**MOORE**  
or Less

By Johnnie Moore

Last week when we were in Ruidoso with the Scouts, I was really impressed with the reception and treatment we received from the citizens of Ruidoso.

Even the Mayor came around to make us welcome and to wish us well.

One business man in town there on learning we had stayed outside the night before in below zero weather said, boy, I've heard it all now. He said "I almost froze in the house last night, and then a bunch of screwballs come along and spend the night outside."

I think the whole town of Ruidoso was the most hospitable I've ever seen though.

The mechanisms of our present Administration in the Nation's capitol, never stop amazing me.

Evidently trying to become our fair-haired boy JFK has uttered the magic words, "tax cut."

This is all fine and good. I'm quite sure taxes are way too high and that a great deal of the money paid by American taxpayers is just wasted anyway. We all gripe about how high taxes are and would like to see something done about it.

I do believe though that the 'something done about it' should be something realistic instead of the approach our learned president with his egg-headed planners have come up with.

The budget that Kennedy just handed to the Congress is calling for deficit spending of over \$10 billion.

In the tax cut, he is asking for a paid-in-to-the-government slash of some \$6 billion.

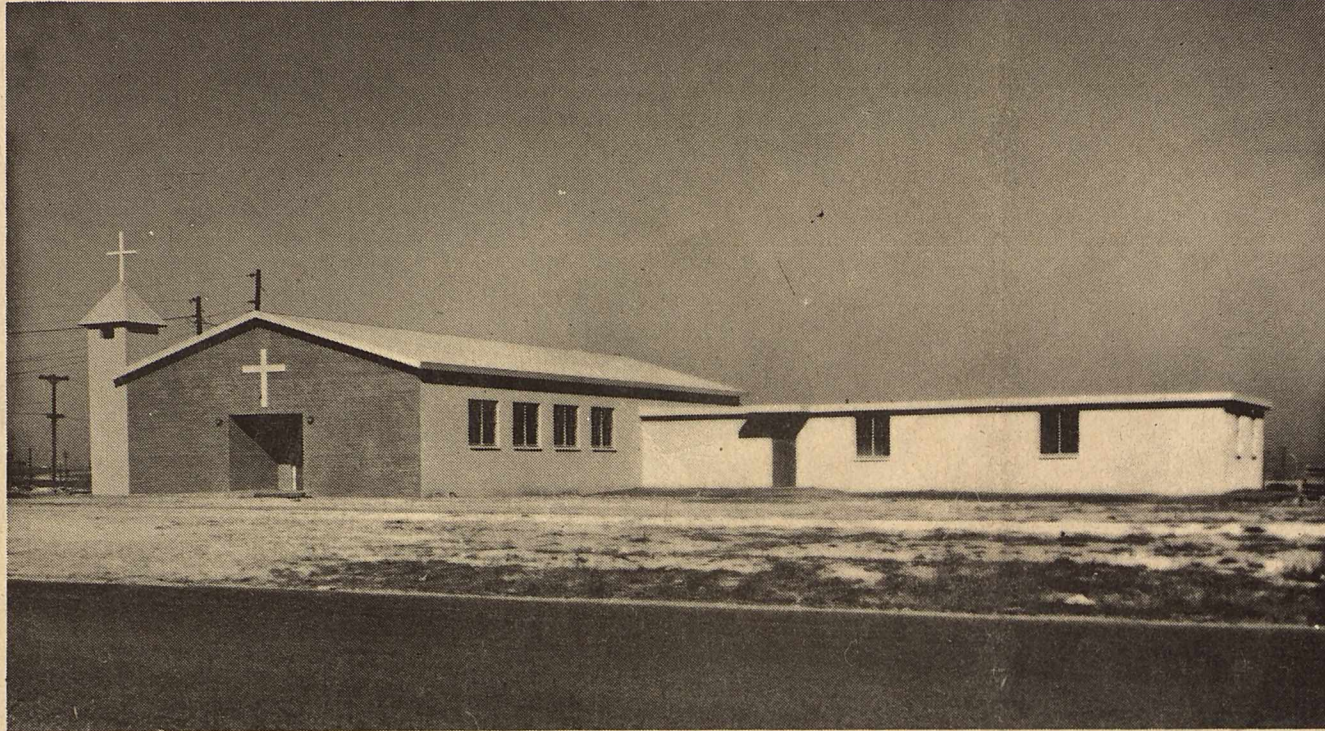

He is purporting to spend more money this year with less income to do it on.

