

Harvest Hands Arrive

Morton Food harvest hands arrived in Plains last Saturday and started the cucumber harvest on Monday. The first load of cucumbers arrived at D. C. Newsom Gin on Wednesday at about 10:00 a.m.

The harvest hands swelled the population of Plains and local business houses realized the economic importance of outside money coming to the small West Texas city.

Over 900 acres of cucumbers will be harvested in the county, and it will mean about \$300,000.00 to Yoakum County for its economy.

The receiving station will be at the Newsom Gin this year. Interested people in the area are cordially invited to stop by the gin and see how the cucumbers are culled and readied for shipping to the Morton Food Plant.

Civic leaders in Plains said they are delighted that Morton Food Company has once more allotted acres to the Plains area, because it will help our economy and circulate money in the community. Many voiced their hopes that some of the people will remain in the Plains area when the pickle season ends giving the area a strong reserve for farm help to select from.

4-H Play Day

By Leo White
The 4-H Play Day scheduled for July 6th was cancelled due to wet grounds. Three Play Days have been completed where the contestants are working for high point honors. A point system giving as many as five points to each first place winner will determine the high point individual at the end of the season. When there are five or more contestants in the class the winner gets five points; second place gets four points; third place, three points; fourth place, two points; and fifth place gets one point. If there are less than five in a class, each contestant gets one point plus one point for each contestant beaten. In case of a tie the points are divided equally between the tied contestants. Each contestant is allowed to enter not more than four events at each Play Day so there is a possibility of making twenty points at each Play Day. Following is a list of those who have accumulated points at the first three Play Days:

SENIORS: Morris Rushing, 37; Clark Parrott, 30; Jimmy Gray, 28; Alton McGinty, 19 1/2; Jackie McDonnell, 8 1/2; Ted Hopkins, 4; and Reg Trout, 3.

JUNIORS: Lagatha Bownds, 47 1/2; Peggy Rushing, 40; Janalyn Lambeth, 34; Tony Cont. on Page 6

TONY CHANDLER, son of Mr. and Mrs. Phil Chandler, Plains, set a record in Little League Friday night by belting three balls out of the ball park in succession. The three home runs came in the game with the Yanks and the Cubs. The Yankee first baseman and pitcher swatted the ball out of the park the first three times that he was at bat in the game.

Tony is known as the home-run king in Plains now and rightly so, because if the fete of hitting three homers back to back has ever been done in Little League in any other

OUR 35TH YEAR THURSDAY, JULY 13, 1967 NUMBER 28

Plains Little League Race Crown Won By the Yankees

The Yankees shelled the Cubs Friday night 16 - 3 and went on to stand the Tribe off in a 9 - 9 battle Tuesday night to win the city championship Little League pennant. The Giants chased the Yanks all the way but fell short in the final two games for their challenge to pay off.

The Cubs played hot and cold but ended on a hot tune with a 10 - 0 shut out of the Giants when Mike Cayce pitched a no hitter which was the first one in four seasons to finish the race. This left the Cubs playing .500 ball.

In winning the pennant, the Yankee coaches, Cecil Williams and Jerry Hale, automatically became the coaches for the Plains All Stars.

Yankee hitting and pitching were good all season with Joey Lowe and Tony Chandler sharing duties on the mound and Tony and Joey batting in the top ten league hitters. Pete DeVries finished 11th with a .313 average for the year. The Yanks won 8 games, tied four, and only dropped two to wrap the ribbon on the mythical title.

A good Giant team finished in second place in the race. The Giants had hopes for a share of the title until the final week of the chase for the title. The Giants finished the season with a 6 - 3 - 5 record. The Cubs faltered the last week in their hopes of repeating as league champs and finished the season with a 5 - 4 - 5 standing.

Efforts for a Tribe rally collapsed in the middle of the season, but the Indians played good ball the last two weeks and had satisfaction of being spoilers. They rallied to down the Giant hopes with a tie last Friday and tied the Yanks Tuesday night. The Indians finished with a 2 - 3 - 9 record to secure the cellar position.

Each team managed to find glory in their players. Some of the outstanding plays of the year were the triple play made by the Giants; Chandler's three homers hit back to back in one game; the Indians ability to hit the ball; and the no hitter pitched by Cub pitcher Mike Cayce.

The first 10 batters for the season were:

Over the past few weeks, we have seen increasing evidence that Cuba continues to be a launching point for campaigns of terror and subversion against other nations of Latin America.

Fidel Castro has not been content with laying a heavy hand on the backs of his own people. He has not been content to lay waste a once-productive land and to drive thousands from their homes. His ambitions are not limited by Cuba's shores. He has methodically converted Cuba

into a clearinghouse of communism, a satellite and a tool of both Soviet and Chinese communism.

J. Edgar Hoover recently observed that 'Latin America presents a highly vulnerable target for extensive communist subversion which is being directed from Moscow, Peking, and Havana.' The FBI Director went on to say that Cuba's close alignment with the Soviet Union, Castro's efforts to foment unrest and subversion throughout the Western Hemisphere, and the continuing entry of Cuban refugees into this country are placing heavy demands on American resources.

