

MOORE Or Less

by Johnnie Moore

"Do you believe that Western Christian civilization will survive to the year 2,000?"

Of a group of suburban housewives contacted in a special poll, 100 per cent said "yes." "How" was another matter. In the same poll, the women were asked to say whether they felt nuclear attack on this country was (1) impossible, (2) unlikely, (3) possible or (4) probable. 82 per cent chose "possible," while the remainder said "unlikely."

Asked what they would do if given two hours' attack warning time, 76 per cent gave answers reflecting some knowledge and forethought. Only six per cent said they would try to get out of town. Most said they would snatch up canned goods, water and children and head for a basement or some other "safest area." Remaining 24 per cent said they had no idea what they would do.

Asked what they would do if they had only 15 minutes' warning time, 64 per cent said they would take whatever shelter was available as quickly as possible. Other 36 per cent gave answers such as "panic," "pray" or "nothing."

Asked if they felt the country's present civil defense preparedness was adequate to enable the country to survive nuclear attack, 100 per cent said "no." Asked if they felt it could be done, 78 per cent said "yes." Remainder expressed some doubt.

Some volunteered suggestions such as, "The government encouragement for shelter building."

The women questioned do not constitute what professional pollsters would call a "true sample," with a proportionate combination of ages, sexes and socio-economic groups. It was made entirely among housewives in one of the "better-off" neighborhoods of a medium-sized Texas city that is regarded as a target area. It was heavily and purposely weighted toward people in the responsible "middle-years," people with minor children at home and people who could normally expect to live to the year 2,000.

Almost all evidence concern about civil defense, and none refused to answer the questions. A number asked where they could get information; others said, "I've been meaning to read those pamphlets that I got awhile back."

All were required to answer immediately without time for thought or research.

Purpose of the poll was not to jar anyone into action nor to gain any accurate statistical measurement of civil defense home preparedness. It was to try to develop some feeling as to the answer to the question of our time: "Will we survive?"

Arnold Toynbee, the eminent British historian, lists 21 civilizations known to have existed since man took charge of the earth. Of these, 16 have passed away. Only five remain, of which ours is one.

Mr. Toynbee further believes that civilizations are born, develop and continue to flourish as a result, not of ease and security, but of the response that is stimulated by harsh, threatening circumstances. He also suggests that civilizations can be "spoiled by success" so that they "rest on their oars" and fail to respond to meet challenges.

Whether we as a people are responding adequately to the threat of our day is an open question. You might make your own poll and draw your own conclusions.

There is an old tale of how a crab reacts to the problem of having one claw staked down to the ground so that he can't move. According to the story, if the crab is confronted with some sharp and obvious danger, he will pull loose and save himself, even if it means tearing off a claw.

But if the crab is faced only with gradual starvation, he will stay where he is -- and die.

Carnival Shows Chamber Profit

Mollie Courtney, secretary of Plains Chamber of Commerce, reports that the Chamber did very well with the Lone Star Amusement's carnival which

Civil Defense Plans Moving Along

Sticker Safety Time

AUSTIN--Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, suggested today the start of fall "is an excellent time to have motor vehicles safety inspected" in preparation for hard winter driving.

The new 1962 Texas Vehicle Inspection Sticker is now available at the 5,000 official inspection stations in compliance with orders issued by the Texas Public Safety Commission. The order states that all vehicles coming under the provisions of the Vehicle Inspection Act must display the new sticker by April 16, 1962.

Garrison said that during the past three months mechanics at inspection stations over the state have undergone an intensive training program on the inspection of vehicles under the law.

"There have been no changes in the Inspection Law from last year," he explained, "but we have re-examined every mechanic in the program to be certain he knows the procedure."

The DPS director noted that since the beginning of the inspection program 10 years ago, vehicles having a defect that was a causative factor in motor vehicle accidents have steadily decreased.

Safety stickers may be obtained locally at Tingles Garage, west of Plains on the Lovington Highway.

Approved Defoliants Announced

The Extension Service Personnel now have the latest information on approved defoliants and desiccants for use as the harvest season of this year's crop draws near.

Users of defoliants and desiccants should be cautioned to read, study and follow labels. Harvest-aid chemicals have been subject to regulation under public law since March 6, 1960.

The use of arsenic acid, pentachlorophenol and cyanamid dust have all been approved for use this year. Proper use of these harvest-aid chemicals can greatly affect a producer's crop and all farmers are urged to check on any chemicals used and time of application adhered to.

Cotton producers and ginners are cautioned about the new cotton trailer law that will be in effect this season.

