Cowboys Gird For Tough Season

The Plains Cowboys, getting ready for a mighty tough bunch of competition in district play, start their season's schedule out this week with a real bang.

The first two games, both set for this week, one Thursday night and one Saturday night are really against a pair of highly regarded teams. On Thursday, the Plains quintet travels to Levelland for both A and B game tilts, and then on Saturday again contest the opponents, this time Eunice, on foreign soil.

Looking forward to district competition, it seems that about six teams in the district are actually capable of carrying off the district crown. So, cage fans around Plains are in for a real season of basketball!

Coach Rip Sewell reports that the team is coming along real well allowing for the few days that workouts have been going on following the close of the football season.

They are: J. B. Wilson, Ernie Anderson, Larry Williams, Mike Field, Ty Earl Powell, Dennis Hickman, Omar Hyman, Billy Hampton, Roland Faires, John Robertson, Jimmy Harris, and Ronnie Hendricks.

Four new strands of lights have come in, to add to the existing Christmas lights still up. These new ones will be strung right away. Thanks to Bill Loyd, Anne Green and Alma Beem.

We were proud to be host for the Bi-District Football Game, Thursday, November 22nd, between Cooper and Dell City. Considering the Thanksgiving Holiday, a fair crowd was present. Our visitors were most considerate and

Chamber Of Commerce Progress Report

gracious. We hope they will come again.

Chamber of Commerce will net only about \$20.00, but we think several of our business people had a nice little run of business anyway. Thanks to one and all who helped with the plans and the work that made the game possible.

News of proposed Federal Highway 82? At a meeting of the various cities along the route, held in Brownfield on Oct. 30th, the "U.S. Highway 82 Extension Association" was formed to continue working on this project. Bill Loyd will represent Plains in the regular meetings of the association. All seem determined to do everything possible to have this designated a Federal Highway by June 1963, at which time it will again come up for approval.

Jim Jackson, Manager of

the Lovington Chamber of Commerce is working on some ideas for advertising to be placed at strategic points all up and down this proposed highway. You know we have much to offer. Our bountiful crops stretching for miles on all sides on the level high Plains, is quite unlike anything elsewhere. We have our fine cattle, and our oil wells. Can you offer any other suggestions to advertise us?

Do you ever have visitors express their opinion of Plains to you? I think the compliment I have heard most often is "Plains is such a pretty, clean little town". But recently I heard another. While Mrs. Celes Anthony was in a Haskell, Texas hospital with a broken ankle, her Doctor, Dr. Frank Cadenhead there,

Cotton Quality Reported Good

Lubbock Cotton Classing Office classed 84,000 samples for the week ending November 23, according to W. K. Palmer, Officer-in-charge. The three classing offices were closed Thursday, November 22, due to insufficient samples.

The Lubbock office has classed 335,000 samples to date and reported a carry-over of 5,000 samples. The Lamesa office classed 14,000 samples for the week. The Brownfield office classed 27,000 samples for the week and reported a 4,000 sample carry-over. For the year 95,000 samples have been classed at

Brownfield. White qualities accounted for 47 percent and the light spotted qualities 53 percent of the cotton classed this week in the Lubbock office.

The average staple length increased from 30.1 last week to 30.3 thirty-seconds of an inch this week.

Micronaire readings continued to decline this week. Twenty-four percent of the cotton classed miked 3.4 or below.

H. A. Poteet, Secretary of the Cotton Exchange, reported 42,000 bales purchased by the exchange for the week. This was 4,800 more than the previous week and compares with 76,000 bales reported for the same week a year ago.

SS Office Says "Watch For Hoax"

John G. Hutton district social security manager in Lubbock today warned the public to be wary of advertisements promoting the sale of books that promise to tell how to get around certain provisions in the social security law.

Some of these ads, Hutton noted, say that books, offered for sale at \$1.95, \$2.99, \$3.99 and sometimes \$5, will also show "How to get twice as much social security," or even, "How you can get social security for doing absolutely nothing."

