BOBBY TAYLOR---And his Grand Champion Mutton Lamb
(Billy and Jimmy Taylor won second and third)

GRAND AND RESERVE CHAMPS---In the Barrow division, Oscar Henard, in the foreground, was awarded Grand Champion Ribbon and Danny Holland, in the background, won Reserve.

Field, Henard, Taylor, Swann Top Show

Robert Field, Oscar Henard, Bobby Taylor and Harold Swann were exhibitors of the top animals in the Twelfth Annual Junior Fat Stock Show held last Friday and Saturday in the Yoakum County Exhibit Building. Sylvia McGinty and Danny Holland had the runner-up animals in the calf and barrow division. Sylvia's calf and Danny's pig were named Reserve Grand Champions of the show. Robert Field's calf and Oscar Henard's barrow were Grand Champions

while Bobby Taylor's Southdown lamb was named the Champion Mutton Lamb and Harold Lee Swann's lamb was the Champion Fine Wool Lamb. No reserve champions were selected in the Lamb division.

Robert Field's Grand Champion Steer was an 848 pound Hereford bred on the O 7 Ranch at Bronco which is owned by Robert's parents, Mr. and Mrs. R. K. Field. The calf was exhibited in the Light weight Dry Lot Class. Oscar Henard's Grand

Valuable Prizes Given at Annual Stock Show

In addition to the ribbons, rosettes and \$662.50 in premiums there were some other awards made to championship and showmanship winners. Just prior to the beginning of the sale the announcements were made and the awards were presented. Perhaps the most valuable award was the Hereford heifer donated by Sherm Henard to go to Robert Field for exhibiting the Grand Champion Calf. A Poland China gilt was donated by Rex and Harold Lee Swann and Oscar Henard took this gilt home as a result of his winning the Grand Champion honors in the barrow division.

Because there was no overall Grand Champion Lamb this

year, there were two lambs to go to the two champions. Billy and Bobby Taylor donated the Southdown ewe lamb to the exhibitor of the Champion Mutton Lamb. Bobby Taylor was the so he had to take back his half of ewe and he became the owner of Billy's half. The Barron brothers, Jim and Darrell, donated the fine wool ewe lamb and Harold Lee Swann is now in the sheep business because he exhibited the Champion Fine Wool Lamb.

The beef calf showmanship award donated by Bob Loewent to Sylvia McGinty who exhibited the reserve champion steer and the fourth place milk fed

Champion Barrow was a 213 pound Poland China which he raised from some of this fine registered Poland China breeding stock. The Champion Mutton Lamb exhibited by Bobby Taylor weighed 107 pounds. Bobby bought this fine Southdown lamb from Paula and Gary Beach at O'Donnell. Harold Lee Swann's Champion Fine Wool Lamb weighed only 85 pounds and was the winner of the Light Weight Fine Wool Class. The lamb was bred on the Aime F. Real Ranch at Kerville.

Sylvia McGinty's Reserve Champion Steer was an 840 pound Hereford bred by her father, A. E. (Dick) McGinty. The steer placed second in the Light Weight Dry Lot Class. The Reserve Champion Barrow exhibited by Danny Holland was a 193 pound Duroc which placed first in the Light Weight Barrow Class. Danny bought the pig through the Seminole Barrow Sale last fall. It was consigned to the sale by Mr. Oliver Goldston of Seminole.

Mr. Calvin Holcomb judged the lambs and calves and Mr. Paul Gross was the barrow judge. The following list gives the exhibitors name and the placing received. The classes are listed in the order they were judged.

Gain Contest Winners Told

The beef calf gain contest was won by Dan Field and the Lamb Gain Contest was won by Larry Felts. Dan's Santa Gertrudis steer gained 741 during the 279 day period for an average daily gain of 2.65 pounds. Larry Felts came close to winning two gain contests by placing second to Dan with his Santa Gertrudis. Larry's big lamb

started the gain contest weighing 87 pounds on October 5 and he weighed in last Thursday afternoon at 164. The fine wool lamb gained 77 pounds in 30 days to his average daily gain was .558.