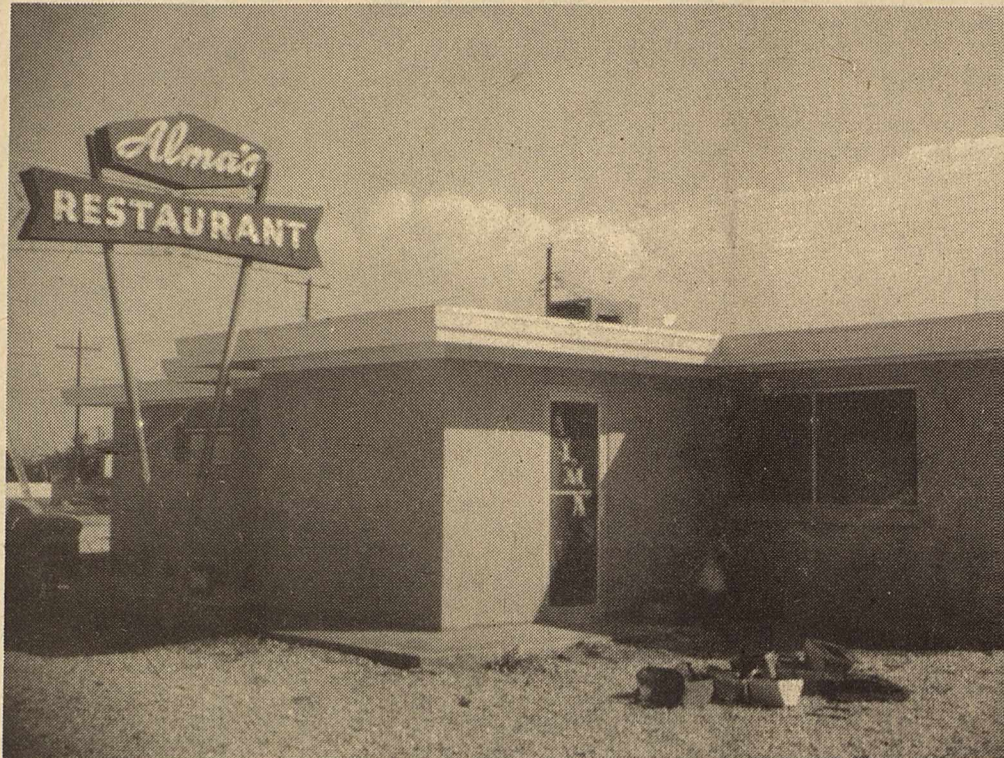

Trailers used on public highways are required to have licenses if the gross weight is above 4,000 pounds. Also minimum requirements as to lights and reflectors are two red reflectors on the rear of the trailer plus a burning red light visible for 500 feet plus a red stop light, if the stop light on the towing vehicle is not visible.

Other requirements set forth for all trailers call for two red clearance lights on the rear plus two amber reflectors on the sides near the rear.

Most officials feel minimum requirements will be sufficient on cotton trailers.

The law also provides a 30-mile-per-hour speed limit.

Never lose an opportunity to see anything beautiful. Beauty is God's handwriting.

ALMAS TO REOPEN -- Almas Restaurant recently ruined by an arsonists blaze, plans to reopen very soon. It has only been a little over three weeks since the Sept. 6 fire forced the closing and remodeling of the cafe.

Cancer Society District Meet

More than seventy-five representatives of county units will hear a report on research progress at the annual meeting of District 2 of the American Cancer Society being held October 5 in Lamesa.

Dr. Jarrett E. Williams, Abilene Pathologist who is a member of the Board of the Texas Division of the Society, will report to delegates from the twenty-county area on significant developments in the cancer research areas of viruses, immunology, environmental agents, and chemotherapy.

This is one of sixteen meetings throughout the state which will bring together more than 1,200 volunteer leaders of the county organizations of the Society. Delegates at this meeting will also elect three directors to represent the district on the Texas Division Board of Directors.

Present District Directors are Mr. Clayton Williams, Sweetwater, Texas, Mrs. Harry J. Russell, Midland, Texas, and Noble H. Price, M.D., Lamesa. Attending the meeting from Yoakum County will be Mrs. Jesse Allen, Mrs. Morris Lowe, Mrs. Carroll Vernon, Mrs. B. J. Smith, Mrs. Gene Payne and Mrs. P. W. St. Romain.

Weed Control Studied By Dirt Gardeners

The Plains Dirt Gardeners met in the club room Sept. 21, 1961, with 27 members present. Seven visiting ladies were Mrs. J. A. O'Neal, Mrs. Earl Krieg, Mrs. Wanda Ashburn, Mrs. Nora Lou Marshall, Mrs. Shlela Stephens, Mrs. Sandra Ellison and Mrs. Burke, mother of Mrs. A. H. Bacon.

Mrs. L. O. Smith gave a few suggestions about the coming years work while she passed the year books to each club member.

Mrs. Burve Overton discussed and illustrated materials for corsages. Mrs. Duke gave a brief lecture on design in corsage creation and D'Lois McGinty discussed mechanics for corsage making.

The Dirt Gardeners plan a continuation of Clean-Up Campaign to help control the tumble weeds about town. The control of weeds will help eliminate so many of the disease carrying insects. Mosquitoes, Blister Bugs, and other insects, also make a less likely place for rattlesnakes to hide.

Let's make our town as clean and safe as possible. Each club member is to make a corsage to enter in the

Cancer Society District Meet

Committee Confers With T.E.C.

Native Mexican labor as well as braceros will be available to harvest the cotton crop representatives of Texas Employment Commission told a local committee here Tuesday.

Garvin C. Wilkes, office manager at Lamesa, and Joe B. Spears, in charge of the Brownfield office, were here to review an analysis of the labor market for the area, to try to anticipate the labor needs for the fall, and to discuss any labor problems that may have developed.

Mr. Spears local people labor will be sent this way as needed, reaching a peak through the month of October. He said the labor forces available shows a slight decrease but not anything to be alarmed about.

The two men assured the local committee they would be ready and willing to help out with any labor problems that may arise during the fall.

They said that Guy Britton, Terry County farmer, has been employed to make interviews of farmers on the wage survey this fall in Yoakum County.

