Major Wilson Knapp, head Institute will be the featured speaker at the Booster Club's annual football banquet at the high school cafeteria in Plains on the night of December 13th, said Jack Hayes, president of the Cowboy Booster Club. Joe Dan Cooke, former great and all state fullback from Plains is on the Cadets football team, and will accompany Major Knapp to Plains to present the Fighting Heart Award, which Cooke received last year himself.

Hayes said he was delighted that Major Knapp has accepted, and that Knapp volunteered the service of joe Dan Cooke to make the award, which will be quite a treat for Cooke's old team mates.

JOE DAN COOKE

Coach Knapp also reported that he wants to talk to some of the team members about attending N.M.M.I. in Roswell. Hayes, who is also the Postmaster of Plains, said the members of the Booster Club and the football players were

mailed to county farmers, so farm operators now are in position to make their production plans for next season.

In the referendum held Yoakum County farmers did not vote to sell or lease out side of the county, however, some 77 counties have voted to sell and lease out-side the county and producers that are interested in buying or leasing may obtain a list of the counties eligible to sell and lease at the local ASCS Office.

> Under the 1966 program some 5000 acres (Yoakum Co. acres) were transfered into the county from down state by purchase lease or ownership transfer. Overton stated that there are not many changes in the program for 1967, how ever, farmers that have filed cotton yield appeals within the filing time should keep in mind when buying, leasing or trans-

1967 ASC Cotton Transfer

Farm operators in Yoakum County were reminded today that applications for the transfer of cotton allotments for the 1967 crop should be filed no later than January 3, 1967.

Bill Overton local ASCS Office manager explains that notices of cotton allotments and the projected yeild for individfarms have already been

Bower Gas Moves Into Building

Dan Houck, manager of Bowers Liquified Gas Company of Plains announces that they are in their new building which is located accross from George's '66' Station and the Cowboy Grill on the western edge of Plains on the Tatum High-

The spokesman for Bowers Gas said the move was completed last week, and that they plan to announce an open house soon. Refreshments and prizes

will be given at the openhouse. The public is invited to stop by and see Plain's newest building. The building has a sales room, and office, and

Band Banquet Set

Band Boosters met Monday night and set the date for the Band Banquet, announced Mrs. Bill Loyd, Booster president. The banquet will be held December 2 in the Yoakum County Park Building at 7:00 p.

The Band Boosters feel this is only a small way of showing their appreciation to the Band and their director for

such a successful season with a climax of winning a 1st. in contest this past week.

The band boosters are ordering more fruit cakes to try and fill all of the orders placed to them by people of the community, and also to help make money for the banquet and other needs of the band. Anyone wishing to buy one is asked to contact a band booster

Places Will Close

Most business places will close Thanksgiving Day in Plains. The bank, drugstore, clinic, and cafes will not open on Thursday, and spokesmen for these places asked that people make their arrangements accordingly.

Alma's, The Cowboy, and. the Longbranch will be closed, therefore people are urged to buy their groceries and make their plans to eat at

Public offices at the city hall and courthouse will be closed, and most of the retail businesses in Plains plan

to observe Thanksgiving. Bnaking needs should be completed Wednesday, and those people needing prescriptions should see Roy Edwards or Dr. Reynolds before Thursday, because both plan to be out of town on Thanksgiving.

Whereas our forefathers declared that there should be

day set aside to give thanks for the many blessings which had been bestowed upon the pilgrams in New England.

And whereas it is possible for all men in our nation regardless of race, color, or religion, or creed to enjoy the abundance of blessings which freedom allows,

I, Billy Kennedy, Mayor of Plains do hereby set my hand and seal and proclaim Thursday, November 24 as a day of Thanksgiving in the City of Plains.

As your mayor, I call upon each citizen to give thanks in his own way to God for allowing us to remain the Land of the Free and for all of the bountiful blessings which He has bestowed upon our nation.

