The Belton Journal recently conducted a survey concerning drinking habits of the people of that community.

Results of the survey showed that 68 per cent of the people drink hard liquor, 23 per cent drink only beer and wine and 90 per cent take no alcohol at all.

Only point proved is that a lot of people are liars.

The bathtub was first put to use in 1850 and the telephone was invented in 1875. Just think, if you had lived at the right time you could have spent 25 years in the bathtub without having to answer the phone.

A psychiatrist says there is a strong indication that teenagers are becoming more grown up in their thinking and their action. They often feel so badly about some of the mischievous things they do that they try to correct them. Maybe that's why Johnnie Moore hasn't bought him any new hubcaps yet.

Up at Friona, where they've proved time and again that big things can happen in small towns, a new indoor swimming pool is opening within the next few days.

The beautiful pool, in a beautiful new building, will be heated and will offer a rare kind of 12-month entertainment for people of West Texas.

It remains to be seen whether the operation will be profitable for the owner. But who can tell until it's tried?

There may be those who laugh that Friona is not big enough to support such an enterprise. But chances are their laughs will be no louder than those sounded in 1958 when a giant offset publishing establishment went into business in the Parmer County city. This business, which publishes about 35 newspapers from Texas, New Mexico, Oklahoma and Colorado, has turned in to one of the biggest industries in the county.

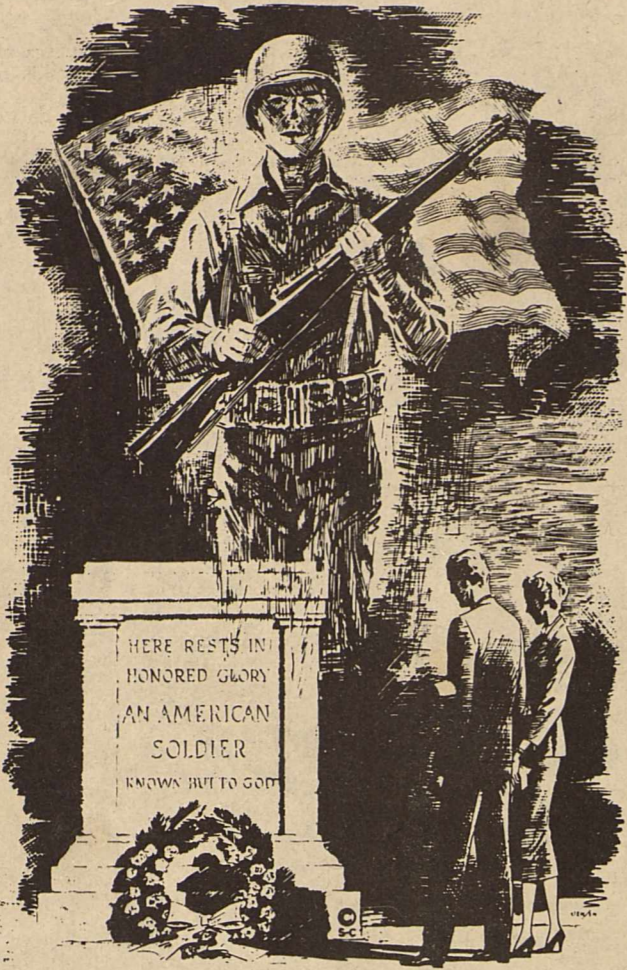

Other things stand out in Friona. The hospital there is community owned, built entirely without tax money. It started out when a group bought an old army barracks. Townspeople raised the money through private subscription.

A \$10,000 grant came through the Ford Foundation, but all other money has been raised locally. When the need for a new wing became apparent some time ago, the group got out and raised the money, just as it had done for previous building programs.

Charles Nance of Seminole, president of the Gaines-Yoakum Sugar Beet Growers Association called Wednesday to say that he and John Cockerham had returned from a trip to Washington where they had been brought up to date on the latest. John is manager of the C-C at Seminole.

With other Texans and other farmers interested in growing sugar beets, Nance said they had met with members of the House Agriculture Committee.

According to his report, the group feels much better about the possibility of obtaining a 5 per cent acreage increase in allotments. This, said Nance (Continued on Page 6)

Memorial Day Program Is Set

Members of Tsa Mo Ga will sponsor a cleanup campaign at the Yoakum County Cemetery Monday morning, followed by a special Memorial Day Program.