Fine and dandy, but how? It surely seems to me that a balanced budget is in order on the present rate of the government's intake, before any such drastic cut would be in order.

Deficit spending breeds inflation, which is fast becoming the American way of life.

Sign of the times: I saw in a store recently that had all over its walls its trademark, "5¢, 10¢, 15¢ and \$1." also plastered all over their walls was another sign telling of their easy pay plan.

Did you ever stop to think that in proposing the Medicare Plan the Administration is in effect saying that you, Mr. and Mrs. American, just don't have the gumption to select the proper medical care for yourself.

DEDICATION SERVICES SET----Dedication ceremonies are set for Sunday, January 20, at 4 p. m. for the New Catholic Church in Plains. Bishop John J. Morkovosky of Amarillo will officiate at the services. The new church erected at a cost of \$30,000 will accommodate more than 180 people. The Catholic Extension Society of America donated \$10,000 toward the building of the church here. First Mass was offered in the new on December 16 of last year by Rev. McGrath, S. A. C. Many Priests and dignitaries from the Amarillo Diocese and from New Mexico are expected for the dedication.

## Appreciation Drawing Brings Big Crowds

A very fine response has been noted in the turnout at the cash drawing held the last two Saturdays in connection with the "Customer Appreciation Days."

Around 250 people have been reported present at each of the two weekly drawings.

Merchants also are reporting that more and more of their customers are making it a point to ask for their cash drawing coupons when they make merchandise purchases.

Cash Jackpot for this week will total \$196.00 of which some lucky person, who is present at the drawing, will

win some percentage, up to 50 percent of the total or, \$98.00.

Last week's winner was Mr. Dick Payne, and the percentage drawn on the ticket was 10 percent of the pot, which, for last week totaled \$182.00, thereby giving Mr. Payne \$18 in winnings.

Anyone present at the cash drawing on any Saturday who does not have a coupon in the drum, is asked to request one before the drawing starts.

Drawing this week is also at 4 p. m. on the lawn of the Old Court House.

## Report Best Year Yet Re-elect Bank Officers

All officers and directors of the Plains State Bank were re-elected and dividend was declared at the annual stockholders meeting on January 9, it was reported by Bill Loyd, President of the bank.

A fine year was reported for 1962, in fact the best year in the bank's five year history, and prospects are viewed as being very good for the coming year's business.

Officers of the bank are B.

E. Loyd, president; Lee F. York, inactive vice-president; J. D. Brown, vice-president & cashier; and Cordell Huddleston, assistant cashier.

Directors are A. B. Carpenter, Glenn Cleveland, Roy Fitzgerald, John J. Kendrick, B. E. Loyd, M. W. Luna, R. N. McGinty, W. B. Tudor, and Lee F. York.

Assets of the bank showed

a substantial increase over last year's total. At the end of 1961 total assets of the firm were shown to be \$2,655,879.78. Whereas, this year at the year's end assets totaled some \$3,417,755.25.

The fine growth rate of the bank here shows, in a measure the economic stability and growth of the Plains-Yoakum County area.

## C. Court Minutes

### Set County Wage Scale

Yoakum County Commissioners had a full schedule on Monday during their court session.

Regular business included approving reports of the various county officials and approving for payment the bills and hospital bills presented.

Other items of business attended to were the following: Hired Ruth Turner as Deputy District Clerk at a salary of \$10 per day.

Accepted the resignation of E. L. Hill as constable of Precinct No. 2.

Hired Audie Mae Thompson as County Home Demonstration Agent at a salary of \$192.50 plus amount paid by the State.

Voted to advertise for a County Depository for the years 1963 and 1964.

Hired Curtis Vandiver to audit the County and Hospital records for 1963 at an estimated fee of \$2,000.00.

Voted to place County Officials on salary basis for the year 1963.

Some adjustments were made in officials salaries, most notable of which is the \$75 per month raise to be received this year by the four County Commissioners.

A salary breakdown of all County officials can be found as follows:

## Cowboys Begin District Play

The Plains Cowboys, in the Seagraves Invitational Tournament, won handily in their first tilt, which was against Crosbyton.

