We hear that another step forward was taken in the drive to get a privately-owned and operated hospital for Plains.

As most of you know, there has been formed a concern known as the Plains Area Development Corporation. Its sole purpose is that of getting an adequate hospital facility for Plains and Plains area residents.

Plains Chamber of Commerce today voted to sell to that corporation one block of the land that the Chamber recently purchased and on which is now built the convalescent home. It was voted to sell it to the corporation for the same price as that at which it was purchased by the Chamber, about \$1,350.00.

Dr. Bill McCollough, Roy Edwards and Bill Loyd flew to Oklahoma City last Saturday for the purpose of interviewing some possible prospects to fill the Doctor vacancy in Plains. They report that they talked to several, but as yet have no firm committals to come to come to Plains and look over the situation.

President Edwin P. Neilan of the Chamber of Commerce of the United States said that President Johnson's spending authority requests have never been exceeded in the peace time history of the United States.

Mr. Neilan said that the President is really asking for \$108 billion for 1965, of which \$103.8 is in the 1965 budget and \$4.2 billion in supplemental spending "thrown into President Kennedy's budget, but most of which will be spent in 1965 and future years."

The new authority sought is in addition to \$90 billion already available in unused authority from previous years, Mr. Neilan said.

### PIPPIN HURT IN AUTO CRASH

At about 11 p. m. Friday Micheal Dean (Mike) Pippin was involved in an automobile wreck on F-M Road 435 about five miles south of the Brownfield highway.

After the car overturned, the youth, alone in the car,

## Ballot Position Drawing Told

Last week the County Democratic Committee met here for the purpose of drawing the ballot positions of the various candidates in the different County-level races.

Woody Woodward, County Demo chairman, reported the following ballot positions.

In the race for County Attorney the names will appear with Don Hancock, local attorney at the top and following will be Denver City attorney, Claude Freeman;

Denver City attorney, Cletus Phelan; and in 4th place on the ballot is the incumbent, Vernon Townes.

The three men running for the office of County Sheriff are to be listed on the ballot as follows: Olan Heath, Plains Deputy Sheriff; Woody Sullivan, Denver City Police Chief and incumbent Vester E. Sanders.

In the race for 90th District State Representative the order of the names will be Roy Edwards, W. A. (Judge) Bynum,

A. B. (Alf) Carpenter, Howard E. Ragland and Jesse T. George. Carpenter is a Plains area farmer; Edwards farms near Denver City; and Bynum is also a farmer, near Brownfield. Ragland, from Levelland, is a talent booking agent and George, a school teacher, is from Brownfield.

Plains resident, Dick Hamm, has announced his intention to challenge R. B. (Woody) Woodward for the post of County Demo Chairman. Hamm will be listed first on the ballot.

walked to a nearby farmhouse from which he was taken to Yoakum County Hospital in Denver City. He was treated there for cuts and bruises but his condition was described as being not serious.

Mike is the son of Mr. and Mrs. O. A. Pippin, who farm near the Tokio community.