All persons of the community are invited to take part in the cleanup and to attend the program. The various clubs of the area are extended special invitations to participate.

The event is sponsored annually by Tsa Mo Ga as the city's only Memorial Day service.

Workers are asked to arrive at the cemetery early Monday morning, although no starting time has been set. Volunteers will work as they please and set their own schedules.

Mid-morning refreshments will be served by members of Tsa Mo Ga.

Little League Gets Underway

The Cubs and Indians were to meet at 6:30 p. m. Thursday in the first of a 36-game Little League baseball schedule.

Both of the other Little League teams, the Yankees and Giants, also were to swing into action Thursday, meeting each other at 8 p. m.

There will be no weekend games, the teams waiting until Tuesday before resuming warfare.

But beginning next week, there will be three nights of

baseball each week. Games are to be played each Tuesday, Thursday and Saturday until the season ends July 13.

This will be the first time that Saturday games have been played as a part of the regular schedule. Officials felt that by arranging Saturday games, the schedule could be completed without as much difficulty as has been encountered in the past.

Managers of Little League teams this year will be R. J. Van Liew of the Cubs, Jack Holder of the Indians, Dub Hudgins of the Giants and Jack Lowe of the Yankees.

The baseball program is being sponsored by the Plains Lions Club. Team sponsors have not yet been announced.

Gayle Craft is president of the league, Umpire-in-chief is Buddy Hanna. Scorers will be C. J. Coffman and Johnnie Moore.

The concession stand will be operated by the Lions.

NUMBER 21

County Voters to Help State Elect New Senator

OPEN SOON---What better way to signal the start of the long summer holiday than the appearance of three children and a swimming pool. These youngsters, children of the Rev. and

Mrs. Johnnie Moore, are anxious for the pool to open. Come Saturday and the pool will be open for the summer. From left the children are Cheryl Kay, John David and Melody.

Little Interest Shown Here in Special Runoff

Yoakum countians help the rest of Texas elect a United States senator Saturday in the runoff election between conservatives William Blakely and John Tower.

Polls here open at 8 a. m. and close at 7 p. m. Absentees balloting ended Tuesday.

There seemed to be little interest in Plains in the election, which will decide a successor to Lyndon Johnson. Neither candidate has campaigned here and neither has much of an organization working in his behalf. Because of the lack-luster interest, a vote turnout equalling the April 4 primary figure of 947 would be considered good.

As in the first election, both candidates are running without party labels. But Tower, who ran on the Republican ticket in last November's general election, is an anti-New Frontiersman and was a supporter for Richard Nixon in the presidential campaign. Blakely, who has picked up a good bit of support from Democrats who felt that their party has been too liberal, does not hide the fact that he is a Democrat.

Those who take an interest in how the county votes may have some fun in watching Saturday's election returns.

Tower as the only avowed Republican among the major contenders in the first election, led Yoakum County by a pretty healthy margin, but still he polled less than 35 per cent of the total vote.

Blakely, now filling the senate seat on appointment from Gov. Daniel, was a distant fourth in Yoakum County balloting April 4. Because of this county's Democratic history, he must be conceded a good share of the support which went to Jim Wright and Will Wilson, both of whom beat him here.

Plains voters endorsed Wright in the first election, the Fort Worth congressman carrying all four local boxes. But Tower strength was evident here, although not as noticeable as in Denver City where the Republican candidate led all three polling places.

Lessons Planned Later

Swimming Pool Opens Saturday

School is out. The weather's hot. The days are long.

This means it's swimming season and the Yoakum County Swimming Pool in Plains will open at 1 o'clock Saturday afternoon and then be open each day throughout the summer.

Foye Flood, pool manager, announced that the pool would be open from 1 to 6:30 p. m. each day except Sunday and Monday.

The Sunday schedule will be from 1:30 to 6 and the Monday schedule will be 1 to 5.

The pool will be drained each Monday.

Life guard this season will be J. B. Wilson.

All county school children are admitted to the pool free of charge. Adult admission is 35 cents. Out-of-county students are admitted for 15 cents.

Flood said that children under 6 will not be allowed in the pool unless accompanied by an adult. There is no charge, however, for those under 6.

Reservations of the pool for private parties may be made

through Flood. Parties must be held after regular pool hours.

