## Homecoming Activities

Friday Oct. 11 is marked as homecoming day for all the Plains Cowboys. Homecoming activities will begin Friday afternoon at 4:00 p.m. with a tea for all ex-students in the home-making department of the high school.

At 2:30 p.m., the exes will be honored at a pep rally in the new gymnasium, followed by the homecoming parade at 3:15 p.m.

The evening's activities begin at 7:45 with the crown-

ing of the homecoming Queen at the football stadium; then, at 8:00 p.m., the Cowboys will take on the Sudan Hornets. During the half-time, the classes of 1938, 1948, and 1958 will be recognized.

This year's candidates for homecoming queen are: Joyce Warren, Gail Ancinec and Jana Strickland. The young ladies are active in school programs and extra-curricular activities and each should serve as an outstanding queen for 1968-69.

## Wranglers Ride High at Sudan

Thursday grid play saw both the seventh and eighth grade Wranglers downing the Sudan Hornets with the seventh winning 28-14 and the eighth winning 27-0.

For the eighth grade, fullback Tony Chandler ran a 35 yard touchdown with Joey Lowe converting during the first quarter. Second quarter play saw the big black defense holding the Hornets and forcing them to punt. Ray Garza ran the punt back for a touchdown. Chandler kicked the extra point.

In the final seconds of the half, Chandler scored again but was called back on a penalty.

Lowell Trout scored in the third quarter but the try for extra points failed. Tony Winn scored late in the fourth and again extra points pried failed.

The line did a great job of blocking and the defense held the Hornets not allowing them in Wrangler territory except once.

The seventh graders opened their game with Bob Blundell scoring a touchdown and Mike Blount kicking the extra point.

Barry Fisher ran a touchdown in the second quarter after making a pass interception. Plains had the Hornets 13-0 at the half, and in the second half the Hornets scored 14 points after a 30-yard run for a touchdown by Mickey Kennedy. Along with these six points, Blount kicked another one point conversion.

With three seconds left on the clock, Jeff Gentry ran a six-yard touchdown. Joe Ruiz received a pass from Kennedy for two points.

There will be three games here this afternoon. The seventh, eighth, and B teams will play O'Donnell, with the first game beginning at 5 p.m.

This will be the first home game for the junior high teams and they would appreciate your attendance and support.

The second annual Yoakum County Sew it With Cotton Contest was staged in Plains Saturday night with three winners being chosen to represent us in the district contest Saturday, Oct. 12, in Lubbock.

## Cotton Meet Set

The twelfth annual meeting of Plains Cotton Growers, Inc. has been set for 2 p.m. on Thursday, Oct. 17 in the Koko Palace, Lubbock.

The announcement was made by Donald A. Johnson, Executive Vice President of the 23-county cotton producer organization, who said the meeting would be open to all cotton producers, ginners, and others interested in the future welfare of cotton on the Texas High Plains.

Principal speaker for the meeting will be Elton Thigpen, highly respected cotton economist for the International Cotton Advisory Committee, Washington, D.C. Thigpen will speak on the 'Situation and Outlook for High Plains Cotton Exports.'

An all cotton style show featuring around 30 cotton en-

sembles for both men and women will be staged by women's cotton promotion clubs within the area.

County Directors, elected over the past few months in county meetings throughout the area, will be certified for membership.

All-cotton door prizes will be given at various intervals during the meeting and two grand-prizes—an expense paid trip to the Texas Cotton Ginners Convention in Dallas for one producer and one ginner—will be given just before adjournment.

Johnson said the meeting will be adjourned about 5 p.m. and will be followed immediately by a meeting of the newly certified directors for the election of 1968-69 officers.

Was reading somewhere where Yoakum County's Oct. 1 cotton production estimate by the Lubbock Cotton Exchange and Plains Cotton Growers, Inc., trimmed 2,000 bales off the estimate released in Sept.

The forecast is 35,000 bales for Yoakum County. That's still a lot of cotton, but it is a shame that hail damage during Sept. cut out the other 2,000 estimated bales.

Speaking of cotton, if you missed the second annual sewing contest, and all cotton style show Saturday, you shouldn't have.

A lot of pretty fashions were shown with some of them being quite unusual. A few of the fashions were from all cotton 'leather' and made quite a hit with the crowd.

Our congratulations go to Mrs. Bill Gray, Edith Worsham and Kathy Bearden in their placing first in divisions of the sewing contest; and we wish them the best of luck in Lubbock Saturday at the district contest.

Good luck wishes go to Pat Hanks also as she travels soon to Dallas to represent Yoakum county in the State cotton queen event to be held at the State Fair. Can't help but feel that Pat will do real well at the contest.

A letter to the Record recently read: 'We thought you might be interested in our world tour—we have seen our first cotton of the tour here in Israel. It is being harvested now—there are three of us from Yoakum County—Mrs. Ty Field of Bronco and Mr. and Mrs. A. B. Carpenter of Plains.'

