OUR 37TH YEAR, THE PLAINS RECORD, THURSDAY, AUGUST 15, 1968, NUMBER 31

around plains square

with Teny Lester

With school just a week away a little more activity is picking up and the smell of football is in the air.

Coach Richey was by Tuesday to visit a moment and told us of almost reaching the panic stage Monday when he and the coaching staff were going through equipment to be handed out this week and discovered they had 28 new pairs of soccer shoes instead of football shoes in their midst. A fast trip to Lubbock Monday straightened it all out.

Brother Tarkinton was by for a moment also Tuesday. We always enjoy company like his when they have nice things to say. He was telling us about the new cleanup job around the Scout Hut, also. When you have time go by and look at the neat parking area and lot.

Took a breather at noon Tuesday to go and visit with Joe and Bill Curry. For some reason or other I haven't had time to visit with them lately and I was beginning to feel a little stale. Between the two of them, I usually get enough laughs or thoughts for the day to keep me perking for another week.

We were real glad to see Joe back at the drugstore after his illness last week.

After moving my desk up to the front window, I don't get much work done but sure enjoy watching the traffic go by. It's funny how you get use to the familiar faces and cars around the square.

Ferne Lowrey, president of the Yoakum County Cotton

Promotion Club, passes the word that a sew it with cotton contest is scheduled for sometime next month. All women of the area who are interested in entering are asked to be thinking about it and watch for the set date and rules to be coming out soon.

We were real sorry to hear of Tommy Beal's accident, but like his parents, are so grateful that it wasn't as bad as it could have been.

We hope that youngsters will take a notice of how dangerous a cycle can be and especially the good of wearing a crash helmet.

We must have a new business in town. Although there hasn't been any advertising of it in the Record, there are sure a lot of people who know about it. Cars are always parked around the little white building on the corner with the green glass and door. Sure a lot of folks in town who like to play dominoes, or I suppose that is what it is!

Enjoyed helping serve the Tokio Co-Op Bar-B-Q Saturday. It's great to have time and an excuse at the same time to visit with friends and neighbors. We notice where some Plains folks were winners of some of the cash prizes. Congratulations. Glad you weren't like me and forgot to take your card for registration.

Good friends like Mrs. Barron Blair are appreciated too. She came by Wednesday with a big sack of black-eye peas and cucumbers.

COACH SAYS COWBOYS MUST PLAY THEIR BEST TO BE GOOD

TOMMY BEAL INJURED IN TRUCK-MOTORCYCLE ACCIDENT

Tommy Beal, 14-year-old son of Mr. and Mrs. J. W. Beal, received serious leg fractures Tuesday afternoon when he was involved in a motorcycle and truck accident three miles east of Plains on the Brownfield Highway.

Tommy was attempting to pass the large van truck when the accident occurred. Sheriff Olan Heath reported that a wind current was the probable cause of the accident.

Sheriff Heath reported that the truck driver and Tommy were both going east and there was plenty of room for passing. It was thought the current sucked the motorcycle under the truck with the rear wheels running over the youth's left leg crushing the ankle and causing other fractures. The motorcycle was determined a total loss.

Sheriff Heath also reported that the wearing of a crash helmet probably saved the boy's life. The impact with the pavement was hard enough to break the straps off and heavily damage the helmet.

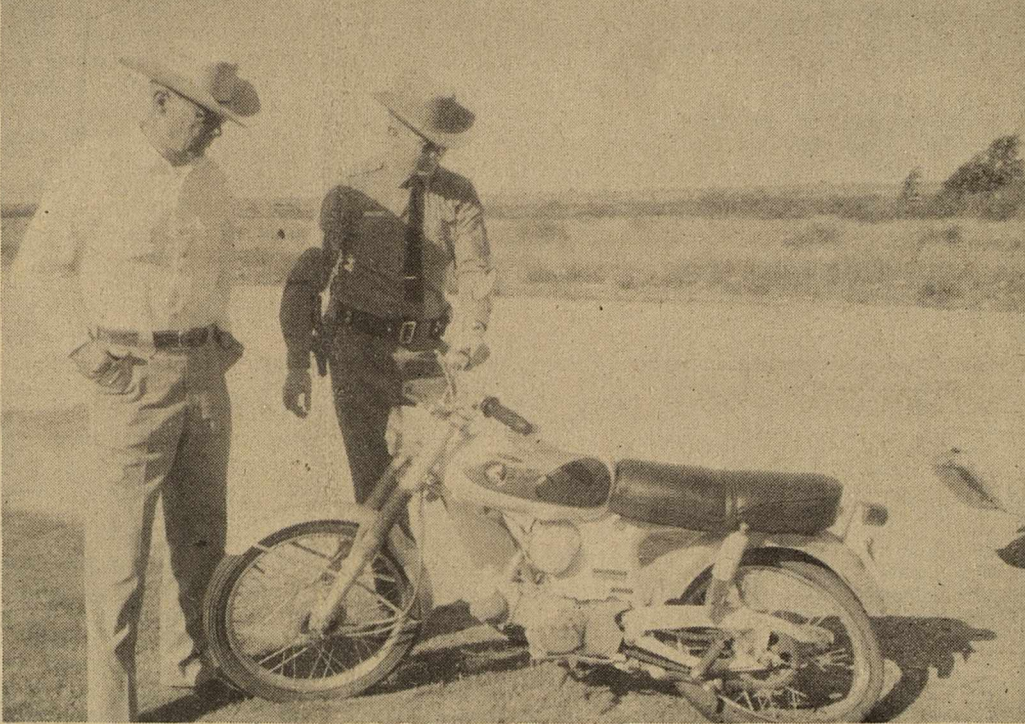

The driver of the truck, Jessie Reyes of Lubbock, reported to Sheriff Heath that he had seen the boy through his rear view mirror and thought he was almost around him when he heard the bump. The truck belonged to the Plains Laundry Company in Lubbock.

It was reported that Tommy was on his way to the Addison farm to visit friends who were hoeing cotton there. He was almost to the turnoff when the

accident occurred at about 3 p.m.

The youth was taken to the Yoakum County Hospital in

Plains Volunteer Fire Department ambulance.

Sheriff Heath and Patrolman examine scene of Beal wreck

"You can't get good unless you play the best", commented Coach John Richey in response to the fact that the 1968 Cowboys are rated third in district play this season by the Texas Football Magazine.

"We're a young ball club and lacking in experience", he added, "But we hope to gain experience in the first five scheduled games and two scrimmage games before conference play begins."

Graduation hurt the Cowboys for this season with only a small senior class returning. Richey pointed out that the Cowboys are expected to meet the new season with a good strong back field.

Richey will begin the 1968 season as head coach for the first time in his five years on the staff. The Cowboys placed second in district play last year with a record of 4-1. The 1967 seasonal record was 9-1.

Assisting Richey this year will be Bill Martin, Kenneth Engle, both returning for their second year on the staff, Jim Bill Warren and Edmond Vickers, who are starting their first time on the Cowboy staff.

Coach Richey stated that there are approximately 50 boys expected to turn out for football this year with 10 lettermen included.

Richey also stated that any boy wishing to play football is urged to come on out. No positions have been filled and won't be until the first game. Physical forms may be picked up at the high school principal's office or at Coach Richey's house.

Boys who have not picked up their shoes may go by Richey's home or the football field house for them.

Returning squadmen include Captains Mike Wilkins, Hershel Smith, Billy Spencer, Russell Jones, Tony Salas and Gary Liles. Also, Vernon Stach, Tommy Crawford, Bobby Haines, Dennis Looney and Reg Trout.

Expected juniors are Richard Tagle, Larry Massey, Jo-

hn Lowe, Mike Nugent, Jim Taylor, Mike Hughes, Jeff Isaham, Lance Smith, Tommy Crooks, Terry Fitzgerald, Howard Day and Jerry Brian.

Sophomores expected are Earl Kreig, Gary Livesay, "Burro" Flores, Ronnie Crooks, Wayne Wauson, Vicentes Torres, Gary Randall, Ronnie Braddock, Eddie Joe Moore and Lynn Cox.

Approximately 16 freshmen are expected out this year and include Ace Hamm, Shelly Simpson, Alford Vest, Mike Cox, Charles Fisher, Ronnie Rains, Charles Murph, Richey Brantley, Tommy Beal, Pete DeVries, Kevin Guetersloh, Ricky Hanna, David Barnett, James Stewart, Roland Taylor and Robin Walker.

Twice a day workouts began Monday with morning sessions at 7:30 a.m. and afternoon sessions at 4:00 p.m. Fans interested in seeing these workouts invited to come to the field at 4:00.

Scrimmage play has been scheduled with Eunice, N.Mex. there on Aug. 29. The Cowboys will meet Seminole here on Sept. 5. Coach Richey stated that these scrimmages will be action for both varsity and freshman teams.

Fall Grid Schedule

9-20 Sundown there 8:00
9-27 Farwell here 8:00
10-4 Tahoka there 8:00

Seagraves has been rated first in district for 1968 with Coahoma second by the Texas Football Magazine.

Coach Richey added, "With our youth and inexperience we're fortunate to be rated third but we're way ahead of the other teams in psychological views. Plains has always had a tradition of winning and if the desire is there we'll do all right."

Amos Smith, Lewis Waters, & Reg Martin at Big Bar-B-Q

Due to the recent rejection of a permit to operate a private club, The Loner Club, et al, filed suit Monday against the Texas Liquor Control Board for an appeal of decision.

The Board has refused application for permit to operate a private club located at Bronco on two different occasions.

In July the last denial was based on grounds that the place and manner in which the applicant may conduct its business is of such a nature which, based on the general welfare, health, peace, morals and safety of the people and on the public sense of decency, warrants refusal of the permit applied for.

In the appeal the plaintiffs allegedly would show that such an order for denial was issued without a hearing having been held, and that such an order was not based upon any facts or evidence before such Administration and that plaintiffs were denied the right of hearing and that such action by the Administration was arbitrary and capricious and was not based upon any evidence.

The appeal went on to say that no persons having personal knowledge of the facts were present at such hearing and plaintiffs were not allowed any right of examination of any person at such hearing nor

were they notified of such hearing.

Plaintiffs would show that this appeal is taken within the time prescribed by law.

The private club application has been formally protested by county commissioners court, Sheriff Olan Heath and County Attorney Vernon Townes.

Other courthouse business this week included Commissioners Court meeting Monday with Judge Gene Beuweit presiding.

Business included the Court moving to enter into contract with Belco Sound Inc., professional sound contractors, for a transmitter with antenna to be installed at Yoakum County Hospital.

The hospital board had requested the move. The contract will run for a five-year period at a cost of \$36.24 per month.

Marriage licenses issued recently were to Jimmie Dale McCauley and Connie Marie Willis; Bobby Neil Taylor and Sheila Callie Sealy; Melvin James Dickerson, Jr., and Kay Ann Gillespie.

Criminal cases on file include Charley Aubrey Hunt, paying fine and costs of \$92 for DWI charges; Henry Lee Dawson paying fine and costs of \$67 for driving while license was suspended;