"Actually," Hutton said, "these books cannot tell the reader anything basic about the social security law that he would not find in the free booklets and leaflets available at the Lubbock Social Security District Office."

"In fact, if advice contained in some of the books were followed it might result in extensive investigation by this office and thus delay social security payments rather than expedite their issuance. Also, following some of the advice might place the individual in a worse rather than a better financial position."

"If a resident of this area has any questions about his social security benefits," the district manager said, "I suggest he come in and talk to someone in our office. We may not be able to tell you how to earn a million dollars while collecting social security (as the promoters of some sensationally advertised books suggest they can do), but the people in our office will be glad to give you full and realistic help tailored to your own situation."

Hendricks & Anderson Receive Honors Football Banquet Well Attended

A fine crowd of enthusiastic Cowboy Boosters attended the Annual Football Banquet, held last Monday evening in the Plains School Cafeteria.

Speaker for the occasion was Mr. Ted Dawson, just recently the head coach at Odessa High School, and in the coaching business for about 17 years.

Climax of the evening's program came in the presentation of three awards to the most outstanding of the many Cowboys who did such a fine job this year on the football field.

Ernie Anderson received the award dubbing him as the "Outstanding Defensive Player of the Year." It was noted that Anderson had managed to get in on about 40 tackles

total in just the last two of Plains' games.

Ronnie Hendricks, who on many occasions this year, was responsible for some of the most outstanding ball carrying that one can see and who received the distinction of being the number one scorer in class A football on the South Plains, was named "Outstanding Offensive Player of the Year."

The third award to be presented was the "Plains Cowboy Fighting Heart Award." The recipient of this award is selected by a vote of the entire Cowboy team as the boy most exemplifying the fighting spirit of the Plains Cowboys.

Receiving, and in the opinions of all present, richly deserving the honor, was the Plains scabback, Ronnie Hendricks. Closing out the program, Cowboy co-captain, Clarence Todd, on behalf of the entire team, presented the coaches with gifts of appreciation.

Highway Patrol Accident Report

The Highway Patrol investigated one rural accident in Yoakum County during the month according to Sergeant A. E. Roberts, Patrol Supervisor of this area.

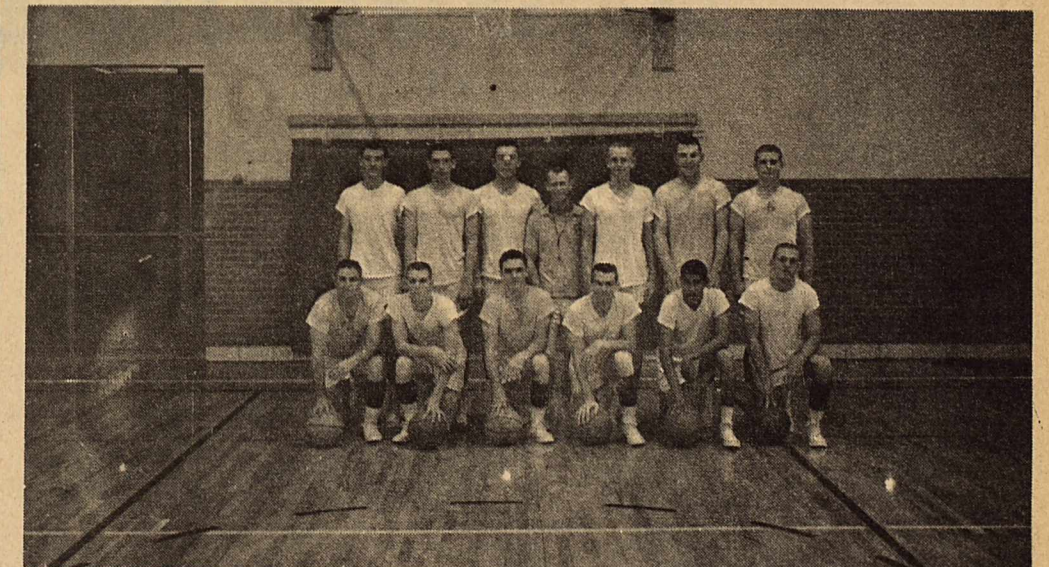

This wreck accounted for an estimated property damage of \$1,400.