The Plains quintet had their opponents 39 to 24 at half-time and completely overcame them 69 to 55 final.

High point scorers for the game were Ernie Anderson and Jimmy Harris with 18 big points each to their credit.

In the second game of the tourney on Friday night, the Cowboys were edged out by a determined Denver City five by a score of 35 to 41. High point scorer in that game was Ronnie Hendricks with 12.

In their bid for the third place trophy, the Cowboys were pitted against Brownfield, and led the Cubs all the way until the last of the fourth quarter when three of the Plains starters fouled out. The Cubs beat the Cowboys 44 to 42 in a real close one.

High pointers were Larry Williams with 11 and Ronnie Hendricks with 10.

In their last non-conference game, the Cowboys, this week travelled to Denver City

for a return engagement with the Mustangs.

Many who saw the game say it was the Cowboys' best game of the season so far.

Statistics show that Plains, in their field goal attempts, made 18 of 39 attempted and that only five shots were even tried outside the 10 foot mark.

Three of those five were made. Lay-ups and short jump shots accounted for practically all the Plains points.

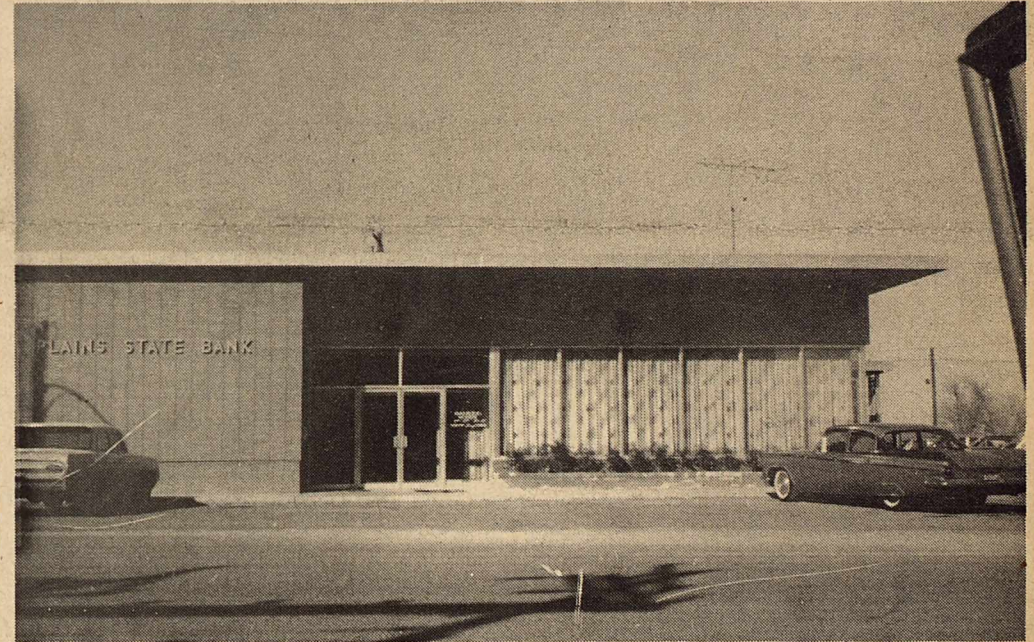

The game began with the Cowboys jumping off, with two lay-ups, to a four to nothing lead.

The Mustangs fired back and tied the score at four all, and later in the game at 10 all. Outside those two times, the Cowboys led all the way.