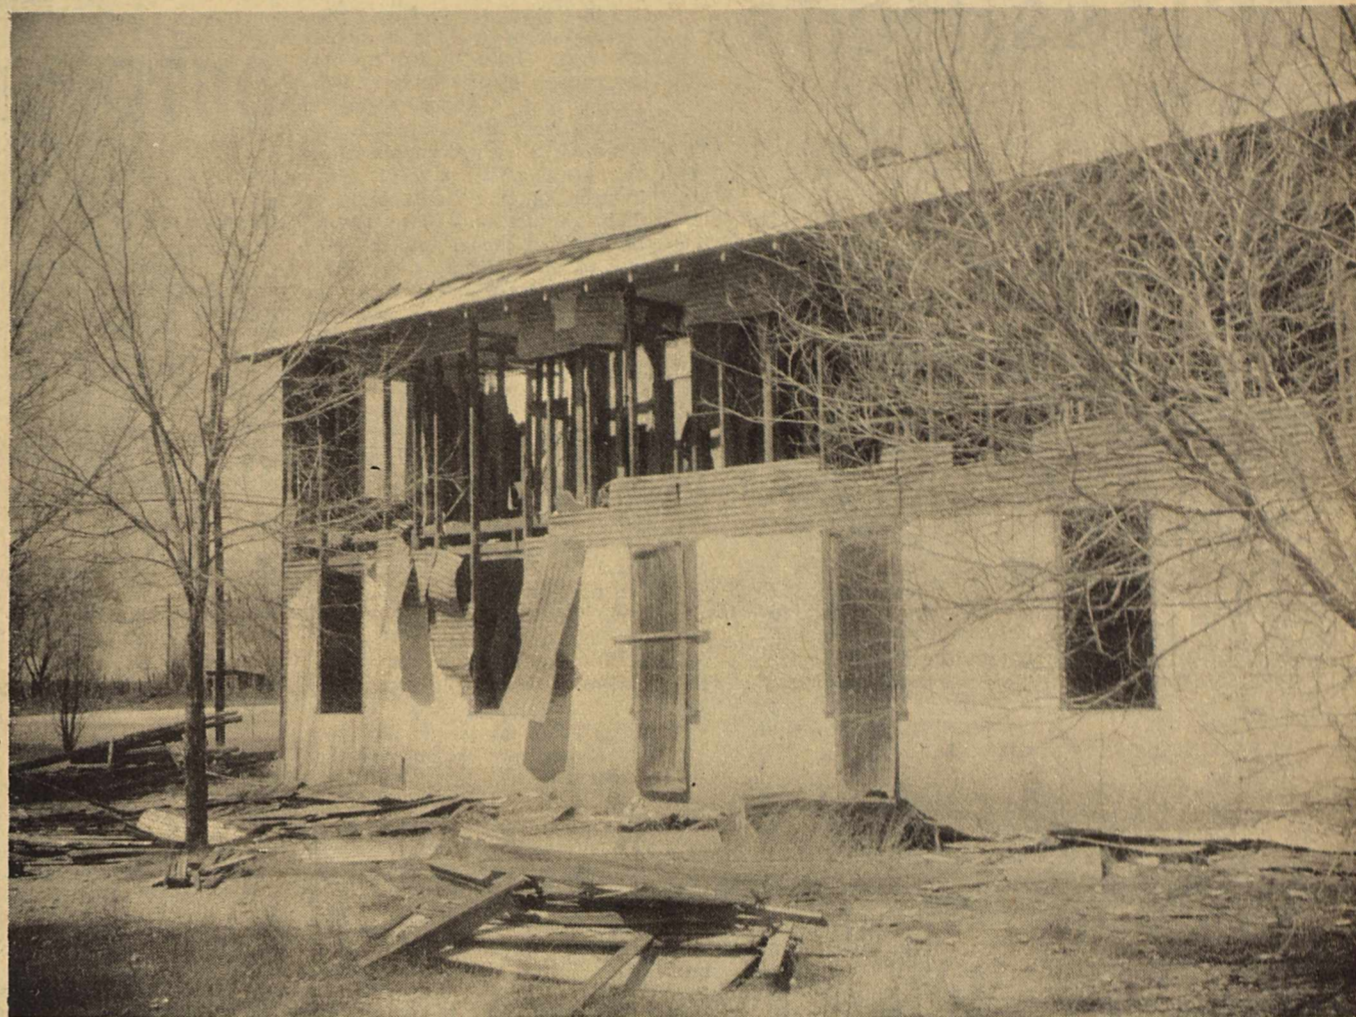

In answer to a great many questions which have been asked about the opening of the local convalescent home, the following is given by way of information.

The construction of the facility is now completely finished and the hold-up is said to be due to the delayed delivery of the various items of furniture which are neces-

sary for the home.

Personnel to manage the home has been secured and we are told that several elderly persons have already signed their intention to reside in the home as soon as it opens.

An exact date for the formal opening was not available because of the remaining uncertainty of the delivery date of the furniture.

OLD LANDMARK DISAPPEARING---The old Plains Hotel is being torn down and the lumber being salvaged and in the bargain something of a town eyesore is being done away with.

## Schedule Special Easter Services

Easter morning for Plains and area residents will again begin this year with the annual Easter Sunrise Service.

This annual event, sponsored by the various churches of Plains, will be participated in by the ministers of Plains Assembly of God, First Baptist, First Christian, First Methodist and the Latin American Baptist Mission.

All area residents are invited to attend the services, which are scheduled to begin

at 6:30 a. m. Sunday morning.

The announced program is to be as follows:

A hymn will open the program, led by Mr. Punk Cullwell. Scripture Lesson will be brought by Rev. Walter L. Driver of First Methodist and the Pastoral Prayer, spoken by Rev. Tarkington of Plains Assembly of God will follow. A second hymn will then be sung preceding the two sermons. The first meditation will be given by Rev.

James Bozeman of First Baptist Church on the subject of the Cross and the second by Rev. Johnnie Moore, First Christian minister, on the Resurrection. The closing prayer for the

services will be given by Rev. Albert Castro of the Baptist Mission.

The services are held each year in the local park.

### CUB SCOUTS PLANNING ORGANIZATIONAL MEET

Plains Cub Scout Pack 778 which has been inactive for the past several months now, is about to be revitalized.

Mr. Bob Loe has agreed to be the new Packmaster for the local group, and has announced that an organizational meeting will be held on this Tuesday evening, March 31.

Purpose of the meeting, which is set to begin at 7:30 p. m. in the Plains School's cafeteria, is to ascertain just how much interest there is in

the reorganization of the Cub Scouting program in Plains and in the surrounding area.

All area boys from eight through ten years of age are urged to be on hand at this meeting for the purpose of being possibly placed or at least counted for placement in the two to four dens which will make up the local Pack.

Loe also stressed the fact that the parent or if possible, both parents must accompany their boys to the meeting.