While the vast majority of the Cuban refugees into this country are anti-Castro, some have received intelligence assignments from the Castro government, Mr. Hoover points out. In addition, Cuba, through its mission at the United Nations, is engaged in continuing recruitment of Cuban aliens in the United States to satisfy the spying requirements of Communism.

Soon after seizing power in Cuba, Castro allowed Red China to establish a Havana embassy. The Chinese communists have used this embassy as a base for launching an intensive campaign of subversion throughout the Americas.

Also, from Cuba, the Soviet Union is directing wars of subversion—not only against the Western Hemisphere but, indeed, against the free nations of Africa and Asia as well. The Russians brag openly about this Havana-based subversion.

First Cub Scout Derby Set For Plains Next Tuesday

No it isn't the Soap Box Derby, but it is the Cub Scout Derby, and will be big fun for participants and fans when the Cub Scouts of Plains get set to race their autos down the hill by the swimming pool at 8:00 p.m. July 18th.

At least seven boys will have home built autos in the big race, and each boy will race against the clock to try to win first place. The Plains State Bank will give first place a \$10.00 savings account and the second place boy will receive a \$5.00 savings account at the Yoakum County Federal Credit Union.

Trophies will be awarded to the first three contestants by the Plains Record and Plains Insurance Agency.

The Cubs have made their racers as a father and son project. The cars are strip down models and were not made according to soap box derby standards. The local race is serving the purpose of giving the boys a challenge of building a project which they can use with competitive spirit.

The public is urged to attend the Cub Scout Derby and to watch the little cars race down the steep hill by pool side for a trip to the winners

Richard Williams, son of Mr. and Mrs. Cecil Williams is pictured with his Cub Scout Derby Car. He will race the car the 18th.

Plains vs. Sundown Little League District Tourney

Plains is scheduled to be the host for the Area B tournament for the District 26 Little League playoff July 20th, 21st, and 22nd at the local Little League Park, said Sherm Tingle, District Tournament Director.

Plains will be matched against Sundown in the nightcap game Thursday night and if they win will return to the field the following evening at 8:00 p.m. to encounter the winner of the Denver City - Seagraves match.

Teams in the tournament include Plains, Denver City, Seagraves, Levelland, Brownfield, Ropesville, Sundown, and Morton.

The tournament will be divided into two brackets with the following teams playing: In the first bracket Morton will meet Ropesville at 2:00 p.m. in the opening game of the tournament. Brownfield takes on Levelland at 4:00 p.m. with the winners meeting on Friday at 6:00 p.m. The winner of this bracket will advance to the finals to play the team that has gone through bracket two undefeated.

Al Gardner, District commissioner, released the information to Tingle when he awarded the tournament to Plains. The information of game schedules could not be made public until Little League season ended Tuesday night.

Cecil Williams and Jerry Hale are managing and coaching the Plains All-Stars. Williams says the Plains team should be able to put up formidable opposition to the other teams in the tournament.

The Lions Club will assist with the tournament. All members are urged to contact Lion Boss Johnnie L. Fitzgerald for assignments.

Fitzgerald, who is also County Commissioner from precinct four, announced that more work is being done to the field in order to have one of the best tournaments in the District 26 history. Seats will be moved to the diamond from the rodeo arena. Crowds of over 500 are expected at the game.

Mayor Billie Ray Kennedy said he will issue a proclamation of welcome to the visiting teams and fans for the tournament, and State Representative T. George will also be at the games.

County Judge Gene Bennett also welcomed the opportunity of having the tournament in Yoakum County. He pledged his support to the Little League officials.

Commissioner Gardner is expected to be in Plains prior to the opening of the tournament to give the field and game plans a final inspection.

Mike Cayce Gets No Hit Game

The umpire called 'Strike Three!'

There was a moment of silence then the cheers went up as the fans realized that an important event had happened at Plains Little League Field. Mike Cayce had pitched a no hitter and had shut a good Giant team out 10 - 0. It was the first no hitter in four seasons and the fourth in Plains Little League history. Other no hit pitchers included Calvin Smith, Tienny Lowe, and Jimmy Massey.

Only two Giants got on base and both were picked off with a throw to second and a pick off at first. The big Cub pitcher struck out 14 men and was assisted only two times at first. He faced only 18 batters in the game which is the least amount possible.

Only the pitcher, catcher, second baseman, and first baseman even touched the ball in what is surely one of the strongest games which has been pitched in Plains Little League history.

Mike says he thought it was the fifth inning instead of the sixth and he burned the ball over the plate. He said he wasn't really thinking about a no hitter when suddenly it became a reality.

The big Cub pitched a one hitter earlier in the season, and in last years all star game he didn't let a man get on base until the seventh inning. He pitched a two hitter and walked only one man to have a fine tournament record.

FFA Teacher Starts Work

Randy Lehberg has assumed his new duties as Vocational Agriculture teacher in Plains. Lehberg is a graduate of Texas Tech and graduated from Mason High School.

Lehberg succeeds Bo Stephens as Ag teacher. Stephens will teach in Plains elementary school next year. Lehberg is the brother of Larry Lehberg who held the same position in Plains and resigned in 1965 to return to Mason to go into business.