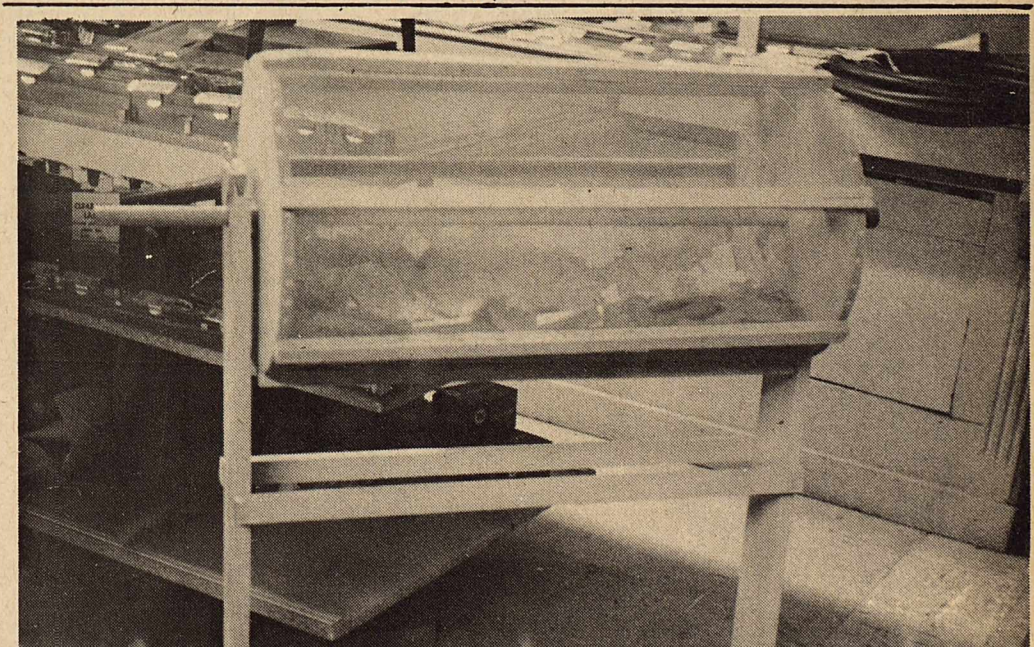

First quarter score was 12 to 10. Second quarter was 23 to 17. Third period was 38 to 31 and final score was Plains 47 and Denver City 45.

Anderson was high point man with 16.

The Cowboys start Friday, with a big tilt against Seagraves there in district play. Then on Tuesday of next week they meet Wink here.

PLAINS STATE BANK----Recently had their annual stockholders meeting. All officers and directors were re-elected. Best year yet was reported and prospects for 1963 are said to be very good.

COUPONS GALORE----The drum out of which some lucky persons name will be drawn in this Saturday's Customer Appreciation Days' cash drawing is getting lots of tickets inside, showing how very well the program is being accepted and used by Area Citizens. Make sure you have plenty of coupons inside so you can get in on the fun. Drawing is set again for 4 p. m. on lawn of the old Court House.

## Lions To Challenge Farmers

to a game of basketball. This, though, is just a part of the story. The game will be 1;

If you are in need of a good laugh, be at the old gym here in Plains on the night of February 4.

Members of the Plains Lions Club have challenged the local chapter of Young Farmers

be played with each of the 10 players mounted astride a mean, contrary, honery, donkey.

Proceeds from the night of mass confusion will be, for

the most part used in building the fund for the proposed construction of a new Scout Hut here in Plains.

Plan to be on hand for a lot of fun and to help out a real worthy and worthwhile cause.

Exact time and admission charges will be announced real soon.

## Poll Tax Still Required Deadline Is Jan. 31

It was pointed out this week by Yoakum County Tax Assessor-Collector, E. W. Craig, that it will still be necessary, for this year, 1963, at least, to have a paid poll tax receipt to be eligible to vote in any elections which might be held during the year.

It is quite possible, he said, for such things as bond elections and other items to come up for vote even though this is an "off-year" election wise.

Many Texas citizens may have been confused by the item which appeared on the bottom of the ballot used in the May 5, Primary elections. The item asked for a vote of

yes or no on whether or not to do away with the poll tax as a requirement for eligibility to vote in Texas. The majority of Texans voted to do away with it, but it should be understood that this was only a referendum vote and did not do away with the poll tax.

It will be necessary, in order to do completely away with the tax for a proposed constitutional amendment to be passed by the state legislature and to be ratified by the people of Texas in the next General Election which won't be held until 1964.

Deadline on securing your Poll Tax is January 31.

## Odd Fellows Note Burning

It was announced earlier this week that a big occasion is just around the corner for members and friends of the local Odd Fellows Lodge.

A free chicken dinner, to which the public is most cordially invited, is set for January 31, beginning at 8 p. m.

Occasion for the big feed is a note-burning ceremony, signifying that the local Lodge Hall is completely paid for.

Thanks were expressed by local officials of the Lodge to officers of the First National Bank in Brownfield, and especially to Mr. Bill Loyd, President of the local Plains State Bank for their help.

## First In Series Farm Labor Day Set

Farm Labor Day will be conducted in Plains by the Texas Employment Commission to assist farmers and ranchers to locate suitable workers for the coming year.

