More than 150 of the Nation's top cowboys are expected to sign up for the competition. Cash prizes totaling nearly \$12,000 in purses and added money will be up for grabs.

Today's luncheon kicked off ticket sales for the year's first Rodeo Show in Lubbock. Tickets may be obtained at Rodeo Headquarters in Pioneer Hotel, or at Brook's, Furr's, Piggly Wiggly, United and Safeway supermarkets, all Western stores and at Tech Drug.

NEWS BRIEFS

How long has it been since you have had a session of "Do you remember when ah, distinctly I remember, it was in ?" It was the good fortune of the editor and me to have such a day last Thursday with old friends of the editor, Mr. and Mrs. Loyd Hollinger of Russell, Kansas. The three had graduated together from high school in Russell in 1921. There was not much that I could contribute toward the conversation as my schools days were spent in Plains and Lubbock, but each minute of their reminiscing was enjoyable.

Mr., and Mrs. Hollinger owned and operated a drug store in Russell and he was pharmacist there for approximately 40 years. Now both have retired and they spend their spare time in trips of sightseeing and visiting old friends.

One very pleasant statement to the ears of a Texan was made by them and that was that they "loved our State of Texas." On numerous trips, they have visited Dallas, Houston, Galveston, the Gulf Coast and West Texas. From Plains they were going to Hobbs, and then on to Ruidoso for skiing and sight-seeing.

Mrs. Hollinger is a fine musician and she is the organist for one of the United Methodist Churches in Russell. She honored us by playing a number of pieces on the piano. Oh, how wonderful a friendship can be!

They left with a promise of another visit which we will be looking forward to.

Mrs. Ruby Heald and Mrs. Wilda Hancock returned last Tuesday night from the County Clerk's Convention in Dallas and Austin. They both reported a very enjoyable session. Don't forget the housewarming that is being given Ruby in Denver City on the night of March 10th.

The State Line Baptist Church will have a revival service, March er, would return as clown. Clem 14th, 15th and 16th, and 21st, 22nd and 23rd. Exchange Vows

Miss Linda Joanne Grau became the bride of Ty Earl Powell in a double ring ceremony at 2 p.m. February 22 in the First Baptist Church of Grady, N. M. Reverend J. H. Stout, pastor, officiated.

Parents of the couple are Mr. and Mrs. Lloyd Grau of Grady and Mr. and Mrs. Bill Powell of Fort Sumner, N.M.

The ceremony took place in front of a 15 branch candelabra holding white tapers. Green fern, bouquets of coral gladioli and large white chrysanthemums, accented by white satin bows and streamers, on golden pedestals accented the candlebra. Medium palm trees completed the scene.

The bride, given in marriage by her father, wore a floor length gown of white satin. A wide, seed pearl trimmed Chantilly lace border outlined the hemline. The gown featured a fitted bodice and scooped neckline. The floor length train of matching lace was trimmed with hand sewn seed pearls. The bridal veil fell from a satin bow head piece, outlined with a solid row of seed pearls.

A bridal bouquet of white and yellow roses was entwined with white stephanotis and yellow satin streamers.

Traditional wedding selections were provided by Glenda Powell, who also accompanied her husband, Clyde Rayburn Powell, as he sang "I Love You Truly" and "Walk Thru This World With Me." Powell is a cousin of the groom.

The bride wore a diamond pencant belonging to the groom's mother as something old and borrowed. Something blue was a lace trimmed garter and something new was her wedding gown, which she created herself. She also carried pennies, which were minted in the years of their births, in her shoes.

Attending her sister as maid of honor was Janet Grau. Nancy Utterback, college roomate,

was bridesmaid. Lura Grau also attended her sister as a junior bridesmaid. Each wore identical A-line floor length coral astin gowns. Matching bow hats of coral tulle and white accessories completed their fashions. Each carried a bouquet of white flowers, surrounded with coral tulle and long coral streamers. Dallas Powell of Wichita, Ka-

nsas, attended his brother as best man. Jerry Long of Las Cruces, N.M. was groomsman. Charlie Dickerson of Portales,

Chuck Grisson and Paul Ed Harney, both of Vaughn, were ushers. Wesley and Mark Grau, both brothers of the bride, were

candlelighters.

