

# Welcome One And All To The Yoakum County Junior Stock Show

**MOORE**  
**Or Less**  
by Johnnie Moore

**FORCE FEEDING**  
\$92.5 billion dollars!  
That's an unbelievable, incredible amount of money. It's more than anyone can even begin to imagine in his wildest nightmares.

But that's the amount of money the government proposes to spend during the next fiscal year.  
In order to get us to swallow its spending program the government glamorizes the medicine by labelling it "free." Another method is used to delude some of us: The government says, "It's good for you."

But there's one frightful flaw in the medicine man's spiel: Every year the dose is administered, it's given for bigger and bigger programs, and it's the taxpayer's money that is involved.

The "free" medicine from Washington is a myth--because there is absolutely no "free" money.  
The only money that the Federal government has for its programs is that which it takes from us in the form of taxes--or that it borrows against your credit and ours, and our children, and our children's children.

That's the price of having the medicine man take care of us from the cradle to the grave.  
Let's tell our Washington representatives to call a halt to runaway spending and cut back, and cut out, non-defense, non-essential spending!

A long-suffering, fellow taxpayer who also doubles in brass as a fighting weekly newspaper editor, comes up with a colorful approach to making a pitch to our representatives in Congress. He is editor Russ Metz, who sounds off editorially in his Bath County (Owingsville, Ky.) News-Observer as follows:  
"You've watched a TV or movie situation in which a man is made to dig his own grave while the villain hovers nearby with a rifle. And you've thought to yourself, 'Stupid, you're going to be killed anyway, why don't you take your spade and paste him one in the kisser? You may as well go down fighting.'"

"And yet, today's taxpayer is being cast in a corresponding role as the Government forces him to dig deeper in order to finance the wildest free-spending spree in history. There is no choice, no voice, for the condemned--we just keep digging.

"Or is there none? Who says we cannot paste our congressmen in the faces with a spade-ful of letters, telling him to lay down that rifle and grab a rein on the run-away gravy wagon?"

Three score and ten is nearly the life span of the average American, it now stands at 69.7 up 4.6 since 1957.

Sunday School sign, advertising a rummage sale: "Good chance to get rid of everything not worth keeping, but too good to throw away. Bring your husband."

Iron is galvanized, rubber vulcanized, corn hybridized, salt iodized, and people hypnotized. But we agonized when President Kennedy utilized -- and our dictionary authorized -- the word finalized. Why, oh why, must our language be gobbledegookized? Your puzzled editor.

## New Leases On Clinic Being Written

As for obtaining a doctor to fill the vacancy created by Dr. Lynn after his being recalled into the active service of the Army, progress seems, at present to be all but at a standstill.

The contract as previously reported has been rewritten on a co-lessee basis naming both Dr. Lynn and Dr. John Gillette of Lovington, New Mexico.

There were some items in the new contract which were not agreeable to either or both the doctors concerned, which necessitates rewriting at least portions of the new lease and drawing it up into its final

Showmanship Award, donated by (Continued on page 6.)

**VOLLEYBALL TEAM** -- Pictured above are members of the Plains High School volleyball team which traveled to Odessa recently and copped not only the consolation prize, but also were chosen to receive a very high honor in being presented with the sportsmanship trophy.

## Cowboys vs Seagraves In District Play-Off

Plains cage fans will be in for a real treat in the prospects of a mighty exciting contest between the Cowboys and the Seagraves Eagles. The event is the playoff to determine the winner of district 5-A first place honors.  
Scheduled time for the game is 8 p.m., although it is reported that there is a possibility that the game might be delayed by up to 15 minutes because of a volleyball tournament that is taking place on that day also. Day set for the game is Friday, February 16. Place is the high school gymnasium in Denver City. Plains fans are notified too that our side of the gym has been designated on the south bleachers. Admission for the playoff event has been set at \$1.50 for adults.