Joe Spears, of the local office, announced that the first of these occasions will be held on Wednesday, January 23, from 1 to 4 p. m.

Purpose of Farm Labor Day is to bring experienced farm workers and farm employers together where they can talk, person to person, about their

needs. Since preparation for the coming year's crop is already starting, an increased demand for tractor operators and farm hands is seen.

Spears states that a number of farm workers in the Plains, Denver City, Brownfield area will be available for a personal interview.

He stated further that there is no charge to employer or worker for this service, and no obligation to hire or accept employment is assumed by either party.

MOLLIE COURTNEY----who manages the local Yoakum County Federal Credit Union is shown at her desk. Federal auditors just completed their annual check of the local credit union and report that it is in the finest shape ever. Annual meeting is set for January 24.

# Scouts In Ruidoso Hills

Twenty scouts of Plains Troop No. 778 braved the elements to attend a winter trip, held last weekend in the wilds of the mountains near Ruidoso in New Mexico.

The scouts, accompanied by troop leaders, Gene Young and Johnnie Moore, and by Mr.

Jerry Reese, the District Scout Executive from Brownfield, and by Mr. Jesse Hale and Truitt Jones of Plains, all reported that a fine time was had on the trip.

Six inches of snow was already on the ground to greet the group when they arrived, and an additional 10 inches

fell on them during the night. To add further to the problems already existing, the temperature dropped down to an unexpected 7 degrees below zero.

Reports are that even with sleeping bags and tepees for protection, this is still cold. Scouts and adults were said

to have made it just fine, however through the night.

The next night temperatures dropped to a mighty low 26 below zero and the scouts were billeted in the scout hut in Ruidoso.

Scouts returned to Plains late Sunday evening and the reports are that all (except maybe for a couple of the adults) are ready to go do it all over again.

H. B. No. "B" By Rep. R. H. (Dick) Cory Dist. 76, Victoria

A BILL TO BE ENTITLED an act creating the Commission or Organization of the Executive Branch of the Government to promote economy, efficiency, and improved services in the transaction of the public business; and declaring an emergency.

PROponents of this legislation say a "Little Hoover" Commission would study business transactions in the various departments, bureaus, agencies, boards, commissions and other areas of the Executive Department with an eye towards doing six things:

(1) Limiting expenditures consistent with essential ser-

VICES and functions; (2) Eliminating duplication and overlapping; (3) consolidating activities and surveying interrelationships;

(4) Abolishing unnecessary services and functions; (5) Insuring business-like purchasing practices, fiscal policies, fee systems, accounting systems, and spending methods; and (6) defining and delineating these executive functions, services, and activities.

It has been estimated by various impartial organizations that this particular legislation would result in a 5 per cent savings to the state on its total appropriation.

Therefore the bill should be voted FOR.

OPponents of this legislation say that a new tax-supported study commission is not necessary because the Legislature has not taken full advantage of the agencies and committees now in existence studying similar limitations of expenditures.

The Legislative Budget Bd. and the Texas Legislative Council, as well as the privately financed Texas Research League have all presented recommendations to the House and Senate--most of which have not been adopted.

Therefore a "Little Hoover" Commission could offer nothing new. Regardless of recommendations by any body the Legislature must still act on those recommendations before they become law--and it is doubtful that any more suggestions of the proposed commission would be adopted than have been of the existing agencies.

The question is: Why set up another commission and spend tax money for its existence when studies such as it proposed to make are already available and are not being acted upon?

# Yoakum Credit Union Annual Meeting

January 24, next Thursday, is the date that has been set for the Annual Meeting, this year, of the Yoakum County Federal Credit Union.

Members and prospective members are invited and urged to be in attendance.

Many many door prizes of varying value will be given away during the program. These prizes are donated by the businessmen of Plains.

The meeting will be held in the District Court Room in the new Court House.

Time set for the annual meeting was announced to be 8 p. m.

Also, another monthly cash drawing will be held on Saturday, January 26, at Woody's "66" Oil and Hardware.

Drawing this month will be for \$80. Time for the cash give-away is set at 5 p. m.

## Young Farmers Hear Adams

Steve Adams, Sales Manager for Harvey Stone Feed Handling Equipment Co. in Amarillo, was guest speaker for the Yoakum County Chapter of Young Farmers at their regular monthly meeting held on Monday, January 14 in the Vocational Agriculture building in Plains.

