NUMBER 46

Final District Game Friday Plains, Wink Tie Cowboys Win On Penetration

JUST PRACTICIN'-----Plains Coach Rip Sewell can be seen just any time or place the past week, practicing flipping a coin, as the flip of one may very well determine who will be declared the team to represent the district in play-off competition because of the 3-way tie now in.

the three schools will meet on Saturday and by the toss of a coin determine the team to represent District 5-A in the play-offs.

Wink travels to O'Donnell for what should be an easy victory. Seagraves plays Tahoka who is probably the most improved team in the district.

Plains goes to do battle with Stanton, this year's new arrival in the district.

Stanton is reported to have a great amount of team speed, and are quite capable of scoring from about anywhere on the field.

Winners In Grid Contest

The list of 20 games must have been pretty rough in this week's football contest as the guessers were off on a great many of the contests.

First place was won by Beulah Moody with six misses.

Second place winner, C. A. S. Huddleston, also missed six of the 20 games but he missed the tie breaker score by 31 points and first place winner only missed it by 30.

Gene Young was third place winner with seven misses.

Plains Cowboys threw District 5-A into a three-way tie last Friday night by downing the Wink Wildcats in a game that wound up about as close as a game can possibly get.

The score wound up tied at seven points for each team, but the Cowboys out-distanced the Wildcats statistically in every category. Penetrations were 2 for Plains and one for Wink; first downs, 11 for Plains and 10 for Wink; total yards gained, 217 for Plains and 154 for Wink.

A great deal of discussion and disagreement erupted on the field at the close of the game because the Wink coach was contending that the game should count as a half game for each team.

However, according to the minutes of the most recent meeting of the District 5-A governing committee, held on the third of September, 1964, it is very plainly stated that the U.I.

rules shall apply in the case of a tie conference football game. Those rules very explicitly state that there shall be no ties in conference play, but that a clear winner shall be determined.

The basis of determining the winner if the score is tied is to go to penetrations. If this also is tied, first downs will be used; and finally if first downs are tied also, total yardage gained will determine the winner of the game. Plains beat Wink in all three of these categories, so it seems there can be little doubt as to who the winner was in last week's game.

Plains' only score in the tilt came in the second quarter, following a sustained downfield drive by the Cowboys. Halfback Dennis Crutcher streaked over from the seven for the TD. Jack Lowe added the extra point and the first half ended with the score Plains 7 and Wink 0.

A to-and-fro, back-and-forth battle ensued, until in the final period of play Wink sent David Wolf over from 16 yards out for Wink's only tally.

Extra point kick was good and the game ended with the score in a dead tie 7 all.

Plains' main break in the game was near the end of the game, when on a fake punt, guard Danny Smith (looking for all the world like Johnny Ganiotis) tossed the ball to Jimmy Smith on the 18 and Smith ran the ball to the 2 and one-half yard line.

It was this play that gave Plains their second penetration and won the game.

This throws the district race into a three-way tie between Plains, Wink and Seagraves. If all three of these teams win Friday night, it will mean that representatives from each of

Report Week's Cotton Classes

The USDA Brownfield cotton classing office has classed 20,765 samples by Tuesday, Nov. 10.

The office is now receiving 1,000 to 1,500 samples daily. Classing is current with receipts. Predominant grades for the week ending Friday, November 6, were:

Middling--24%
Strict Low Mid -- 25%
Mid Light Spot -- 23%
Strict Low Mid Lt Spot--10%
The staple length continued about the same as the previous week with 87 percent of the cotton being classed as one inch or shorter. A further breakdown shows 13%, 29/32; 35%, 15/16; 23%, 31/32; and 15%, 1 inch. The micronaire continued

good with 94 percent reading 3.5 or higher.

Current Lubbock spot prices on some of the qualities moving in the local market are:
Strict Low Middling.....
15/16 ----- 27.85
31/32 ----- 28.10
Middling Light Spot.....
15/16 ----- 28.05
31/32 ----- 28.50

Lubbock Man Injured In Auto Crash

Roy Hooten, 71, of Lubbock, was reported to have received only bruises last Thursday evening, when the automobile he was driving struck the rear of a cotton trailer four miles west of Plains on the Lovington highway, said Sheriff's Department reports.

According to O. D. Smith, deputy sheriff, investigating, damage to Hooten's car was quite extensive.