It is very important to the farmers, both Wilkes and Spears said, that farmers cooperate to the fullest in giving information required in these surveys. In fact, cooperation is all to the advantage of the farmer. A few farmers in the past, they said, have been reticent to give out information to the survey taker.

Mr. Spears said the farmer may be assured that his name (Continued on last page.)

Lions To Hold Broom Sale

President, James Warren, announced this week that Plains Lions Club will conduct its annual Broom Sale on Saturday, Oct. 2.

The truck containing the brooms, mops, and many other household items will be located just south of the old courthouse all day. Solicitation will be made by the Lions directly from the truck, and there will also be a house to house sale on the same day beginning at 4 p.m.

Chairman for the broom sale this year is Leo White, Yoakum County Agent. White stated that duty rosters are being sent to all members of the Lions Club. Products sold at these sales

Committee Confers With T.E.C.

Local FFA Member Attends Show

Cote Trout a member of the newly established Plains Chapter of the Future Farmers of America will represent his chapter this week in the 19th annual Hockley County Fair.

Trout a local breeder of registered sheep carried a show string of 14 head consisting of four breeds to the show.

In the ewe division, Trout showed the first and second place mature medium wool ewes. In the Southdown ewe division he showed the fourth place yearling ewe, the fifth, sixth and seventh place mature ewes.

Trout's yearling fine wool ram placed first. Trout received first place on his Shropshire ram lamb while placing second with his mature Shropshire ram. Third place honors also went to his mature Southdown ram.

Monday night, Oct. 2 at 8 p.m. F.F.A. will elect their Queen.

Local Lions Club will receive 40 per cent of the proceeds for their general fund, which is used for such things as Little League, Boy Scouts and many other worthwhile activities.

Lions To Hold Broom Sale

Plains Cowboys face another class A toughie this week as they travel to Sudan to play their pride the Hornets.

Sudan has six starters back from last years team, with their quarter back, J. A. Wingo, weighing 170 pounds their right end, Jimmy Ford, weighing 190 pounds and right tackle, Dale Masten, 185 pounds, showing up outstandingly so far this season.

The Hornet line averages about 172 pounds and their back field about 155. The back field average is a little deceptive, as their running-backs weigh approximately the same as the Cowboys', 145 pounds. The difference is made up by Wingo, the quarter back who weighs 170.

Plains Travels To Sudan

Plains Cowboys face another class A toughie this week as they travel to Sudan to play their pride the Hornets.

Sudan has six starters back from last years team, with their quarter back, J. A. Wingo, weighing 170 pounds their right end, Jimmy Ford, weighing 190 pounds and right tackle, Dale Masten, 185 pounds, showing up outstandingly so far this season.

The Hornet line averages about 172 pounds and their back field about 155. The back field average is a little deceptive, as their running-backs weigh approximately the same as the Cowboys', 145 pounds. The difference is made up by Wingo, the quarter back who weighs 170.

Sudan Hornets' have a record this season of one win, one tied and two lost. They lost to Sundown and Morton, tied Amherst and beat Anton. It is significant that all though, the Hornets lost to Sundown and beat Anton, that Anton defeated Sundown this season.

The Plains Cowboys go into this game with three losses and one win. Their single victory was a very decisive one over the Friona Chieftains, which was 30-0.

Plains line averages out six pounds per man lighter weighing out at 166 pounds.

The Cowboys are traveling to Sudan determined to bring home the bacon, although injuries may do the team some harm this week. Full back, Butch Hawkins probably wont play much because of his leg injury. Royce Chance, halfback has been ill all week and hasn't attended any work-outs. Larry Williams will be unable to play. Dennis Hickman sustained a neck and shoulder injury but will be in there pitching.

Local FFA Member Attends Show

Cote Trout a member of the newly established Plains Chapter of the Future Farmers of America will represent his chapter this week in the 19th annual Hockley County Fair.

Trout a local breeder of registered sheep carried a show string of 14 head consisting of four breeds to the show.

In the ewe division, Trout showed the first and second place mature medium wool ewes. In the Southdown ewe division he showed the fourth place yearling ewe, the fifth, sixth and seventh place mature ewes.

Trout's yearling fine wool ram placed first. Trout received first place on his Shropshire ram lamb while placing second with his mature Shropshire ram. Third place honors also went to his mature Southdown ram.

Monday night, Oct. 2 at 8 p.m. F.F.A. will elect their Queen.

150 Exes Enjoy Dinner

A delicious dinner was enjoyed by approximately 150 Ex-Students and their families Friday evening. The meal consisting of Crispy Chicken, mashed potatoes, blackeye peas, salad and pie was cooked by the Home-making classes under the supervision of Miss Nelson.

After the Plains Wink game

Petition Is Still Circulating

Plans for Yoakum County Civil Defense efforts are going forward at a record pace at present. The organization of a county civil defense unit is underway and is being mapped out and brought into being by Judge Don Hancock, county coordinator, and Dr. W. B. Boyd, county civil defense director.

Plans are to select several committeemen, mainly from the ranks of county officials as they are probably the best qualified citizens in the community for such jobs.

Hancock announced this week that there seems to be some confusion as to the programs of the FHA for construction of fallout shelters. He stated that questions on the subject should be asked and that he would be most happy to attempt to answer any queries.

He stated that there are two programs under which FHA is authorized to guarantee the loans on fall-out shelters, only one of which is actually new.

(1) FHA Title-1 loan is an old program that has been extended to include the construction of fall-out shelters. There are no legal or loan costs for such a loan. The maximum is \$3,500 for a period of ten years at 6 per cent interest.