Billy Kennedy

Mayor

Thanksgiving means many things to Americans. To some it means a pause to give unto God a simple thank you for the blessings of the years. To others it means a chance to give thanks for the opportunity to sit down to dinner with friends and family and enjoy the association those we love. To others it means a mental voyage through the pages of American History and of those

Cotton Market! Quota

In 1966, a producer who participated in the cotton program recieved 9.42 cents per pound price support payment on 65 % of his allotment times the projected yield for the farm. A producer could divert 12 1/2 up to 35% of his all otment and receive 10. 5 cents times his projected yield for each acre diverted.

Cotton acreage in excess of the effective allotment was subject to a marketing quota penalty. The 1966 program was the result of a favorable vote by the cotton producers in the referendum for the 1966 crop cotton.

If marketing quotas are approved for 1967, a similar cotton program will be in effect. If more than one-third of the producers voting in the 1967 referendum (to be held in early December) vote 'No'. the following provisions will be in effect for 1967.

1. There will be no diversion program. There will not be price support or diversion payments. There will be no penal-

ties for exceeding the cotton acreage allotment. 4. There will be CCC loans at 50% (about 21cents) of parity

if the cotton acreage allotment

is not exceeded. W.M. Overton local ASCS Office manager stated that the 1967 cotton marketing quota referendum ballots will be mailed on br about December 2, 1966 and all eligible cotton voters should vote either for or against and return their ballots to the ASCS Office so that all cotton farmers will have a say about this pro-

gram. The ASCS have been designated the job of holding the \$1 a bale Research and Promotion referendum. This referendum will be held at the same time as the cotton marketing quota referendum but the two referendums are (according to the office manager) entirely separate and unrelated matters.

first days in New England. And to the men in uniform in Viet Nam it means a yearning for the loved ones back home and a question of why they are there and how soon will the time come when they will see the Golden Gate again.

To others it will be a day of atheletic enjoyment with the pig skin coming to the foreground. Thousands of Americans will swallow their dinner and rush to the stadium to see such traditional rivals like Texas and Texas A & M meet in a grudge game. Millions more will develope the pink eye from watching the college and pro teams on video.

To millions it will mean a break from the books and time out from school. It will mean a trip home from college to see Mom and Dad. The little ones in the grade schools have been watching the date

like a hawk for the chance to race from the school house when the bell rings today. Thanks giving will afford a day of rest for many people who compose the nation's working force. Businessmen

fore tackleing the Christmas It will also mean the beginning of the Christmas season and the wee ones will start thinking of Good St.Nick who is just a month away, and Mom and Pop will notice a marked improvement in the deportment of little Leander and fair Penelope the day af-

ter Thanksgiving. Others will fill the nations churches in a formal way of giving thanks.

But in all...it all depends on how you look at it ... Americans are greatful for Thanksgiving, regardless of

Says Mahon Boost U.S. Troops To 500,000

U.S. Representative George Mahon told an attentive audience in the Yoakum County State Bank public meeting room last Friday that he expects the United States to increase its fighting forces in Viet Nam' within the next year to 500,000 men. This would be 100,000 more than the U.S. has in Viet Nam at the present.

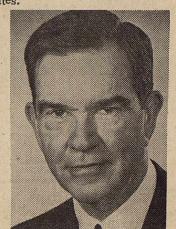

Congressman Mahon, who is chairman of the powerful Appropriations Committee in the House, said that the U.S. can be expected to accelarate the war in Viet Nam. The Texas Democrat said he believed the president's recent trip to Asia benefited the United States.

When asked about an editorial which appeared in a leading West Texas paper about the waste of U.S. government supplies going to the troops in Viet Nam, Mahon said he has dispatched an investigator to determine just how much is being pilfered by the Vietneese. Mahon pointed out that the figure has run high in Koria and in World War One and Two.