Tentative plans call for swimming and diving lessons to begin June 12. Todd South-

ern will be instructor. Southern is qualified to teach advanced swimming as well as diving. More details concerning lessons will be announced later.

Baptist Church Bible School Begins Monday

Vacation Bible School begins at the First Baptist Church of Plains Monday, May 29 at 8:30 a. m.

The school will be held from 8:30 till 11:30 each day, Monday through Friday and then on the following week on Monday through Wednesday, June 7.

Closing the school will be commencement exercises on Wednesday evening at 7:30.

Superintendents of the various departments of the school are as follows:

Intermediate, Mrs. S. L. Tingle; Junior, Mrs. Nell Duff and Mrs. C. J. Coffman; Primary, Mrs. Roger Harvey; Beginners, Mrs. Phyllis Addison; Nursery, Mrs. Mary Nabors, Mrs. Preston Murphy and Mrs. H. M. Smith. Mrs. Olan Edwards is in charge of the refreshments for the school. Mrs. Janell Pierce is pianist and the Rev. C. J. Coffman is principal.

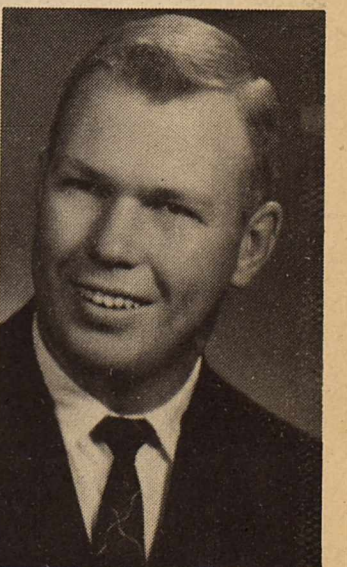

Powell to Get Degree Monday

Dallas Powell, son of Mr. and Mrs. Bill Powell, will receive his bachelor of science degree in animal husbandry at Texas Tech Monday.

Powell has been active in various activities and organizations while at Tech. He has been president of the Block and Bridle Club, an organization for animal husbandry majors; a member of Alpha Zeta, honorary fraternity for agriculture students, member of the Agricultural Council and the Student Council.

Last fall, the Plains student was selected as one of the 30 students from Texas Tech for Who's Who in American Colleges and Universities. He is a member of Phi Kappa Phi, an honorary scholastic fraternity which includes the top 10 per cent of the entire graduating class. Recently, he has been selected to "Tech Salutes" and was named "Aggie of the Month" for May. After graduation, Powell plans

to do graduate work at Tech toward a Master's degree in the field of nutrition and meats. He will be employed by the Animal Husbandry Department as livestock and farm superintendent.

Church Sells Subscriptions

Members of the First Christian Church this week began selling subscriptions to the Plains Record in an effort to raise funds for the church's building program.

Before the subscription campaign closes, the group hopes to contact most families in the Plains-Tokio-Bronco area.

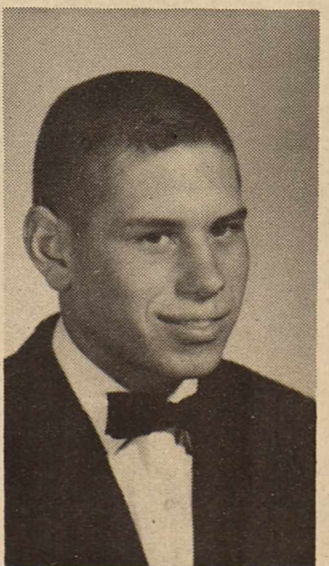

Wendell Faight, Record publisher, explained that the purpose of the drive was to give everyone in the area an opportunity to subscribe to the newspaper.

"Our main objective is to reach those former subscribers who just haven't had the time to renew. Dozens of them have told us to come by, but we

haven't been able to do so until now.

"In a drive such as this, it will be impossible to set up a system whereby we do not make calls on many of those who already are subscribers. Those falling in this category are requested to tell the campaign workers of their status. Workers have been instructed to concentrate their efforts on non-subscribers and those whose subscriptions will expire within the next few weeks."

A percent of the money for each subscription sold is earmarked for the building fund of the First Christian Church. The exact amount varies, but ranges from 50 cents to \$1 on a \$3 subscription.