According to the patrol, the rural accident summary for Yoakum County from January through October of this year, shows a total of three crashes. As a result of these crashes there was one person killed and one person injured. The estimated property damage amounted to about two thousand dollars.

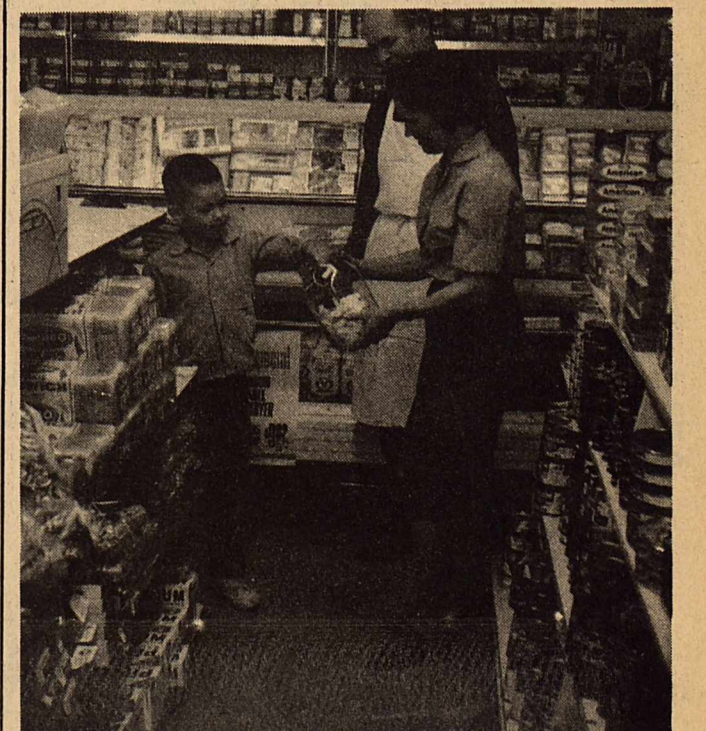

We are on the threshold of the holiday season and the cold grim "Traffic Facts." During the last five years there has been a total of 11,902 traffic fatalities in Texas. Of this total, 2,354 or 20 percent were killed during the months of November and December.

RECEIVED HONORS-- Earnie Anderson received the Outstanding Defensive Player of the Year Award and Ronnie Hendricks was selected by his teammates as receiver of the Fighting Heart Award. They were presented these awards at the annual Athletic Banquet held Monday night in the School Cafeteria.

CASH DRAWING--- The monthly drawing of the Credit Union was held at Hawkins Food Market last week. Loyd Cokels name was drawn but he was not present. \$60 was to be given away last week. The drawing will be held at Curry-Edwards drug next month and the amount to be given away will be \$70.

Note Date Change Teachers To Play Firemen Friday

A group of Plains teachers will take on a team made up by the Plains Fire Department in a game of "football" here on Friday afternoon beginning at 5 p. m.

A 20 percent gate cut will be given to the March of Dimes and the balance will be split, the teachers half going to the Booster Club for final payment on the new movie camera purchased this year.

Admission to the game has been set at \$1.00 for adults, and 50 cents for students.

The game was originally set for Saturday rather than

Friday, but the Cowboys have a basketball game in Eunice Saturday evening, so the date for the "big game" was changed.

Referees, lots of water boys, and maybe even an ambulance have been secured just in case. The game promises to furnish action such as you've never seen before, nor are likely to ever see again.

Come and have a good time and help a worthy charity at the same time. Game time is 5 p. m. on Friday at Cowboy Stadium.