Determination of the two first place runners in 5-A was made this week when Seagraves was able to down O'Donnell in a real close decision at O'Donnell. Final score of that game was 53-50.  
The second part of the picture was the victory of the Cowboys over Sundown in Plains this week. Plains overpowered the Roughnecks by a score of 47-40.  
In that contest, the score for the first quarter of play stood at 6 for Plains to 9 for Sundown. At half-time, Plains had gained a substantial 9-point lead and the score was 25-Plains and 16-Sundown. At the end of the 3rd period of play Plains maintained their 9-point edge and the tallies were 36-27. And, in the final period, Sundown gained

on the Cowboy quintet by two points.  
The Cowboys seemed to start a little cold in the opening period of play, but certainly warmed to their task as the contest proceeded. In the field goal department the Cowboys hit 17 of 48 tries for a fine percentage of a little over 35. And, in free-throw they hit 13 of 26 for a 50 percent.  
High scorers for the Roughnecks were Danny Leonard and Bill Patton with 10-points each. Plains scoring credits were as follows:  
Jeff Smith, 4; Ernie Anderson, 16; J. B. Wilson, 5; Dennis Hickman, 2; Jerry Jones, 4; Ronnie Hendricks, 14 and Norman Huddleston, 2.  
The Friday night tilt promises to be a very exciting one, as these two teams, Plains and Seagraves, have already met twice this year and are very evenly matched. In their last meeting, Plains was edged out by two points on Seagraves' home court.  
Plains fans are urged to travel to Denver City and support the Cowboys in a manner that really befits their accomplishments so far this year. It would seem that the Cowboys have overcome seemingly mighty tough odds this year, in that, at the beginning of the season there was not too much experience to our credit and the fact that we aren't blessed with any great amount of height.  
Real credit belongs to the splendid coaching the boys have received and to the real stick-to-it-iveness of the boys themselves.

## First Christian To Sell Hereford Bull

Members of The First Christian Church of Plains announced this week that there had been donated to the church's building and improvement fund an 18-months old Hereford bull.  
The generous gift was made to the church by A. E. (Dick) McGinty, one of the elders of the church.  
Plans for disposing of the bull - and realizing whatever monies it might bring, which would in turn be deposited into the building fund, have been discussed at great length by the board of the church.  
Final decision was made to offer the bull for sale at the 10th annual Junior Fat Stock Show, which takes place this week-end.  
Anyone interested in purchasing the bull should contact Johnnie Moore, minister of the church, who will be available at the Fat Stock Show. Sealed bids will be accepted from all interested parties and the floor price has been set at \$250.00.  
The bull is 18-months old, weighs 800 pounds and although it has no papers on it is subject to register as both its Sire and Dame were registered. Further the bull is of the Domino strain and was pen-raised by McGinty.  
The animal will be penned in the outside pens at the stock show and will be available for inspection to any and all interested parties.

## Salt Water Problem to Be Presented to Commissioners

An anxiously awaited report was made this week at Plains Gin, to a committee selected by the interested area land-owners who met in the District Courtroom several days ago with Mr. Ed Reed of Midland in connection with the possible salt-water pollution problem which, it is felt by many can work itself into a real problem for the area.  
Reed, after talking to representatives of the Texas Water Commission, formerly the State Board of Water Engineers, and to a representative of the newly formed Texas Water Pollution Control Board, came and made the report to the committee Monday night, Feb. 12.  
Reed, in introducing his report, stated that there has been an attempt on the part of the newly formed board, during the past six-months period, to simplify the procedures involved in bringing a matter of this nature to the attention of the proper authorities, in the case the Texas Railroad Commission, who have the needed authority to make rulings that would ap-

## NOTICE

In connection with the salt water pollution problem, a special meeting has been called Monday night, February 19 in the district court room of the courthouse.  
All land owners in Yoakum County and all interested persons are urged to attend. Ed Reed, Midland hydrologist, will be present to discuss the problem.  
An association will be formed at that time and designated for purposes of water conservation in Yoakum County.  
The meeting begins at 8 o'clock.

(Continued on page 6.)