Couldn't tell when the letter was mailed but we were most happy to receive it.

It seems that apologies are always coming from me for something and one of these days I will learn that haste does cause errors. Anyway, our apologies go to Gary Liles name under the Young Cowboys picture instead of his. I know both boys apart and am sure most of you do too, but still felt I should apologize to the young man for my error.

Congratulations are always in order and this time they go to all of the Yoakum Countians who placed at the Fair and to Plains FFA boys for their fine winning exhibit

music. This event is being sponsored by the local Youth Center and admission will be one dollar per person. All ex-students are invited to attend.

Don't forget the homecoming activities and hope to see you at the games!

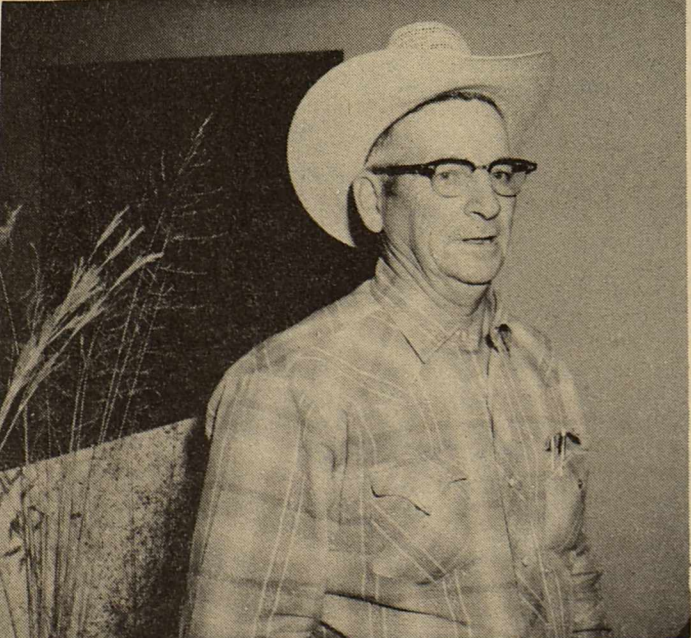

Oh, yes, attend the pep rally Friday afternoon in the new gym if possible. Sounds like fun.

There will be music by the high school band, welcome, singing and yelling.

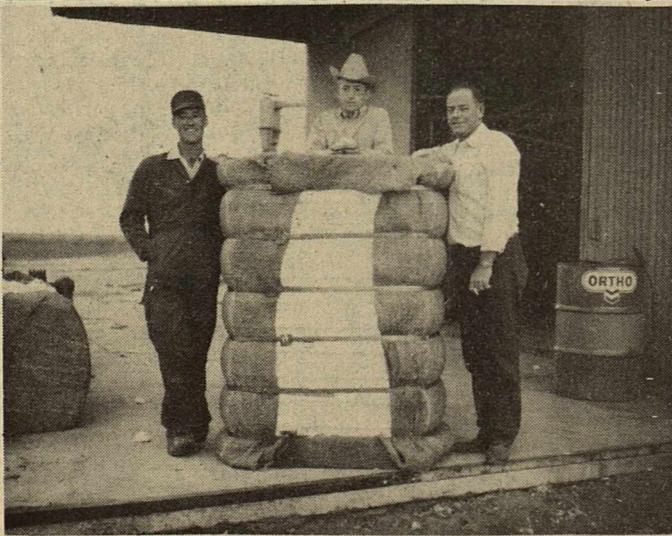

## Homecoming Dance

A dance will be held at the old Cogburn Young Building next to the Post Office Friday night from 10 p.m. until 1 a.m. with the Derby Haywaller Band providing the

music. This event is being sponsored by the local Youth Center and admission will be one dollar per person. All ex-students are invited to attend.

ere isn't a dime's worth of difference in the two men or parties. Perhaps the real question in most peoples minds is the childish statement by Nixon that he has a solution to the war in Viet Nam, but won't reveal it until after the election. Now Dick is a smooth fixer, but to the many who are searching for a solution, they find this statement to be extraordinary, even in an election year. This could do more to cause Nixon to fall flat in the stretch than all of the other things put into one package. Our guess is it could very likely be decided by the House in January.

TREMENDOUS TRIFLES

THE RAIN THAT ESTABLISHED HOLLYWOOD
If it hadn't been for a particular rainfall, the motion picture industry might have been centered in Flagstaff or distributed over the United States. At any rate, it would not have settled in Hollywood. It started when three refugees from bankruptcy, Jesse Lasky, Samuel Goldwyn and Cecil B. De Mille, met at New York's Claridge Hotel to start a highly hazardous venture: a motion picture company. It was to be known as the Jesse Lasky Feature Play Company. Each took a share and, at \$5,000, there were no takers for the last remaining share. After a year of privation and rebuffs, the trio succeeded in getting the rights to film Milton Royle's successful play, "The Squaw Man" on a "so much down and the rest later" plan. They gathered a crew together and chose as their leading man Dustin Farnum. (No, thank you, said Farnum, he would accept \$250.00 weekly in cash rather than a quarter interest at \$5,000 that still remained.) For the sake of authenticity, they selected Arizona for the filming and proceeded by train to Flagstaff for the "shooting." When they reached Flagstaff, it was raining—raining dismally; the country was disappointing; the crew depressed. They remained on the train straight through to Los Angeles. A young cowboy named Hal Roach stopped at De Mille's hotel room and applied for a job. He was three. He turned it down. But, before he left, Roach told De Mille about a Los Angeles suburb, a pleasant place called Hollywood, where another picture company, Universal, was operating. De Mille investigated, hired a barn at \$25.00 a month and commenced work on "The Squaw Man." There were privations on every hand: sharing the barn with the owner's horse and buggy, clashes with rival combines, many acts of sabotage. But in four weeks the picture was finally completed and netted a profit of a quarter-million dollars. There was no artificial lighting in the early days. The company found Hollywood ideally suited to the filming of outdoor pictures because of its proximity to every type of outdoor setting. They continued with such gusty films as "The Virginian" and "The Plainsman" and established the motion picture as a coming entertainment force and Hollywood as the world film capital. It might not have happened if it hadn't been raining in Flagstaff one certain day many years ago.

EXHIBIT PLACES: The Plains FFA Chapter recently received \$90 prize money for their placing FFA Educational Exhibit at the South Plains Fair in Lubbock. The exhibit, emphasizing the importance of weed control in milo, placed in the third group. It was set up by Roland Taylor, James Stewart, Bryan Wilmeth and Randy Lehmer, advisor.

Carrots enjoyed instant popularity when they arrived in America.

The first colonists brought carrots with them in the 16th century. These luscious vegetables became immediate favorites with the American Indians. They liked them so well they would steal them from the white man's garden-rejecting everything else.

Not too long ago, white and purple carrots were common in the Netherlands, France, and to a lesser degree in Great Britain. However, the orange variety has pretty much replaced other colors in these countries now.

These vitamin-A packed vegetables also contain good amounts of calcium, phosphorus and iron.

Fresh Carrot Bread is served with cream cheese, butter or

marjarine. 3/4 cup butter; 1 cup sugar; 2 eggs; 1-1/2 cups sifted all purpose flour; 2 teaspoons baking powder; 1 teaspoon ground cinnamon; 1/2 teaspoon salt; 1 cup finely grated raw carrots; 1 cup seedless raisins; 1/2 cup chopped nuts.

Whip butter until fluffy and gradually beat in sugar. Add eggs one at a time and beat well after each addition. Sift together flour, baking powder, ground cinnamon and salt, and gradually add to first mixture. Mix in carrots, raisins and chopped nuts. Pour into well greased, lightly floured 9 x 5 x 3 inch loaf pan.

Bake in preheated moderate oven, 350 degrees F., for one hour. Cool bread in pan about 10 minutes before turning out on wire rack to finish cooking.

### CAMPAIGN BUTTONS ...an American Tradition

Nothing's more exciting than a presidential election! Every four years, while the whole world watches, we go to the polls to elect our chief executive.

Long before the election, voters boast of the merits of their candidates, often wearing their "voting hearts" on lapels—in the form of campaign buttons.

Since 1896, the campaign button has been a part of our election campaigns. Previously, lapel buttons were actual shirt or coat buttons which had to sew on. In the election of 1896, William McKinley, a Republican, defeated his Democrat and Populist opponent, William Jennings Bryan, and the campaign button, as we know it, became a definite part of our election scene.

In 1920, the first year that women were allowed to vote, one cam-

paign button proclaimed "Peace, Progress, Prosperity" with John B. Cox. But the button and its slogan accomplished little as Warren G. Harding became our president.

1928's button, "Who But Hoover," proved an accurate prediction as Herbert Hoover entered the White House. In an upset election, 1948, one button proclaimed Harry S. Truman for president while the opposition button asked that Dewey and Warren be elected. While pollsters agreed that Dewey and Warren it would be, Harry S. Truman became our 33rd president.

Buttons of winners and even losers are fun—they make the 1968 election more interesting and exciting. Authentic reproductions of the 36 winner and loser campaign buttons from 1896-1964 are available for \$2.00 from Election Collection, Box 9769, St. Paul, Minn. 55177. Be sure to include zip code.

### California Dreamin'

A trend-setter in so many other things, California is now making the styles in home decorating. According to United/DeSoto of Chicago, wall-covering manufacturer, two types of decor have spread nationwide from this western state—luxurious ornate interiors from Southern California and modern, brightly colored interiors from the north. United/DeSoto recently has introduced an entire new collection of wallcoverings, called "Bravo," for those with northern California tastes.