Smith took Hooten to Yoakum County Hospital, from which he was released following an examination.

Baptist Church Sets Revival

A revival meeting will be held at First Baptist Church in Plains from October 15 through 22.

The Reverend Carl Grissom, pastor of First Baptist Church of Andrews, is to be the evangelist. Grissom has been pastor of that church for the past ten years.

Odus Walser, it was announced, is to lead the singing for the meeting.

Services are to be held each morning at 10 a. m. and each evening at 7:30 p. m. A nursery will be provided.

The Reverend James L. Bozeman, pastor of the church, said "We cordially invite everyone to attend these services."

CHAMBER of COMMERCE ELECTS DIRECTORS

Plains Chamber of Commerce met November 12 at Alma's for its regular bi-monthly meeting. Directors were elected for the coming year. They are:
A. B. Carpenter
Royce Randall
D. N. Taylor
Roy McGehee
P. W. St. Romain

Frank Whitlock Dick Hamm gave a report on the possibility of obtaining a pellet mill for our community. These plants have been constructed in various parts of the state and are reported to be quite successful. It was felt by the group that if such an installation could be made locally, it would boost the local economy.

Tech Meets Wash. State

Texas Tech, assured of its best season since 1955, engages upsurging Washington State in Jones Stadium at 2 p. m. Sat.

Coach J. T. King's Red Raiders sent their season mark to 5-2-1, with Washington State and Arkansas remaining, when they turned back West Texas State 48-0 here last week. It was the biggest margin in the rivalry begun in 1925, and the Raiders' 565 yardage total was the greatest compiled by a SW conference team this season.

Washington State shook up the Rose Bowl picture by its 21-21 tie with favored Oregon Sat. Oregon was a bowl contender, sporting wins over Penn State and Washington among its six triumphs this season.

Coached by a former Wichita Falls and OU grizzer, Bert Clark, the WSU Cougars are 3-4-1.

Although Tech appears headed toward breaking its season attendance record, there are still reserved seats available for both contests.

Highlighting the contest will be a duel between two of the nation's leading runners--halfback Clarence Williams from Washington State, and Tech's Donny Anderson.

Lions Set Open House & Dedication

Formal dedication and open house for the local Scout Hut-Lions Den has been set for this Sunday afternoon from 2 to 4 p. m.

All citizens of the Plains area are urged to attend the big affair, as, it has been explained, so many have worked together, by giving their time and money and support to this project.

Refreshments of coffee and doughnuts will be served.

Co. Seeking More Bids

No further word was available this week on the letting of the balance of the contracts on the construction of the various parts of the soon-to-be begun, Yoakum County Park, which is to be a playground-type park, with picnic and club house facilities, in addition to which, there is to be a nine-hole grass green golf course.

In their Monday meeting,

however, County Commissioners did decide to advertise for bids for the several pumping units that are needed to supply the water for the park.

Only major contract not let as of now is the one for preparation of the surface and building of greens for the golf course.

It is anticipated that this one too will be let within the next few days.

FORMAL DEDICATION SUNDAY----Plains Scout Hut-Lions Den is to be formally dedicated at an open house from 4 to 6 p. m. here on Sunday afternoon. All area citizens are urged to be present for the occasion.

Water Flood Now In Effect

Denver Unit waterflood project, being operated by Shell Oil Co., went into its first phase of actual operation last week.

Purpose of the waterflood is to boost oil recovery, in the Wasson Field of Yoakum and Gaines counties. Operation of the new facility began on a very limited basis, with only two water supply wells and one injection well going. It is planned however, to have the full unit into operation in 1965.

A total of 56 companies and independent operators are combining their efforts and have pooled their working interests into this project of secondary recovery.

Something over 700 royalty owners which is over 95 percent of the total royalty acreage in the Denver Unit area have also joined their interests in forming the unit, which comprises some 27,804 acres in Yoakum and Gaines counties.

The unit is designed to pro-

duce about 15,000 barrels of oil per day during the period immediately following the water injection into the San Andreas strata. Shell plans to inject the water into the strata from 88 wells located on the outside perimeter of the unit.

After the facilities are finished, and, according to Shell, during the first two years, the maximum injection rate is to be about 90,000 barrels of water per day or, roughly 1,000

barrels per day per well. Entire secondary recovery of oil from this project is estimated to bring in an additional 266,000,000 barrels of oil.

