

COUNTY AUDIT REFLECTS DEFICIT SPENDING

Mayor Calls for Unity

Billie Ray Kennedy, the new Mayor of the City of Plains announced in an interview with the editor of The Record that his plans call for cooperation with the city council and bringing to reality definite improvements to the city water system. The new chief magistrate of the city called for unity and support in making Plains a better and progressive city.

Mayor Kennedy congratulated Kenneth Hale, the former Mayor of Plains, for conducting a clean and worthy campaign. The new Mayor stated that Hale had worked hard on projects to improve the city, and he added that he hopes that under his administration that the old plans can be put into effect, because they were good ones, and that he can expand the improvements even more than had been hoped.

The new Mayor of Plains invited the public to attend sessions at the City Hall when the council meets, and stated that his administration would be an open book one, with the public being informed the status of city projects.

Mayor Kennedy stated that the city has a good city council, and that he is looking forward to working with these members as their mayor. He extended his congratulations to the other city officials who were elected in the recent election, and praised the voters for turning out in record numbers at the polls. Kennedy said that it makes an elected official glad indeed to know that so very many people in Plains care what happens and show it, by going to the polls and casting their votes.

In a plea for unity in city politics, the new mayor urged those who supported his own election and those who did not to close ranks until the next election and work together for a better place in which to live.

Mayor Kennedy stated that he intends to run his office fair and impartially, and will not look at old issues, but will negotiate the city's business by looking for and expecting the bright future which he believes it to be.

Mayor Kennedy invited the press and all interested persons to attend the meeting of the city council. He also urged the public to contact him if they should feel that they have suggestions on items of city interest, or if they should have a complaint.

C. of C. News

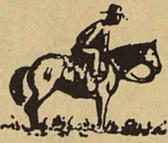

Officials of the Plains Chamber of Commerce met recently with Mr. DuCan and Mr. Lilly, who spoke in behalf of the West Texas Chamber of Commerce and urged that Plains elect a director to the West Texas Chamber board of directors. Those businesses which paid dues in order to gain Plains a place on the board were the Plains State Bank, Plains Frozen Food, Cleatus Phelan, A. B. Carpenter and the Plains Record.

The spokesman for the West Texas Chamber assured the local Chamber that assistance would be given to the local Chamber on attempting to get an industry started in Plains. Bill Loyd, president of the Bank, has been appointed chairman of the industrial committee for the local organization. Mr. Loyd is working to name the others to serve on the board with him. There are several possibilities which the committee can look into to obtain industry for Plains.

Cleatus Phelan, president of the local Chamber stated that if the water improvements are made in the city that Plains will stand a better chance to get an industry interested in our city. The local attorney and Chamber president stated that there are several avenues which we can explore to build a bigger Plains. He spoke hopefully about securing an industry for the community.

Loyd Alsop, manager of Plains Farm Supply invites all farmers to attend a John Deere Farm School at the Plains Farm Supply tonight at 7:30 p. m. Refreshments will be served, and Alsop stated that the instructors will be well prepared to conduct the farm equipment school. He asked the farmers of the area to attend the free school.

Cowboy Cinders Win 5A Meet

Coach Rip Sewell's Plains Cowboys brought home the District 5A track title last Thursday after showing a display of impressive track strength at the District meet in Wink. The Cowboys captured the District Crown when they scored 147 points and set a new school record in doing so. The Pokes edged mighty Wink with 128 points, and Tahoka with 107 points.

Calvin Smith broke the old school record which was held by Johnny Robertson in the pole vault. Smith set the new record of 11 feet 6 1/2 inches breaking the old record of 11 feet 4 inches.

The Cowboys poured on the steam to make a clean sweep of 100 yard dash and the 220 with Ronnie Elmore finishing first, Joe Dan Cooke second, and Dennis Crutcher third in the 100. In the 220, Ronnie Elmore, Alton Raines, and Dennis Crutcher finished in that order and in events scoring a fat 48 points for the home school. This is the best showing that a team can make in the track events, and it is unusual that a team will make a clean sweep in any event.