### TATUM MAN CHARGED IN GIN BURGLARIES

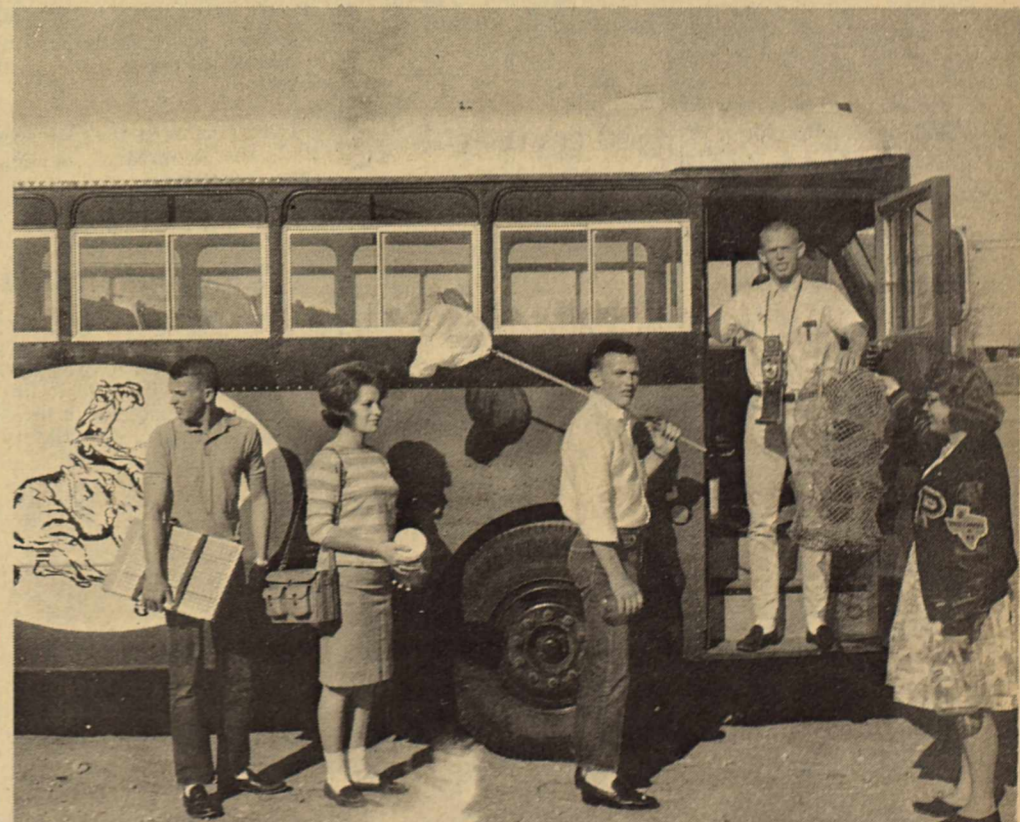

Olan Heath, Yoakum Co. Deputy Sheriff, reported today that charges had been filed in connection with a pair of robberies which took place in two different Yoakum County gins early last fall.

In the early fall both the Tokio Co - Op Gin and the Bronco Gin reported hand tools and related items stolen from their premises.

Value of the reported stolen goods from the Bronco Gin was estimated at \$200, and at the Tokio Co-Op near \$600, as the reported theft there was said to include an arc welder.

An eighteen year old youth, Leonard Ward, of Tatum, N. M., is reported by Heath to have admitted the thefts and several others, including the taking of various tools from several parked pickups in and near Brownfield, and several similar thefts in New Mexico.

Ward also is said to have named 24-year-old James Miller, a California resident, as his accomplice in the various robberies. Ward, still at large, is being sought by both Texas and New Mexico authorities.

LOADING UP FOR TRIP--- Above, left to right, are Bob-

by Taylor, Tonya Randolph, Danny Smith, Mike Field and Sue Edwards, getting ready

for the Plains High Science Club's trip to the Texas Coast region this weekend.

Plains High School's Band, the Cowboy Band, will travel to Levelland next Friday, April 3, to take part in the annual University Interscholastic League music contests.

tests, in this round, will be concerned with sight reading and with concert playing.

The marching portion of the contests were held back in November of last year and the local band has already

taken part in that portion of the contests.

This round of contests will last for two days, with Class A and B bands participating on Friday and Classes AAA, AAA and AA competing on Saturday.

Mr. Gene Young, local band director announced also that the high school band will present its annual Spring Concert here in the auditorium, at a time to be announced at a later date, on April 21.

## Cowboy Relays Off & Running

Annual running of the Cowboy Relays here was to begin today (Thursday) at the track around the football field of Plains High School.

Plains entrants in the big event are as follows: 440 Relay--Crutcher, Stewart, James and Long. 880 Run--Spencer, Lowrey,

Stroud. 120 High Hurdles--Field, James and J. Smith. 100 Dash--Crutcher, Newton and Wagley.

### UNCLE ZEB

Those who read The Claude News from "Kiver to Kiver" last week must have noticed the new top-dressing on this column. It was also as the editor said even to Uncle Zeb. Those who read this column in other papers may see this new heading later. The title Uncle Zeb doesn't depart from our original entirely but the picture looks for all the world like my mother's firstborn. If we do make a change in the heading for this column we would like to have the readers express their opinion first. This drawing along with the first one was made by Hut Hutson of Amarillo, Texas. Speaking of Hut, it is doubtful if you have picked up any newspaper in the entire Panhandle area without seeing a drawing from his talented pen. In a recent letter he expresses his idea of a small part of man's problem. Quoting from his logic: "The cranium is a hood around the brain, although protective it adds to the difficulty of reaching the organ by penetration of the skull." We might inject here that this could be why folks are often called hard-headed. Quoting further from our friend: "So, any assistance in reaching the brain of man would be more quickly through the sight, secondly through sound with a pondering message. Although a sharp stab or pain to the anatomy gets prior attention." End of quote. Moral of the above is that Hut has more talent for writing than Uncle Zeb has for art. Thank you Sir.

When I was a boy we never thought of doing some of the things young people do now, and that is the only reason we didn't do them

A grandmother today shocked at the length of teenies dresses. "In my day," said grandma, "we may have set our cap for a certain young man, but not our knee-cap."

Readers of this column in the Southwestern Crop & Stock and who live in the vicinity of Lubbock can now find our book in The Book Store.

The Federal Income Tax has just passed its half century birthday. When the law became effective under President Woodrow Wilson in 1913 the pre-capita burden on every man, woman and child at that time was \$3.50 per year. In 50 years this figure has grown to \$530 annually. This getting something for nothing just ain't necessarily so.

## OUTDOORS IN TEXAS

By VERN SANFORD

Fishermen have made a startling new discovery within the past few years. Although often the fastest fishing is to be had up near the surface, anglers have learned that frequently the biggest fish are to be found deep, right near the bottom. This is true of all our scaled species, from white bass to black bass, and occasionally the only place you can find any action is within proximity of the bottom.

One of the best baits for this kind of fishing is the ordinary silver spoon. Conventionally, an angler casts out a spoon and starts the wobbling chunk of convex metal back the moment it touches the surface. This makes it travel in a level plane a few inches under the surface.