The beef calf gain contest is sponsored by G. W. Cleveland. He presented Dan with an en-

\$15,108.10 Paid for Show Stock

The sale of all livestock last Saturday afternoon under the direction of Auctioneer Hank Matthews was considered to be another excellent sale. The 30 beef calves weighed 25, 213 pounds and sold for \$8, 627.54 making an average of \$34.21 cwt or \$14.60 cwt above the floor price. The 52 barrows weighed 10, 617 pounds and brought \$3, 927.86. Four-H and FFA members received an average price of \$36.99 cwt. for barrows last Saturday which was \$21.89 cwt. above the floor. The floor price on lambs was set at \$16.00 cwt. but the exhibitors exceeded the figure by \$54.64 cwt. The 37 lambs weighed 3, 613 pounds and sold for \$2, 552.80 so the average price for lambs was \$70.65 cwt.

The buyers were very generous when they bought 119 head of livestock valued at \$7, 224.84 and paid an additional \$7, 883.26 for them to make the total sale run \$15, 108.10.

The following list gives the owner of the animal, the weight of the animal, the buyer and the price per pound. The animals are listed in the order in which they came through the sale ring.

PUBLISHED EACH THURSDAY AT PLAINS, TEXAS

Entered as second class matter at the Post Office at Plains Texas, under the act of Congress, March 3, 1879

SUBSCRIPTION RATES: \$3 per year in Yoakum and Terry Counties; \$4 per year elsewhere.

Legal Notice

NOTICE TO BIDDERS

Sealed proposals addressed to the Honorable Mayor and City Council of the City of Plains, Texas, will be received at the office of Bob Long, City Secretary, until 4:00 P.M., CST, March 5, 1964, for furnishing all necessary materials, machinery, equipment, superintendents and labor for constructing certain Water Works and Sanitary Sewer Improvements for the City of Plains, Texas.

The principal items of work consist of furnishing and installing of approximately 150 lin. ft. 8 - inch, 1,100 lin. ft. of 6-inch and 150 lin. ft. of 3-inch Water Lines in the water distribution system and other miscellaneous items such as gate valves, fire hydrants and other water works appurtenances; and approximately 1,100 lin. ft. of 6-inch vitrified sewer lines at varying depths of cut to 12 ft. depth including the necessary manholes, cleanouts, branch connections and other miscellaneous items and appurtenances to the sanitary sewer system; and 1,100 lin. ft. of trenching only for gas lines.

Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of the City of Plains, Texas, in an amount not less than five (5%) per cent of the largest bid submitted as a guaranty that the Bidder will enter into a contract and execute bonds and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

The Successful Bidder must furnish Performance and Payment Bonds on the forms provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves

the right to reject any or all bids and to waive formalities, and to accept the bid which seems most advantageous to the Owner's interest. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "Unbalanced") unit prices will authorize the Owner to reject the bid.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, page 91, chapter 45, (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing rates of wages as established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications.

Information for bidders, proposal forms, specifications and plans are on file at the office of Bob Long, City Secretary, City Hall, Plains, Texas, and at the office of Parkhill, Smith & Cooper, Inc., Consulting Engineers, 201 Avenue R, Lubbock, Texas.

Copies of the Plans and Specifications may be secured from Parkhill, Smith & Cooper, Inc., Consulting Engineers, 201 Avenue R, Lubbock, Texas, upon a deposit of \$10.00 as a guarantee of the safe return of the plans and specifications. The full amount of the deposit will be returned if a bonified bid is submitted and Plans and Specifications are returned within five (5) days after receipt of bids, or in case no bid is submitted, if plans and specifications are returned on or before date of receipt of bids; otherwise, the deposit will be forfeited.