In other events which gained the Cowboys their points, the team scored 13 of the 14 events which were entered. In the 880, Billie Taylor finished third and Jerry Lowery in fourth place. Calvin Smith finished 2nd place in the 120 High Hurdles. Rickie Elmore finished 6th in the 440; Calvin Smith

got second in the 180 Low Hurdles. In the mile, Jimmy Pinkston scored fourth and in the mile relay Plains came in fourth with a fine run. In the High Jump Calvin Smith won first place and Ronnie Elmore placed 5th. In the Broad Jump, Calvin Smith scored third, being edged by less than an inch. Billie Taylor came in fifth in the Broad Jump. Dan Smith and N. C. Clanhans scored third and 4th place in the discus.

Those who qualified to go to regional were the sprint relay team, Calvin Smith in the High Hurdles, Low Hurdles, Pole Vault, and in the High Jump, Ronnie Elmore and Joe Dan Cooke will go in the 100 yard dash, and Elmore and Alton Raines will go in the 220. Coach Sewell extended his appreciation to the other coaches, Bob Gross, John Richy, and John Meixner. The coach also thanked the Lions Club for helping at the Cowboy Relays.

Notice

A box supper is scheduled at the Sligo Community Friday night, April 15 and all county candidates have been invited to attend, at which time they will receive a place on the program to speak. The public is invited to attend the supper in Sligo and to bring out the family and meet the candidates and enjoy an old fashioned box supper and political meeting.

Editorial

The spending at the County level in our opinion has reached the point to where the public should be informed and the responsible office holders should be urged to curb such policies. There are several items in the audit which reflect either poor management or poor judgement, or both on the officials who have authorized and managed the expenditures.

We urge our members of the County Hospital Board to ask the administrator of the Yoakum County Hospital to be more prudent in the agencies spending. The hospital operated in the red to the tune of over \$47,000.00 last year, and transfers were issued from the county to that agency to cover the deficit. The hospital board is composed of honest well meaning citizens who are donating their personal time to carry out a commendable civic duty. We believe that with the proper examination of this year's budget by that board that there are items of expenditure which can be reduced. We believe that a closer look should be taken at our hospital by our board, and that a tighter control should be placed on those who authorize the expenditures.

In no way do we advocate that our park remain unfinished the people went on record supporting a park and authorized bond money for that purpose, but the cost has far surpassed the bond issue, and warrants continue to be issued. The cost of the dirt contracting was excessive and exorbitant in our opinion, and we believe that an explanation is in order for some of the expenditures on the park. The cost of the dirt contracting exceeded \$70,000.00. This "ain't" hay in anybody's book. The tax payer paid car expense to the tune of \$900.00 for our county judge to drive to Plains to the courthouse and make trips in the state, while our county attorney drew only \$180 car expense. We do not believe that we can afford such spending, and furthermore, we believe that the public should know these facts, therefore we urge the people in Yoakum County to give these matters their serious consideration.

There are many other items in the audit which we believe reflect poor management of public funds. We are in no way implying misappropriation of funds, instead we believe that poor management and poor judgement are the causes and in some instances circumstances. It is time that the public demand more prudent spending by government offices.

When a politician asks us for our vote, we should reply with pertinent questions concerning the spending in Yoakum County.

Fine Arts Club

The Fine Arts Club will present its Annual Sacred Music Program, April 19, 1966 at 7:30 p. m. in the First Methodist Church.

The director for the program is Mrs. Johnnie Fitzgerald. The invocation will be presented by Rev. Walter Driver and Rev. James Bozeman will give the Benediction. The following choirs will participate in the program:

Methodist Junior Choir, Hillside Church of Christ, Assembly of God Church, First Baptist Choir, The First Baptist Quartet, First Methodist Choir, The Fine Arts Quartet, and the Fine Arts Club Choir.

This is an annual affair sponsored each year by the Fine Arts Club. The public is cordially invited to attend this fine musical program. There will also be public singing.

