Mr. Clyde Fitzgerald and his plane

## Mr. Clyde Fitzgerald Flies to Plains for Reunion

Old timers are great people and it is always a great pleasure when these old folks get together with the younger generations and describe the experiences and exploits of the past. And when we view the accomplishments of many of these old timers, we become astounded.

Last week afforded such an occasion when the Fitzgerald families of this community held their annual family reunion in the Plains Park. The practice of this reunion which started at the John E. Fitzgerald home East of Plains 15 years ago, has now become a tradition and yearly practice. Fortunately, this year all of the living relatives were able to attend except one of the sisters Mrs. Virginia McHaffey of Mount Vernon, Texas. Approximately 65 or 70 folks attended. The oldest of the clan was Mr. Will Fitzgerald of Brownfield, Texas who is 87 years old. Those attending the reunion are the descendants of the late Mr. & Mrs. J. E. Fitzgerald who came to Yoakum County in 1905 and settled on the LK Ranch in Northeast Yoakum County. This ranch is now owned and operated by Johnnie L. Fitzgerald of Plains and his brother Melvin of Clovis, New Mexico, both grandsons of the original J. E. Fitzgeralds, and sons of John E. Fitzgerald of Plains. Roy Fitzgerald, who ranches East of Plains and John E. Fitzgerald who resides in Plains are the only members of the original family who still reside in Yoakum County.

One of the most interesting aspects of the reunion was the arrival by plane of Clyde Fitzgerald of Phoenix, Arizona, one of the older brothers of Roy and John Fitzgerald. Although he has enjoyed 80 years of life, we dare not call him old for this very enlightened gentleman transports himself about in his own little Luscombe all-metal monoplane. The alertness and agility of this man bely his age by 20 or 30 years. Mr. Clyde Fitzgerald piloted his small plane from Phoenix, Arizona via El Paso to Plains, a distance of over 700 miles in approximately 4-1/2 hours. The air speed of this small plane is approximately 100 mph. Learning of a tail wind in the higher altitudes, he doored the light craft over the dust clouds to approximately 11,000 feet, picked up the tail wind and came sailing into Plains. Such ability would hardly be expected of an 80 year old man, but Mr. Fitzgerald is not just an ordinary man. He was the perfect image of fitness and health, straight as an arrow and as agile as a boy of 20 with keen penetrating eyes, portraying ability far greater than would be expected of a man his age.

Mr. Fitzgerald's zest for his speed in space started as a boy when he traversed the ranch on a motor cycle instead of a horse. His flight career commenced as an airplane mechanic while in the army of

World War I. A license wasn't a requisite to a pilot of the old barn-storming days and this noble space aspirant did not acquire his pilot's license until the year of 1954. From that time hence, he has maintained his license, still meeting the medical requirements for fitness of a pilot.

Mr. Fitzgerald is still a mechanic and maintains his own plane. Although retired now, he ranches for many years in the Phoenix, Arizona country and utilized the craft he flew to Plains to a great advantage in his ranch operations.

Mr. Fitzgerald, unlike many men of his years, wastes no time sitting about relating axioms for longevity but asked to be quoted as stating that he used no stimulants whatsoever, not even coffee. He has no tolerance for smoking and feels no need for stimulants. He stated that if a man wished to keep flying, he recommended that he fly consistently, at least twice a week. He commended Plains for its air port and condition of the runway, though he did recommend the blading of the southwest-northeast earth runway, stating that the present condition of grass and weed coverage prevented him from using it and necessitating a cross-wind landing which is quite hazardous to this type of plane in the high winds that prevailed when he arrived. After attending the reunion and visiting with friends and relatives, Mr. Fitzgerald took off from the Plains airport early Sunday morning, and after buzzing the homes of his folks here in Plains, he took to the wild blue-yonder and sailed off for his home in Phoenix.

This man is a great example and a great inspiration for any young man interested in a flying career. A man such as he are the fathers of space flight today.