PLOWIN' Out the CORNERS

By Uncle Zeb

Along with a million other folks Uncle Zeb is both snowed in and snowed out. . . . If I am at home I am snowed in. . . . If, on the other hand, I am out trying to feed a bunch of hungry cows, it could well be called snowed out. . . . Later on I wanted to set aside a special day to enjoy all this good moisture. Right now the worry of getting the livestock cared for takes away most of the enjoyment. . . . No one would deny that this is a million dollar snow, but, with a bunch of half frozen and hungry cattle calling for you it is pretty easy to accumulate worries to last into the night. Seriously, we can all find so much to be thankful for in the record snow.

Speaking of something to be thankful for, I guess we could think of a million things. For instance, we wondered what in the world could we use to fill up our column this week. As if in answer to our wish we received a letter from a good friend that took care of the situation in a grand way. . . . It came from Mrs. Mabel Hansen, Box 142, Thomas, Okla. She, along with her daughter and husband, usually go to Red River for their summer vacation about the same time that we are there. Anyhow, along with her good letter she sent enough material for a column. If you like her favorite sayings please drop her a line to the above address . . .

First of all she says, "One nice thing about getting old is that you don't have to do anything you never have wanted to do."
If you have to carry a chip on your shoulder get in a lumber camp where it won't show.
There is little use to talk about your grandchild to anyone.

CLEATUS PHELAN IN RACE FOR COUNTY ATTORNEY

As the dates for the several elections that are scheduled to take place this year are coming closer, several additional things have been taking place.

During this week, Mr. Cleatus Phelan authorized The Record to make public his intention to seek the office of County Attorney here in Yoakum Co.

Phelan, presently has his law office located with his brother in Levelland, Texas, but it was explained, that he did establish legal residence here within the required time limit.

He is contesting for the office against a full field with Vernon Townes, incumbent, Don Hancock, Plains Attorney, and Claude Freeman, Denver City Attorney, all seeking the post.

In other action it was reported this week that in the City level offices that are up for grabs this year, one, and only one candidate has announced for each of the four offices to be ballotted.

Mr. Vance Glover and Mrs.

Edd Hunter are the present holders of the two offices of City Council which expire this year. Hunter has announced his intention to seek re-election, but Glover has stated he will not be a candidate again this year.

Mr. Vennum Fitzgerald has announced his intention officially to seek the office of City Councilman also.

Also on the City level, Mr. Buddy Hannah has been the Mayor of Plains for the past year, and this office, so far, is being sought by only one candidate, Mr. Johnny Brown.

The other City office to be voted on this year is that of City Marshall, and for that office, incumbent, Duane McDonnell has announced.

And, today, Yoakum County Judge, Stanley Duvall revealed that Wednesday, March 4, is the final date when candidates may file for the offices of County School Trustee from precincts one and four. Carl Lowrey and Jake Dupree, incumbents in these offices have, to date been the only candidates to announce.

VOLLEYBALL GIRLS--- and their mothers had a big celebration dinner at Alma's when they returned from Denver City after winning first place in the invitational tournament there.

School Sets Open House

Next week in Texas has been proclaimed by Governor John Connally as Public Schools Week throughout the State.

All over Texas thousands of parents and other interested individuals will be going to our public schools to be shown the many things our children are doing and the methods by which they are being taught.

In Plains open house, to which all interested persons of the area are invited, has been set for Wednesday, March 3.

Teachers will be in their rooms to show visitors around and to answer questions from 7 to 8:30 p. m.

Immediately after that period, the speech students of the high school department are to present a short program in the high school auditorium.

Also from 5 to 8:30 the high school science club will, in the school cafeteria be serving a spaghetti supper.

Admission prices for the supper have been set at \$1.25 for adults and 75¢ for children in grades one through six.

SCHEDULE ROPING CLUB MEETING

Annual meeting of the Yoakum County Roping Club, it was announced, will be held on March 2, at 8 p. m.

The meeting is to be held in the new Courthouse here in Plains in the Commissioners' Court Room.