AWARD WINNERS---These three Plains students were singled out for special recognition during graduation exercises held Friday and Tuesday nights. At left is Leta Stewart, winner of the high school band award and also of the citizenship award. Jack Meixner, center, was winner of the high school citizenship award. Jana Gyen Warren, right, was named junior high school's top band student.

SMALL TOWNS LOSE

According to their announced intentions, 26 of this year's high school graduates at Plains plan to attend college. The number may shrink to 20 or less by the time September rolls around. But even at that, it would be a healthy sign indeed.

Suppose 20 do attend college, and suppose half of this number go on to get degrees. It would speak well of the Plains school system and the community atmosphere which influenced these 10 students.

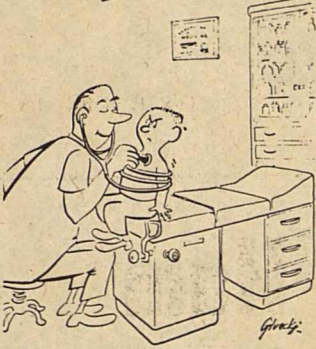

But it would mean that Plains probably would say good-bye forever to 10 of her most gifted students. History certainly bears out the fact that very few college graduates return home. Larger cities offer much greater opportunity, despite the fact that the students themselves would prefer to come back home to live.

Small communities which do such excellent jobs in providing their youngsters with an education fail to reap the ultimate benefit by failing to provide places for them. In a sense, we are a minor league team training major leaguers for Lubbock, Dallas and the like.

It would be foolish to think that Plains or any small city could ever offer the same opportunity which is available in larger places. But it's even more foolish to adopt the attitude that there is no way to improve our situation.

LEGAL NOTICE
REGULATING THE KEEPING OF DOGS IN THE CITY OF PLAINS; PROVIDING FOR A LICENSE AND TAX; PROVIDING FOR THE VACCINATION OF DOGS; PROVIDING FOR A DOG POUND; PROVIDING FOR THE REDEMPTION OF DOGS AND THE DISPOSAL THEREOF IF NOT REDEEMED; AND PROVIDING FOR THE VIOLATION OF THIS ORDINANCE; AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF PLAINS, TEXAS:

SECTION 1. Providing for Dog Tax and Vaccination: That there is hereby levied and assessed upon each dog, male or female, kept or owned within the City of Plains, Texas, an annual tax of \$2.50 on each male dog and \$2.50 on each female dog, which tax is due and payable on the first of January of each year and it is hereby made the duty of the owner or keeper of any dog male or female to pay over to the Chief of Police or his duly authorized agent the said tax on or before the first day of January of each year.

SECTION 2. The Mayor shall collect or have collected under his supervision all dog taxes, and he may employ a special officer to be known and designated as the Dog Catcher, whose duty it shall be to carry out the terms and provisions of this Ordinance and the Mayor shall be authorized to pay unto the Dog Catcher a commission on all dogs impounded the amount of \$3.00 per head. The City Clerk shall be responsible to the City of Plains for all money collected under this ordinance and shall make monthly reports in writing of all money collected under this Ordinance to the Mayor and shall pay over to the City Clerk for deposit with the city treasurer all money so collected at least once a month.

SECTION 3. Upon payment of said tax, the Mayor or his duly authorized agent shall furnish the owner or keeper of said dog or dogs with a tag on which is stamped the number of registration with the year for

which tax is paid, which tag the owner or keeper shall attach to a collar securely fastened around the neck of such dog, male or female, and no dog shall be allowed to run at large without the proper tag attached to the collar around the neck of said dog. In no event shall the Mayor or his duly authorized agent issue a license tag to any owner or keeper of a dog, male or female, unless and until such owner or keeper shall furnish a vaccination certificate issued by a licensed Veterinarian stating that such dog or dogs have been vaccinated against rabies by him.

SECTION 4. All dogs within the City of Plains, Texas are hereby required to be vaccinated against rabies by some licensed veterinarian on or before May 20 and each year thereafter and it is further provided herein that every Veterinarian who vaccinates any such dog, either male or female, within the City of Plains, Texas, shall collect his fee for same from the owner of the dog and shall issue a certificate of vaccination to such owner, stating the name of the owner, a brief description of the dog, the date of vaccination and the fee collected by him for same; provided however, that the fee charged by such Veterinarian for such vaccination certificate shall not in any case exceed the sum of \$2.50.