(2) The new FHA program allowing loans up to \$10,000 for a period of 20 years, with

a minimum loan of \$2,500 for the purpose of a general remodeling of houses, particularly in rehabilitation areas.

Hancock went on to say that the appropriate place to arrange these loans is through any Savings & Loan Association, any record of old builder or any attorney.

As was announced in the last issue of The Record, a petition is presently being circulated in Plains and Denver City asking for the county to finance the construction of fall-out shelters.

One of the two shelters would be located in Denver City, probably adjacent to the Yoakum County Hospital, and the second located in Plains under the courthouse square. In the instance of the Denver City shelter, it would be used possibly as added storage for the hospital and in the case of the Plains shelter, it would probably utilize as extra office space and storage.

The Petition calls for this financing to be accomplished either through the issuance of warrants or through the voting of bonds. The amount called for to run around the \$100,000 mark.

At present, county road-building and excavation equipment is being made available for the digging of excavations in which underground shelters for private citizens can be constructed.

A state-wide civil defense meeting will be attended by Hancock and Dr. Boyd, along with other county officials, including Sheriff V. E. Sanders, and the county commissioners. The meeting is slated for October 13 and 14 in Austin.

The county-wide organization, when completed, will provide a maximum civil defense effort on the part of Yoakum. It is hoped that encouragement and instruction, along with actual assistance can be furnished for the construction of private shelters. Another very important duty of the organization will be the education of Yoakum county citizens as to measures to be taken in case of national emergency.

Yoakum County Savings Bond Chairman D. P. Moorehead is justifiably proud of this Counties record in Bonds purchased for 1961.

The goal set for Yoakum County was \$70,000 for the year. As of the end of August was \$84,444. Of this amount, \$4,012 was purchased during August. This announcement was made today by Moorehead, chairman of the Yoakum County Savings Bonds Committee. The figure sold during the first eight months represent 120.6 percent of the goal for the entire year.

Comparing Yoakum County with other Counties in the State, we find it to be third place, being topped only by Parmer County which has sold 171.2 percent of its goal and Castro County with 122.8 percent.

Bond sales in Texas for the month of August totaled \$12,937,895. Sales for the first 8 months of this year were \$108,261,876, which represents 65% of the Texas 1961 sales goal. August was the 8th consecutive month that Bond sales have shown an increase over the corresponding month of 1960.

"A special Limit Purchase campaign is now under way in Texas. During this extra sales effort, groups such as labor unions, credit unions, pension funds, fraternal organizations, veterans organizations, estates, trusts, insurance companies, and others will be urged to purchase their limit in E and H Bonds." Chairman Moorehead pointed out.

Under recent Treasury regulations any investor other than a commercial bank may purchase E and H Saving Bonds.

At the beginning of the year the church has 423 resident members, 414 enrolled in the Sunday School, 200 enrolled in Training Union, 92 enrolled in the W.M.U. and its youth organizations, 43 men and boys are enrolled in the Brotherhood and Royal Ambassadors.

Sunday night, October 1, the Gideons will have charge of the service. An invitation is extended to the public to attend this meeting. The Gideons place Bibles in Hospitals, hotels, and schools.

The pastor, J. L. Bozeman, will be away in a revival meeting.

Baptists Look For Good Year

The First Baptist Church of Plains is looking forward to a good church year beginning October 1. There are over 100 places of leadership filled by capable men and women of the church.

Mr. Paul Cobb is the Sunday School Superintendent with a staff of 57 workers. Mr. Neil Parks is the Training Union Director with 30 leaders in this organization.

Mrs. W. P. Turner is the president of the Women's Missionary Union. Mr. Rod Duff is the president of the Men's Brotherhood. Mr. Odus Walser is the music director for the church.

At the beginning of the year the church has 423 resident members, 414 enrolled in the Sunday School, 200 enrolled in Training Union, 92 enrolled in the W.M.U. and its youth organizations, 43 men and boys are enrolled in the Brotherhood and Royal Ambassadors.

Sunday night, October 1, the Gideons will have charge of the service. An invitation is extended to the public to attend this meeting. The Gideons place Bibles in Hospitals, hotels, and schools.

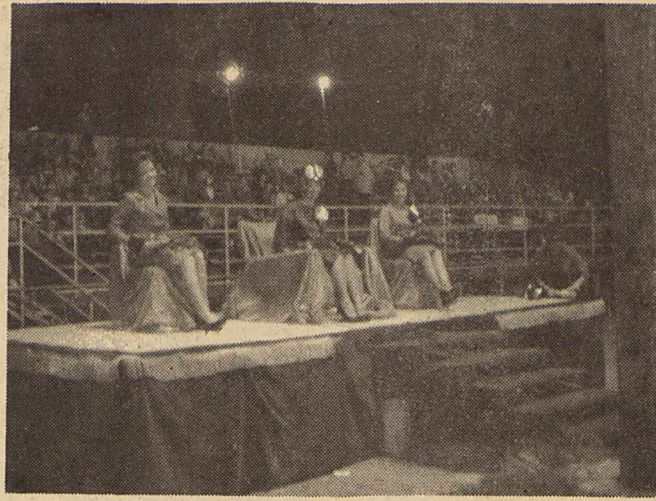

The pastor, J. L. Bozeman, will be away in a revival meeting.

(Continued on last page.)