The new twist is to allow the spoon to plummet to the bottom on a limp line, then take up the slack and sort of jig it along the bottom, raising and lowering it. This serves a two-fold purpose. It puts the spoon in a strata of water where there is apt to be more fish; and it simulates the crippled action of a minnow.

It makes good sense to change your retrieve periodically to give your lure more lifelike action. A minnow swimming naturally through the water won't draw as much attention from a hungry fish as will one that is obviously wounded, struggling, up and down. It stands to reason, then, that a lure with this

## NEED TO CHECK TAX RETURNS

District Director of Internal Revenue, Ellis Campbell, said that the percentage of correctly prepared returns has increased sharply in the past few years, but in numerous simple mistakes continue to show up.

Campbell said, "The best advice we can give on filing a return is when you complete it, resist the temptation to put it in the mail right away. Set it aside for a day or two, then give it a thorough review for omitted income or deductions, errors in arithmetic, printed name and current address, social security number, correct copies of W-2's, signatures.

Quite often, Campbell pointed out, the taxpayer will find that a review of his return will turn up mistakes he did not notice previously.

GORDON MCLENDON  
Democratic Candidate  
For U. S. Senator

Gordon McLendon, 43, is making his political debut as a candidate in the Democratic primary on May 2 for nomination as United States Senator. He lives in Dallas, is a veteran of World War II, and has extensive business interests. Early in his career he became known to radio listeners as the "Old Scotchman" through his broadcasts of major league baseball games and other features. McLendon was born on June 8, 1921 in Paris, Texas. His father, Barton R. McLendon, a lawyer, operated a group of motion picture theaters in East Texas, Southern Oklahoma and Louisiana. After graduating from high school in Atlanta, Texas, McLendon attended Kemper Military School in Booneville, Mo., and was graduated from Yale University with a Bachelor of Arts degree. During World War II, he was a naval intelligence officer in the combat area of the South Pacific. In 1943, he married Gay Noe, daughter of former Louisiana Governor James A. Noe. The McLendons have four children: Mrs. Kenneth D. Starnes Jr., Austin resident and University of Texas student; Gordon B. Jr., student at Cate School, Carpinteria, Calif.; Kristen Margaret, 13, and Anna Gray, 12, both students at Hockaday School in Dallas. The McLendons are members of the Methodist Church, and he is a former member of the Board of Stewards of the Highland Park Methodist Church, Dallas. After leaving the naval service in 1945, McLendon and his father formed a business partnership, principally in the broadcasting field. Together they own and operate radio stations in Dallas, San Antonio, Houston, Buffalo, Chicago and San Francisco. They also share interests in motion picture theaters, film production, oil and real estate. In 1951, McLendon was appointed Honorary National Commander of the Annual VFW Poppy Drive and the same year was selected as one of America's outstanding young men by the U. S. Junior Chamber of Commerce. He presently is a sponsor of the Chinese Refugee Relief, a nationwide charitable project. He also is an advisor in communications matters affecting the Peace Corps. McLendon has served as a member of Gov. Price Daniel's Water Development Committee and board member of the Texas Law Enforcement Foundation. He is a member of the board of the Richmond Freeman Memorial Clinic, the Dallas Theatre Center, the Dallas Symphony Orchestra, the Dallas Services for Blind Children, and the Variety Club of Dallas. Twice he has been president of the latter group.

## Know Your Candidate

JOE POOL  
Democratic Candidate For  
Congressman-At-Large

Joe Pool, whose size prompted one voter to declare him qualified for his office of Congressman-At-Large, this year seeks his second term in the only Texas Congressional office which represents the entire state. The Congressional candidate, who weighs 200 pounds plus and is five feet, six inches tall, won his present Congressman-At-Large seat in 1962. Pool, who is an attorney and businessman, also operates a farm in Madison County. He was born in Fort Worth. In 1913 his father permanently located his bedding manuf-

turing business in Dallas and Pool attended grade school there. He graduated from Oak Cliff High School in 1929. After working in California to save money for college, Pool attended the University of Texas. Later he transferred to Southern Methodist University, where he received his law degree. Congressman Pool's first race for state office was in 1952, when he was elected to the Texas House. He served three terms in the Legislature. During his tenure, Pool was co-author of the Trinity River Authority Bill; author of the bill now in effect to outlaw lewd and horror comic books; wrote legislation to require insurance law reforms; and supported humane society legislation. In the U. S. House of Representatives, Pool has served on the Un-American Activities Committee. He has introduced a bill that calls for the establishment of a new national park at Guadalupe Peak; and also one to authorize eradication of the phreatophyte growths which have infested the Pecos River to the point of curtailing irrigation. He holds a perfect attendance record in the 88th Congress. Congressman and Mrs. Pool, the former Elizabeth Chambers of Noamangee, Texas, are Methodists. They have four sons. Richard, 21, is a student at Southern Methodist University. The other three, Wesley, 13, John, 11, and Joe Jr., 8, live with their parents in Washington.

While king fishing in the Gulf of Mexico some fast action can be had by lowering a spoon right to the bottom and working it back in brisk stop-and-go jerks. The mistake made by most fishermen, unfamiliar with this system, is to work a bait too slowly, says Hill. It requires an entirely different technique on offshore species than it does with freshwater fish. "When angling for white bass, a slow up-and-down jigging motion usually will get the most strikes," he adds. "But with offshore species like kingfish, you've got to work the spoon fast, the faster the better. A king will pounce on a fast-moving spoon when it wouldn't give a slow-moving one a second look."

## On the lawn

WITH LARRY LAWRENCE

Have you ever noticed that it takes longer to get ready to do something than it does to do it? It's the same whether you're going to paint the cellar stairs, make out your income tax or feed the lawn.