The new Ag instructor is working on the school facilities, preparing them for the school term next September. He is also visiting farms and ranches in the area and becoming acquainted with members of the F. F. A. Chapter.

The new Vocational Agriculture teacher will leave for Dallas with several students for the state convention next Tuesday. One of the students, Alton Earl McGinty will be awarded the Lone Star Farmer award at the Dallas convention. This is the highest award that can be received from the state organization for an Ag student.

ASC Area Records For Cotton Farms

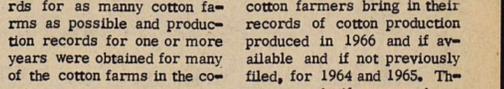

By W. M. Overton, ASCS Office Manager

COTTON YIELD RECORDS REPORT: In the summer of 1966 efforts were made to obtain cotton production records for as many cotton farms as possible and production records for one or more years were obtained for many of the cotton farms in the county.

By having the reported cotton yield records for many of the cotton farms the County ASCS Committee and those assisting them did, perhaps, do a better job in setting the

CAYCE'S CORNER

When there is something to crow about, we believe that it should be shouted aloud... so here we go... The Plains Little League field is in tip top shape for the coming tournament and we are indeed indebted to County Commissioner Johnnie L. Fitzgerald for keeping his election promise of getting the field ready for the district playoffs. He didn't just do that, instead Fitz put the park in good shape for playing all year during regular season. It was a good job Commish.

We also believe that Cecil Williams and Jerry Hale are doing a splendid job coaching our All Star team as they did in their chase for pennant laurels. We believe our team has a good chance of bagging the honors during the tournament and tip our hat to these two fine men for working with the wee ones for many many hours during the season.

We also tip our hat to the other coaches, managers, and helpers for spending the time with the boys on the diamond this year. If some of the grandstand critics spent their time working with the kids there would be less lip and more laughing. We believe the game is for the kids, as do the managers and coaches. The ump's also have had to take ridicule from the gallery, but the grandstand critics wouldn't attempt to fill their shoes because they just don't have time or have other excuses.

We have a good program in Plains for the kids because of such people as Jack Loe, Joe Beal, Cecil Williams, Jerry Hale, Earl Kreig, Dub Nelms, Bob Blundell, Gary Livesay, Tommy Beal, Sherm Tingle, Gilbert Pierce, Jim Barnett, Marcene Phillips, and many others.

Our All Star coaches along with the team deserve a big hand of applause for sticking it out in rain or shine or thick or thin. Let's get behind the team and be as proud of them if we loose the first game of the tourney as we would if we made it all the way to Cooper Town, New York.

It is a fact that these boys will play their hearts out in a game which is tradition in America. The coaches will work just as hard. Let the fan join in and help make our tournament one which Yoakum County will remember for years to come, and one which will be a model for future tournaments.

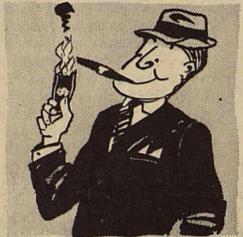

Funny Money

What if you discover that a dollar bill, recently acquired by you, is a counterfeit? Your quick reaction might be:

"This thing is a hot potato. I'd better unload it onto somebody else as fast as I can."

But if you do, you will be committing the serious crime of passing counterfeit money. True, you do have a hot potato on your hands. But it is folly to add to the minor mistake of accepting the money the major mistake of passing it along.

Your duty is plain. Notify the local police department or the United States Secret Service at once, giving as much information as you can about when, where, and

from whom you received the bill. No, you will not be reimbursed for the one dollar. But you will be helping to curb one of the most ancient and persistent of crimes—one that has been given a new lease on life by modern techniques of printing and engraving.

In the roster of criminals, the counterfeit is something of a maverick. He is seldom motivated by sudden passion or by grinding poverty or by personal inadequacies. He has time enough for planning, money enough for equipment, and talent enough for manufacturing. He is a cool customer who knows exactly what he is doing.

However, merely passing—unlike manufacturing—counterfeit money may occur in perfect innocence. It is part of the government's job in prosecuting to prove that the person who passed the counterfeit money knew (or at least thought) that it was counterfeit. Consider this case:

An intoxicated fellow, caught spending counterfeit money in a bar, denied that he knew it was bogus. At the trial, the government told the court:

"Shortly before this man's arrest, he burned a \$5 bill to light his cigar. So he must have known the money was no good."

But the court was not convinced beyond a reasonable doubt, and dismissed the charge. The judge said it was quite possible for a drinking man to burn real money—just to show off.

In another case, though, there was evidence that the defendant, when he realized detectives were on his trail, flushed his counterfeit money down a toilet.

This time, the defendant was convicted. The court found no reasonable explanation for this behavior except a guilty conscience.

Caroline Crutcher

Crutcher-Yeager Engagement

Mr. and Mrs. A. J. Crutcher of Route 1, Tokio, wish to announce the engagement and approaching marriage of their daughter Caroline Jane to Robert Charles Yeager, son of Mr. and Mrs. J. C. Yeager of Calgary, Alberta Canada.

