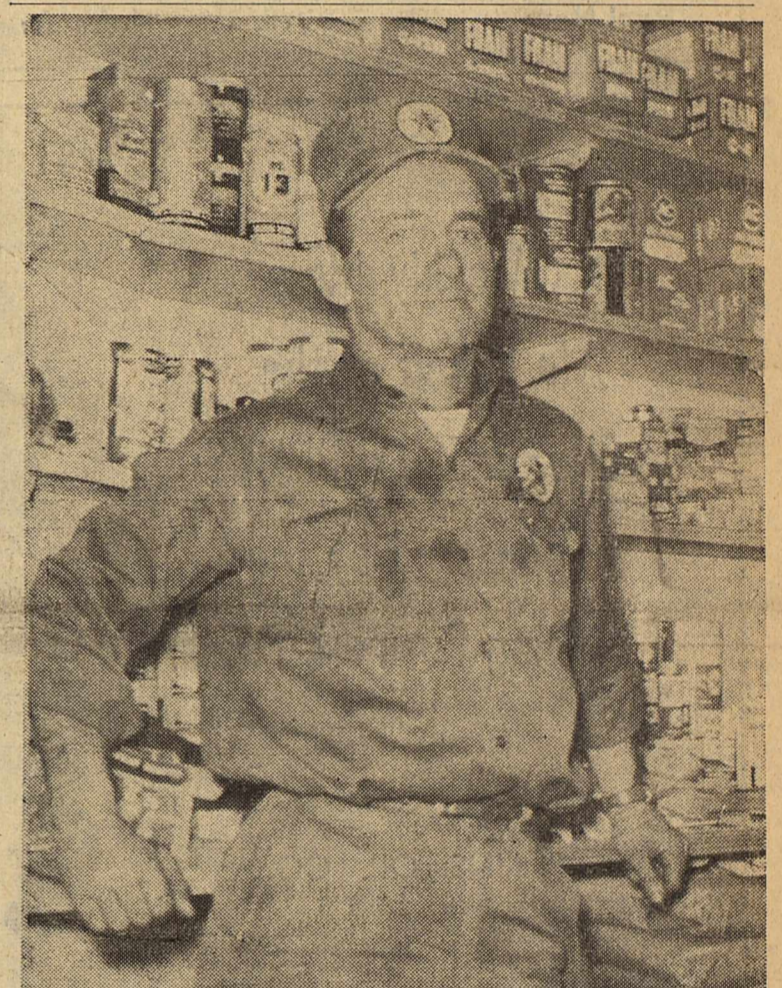

Fire chief issues message to all residents of area

National Fire Prevention Week which is being observed this week prompted Duane McDonnell, chief of the Plains Volunteer Fire Department, to issue a message to all residents of this area in an effort to cut down on the number of fires here in the near future.

The fire chief said fires could be prevented in Plains if residents here would heed the following suggestions:

- Extinguish all matches, cigarette butts and cigars carefully before disposing of them.
- Instruct all members of your family to not smoke in bed.
- Use only 15 amp fuses in the fuse box for your household lighting circuits.
- When removing attachment plugs from outlets, grasp the plug itself correctly, instead of pulling on the cord.
- Provide special circuits for heavy duty appliances such as washing machines, refrigerators, deep freeze boxes, etc., instead of overloading the electric circuit in your home.
- Be ever conscious of the fact that people and not things cause fires.

LAWRENCE M. MIZE, popular Plains businessman, is selling his Texaco station and moving to Carlsbad. Mize, who has lived in Plains since September of 1957, will operate a service station in the New Mexico city.

Mize to sell business and move to Carlsbad

Lawrence M. Mize, owner and operator of Mize's Texaco Service Station in Plains for the past two years, is moving to Carlsbad, New Mexico, where he will operate a new Fina station, he announced this week.

The popular Plains businessman who has been cubmaster of the Cub Scout troop since its organization last fall, is now in the process of selling his business. He is selling his home to Paul Loe, Mize said Wednesday he was completing necessary arrangements for the sale of his business, but the deal was still not closed.

Mr. and Mrs. Mize and their two sons, David Lee and Larry Jim, plan to move to Carlsbad in about two weeks. He will operate the first new Fina station to built in that city.

Mize moved to Plains in September of 1957, coming here from Levelland where he was a

pumper for an oil company. He bought the Texaco station immediately after moving to Plains.