It was stated that it is important that all members and anyone interested in becoming a member, attend this meeting as the main business at hand is the reorganization of the club.

TIPS FOR OUTDOORSMEN

by Vern Sanford

- Prolongs Battery Life**
Between trips afield, reverse the batteries in your flashlight. Then if the switch accidentally is turned on, no harm is done, for the circuit will be broken. Then install the batteries properly when you're ready for your next trip out.
- Carpets for Traction**
A valuable item for the auto camper to have on hand, whether he's on the coast or inland, is two strips of old carpet, about 15 inches wide and six feet long. Keep 'em behind your spare tire. Next time you get stuck, slip the carpet strips under the rear tires for greater traction.
- Silent Whistle Useful**
Carry one of those silent dog whistles the next time you go deer hunting. If you see a deer with head down and you can't determine its sex, blow a blast on the whistle. Up will come the head and you'll be sure whether your target is a doe or a buck.
- To Loosen Gun Screws**
When it's time to oil up your firearms and you discover that some of the gun screws won't budge, heat them lightly with a soldering iron. It works every time.
- Freeze Fish in Ice**
To keep fish fresh in a freezer, try putting them in a pan of water first and freezing the entire tray. Next run some warm water over the pan. Out will come the cake of ice—fish and all. Wrap the encased fish—ice and all—in foil and pop it back in the freezer. The frozen water will seal the flavor in.
- Preserving Game Birds**
To keep game birds like quail and doves fresh in a freezer, put them in an old milk carton, fill it with water, staple it shut and freeze.
- Cover Muzzle With Shell**
To protect your rifle bore from dust and rain while in camp, cover the muzzle with an empty shotgun shell. It is waterproof and does the job. Just be sure you remove the cover before firing the gun.
- Keep Sharp Pencil Handy**
A good sharp pencil is a handy item to have on a fishing trip. The point is an ideal tool for taking the snarls out of a backlash.
- Coffee Grounds Useful**
Don't throw away those coffee grounds. Fill a large box with a couple inches of dirt, put fish worms in the box, then cover with fresh coffee grounds. This will keep 'em alive and as frisky as the day you caught 'em.
- Fooling the Rabbit**
If you jump a cottontail rabbit and miss your shot, don't give up the chase. A little strategy will put him in your sights again. Watch the direction the rabbit takes. Then travel in a wide circle and approach the spot, where the bunny disappeared, from the opposite direction. There's a good chance then that you'll get another shot.
- Hook Sharpener**
One of those emery boards the little lady uses in doing her nails is the perfect tool for sharpening fish hooks and keeping them in fine condition.

Rev. ROBERT H. HARPER ONE CHRISTMAS CARD

ONE OF THE Christmas cards I received was enclosed in an envelope with the postmark of Evanston, Illinois. Just as I did when a card came from Florence to which I referred last Sunday, I paused to wonder who in that section could be writing to me, and of course the thought came that I could open the envelope and see.

In the envelope was a beautiful card and a message written and signed by one who had been a small child when I knew her and the message brightened my whole day. The message was from one who had been in the church school of First Methodist Church in New Orleans and also in First Methodist of Baton Rouge. I remember her as a little girl with large brown eyes and altogether a sweet and beautiful face. She wrote: "Often think of the happy days with you at First Church in New Orleans and again at Baton Rouge."

I have written that the message stirred memories of auld lang syne, and fortunately I could see the winsome little girl in my mind's eye. But how does she look now? Is she stately and tall, and fitted to her part as housewife? For she signed herself as Mrs. _____ And she must still love the Church in which she was brought up, for she wrote of getting my address from Methodist headquarters in Evanston. Across the years I bless her for the joy she brought to me. We pastors do not always know what good we have done along the way and it is good to know of one who remembers beyond the years.