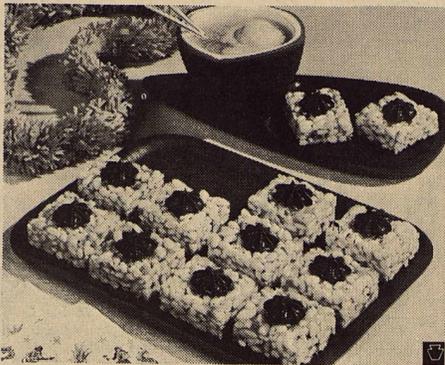

The wedding ceremony will be read on August 11, 1967, at 7:30 p.m., in the Tokio Baptist Church in Tokio, Texas. All friends of the couple are invited to attend the ceremony.

Caroline is a 1967 graduate of Plains High School where she was a cheerleader and

a member of the State Champion Cowgirl Volleyball team. During her senior year she was also chosen as the F. F. A. Sweetheart, Band Sweetheart, Senior Class Secretary, Most Representative Girl of P. H. S., Senior Class Favorite, first runner up for Miss P. H. S., and she was also Secretary of the Cowboy Band.

Robert is a 1967 graduate of Brownfield High School. He plans to enter Texas Tech in the fall where he will major in Architecture. After their marriage the couple plan to make their home in Lubbock.

Tropical Treat For Balmy Summer

PURELY LOCAL

By Martha Palmer

The lure of the tropics is legendary; visions of Polynesian paradises have filled man's thoughts for generations. You can create a little tropical "bewitchery" yourself with these Coconut-Star Bars. They're tempting bars of tender puffed rice and chewy coconut held together with melted marshmallows and butter. Luscious chocolate stars decorate the tops of the confections.

Serve Coconut-Star Bars as refreshments for an unusual birthday treat. Pineapple punch, topped with a scoop of sherbet, fulfills the tropical theme. Serve the punch in coconut cups if you have them; they add to the party atmosphere.

Ride the tide of popularity and pack Coconut-Star Bars in picnics and lunches, too. They're delicious any time. Aloha!

COCONUT-STAR BARS

Makes 28 bars
5 cups puffed rice
One 3 1/2-oz. can flaked coconut
1/3 cup butter or margarine
28 chocolate stars
4 cups miniature marshmallows

Heat puffed rice in shallow baking pan in preheated moderate oven (350°F.) about 10 minutes. Toast coconut in shallow baking pan in preheated oven (350°F.) 12 to 15 minutes, shaking occasionally. Pour puffed rice into large greased bowl. Stir in coconut. Melt marshmallows and butter over low heat, stirring occasionally. Pour over puffed rice mixture, stirring until evenly coated.

Firmly press mixture into greased 13x9-inch baking pan. Top with chocolate stars. Let set about 1 minute, then gently press stars down. Cool. Cut in bars.

4H Dress Revue

By Sudie M. Thompson
Home Demonstration Agent

Yoakum County 4-H girls will stage their Dress Revue Friday, July 14, at 3:00 p.m. in Denver City at the Community Building. Leaders have worked with these girls for several weeks in grooming and construction and styling of their garments. The public is invited.

Have you been trying to beat the heat lately? Here are seven simple suggestions you may use for coping with extreme heat and humidity.

1. Slow down all action and motions; don't raise your body heat by sudden spurts of energy; eat average amounts but cut down on heavy foods—and do eat one hot food with every meal; be sure outer and under clothing are always freshly laundered. Also, change bed and bath linens often—this is easy because they can be machine-washed and sun or machine dried with no ironing needed.

2. When feet swell, perspire, and absorb heat from burning pavements, it's time for soothing foot baths. "Take 10," fill the bathtub ankle-high with warm soapy water, sit on the edge of the tub or on a stool drawn alongside, and soak your feet. Then scrub feet and legs with a well-sudsed brush. Rinse feet with alternately warm and cool water—finish with a cold splash.

lash.

3. Clean hands make the entire body feel cooler, so wash hands often on hot days—using plenty of warm soapsuds and finishing with a cold rinse from wrists to fingertips.

4. Hair needs good care due to increased perspiration and outdoor activity. Brush 100 strokes daily, and shampoo every few days. Work up a rich lather, massage the scalp vigorously with fingertips or a shampoo brush, and rinse away the soiled lather. Repeat, graduating the rinses from warm to cool, until the hair squeaks with cleanliness. The "cool head" achieved this way makes you feel more comfortable all over.

5. A series of 2 minute "soapsuds facials" at intervals serves as a real pick-up on a sweltering day. Skin really needs this pampering as it tends to be oilier, and is more exposed to sun and wind. Use plenty of warm soapsuds, plus the massaging action of fingertips or complexion brush, and rinse carefully with tepid water. A final cold rinse stimulates and cools the skin.

6. Arrange time for a leisurely tub bath in warm soapsuds at least once daily. This has the effect of drawing out internal heat, leaving an illusion of coolness for hours.

7. Use a minimum of makeup perhaps just a light dusting

Mr. and Mrs. Tom Oxford

Mrs. Tom Oxford Given Shower

Mr. and Mrs. Tom Oxford of Plains were honored with a wedding shower recently in the home of Mr. and Mrs. Ed Sullivan of Morton, Texas.

The shower was held on Friday, July 8th from 3:00 to 5:00 p.m. There were fifteen hostesses honoring the local couple and approximately 75 guests called during the afternoon.