Two men were discussing taxes and the government's use of money. Just then a school bus passed. "See what I mean?" exclaimed one. "When I was a boy we walked three miles to school and three miles home each day. Now we spend five thousand dollars for a bus to pick up the children so they don't have to walk. Then we spend fifty thousand dollars for a gymnasium so they can get exercise."

QUEEN CROWNED -- Miss Oneta Joe Meixner, daughter of Rev. and Mrs. R. H. Meixner, was crowned Homecoming Queen for 1961 in ceremonies preceding Friday night's game.

At left she is shown being escorted by James Hooper. At right she is shown seated, flanked by Patsy Perrin and Betty Hamm, freshman and sophomore queen candidates respectively.

Tsa Ma Ga Hears "The Battle Ahead"

Tsa Mo Ga Club heard "The Battle Ahead" by C. L. Kay at their "Education COUNT-DOWN" program. Mr. Kay of Lubbock Christian College is vice president for public service and industrial relations. Kay received his BA and MA degrees at Eastern New Mexico in Portales N. M., and has

done additional graduate work at the University of Colorado and Texas Tech. He was appointed dean of student life at LCC while teaching at West Texas State College in Canyon. Kay also served as professor of history and government until his present appointment, said Mrs. Eugene Payne, Jr. in presenting Mr. Kay to club members, honor guests, the Plains School Faculty and visitors from Plains and Denver City. "God Bless America" was led by Mrs. Dorrman Scott, accompanied by Mrs. Payne at the Piano.

"The Battle Ahead" is an age of Problems, speed and confusion," Mr. Kay said. It is an age of "welfare" or "give me." When a man applies for a job, the first question usually is "What do you pay?" very seldom does the person say "I would like to work." This is an age of negative thinking, an age of suspicion and mistrust. Kay said we won't solve our problems today until we remove this attitude of suspicion and distrust. We must worry about the future which is "America."

The future must be faced with confidence if we understand the foundation of our American way of life. America is the fundamental belief of God, the basic and the most important way for Americans. We must be aware of "Socialism, the first step to Communism" which is against Christian Idealism. Socialism is soft, Communism is hard; Socialism is pink, Communism is red; Socialism gets you down bit by bit, by a kind of anesthetic process - it might be called mercy killing; Communism just knocks you on the head. Yes, we are in a great country, big in legend, big in ideals and big in outlook. We must face the future with confidence, faith in God; our Country and our fellow man in order to preserve our American Heritage. We are not put into the world to sit still and to know; we are put in it to act. This is time for decision and action in our nations our state and our home town. If we are to survive this threat of Communism we must harness our intellect in the service of the nation. In this, I challenge you to lead the free, said Kay.

In closing Mr. Kay read the Dean Alfange reading, Challenge to Lead the Free. "America is not just rich in material things, an industrial giant, a mighty military power. America is the country schoolhouse, the village church, the town meeting, the humble farm house, the rhythmic poetry of peaceful country-side. America is the mirth and laughter of its children, the charity, the generosity, the compassion of

its people. America is the triumph of merit and diligence over family and caste. America is the freedom of choice which God intended all men to have - the right to do, to speak, to worship, to dissent, to dream, to build, to fail and to succeed. America is the marriage of liberty with authority, of individual freedom with social organization. America is the discovery yet of a full and honorable way of life. We are rich in all the things that decent people yearn for. It is our task to live up to these values and to make them known to every nation, friend or foe. For on us has fallen the challenge to lead the free. And the truth about ourselves is more powerful than any man-made missile."

Mr. Kay said wouldn't it be good for the world if Nikita Khrushchev could read and understand "Challenge to Lead the Free."

The coffee hour following Mr. Kay's talk was in charge of Mrs. Bill Loyd and her social committee. Members and guests enjoyed the informal visit with Mr. Kay. It is the hopes of Tsa Mo Ga club members that Mr. Kay will give a return performance for the students of Plains School.

BIOGRAPHICAL SKETCH OF C. L. KAY
Vice President for Public Services & Industrial Relations

Mr. Kay was born April 29, 1927, in Beaverdale, Pennsylvania. He attended East Technical High School at Cleveland, Ohio. After one and one-half years in the service, Mr. Kay attended Freed-Hardeman College in Henderson, Tennessee. From there, he went to Eastern New Mexico University in Portales, New Mexico. He received his B. A. degree in 1952 and his M. A. degree one year later. He has done additional graduate work at the University of Colorado and Texas Technological College. He was appointed as Dean of Student Life at Lubbock Christian College while teaching at West Texas State College in Canyon, Texas. He also served as professor of history and government until his recent appointment as Vice President for Public Services and Industrial Relations.

Mr. Kay is a member of the following organizations: South-west Rotary Club in Lubbock; Speaker's Bureau, and Lubbock Christian College's Speaker's Bureau on Americanism. During the past two years, the educator has made over three hundred and fifty addresses to civic organizations, Parent - Teacher's Assoc. Youth banquets, Chamber Commerce banquets, the Texas Press Assoc., the New Mexico State Convention of the Farm Bureau and Livestock Assoc. He is the author of a weekly column entitled, "The Spirit of America."

Mr. Kay was recently awarded the "George Washington Medal of Honor" Award by Freedoms Foundation of Valley Forge, Pennsylvania for his speech entitled "The Battle Ahead."

Protecting Your Motor
Does your outboard motor get scuffed, scarred, or thrown out of adjustment when carried in your car trunk?