Come the first nice Spring day and you decide to give the grass its first meal since last year. You've got the fertilizer. You've got the spreader. You're all set. Then you suddenly realize that the whole lawn is full of old leaves and twigs and junk of all kinds. So you go back and get a hard rake and set to work.

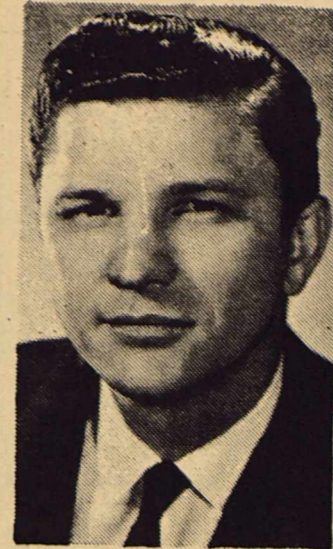

At least, you do if you're wise. And you bear down. You won't hurt the good grass but you'll yank out a lot of debris. Pretty soon you've got a pile of debris big enough to make a bonfire.

Putting on fertilizer is a cinch compared to curry combing. There are plenty of brands on the market but Turf Builder is probably the most popular. It's the only one that's Trionized, which is Scotts patented process that enables it to feed out nutrients slowly and as needed.

I figure that you can feed a 5000 sq ft lawn with Turf Builder in thirty minutes. That's pretty good when you consider what a satisfaction it is to have the greenest, sturdiest lawn in the neighborhood.

of 20 he was one of the youngest company commanders in Marine Corps history.

When Don Yarbrough came home from the war he enrolled in the University of Texas and worked part-time to help pay his way. He majored in history and government and went on to get his law degree in 1950. While on campus he won the National Intercollegiate Debate Championship.

He re-entered the Marine Corps to serve during the Korean War. On his return to Houston he founded his own law firm and took an active part in numerous civic enterprises.

In 1955, he served as one of the youngest presidents in the history of the Houston Junior Chamber of Commerce. During Yarbrough's year as president the organization grew into the largest chapter in the nation.

A member of Trinity Episcopal Church, Yarbrough was on the board of directors of Big Brothers and of Holly Hall (home for the aged). He served as chairman of the economics committee of the Houston Bar Association; and United Fund co-division chairman.

In 1959, Life magazine selected him as one of the 100 outstanding young men and women in the nation.

Don, 38, and his wife, the former Kay Kay Edwards, live in Houston. They have two children, Inez, 3, and Frances, 18 months.

Ever since he was a youngster in the depression 30's, Don Yarbrough has felt that a man should devote his life to doing things for others.

Yarbrough ran for lieutenant governor in 1960, and for governor in 1962. Now he is a gubernatorial candidate again... in the Democratic primary.

He grew up in Houston, where he was graduated from San Jacinto High School at the age of 17. He then enlisted in the Marine Corps and served in World War II. At the age

# All dressed up for EASTER

We know a dour old philosopher who always has something nasty to say about what makes others happy. His latest diatribe is against folks "parading to Church in all their Easter finery."

But he won't get far with his complaints. For, strange as this might sound, the modern Easter "outfit" has its root in the very meaning of the day.

Easter has always stood for newness of life. It marks Christ's victory over death. It promises an eternal destiny to those who embrace the Faith.

Easter puts old things away and brings out the new — as the Earth sends forth its verdure — as God reveals our Hope.

And if there is a glow of happiness in wearing that new dress or hat or suit . . . well, it's only a hint of the joy that comes with finding that New Life.

### THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regu-

larly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## SPECIAL SERVICES AT FIRST CHRISTIAN

Johnnie Moore, pastor of the local Christian Church, announced today that several special services are planned to emphasize the Easter Season at that church.

Thursday evening (tonight) a group of adults from the local church are travelling to Seminole for the purpose of providing choir and music for a special Holy Thursday Candlelight Communion Service at the First Christian Church here.

Then tomorrow evening

(Friday) the church here will have its annual Good Friday Candlelight Communion.

Moore pointed out that all area residents, members of all churches, are invited to participate in the service, highlighting the spiritual significance of Easter.

One further activity, begun last year by the local church, is again planned for this year. That is a prayer breakfast in the local park following immediately after the annual Easter Sunrise Services at 6:30 a. m. Sunday morning.

### GRAND OPENING

## Settle Eight Court Cases

121st District Court was held here last week and several of the 21 cases listed on the court docket were disposed of in one way or another.

The following cases were all settled out of court according to the official records and so will be taken off the docket. They are:

2184 Cecil G. Crawford, Et Ux vs. American National Insurance Co.

2189 Baker Oil Tools, Inc. vs. Jim Henry Ward.

2194 O. L. Hicks vs. Texas Employers Insurance Assn.

2198 A. N. Norman vs. Humble Oil & Refg. Co. Et Al.

2206 A. Eugene Eudy vs. Texas Employers Ins. Assoc.

2212 John B. Tarlton, Jr. vs. Texas Employers Ins.

2222 I. E. Reed vs. Houston Fire and Casualty Ins. Co.

Case No. 2000 was tried before a petit jury and the finding was for the plaintiff, Smith & Wardrup, Inc. and against C. V. Thornton, Inc., Et Al.

The other 13 cases were passed for various reasons and will be tried at a future session of the court, the next one being non-jury on April 1 and the next jury on June 8.

## Science Club Annual Trip

Science Club members of Plains High School leave tomorrow morning (Friday) on a field trip that will take them to the Texas Gulf Coast. They plan to be gone four days and three nights. The first night will be spent in San Antonio, the second in Aransas Pass, and the third back in San Antonio.