House Party

A housewarming will be given for Mr. and Mrs. Alvis Millstead in their new home located 3 miles South of Plains. The housewarming will be held on Friday, July 14, 1967 beginning at 8:30 p.m. All friends of the couple are invited to attend the housewarming.

of face powder and a dash of lipstick. One good trick, used by professional models, is to pat the face lightly and often with a sponge squeezed out of cool water; this removes surface dust and helps give skin a desired glow.

Home Demo Salad Supper

Yoakum County Home Demonstration Clubs held their annual salad supper on Friday night July 7th at the school cafeteria.

Mr. Bill Stubbs, Regional Manager for the Texas Farmers Union Insurance, from Lubbock was the guest speaker. Mr. Stubbs spoke on Farm Safety. He asked "Will you help make your farm a safer place to live?" He stated that more members of farm families are being injured today than ever before. Farming is the nation's third most dangerous occupation. Only mining and construction are more dangerous. Last year 8,700 farm residents were killed in farm accidents; more than 800,000 were injured, many of them were children. He gave a farm safety check list and told the purpose of the list. They are as follows:

1. Is all your farm machinery equipped with all the original safety guards and shields furnished by the manufacturer?
2. Is all of your farm machinery used on public highways equipped with a red tail light and reflectors and are lights used when equipment is operated on highways at night?

3. Are all gates and fences on your farm constructed and maintained in good condition to keep in livestock?
4. Do you instruct all operators of farm machinery to use extreme caution and obey all traffic laws when machinery is operated on the highway?
5. Are all machine operators instructed to clean or service any machine only after first shutting off the machine?
6. Are all machine operators instructed not to allow anyone (especially children) to 'ride' on the machine?
7. Do you attempt to keep young children away from farm machinery—especially when it is running?
8. Are proper and complete instructions given to all persons who operate machinery?
9. Are all possible precautions taken so animals, especially dogs and livestock, will not injure anyone, or kill stock or poultry?
10. Are all fuels, gasoline, and explosives safely stored so that children and inexperienced persons cannot have access to them?
11. Are vacant buildings, ponds, and similar attractions locked or fenced so people (especially children) cannot get to them?

Mr. Stubbs concluded his talk with the statement "Think safety, Act safety, and Talk safety."

The ladies put on a Hazardous Hat Fashion Show after the speaker was through. Mrs. Tom Box was narrator of the fashion show. Mrs. Jack Palmer, Rowe Stephens, L. L. Smith, Lee Roy Box, Vennum Fitzgerald, Leon Thompson, and Carl Lowrey modeled the hats.

Miss Edith Worsham, daughter of Mr. and Mrs. William Worsham played dinner music. Mrs. Carl Lowrey, Health and Safety Chairman introduced the speaker and presided over the meeting. Approximately 40 persons attended the salad supper.

cont. from page 1

Soviet Foreign Minister Andrei Gromyko rose in the chambers of the Supreme Soviet and told its members what Russia had in mind. He said, "The Soviet Union will do everything to help." That means the Soviets are committed to a policy of world-wide subversion, with Havana as a key base.

I point this out as evidence that what is happening in Latin America is part and parcel of overall Communist strategy—specifically, Soviet strategy.

In fact, just last March, Castro was encouraged to brag that he could expulse a dozen Vietnams in Latin America.

The latest example of Castro's intent occurred in the bold Cuban attempt to land a guerrilla force in Venezuela. This abortive invasion climaxes years of effort to topple the lawful Venezuelan government and to spread chaos and anarchy throughout a land which is one of the most successful free nations of the hemisphere.

Venezuelan authorities obtained positive proof of overt Cuban action by identifying four of the guerrilla force as Cuban nationals—two of them Cuban Army personnel. And, although Cuba denied Venezuelan charges of specific aggression, Havana did proclaim that the Castro regime would aid "revolutionary movements" combatting imperial-

ism anywhere and anytime.

I am reminded by this incident of a statement made back in 1964, when the mysterious Che Guevarra told a Peruvian reporter, "My advice to Venezuelans is this: arm yourselves and shoot through the head every imperialist you can find who is 15 years of age or older."

When Venezuela has to repel guerrilla forces; when murder and assassination become regular occurrences; then the time has arrived for all the nations of this hemisphere to act under their treaty obligations and seek an effective means of dealing with Cuba.

In my view, President Raul Leoni, of Venezuela, has been faced with the gravest of challenges.

I believe that the United States should promptly declare its readiness and willingness to cooperate with and assist Venezuela.

The United States, I believe, also should be prepared to join with Venezuela in asking the Organization of American States to declare its moral indictment of the Havana regime for training agents and exporting them on missions of terror.

Further, I believe the United States should support a Venezuelan request to the OAS to apply economic sanctions against Cuban trade.

Finally, I believe it still is not too late for the United States to recognize a free Cuban government—in-exile here, and to support it toward the day when it can return to Cuba.

State Line News

By Margaret Box

Mr. and Mrs. Don Young and Choya Don visited her parents, Mr. and Mrs. Otho Wood, and family in Morton July 4th. Her little brother, Clifton Wood, returned home with them for a visit.