Next time out try laying it on an old inflated inner tube. The inflated rubber absorbs the knocks and scuffs, and preserves the finish.

SOIL Conservation NEWS

By Wilson Duke

The Board of Supervisors of the Yoakum Soil Conservation District have announced that a Supervisor's Election will be held on the first week in October.

Purpose of the election is to represent sub-division No. 3 of the District. This portion of the District includes the northwest part of the county. Loren Gayle of Bronco, Texas, is the present supervisor.

Loren says he thinks a night meeting with a short program would be the best way to have the election. The election is the first Monday in October.

The Board wishes to urge everyone to attend this meeting and to assist in the election. Everyone who lives in Yoakum County and owns land within this sub-division is eligible to vote in the election.

Farmers Union Meeting Slated Oct. 3

National Farmers Union is conducting a Regional Legislative Workshop on Tuesday, October 3rd, in Wichita Falls, Texas, at the Holiday Inn Motel, beginning at 9:30 A.M.

This meeting is being held for the purpose of informing and alerting all interested persons to pressing national issues and legislative possibilities. Full dimensions of the new farm measure and its administrative implications will be discussed by top spokesmen from the USDA. In addition, top leadership from the National Farmers Union will accompany National Farmers Union President James G. Patton, to cover various aspects of legislative progress and Farmers Union's efforts in the forthcoming 2nd Session.

Key leadership people from Arkansas, Texas, and Louisiana have been invited to participate in this meeting. Texas being the host state, a large representation from this state is being expected.

For Better Shooting

As you get older, the open sights of your rifle get fuzzier and won't stay on the target. You find yourself missing the target often.

Of course, this can be overcome by using scope sights. But often a scope isn't feasible, or you may not like scopes. So, the next best thing to do is to switch from open to ring, or peep sights. You won't have to squint, and your target is again clear.

Better change the front sight at the same time. Replace with one that has a higher post. Most rifles are drilled to receive peep sights.

Nov. 10—Sundown, H

LETS GO TO SUDAN

Home for the weekend and Homecoming activities were Mr. and Mrs. Joe Cobb and Micheal of Abilene, and Jack Cobb of Lubbock.

Dinner guests in the home of Mr. and Mrs. John Fitzgerald Sunday were Mr. and Mrs. Hollis Cogburn and family from Lubbock.

Naomi Maynard Weds Gene McQuillen

Miss Naomi Maynard and Gene McQuillen exchanged vows Thursday night, Sept. 21, at 8:00 p.m. at Trinity Baptist Church in Denver City, Texas. Rev. C. J. McQuillen, the bridegroom's father, and minister of the Trinity Baptist Church officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. C. C. Maynard, and Mr. McQuillen is the son of Rev. and Mrs. C. J. McQuillen of Denver City.

The white wrought iron wedding arch was centered with white wedding bells and a large satin bow, and flanked on each side with slanted candelabras

which held 12 white tapers. The archway was garlanded throughout with greenery. Pews reserved for the family were designated with large white satin bows.

Mrs. Jake Faulkenberry sang "Oh, Promise Me" and "The Wedding Prayer." Mrs. Bernice Pritchard accompanied her at the piano.

Escorted to the altar and presented in marriage by her father, the bride wore a white silk organza dress with lace overlays of applique lace. The fitted bodice was fashioned with a scalloped lace neckline that formed hearted in front and back and featured three quarter length sleeves with matching lace gauntlets. Her seeded pearl tiara held her finger tip veil of silk illusion. White linen shoes completed her attire. She carried an orchid atop a white Bible with white satin streamers and love knots.

For something old the bride wore a veil belonging to a friend. Something new was her wedding dress and a strand of pearls given her by the bridegroom as a wedding gift, something borrowed was her lace gauntlets and something blue was the traditional blue garter. For good luck she wore a penny in her shoe dated the year of her birth.

Mrs. Laurence Wilson Brownfield, sister of the bride, was matron of honor. She wore a light blue cotton satin sheath dress fashioned with a matching silk organza overskirt. She carried a bouquet of white baby carnations.

Bridesmaid was Mrs. Otis Newberry. Her dress was identical to that of the matron of honor and a bouquet of white baby carnations completed her attire.

Vollene Wilson of Brownfield, niece of the bride, was flower girl. Her dress featured a bouffant skirt with matching overskirt of silk organza with tiny puff sleeves and was made of light blue cotton satin. She carried a miniature basket of rose petals.

Ring bearer was Larry Wilson of Brownfield, nephew of the bride.

Best man was Sid Reinert of Denver City. Groomsman was Kenneth Reed, also of Denver City. Ushers and candlelighters were Laurence Wilson of Brownfield, brother-in-law of

MR. AND MRS. GENE MCQUILLEN

the bride, and Wayne Trent.

The bride's mother wore a royal blue two-piece dress made of iridescent faille. A fitted jacket with three quarter length sleeves and a portrait collar enhanced her dress and the groom's mother wore a royal blue linen-lace sheath dress. Each chose bone accessories with white carnation corsages to complete their attire.

After the ceremony a reception was held in the community building in Denver City. The table, covered with a nylon lace cloth over blue, was centered with a bouquet of blue carnations and blue tapers. A three tiered wedding cake ornamented with blue roses and the traditional bride and groom was on one end of the table and a crystal punch bowl on the other. The white napkins were inscribed with the names, "Gene and Naomi" along with the date of the wedding. Miss Mae Warren registered 112 guests. Serving punch and cake were Mrs. Foy

Streetman and Mrs. Otis Newberry.