Many of the major vegetational types found in Texas will be observed on the trip.

The high plains grassland, the Edwards Plateau, the Coastal Plains, the Marshy areas of the bays, Padre Is-

land, and the mesquite-prickly pear associations of South Texas will be studied.

Friday afternoon the group will visit the Alamo and the Brackenridge Park in San Antonio. Saturday morning will be spent continuing to the coast.

After arriving at the coast, the group will visit Aransas National Wildlife Refuge. This is the winter home of the famous Whooping Cranes of which there are only about 35 left in the world. The marine laboratory of the Texas Game and Fish Commission will be visited at Rockport.

Science Club members also plan to observe and collect several species of marine animals at Port Aransas and at Padre Island. A boat ride in Corpus Christi Bay also is planned.

Most of Monday morning is to be spent at Garner State Park and the group plans to be back in Plains by about 9 p. m. Monday evening.

Students who plan to go on the trip are Tonya Randolph, Ann Lattimore, Dana Bryson,

## Carolyn Murphey To Wed June 4

Mr. and Mrs. T. J. Murphey of Plains have announced the engagement and approaching marriage of their daughter, Carolyn, to Mr. Jerry Garner of Denver City. Garner is the

son of Mr. and Mrs. Clyde Nelson of Denver City.

The wedding is scheduled to take place on June 4, at 7 p. m. in the First Baptist Church of Plains.

## Tsa Mo Ga Hears Of Art

Tsa Mo Ga Club met Monday evening, March 23, in the Clubhouse with Mrs. J. W. Moore presiding. Members present answered roll call by giving "My Favorite Literature". Mrs. Moore then introduced Mrs. Glenn Cleveland who was program director of the evening.

Mrs. Cleveland, chairman of Fine Arts, opened the program by giving some quotations on the place of the arts in everyday life, one of which was "Art is nothing less than a way of making joy perpetual." She also referred to Thomas Carlyle's statement that "a collection of books is worth any man's university". The program for the evening dealt with one phase of the arts, literature and drama. The following cast presented a story-drama, America the Beautiful. Mrs. Cleveland played the part of Katharine Lee Bates, College Professor, Three fellow teachers were Jane, Mrs. Kenneth Hale; Alice, Mrs. Dick Hamm, and Mary, Mrs. T. J. Bearden. The Narrator was Mrs. Bert Bartlett and the pianist Mrs. Darrell Lindsey. The drama portrayed the circumstances leading up to and including the writing of one of our best loved patriotic songs, America the Beautiful, written by Katharine Bates in 1893. The program closed by the group singing the song.

Mrs. Wayne Chadwich then presented a film, "The Research

Story", which was provided as an educational service by the American Cancer Society.

After the close of the program, Mrs. J. M. Tippet gave a short report of the district convention held at Levelland March 19-20. She presented two district awards won by this local club. One was a first place award in the department of Old Homes and Monuments of the Texas Heritage Division.

The award was given for the work accomplished by the local club in preserving one of the first houses in Yoakum County which was used as a bonus shack. This house was donated to the club by Miss Sue Stevens and is now the Tsa Mo Ga Memorial Museum which is available to the public by calling any member of the club. The other award was for one hundred present subscription to the Texas Clubwoman. Mrs. W. T. St. Romain who also attended the convention told of the first place awarded to her as divisional chairman of the Texas Heritage Department. This was for the best divisional report selected from all those turned by the various divisional chairmen.

A social hour followed the program. Members and guests were served from a very attractive table carrying out the Easter Theme by P. W. St. Romain and Mrs. Buddy Hanna who were hostesses for the evening.

Sandy Randall, Brenda Blair, Jana Warren, Nancy Tippet, Loretta Taylor, Sue Edwards, Danny Smith, Bobby Taylor, Myron Goehry, Fred Blount, J. E. Todd and Mike Field.

one of austerity."

Mr. Neilan, who is President and Chairman for the Bank of Delaware, Wilmington, said