It was reported to have been a very interesting and informative meeting, having to do with sealed grain storage for use in cattle feeding operations.

## WSCS Meet

The Methodist Women met in the home of Mrs. Kenneth Hale for their regular meeting, on Tuesday.

Mrs. Walter Driver gave the devotional and the prayer was led by Mrs. John Fitzgerald.

Mrs. Charles Williams gave the lesson study, "Today's Children in Tomorrow's World"

Those present were Madames: Walter Driver, Bruce White, Wayne Chadwick, J. Mr. Tippet, Leo White, Johnnie L. Fitzgerald, P. M. Williams, Charles Williams, Jesse Hale, Bob Rucker, John Fitzgerald and the hostess. Fruit cake and punch were served.

From Kate Prince, Youngstown, Ohio: I remember the day but not the date. It was fall, 1900 and I was a small, six-year-old, uneducated child.

I arose with the sun. Dressing was a complicated process. Unmentionable, scratchy undies, long black cotton stockings, high top button shoes, buttoned with a button hook that always pinched near the top. Three petticoats, no less. A longish dress with long sleeves, buttoned down the back, trimmed with fancy braid. To top all this, a ruffy, big-shashed dimity pinafore.

Combing and braiding long hair was a painful process. My hair was parted north to south and east to west in four divisions. The front sections were braided so tightly my eyebrows were arched. The front braids were worked into the back braids, tied with a big ribbon.

After a big breakfast, mother took me only as far as the high, opened iron gates. A brick wall surrounded the campus and this low wall had an iron grill fence on top.

The school building was far back in the shady campus. The only redeeming feature was a latticed gazebo (summer house) where small girls played.

# Of Interest To The Women

## Tsa Mo Ga Hears Of Conservation

Tsa Mo Ga Club met in regular session Jan. 14, in the club house with Mr. J. W. Moore presiding. Each member answered roll call by giving something on "My Practice of Conserving."

Mrs. Norelle Sloan, program director, introduced Mrs. Sperm Henard who spoke on the "Romantic History of El Sal Del Rey case and the constitutional amendment aimed at it that the State of Texas would own all the oil wells in Texas as well as all other minerals today. She explained that "El Sal Del Rey", meaning "Salt of the King", is a 600 acre salt lake, now owned by Wyatt Hedrick, Loyd Bentsen, and others; and is located in Hidalgo County. Its romantic history dates back to 1798 when Don Juan Jose Balli was granted the land around El Sal Del Rey by King Charles III of Spain, but the Spanish king proclaimed that the crown owned all the minerals, including "juices of the earth", of private lands. This concept of ownership of minerals continued under three distinct governments, Mexican, Republic of Texas, and the United States. Up until 1866, the State of Texas, following the laws of Spanish King Charles III and similar Mexican laws on state ownership of minerals, had claimed to be the proprietor of El Sal Del Rey.

The program director then introduced Mrs. Harvey Stotts who gave an informative report on "The Chamizal Puzzle" which concerns the claim of both the United States and Mexico to ownership of part of the city of El Paso. This is an area of around 600 acres lying along the Rio Grande River, a part of which includes the present business district of El Paso. In the early days of the development of Jaurez and El Paso there was no reason for dispute of The Chamizal since it lay in the flood plain of the Rio Grande and was undesirable land. However, the fact that this land lay in the river bed and that the river channel has changed from time to time due to flood and erosion has made the controversy more difficult of settlement. The river channel became important at the close of the Mexican War in 1848, when the Guadalupe Hidalgo treaty was drawn up. Two commissioners, Emory and Salazar, were appointed to establish the boundary between the U.S. and Mexico. They surveyed the river near El Paso and marked the river course which set the northern boundary of Mexico's land claim, known as The Chamizal. The Mexican boundary was to follow the middle of the Rio Grande River to the Gulf of

Mexico. In 1881, four railroads were built into El Paso. During all this time, constant disputes arose over the title to The Chamizal. These were eased in 1907 when both the United States and Mexico agreed to maintain the status quo until the ownership of the tract could be settled finally. At present, the laws of the United States are enforced in the disputed area. Unlike other points of entry along international boundaries, the

bridges are bare of boundary monuments. In keeping with the theme of Conservation, Mrs. Sloan introduced Mrs. Glenn Cleveland who read three poems, "I Hear America Singing" by Walt Whitman; "It is a Strange Thing to be an American", by Archibald Mac Leish; and "A Prayer for Every Day", by Mary Carolyn Davies. The meeting closed with a social hour. Hostesses for the occasion were Mrs. J. W. Moore and Mrs. Dorman Scott.