Miss Penne Powell, neice of the groom, served as flower girl. She was also attired in coral satin gown with white accessories. Lane Grau, brother of the bride, served as ring bearer.

The two grandmothers, Mrs. Pearl Grau and Mrs. Lillian Luna, were presented with corsages of coral carnations.

For her daughter's wedding, Mrs. Grau chose an embossed turquoise brocade dress with matching coat. White accessories, turquoise hat and corsage of yellow roses completed her attire. Mrs. Powell chose a lace beige dress with matching coat for her son's wedding. Hot pink accessories, pink hat, and a pink rose corsage accented her fashion.

Following the ceremony the couple joined in lighting the symbolic candles of union.

A reception was held immediately following the ceremony. The serving table, laid witha white cloth, was appropriately accented with the bride's chosen color of coral. The four-tiered wedding cake, accented with white frosting and decorations, was served by Mrs. Bill Hanson of Midland. Miss Suzahn St Romain, cousin of the groom, served punch. Mrs. Darlene Oliver of Lubbock registered guests.

Approximately 170 guests were present for the ceremony and reception.

The bride is a graduate of Grady High School and is a senior at New Mexico State University. The groom, a graduate of Plains High School, is a 1968 graduate of New Mexico State and has several hours on his graduate course at E.N.M.U.

The bride chose a moss green wool suit and black accessories for their wedding trip to Denver, Colo. They will make their home in Larned, Kansas.

FORGIVENESS "Recompense to no man evil for evil. Provide things honest in the sight of all men." Romans 12:17

So many of us play out the depictions of old, pain-filled memories again and again in our lives. However, when we wipe out the past by giving up the hate-filled grudges that have haunted our hearts, we light the dark corners of our lives and release our creative powers for untold good. The pain we wnwittingly inflict upon ourselves by carrying bitterness and rancor in our hearts is the cause of nearly all human misery. Nearly all destructive manifestations can be trace back to lack of forgiveness. Nothing is more destructive than refusing to forgive ourselves or another for some misdeed.

Plains Dirt Gardeners Club met February 20th in the club room with nine members presflowers in the church.," was given her work. by Mrs. Bill Overton.

flowers were used as part of worship. Festivals to the gods of the ancients were marked with the strewing of blossoms, a custom which survives even today in some parts of the world.

There are 4 points to consider services. in arranging flowers in the church SUITABILITY - requires that every arrangement take subord inate but well-intergrate place in the service. Suitability also involves the kind of vases or containers and see that the finished product is related well to its surroundings. "Discretion shall preserve thee, understanding shadl keep thee."It:o. 3:11

AVAILABILITY - or course we have to use what kind of

flowers that are available. With the many beautiful artificial flowers now available only the ent. The program: "Arranging arrangers imagination will limit

DURABILITY - some plants Long before the Christian era, will wilt easier than others. Things to be considered are the tem perature in the church. Sometimes we will have a beautiful arrangement in the morning service and then find that they are fast asleep at the evening

> VISIBILITY - is essential. This limits the choice of materials, especially on color. Here difficulty is encountered, particularly in large churches or in those with dim lighting. Backgrounds also often plays tricks with carefully selected blooms. The form, texture, or color of a flower in relation to its immediate neighbors is likewise a matter which experience has proved we must consider. Dark-hued

flowers as deep red roses or purple tu 1 ps become invisible at a short distance.

CONTAINERS - "liabilities or assets." Isaiah 7:15 says we must refuse the vil and choose the good"

Many kinds of containers are suitable, but one of the important factors is the plant material to be used. It is better to choose a simple glass or pottery holder which serves its purpose humbly and without showy displa y than to spoil a lovely altar setting by a few short stemmed flowers crammed down into a handsome but narrow necked vase like a cork in the neck of a bottle.

Everyone enjoyed the delicious refreshments served by the hostesses, Mrs. Joe Thompson and Mrs. Foy Cogburn.