The Tiny Tots of Plains enjoyed the big Easter egg hunt in the park last Saturday. The hunt was sponsored by the Plains Chamber of Commerce.

Tiny Tots Harvest Easter Egg Crop

Tiny Tots gathered in Stanford Park last Saturday morning for the second annual Chamber of Commerce Easter Egg Hunt, and all of the children went away with a basket full of eggs.

Cleatus Phelan, Chamber of Commerce president, extended his thanks to Buster Graham, chairman of the project and to Bob Mason and Neil Brown for assembling the Cub Scouts to hide the eggs and seal off the entrances to the park during the hunt.

Mayor Billie Ray Kennedy was on hand to welcome the people to the hunt and to give the instructions of the boundaries of the egg hunt. It was the first public function that the new mayor has represented the city since his taking office last week.

Phelan extended his appreciation to Sid Wade, owner of Plains Frozen Food for making the eggs for the hunt available to the chamber at his cost.

It was estimated that about 100 pre school children participated in the search for candy eggs in the park. Phelan said that about 1500 eggs were hidden for the children to find. Five prize eggs worth \$2 in trade at any store in Plains belonging to the Chamber of Commerce were also given.

They were also invited to attend the Rodeo in the coliseum that night. Rough Riders making the trip were Tex, Mary Kathryn, Clark and Mark Parrott, Tommy, Billie and Jackie McDowell, Hayden, Marie, David, and Wayne Boy, Jim and Sue Cooke, Jackie and Corky Cooke, Frank, Glynnis, Billy and Sue Spencer, Johnnie, Jo' Preston and John Richard Robertson. Dick Lois, Alton and Kathleen McGinty, Jake, Ola and Ann Bowers, Mike and Paula Blount, Royce, Betty, Reg Boyce, Lowell and Rhonda Trout, Ray, Mary, Raynell, Suzy, Nita, David and Steve Strickland. The Rough Riders enjoyed their first outing of the season and they would like to thank Mr. Taylor and Mr. Harvey for dismissing the younger riders at noon in order for them to make the trip.

Sunrise Services

Easter Sunrise services were conducted Easter Sunday in Stanford Park at 6:30 a. m. with Rev. Jim Bozeman, First Baptist Church, Rev. H. A. Tarkington, Assembly of God Church, Rev. Walter Driver, First Methodist Church, Preston Barrett, pastor of the First Christian Church, and Rev. Flores, Spanish Baptist Church bringing the readings, prayers and messages. H. W. Cullwell led the group singing.

The sunrise services are an annual event at Easter time in the Plains Community. The churches take time about as to the participation of the services. Rev. Bozeman acted as chairman for the services this year.

After the services the First Christian Church hosted their annual breakfast social in the park. The chairman for the Christian Church stated that about half of the membership attended the services and the breakfast.

Rough Riders Trip

The Plains Rough Riders made their first outing of the year when they participated in the Lubbock A. B. C. Rodeo Parade recently.

They were also invited to attend the Rodeo in the coliseum that night.

Rough Riders making the trip were Tex, Mary Kathryn, Clark and Mark Parrott, Tommy, Billie and Jackie McDowell, Hayden, Marie, David, and Wayne Boy, Jim and Sue Cooke, Jackie and Corky Cooke, Frank, Glynnis, Billy and Sue Spencer, Johnnie, Jo' Preston and John Richard Robertson. Dick Lois, Alton and Kathleen McGinty, Jake, Ola and Ann Bowers, Mike and Paula Blount, Royce, Betty, Reg Boyce, Lowell and Rhonda Trout, Ray, Mary, Raynell, Suzy, Nita, David and Steve Strickland. The Rough Riders enjoyed their first outing of the season and they would like to thank Mr. Taylor and Mr. Harvey for dismissing the younger riders at noon in order for them to make the trip.