Mrs. Mize, the former Roxann Campbell of the Tokio community, married Mize in March 2, 1956, after having met him while he was in service.

The Plains businessman spent 18 months as a prisoner of war with the Germans during World War II. A tail gunner with an Air Force unit, his plane was shot down over Holland in November of 1943 and he was held as a prisoner in Austria until liberated by Patton's Third Army.

Women are urged to see cancer film

All women of this area are invited and urged to attend the showing of a special film on cancer which is to be held at 8 p.m. Tuesday in the county court room of the new court house.

The Tsa Mo Ga Study Club of Plains is sponsoring the program. Members say all women of the area should attend the special program as it will give them helpful information about this dreaded disease.

Dr. Clyde Lynn, Plains physician, will talk to the group and answer any questions anyone might have.

The film is 16 minutes long, is in color with sound. Another film will also be shown to the group.

Firemen need to attend meetings

Duane McDonnell, fire chief of Plains is sponsoring the program. Members say all women of the area should attend the special program as it will give them helpful information about this dreaded disease.

The chief pointed out that it was still warm enough for firemen to practice with hoses and water. "This winter will be a bad time for fires in the homes so firemen should come out each week and learn to operate the truck and equipment," he said.

Safe streets needed

When the highway project through Plains is completed some time next year, the state will require parallel parking within the city limits. Similar situations have haunted drivers in many communities in recent years.

A good driver has no difficulty in easing his car into a parking slot which runs parallel to the curb but it may take a little practice before he can be an expert at such a chore. People in this area have never had a need to learn the technique. In many areas, however, this type of parking has been the rule for years and drivers have adapted themselves to the situation.

The reason behind the state's requirement is easy to see and should be especially easy for the people of Plains. It is extremely dangerous for automobiles to be backing into highways as heavily traveled as the one which runs through here. So the state's object is safety and none of us should argue a point which is so important.

But let us hope that nothing will happen between now and the date of the new parking requirement to mar our record. It is downright frightening to see the manner in

which people here pull into parking places and cut across the highway, supposedly ignorant of the chances they are taking. It's an old practice and has been followed for so many years that local drivers apparently think nothing of it.

Plains is too small for a police department to control the traffic. The highway patrolmen are here only now and then. This leaves only the sheriff's force with legal authority to correct our driving habits. Such a responsibility does not fall within the normal duties of the sheriff's office and the sheriff cannot be expected to take care of the situation.

That leaves only us — the citizens. Will we continue to drive in such a manner that local lives are endangered daily just because there is no one to force us to do otherwise? Or will we take a new reading of our driving habits and do our part in making the streets of Plains as safe as possible?

Mail orders now being accepted for National Finals Rodeo set for Dallas

Mail orders will be accepted during the month of October for the first National Finals Rodeo, the "world series of rodeo," which will be staged in Dallas Dec. 26-30 in the State Fair Livestock Coliseum.

Rodeo, the cowboy contest that has grown from an Old West pastime to one of America's leading spectator sports, will for the first time wind up its competitive season with the championship playoff in Dallas.

There will be two go-rounds at 2 and 8 p.m. each day of the rodeo, for a total of ten go-rounds, with a complete section competition at each performance. Ticket orders for all ten performances will be given top priority. Ticket prices are \$4 per performance for reserved seats and \$6 per performance for box seats. Orders for only one performance should also specify an alternate date preference.

Checks and money orders should be made payable to State Fair of Texas and ticket orders

should be mailed to National Finals Rodeo, care of State Fair of Texas, P. O. Box 7755, Dallas 26.

Competing in the National Finals Rodeo will be the top fifteen contenders for the world championships in each of the five standard rodeo events — bareback and saddle bronc riding, brahma bull riding, bull-

dogging and calf roping.

The competing cowboys will qualify for the National Finals on the basis of their total winnings during the entire year at some 500 rodeos approved throughout the U. S. and Canada by the Rodeo Cowboys Association.

In the riding events they will pit their skills against the toughest string of bucking broncs and bulls ever assembled in one building handpicked, on the basis of each animal's record for the year, from all the fifty-odd strings of RCA livestock contractors.

In this king-making climax to a whole year of rodeo, the cowboys will compete for a record purse of \$57,500, the largest ever offered for a five-day rodeo.