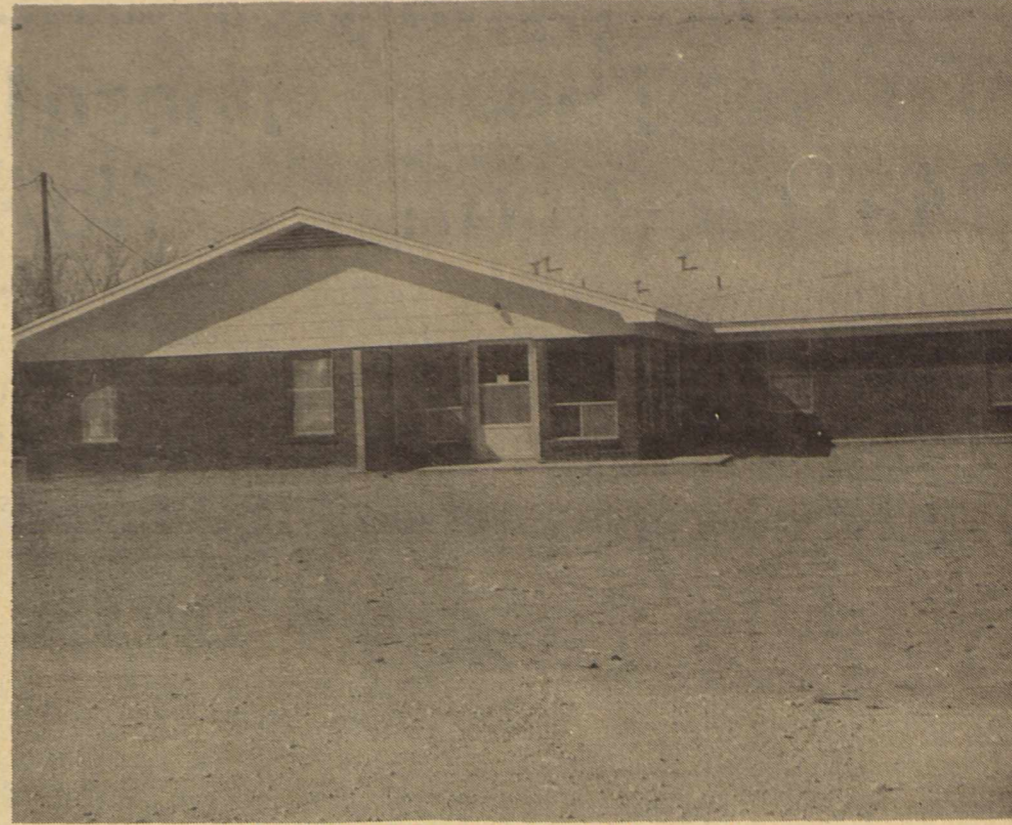

that only in World War II "when nothing was being left undone to achieve victory," has an Administration asked for more spending authority.

The Chamber's Board of Directors has recommended a minimum cut of \$6.5 billion, in the \$108 billion spending requests, Mr. Neilan said.

He commended "the excellent work by the Congress, and the Committees on Appropriations in particular, last year in significantly reducing the Administration's budget requests," adding, "I assure you of our support for additional reductions this year."

"From my travels around the country, I am convinced that there is a deep-seated and growing demand for fiscal responsibility at the federal level. This far transcends some local pleas for federal hand-outs which are often used in attempting to refute evidence of public sentiment to reduce federal spending."

Mr. Neilan also sent a similar letter to Senator Carl Hayden (D-Ariz.) Chairman of the Senate Appropriations Committee.

## Crop Residue Use Draws Notice

The good job of crop residue management being done by Soil Conservation District cooperators is being noticed outside the district. Charles Turner, speaker at last week's meeting of the local Garden Club, noted that the use of crop residue was very noticeable in this area. He travels from Snyder to Midland and

finds that we have more residue left on the land than any place he has seen. We will have some new pictures of more good jobs of residue management soon.

Revising old plans and contracts is keeping our technicians busy. One of our oldest district plans signed in 1949 was revised last week with A.

B. Carpenter. Alf plans to plant about 30 or 40 acres of rolling land to grass and continue the very good job of conservation farming he is now doing, thanks to Mr. Williams and Mr. Koncaba, his tenants.

Mr. Devar and Mr. Gupte asked me to thank everyone for being so kind and going out of their way to help while they were our visitors.

## Peggy Ethridge Wedding Set

The approaching marriage of Peggy Ethridge to Dennis (Hickman) Allen has been announced by her parents, Mr. & Mrs. L. E. Ethridge of Plains.

Dennis is the son of Mrs. Dorothy Mullins, Plains, and Marvin Allen of Little Rock, Arkansas.

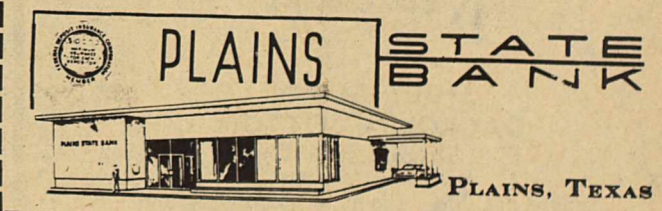

The bride-elect is to graduate from Plains High School this coming May. Dennis graduated from Plains High School in 1963, and is now employed by the Bluit Gas Plant.

First Baptist Church will be the setting for the May 22nd wedding.

"Having trouble digging up some modern farm equipment? You won't rub against the grain if you borrow from the bank!"

Will the tractor and cultivator hold up another year? What to plant on the back 40? Switch to beef cattle? Whatever your plans for the coming season, if it calls for new acreage, farm machinery, new stock, bring your farm loan needs to THE PLAINS STATE BANK.

# To Set The Matter Right:

IN MY BID TO AGAIN SERVE YOU AS SHERIFF OF YOAKUM COUNTY, I HAVE BEEN THE TARGET OF A POLITICAL CAMPAIGN, COOKED UP WITHOUT ANY BASIS WHATSOEVER, AND DESIGNED ONLY TO ALIENATE MY FRIENDS AND SUPPORTERS.

DURING THE PAST FOUR YEARS AS YOUR SHERIFF, I HAVE SERVED YOU HONESTLY AND FAITHFULLY AND TO THE BEST OF MY ABILITIES, AND I DESIRE TO CONTINUE TO SERVE YOU WITH DIGNITY AND WITH RESPECT.

I FEEL THAT THE TIME HAS COME THAT I MUST ANSWER THE SMEAR WHICH HAS BEEN AIMED AT ME.

AS YOU KNOW, A DEPUTY SHERIFF IS RUNNING FOR THE SHERIFF'S OFFICE IN OUR COUNTY. THIS DEPUTY ANNOUNCED FOR THE OFFICE WITHOUT MY PRIOR KNOWLEDGE, I WAS SURPRISED BY HIS ANNOUNCEMENT.

NOW, IT HAS COME TO ME THAT THIS CANDIDATE IS RUNNING WITH MY CONSENT AND BLESSING, AND THAT THERE IS A "DEAL" BETWEEN US WHICH WOULD KEEP BOTH OF US ON THE COUNTY PAYROLL, REGARDLESS OF WHICH OF US WINS THE ELECTION.

# There Is No "Deal":

THERE NEVER HAS BEEN, THERE NEVER WILL BE, THE RUMOR OF SUCH A "DEAL" IS NO MORE THAN A SMEAR CAMPAIGN AGAINST ME.