Tsa Mo Ga Hears Of Leadership

Tsa Mo Ga Study Club met Thursday February 13 at the clubhouse to hear a panel discussion on Leadership. Mrs. Ty Field, program chairman introduced the panel, and gave an introduction of the subject. She said men can never choose to live in a ruleless world. All that makes existence valuable to anyone depends on the enforcement of restraints upon the actions of other people. Therefore it is necessary to have leadership to help enforce these rules.

Mrs. Gene Payne discussed current affairs in world leadership. She said, the blockade of Cuba as discussed by leaders of England and the United States was especially important.

Mrs. Dickie Green told of eight prospective candidates for the presidency of the United States. Mrs. Buddy Hana gave some rules to be considered in planning programs for Tsa Mo Ga club. Mrs. Bill Loyd told of what she would like for the programs of Tsa Mo Ga to include. Mrs. Field gave a brief summary of the discussion, and said today's leaders should be aware of the current quest for equality, and ask if equality endangers personal liberty.

The nominating committee submitted the names of officers for the next term of office. Those elected were Mesdames Bill Loyd-President, J. W. Tippett, Vice President, Bert Bartlett-Secretary, E. W. Craig-Treasurer, C. F. McCargo-Critic, Norelle Sloan-Reporter, J. W. Moore, Jr. Federation Counselor, P. W. St-Romain - Parliamentarian, and Bob Blondell-Corresponding Secretary.

The meeting was adjourned for the social hour. Mrs. J. W. Moore Jr., Mrs. Polly Rushing and Mrs. Bo Stevens were hostesses and served refreshments from a table which carried out the Valentine theme.

The next meeting will be February 24, at the clubhouse with Mr. Mance King, and Mrs. Mollie Courtney as special guest speakers. Mrs. Courtney is local manager of retail merchants association, and Mr. King is area representative for Social Security.

BOWLING

Plains women bowlers this week took on Fay's Drive in Cleaners of Denver City team.

The Plains team, sponsored by Moore and Oden won only one game and dropped three, but managed to hang onto their sixth place standing in the 12 team league.

Carolyn Culwell was high bowler for Plains with a 432 for three games.

Shopping Scene
By Dorothy Owens Wright

Do you have the idea that those things we think of as convenience foods are more expensive to prepare than their old-fashioned counterparts? A recent U.S.D.A. study showed that such things as instant coffee, frozen orange juice concentrate and cake mixes are actually less expensive than ground coffee, fresh orange juice and homemade cake.

Whether you're counting pennies or calories or food values, you can count on cottage cheese. Just three-quarters of a cup gives you about half the protein you need for an entire day, the Fairmont Food people remind us.

Ever wonder how much of the American food supply comes from abroad? Last year, 13 per cent of the total food supply used by civilians in the continental United States was imported. Coffee accounts for more than half the imports.

Americans are eating twice as much sausage today as they did just 20 years ago, according to Armour and Company. Franks, weiners and bologna lead the popularity parade, but with more than 100 varieties being marketed, it's not hard to find one for every taste.

Are you aware that vanilla ice cream and chicken have replaced apple pie and hamburger as the most popular American menu items? The abundance of low-priced broilers and fryers accounts for the latter replacement.

Speaking of chicken, the Shenandoah Valley Produce Company supplies us with some information on those inspection and grading marks that you see on so much poultry. They're two different operations, both carried on during slaughtering and processing. Inspection is required by law for all poultry in interstate commerce, to determine its wholesomeness. Poultry grading determines its level of quality and about half of all poultry sold is federally graded.

You may want to stock up on beef for the freezer in the near future. The number of cattle on feed January 1 was less than a year ago and prices may be expected to advance by March.

Potato processing operations continue to grow. One of the largest processors in the country, Ore-Ida Foods, Inc., says that only 73 per cent of today's potato crop is sold in its natural unprocessed state. Potato chips, frozen french fries and other frozen forms and dehydrated products take better than a quarter of the crop.

The National Cotton Council reports that more all-cotton stretch fabrics will be seen in ready-to-wear sportswear this year. A number of major manufacturers are featuring garments made of such fabrics in resort and summer lines.