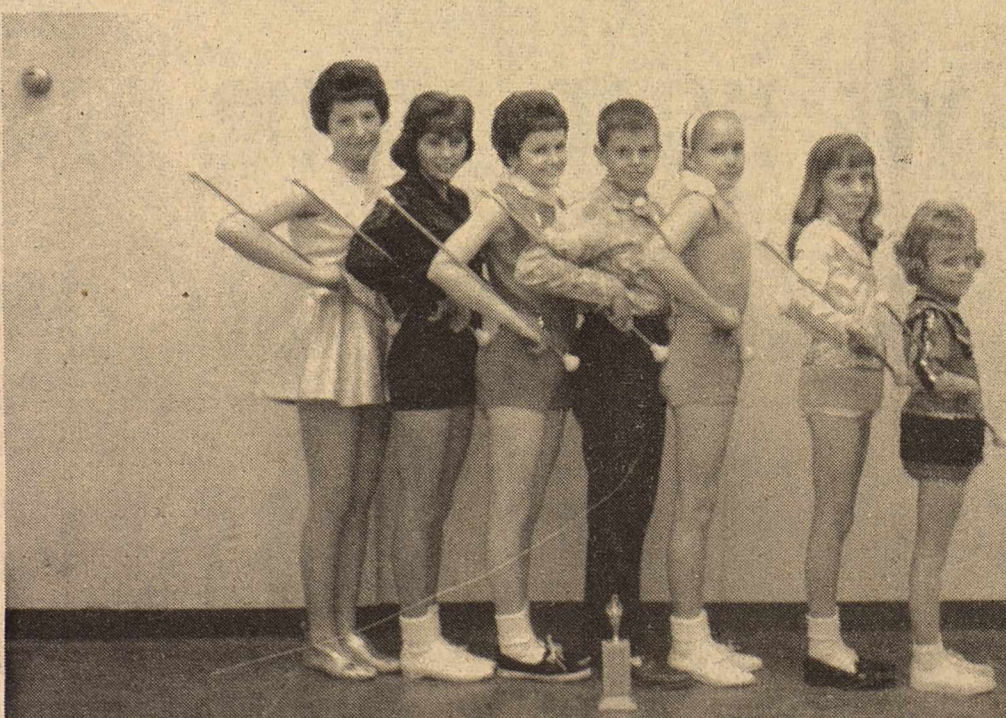

## Team Wins Consolation and Sportsmanship Trophies

The Plains Varsity Volleyball team traveled to Odessa on Feb. 1, 1962 for the tenth annual Permian Basin Volleyball Tournament.  
Their first match was with Crane. In the game with Crane the score was 15 to 5 Cranes favor. The next game the score was tied 13-13. The team to get two points first would win the game. Crane won 15 to 13.  
Plains next match was with Big Lake. Big Lake won the first game 15 to 8. The next games Plains won. The scores

was 15-5 and 14-9.  
The next game Plains played was with Snyder. Snyder won the first game, 14-8. The next two games Plains won. The scores were 11-7 and 15 to 7.  
Plains last game was with Iraan. Plains won the first two and the scores were 15-10 and 15-6.  
Plains won the consolation Trophy and the Sportsmanship Trophy. Sandra Williams got all Tournament Set-Up. Sarah K. Fields and Marsha White were nominated for All Tournament spikers.

## Open House Scheduled By Scouts

Boy Scouts of local troop 778 are looking with great anticipation to this coming Monday night. The night is set aside as an open house to which parents and friends of the scouts as well as all interested persons in the area are invited.  
A group of stunts and skits as well as demonstrations of actual scout skills will be exhibited by the local troop on a patrol basis.  
Highlight of the evening will be the Court of Honor at which at least 15 local scouts will be awarded new badges of rank which they have worked, it is reported, very hard to obtain.  
Also, another high point in the program will be the drawing of two lucky winners for two fattened pigs to be given away that night.  
The general public is invited and urged to attend this fine evening of activity. The place is the high school cafeteria. The time for scouts to be present is 6:30 and for visitors is 8 p.m.