Hospital, Park in the Red

The County Audit is now available with the complete breakdown of expenditures of all of the various agencies for the 1965 year. In the recapitulation picture the audit reflected that the grand total of receipts stood at \$1,523,462.23 with disbursements at \$1,570,776.09 with the disbursements amounting to more than the receipts by \$47,303.86.

In the County Hospital audit the figures showed that \$47,710.75 in transfers were made to that agency. The total deposits for the hospital amounted to \$276,000.87, the total expenses reaching \$324,025.08. Salaries and wages at the hospital amounted to \$170,763.03.

The County Judge spent \$900.00 for car expense out of the budgeted amount of the Judge's Budget and was allowed an additional \$300.00 under the Commissioner's Court for travel expense. Of this amount the County Judge spent \$262.89 making the total travel and car expense \$1,162.89. The County Attorney spent only \$180.00 in total travel expense during 1965.

In the new budget for 1966 big salary raises are included and are in effect for the elected officials. The County Judge received a pay raise from \$6,750.00 to \$7,200.00. His secretary received no pay increase, nor did she receive one last year. The County Attorney received the same raise as the judge with the salary also being the same.

The Tax - Assessor Collector received a raise from \$6,990.00 to \$7,440.00. The salaries for the Deputies were raised from \$17,380.00 to \$18,900.00. The County treasurer received a raise from \$6,750.00 to \$7,200.00. The District Clerk received the same increase and has the same salary. The County Clerk also received the same increase and receives the same salary, as did the County Sheriff.

In 1964 the hospital spent \$161,896.48 on salaries and wages, in 1965 it spent \$170,763.03 on wages and salaries, and budgeted \$171,000.00 for 1966 to cover salaries and wages.

In the permanent improvement fund the balance at the end of 1964 was \$10,355.00 and according to the budget figures for 1966, the estimated balance will be \$680.93. Much of this decrease is reflected in additional money which will be spent on paving.

In the Permanent Improvement Sinking Fund the balance in 1964 was \$64,979.31, and the estimated balance December 31, 1966 is \$3,213.66.

In the park fund the original bond issue was for \$235,682.67. At the close of bu-

Sheriff Checks Farm Theft

Sheriff Olan Heath reports that there have been several reports of farm thievery in the county and that it seems to be spreading from other counties into Yoakum. The Sheriff urges farmers to keep a complete inventory of their equipment and to report to the Sheriff the moment that equipment is missing.

Lamesa Farms have offered a \$300.00 outstanding reward for anybody arrested and convicted for farm theft. Some of their equipment was stolen Sunday night. If anybody notices 45 gallon butane tanks, two ton chain hoist painted orange, two tires and wheels off of a plow painted yellow, the sheriff asks that they call him. The reward is offered for information for these items.

The sheriff said that if he has a list of the stolen items at his disposal, he can dispatch it to surrounding area over the radio, and the chances of recovery are better.

The Sheriff reports that his office works closely with the other departments in surrounding counties and in New Mexico. By exchanging the information, the criminals more than likely will be apprehended and brought to trial.

The Yoakum County's Sheriff's office has a good record on burglary arrests and those who have been nabbed have been sent to prison. All criminals that Sheriff Heath has arrested for burglary have been convicted.

Sheriff Heath reported that Robert Earl Nokes has been extradited from Birmingham, Alabama to face charges on swindling and worthless check and theft charges. He is being lodged in the Yoakum County Jail.

Medical Board Will Honor Editor

Harry W. Cayce, editor and publisher of The Plains Record has been advised by Dr. Sherman Hope, president of the Dawson - Hockley - Lynn - Terry - Yoakum medical association that the association will present Cayce with a copper plaque, certificate, and a check for \$100 for reporting health and medical news for 1965, and winning for 1965 Anson Jones award for Journalism. Mr. and Mrs. Cayce will be the guests of the Medical Association at the Brownfield Country Club April 19 at a dinner.