## Beef Calf Weigh Day

by Leo L. White  
The number of calves that were weighed last Saturday morning indicates that the 1971 calf show is going to be a big one. Thirty-five calves came across the scales that morning and we counted twenty-seven that didn't come in. Some of the youngsters have more calves on feed than they can enter in the local show and sale but the last count shows a possibility of fifty-nine head. In order to be eligible for the Yoakum County Show, the exhibitor must own the animal and have it started on feed before July 1. There could be others came into the program before

See Weigh Day Page 2

## EN3 Thomas J. Gilbert

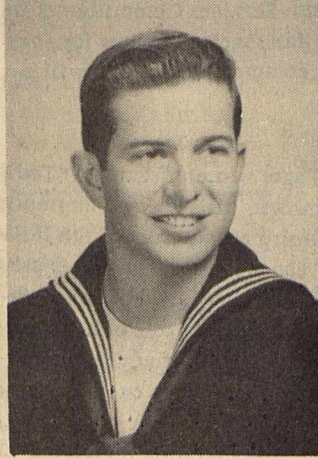

When EN3 Thomas J. Gilbert first went into the services, he and 3 other men were picked from a group of 66 men to go into Nuclear Technician's Electronics. This chosen field of scientific work was something to make both Thomas, his parents and grandmother feel so proud. From boot camp he went to Basic Electronics school in San Diego California for 6 weeks; from there to Coronado, California for 60 weeks to the Nuclear Electronics school; from there, he went to Dam Creek, Virginia for an 18 week submarine school course. From there, he was stationed aboard a Nuclear Submarine for training in the fields of computers, radar equipment and sonar equipment. It is the most advanced training field a navy man can possibly get into.

After being sent to Vietnam Engineman Fireman Gilbert served with the Army-Navy Mobile Reverine Force in the Mekong Delta. He and other combat sailors of River Assault Flotilla one man heavily armed

gunboats, provided close logistic and gunfire support for the units of the U.S. Army's 9th Infantry Division. The small boats, most of which are conversions of World War II amphibious landing crafts, navigate the inland waterways of the Delta swampland in search of the enemy.

EN3 Thomas J. Gilbert was awarded the Navy Commendation Medal with combat distinguishing service for his outstanding performance on the rivers and as Squadron 13's leading Maintenance Petty Officer. Gilbert had already received the Republic of Vietnam Cross of Gallantry with Silver Star on Nov. 1, 1969 at Vinh Gia village near the Cambodian border for heroic action in the Republic of Vietnam.

In all, EN3 Thomas J. Gilbert has received 9 medals including the Purple Heart and is entitled to wear the Combat "V" and Crossed Hammers Device. He made 150 missions with the 9th division up the

EN3 Thomas J. Gilbert, son of Mr. & Mrs. Jack Gilbert, and grandson of Mr. & Mrs. Charley Copeland.

Mekong Delta up river to Cambodia in the year he was stationed there and 12 of these were under heavy fire.

EN3 Gilbert went into the Navy in June 5, 1968, and came home from Vietnam on May 23rd, later visiting his grandmother, Mrs. Lota Copeland before he reported back for duty at San Diego Isle, Royal Lea at Long Beach, Calif. on June 8th 1970.

## Summer Track Meet

Eight boys participated in the Brownfield Summer Track Meet Saturday, June 20. They were Lance Gass, Chris Blundell, Jere Lowe, Weldon Nelms, R.okie Liles, Mike Livesay, Chris Carter, and Ronnie Rains. Those winning ribbons were L. Gass 5th in the 50 yd. dash; J. Lowe 4th in high jump and 3rd in pole vault; W. Nelms, 6th in high jump, 2nd in pole vault, and 2nd in the long jump; and C. Carter, 4th in discus, 5th in shot, and 6th in high jump.

The next meet will be July 11 at Denver City.