Basketball Contest Begins

Beginning in this issue of The Record, is the first installment of this year's basketball contest.

The contest will be found elsewhere in this issue and the rules governing entries are about the same as those for the football contest which was ended last week.

Entries, as many as each individual would like, must be turned in or postmarked no later than 10 a. m. on the Saturday following date of the issue of the paper.

Games listed on the contest will be played on Saturday, Monday, and/or Tuesday.

For this week only, the entire slate is made up of college teams. Beginning next week, however, it will con-

Tech Cagers To Start Saturday

Texas Tech's basketballers open their season against University of Nebraska in the Coliseum at 8 p. m. Saturday.

Preceding the clash with the Big Eight team will be a game between the Texas Tech frosh and the West Texas State, freshmen at 6 p. m.

Texas Tech, the leading team in the Southwest Conference the past two seasons, is re-building following the loss of four starters by graduation. These four men---Harold Hudgens of Ballinger, Del Ray Mounts of Perryton,

Roger Hennig of Mathis, and Mac Percival of Vernon--accounted for 79 percent of the Red Raider scoring the past two years.

Coach Gene Gibson is expected to choose his starters from the only returning starters, Bobby Gindorf of Pampa, Harold Denney of Amarillo, Sid Wall of Dallas, Mike Farley of Lubbock, Mike Gooden of Lubbock, and Bill Murren of Atlantic City, N. J., a Decatur Baptist College graduate.

Next week the Red Raiders meet University of New Mexico in Albuquerque Thursday and entertain University of Florida Saturday night. Both season and individual game tickets are still available.

How to save money and help make sure of sunny days to spend it

This man claims that our free system has no future. An important way we can prove him wrong is to keep strong financially--as individuals and as a Nation.

When you put your savings in U.S. Savings Bonds, you do more than save for a rainy day. You also help make sure of "sunny days" ahead to spend that money in.

The money you save isn't going to do you much good unless you have the freedom to spend it. Freedom to use it as a down payment on a new home of your own, for example. Or a college education for your children.

You see, while U.S. Savings Bonds are earning interest for you, Uncle Sam puts your dollars to work in the interest of freedom. Every dollar you invest helps

strengthen our economy here at home; helps our Nation stand up for freedom all over the world.

And then your money comes back to you... \$4 for every \$3 you invest when your Series E Bonds mature.

You can put your savings to work doing double duty by buying Savings Bonds at your bank... or on the Payroll Savings Plan where you work. Why not look into it now?

Keep freedom in your future with

Abstract Problems

While driving around a lake, John and Mary saw a "For Sale" sign on a piece of lake property which they thought they could afford to buy.

They made inquiry of the owner and agreed on a price. They inquired about title and the owner assured them that he would give them an "Abstract." They took the abstract which was a fat book of papers, and the deed, filed the deed at the courthouse and thought no more about it, assuming, as amny people do, that an "abstract" is an assurance of a good title.

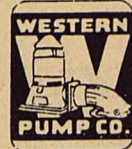

Some years later they want to sell to a buyer who was better informed. He insisted that either the abstract be examined and an opinion given by an attorney that the title was good or that the sellers must provide title insurance. When they sought an opinion as to whether the abstract showed good title, they were dismayed to find that the title was not in good order, and that there would have to be a quiet-title lawsuit to dispose of some flaws in the title before the buyer would accept it. Neither would a title insurance company write a policy of insurance for them without legal action to clear up the title.

John and Mary were astounded to learn that they were wrong in assuming that an "abstract" was an assurance of good title. An abstract is merely a record of every document which has ever been filed of record at the courthouse affecting the title to a particular piece of property. It may show good title or bad title, or no title at all. It is only a bundle of papers, as John and Mary discovered, which summarized the state of the title. Its possession does not in any way assure good title.