**FIRST PLACE WINNERS**--Plains students shown above traveled to Sundown this week with Mrs. Gene Young, their instructor, and walked off with the first-place trophy in the twirling contest they attended. Picture at left shows, left to right, Kathy Anderson, Bonnie Clanhahan, Suzahan Stromain, Rodney Trout,

Joyce Warren, and Joetta Warren. At the right are highschoolers Jana Warren, Tonya Randolph, Ann Lattimore, Mary Johnson, Betty Hamm and Carolyn Warren.

## PLAINS FARM SUPPLY

### NOTICE OF SALE OF STATE PROPERTY

Sealed bids covering the sale of a 1.0 acre tract of land and improvements thereon, located on U. S. Highway 380 at the corner of Bean's Place Street in the City of Plains, Yoakum County, Texas, formerly used for a Texas Highway Department maintenance warehouse site, will be received at the office of the Texas Highway Department's District Engineer O. L. Crain until 11:00 a.m. March 7, 1962, and then publicly opened and read.

The property consists of a 1.0 acre tract of land, more or less, being out of Block 132 of the Original Town of Plains as platted on Page 481 of Book 1, Deed Records of Yoakum County. The property is level and parallelogram in shape. It is well located on U. S. Highway 380 with 208.7 feet of highway frontage on the south side of the property and is bounded on the north and east sides by paved city streets.

The improvements located on the property include a 30' x 40' corrugated metal warehouse building with partitioned storage spaces, rest room and work area; 6 foot high chain link fence which surrounds most of the property; two underground fuel storage tanks and other minor improvements. The property is serviced by all regular utilities.

The State will furnish to the successful bidder a complete Abstract of Title on the property which will become the property of the successful bidder when the sale is consummated. In the event title insurance covering the property is desired, it may be purchased by the successful bidder at his own expense.

The State's conveyance to the successful bidder will be made by quitclaim deed without warranty of title. All the improvements will be conveyed with the land.

Each bid shall be accompanied by a Certified or Cashier's Check on a State or National Bank of the State of Texas in the amount of \$400.00 made payable without recourse to the order of the State Highway Commission of Texas as a guarantee that the bidder, if successful, will consummate the purchase. Certified or Cashier's Check of the highest bidder may be retained until after the purchase is consummated. Checks of all except the highest bidder will be returned within forty-eight hours

after opening of bids.

Bids will be received on or before the hour and date set for the opening thereof and must be in the hands of the individual indicated above by that time. The price bid shall be construed to include expenses incurred in the sale of the property as required by law. Bids may be submitted by letter. Bidders or authorized agents are invited to be present at the bid opening.

The State reserves the right to reject any and all bids. Bid forms and additional information may be obtained from D. F. Pogue, Texas Highway Department, Lubbock, Texas; Phone SH 4-8411.

When submitted by mail, the bids shall be addressed to O. L. Crain, District Engineer, Texas Highway Department, P. O. Box 771, Lubbock, Texas, and the envelope marked "BID ON SALE OF STATE PROPERTY," with the date and hour of bid opening shown.

### Vehicle Inspection Going Slow

Less than thirty per cent of the registered vehicles in this area have been safety inspected for 1962, according to Patrolman Joe McLaren Motor Vehicle Inspection Service of the Texas Department of Public Safety.

With the April 15 deadline, for having the vehicles checked, rapidly approaching, this means there are approximately 3600 vehicles in Yoakum county remaining to be inspected by the five approved inspection stations available.

Many motorists are going to find long lines awaiting them as the deadline draws nearer, due to the inspection stations not being able to cope with this large number.

The patrolman urged drivers to have their vehicles inspected as soon as possible to avoid this last minute rush. In addition, he reminded drivers that this time of the year is noted for adverse weather conditions which prevents the inspection stations from checking the vehicles.

"Passenger cars are inspected for brakes, lights, reflectors, horn and windshield wipers; while commercial vehicles are inspected for the above plus additional items required by law," Patrolman McLaren said. "All motorists not displaying a valid 1962 inspection sticker by April 15 will be in violation of state law."