Dr. and Mrs. A. M. Reynolds and Mr. James Warren will also attend the meeting with Mr. and Mrs. Cayce. This is the first year that a journalist representing a news media in this area has won the award. The Anson Jones Award is named for Dr. Anson Jones, who served as the last president of the Republic of Texas. The award is given annually for excellence in the field of Journalism by the Texas Medical Association. Cayce won his award over all Bi-weekly, semi-weekly, a weekly papers in the state. The other winners were the Houston and Austin papers. Both of the writers from the Austin Statesman and the Houston paper were repeat winners in the contest, having won in two other years.

Cayce stated that he deeply appreciated the award from the Texas Medical Association and that he extends an invitation to people in the community to come by The Record and see the plaque next after the presentation.

CAYCE'S CORNER

It is Press Day at Six Flags this week-end and The Record Staff intends to be there in force. Ann and I are taking Mike, Mark, and Paris to Texas' answer to Disney Land, and Bob and Jan Mason are taking Ricky and Tami for the big outing. I suppose we will be like the old dog Trey. When we get home our tail will be trailing after us. When we were at Disney Land just before moving to Plains, I made up my mind to forego any future outings of that type after nursing my feet back to normal and a sick pocket book to almost where it was when we went to California to Disney Land. But alas, temptation was so great with this big free offer that I was the first to bite and swallow hook, sinker, line, and all. Bob and Jan had been through the Disney Land bit too, and there account was almost the same as mine.

We understand that Granny McGinty is still in the hospital in Seagraves. Mrs. McGinty is one of the town's favorites and we all miss her and Cayce wants to say hello to her from the whole community and wish her God's speed upon a quick recovery and a speedy return home. Her 87 years have been a bouquet of roses for the many people who have known her, and there isn't a person in Plains who is missed as much as Granny McGinty when she isn't able to be up and around.

Last week our typesetting machine went on the blink on Tuesday night. I rushed it to Hobbs and got back at 2:30 a. m. and on Wednesday afternoon at about zero hour it cratered again. The same pattern followed this Monday but the repairman came to Plains and put in a new motor. Again Tuesday night it decided to react in an obstinate way and refused to work. The repair man rushed to Plains and brought it out of its coma. If the blamed thing decides to quit today this editor will probably take a vacation and forget about sending the Headache to press.

Bill Curry's sister, Jimmie Culwell, from Los Angeles is her visiting her, and she reported that she got lost when they arrived in our fair city, and couldn't find the Curry house. When these city drivers hit the sticks, I suppose they get about as mixed up as we do when we assault the the freeways.

CLEATUS M. PHELAN
 CANDIDATE FOR COUNTY JUDGE OF YOAKUM COUNTY

THE FAMILY LAWYER

Double Jeopardy

To the athlete defeated in sport, the proverb says: "If at first you don't succeed, try, try again."

But to the prosecutor defeated in court, the United States Constitution says just the opposite: "If at first you don't convict, you may not try, try again."

For, if the prosecutor tried the same case again, he would be putting the accused person in "double jeopardy"—that is, he would be forcing him to face trial twice on the same charge.

Why does the Constitution forbid double jeopardy? It is a matter of simple fairness.

"The underlying idea," the Supreme Court once explained, "is that the State with all its resources

anger; nor shall any person be subject, for the same offense, to be twice put in jeopardy of life or limb; nor shall he

and power should not be allowed to make repeated attempts to convict an individual for an alleged offense, thereby subjecting him to embarrassment, expense and ordeal and compelling him to live in a continuing state of anxiety and insecurity."

Yet society, by giving up its second chance of winning a conviction, takes the risk of letting some real criminals go free. To prevent double jeopardy from providing an "easy out" for rascals, the law puts careful limits on the rule.

Consider three examples: A mail fraud trial was called off because the judge became seriously ill; a murder trial was halted by the discovery that the defendant had smuggled a friend onto the jury; a forgery trial ended in deadlock when the jurors found themselves unable to agree on a verdict.

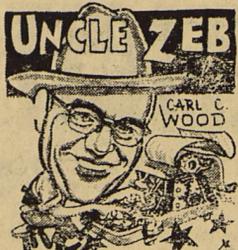

In each of these cases a second trial was begun. Each time the defendant objected that he could not be tried again because of "double jeopardy."