Thus while on may be able to get possession and peacefully occupy a property with an unsalable title, difficulties will arise when the property is to be sold or mortgaged. To do so is only to postpone and perhaps increase the trouble and expense of clearing the title. It makes good sense to correct any title defects when you buy a property.

complimented our City Park, "Stanford Memorial Park". Dr. Cadenhead says he and his family come this way several times during the year, and always enjoy stopping at the park for a picnic. Said they enjoyed the trees, lawns, fire places and tables, but most of all, the playground facilities for the children. He

also said they had come through Plains several times before learning about the Park, and suggested extending it far enough west to be seen and to be accessible from the highway so that more people, travelers, would find it and undoubtedly appreciate and make use of it.

Named To All-District Team

RECEIVE ALL-DISTRICT HONORS - - -Named to the 5-A All-District Team on Offense from Plains were Dennis Hickman, Guard; Ronnie Hendricks, Running Back; and to offensive honorable mention were Ernie Anderson, End; Clarence Todd, Tackle; and Larry Williams, Center.
On the Defensive Slate, Ty Earl Powell at Tackle; Ernie Anderson, Linebacker; and Mike Field as Halfback were named to the team, while Jimmy Kerby got honorable mention for his efforts at the defensive end slot.
It was also noted that Hickman had the distinction of getting his name submitted by the entire district to be the 5-A candidate for the All-Star high school game to be played next summer.
Wink placed six men on the all-district slate; Seagraves five; Sundown four; and O'Donnell and Tahoka each placed two men.

Trash Disposal Seen As Problem

In the crowded cities and towns in which most of us live in America today, one of the genuine big health problems is safe disposal of trash and garbage. A surprising amount of garbage piles up in even a small community in a few days, and garbage is a well known source of trouble from flies and other insects and rats, mice and other vermin.
Most cities and towns have reasonably efficient pickup and disposal services for garbage, but the householder must do his part, too. Sanitary storage of refuse requires observance of a few simple rules - - -

- *Providing and using properly covered containers.
 - *Maintaining the containers in a clean sanitary condition.
 - *Placing the containers in the right place at the right time for the pickups.
 - *Draining garbage and bundling bulky rubbish.
 - *Where required, separating garbage, ashes and rubbish.
- Observance of these precautions is a small price to pay for the protection you will receive against disease, accident, fires and vermin. Disease-bearing insects and animals are attracted to an unsanitary environment and may cause typhoid, dysentery, diarrhea, typhus, rat-bite fever, plague, food poisoning or some other insect or animal-borne disease.

Metal or plastic containers of about 10-gallon capacity are about right for storing garbage until it is carted away. The containers should have tight-fitting lids. It is advisable to keep the containers on stands so the ground underneath can be kept clean and so they will not be easily upset by stray animals.
It's easy for a busy housewife to become careless about garbage and rubbish disposal. Improperly stored garbage is unsightly as well as unsanitary. The American Medical Association urges everyone to

examine his trash and garbage disposal facilities and make certain they are sanitary.

Double	3 ♠	4 ♠	Pass
Pass	Pass	Pass	Pass

Opening lead: Queen of spades.

South wins opening lead with ace in closed hand, returns small spade which West trumps with the jack while South sluffs a small diamond from the board. West leads ace and king of clubs, then small diamond which dummy wins with the ace. South leads two rounds of trumps ending in dummy with the ten; then sluffs the two spades on the queen and jack of clubs and lays down remaining hearts to make contract.

COMMENT: I see no fault in the play of the hand, but disagree with East's opening bid of one spade. The hand was too weak. East should have opened with three spades. South would probably have bid four hearts and play would have been the same.

MRS. DOUGLAS KENT WELCH
(Nee Miss Peggy Hartman)

Bridal Gown

Given in marriage by her father, the bride wore a gown of Chantilly like lace over taffeta. The molded bodice featured a scalloped Sabrina neckline and long tapering sleeves. The soft princess lines curved into a sweeping chapel train.