Official motor vehicle inspection stations in Yoakum County: Denver City - Baxter's Garage, Corbin - Parker Ford Sales, Short & Field Chevrolet, Western Motor Co., Plains - Tingle Auto Service.

### Official Memorandum By Daniel

The Future Farmers of America organization is playing an outstanding role in assuring the future progress and prosperity of our State and Nation.

The importance of agriculture in our State increases as Texas progresses, and it is vital to our well-being that we train skilled farmers and ranchers to provide a plentiful supply of food products in years to come.

The FFA is composed of boys who are studying vocational agriculture in the public schools in preparation for careers in farming, ranching, and related fields. In studying the science of agriculture, these Future Farmers are striving to continuously improve this great in-

dustry for the welfare of all citizens.

Texas now has over 900 active FFA chapters with over 37,000 active members and more than a quarter of a million former members. During the past 33 years, the Texas Association, FFA, has performed valuable services to our State by developing leadership, encouraging cooperation, promoting good citizenship, teaching sound methods of farming,

and inspiring patriotism among its members.

THEREFORE, I, as Governor of Texas, do hereby designate the week of February 17 - 25, 1962, as FUTURE FARMERS OF AMERICA WEEK in Texas, and urge all citizens to give recognition and encouragement to these young men who are preparing for careers in agriculture.

In official recognition whereof, I hereby affix my signature this 5th day of Jan., 1962.  
Price Daniel  
Governor of Texas

**Farmers Union Members Travel to Washington**

Yoakum County Farmers Union was represented in Washington during the week of February 4, by Mr. and Mrs. Royce Hartman of Plains and Mr. and Mrs. Doyle Freeman of Denver City. They were participants in the 13th annual Farmers Union Bus-Tripper program organized and conducted by the Texas Farmers Union in cooperation with the National Farmers Union. Farmers Union members from Illinois and North Dakota were also in Washington the same week. Through the Bus-Tripper program members of Farmers Union are provided the opportunity to sightsee in Washington, to visit judicial and Executive branches of Government and to talk to their Congressmen and Senators about issues and policies important to farmers.

**Tsa Mo Ga Club Observes "Friendship Week"**

Tsa Mo Ga Club members observe Friendship Week with Friendship program combined with Home Life program that was omitted because of bad weather. Mrs. Glen Cleveland, program director presented Roberta Snodgrass telling of her trip to Austin, Texas as delegate to "Girl's State." The Tsa Mo Ga Club co-sponsored Roberta as representative with the American Legion Auxiliary. Roberta used her scrap-book to give her resume of her trip to Girl's State. One of the most important parts of the program were the talks on Communism. Miss Snodgrass presented material to the club on Communism.

loved poem "Home" by Edgar A. Guest. Mrs. Cleveland presented a drama of "Ann Rutledge" by Norman Corwin, on tape by club members, and background music by Gus Malmsten at the piano. Club members as cast were Mrs. Virgil Wade as Ann Rutledge; Mrs. Glen Cleveland as Mother Rutledge; Mrs. St. Romain filling in for Mrs. Swann who was ill as Father Rutledge; Mrs. Don Hancock as Peter Rutledge. Mrs. Eugene Payne, Jr. as Abe Lincoln. Mrs. Gus Malmsten as John McNeil; Mrs. R. B. Jones as Mr. Armstrong; Mrs. J. P. Robertson as Mrs. Wintrop and Mrs. St. Romain as Doctor. Closing the program was

Mrs. Johnny Moore giving a favorite reading of all "The House By The Side of The Road" by Sam Alser Foss. Mrs. R. B. Jones presided in the absence of Mrs. Swann, president, who is ill. During a short business meeting the club voted to complete the payment of a street light. Therefore helping to light Plains for safety advantages of the village. Mrs. Glen Cleveland, chairman of the Art Division is conducting an Art Contest in Plains schools, as well as entering a senior in the Halmark Art Contest. Special guest enjoying the "Friendship" program were Mrs. J. V. Been, Mrs. Daniel, Mrs. Olan Heath, Mrs. Joe

**State Line HDC Met Thursday**

State Line Home Demonstration Club met Thursday afternoon in the home of Mrs. Roy Perkins with Mrs. Lee Roy Box, President presiding. Nine members answered roll call with interesting bits of information.