But each time the objection was overruled. For in none of these situations had the basic question of guilt or innocence really been answered. Through no fault of the prosecution, the law's machinery had been stopped short, its task yet undone.

In fairness to the accused, we do not ask him to face jeopardy twice. But in fairness to society, we do ask him to face it once. Society, too, is entitled to its "day in court."

We can not see how anyone could live close to nature and doubt that God is real. How that even flowers and grasses know when it is time to burst forth. Think of the little baby birds who know enough to stay in the tiny nests until time for the mother bird to teach them to fly.

Something that happened just this week seems to thinking of the mighty miracles of God as shown to us in His creation wherever we are so inclined to look. Just last week we were helping some young mother cows with the problems that came from giving birth to their very first baby calf. Even though it was her first experience the mother cow would soon afterward respond to her newborn calf and start caring for it in the traditional way. I guess the thing that most of all reminded me of God's wonderful care was how that in such a little while the baby calf would think about dinner time. Even though it was a newcomer to this world it didn't take long for him to find the handles to the container that was to mean life for the next few months. Just to watch the little feller take his place so naturally made us want to bow in humble thanks and adoration for a Mighty God who according to His word watches over The Sparrow And I.

It seems there is a difference between free speech and just talk. Our good friend, whom we have never visited with personally sends us the definition of a vacation: Yes Sir, a vacation is 2 weeks — 2 short afterwards — 2 tired afterwards — 2 return — 2 work and 2 broke not 2. He is Rev. Everett Mills, 347 Hickory St., way up in Lancaster, Wisconsin. Write to him. He is past 80 and still going strong.

About the most complicated job in today's world is to find the way to live the simple life.

Some folks are so far-sighted that they decide to rest before starting a job.

When it begins to take longer for us to rest than it did to get tired then it just could be that we have started down the other side of the road.

It is a lot easier to learn how to do new things than it is to quit old habits.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER
 It will be interesting to see what action the government will take when and the proposed acquisition of the American Broadcasting Corporation by International Telephone and Telegraph Corporation takes place.

For this would put one of the three networks under the control of one of the nation's biggest corporate monopolies. In addition, because of C. W. Harder IIT's heavy involvement in government contracts, coupled with ABC's supervision, as a broadcasting outlet by another governmental agency, the Federal Communications Commission, it could well be the start of a quasi-federal system of controlled propaganda.

Obviously, there is no problem involved of either operation losing money which is often the justification given for such a merger. Last year IIT earned over \$63 million on sales of slightly more than \$1.5 billion. ABC earned slightly over \$11 million on sales of almost \$421 million.

IIT since 1964 has already picked up Avis Car Rental, some life insurance companies and home finance companies. ABC owns five TV stations, 6 radio stations, interests in foreign stations, publishes three farm magazines.

IIT is of course heavily involved in the National Federation of Independent Business

Roadside Picnic

When your family takes a vacation by car, get the holiday off to a good start. Provide a picnic lunch for the first day of the trip. Nothing fancy. Prepare a Double-decker Sandwich Loaf and a picnic jug of sparkling 7-Up fruit punch.

DOUBLE-DECKER SANDWICH LOAF

Cut a round loaf of rye bread horizontally into 6 round slices. Use three slices for each sandwich. Suggested fillings: slices of bologna with mustard spread, egg salad with shredded American cheese mixed in. Secure with picks and cut each loaf into 6 servings. Wrap loaves in foil. Makes 2 loaves or 12 servings.

7-UP PICNIC JUG PUNCH

1 can (6 ozs.) frozen apple juice concentrate
1 can (6 ozs.) frozen lemonade concentrate
Ice cubes (about 1 tray)
1 quart (32 ozs. total) 7-Up, chilled

Combine ingredients in 2 quart picnic jug (or larger). Lemon slices may be added for garnish. Makes 6 to 8 (8 oz.) servings. Recipe can be doubled or tripled.