Mrs. Ira Seaton was her nieces matron of honor and bridesmaids were Misses Jenny Clement of Denver City and Loretta Taylor of Plains. The three wore matching dresses of red velveteen and each carried a bouquet of white carnations.

Roy Lowery of Plains was best man and serving as ushers were Jeff Smith and Eric Anderson, both of Plains, and Jesse Hartman of Wellman.

Dressed in a white brocaded taffeta dress, Miss Virginia Romans of Plains lighted the candles with the assistance of Jerry Hartman of Plains. Cindy Bartlett of Lamesa wore a dress patterned after the one worn by Miss Romans as she scattered rose petals for the bride's entrance. Dicky Hartman of Plains, brother of the bride, was ringbearer.

Reception

The couples parents assisted in receiving guests at a reception given in Fellowship Hall

Visiting in the homes of Mr. and Mrs. Dad Rushing and Mrs. Thelma Ellis over the weekend were their children, Mr. and Mrs. James Rushing and sons of Smyer, where James is superintendent of schools. All the Rushings visited Dad's sister, Mrs. Ida Turner and family at Gatesville on Thursday. Mrs. Casey Brown, formerly Jo Verden, visited them in the Turner home.

###

Here to enjoy Turkey Day with Mr. and Mrs. Neil Parks were their daughters, Mr. and Mrs. Harold Armstrong of San Angelo, Mr. and Mrs. Jimmy Warren of Abilene and Mr. and Mrs. Jack Cobb of Plains.

###

Mr. and Mrs. L. O. Heald and family had Thanksgiving dinner with relatives in Hobbs and visited with friends in Brownfield over the weekend.

###

Mrs. J. H. Morris and Donnie spent several days last week in the home of her daughter, Mr. and Mrs. D. D. Lamance in Odessa. Donnie remained in Odessa and entered school there.

Tell Of School Of Missions

There will be a school of missions held at Plains First Baptist Church from December 2 - 7.

The school will start each evening at 7 p. m. with a 45 minute study of a missions book. There will be a class for adults, intermediates, juniors and primaries. Then at 7:45, everyone will meet in the auditorium to hear a worker or missionary speak.

Leon Mitchell, a missionary from Indonesia will speak Sunday morning at the regular worship services. Monday evening, Cr. R. Bailey, missionary from Wyoming will bring the message. Tuesday, John Mouser from Wagon Md, New Mexico will speak. Then on Wednesday, Bryon Ross of San Angelo will bring the evening message. Thursday, Plains Pastor, James L. Bozeman will speak; and on Friday evening the final message will be brought by James L. Templeton, missionary from Hong Kong.

A nursery will be provided for infants. A cordial invitation to all has been extended.

Sam and Jeannie St. Romain were among the college students home during the holidays. Others visiting in the P. W. St. Romain and M. W. Luna homes were Bill and Wilma Powell of Fort Sumner and Mr. and Mrs. Dallas Powell Paul and Penny of Seminole.

###

Mr. and Mrs. Roy Crawford and family spent the long weekend with his father and other relatives in Oklahoma. The elder Mr. Crawford has been quite ill, but was improved.

##

Mr. and Mrs. Gene Young spent a part of their school holiday with relatives and friends at Post.

State Line HDC Meeting

The State Line Home Demonstration Club met Tuesday afternoon in the home of Mrs. C. A. Stewart for the final meeting of the year. Mrs. Lee Roy Box, president, presided.

Mrs. Don Young was elected second Council delegate as Mrs. Winnie Franks has moved to Seminole. A Texas Home Demonstration Club pin was ordered for Mrs. Lee Roy Box for perfect attendance last year. Plans were completed for the club's part of Council Christmas Party Dec. 4. Plans were also completed for a family Christmas Party Dec. 7, at 7:30 in the clubroom at Plains. The final business was drawing for new secret plans for next year.

Two new members joined, they were Mrs. Guy Hughes and Mrs. Leon Thompson. Secret pals were revealed with an exchange of gifts.