The West Texas solon also reported on government spending, and said the Congress will be more restrained in appropriations in this session. He said the president has asked economy in government and that this can possibly be gained through cutting out parts of different items in the bud-

Rep. Mahon was also asked questions about the cotton program. He explained the government program to gradually reduce the surplus, and wet ginners in the area after the report he was giving to find out the problems of the

Mahon also discussed the grain program and said he hopes that something more favorable can be worked out for the farmers in the next session of congress.

REP. GEORGE MAHON

People from all parts of the county were at the reception in Denver City for the Congressman. Mahon spent most of the afternoon in Yoakum Co. before going on to Andrews for a meeting there. Mrs. Mahon accompanied the Congressman on his Yoakum Co. visit.

The Democratic Ladies Club served coffee and punch to all who attended the reception.

The congressman and his wife extended their appreciation to the many residents of the county who came to the reception and visited with the Congressman.

Cowboy Band Wins 1st

The Plains Cowboys marching band won first place in their division at the Big Spring competition last Saturday, said Dennis Black, band director. This is the first time in seven years that the Cowboy Band has won such an honor. The only other bandsto receive a Division I out of the 14 bands in competition were Seagraves and

Roscoe. Praise of the band has been common place in Plains and members of the Band Boosters and other fans expressed their appreciation of the fine showing put forth by the band. The band members were

enthused about their first place and wanted everybody on the way home to know it, said one member of the band. They gave the band bus a victory touch by putting a first class paint job on it. One member said the people on the way home who saw our bus knew

Plains won a first. The 44 member marching band is under the field dir-

ection of Donna Williams, Drum Major.

CAYCE'S CORNER

If anybody in town owns any stock in channel 13 they aren't telling about it after the bleak afternoon last Saturday when football fans tore off the dials of their T.V. sets trying to bring in the game. I strongly suspect that some of the women were indeed happy, but I can't prove the point. A muffed up story or a wrong name on an ad don't appear to be quite so bad when we think that the sponsors who offered football to the fans over a large area didn't produce. Some were secretly wishing that the game was sponsored by the 'Old Pro' and his product, but since none of us could tune in close enought to even pick up the commercial the question remains in doubt.

We were glad to visit with Rep. and Mrs.George Mahon the other day. Young Homemakers Have Thanksgiving Dinner

November 14,1966 was a day that will be remembered for a while by the members the Plains Young Homemakers. This was the day they prepared a Thanksgiving Dinner for their husbands and special guests.

The day began for them at 1:00 o'clock with demonstrations fo how to prepare ham and turkey for baking given to 2 classes of home economics students from Plains High School. The girls were also shown how to cook sweet

potatoes and dressing. Members worked all afternoon preparing all the trimmings that go to make up a delicious and successful dinner. When the men and special guests arrived at 7:00 o'clock they were met with the

aroma of freshly baked food. The tables were decorated with autumn leaves and acorns with the center table being centered with a turkey in a field of pumpkins and corn. These arangements the work of Jeannette Head and Judy Fitzgerald.

Thirty-two people enjoyed the meal. Included in this number were the following special guests: Mrs.Margaret Box, Mrs. Marguerite Barron, Mr. and Mrs. John Fitzgerald, and Mr. and Mrs. joe Thomp-

Following the meal the men retired to the high school ag dept. for a cotton meeting and the Plains Young Homemakers had a short program. Movies of the state convention of the HD Club were shown. The convention was held in Corpus Christi. The state convention for the young homemakers will be held there in the early part

A book review given by Mrs. Margaret Box, highlighted the program. She presented the book 'Hey, Mom' by Mary D. Bowman, The book is a mothers version of the 31st chapter of Proverbs. It is a very good book for young mothers in that it presents ina comical way the disrupting events of

everyday fife and wa way to help you be more patient with children when these things oc-

the members of the Plains Young Homemakers would like to thank the Yoakum County Co-op Gin for their donation of the ham and Newsom's Gin for their donation of the turkey.

Since the first Thanksgiving . . . it's traditional to say, "Thank you." We are grateful to all our customers.