The two complete go-rounds each day and the total of ten go-rounds in five days will make the National Finals the most grueling man-killer of all the year's rodeos. At the end of the National Finals, the Rodeo Cowboys Association will proclaim the World's Champion Cowboys in each event for 1959.

The new \$2,000,000 State Fair Livestock Coliseum, where the rodeo will be held, seats over 7,000.

RHONDA FAUGHT reached into the box and drew the name of Mrs. H. F. Barnes at the drawing held Wednesday afternoon at Modern Beauty Salon. Mrs. Barnes thus became the winner of

the free permanent which the beauty shop offered at the conclusion of the registration held during the month of September.

LIFE

...what is it? Here, it is represented in the newborn. Generally speaking, "it is a vapor that appears for a little while and then is gone," James 4: 14. Life from birth to seventy seems a very long time. But brother, reverse the sentence and take a look... *seventy back to birth is so very short.* Anyhow, the value of a life is determined by *how well it is lived* and not by *how long it is.* Every worthwhile life consumes its self serving others... administering to the sick, giving to the poor and challenging them to prepare for the Life Eternal. *The good life is full of little deeds made meaningful by a few Godly decisions.* Then attend worship services regularly.

How they fared

Here's how teams on the Plains 1959 football schedule fared last weekend:

MEADOW — defeated New Home, 28-0.
 WILSON — Lost to Lazbuddie, 16-0.
 MORTON — Defeated Lda-lou, 6-0.
 JAL — Defeated Van Horn, 14-6.
 FARWELL — Defeated Fort Sumner, 40-18.
 FRENSHIP — Defeated Petersburg, 6-0.
 O'DONNELL — Lost to Stanton, 36-6.
 SEAGRAVES — Defeated Springlake, 30-22.
 SUNDOWN — Lost to Denver City, 29-14.
 WHITEFACE — Lost to Plains, 42-0.

Mrs. W. L. McClellan returned home Saturday from Christoval where she had been undergoing treatments for rheumatism since the first part of September. She reports that she feels like a different person except for a slight cold contracted when their car generator quit during the driving rains that fell in the San Angelo and Odessa area while they were coming home.

Guests in the home of Mr. and Mrs. Hugh Snodgrass, Sunday, were Mr. and Mrs. Bob Alberding and sons, Steve McGinty, Mr. and Mrs. Lavon Smith and baby, Pam McDonnell and Mr. and Mrs. Amos Smith and boys.

DON WILLIAMS, Plains halfback, is one of the big guns in the Cowboys' attack. A twisted knee in pre-season workouts forced Williams to miss the season opener, but he is now recovered and has become a mainstay on both offense and defense, just as he was for the Cowboys' district champions last year. Cowboys hang up another white washing, 42-0

That good old Plains defense was never brighter than it was Friday night as the Cowboys romped past Whiteface, 42-0, for their fifth consecutive win of this football season. In so doing, they made the Antelopes their fourth whitewash victim of the year.

So tingly was the Cowboy defense that the Antelopes registered only one first down all night and wound up with 41 yards rushing and 13 passing.

The game was played at Whiteface on a field made slippery and muddy by a two-day rain. Light showers fell during the contest.

With Don Todd, Doug Todd, Harmon Meixner, Dick Cooke et al smearing practically every Antelope play, the Cowboy offense had plenty of time to try

its stuff. And it responded to the opportunity with its greatest output of the year, 303 yards rushing and 157 more by the

air route for a grand total of 460 yards.

This staggering total was attained despite the 120 yards in penalties assessed against Plains. In the second quarter alone, the Cowboys had four gains totaling 77 yards called back for rule in-

fractions.

Also very satisfying was the Plains' passing game. Cowboy passers completed nine of 14 tries, three of them good for touchdowns.

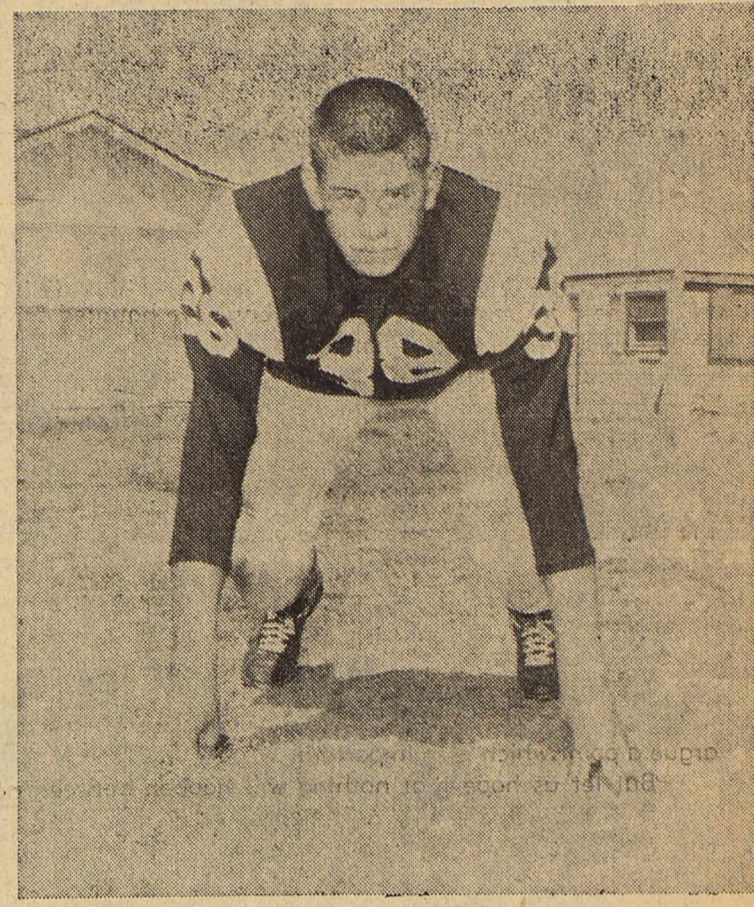

Fans had hardly settled in their seats before Plains entered the scoring column. The Cowboys drove 64 yards for their first touchdown with Joe Don Marrow setting it up on a 30-yard scamper to the three-yard line. On the next play Marrow went over and Joe Bob Oats ran the extra point across to make it 8-0.

The second touchdown came on the opening play of the second quarter when Mike Sink pitched 19 yards to Walt Coffman to climax a 48-yard drive. An attempted pass for the extra point was no good.

Marrow crashed over from two yards out for the third touchdown and Ray Faught ran the extra point to make it 22-0, the way it stood at half-time.

In the third quarter, Sink passed 16 yards to Oats for another touchdown and Oats also ran over the extra points to make it 30-0.

Early in the fourth stanza the Sink-Coffman passing combination was good for 46 yards and another touchdown. Marrow closed the night's scoring with a 19-yard streak over the goal.

JACK MEIXNER has played a lot of outstanding football for the Plains Cowboys this season. The 156-pound junior is the regular left end with the Cowboys. REVIEW Photo

Cowboys hold second spot in polls

Plains held second position in the weekly ratings Tuesday of both the Dallas News and the Forth Worth Star-Telegram. The Cowboys moved into the runnerup spot behind top-ranked Stinnett in both polls last week.

Both Texas newspapers listed the first three teams in the same order, Stinnett, Plains and White Deer. But here the similarity stopped. The Star-Telegram listed Sundown as the No. 4 team in the state, despite the

Roughnecks loss to high-ranking Denver City of Class AA. The News had Sundown tied for 10th spot.

Behind the top three, the News listed George West, fourth; Brunet, fifth; Bishop, sixth; Cowell, seventh; Mason, eighth; White Oak, ninth, and Sundown and Liberty-Eylau, tied for 10th.

The Star-Telegram had Sundown, fourth; Brunet, fifth; Bishop, sixth; Gaston, seventh; Mason, eighth; White Oak, ninth, and Crowell, 10th.

In Class AA, Denver City maintained its seventh-place ranking in the poll by the Dallas News, but the Mustangs were dropped to ninth in the Star-Telegram listings.

2 suffer injuries in home accidents

Hugh Snodgrass has been on crutches since falling on Wednesday of last week while repairing fences on his farm in the Tokio community. No bones were broken, but severe pain has accompanied a badly sprained hip. He resumed work Monday in the Brownfield office of Production Credit Association following a three week vacation.

Also on the crippled list is Mrs. Bob Alberding who suffered severe strained ligaments in her right ankle and foot Thursday evening in a fall at her home. She returned to work in the school cafeteria on Thursday of this week.

Brownfield rites for Babe Kennedy

Mrs. Loren Gayle and Billy R. Kennedy attended funeral services Monday afternoon in Brownfield for their cousin, Silas (Babe) Kennedy, who died of a heart attack while working near Seminole as roustabout for Skelly Oil Co. He was rushed to an Andrews hospital, but was pronounced dead on arrival.

Mr. Kennedy, who leaves a wife and two small children, operated the Bronco Store in partnership with his brother, Alvin Kennedy, about six or seven years ago. Alvin passed away in California in 1958.

Mr. Kennedy's father, Silas Kennedy, resides at Matador.

There isn't much activity showing outside around the schools this week since it is the first six-week exams period. The schools are usually a beehive of busy playing students, but they are settled down to serious concentration and careful penmanship the past few days.

LT. COLONEL A. G. VITACCO, special services officer Fourth U.S. Army, Fort Sam Houston, replaces the oak leaf of Major H. H. Copeland, husband of the former Frances McCargo, daughter of Mr. and

Mrs. C. F. McCargo, Plains, with a lieutenant colonel's silver leaf. The deputy special services officer and staff bands officer was caught unaware of the sudden promotion ceremony while working at his desk.

Copeland given promotion to lieutenant colonel

A former director of the famed "Precisionists," popular singing group from Washington, D. C., has been promoted to lieutenant colonel at Fourth U. S. Army headquarters, Fort Sam Houston, Tex.

He is Lt. Col. H. H. Copeland, currently serving as Fourth Army deputy special services officer and staff band officer.

The former major directed the 25-man choral group, well known in the U. S. and Europe for its barbershop harmony singing, during off-duty hours, until his assignment at Fort Sam Houston in February 1959.

He is a 1937 graduate of Hardin-Simmons University in Abilene, where he studied instrumental music and played trumpet in The Cowboy Band.

Colonel Copeland conducted high school bands and choruses in Kermit for eight years before entering military service in 1942.

During Army headquarters music assignments and soldier entertainment activities at supervisory level, he specialized in recreational music and gained extensive experience in vocal music while conducting numer-

ous soldier singing projects. His parents are Mr. and Mrs. H. H. Copeland of 1619 21st St., Abilene. Colonel Copeland's wife is the former Frances McCargo.

Tsa Mo Ga to study "Spiritual Heritage"

Security is no more possible without character than than life is without air or a building without a foundation. Think on this.

"Our Magnificent Spiritual Heritage — Its Opportunity" is the program theme for the Tsa Mo Ga Club's meeting to be held Monday evening in the Clubhouse. Mrs. R. K. Field will repeat a service given by the Youth Class of the First Methodist Church of which she is teacher.

Her program, "The Cowboy and Christ" will open with a piano prelude, "Home on the Range" by Marsha White. The Lord's Prayer (standing) will be followed by "Eulogy to Grass" from the pen of Mr. Engell, one time Senator, late Governor of Kansas, given by Brenda Sudderth; Ty Earl Powell will read Matthew 9:37-38 and Dallas Powell will offer "The Cowboy and Christ." A song, "Cowboy's Heaven" by the group will close the program.

Guests are invited. Co-hostesses will be Mrs. Raymond Bookout and Mrs. Robert Chambliss.

Local delegation attends FHA meet

"Getting to Know Our Neighbors at Home and Abroad" was the theme for the District III F.H.A. meeting in Snyder Saturday, October 3. Sponsor Jo Brown and a delegation from the Plains chapter attended.

Mr. McCollum, Superintendent of Snyder schools, gave the welcome and Mr. Keeton, of the State Advisory Committee for Vocational Education, brought greetings to the group.

Mrs. Barchett showed slides and gave an interesting talk on her visit to Italy this past summer.

The Plains chapter gave a relaxer of "housekeeping duties during the week." Zoleta Brantley was leader, assisted by Sheron Smith, Louise Heald, Donna Borland, D'Lois McGinty, Janice Powell and Lela Parks. Stig-Olof Fernstrom, an exchange student from Finland, compared Finnish and American homes. He said, "It is very rare to find more than one vacuum cleaner or washing machine, and never more than one car to a family." A number of their cars come from behind the Iron Curtain, he told the group. Finnish cars differ from American cars in that they will accommodate nine people, one to ride and eight to push.

Barbara Meil attended the delegates meeting during the noon hour. At this same time Leta Stewart presented her qualifications for an area officer and was defeated by girls from New Home and Roby. Shirley Gayle gave her qualifications for a district office and was defeated by girls from Tahoka, Roby and Fluvanna.

The afternoon program was opened by a "hello" from Snyder Student Council President, Phillip Smartt.

Sharon Applewhite and Carol Smith of Tahoka gave many interesting highlights of the Na-

tional F.H.A. Meeting in Chicago.

One of the most interesting features of the afternoon program was a book review, "Quiet Yells Mr. Rabbit" by Mrs. McNair.

The program was concluded by installation of 1959-60 F.H.A. Officers.

Attending the meeting from Plains chapter were: Mrs. Brown, Roberta Snodgrass, Lela Parks, Sandra Smith, Zoleta Brantley, Shirley Gayle, Janice Powell, Barbara Meil, Sheron Smith, Donna Borland, Leta Stewart, Louise Heald, D'Lois McGinty, Linda Adams, Billie Jean Coke, Peggy Hartman, Carolyn Murphy, Marsha White, Naomi Maynard, Kaye Spencer, Annette Sudderth, Alice Hinkle, Bobbie McGee, D'Lynn McGinty, Kathryn Stroud, Paula Tidwell, Mrs. Leslie McGee, Karen Randolph, Billie Urlson and Linda Ledbetter.

Mr. and Mrs. I. J. Duff Jr. and family of Levelland and Mr. and Mrs. Clay Mims and baby of Midland were guests of their mother, Mrs. Nell Duff, and brother Buford over the weekend. Others joining them on Sunday for dinner and visit were Mr. and Mrs. H. W. Taunton and family and Mr. and Mrs. Rod Duff and Kim all of Plains.

THANKS

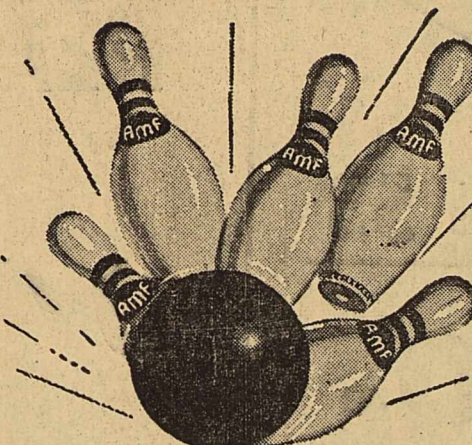

We wish to take this means of issuing OUR SINCERE "THANKS" to the people of Plains for their Wonderful Support given us during the past two years.

It has been a pleasure to do business with you and to live among the many wonderful people here. It is with reluctance that we leave Plains, but we feel the opportunity offered elsewhere makes our move imperative.

We will be operating the new Fina Station in Carlsbad and hope that our friends will drop by to see us when visiting in Carlsbad.

Plains Electronics to have formal opening

Formal opening of Plains Electronics is to be held Saturday and the public is invited to attend a big open house party which will be held throughout the day, according to an announcement made this week by R. J. Van Liew, owner of the business.

Free coffee and donuts will be served to all attending. Guests will also have an opportunity to register for free prizes which are to be given away at the drawing scheduled at the store at 6 p.m. Saturday, Van Liew said. Each person attending the open house can pick up a registration card, sign his or her name and deposit it in a box at the store. They do not have to be present at the drawing to be eligible for the prizes.

First prize will be a 1960 model Westinghouse AM radio and hi-fi combination, valued at \$169.95. Several other prizes will be awarded.

Plains Electronics moved to its present location, next door south of Curry Drug, two months ago. Formal opening has been delayed until the store could stock the 1960 line of Westinghouse appliances.

Van Liew entered business here a year ago and his firm has grown rapidly. Plains Electronics handles a complete line of major and minor Westinghouse appliances as well as Norge products. It has a complete service department for all appliances, including television, radio, two-way communications and others.

The store was opened by the present owner in a building on the Brownfield road shortly after he graduated from Draughn's Business School in Lubbock. Van Liew attended the Lubbock school for two years and graduated in radio, television and electronics. He also holds a federal communications license.

Van Liew moved to Plains in 1950 and worked as a rough neck until 1956, with time out for service with the Air Force during the Korean War. He moved here from Morton and attended

ed school at Three-Way, a consolidated school in Cochran County.

He was married to Miss Donna Lee Curtis of Plains in 1953 and the couple has two children, Ficki, 5, and Donna Cheri, 3, of Mr. and Mrs. L. B. Curtis Mrs. Van Liew is the daughter of Plains.

Fire

(continued from page one)

Be sure all members of your family know that it is the vapor from the evaporation of gasoline rather than the liquid itself which burns or explodes when mixed with air in the presence of a source of ignition.

Instruct all members of your family to never bring gasoline into the home or to use gasoline to clean clothing or anything.

Realize that the installation, alteration and repair of gas piping in buildings should be done only by men fully experienced in this work, and the gas should be turned on only after the system has been thoroughly tested for leaks.

Be sure that gas burning appliances, such as room heaters, provided in sleeping quarters or rooms generally kept closed, are vented and equipped with an automatic pilot.

Keep all closets, storerooms and attics free from rubbish, oil, rags, old papers, broken furniture and the like.

Keep your oil mop in a metal container or other safe place, well ventilated where it will not catch fire by spontaneous ignition.

Be sure you know how to turn in a fire alarm and the telephone number of your local fire department.

In closing, McDonnell said the fire department would make a fire safety inspection of any home upon request from the owner.

Skate party enjoyed by Baptist group

Twenty-six members of the First Baptist Church Junior Sunday School class, their guests and sponsors journeyed to Denver City Saturday for a skating party from 3:00 to 5:00 P.M. in the Denver City Rinks.

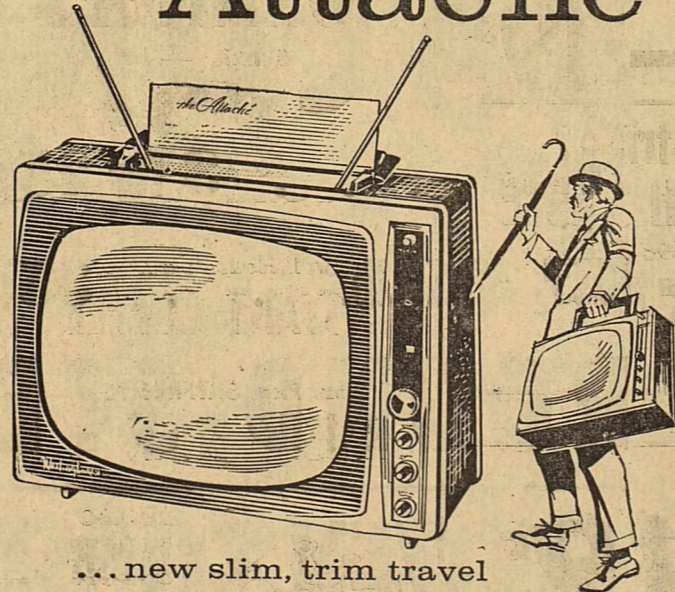

Sponsors taking cars and enjoying the afternoon with the youngsters were: Mr. and Mrs. LeeRoy McCravy and Jan, Mrs. Sherman Tingle, Mr. and Mrs. Joe Bass and Mr. Luther Hinkle. Guests from other Sunday Schools were Charles Lynn, Gayland Alberding and Jerry Myers.

Mrs. L. B. Hobbs has been confined to her home the past three weeks with a throat infection and has had dental work. She is improving and expects to be out soon.

Mrs. Wayland Powell and Mrs. C. L. Billingsley are working in Elliott-Waldron Abstract offices now.

Iota Pi to host state president News Chips

The Plains Iota Pi Chapter of Epsilon Sigma Alpha met Tuesday evening in the County Clubroom with Mary Dale Williams, hostess.

The club received a cordial invitation from the Tsa Mo Ga Club to attend the Cancer Program to be presented by Dr. Clyde Lynn at 8:00 P.M. Tuesday October 13 in the clubroom.

The Iota Pi will be hostess to the District IX meeting Sunday October 11 at 2:30 p.m. in the Tsa Mo Ga Clubhouse and will have the pleasure of having State President Frances Martin of Dallas as guest speaker.

With sincere thanks the club donated \$100 to the Plains Student Loan Fund.

Refreshments of coffee, sandwiches and strawberry cake were served to Elsie Carpenter, Mary Jo St. Romain, Archie Glover, Mary Lee Swann, Velma Warren, Emma Lewis, Jackie Myers, Ann Green and Mary Dale Williams.