It has been stated that Shell has spent seven years and \$300 thousand dollars in the planning stages of this project alone. Initial capital outlay is estimated at \$6,500,000 and total expenditure over the life of the unit is expected to be about \$42.9 million.

Some youngsters learn at their mother's knee, others wait and learn across her knee.

A fellow who insists on killing two birds with one stone often spends a whole lifetime without getting them lined up for the kill.

We shouldn't believe over half of what we hear and shouldn't repeat even half of that part.

The more friendship we can pack into the corners of our heart the less room will be left for enemies.

When success comes too easy, it is often easy for failure to snatch it away.

It is hard for us to swallow criticism. It does help though if it is sugar-coated with a bit of praise.

A fence is said to make good neighbors, but if we want to have them for friends we should always make a handy gate.

There are those who refuse to believe that the best things in life are free. However, they are usually convinced very easily that they can be had for a little down and a little from now on.

A lot of folks want to know what's cookin' without even helping gather wood for the fire.

A little boy called to the new neighbor and said, "If you are annoyed by the piano playing next door be sure and complain to my mother."

My own little grandson said recently, "Mamma, we have a surprise present for you and Paw-paw's wedding anniversary. I can't tell you what it is, but you won't have to borrow our thermos jug anymore."

Announce Perkins Anderson Engagement

Mr. and Mrs. Vester Perkins of Levelland, are announcing the approaching marriage of their daughter, Debbie Louise, to Burl C. Anderson, son of Mr. and Mrs. Travis Been of Plains.

Miss Perkins is a graduate of Levelland High School and Burl is a graduate of Plains High. Both graduated from South Plains College in 1964.

Vows will be solemnized in a candlelight ceremony on the 19th of December, in the sanctuary of the Wesley Methodist Church in Levelland.

Farewell Party For Gay Trout

A surprise farewell party was given to Miss Gay Trout Friday at 4:30 in the home of Carol Jean Harget.

Hostesses, Miss Harget and Ruby Ethridge, served punch, cokes and cakes to the eight girls attending. They were:

- Joyce Warren
- Kathleen Murphey
- Charlene Gayle

Bob Alberding was a patient for a few days this week in the Yoakum County Hospital.

###

Interior Colors Program Theme

Draperies and the co-ordination of colors were the main topics at the November meeting of Yoakum Co. Young Homemakers, held last Monday nite.

The speaker, Mrs. Opal Hughlett of Brownfield, brought with her a large variety of drapery fabrics and carpet samples. She makes draperies, and she demonstrated how to match fabrics with carpet colors and answered questions concerning problems in interior decoration. She also spoke on "What is a Homemaker?". The speaker was presented with a gift by Chapter President, Mrs. Jim Barron.

A pressure cooker was presented to the Plains Home Ec Department by the group. Miss Carolyn Nelson, local home

economics teacher, accepted the gift. With the cooker, it was explained, the girls can learn proper canning methods that will be invaluable to them in the future.

Next month's program, by Mrs. John Robertson of Plains Floral will feature Christmas arrangements and related subjects. Gift wrapping will also be demonstrated, and each Young Homemaker is asked to bring a package wrapped in an original way. Also planned for early December is a Christmas party.

Coffee and cookies were served to approximately 17 members and guests. The group meets at 8 p. m. each second Monday in the Home Ec room of Plains High School.

Bake Holiday Fruit Cake Now-

California Raisin Advisory Board Photo

Rich tasting raisin fruit cake takes on a new look of elegance when it's cut in slim fingers. This marvelous recipe is a prizewinner that's bursting with taste surprising California golden seedless raisins, candied fruits and nuts. As with most all fruit cakes, carefully wrap and age this one in a cool place from 4 to 6 weeks before cutting.

Make fruit cake now so it will be ready for all holiday entertaining. For open house refreshments cut it in fingers to serve with eggnog. Salty nuts and colored thin mints are other good nibblers for the occasion.

CALIFORNIA GOLDEN RAISIN FRUIT CAKE

- | | |
|-----------------------------|-----------------------------------|
| 1 cup butter or margarine | 1/2 cups golden seedless raisins |
| 1 cup sugar | 1/2 cup diced candied pineapple |
| 5 eggs | 1/4 cup diced candied citron |
| 2 cups sifted flour | 1/4 cup diced candied orange peel |
| 1/4 teaspoon baking powder | 1/2 cup pecans |
| 1 teaspoon vanilla | |
| 1/4 teaspoon almond extract | |

Beat butter until soft; gradually beat in sugar until light. Add eggs, one at a time, beating thoroughly after each. Resift flour with baking powder into egg mixture; stir only until blended. Stir in raisins, fruits and nuts. Turn into greased and floured 9x5x3-inch loaf pan. Bake in slow oven (300 degrees F.) 1 1/2 hours, or until cake tests done. Cool on wire rack. Sprinkle with brandy, if desired. Carefully wrap in foil or saran. Store 4 to 6 weeks in cool place before cutting. Makes 1 (9-inch) loaf.

Card of Thanks

I would like to take this opportunity to express my thanks to my friends for the many acts of kindness and thoughtfulness, extended to me during my stay in the hospital and since I have returned home.

May God richly bless each of you.

Mrs. Roy Edwards

Tsa Mo Ga Follows Hawaiian Theme

Tsa Mo Ga club met Nov. 9, at the club house with Mrs. Bill Loyd, president, leading.

The Home Life program was highlighted by roll call giving many interesting comments about our fiftieth state.

Program chairman, Mrs. R. B. Jones, gave a commentary on "The Hawaiians."

Family life and religion of the Hawaiians was very ably brought by Mrs. R. K. Field.

Mrs. Ty M. Field discussed industry and craft in the islands. Dan Field, having had some lessons in skin diving, was able to tell how many of the natives dived for shells.

Robert Field played several Hawaiian selections on the piano and Sarah K. did Hawaiian dances.

After the program, Mrs. Loyd conducted a business meeting. Finance chairman reported having the cedar chest to be given away at the bazaar and asked club members to contribute gifts to fill it. The chest is on display at Moore & Oden.

Chairman Mrs. Grace Clinton of the By-Laws committee presented an amendment to the constitution. A courtesy membership shall be extended to the wives of all ministers of the community.

A letter was read from the Veterans Hospital in Big Spring, asking for gifts and donations to be sent to the Hospital so that veterans could send Christmas gifts to their families.

The annual bazaar is to start at 6 p. m. Monday, November 23, at the American Legion Hall. Members are asked to have all donations for the bazaar to the hall by 3 p. m. The drawing for the chest will be at 9 p. m. There will be home-made gifts, home-baked food, candies, delicacies, and the chest-of-plenty. Also there is to be a veterans gift box, poppies for sale and a Mexican food booth, price set at \$1 per plate.

At this week's meeting, the Hawaiian theme was carried out in the decorations and menu by Mrs. R. B. Jones, Mrs. Ty M. Field and Mrs. R. K. Field, hostesses.

It was stated that 35 members and four guests were present.

Reveal Wedding Plans

First Methodist Church of Plains is to be the scene, on December 18, of the wedding of Miss Sandra Carolyn James to Mr. James Louis Newkirk.

Sandra is the daughter of Mr. and Mrs. T. M. James and James is the son of Mr. Robert Hampton and Mrs. Oleta Hooten.

The wedding is to take place at 7 p. m. under the guidance of the local pastor, The Rev. Walter L. Driver. All their many friends are invited to attend.

Fine Arts Club Meets

Twenty-six members and 4 guests met in the home of Mrs. Odus Walser for the regular monthly meeting of Plains Fine Arts Club on November 5.

Hostesses for the occasion were Mrs. Walser, Mrs. Foye Flood and Mrs. Clifford Anderson.

A fine meal of turkey and all the trimmings was served. The program was brought by Pete Smith, Bobby and Robert Field. It consisted of renditions of folk music.

###

Christian Womens' Fellowship of First Christian Church met Monday in the club room to work on choir robes.

A short business meeting was held and a Thanksgiving fellowship was planned for Wednesday, November 18, at 7:30 p. m. to be held in the club room.

All members of First Christian are urged to come and to bring guests with them. It was announced that the meal is to be turkey and trimmings.

###

To Honor Pippin's On 25th Anniversary

There will be a reception honoring the occasion of the 25th Wedding Anniversary of Mr. and Mrs. O. A. Pippin.

The affair will be held in their home near Tokio Sunday, November 15, from 2 to 5 p. m. It was announced that all the friends of the couple are most cordially invited and the request was made also that there be no gifts.