Plans were made to help in the County Home Demonstration Clubs Concessions stand at the Stock Show Friday 16 and 17th. State Line Club will open the stand Friday morning at 7:00. Plans were also made to serve the eighth grade banquet Friday night February 23rd. Nominees were elected for the delegate to the District Meeting to be April 26 in Colorado City, and for a T.H.D.A. Chairman.

Miss Judy Pool, agent, gave an interesting and informative demonstration on "Use and care of electrical appliances." She pointed out points to look for when buying such as design, easy care, wattage, volts, guarantee, and is it approved as safe. She showed several different brands of various electrical appliances and pointed out the features of each and cost of operating.

The club voted to subscribe for the "Messenger" for one year for each member. The Messenger is the paper published by the Texas Home Demonstration Association giving club news from all over the

Cheek and Roberta Snodgrass. Also an honorary member present was Mrs. Eugene Payne, Sr. Refreshments were served guest and members from a table centered with red roses displayed in a fountain-like cascade, an unusual arrangement, by hostesses Mrs. E. W. Craig and Mrs. Joe Curry.

state. Our next meeting will be in the home of Mrs. Don Young, Thursday afternoon, February 22, with a demonstration on "Pruning and Pest Control" and some tips on "Home Lawns and Shrubs." All homemakers are invited. Delicious cake and punch were served to Miss Judy Pool, and Mesdames T. B. Farquhar, Hayden Box, Tom Box, Lee Roy Box, Terry Bacon, Joe Franks, W. P. Turner, Loren Gayle, and Mrs. Roy Perkins, hostess.

**Loretta Taylor Girl of Month**

The F.H.A. chapter met Monday night for the monthly meeting of February. Sandra Smith resided for the president D'Lynn McGinty, who was unable to be present. The girls were honored to have Mrs. Gentry speak to them on "What Home Economics has to offer you." For the stock show concession stand, each girl is to bring either two pies or two dollars. Following the meeting refreshments of punch and cup-cakes were served. Loretta Taylor was elected girl of the month for the month of February.

**Scottish Rite Has Meet**

Gaines-Yoakum Scottish Rite Association met in Plains on Thursday, February 1, at the school cafeteria at 7:30 p.m., at which time a ladies night dinner and program was enjoyed by 72 Scottish Rite Mason and their ladies and guests. President Joe Hudson of Seagraves presided at the meeting. Following the invocation, which was given by Rev. Horace Brooks of Denver City, a delicious meal was served by members of the Order of Eastern Star of Plains. Entertainment was furnished after the meal by the Plains High School Stage Band.

The above information given by: F. J. Young, Secretary Gaines-Yoakum Scottish Rite Association

**Family Robinson**

Symbolic— that's what I call this picture!

The Robinsons don't go to my church — they belong to another.

But I'll tell you there are no finer people in our town than Cliff and Berta, and their kids, Polly and Joe. They're good neighbors . . . friends who'd stick by you in trouble . . . people with standards, ideals.

And other folks around town feel the same way about the Robinsons. Tradepeople say it's a pleasure to do business with them. Community leaders admire the way they pitch in and help.

So I say this picture is symbolic. For if we'd stop and figure WHAT MAKES FINE PEOPLE LIKE THE ROBINSONS . . . why this whole town would be in church next Sunday!

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH.**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**Salt Water--**

ply to the disposal of oil field brine in this area.

Reed pointed out that our major problem in this area, in his opinion, can best be separated into three major categories, which he went on to enumerate.

First he said, "The problem is to do away with the

existing practice of dumping salt water into open pits as is now the practice." This he pointed out would be the primary purpose of the survey and report that is now being considered by the group of interested land owners.