Mr. and Mrs. Marvin Rhyme left Thursday for Killeen, Texas to visit their daughter and family, Mr. and Mrs. Bob Lokey. They returned home Sunday.

Mr. and Mrs. Bob Cox operated the Bronco Cafe while Mr. and Mrs. Rhyme were gone.

Thirty-five attended the meeting Saturday night at the Gladiola Youth Center. Several of the adults and children enjoyed playing volleyball. During the business meeting officers were elected. The following officers were re-elected: Mrs. Tom Box, president, Escala Travis, vice-president, Mrs. Louise Bonnell, secretary and Mrs. Lee Roy Box, treasurer.

Plains were made to buy an air conditioner and screen doors and play equipment for the center. Mrs. Wayne Davis and Mrs. Tex Belcher will be hostesses for a weiner roast Saturday night, August, 12. Ice cream and cake were enjoyed by all after the business meeting.

The women would like to organize a volleyball team. If anyone is interested, please contact Mrs. Wayne Davis in Bronco or Mrs. Tom Box.

Families are invited to come to the Youth Centers meetings.

Mr. and Mrs. Leon Thompson, Mr. and Mrs. Lee Roy Box, Lebeth and Kimberly, Mrs. Grace Hughes, and Mrs. Tom Box and Tommy Guy attended the salad supper Fri-

day night given by the Home Demonstration Clubs in the school cafeteria. Mr. Bill Stubbs of Lubbock spoke on 'Farm Safety.' He pointed out that farming was the third most dangerous occupation with mining and construction topping it. He said we must 'Talk safety, think safety, and Act safety.'

The next State Line Home Demonstration meeting will be Thursday, July 27 at 2:30 p.m. in the home of Mrs. Don Young. A 4-H club girl will give the program.

Mr. and Mrs. Orville Izzard of Lubbock spent Saturday night and Sunday with Mr. and Mrs. Lee Roy Box. Mrs. Adell Box and Robert were dinner guests there Sunday.

Mr. and Mrs. Don Young and Choya Don visited Mr. and Mrs. B. A. Young in Tahoka Sunday.

Mrs. R. C. (Margaurite) Cox spent last week in her home but returned to the hospital in Las Vegas, New Mexico for further treatment.

Mrs. Loren Gayle met her sister, Mrs. Jimmy Rice, and Larry, Keith, and David in Lubbock Sunday where they had flown in from Tripoli. They were given fifteen minutes to pack one suitcase and leave Tripoli where they were flown to Rome, Italy. Her husband, Jimmy, is in Rome waiting to go back to his job with an oil company in Tripoli when the Mid-East war situation is settled. Mrs. Rice and sons are staying with the Loren Gayles until she can find a place to live in Plains.

Mr. and Mrs. R. K. Field, Sara Kay and Robert recently returned from a two-weeks vacation and business trip. They attended the Hereford Breeders Association meeting in Kansas City for a two day workshop and closed with a banquet. They went on to Lexington, Kentucky and St. Louis, Missouri.

New F.F.A. Marker

The Plains F. F. A. Chapter has constructed a welcome marker on the East side of Plains. Mr. Roy Fitzgerald donated the land for the marker and is pictured with Bo Stephens, Alton McGinty and new Ag teacher Randy Lehmerberg.

Mr. and Mrs. Leroy McCrave were her brother and family, Mr. and Mrs. Glen Smith, of Dallas, her sister and husband, Mr. and Mrs. Ray Lackey of Brownfield, and her parents, Mr. and Mrs. H. M. Smith, of Plains and Mrs. Bessie McCrave.

Mrs. Bessie McCrave visited Mrs. Hayden Box and Mrs. T. F. Fillingim Monday.

Lady's Day At Pool

Lady's Day at the swimming pool will start next Wednesday morning. The pool will be closed for mixed swimming on each Wednesday morning in order to give the ladies an opportunity to have a day of swimming by themselves. On Wednesday afternoon of each week the pool will re-open for mixed swimming.

Billy Stewart, manager of the pool, said the hours for Lady's Day will be from 9:00 a.m. until 11:00 a.m. with the pool re-opening at one o'clock.

Ladies of the community will be assured of privacy and those desiring to come to the pool are cordially invited, said Stewart.

OBITUARIES

Mass was said for Frisco Ortiz at the Catholic Church in Plains Tuesday afternoon. Rosary services were conducted Monday night for Mr. Ortiz. He was a World War I veteran and served in the 165th Bridage.

Mr. Ortiz was found Sunday afternoon at home where he had died. He was pronounced dead by a physician from Denver City. He was a long time resident of Plains.