## State Line HDC Meeting

The State Line Home Demonstration Club met Thursday afternoon in the home of Mrs. Terry Bacon with Mrs. Lee Roy Box presiding. Bayne Bacon, age 4, played six selections on the piano. Tammy Bacon, sang several songs.

Mrs. Tom Box gave a True-False test on Parliamentary Procedure and let the discussion on parliamentary rules. Next meeting will be Jan. 24, in the home of Mrs. Hayden Box. Lemon cokes and cookies were served Mesdames; Leon Thompson, C. A. Stewart, R. G. Hartman, Hayden Box, Tom Box, Lee Roy Box, and the hostess, Mrs. Terry Bacon.

"The doctor will be with you in a minute—please be seated."

The Bidding:  
 North Pass East Pass South 1 ♦ West Pass  
 1 ♦ Pass 3 ♦ Pass  
 4 ♦ Pass 4 ♦ Pass

Opening lead: Three of hearts.

West wins opening lead with the king of hearts and returns deuce of spades. North takes the spade trick with the ace; then draws the trumps in two more rounds, ending on the board. North then plays the five good diamond tricks sluffing one heart and one club from the closed hand. North then plays the two top clubs from dummy, trumps last club in closed hand and then trumps the last heart in the dummy to make six.

COMMENT: This hand was no trouble to play. South was too timid in the bidding. When South knew that North had good support, the slam effort should have been made by requesting aces.

## Food Winners

Here's a good frosting for pancakes: blend together 1/2 cup of corn syrup with 1 cup of strawberry preserves and pass with warm cakes right from the griddle.

Here's a pretty dressing for a fruit salad: beat together 1/2 cup currant jelly, 1/2 cup corn oil, 2 tablespoons lemon juice and a few grains of salt. Chill and stir before serving.

Packing lunches? Place sliced peaches with some maraschino cherries in a covered plastic container and send along with a plastic spoon for dessert. For a family hot bread add

some chopped ripe olives, a little instant minced onion and a pinch of dried dill to the mixture before baking.

Prepare aspic the way you like and add zip to it with some horseradish, deveined shrimp, crisp green pepper bits and quartered olives.

A tasty, Spring-like salad can be made from sliced fresh dates, orange sections, cottage cheese and salt.

COVER CROP---of small grain planted last August and September are now doing a good job on good conservation farms. A. O. Williams northeast of Denver City uses as is shown above, wheat as a winter cover for clean land and a pasture for livestock.

Treasurer of Yoakum County, Texas

COMMISSIONER'S COURT  
Yoakum County, Texas  
In Regular Session  
January Term, 1963

WE, THE UNDERSIGNED, as County Commissioners within and for said Yoakum County, and the Hon. Stanley Duvall County Judge of said Yoakum County, constituting the entire Commissioners' Court of said County, and each one of us, do hereby certify, that on this, the 14th day of January A. D. 1963, at a regular term of our said court, we have compared and examined the report of Susan V. Hinkle, Treasurer of said County, for the period beginning on the 1st day of October A. D. 1962 and ending on the 31st day of December A. D. 1962, and finding the same correct have caused an order to be entered upon the minutes of the Commissioners' Court of said County, stating the approval of said Treasurer's Report by our said Court, which said order recites separately the amount received and paid out of each fund by said County Treasurer since his last report to this Court, and for and during the time covered by his present report, and the balance of each fund remaining in said Treasurer's hands on the 31st day of December A. D. 1962 and have ordered the proper credits to be made in the accounts of the said County Treasurer, in accordance with said order as required by Articles 1636-1637, Chapter 1, Title 34 of the Revised Statutes of Texas, 1925.

And we, and each of us, further certify that we have actually and fully inspected and counted all the actual cash and assets in hands of the said Treasurer belonging to Yoakum County at the close of the examination of said Treasurer's Report, on this the 14th day of January A. D. 1963 and find the same to be as follows, to-wit:
