Pamper Your Personal Prosperity with Growth Vitamin \$

Every drop of water, every bit of fertilizer that you put on a growing plant is returned to you in value ... increased many times.

And every dollar spent at home instead of in some other community ... promotes the growth and luxuriance of your own little personal prosperity tree.

We don't expect the neighbors to water and weed and fertilize our gardens so that we won't have to put out any effort on them. But a lot of us expect somebody else to do all of the trad-

ing at home that it takes to support and improve our jobs, our businesses, our schools and churches and other community helps to a richer life.

Trouble is ... a lot of them are looking for us to keep the ball rolling while THEY go city-shopping.

Let's ... every one of us ... remember that loyalty to our home community is merely loyalty to our own economic welfare ... that scattering our buying power leaves our own personal prosperity plant with less nourishment.

It Pays to Buy Where You Live

Home Advisor

Mrs. Vivian Liner, home service advisor for Southwestern Public Service Company, will demonstrate care and use of small electrical appliances at 1:30 p. m. July 15th in the Clubroom at Plains. Some of the things she plans to prepare are Raisin Griddle Cookies, Hot Cheese Dip, Speedy Skillet Cake, and others.

Mrs. Liner received her B. S. Degree from Mary Hardin Baylor College at Belton and did her graduate work at the University of Colorado and Texas Women's University. She has taught home economics in high school and worked as a home demonstration agent. She has been active in the work with women's organizations, such as garden clubs, study clubs, American Association of University Women and church groups.

Mrs. Liner has served as vice-president of Region 2 Texas' Home Economics Association and is now serving as State Chairman of Housing and Household Section for Texas Home Economics Association. She is also a recipient of a certificate and diploma from New York School of Interior Design.

Mrs. Liner will also give this demonstration in Denver City on July 21st at the Community Building at 1:30 p. m. The Public is invited to the demonstrations.

VIVIAN LINER

The First Baptist Church Youth Council met for the first time Monday night and drew up a constitution for the organization. Representatives have been elected from each of the Intermediate and Young People's Sunday School classes. These representatives and the members of the Youth and Recreation Committee make up the council. Officers are to be elected soon. They are to be chosen from the members of the council by a nominating committee and elected by a vote of all the youth of the church. This council and its committees will have charge of planning and executing the activities of the Youth in the church.

The Young People and their guests will have an informal "Do it yourself" party at the church Friday, July 9, at 7:30 p. m. Each person will bring something for the punch, ice cream, or decorations and put them together after they arrive.

Last Friday night about twenty-five young people enjoyed a "Citizenship" party and weiner roast in Stanford Park. The party was complete with a presidential election and even a report from Russia.

July 12-18 is Youth Week. The youth will be taking charge of the services on Wednesday night and in the Youth led Revival beginning Friday night and closing Sunday night. There will be fellowship and seminars following the services each night during the revival and plans are being made for a Hootenanny Campfire earlier in the week. Everyone is invited to attend all of the services.

Kay Spencer and Larry Fitzhugh of Dallas spent the weekend with her parents Mr. & Mrs. Frank Spencer.

Mary Payne is home in Lovington from Anderson's Clinic in Houston and her column will again appear in our paper.

Mrs. J. V. Bean is in Terr County Hospital. She fell Monday injuring her elbow. She will have to have surgery on it as soon as the swelling goes down.

Mrs. Oma McCargo reports they have \$90.00 in the fund for the hair dryer for the Convalescent Home.

Steve McGinty flew back to Georgia after spending the week with his wife and new son.

Mr. & Mrs. Gene Phillip and children spent the weekend visiting his parents in Big Spring.

Mr. & Mrs. Deryl Wolfenbarger and daughter of Sunday spent Sunday with Mr. & Mrs. Hollis Wolfenbarger. Hollis was home from Ft. Hood.

Mrs. Joe Kennedy is in Yukum County Hospital. She is to have surgery Wednesday Morning.

Mr. & Mrs. Al Nugent are visiting relatives in Corpus this week.

Guests in the Frank Sudduth home over the Fourth were Bobby Frenchman of Lovington, Mr. & Mrs. Oscar Fisher of Lovington, Mr. & Mrs. Claude Montgomery of Brownfield, Mr. & Mrs. Fred Kuhlmann of Shawnee Oklahoma, Mr. & Mrs. Earl Robertson and children of Lubbock, Mr. & Mrs. Henry Perry of Tatum, Mr. & Mrs. Lee Metter of Brownfield, and Mrs. R. J. Sudduth, Cindy and Dorothy of Hobbs.

Mr. & Mrs. Willie Sisco visited her parents Mr. & Mrs. Hill in Childress over the weekend.

Mr. & Mrs. John Anderson spent the weekend with Mr. & Mrs. James Anderson in Monahan.

Mr. & Mrs. Lynn McClellan of Dallas is visiting his grandmother this week Mrs. W. L. McClellan.

FARM NOTES

YOAKUM COUNTY ASC NEWS

BY W. M. OVERTON
OFFICE MANAGER
Crop Reporters are now in the process of measuring cotton, feed grains, diverted acres and other crops necessary to be measured under the 1965 farm program. All farm operators should be on the look out for the reporter when he visits the farm. The farm

operators are urged to go with the reporter to the field and point out to him the different crops, diverted acres and deductions and give him (the reporter) the name of each person who has an interest in each crop.