Each member brought her favorite candy or cookies and the recipe for them, which provided our program "Holiday Hospitality".

Delicious punch and coffee with the candy and cookies. They were served to Mesdames Guy Hughes, Lee Roy Box, Tom Box, Loren Gayle, Terry Bacon, Don Young, Roy Perkins, W. P. Turner, R. G. Hartman, T. B. Farquhar, Hayden Box, Leon Thompson,

and hostess Mrs. C. A. Stewart.

The next meeting will be Jan. 10, 1963 in the home of Mrs. Terry Bacon. All homemakers in the area are invited.

Hartman-Welch Vows Exchanged

Mr. and Mrs. Douglas Kent Welch are on their honeymoon in New Mexico following their marriage at 6 p. m., Thursday in the Methodist Church in Plains.

Nee Miss Peggy Jean Hartman, the bride is the daughter of Mr. and Mrs. R. G. Hartman of Plains. Mr. and Mrs. M. E. Welch of Plains are parents of the bridegroom.

The Rev. Bill Williams, pastor of the Church of God here, read the twin-ring service standing before a setting of candelabra, English ivy and white and red carnations.

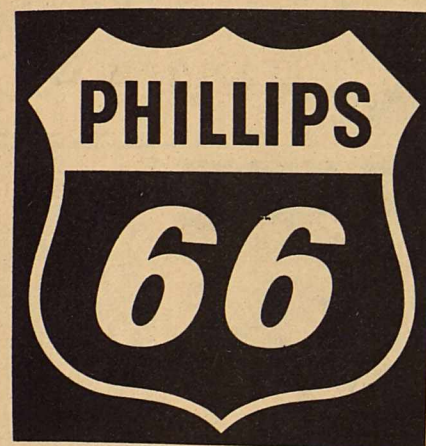

Gene Young accompanied Mrs. Jesse Hall as she sang a solo. He also accompanied his wife and Mrs. Hale as they sang a duet.

of the church following the ceremony.

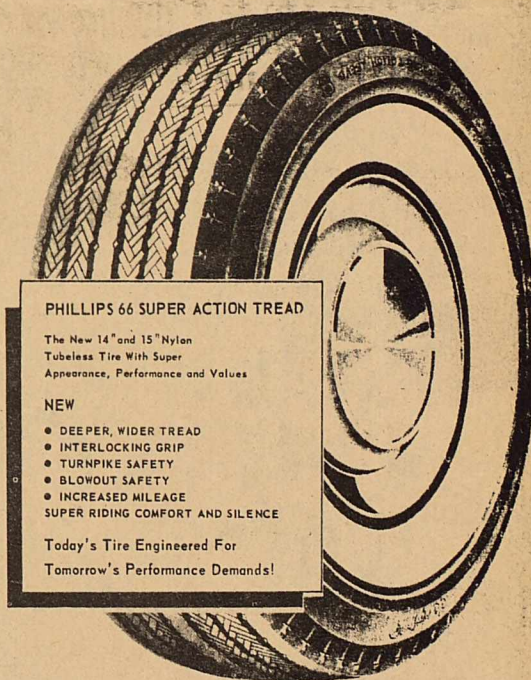

Mrs. C. B. Poindexter of Plains assisted with hospitalities and Meses. Joe Curry, Odie Newberry, Fov Streetman and Miss Leta Stewart, all of Plains, presided at the refreshment table.

The bride chose an olive green wool suit with olive and beige accessories for her wedding trip. A white carnation corsage complemented her dress.

Employed at Margia Beauty Salon in Lubbock, the bride is a graduate of Charm Beauty School. Her husband, a graduate of Plains High School, is a student at Texas Tech in Lubbock, where they will be making their home.

Iota Pi Hosts Husbands

A festive Thanksgiving Salad supper was held by Iota Pi Sorority on November 20, at the School Cafeteria. The husbands of the members were special guests at the affair.

Following the invocation, given by Mr. D. N. Taylor, a buffet of ham, salads, rolls and coffee and tea was enjoyed by all.