Faith's Challenge

There is something very special about a boy and his dog. The dog so obviously wants nothing more than to devote his life to his small master. He takes his boy on faith . . . and, inevitably, the boy lives up to it.

For faith creates a challenge. If someone believes something good of you, you find yourself eager to measure up to that standard.

God looks for the best in all of us. Regardless of what may have happened yesterday we are, today, welcome in His Church. He has faith in us. Should we have less than faith in Him?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Pictured above is architect Frank Dill's rendering of the Douglas MacArthur Academy of Freedom in Brownwood, Texas. The Academy, currently under construction on the old Daniel Baker campus in Brownwood, represents a major program of study within the division of Social Sciences at Howard Payne College. It is the only educational institution to which the late general lent his name.

Students of Texas Begin Concentrated Drive During Douglas MacArthur Academy of Freedom Week

BROWNWOOD, TEXAS—School students of Texas who launched a special fund raising drive in the state last spring to secure money for a memorial statue to the late General Douglas MacArthur on the campus of the Douglas MacArthur Academy of Freedom at Howard Payne College will enter a concentrated phase of the campaign this month, backed by a recent proclamation by Texas Governor John Connally citing November 9-15 as Douglas MacArthur Academy of Freedom Week.

Commenting on the efforts of the students to raise funds, particularly during this period, the Governor said, "It is fitting that a memorial to one of our nation's greatest soldiers and statesmen will be established through the efforts of Texas young people who admire and emulate the dedication to duty, honor and country which motivated the general's life."

The idea for erecting a statue in honor of the general came in response to a "grass roots desire" from Texas young people and student councils of the various high schools throughout the state began taking the initiative and leadership in the endeavor. As the drive gained momentum, requests were made for Texas

students to participate. Adults have also been invited to contribute. Donations for the statue of the general should be sent to Col. Russell Fudge, Director, Douglas MacArthur Academy of Freedom, Howard Payne College, Brownwood, Texas.

Business leaders as well as educators are enthusiastic about the statue drive, for it is hoped that the Douglas MacArthur Freedom Shrine at the Academy will attract, as does the Douglas MacArthur Memorial in Norfolk, Va., in excess of 1,000 visitors daily.

According to Mr. Jack Mashburn, executive secretary of the Student Councils of Texas, the principles of honor, duty, integrity and love of freedom and country which formed the very fabric of the General's character, will be perpetuated by this gift in his memory.

The statue will include a plaque recognizing the donation by the school children of Texas. Schools raising the most money in the campaign will be given awards from the Academy to display in their trophy cases.

The Douglas MacArthur Academy of Freedom represents a major program of study within the division of Social Sciences at Howard Payne College and is dedicated to the perpetuation of American Heritage and the free-

dom which the general spent a lifetime defending.

Non-sectarian and non-political, the basic philosophy surrounding the Academy program is to make freedom meaningful and real to those who choose to follow its course of study.

The Academy offers a four-year course with a B.A. degree. Students who have completed the four-year courses are equipped for diplomatic and governmental service at home and abroad and will be in a position to serve their country thoroughly grounded in our American heritage.

Mr. Bill Moyer, formerly assistant director of the Peace Corps, has commended the Academy's course of study as a prerequisite training for the Peace Corps.

The Academy represents seven full years of planning and study by Dr. Guy Newman, president of Howard Payne, and his associates. It is the only educational

institution to which the late general lent his name.

"Words can but inadequately express the sense of honor I feel at having the Academy bear my name," the late General wrote. "May the students who pass through the portals do so in the determined and relentless search for the means to shore up and re-vitalize the cherished heritage which they hold."

Blouses Reflect 'Fair Lady' Look

Fashion's gentle mood is reflected in a romantic holiday collection of lady-like cotton blouses. On the market in time for special gift-giving, the styles draw their inspiration from the new musical film, "My Fair Lady."

Cast in the delicate look that prevailed at the turn of the century, the blouses make a fashion point of portrait collars, ruffles, bows, tucked bibs, and long billowing sleeves.

Fabrics featured in the holiday collection are notable for their air of femininity. They range from lustrous cotton satin in bold stripes or large coin dots to delicate embroidered cotton eyelet. Guaranteed to please every fair lady on your Christmas list, each blouse in the holiday collection comes in its own pink gift box.