Notice Demo Women Meet

Due to so many members being out of town for the Easter Holidays the April 11th meeting of the TsaMoGa Club was cancelled. The program will be presented April 25th when Mr. Cleatus Phelan will be the speaker.

The Yoakum County Democratic Women met Monday April 11th at the Community Building in Denver City. Mrs. Carl Lowrey, chairmen presided over the business ses-

sion. Mrs. Vici Hinkle was elected secretary following the resignation of Mrs. Foye McConnell. Mrs. Gene Kinder was appointed Publicity Chairman for Denver City. It was decided that each member make one poster to be placed in some business establishment urging the people of Yoakum County to vote for the candidate of their choice in the Democratic primary May 7.

Mr. R. B. Woodward, Yoakum County Democratic Chairman discussed the election procedure and the Democratic party.

After the meeting adjourned refreshments were served by the Denver City members.

Cancer Crusade workers are ready to begin their drive.

Cancer Crusade To Start April 18th

The Yoakum County Cancer Society held its regular meeting Tuesday, April 12. Final plans were made for their Cancer Crusade which will start April 18 and 19. On those days volunteer workers will make a house to house campaign. Many of the clubs in Plains will be working on this project.

Mrs. C. F. McCargo is the Advance Gift Chairman and will work the business and the Plains Farm areas.

During the meeting a film was shown about leaving a legacy in your will for the Cancer Society.

This film was shown by the District 2 Representative, R. C. Taylor of Midland.

Two Coffee Makers Now A Kitchen Must

A good cup of coffee — whether it's that priceless first cup in the morning or that enjoyable second-cup-for-everybody when you're entertaining — is an indispensable part of the day for most people. Many homemakers have discovered that a kitchen inventory of two automatic electric aluminum coffeemakers pays dividends of pleasure and convenience.

A 3 to 12 cup unit is perfect for breakfast and family meals, and can even be programmed with a clock radio or appliance timer to have morning coffee ready to serve at wake-up time. For parties, dinners or the bridge club, a 20 to 40 cup electric aluminum coffeemaker provides predictably good coffee without worries of running short. Both large and small coffeemakers brew coffee just the way it should be, and then maintain

the proper serving temperature indefinitely. Many feature a control which lets you dial your choice of coffee strength.

A third ingredient for consistently good coffee is sometimes overlooked. In addition to fine fresh ground coffee and a good coffeemaker, a clean coffeemaker is absolutely essential. Aluminum is chosen by coffeemaker manufacturers because it's easy to clean, has excellent heat conductivity, convenient weight, and flexibility for achieving distinctive design shapes and finishes.

Our Soil, Our Land!

YOAKUM S. C. D. NEWS
BY
C. MURRELL THOMPSON

T. J. Bearden in a field of Switchgrass planted in July 1965. Note the good cover, uniform stand and growth made. Protect your grass and it will protect your soil.

Soil and water conservation work continues at a fast rate in the District. New conservation Plans are keeping Soil Conservation Service personnel busy. Application work, installing of high pressure under ground pipe to reorganize irrigation systems and preparation for grass planting are going along real well. J. W. Moore, Bert Anderson, C. W. & W. L. Faust, Bill Moore, T. J. Bearden, J. M. Dearing and Tommy Billing are installing under ground pipe or have it completed.

New Conservation Plans have been drawn up for O. M. Stewart, Clifton Clem, A. C. Fillingim, H. W. Tau-

nton, C. C. Copeland and L. E. Coke.

The results of cropland care has proven to all that conservation practices such as crop residue management, cover crops and tillage practices can and will save our top soil and moisture. Some very good examples are T. J. Bearden, H. W. Taunton, Earl Lowrey, Rollin McCord, Windel Norman, R. M. Jones, and Preston Murphy.

Fertilization, premergence watering and rest until the grass is ready to graze gives more grass and livestock does better says Aubry McGhee, Robert Chambliss, and T. J. Bearden and Paul Cobb.