Funeral services were conducted Tuesday under the direction of Barrett's Funeral Home of Plains with interment in the Plains cemetery. Mr. Ortiz was born in 1886, and was 81 years old. He is survived by his widow and several children and a number of grandchildren. His son Arthur preceded him in death last year and is buried in the Plains cemetery.

ed yield for each of the cotton farms for 1968. ACP COVER CROP: Most all Yoakum County cotton farmers have signed a request requesting cost-share assistance for establishing a cover of forage crops of Whippoorwill, Clay, Iron, New Era or Chinese Red Pease, which may be planted on land diverted under the cotton and feed grain programs. Farmers that have not requested assistance may do so through Monday, July 17. As in the past to be eligible for any cost-share

payments the requests must be filed before the practice is started. This cover crop practice is not limited to diverted land. Seeding rates per acres for forage sorghum is 5 lbs per acre in rows and 10 lbs drilled. Seeding rate for Chinese Red and New Era peas is 8 lbs per acre in rows and 12 lbs per acre drilled, Clay, Iron and Whippoorwill peas 13 lbs in rows and 20 lbs per acre drilled. Seeding dates for forage sorghums not later than August 1st. Seeding dates on peas not later than July 15th.

Then, there's that once a month when a girl could use a good old-fashioned medicine.

Maybe you feel just plain bad then. Or maybe a little lonely and sad, like you could use a pair of arms around you.

Well, we have just the thing for this once a month time. Lydia E. Pinkham Tablets. They're made with gentle, natural ingredients, including one that works to help relax tightened muscles that give you cramps. Plus a little iron that a girl could use at a time like this. And, you don't run any chance of the kind of unpleasant side effects you could get from some of the newer drugs.

With an old-fashioned problem like this, couldn't you take an old-fashioned medicine.

TRADE AT HOME

Plant the Seed

where you expect to Reap

IT'S what you might call a commonly recognized agricultural principle that if you want to do your harvesting on a particular piece of ground, that's the place to sow your seed.

Using the same general type of reasoning, it is obvious that if you want to harvest a nice crop of prosperity... in the form of better business, a better job, a better community in which to live... it's advisable to plant your trade dollars where they

will produce growth for you, rather than for somebody else.

The homes we live in... the jobs and businesses which support us... the schools and churches that teach our children and enrich our lives... the convenient stores and service establishments that supply our everyday and emergency needs... none of these were built, nor are they supported by the dollars that are spent in some other community or city.

A Good Newspaper Has Many Uses

YES, LADIES, THE PLAINS RECORD IS THE BEST NEWSPAPER AROUND FOR LINING YOUR TRASH CAN. IT'S ALSO GOOD FOR WRAPPING FISH, FOR SHIELDING YOUR HAIRDO IN A SHOWER, FOR PROTECTING YOUR KITCHEN FLOOR AFTER A FRESH MOPPING, OR FOR USE ON THE FAMILY PICNIC. YOUR PLAINS RECORD HAS MANY SUCH USES BUT OF COURSE YOU CAN'T USE IT FOR ANY OF THESE THINGS FOR SEVERAL DAYS - IT'S COMMON KNOWLEDGE THAT MOST COPIES REMAIN IN EVERY HOUSE FOR SEVERAL DAYS BEFORE EVERY MEMBER OF THE FAMILY FINISHES READING IT. THEN OF COURSE THE NEIGHBOR OFTEN WANTS TO BORROW YOUR COPY. SO YOU CAN USE THE PLAINS RECORD FOR HOUSEHOLD CHORES USUALLY JUST BEFORE THE NEW ISSUE COMES OUT. WE'RE PROUD THAT THE PLAINS RECORD IS USED SO WIDELY BY HOUSEWIVES. THAT'S JUST MORE TESTIMONY TO THE HIGH QUALITY PAPER WE USE TO PRINT THE WEEK'S NEWS ON. WE PAY A LITTLE MORE FOR IT, BUT BECAUSE OF IT THE NEWS IS EASIER TO READ AND OUR PICTURES ARE OF BETTER QUALITY. WE THINK YOU'LL AGREE THAT THE PLAINS RECORD DOES TRY HARDER THAN ANYONE ELSE TO PUBLISH A CLEAN, SHARP NEWSPAPER. AND AFTER YOU'VE FINISHED READING IT, IT'S STILL GOOD FOR MANY USES AROUND THE HOUSE. NEXT TIME YOU HAVE JUNIOR LINE THE GARBAGE CAN, MAKE SURE HE USES A PLAINS RECORD. IT'S TOP QUALITY!

Farm Methods Prove Soil and Water Savers

By G. M. Thompson
SCS Work Unit Conservationist

New Farming methods make for more soil and water conservation. Narrow row farming has been used and recommended for years by both conservation farmers and agricultural workers.

The job of changing over from 40-inch rows to narrow rows costs both time and money because of equipment change overs.

Over the years there has been a gradual increase in the number of farmers who plant in some narrow row width ranging from 20 inches to 30 inches. Also, there have been some using a grain drill plant in 16 inch rows.

This year, there seems to be a greater interest in narrow rows for growing grain sorghum. One of the largest plantings made in several years is being made this year.

Roy Guetersloh has equipped two large tractors with planting equipment planting 12 rows at a time on a 28 inch spacing. To date, he has planted 2,880 acres and is scheduled to plant 5,120 acres more if the weather permits.

Henry May planted in narrow rows last year and ag-

ain this year, Robert B. AND Bruce White are planting all their grain sorghum and diverted acres to narrow rows, 27 inches in width. Charles L. Williams has long been a supporter and a planter of narrow rows, using a deep furrow 20 inch planter. Carter and Jess Snodgrass and Bobby and Robert Chambliss are others who have used the narrow row method of planting and have seen the benefit in moisture conservation, reduction of soil temperature, valuable wind erosion protection and increased or good average production.