Whenever any person has complied with the provisions of the preceding sections and the said dog tax is lost or otherwise destroyed, it shall be the duty of said owner or keeper of said dog to procure another tag from the City Clerk by paying the value of said tag and all costs that may have accrued as hereinafter provided.

SECTION 5. It shall be the duty of the Dog Catcher or his authorized agent to capture and impound in a pen to be provided by the Council of said city for that purpose and called the "Dog Pound" and any dog, male or female, found running at large within the City of Plains, Texas, without a tag, as provided for under the terms of this ordinance and if such dog, male or female, is not redeemed and reclaimed and taken from said pound within the time required under the provisions of this ordinance then the Mayor shall advertise said dog for sale twenty four hours by posting one notice of said sale at the door of the city hall, which notice shall give the time and place of sale and shall, if not redeemed, sell said dog, male or female at public auction and if no one shall bid upon the same, the amount of charges due on said dog, the said dog shall be bought by the city at once and killed by the Dog Catcher or his duly authorized agent.

SECTION 6. (a) The Owner and keeper of any dog or dogs captured or impounded under the provisions of this ordinance shall be permitted and allowed at any time within seventy-two hours after such dog or dogs shall have been impounded, to redeem, reclaim and again receive possession of said dog or dogs, upon payment to the Dog Catcher or his duly authorized agent, the sum of \$3.00 plus \$1.00 per day or fractional part thereof during which time said dog or dogs may have been impounded for every such dog so impounded which sum so paid to him shall by the Dog Catcher be paid over to the City Clerk for deposit with the Treasurer for the use and benefit of the City as well as all other money received by him under the terms of this ordinance.

(b) Should the owner or keeper of said dog or dogs, male or female, fail to redeem the same as provided for in paragraph (a) of this section within the seventy-two hours then said dog or dogs shall be advertised and sold or killed in the manner provided for in this ordinance. It shall be the duty of the Mayor and duly authorized Dog Catcher to see that the terms of this ordinance are strictly enforced.

SECTION 7. The Dog Catcher and any policeman of this city shall have the right to shoot or kill any rabid dog or any dog in the streets which shall manifest a disposition to bite.

SECTION 8. Any dog which is tagged and shall become a nuisance or menace to the neighborhood shall be required to be chained or penned upon the filing of a complaint with the City Clerk by anyone so annoyed. Owner of said dog, if refusing to comply with order to confine dog, shall be liable

to a fine not to exceed \$50.00.

SECTION 9. That any person who shall wilfully take from any dog a collar or tag shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not to exceed \$100.00.

SECTION 10. Any person violating any provision of this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding \$100.

SECTION 11. All ordinances in conflict herewith are hereby repealed and the City Secretary is authorized to so note in the margins of the ordinance books that said ordinance or ordinances have been repealed.

Passed and approved this the 9th day of May 1961.

TO TEXAS FARMERS . . .

BILL BLAKLEY pledges to stem the tide of imports

HE not only CARES . . . HE ACTS!

From the vast high plains to the lush blacklands . . . from the rich red fields to the grandeur of the Valley — the agricultural industry of Texas groans under the crushing flood of foreign imports — and calls for help.

Senator Blakley hears the call. He pledges a fight to stem the tide of goods and garments rolling into this country which cost thousands of Texans their livelihood.

He has asked President Kennedy and other federal officials to act in behalf of the distressed cotton textile industry and its employees. Cotton goods and finished articles made with cheap labor are causing extensive damage to the garment manufacturing industry in Texas, as well as the mills.

Wheat, beef and sugar imports are also weakening our economic structure. Senator Blakley has pledged a fight to change the policies which result in the export of American dollars as well as jobs.

HE URGES OTHER SPECIFIC ACTION:

Sugar — Senator Blakley is taking an active part in sponsoring a bill to lift restrictions on sugar beet acreage, and requesting 40,000 additional acres for Texas. New opportunity for people and industry.

Sensible Farm Program — Senator Blakley pledges a fight to return to the farmers control of their farms, their lives, their futures. A farm program developed by farmers, for farmers — not one developed by politicians. Senator Blakley knows agriculture is the backbone of Texas. He is a farmer and a rancher. He is a director of the Texas Research Foundation at Renner, which has found new crops for Texas and greatly improved others. Further proof of his intense interest in agriculture.