Table games of bridge and "42" were played.

Thirty-three members and guests attended the party.

Thanksgiving guests of Judge and Mrs. Don Hancock and family were his mother, Mrs. L. B. Hancock of Hobbs, an aunt, Mrs. Jim Woodard of California and another aunt from Hereford. The Hancocks attended the Tech-Arkansas football game Saturday.

Mr. and Mrs. O. W. Harbour, Linda and Mike spent the holiday weekend with his folks at Chillicothe.

###

Carolyn Murphey and Mrs. Kay Chandler and children were guests of their parents, Mr. and Mrs. T. J. Murphey, on Thanksgiving. Carolyn, a music major, has been attending Oklahoma Baptist College but is transferring to ENMU and will enroll there in January.

###

Mr. and Mrs. Ross Stotts of Canyon visited his parents, the Harvey Stotts, during the holiday.

Workweek Cut Hit By C of C

The less a man works, the less he produces. With a nation, it's the same way. Cutting the workweek from 40 to 35 hours, as the AFL-CIO plans to ask Congress to do next session, could mean a one-eighth cut in production, according to the Chamber of Commerce of the United States.

If this happens, we would have fewer products (like autos and TV sets) and less services (like auto repairing).

Holding wages at the same level for a 35-hour week as for a 40-hour week, as the AFL-CIO suggests, could mean inflation, in as much as the same number of dollars would be chasing fewer goods and services.

Other possible consequences of cutting the workweek would

be: A curb on economic growth as the less we produce the less we have to invest in new equipment and research.

A slow up in the rate of productivity increases as this growth depends on new investments.

A sharing of unemployment rather than employment as dampening of productivity gains by a shorter workweek would hurt long-range ability of American firms to compete with foreign firms.

Nor is it likely that the unskilled and semi-skilled workers for whom demand is now slackening would be helped. Demand is for well educated clerical and technical workers. Cutting the hours of work actually might increase demand for these workers, but how could they share their work with the unskilled and semi-skilled?

There is one sure way to boost employment: tax cuts

to spur job producing investments. This should be one of the first matters tackled by the Congress when they convene in January.

Guests from Wednesday evening to Friday in the C. L. Billingsley home were their son, Mr. and Mrs. Neil Billingsley and family, and Mr. and Mrs. John Breazeale and son of Dell City. Neil is head coach and Mr. Breazeale is his assistant for the Delta City Cougars who played the Cooper Panthers in a Bi-District football game here Thanksgiving Day. They will visit here again this weekend enroute to Tulsa for a regional game against Happy to be played Saturday evening.

SCOUT BUILDING—This is the architect's conception of the new \$56,653 Scout Center building now under construction on Avenue Q between 54th and 56th streets. Some 4,770 square feet of floor space will be contained on the two floors of the building. W. B. Rushing and associates donated the land for the building.

Farmers Union Bridal Shower Announced

Texas Farmers Union state president Jay Naman challenged rural and city dwellers to "dedicate themselves to better mutual understanding through the celebration of National Farm-City Week," so designated by President Kennedy during the period of November 16-22.

Naman said: "Never before in history has a society owed so much to the agricultural producers. Never before has a nation's farmers fed the nation as well and at such a bargain. Never before has such a few farmers met the food and fiber needs of such a large Nation."

"The importance of agriculture and the dependence of our nation on its well being is clear. It is still our largest industry employing either directly or indirectly seven million workers more than are employed in the steel industry, automobile industry, public utilities and transportation combined."

"The wage earner should be aware that four out of every ten workers are employed in jobs created by agriculture; and some ten million workers have jobs storing, transport-

ing, processing or merchandising farm products. Another six million workers have the job supplying the farmer with what he uses."

"We in Farmers Union commend those who will use the occasion of Farm-City Week to create in the minds of the people of our state an accurate image of the farmer and a better understanding between him and his city dwelling cousin."