Or tales pm;u 1,500 pounds of stubble or residue to hold our sandy soils in 20 to 30 inch rows but 2,500 pounds per acre to do the job in 40 inch rows.

Roy Guetersloh states he is able to hold the soil better even before the crop is up and growing when the rows are only 28 inches wide. He is still planting the same amount of seed, 3 1/2 to 4 pounds per acre as he was in 40 inch rows.

This is one way we can grow a cash crop and better our chances for holding our soil the following spring.

14th Annual Rodeo Report

Details are complete for the 14th Annual Old Settlers Re-Union and Rodeo which is scheduled for the last weekend in July. The big parade will begin at 5:30 p.m. on Thursday, July 27th and the rodeo will be announced soon.

A spokesman for the Roping Club said the saddle which is given away each year at a drawing before the final session of the rodeo will be here soon. It is slated to be displayed at

Moore and Oden's Department Store on the square in Plains.

The rodeo is sponsored through the auspices of the Roping Club, The Plains Lions Club, and the Plains Chamber of Commerce. The roping Club usually works the stock while the Lions and Chamber members work the gate, parking, and concession stands.

Three candidates are running for rodeo queen this year. These candidates include:

Peggy Rushing, daughter of Mr. and Mrs. Polly Rushing of Plains, who is sponsored by the Roping Club.

Loe Ella Turner, daughter of Mr. and Mrs. W. P. Turner, Bronco, who is sponsored by the L. O. O. F. in Plains.

Sharon Williams, daughter of Mr. and Mrs. A. B. Williams of Plains, is sponsored by the Plains Lions Club.

The Community barbeque is scheduled in Stanford Park on Saturday July 29th at noon. This is one of the more popular events of the reunion and is where many old timers re reunited with their friends.

All events in the contest will be jackpot with buckles awarded to winners of each event. The saddle will also be given away this year. The queen candidates will sell chances on the saddle.

Girl's State Report Made

By Sharon Tarkington

Girls State is a program designed to inspire young girls to devote their energies toward 'God and Country.' This plan is carried out by educating them in the duties, privileges and responsibilities of American citizenship. Girls State is also an opportunity to learn the problems of government by performing the same duties as real office holders and citizens in the everyday world. Every responsibility and obligation of citizens and office holders on city, county, and state levels are placed in the hands of the citizens of Girls State. It is truly a great Americanism program.

During the '67 session of Girls State, citizens were privileged to hear many outstanding speakers. The speakers in the order of which they spoke are as follows: Mrs. Jack Flynt, President American Legion Auxiliary, Department of Texas; Mr. Don Fawcett, Assistant Director, Texas Youth Conference; Miss Marilyn Van Derbur, Miss America 1958; Honorable Robert W. Calvert, Chief Justice, Supreme Court of Texas; Mr. Jack Cox, former legislator; Mrs. Margaret B. Smith, member of the U. S. Foreign Trade Advisory Committee;

Mrs. Darlene Fennell, Texas Nurses Association; and last but not least Mrs. Lyndon Baines Johnson, First Lady of the United States.

All of the things I have mentioned are only a formal introduction of Girls State. The true feeling can only be felt by those who have the privilege of attending. The campaigning for office, election returns, talks with room mates, visits to the capital and Barton Springs, talks with representatives, and many other things would take hours to explain. I only wish that everyone had the privilege to attend such a session and learn the true meaning of Americanism. My sincere thanks to the American Legion Auxiliary and Tsa Mo Ga of Plains for making it possible for me to attend such a great session.

Prayer Week Plans

A week of prayer is preceding the revival that will start Monday night, July 17th, at the Assembly of God Church. Rev. and Mrs. Clyde Causey of Levelland will be the Evangelist. Rev. Causey is one of the leading young Ministers of the Assemblies of God and is having outstanding success in his Evangelistic endeavors. He and his wife are accomplished musicians and singers.

Prayer meeting preceding the Revival is being held each evening at 8:30 and everyone is invited to come and pray as well as having a special invitation to attend the two weeks Revival that will begin each evening at eight o'clock, starting July 17th.

Baseball Friday

Plans are complete for a scrimmage of the Plains Little League All Stars with the outsiders (a team which has been put together this week of older boys) Coached by Calvin Smith to be played at the Little League park at 8:00 p.m. Friday night.

Cecil Williams and Jerry Hale are getting their All-Stars ready for the action tomorrow night. The public is invited to attend the game. The hat will be passed and donations will be asked for support of the District Tournament slated next week in Plains.

The public's cooperation is requested in raising the finances for the tournament. New equipment was bought for the All Stars and the Lions Club must assure District Little League officials \$250.00 to be used at the next tournament for the winning team's transportation and expenses.

Now Possible To Shrink Hemorrhoids

And Promptly Stop Itching, Relieve Pain In Most Cases.

Science has found a medication with the ability, in most cases, to relieve pain, itching and shrink hemorrhoids. In case after case doctors proved, while gently relieving pain, actual reduction took place. The secret is Preparation H®. It also soothes irritated tissues and helps prevent further infection. Just ask for Preparation H Ointment or Suppositories.