It appears that 1963 was a record year for tree nuts. The crop of the four major edible nuts — almonds, filberts, walnuts and pecans — was estimated at 308,000 tons, 80 per cent higher than 1962 and 38 per cent higher than average.

"RUMPELSTILTSKIN," a delightful children's fantasy, will be presented by the School of Speech and Drama of ENMU for

the annual Children's Theater tour. The Plains performance will be on March 2, at 2 p. m. in the school auditorium.

W. A. (Willie) Anderson, 62 died Sunday morning, February 16, in Las Cruces, New Mexico hospital after several months of illness. Willie was born at Elkhart, Texas May 25, 1901. He moved with his parents, one sister and six brothers to Floyd County in 1908. Then after his mother's death, they moved near Lovington, New Mexico, in 1909 and settled in the Midway community and lived there for a number of years. Later they moved near Plains and lived there where he ranched and farmed. He was married to Mildred Alexander February 23, 1921. Willie moved to Las Cruces, New Mexico in 1943. He worked for the Bureau of Reclamation for 20 years. He was a member and Deacon of the Mesilla Park Baptist Church. His father and older brother preceded him in death. He is survived by his wife Mildred; a daughter, Mrs. Paul Sullivan of Mesilla Park, New Mexico; two sons, Albert H. Anderson and Clifford Anderson of Plains; one sister, Mrs. Jennie Allen of Denver City; five brothers, Bennie of Weatherford, Texas, Charlie of Levelland, Texas, Walter and Wallace of Denver City, and Albert of Truth of Consequences.

PASTURES IN FULL SWING

Jones northeast of Plains operated by Truitt Jones. Raymon Sherrin of Tokio who farms 160 acres south of Pleasant Hill Gin was in and discussed a District plan and a Great Plains plan to help carry it out for his farm. Work was started on this program and should be completed soon.

W. F. Upton of Tokio discussed a fertilizer program for his dry land place NW of Tokio. C. C. Copleand plans to use 10-20-10, 200 pounds per acre on his bermuda grass to start, then to 16-20-0 in the summer. C. C. has been doing a lot of reading about irrigated pastures. He has been keeping up with New Mexico A&M and Oklahoma State. We need all the information we can get on just how is the best way to care for our irrigated pastures.

Local work unit personnel are continuing to work with each operator who has irrigated pasture to help them plan a stocking rate, fertilizer program watering plan and rotation grazing along with some source of pasture or feed before and after the season of use on irrigated pasture.

SARAH HUNT IS CONTEST ENTRY

Sarah Hunt is our school's 1964 Betty Crocker Homemaker of Tomorrow. She achieved the highest score here in a written knowledge and attitude examination given Dec. 3, 1963. General Mills, Inc., sponsor of the program, will award her a "Homemaker of Tomorrow" pin to signify her achievement, and her test paper will be entered in competition for state honors. The state Homemaker of Tomorrow will be awarded a \$1,500 college scholarship and will be named a national finalist. Her school will be presented with a set of Encyclopaedia Britannica, awarded by Encyclopaedia Britannica, Inc. The state's second ranking girl will receive a \$500 scholarship.

Jerrie Clem, local chapter reporter said that this is really a great honor to have. There are many girls which enter in this contest every year and the girl that does achieve this title should feel very honored.

At our meeting last Thursday Mrs. Green spoke to the FHA on the subject "Marriage". We all enjoyed and benefited from her very nice and educational talk.

Also, we elected the girl of the month for February and she was Linda Hinkle. Linda has helped with the bake sales and has also helped baby sit for the Young Homemakers.

What happens if you don't cash in your Savings Bonds when they come due?

You pay \$37.50 for a Series E Savings Bond and in 7 years and 9 months it grows to \$50.

But what if you don't cash it in?

Fact is it keeps right on growing.