After a wedding trip to Ruidoso, New Mexico, the couple will be at home at 910 Ave. B., Denver City. The bride chose a black wool sheath dress with black accessories and the orchid from her bridal bouquet for traveling.

The bride is a 1961 graduate of Plains High School. He is a graduate of Joplin, Missouri High School.

Cowboys Scratched Up By Wink Wildcats

Plains Cowboys were out-scored by the Wildcats of Wink last Friday in Cowboy Stadium by a score of 42-16.

Wildcat scores came in every playing period of the game with one TD in the first quarter, one in the second, two in the third and two in the final quarter. Wink's scores were tallied in the first by Curtis Robinson

who ran over from the six for the first score of the game. Extra point try was run over by Jackie Thomason for two.

In the second quarter, Thomason took the lead and drove over from the four for the tally. Robinson then took Thomason's part and went over for the extra two points.

Third quarter play found half-back, Jimmy Morgan driving over from the 1 yard line and Robinson kicking for the extra point. Also in the third period, quarterback, Dean Bates, ran eight for the fourth TD. Extra point try failed.

In the final quarter, Jackie Thomason again tried his scoring ways and galloped 50 yards for the tally, with Robinson again kicking the point. Final Wink score came about on a 59 yard pass play from Robinson to end, Arnold Halloway. EP was missed on this TD.

Plains fans greatest thrill came about when defensive line-backer, Jerry Jones intercepted a near goal-line pass from Wink and ran the length of the field for Plains' first score. Ronnie Hendricks, half-back ran for the two extra points, bringing the score at this point of the game, to 16-8.

In the second period Plains tied the score 16-16 when quarterback, Mike Fields drove over on a quarterback sneak for the Cowboy's second TD. Extra points were scored on a pass from Hendricks to Steve McGinty.

In the balance of the game, however, the offensive tactics of the Wildcat's worked too

well, coupled with a few back-breaks on the Cowboy's part.

Immediately before the end of the first half of play, the Cowboys made a real goal line stand defensively, and held the Wildcats who started, on the four yard line of Plains with the full four downs to go.

One extremely bad piece of luck for Plains came in the third period when a pass completed to Jones was called back after he ran it over the goal line.

Outstanding defensive efforts were recorded for Dennis Hickman with 19 tackles and Clarence Todd with 13.

Social Security Officer To Be In Plains

Are you 65 or older and still working? If so, have you visited your social security district office? It is possible that you and your family may be eligible to receive some social security benefits even though you continue to work after you are 65.

John G. Hutton, manager of the Lubbock Social Security Office, states that because of recent changes in the social security law, there are approximately one million persons 65 or older who would be able to collect some payments despite their earnings. In order to receive any benefits, however, these people must first file claims at the social security office.

Before 1961, a person eligible for social security benefits could not receive any benefits if his total earnings for the year amounted to more than \$2080 and if during the year he either earned over \$100 a month in wages or rendered substantial services in self-employment in each month.

Beginning with 1961, the amount a person can get in benefits when he works after he files a social security application depends on his yearly earnings and on the amount of benefits payable to him and his family. A person who earns \$1200 or less during the year can get all his benefits. This is the same provision as was in effect before 1961. Also, a person can get a social security check for any month of the year in which he neither earns wages of more than \$100 nor renders substantial services in self-employment. This is true despite the amount of his total yearly earnings. A person 72 or older can receive all benefits due on his past wages regardless how much he works and earns.

Further information on how earnings affect benefits is available at your nearest social security office Mr. Hutton says. Many working people over 65 will find it to their advantage to file social security applications even though they have earnings from employment or self-employment. He invites interested persons to call, visit or write to their nearest social security office.

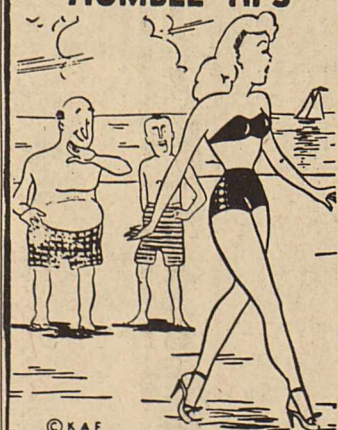

A representative of the Lubbock Social Security Office will be in Plains on Thursday, Oct. 5, in the Co. Service Office at 1:30 p.m. and will be glad to assist in all matters pertaining to social security.

Smoking Out Coons

Don't smoke coons, possums, or squirrels out of dens or hollow trees. You can cause a disastrous forest fire by doing so.

Instead, tie a wad of cloth on a stick and soak in common household ammonia. Thrust ammonia-soaked end of stick in tree hollow or den and the occupant will hustle out in a hurry.

TODAY

A New World of Worth from Chevrolet for '62!

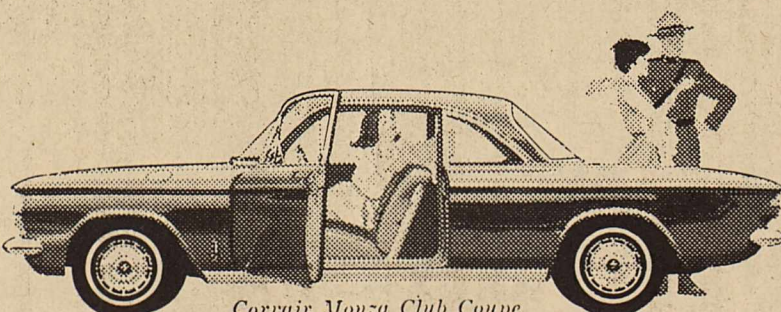

'62 Impala Sport Coupe—with a roof line that looks like a convertible's

'62 CHEVROLET Rich new styling with Jet-smooth ride!

Here's everything a car fancier could want. Fresh-minded style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Then—head for the open highway. That sittin'-on-satin feeling you get is Chevrolet's famous Jet-smooth ride at work. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with out-

put all the way up to 409 hp. ■ New steel front fender underskirts guard against corrosion. Even the heater and defroster come as standard equipment this year. This is the kind of car that will make you feel luxurious all over, and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

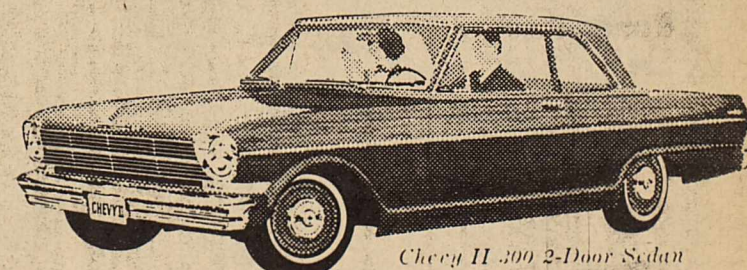

Corvair Monza Club Coupe

THE '62 CORVAIR MONZA

The car that puts sport in the driver's seat!

Step right up and meet the latest version of the car that's proved its mettle in the fiercest competition going—'62 Corvair. Bigger new brakes team up with Corvair's renowned rear-engine traction for just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

Chevy II 300 2-Door Sedan

HERE'S THE NEW CHEVY II

Modern basic transportation in a totally new line of cars

Here are all the solid, time-tested virtues you know you can count on from all the Chevrolet family—plus some surprises you've never seen on any car before. A full line of saucy new-size models, each built a new way for easier service and maintenance. Thrifty? Choice of a frugal 4- or spunky 6-cylinder engine (in most models). Roomy? Sedans seat six solid citizens. Price? A real pleasant surprise!

See the '62 Chevrolets, the new Chevy II's and '62 Corvairs at your local authorized Chevrolet dealer's

WSCS Meets In W.B. White Home

Women's Society of Christian Service of First Methodist Church met at 8:00 p.m., September 20 in the home of Mrs. W. B. White.

The devotional was given by Mrs. W. E. Chadwick. It was entitled "Vision" and the text was Proverbs 29. Mrs. Weldon Spencer directed the study program for the evening which was, "The Christian Mission in Latin American Countries."

Mrs. White, the hostess, served refreshments of cookies and punch to Mrs. H. F. Barnes, Mrs. W. E. Chadwick, Mrs. R. H. Melxner, Mrs. W. O. Spencer, Mrs. Leo White, Mrs. Charles Williams, and Mrs. P. M. Williams.

It was decided at the meeting that hereafter, the Society would meet at First Methodist Church.

One wife to another; "My husband is absolutely helpless without me. Why, when his socks need darning I have to thread the needle for him."

CURLY TAUNTON -- Taunton is shown standing in the field of Woodward Bluestem located on Duff farms which he farms. The grass was expected to yield about 100 lbs per acre at about \$1.50 per pound. It is believed to be the first harvested in Yoakum County.

Of Local Interest

Visiting with friends and relatives over the week-end was Mrs. Keith Green and son and Cozette Green all of Canyon. Dale Simpson of Lubbock Christian College filled in for the Hillside Church of Christ Sunday.

Mrs. Corneila Peters of Brownfield visited her brother and family The Paul Cobbs Sunday.

Attending the fair Tuesday was Mr. and Mrs. Kenneth Hale and girls.

Sunday guest in the home of Mr. and Mrs. Alton Billings were Mr. and Mrs. Frank Robles and family of San Manuel Arizona, and Mr. and Mrs. Tommy Billings and family of Seagraves.

Mr. and Mrs. Bobby Springer of Big Springs visited the Tom Sims and Royce Trouts Sunday. Starks Wagley who suffered a heart attack two weeks ago is reported to be recovering rapidly and is now convalescing at home.

Plains welcomes two Denver City families to our town this week, they are the Don Hancock and Virgil Shorts.

Mr. and Mrs. Bennie Green of Lubbock were Plains visitors for the Homecoming Friday night. Some of the college students

home for the weekend were Shirley Gayle, Kaye Spencer, Annette Suddurth, Dick Cooke, Jerry Bob Warren and Dixie McClellan.

Mollie Courtney attended the District meeting of Retail Merchants Associations in Odessa. Meeting was Saturday and Sunday morning. There were between 200 and 300 RMA managers and officers from most area towns.

Jack Hayes, local Postmaster, has returned home and to the Post Office following a session of major surgery in Methodist Hospital in Lubbock.

Over-night in the home of W. L. McClellan and John Anderson this week were Mr. and Mrs. Earnest King and their granddaughter and Mr. and Mrs. Lenwood King, formerly residents of Plains. The Kings are all residents of southern California.

It was announced today by Chamber of Commerce President, Archie Whitaker, that there is planned a breakfast meeting of all members of the Chamber at Alma's restaurant at 7 a.m. on Monday.