The second portion of the problem, Reed said, is the very unethical practice which some, certainly though not all, haulers of salt water are persistently doing, that of dumping the refuse on the roadbeds and in the bar-ditches. Reed pointed out that, in his opinion, this is by-in-large a matter for the local Commissioner's Court, and one which, he feels, can be handled with a ruling by the Commissioners, but which is a situation that would definitely have to be policed.

The third problem in the situation, as outlined by Reed, is the existence of the wholesale dumping pits maintained by a chemical plant not too far distant from Denver City.

Reed was, at the time of the Plains Gin meeting, in possession of a certain letter from Mr. Joe Carter, who is chairman of the Texas Water Commission and also a member of the Pollution Control Board. The letter was quite informative and stated that both the groups with which Carter is serving are vitally interested and much concerned about the problem existing in Yoakum County.

Carter went on to say that their suggestion to the interested parties in this county would be to first consider the possibility of taking what he called a "skeleton survey," in an attempt to dissolve the problem as quickly and as economically as possible.

Reed in commenting on the letter, stated that, to his knowledge, this was the first time such a suggestion had been made. He went on to say that if this were possible, the cost of the survey would be greatly reduced, as it would substantially reduce the amount of time and effort which would have to be expended.

Reed's new estimate of the cost involved, as contrasted to the approximate \$9,000 figure

which he had before quoted, ranged from \$2,000 to \$2,500 for his services with an additional \$1,000 or thereabouts for securing the services of an attorney to actually present the facts to the Railroad Commission.

The Midland hydrologist made it clear that this skeleton survey, in the event further facts and evidence were later called for by the RRC, would not have contributed any lost motion or wasted money, as any information gained in this survey, according to Reed, would be needed in a more detailed study should the commission call for it.

He also made it quite clear that the figure of \$2,000 to \$2,500 would include all of Yoakum County and not just a few isolated areas in the county.

Reed suggested that the interested land-owners and other interested parties in the county, band themselves into an association to further the project. He also pointed out that it would be fine and good if it were possible to obtain permission from the Commissioner's Court to present the case to the RRC in the name of "Yoakum County Commissioner's Court." He stated further that several instances exist in which counties, under the auspices of the commissioner's court have even aided in such undertakings by underwriting all or part of the expenses involved.

Plans were formulated at the Monday evening meeting to meet with the Commissioners this coming Monday afternoon. Reed will also be in attendance at that meeting and will present the case as he sees it at present to that group.

Representatives from the Denver City Council and Chamber of Commerce have been invited to sit in on the meeting, as feeling is, that this is definitely a county problem and one in which all people in the county have a definite stake.

**Is Change-of-Life Making You Only Half a Woman?**

Too tense too tired to be a real companion to your husband?

Special women's medicine can relieve "hot flashes", weakness, nervousness... then you can enjoy life fully again! Has change-of-life left you so weak you feel only "half" alive? Suffocated by "hot flashes", constantly tense... so you can't be an affectionate wife and mother? Don't despair! Lydia Pinkham's Compound can relieve both tension and physical distress! In doctor's tests, Pinkham's gave dramatic help—without costly shots! Irritability is soothed. "Hot flashes" subside. Then most women can go "smiling through" change-of-life without suffering!

If change-of-life has left you only "half" a woman, get Lydia E. Pinkham's Vegetable Compound from druggists. See how fast you can feel "all woman" again!

**SLEEP 8 HOURS—WAKE UP TIRED?** When due to simple iron-deficiency anemia, take Pinkham Tablets. Rich in iron, they start to strengthen your blood in one day!

**WSCS Hosts Sub-District**

W. S. C. S. of the Plains Methodist Church met Thursday night in the home of Mrs. Glen Cleveland.

The Devotional, "Prayer and Patience," was given by Mrs. Weldon Spencer. Study from the book entitled "The Meaning of Suffering" was given by Mrs. R. H. Meixner. Topic of this study was "Physical and Mental Illness."

Refreshments of cake, coffee and iced punch were served to Mrs. H. F. Barnes; Mrs. Cretie Cheek, Mrs. R. H. Meixner, Mrs. L. O. Smith, Mrs. W. O. Spencer, Mrs. Leo White, Mrs. W. B. White, Mrs. Charles Williams, Mrs. T. M. Williams, Mrs. J. M. Tippett and Mrs. Glen Cleveland, the hostess. Also the sub-district meet-

ing which was held in the local church this week was reported on. A total of 52 women from the Brownfield sub-district were registered for the all-day meeting.

Registration began at 9:30 in the morning and the program at 10.

Day's devotional was given by the Society from the Wesley Church of Levelland and was entitled "A Time to Serve," which also was the title of the meeting as a whole.

"Our Mission Today" was presented by the Denver City society.

"Our District President Serves" was the topic presented by Mrs. Wilmer Smith of New Home.

Mrs. Leo White of Plains gave "A Time to Pray." Society of First Church in Levelland presented "A Good Member Serves."

Brownfield First presented "Woman's Role in Changing Africa."

"A Time for Understanding the U.N." was given by Levelland First.

"A Time to Grow" was presented to the group by First Church of Seminole's Society.

"A Time for Affirmation" which was a responsive reading was participated in by the entire group.

There were 12 churches represented by the group.

**Stock Show Set--**

by A. E. McGinty to the exhibitor that shows the most ability as a barrow exhibitor.

The show is sponsored by the Yoakum County Livestock and Agricultural Improvement Association, a non-profit organization created in 1952 for the purpose of sponsoring fairs and shows in Yoakum Co.

Requirements for membership in this association are met by the payment of an annual fee of \$5 which is used to pay premiums and other expenses of the show.

Board of Directors of the Association is headed by Gene Bennett, President; R. N. McGinty, 1st Vice-President and Bob Loe, Secretary-Treasurer. Other members of the board are G. W. Cleveland, Ty Field, Pat Henard, W. M. Taylor, Bill Gray, H. G. Sprawls and Johnnie Fitzgerald.

**CONGRATULATIONS**

Mr. and Mrs. Robert Anderson are the proud parents of a baby daughter, born Wednesday morning. The little miss weighed 7 pounds and 5 ounces. Grandparents are Mr. and Mrs. Bill Anderson of Melpatis, California and Mr. and Mrs. Bob Stroud of Plains.

Eight couples enjoyed bridge in the home of Mr. and Mrs. Virgil Wade Saturday night. Refreshments of sandwiches, potato chips and dip, and Grand Slam Cake was served.

Beth Ann Hale was honored with a birthday party in her home last week.

Mr. and Mrs. Hansen of Cisco visited the Foye Floods over the week-end.

Dr. Clyde Lynn was in Plains for the week-end.

**New Leases--**

Dr. Gillette is expected to come to Plains the last part of this week for meetings with the County Attorney, Vernon Townes, about the final draft of the lease and for a meeting with the Plains Chamber of Commerce.

**Wilson Duke Wins First**

With only four weeks remaining in The Record's Basketball Contest, the entries are piling in at an all-time high.

Guesses ran fairly good this week, considering the great amount of upsets that took place across the country, especially in the unpredictable southwest conference.

First place winner this week, with only five incorrect guesses, is Wilson Duke, who has been a real consistent winner in the contest.

Second prize money goes to Jack Lowe, Jr., who also missed only five out of the twenty contest outcomes, but Jack was

beaten out of first place by Duke's guess on the tie-breaker score, the Plains - Sundown contest, who he, Duke, missed by only two points while Jack missed it by a greater margin. Actual score in the contest was Plains 47 and Sundown 40. Duke's guess was 48 - 41.

Third place prize goes to Cordell (Corky) Huddleston, who only missed six of twenty. Games in this week's contest are all college games, as most regular season play between area high schools has already been completed, and time and place for play-offs and bi-districts is still not available.