At the current interest rate, when it's 10 years old it will be worth \$53.66. At 15 years its value will be \$64.52. And at 17 years and 9 months, \$72.50.

There's no trick at all to letting your E Bonds work overtime for you this way. You don't even have to remember to renew them. The Treasury Department does it automatically.

And while your growing Bonds are making you richer, they're helping keep America strong in a world where strength to stand up to the enemies of freedom is imperative.

It was further reported that Doctor Gillette would either sign the contract lease agreement or else give definite notice that he is not interested no later than March 9. He also stated that if he agrees to come to Plains that he would have the Clinic open and in full operation by no later than April 1.

Season Track Schedule Set

Plains Coach, Rip Sweell, reported this week that here at the beginning of the track season there are 24 high school boys out trying for places on the varsity track team.

Sewell stated further that so far, 15 leading candidates have come to the forefront and have so far impressed the coaches in their efforts to this point.

Leading contenders who are seniors include Mike Field, Morris James, John Robertson and Billy Stewart, Juniors are Richard Spencer, Bruce Long, Jack Lowe, Sidney Pippin, Larry Newton and Pharon Pharr. In the sophomore group those in the lead are Dennis Crutcher, Jimmy Smith, Ronny Eldore, Joe Cooke and J. E. Todd.

This Saturday, the boys, only ten of them that is, travel to Ft. Stockton for their first meet

which will undoubtedly be their biggest meet of the year as 63 different schools are entered.

On March 13, they travel to Wink for the Wildcat relays; on the 21st the Sundown meet; 26th play host for Cowboy relays; and on April back to Wink for the District meet.

MOORE or Less by Johnnie Moore

Sometimes, it seems, folks have a way of just falling into bad habits, seemingly without even thinking about them too much. A situation was called to my attention last week that occurred here, that I'm sure was just not thinking. The local fire department was called out to put out a pasture fire, which could become real serious as dry as our area has become. The red light on

top of the fire truck was ablaze and the siren was going at its highest pitch, but in spite of all these warning devices, the truck had to wait at the intersection to get onto the highway so that it could answer the fire call.

I was told that this has been happening a great deal lately, that folks just don't seem to be paying any attention to the red light or to the siren.

It might be enough to remind ourselves that we can be given a great big fat traffic ticket for such a flagrant violation, but it would seem to me if we just would stop and think a little, any responsible citizen wouldn't do such a thing.

Just a little application of the Golden Rule certainly applies here.

If it were your house on fire wouldn't you consider a fellow pretty inconsiderate who delayed the truck?

Tsa Mo Ga Style Show

Tsa Mo Ga Club met Monday, February 24, at the club house and heard two guest speakers. Mrs. Mollie Courtney manager of the local Credit Bureau, told of the bureau's organization and functions. She stressed the importance of keeping that credit good. Mr. Mance King, local representative for the Social Security Administration spoke on the services of social security. He said social security had nothing to sell and benefits could be collected on retirement, death or disability of the individual. The interest on the surplus is used to pay administrative costs of social security. Mrs. P. W. St Romain acted as program director and introduced both Mrs. Courtney and Mr. King.

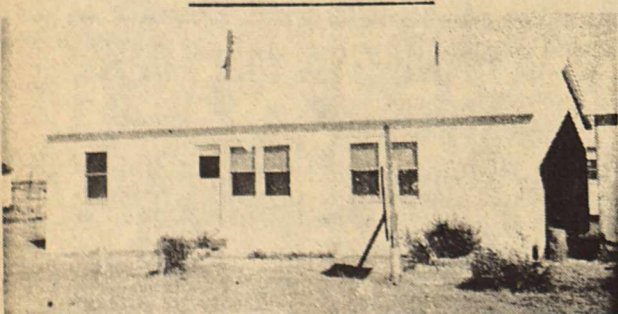

After a brief business meeting the group adjourned for a social hour with Mrs. Jack Hayes and Mrs. Paul Cobb acting as hostesses. Decorations were in see above right