U. S. SENATOR
BILL BLAKLEY
Creative Conservative

Senator Bill Blakley's ACTION PROGRAM

SPACE URGENCY: America must gain supremacy. We must be masters of our own destiny. Freedom at stake.

SENIOR CITIZENS: A \$600 annual earnings increase — \$1,200 to \$1,800 — under Social Security. Higher income opportunities.

SOCIALIZED MEDICINE: Neither free nor practical; too costly in disappointment. A failure everywhere tried.

YOUTH EDUCATION: Over \$100 Million annually in home-rule aid for public schools from federal income taxes returned to state.

PARENTS' RELIEF: Income tax exemption boosts of \$400 for each child in high school; \$1,200 for each in college. A tax break.

TEXAS OIL: A 50 percent reduction in foreign oil imports. Retention of 27½ depletion allowance. Industry must grow.

FREE AMERICA: Connally Amendment to World Court must be kept. United States must maintain its sovereignty without question.

WORKING PEOPLE: Right to organize and bargain collectively, yes; but no one required to join and pay dues for right to work.

FISCAL POLICY: Deficit financing and national debt increases must stop. Balanced budget. Sound dollar. Controlled spending. Taxes too high.

STATES RIGHTS: Legislation urgently sought to prevent Federal courts from infringing on matters that concern the states alone.

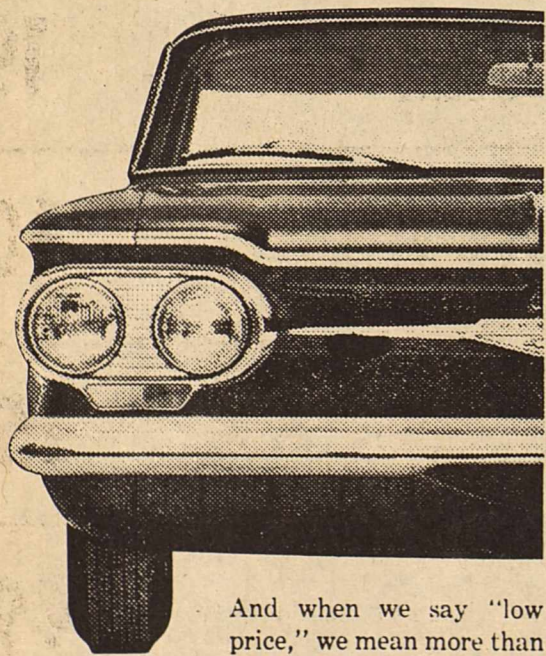

FARM PROGRAM: Freedom of development by farmers themselves — not by politicians. Farmer is backbone of free enterprise.

SMALL BUSINESS: Independent banking system for loans at reasonable rates of interest. Full protection. Freedom to prosper.

LOW PRICE IS ONLY HALF THE STORY

(The other — and even more satisfying — half you'll discover the first time you drive a Corvair!)

And when we say "low price," we mean more than merely the pint-sized figure on the window sticker of a new Corvair. You're going to be saving like sixty on gas. And on the antifreeze you won't buy next winter, and the radiator repairs you'll never have to pay for. About the only things Corvair doesn't skimp on are room, smoothness, style and pure driving joy. But that's the other half of the story. Talk to your Chevrolet dealer about it soon!

Melvin Lowrey Heads 4-H Club

Melvin Lowrey was elected president of the General 4-H Club when that group met Tuesday evening. Election of officers was just one of several business matters taken up by the club which voted to hold summer meetings on the first Friday before the second Saturday and the fourth Monday of each month. Marsha White reported on the council delegate meeting held recently in Brownfield. The group discussed the coming workshop to be held in Leveland and the leadership camp to be in Lubbock.

16 Get Attendance Awards

Sixteen Plains junior high school students received perfect attendance certificates Tuesday night during promotion exercises. The honored group included those who had been neither absent nor tardy during the entire school year. Superintendent G. D. Kennedy presented the awards to the following students: Rodney Trout, Gilbert Lee Crawford, Linda Harbour, Pam Randolph, Billy Taylor, Charles Upton, Jack Lowe. Linda Hinkle, Bobby Taylor, Dennis Crutcher, Gail O'Neal, Clarence Ray Gayle, Beverly E. Jones, Robert Jones, Trixie Beggs and Sam Williams. Jana Gye Warren, daughter of Mr. and Mrs. James Warren, was presented with a certificate in recognition of her selection as the outstanding band student. Other awards passed out included scholastic certificates to Sarah K. Field and Sylvia McGinty, valedictorian and salutatorian, respectively. "Reading proof on an editorial I found that my finger on the typewriter keyboard had birthed an appropriate new word: 'government.'" J. D. Blizard, Dillon (S. C. Herald).

For Want of a Nail

*For want of a nail, a shoe was lost;
For want of a shoe, a horse was lost;
For want of a horse, a rider was lost;
For want of a rider, a kingdom was lost.*

Through the centuries this bit of philosophy has been used to bring home a fact we've all observed... how an insignificant event can lead to more and more important occurrences... and eventually to great calamity... or to great good.

▶ The casual purchase of a pair of shoes... a garden hose... an occasional chair... a tube of toothpaste... multiplied thousands of times... is the base upon which the prosperity of every community is erected.

▶ Better paying jobs, more profitable business, more valuable property... better schools, stronger churches, fuller living... depend on these thousands of little transactions... each

one important as each brick is important in a great structure, and as the fabled nail was important to all the people of a kingdom.

▶ One drop of water out of the ocean makes it a smaller ocean; every penny of local money that is spent in some other town makes this community smaller and less prosperous... and every penny that is spent here at home means a little better place to live for all of us who make our homes here.

Double-ring wedding vows were exchanged by Miss Sheron Ann Smith and Lanny A. Smith at 6:30 p. m. Sunday in the Plains Methodist Church. The Rev. R. H. Meixner officiated. The wedding was the first in the new sanctuary of the church. Parents of the bride are Mr. and Mrs. Gene Smith and the bridegroom is the son of Mr. and Mrs. L. O. Smith. Mrs. Melvin Stewart of Stanton, aunt of the bride, provided the traditional wedding

music. Mrs. Jesse Hale was soloist. Given in marriage by her father, the bride wore a gown of Chantilly lace and nylon organza featuring a portrait neck line and brief sleeves complemented by short sleeves. A sheer yoke enhanced the lace bodice which was embroidered with sequins and seed pearls. The bouffant skirt of organza was fashioned with hour glass panels of lace caught by small bows terminating in a chapel length train. Her fingertip veil of silk illusion fell from a crown of peralized orange blossoms. She carried a cascade arrangement of white stock on a white net fan.

Miss Karen Shobert of Albuquerque was maid of honor. Bridesmaids were Miss Donna Borland of Plains and Mrs. Leland Ellison, sister of the bridegroom. They wore identical street length dresses of talisman polished cotton with scoop necklines, tiny sleeves and cluster pleated bouffant skirts. Their headpieces were matching bandeaux and they carried cascading bouquets of white gladioli on lace and net fans.

Clifford Anderson served as best man. Groomsman were Bowen Stephens of Lubbock and Leland Ellison, brothers-in-law of the bridegroom. Guests were seated by Melvin Stewart of Stanton and Robert Elliott of Stephenville. Kathryn Smith, sister of the bride, and Gerald Smith, the bride's cousin, were candlelighters. Dana Smith of Seminole, also the bride's cousin, was flower girl. A reception in the Legion

Hall followed the ceremony. Members of the house party were Misses D'Lois and D'Lynn McGinty, Mrs. Clifford Anderson and Mrs. Billy J. Smith. For the wedding trip the bride chose a beige suit of silk linen with straw and patent accessories. She wore an orchid corsage.

The couple will be at home near Plains where Smith is engaged in farming. They are graduates of Plains High School and the bridegroom attended Texas Tech.

A VOTE FOR JOHN TOWER on Saturday, May 27 IS A VOTE FOR:

- Conservative Government — a realistic understanding and treatment of the fiscal problems now facing the Federal Government.
- Minimizing Federal Controls — John Tower believes in maintaining a government of the people not over the people: He believes local problems regarding schools & economic conditions should be governed and controlled by the citizens who must live with these conditions.
- A Full Time Senator — Unlike his opponent, John Tower will devote full time to his duties as Senator. John Tower feels a representative of the people should be seen and heard in Washington . . . Regularly!

MR. JOHN TOWER
 Wichita Falls
 Candidate For U.S. Senator

John Tower has the highest type of morals having been born the son of a Methodist preacher and the grandson of a Methodist preacher. He is on the Board of Stewards and is a Sunday School Teacher of the First Methodist Church in Wichita Falls.

He is a Naval Veteran, father of three girls, and a teacher of Political Science at Midwestern University in Wichita Falls.

We as Americans need men like John G. Tower . . . whose conservative philosophy will safeguard our freedom!

We as Texans need men like John G. Tower . . . who will fight to protect the rights and privileges of our great State!

Club Reviews Colorful History

Tsa Mo Ga Club members honored Mrs. A. E. Boyd of Plainview, President of Caprock District, TFCW, at a buffet salad supper Monday evening at 8 p. m. in the club house. Mrs. R. N. Tipps, Denver City, 2nd vice president of Caprock District, TFCW, was also a guest.

Pink roses entwined with the club flower, pink and orchid sweet peas formed the center piece on the buffet and banquet tables.

Mrs. Garland Swann presented Mrs. Boyd with a money corsage at the beginning of the program. The Socio-Drama "The Tsa Mo Ga Saga," the 25 years of Federation was written in rhyme by Mrs. R. B. Jones and pre-

sented with the help of the following club members: Mrs. R. K. Field, Mrs. J. P. Robertson, Mrs. P. W. St. Romain and Mrs. Garland Swann. Mrs. R. K. Field said "The Tsa Mo Ga Saga" listen fellow club members and you shall hear the Tsa Mo Ga Saga, including this year. In Texas, way out on the northwest edge, lies Yoakum County, on the Caprock's ledge, where golden oil flows, and cattle are grand, irrigation and farms, fast taking the land. Plains, the town a first frowning county seat, Tsa Mo Ga, the club with records hard to beat, was quoted by Mrs. R. K. Field.

The men of Plains and all

around and about, are so proud of the women they could shout. Since they federated the club, the Tsa Mo Ga, home, now is happy, more like Shan-grila. Their wives are interesting, gracious and kind, not concerned with trifles, only improving the mind, said Mrs. J. P. Robertson.

Twenty-five years ago, we formed this organization, following the fine plan of federation. Conservation, education and fine arts, every member each year bringing their parts. Home Life, International Clubs with their cares. Our Texas Heritage, the most favored yet, all covered by programs we will not forget, quoted by Mrs. R. B. Jones.

Presidents who have served, let's start with the first, almost deserving leader, Mrs. J. W. Hayhurst, then came Blankenship, Mabry, Powell and Bookout, Jones, Light, Elliot, St. Romain, all most devout, Luna Payne, then two Madams Robert and Ty Field, McCargo, so recent, her record proudly revealed. All join hands to form an enduring bond, to present our President, Mrs. Garland Swann, said Mrs. P. W. St. Romain.

Mrs. Garland Swann said together we have worked Federation's goals to attain, with projects, good programs, mindful to report the same. This program marks the last of the work for the year. We are happy that you came, very glad you are here. For, this evening we present with love and much ado, Our Own Caprock District President, Mrs. A. E. Boyd of Plainview.

In addressing the club members on Federation, Mrs. Boyd commended the Tsa Mo Ga Club for the work they have done in each phase of Federation work and how wonderful it was to find a group of responsible and responsive women who were holding true to their club name which means, "The Chief or Highest," an Indian legend.

Mrs. Boyd urged club members to attend the General Federation Convention in Miami, Fla., June 6-8 and that a chartered bus would leave Austin with Texas club women.

Mrs. Boyd told of the progress of Girlstown, Whiteface, since the recent change of director and board members. She stressed that the Caprock District had chosen to furnish needed outdoor recreational equipment as its district project.

Mrs. Swann presided at the business meeting at which plans were made to have the club house repaired and sidewalks laid during the summer months. Also, a \$25 contribution was

would allow about four more refineries, with a good possibility that one would be in Texas.

Already, the group feels sure that beet growers will be allowed a 6.7 per cent increase. This is the amount it will take to care for the natural population growth of the country.

The growth increase would allow enough extra production to erect one refinery a year.

Nance expressed his appreciation to Congressman George Mahon for his efforts in assisting the group while in Washington and also for his assistance from the beginning of the local beet movement.

Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.