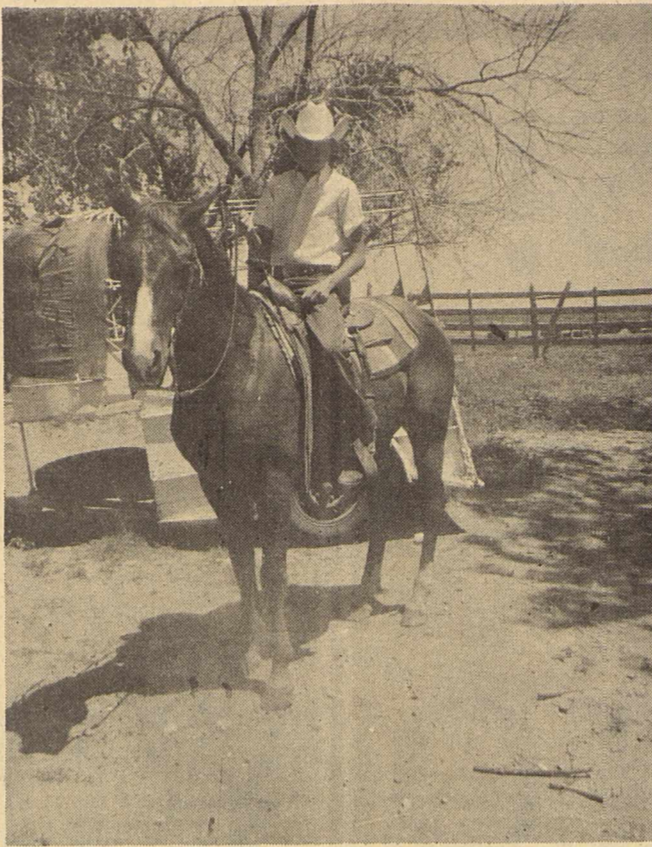

Most farm operators we expect have measured their crops therefore, if they would compare their measurements with the measurements made by the reporter while the reporter is on the farm. Errors made by the reporter or farmer could be corrected at that time. The reported does not compute the acreages in the field. The acreages are determined in the County Office and the farm operator notified as soon as possible after their report is

completed. If a farmer receives a notice of his measured acres and feels that an error has been made he is urged to contact the office and bring his measurements with him if he has measured the crops. And we especially urge all operators to read carefully the notice of measured acreages that they receive for each crop or farm.

The cost for checking excess destroyed crops is \$4.00 for the first plot plus \$2.00 for each plot over one, regular shaped plots with not more than four (4) sides.

We at the ASCS Office wish to again express our appreciation to all farmers for their splendid co-operation in the past, for their help and understanding in checking compliance on the county farms and we feel sure that all farmers will again co-operate with us in this big compliance job.

We want farmers to feel free to call on us at the office any time we can be of help to them.

JIMMY GRAY PICTURED ON HIS PRIZE HORSE.

4-H Horse Show

Jimmy Gray and Alton McGinty represented the Yoakum County 4-H in the District 2 4-H Horse Show held Saturday at Levelland. Jimmy's horse was the second high point horse of the show in a field of eighty eight. Jimmy is the son of Mr. and Mrs. Bill Gray, Route 1, Tokio, and he earned a total of 16 points by winning fourth place in the reining contest, fifth place in the Western Pleasure Class and seventh place in the barrel race. The only 4-H'er to beat him was Janice Gordon of Garza County. The District Horse Show

was held for the purpose of qualifying 15 horses to enter from District 2 in the State 4-H Club Horse Show held in Dallas on August 12 and 13. The other thirteen 4-H members who will enter the State Contest earned from 14 points down to seven.

Alton McGinty, 15 year old son of Mr. and Mrs. A. E. McGinty of Plains placed seventh in the Pole Bending and ninth in the barrel race for a total of six points and was high enough to be selected as one of the alternates. Five alternates were selected in addition to the fifteen high point horses. They will be allowed to participate in the State Show if any of the top fifteen cannot attend or if the quota for the District is increased.

This is the first District 4-H Horse Show to be held in District 2 and it is expected that it will be an annual event since there is a very rapid increase in the number of counties with 4-H Horse Programs. The 4-H Play Days now in progress in Yoakum County are designed to stimulate interest in this phase of 4-H Club Work and 4-H members are already making plans to enter the District Show in 1966.

Views From County Agent

By Leo White

Each year we have National Farm Safety Week. Too often we in Texas pay so little attention to Farm Safety Week that we don't know there is such a thing. This year we want to get a head start and do something worthwhile in farm safety.

The President of the United States has proclaimed the week of July 25-31, 1965 as National Farm Safety Week. The theme of the observance this year is "Safe and Alive in '65". Now is the time to get the jump on National Farm Safety Week by doing that much needed job which could prevent a farm accident.

Special emphasis this year is being given to preventing accidents involving slow moving vehicles, chemicals, electricity and in recreation.

Slow moving vehicles on our public roads account for far too many accidents. If you move your farm implements on a public road, there is a new reflectorized fluorescent emblem you can buy to warn high speed motorists to slow down for you. It is good day, dusk or at night and in most kinds of weather.

This new SMV emblem is triangle shaped with fluorescent yellow-orange in the center and the outside border is reflective red material. It was designed by Ohio University agricultural specialists and recommended to be used only on vehicles traveling less than 25 miles per hour. It is inexpensive, durable, available and moveable and does not interfere with the operation of the equipment.

Between now and July 31 would be a good time for local farm operators to buy a supply of SMV emblems for their cotton trailers this fall.

Donnie Morris of Odessa is visiting his Grandmother, Mrs. J. H. Morris.

Mr. & Mrs. Russell Faulkenberry went to San Pedro California last Wednesday. A dear friend Mrs. Don McKinsey passed away.

Mrs. Jessie Batchelor went to Kentucky last week to her father who is ill and was to have surgery.