MANY HAVE ASKED WHY I RETAINED THE DEPUTY FOLLOWING HIS FILING FOR SHERIFF, IF THERE WAS NO "DEAL". IT IS MY FIRM BELIEF THAT ANY MAN HAS A RIGHT TO SEEK ANY PUBLIC OFFICE, AND TO LET THE VOTERS MAKE THE FINAL DECISION IN THE TRUE AMERICAN WAY.

VESTER E. SANDERS HAS NO "DEAL" WITH ANYONE, EXCEPT YOU, THE VOTERS OF YOAKUM COUNTY, AND THAT DEAL WITH YOU IS TO REPRESENT YOU AS HONESTLY, AS FAIRLY, AND AS EFFICIENTLY AS I CAN.

VESTER E. SANDERS IS CAMPAIGNING ONLY FOR VESTER SANDERS AND GOOD LAW ENFORCEMENT IN YOAKUM COUNTY, AND I AM RUNNING ON MY RECORD AS YOUR SHERIFF FOR FOUR YEARS, AND AS YOUR DEPUTY FOR ELEVEN YEARS PRIOR. I AM INDEPENDENT OF ANY "DEALS" EXCEPT THAT WHICH IS MY CAMPAIGN PLEDGE TO YOU.

(Signed)  
VESTER E. SANDERS

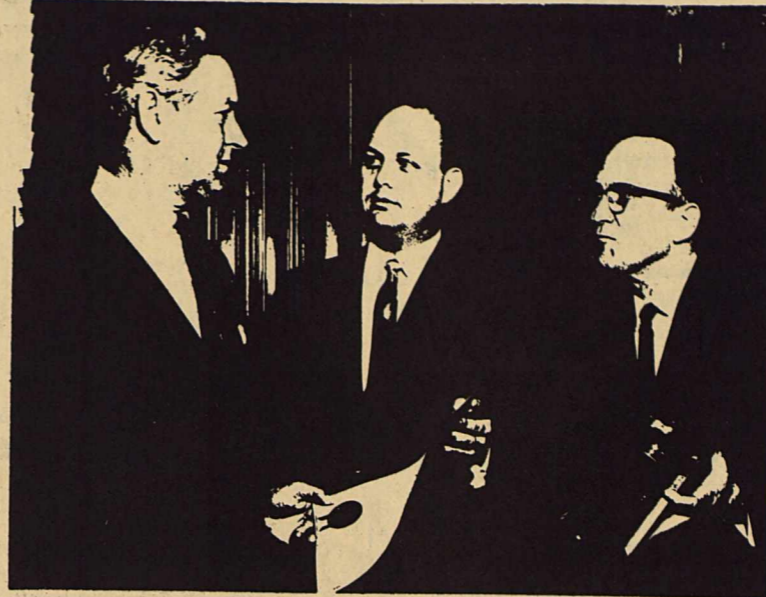

# County Park Committee Met

A special called meeting of the steering and planning committee for the proposed Yoakum County Park has been called for tonight (Thursday). Committee members are to meet with the representatives, Bill Cantrell and Bill Burns, of Cantrell and Associates, of Lubbock, in further planning concerning the exact facilities which are to be included in the project.

It was also expressed that a determination would need to be made in connection with finding out if and just how much irrigation water is present under the proposed plot of land on which the park is to be located.

It was believed that actual possible plans and alternate specifications might possibly be put under consideration in the meeting tonight, making it a definite possibility that the needed petition could be drawn up and began to be circulated for the purpose of requesting the County Commissioners' Court to call the election for the necessary bonds to build the park.

The plot, located some 9 miles south of Plains on the Denver City Highway, was donated to the project by Mr. Gene Gennett of Denver City. It is thought by many that the proposed park should definitely include a large club meeting house for local and area ladies and civic clubs, playground equipment, picnic and cookout facilities, and a nine-hole regulation golf course, also with a pro shop.

Governor John Connally (l) has proclaimed April 1-7 as Texas Industrial Week and is shown presenting the Industrial Week proclamation to Culver Turlington (c) Public Relations Director of the Texas Manufacturers Association, sponsors of the statewide observance. Harry Clark (r), Executive Director of the Texas Industrial Commission is shown with the trophy won by the State for having the most effective industrial development program in the nation.

## SUNDAY'S SERMON

Rev. ROBERT H. HARPER  
GOOD FRIDAY

IN SOME PLACES I have known some good people to observe Good Friday as day to go fishing. Good Friday should stir the hearts of all of us, whether on a fishing stream or in the Church of God.

See how Jesus came in fulfillment of prophecy. When Jacob lay dying, he called all his sons about him and told them what should befall them in the latter days. And unto the kingly Judah he declared, "The sceptre shall not depart from Judah, nor a lawgiver from between his feet until Shiloh come, and unto him shall the gathering of the people be." On the very night before in obedience to the decree of Augustus Caesar that all the world should be taxed, Joseph and Mary went to Bethlehem and Jesus was born in Bethlehem of Judea, and soon thereafter the lawgiver passed from Judah.

And now they bring forth Lamb of God to crucify him between two thieves. One thief cursed and railed on him, saying, "If thou be God save thyself and us." The other thief rebuked the railing one, saying, "Dost thou not fear God, seeing we are in the same condemnation . . . but this man hath done nothing amiss." Then he cried unto Jesus, "Lord, remember me when thou comest into thy kingdom." And soft and sweet the words of Jesus must have sunk into his tortured soul with the touch of an infinite calm, "Today thou shalt be with me in paradise." Of these things and others may we think as we look to Jesus on the cross. And may our daily prayer be, "Lord, remember me."