Fine Arts Club enjoys chicken, spaghetti

A delicious spaghetti and chicken supper, complimented by varied salads, was served to eighteen members of Plains Fine Arts Club Thursday evening October 1 in the lovely ranch home of Mrs. Gene Bennett, with Mrs. Clifford Anderson as co-hostess.

The business meeting opened with the Club Pledge followed by the roll call.

Mrs. Gus Malmsten, program co-chairman with Myrtle Paterson, gave an interesting talk on "Opera."

Mrs. Mollie Courtney was appointed parliamentary.

The next meeting was set for November 5 in the County Clubroom with Mrs. Wayne Chadwick and Mrs. H. F. Barnes, co-hostesses.

Present for the delightful supper were: Mesdames H. F. Barnes, Wayne Chadwick, Neil Parks, Gus Malmsten, G. W. Cleveland, Pat Henard, Wallace Randolph, Clifford Anderson, Rod Duff, Jack Hayes, W. G. Lattimore, A. H. Bacon, L. O. Smith, Gene Bennett, Johnnie Fitzgerald, Lee Roy McCray, Thelma Ellis and Myrtle Paterson.

Mrs. Wilson Duke began employment this week in the local Farmer's Home Administration office, as announced by Supervisor Eddie Taylor.

Miss Kay Smith was a business visitor in Brownfield Tuesday and visited Mrs. Joe Kennedy who underwent major surgery in Terry County Hospital that morning.

Mrs. Joe D. McLaren, Lubbock, has returned to work in a bank there following major surgery the first of last month, according to her mother, Mrs. Nora McKee.

Bobby Moore was a guest of his parents, Mr. and Mrs. J. W. Moore, Friday night and attended the Plains-Whiteface mud-melee. Employed by a telephone company in Carlsbad, he is assisting with construction work at Denver City, Mrs. Moore is visiting her mother, Mrs. Dorothy Rushing and girls at Lamesa while he is away.

Mrs. Dellis Green is convalescing at the home of her daughter, Mrs. R. D. Jones in Brownfield, this week following surgery in a Lubbock hospital several weeks ago.

Mr. and Mrs. Rufus Brian and children will move into their newly renovated and remodeled house, that was badly damaged by fire two months ago, this weekend.

Master Carl Chaney, 3-year-old son of Mrs. Norene Chaney of Ira, Texas, has been visiting his aunt and uncle, Mr. and Mrs. Foy Powell and family, since his mother underwent major surgery on September 8. The Powells took him home Sunday and visited her sister.

CONGRATULATIONS

Birthday and anniversary congratulations to: Stanley Altman, Lucille Wilson and Mrs. Elmer Cross, October 11; Mr. and Mrs. Homer Sudderth; Travis Been and Mrs. Buster Kennedy, October 12; Riley Leon Johnson, Joe Cheek, Mrs. Ralph McClellan, Mrs. Gary Billingsley and Bert Bartlett, October 13; R. Initiation program conducted by FHA

Initiation of new members was the program for the Plains Chapter of F.H.A. at their regular meeting Monday evening.

The following girls completed the FHA candlelight ceremony: Neda Anderson, Carolyn Murphy, Linda Adams, Dana Dyer, Shirley Etheridge, Alice Hinkle, Evelyn Jaquess, Marilyn Jones, Sandra Lewis, Bobbie McGee, D'Lynn McGinty, Betty Stewart, Kathryn Stroud, Paula Tidwell and Letha Watson.

The initiation committee composed of Kaye Spencer, Jan Copeland, Sue Bookout, Lela Parks, and Peggy Hartman presented the program, "Poor Freshman."

Jack Meixner was elected "Chapter Beau" for this school term.

The group will take part in UNICEF this month by making money at the Halloween Carnival and donating it to this worthwhile cause. The chapter "Moms" and "Pops" are Mr. and Mrs. John E. Fitzgerald and Mr. and Mrs. C. L. Gayle.

Texas game tops gridiron slate of Humble this week

A live telecast of the Texas-Oklahoma football game, and radio broadcasts of six Southwestern Conference games will top the Humble Company bill of fare this weekend.

First game to hit the airwaves will be the SMU Missouri game in the Cotton Bowl, Friday night. Six radio stations will carry this game beginning at 7:45 p.m.

Kern Tips and Alec Chesser will be on hand to telecast the Texas-OU game from the Cotton Bowl.