## Story Celebrates 25 Yrs. of Service

J. M. Story, storeman with Shell Oil Company's Midland Division Wesson Gas Plant in Denver City, Texas, recently celebrated 25 years of service with Shell.

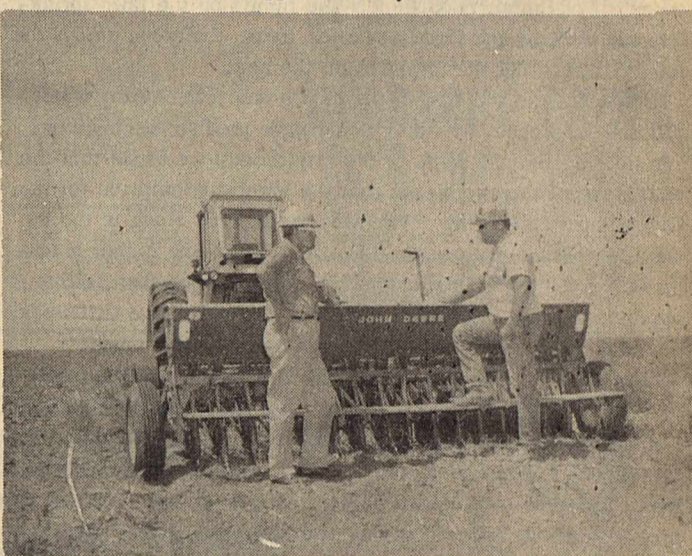

Story joined Shell in 1945 as a roustabout in Denver City. He was named maintenance man in 1957 and assumed his present position as storeman in 1964.

Story is a resident of Plains, Texas.

RODEO QUEEN CANDIDATE: Sue Cleveland, 15 year old daughter of Mr. and Mrs. G. W. Cleveland, is a candidate for the 1970-71 Rodeo Queen Contest. Sue is being sponsored by the Tsa Mo Ga.

Sue will be a Senior next year in Plains High School. Some of her school activities include being a member of the Plains Cowboy band for four years, and being a 4-H member seven years. She is Miss Cotton of Yoakum County for 1970 and was the first runner-up for Miss Duroc of Texas. Her hobbies include horseback riding, singing, dancing, and drawing. Your support will be appreciated by Sue!

## Yoakum County SWCD News

By C. Murrell Thompson  
The good rains last Saturday night not only cooled things off but sure did come at a time when it was needed to bring up the grass that has been planted. Those who have completed the planting of grass on their place are Ed S. Turner, Elvis Jones, Raymond Bookout, Dunk Brian, Jack Carothers, Kenneth Blount and J. A. Pebsworth, Jr. Several others are planting grass. Those are Kenneth Hale, A. B. Williams, Bruce White, W. M. Taylor, Lee Kidd, Ralph Townes, E. W. Sellers, Jr. and Tommy Hollifield. Most of the grass planted has been Switchgrass but some Weeping Lovegrass has been planted. The largest grass planting has been on the Mahoney section which has been planted to Weeping Love grass. The work was done by Jerome Head and Mobil Oil Company and received technical assistance from the SCS through the local SWCD office only as they paid for the complete job of seedbed preparation, seed and seeding operation. Mobil Oil Company is seeding the 574 acres to grass

for several reasons. The land having been in cultivation in the past had been allowed to produce weeds the last year and this caused a fire. Safety hazard as well as being unsightly also. The sand blowing into the equipment being used by the company was causing damage to the equipment and expense to the company. There are many uses that can come from the establishment of a good cover of grass on this land. Wildlife of course, such as dove and quail, will be nesting and feeding and probably native prairie chicken will use the area for nesting and feeding too.

Not the least of all will be the beauty of a field of green grass and waving in the wind instead of weeds and bare soil.

EVERY ONE is a land user of some sort. EVERYONE should do their part to use, protect and maintain and/or improve the LAND that future generations will have at least as good as an environment as WE had while we were on the land.

## 4-H Playday Monday

by Leo L. White  
Twenty six boys and girls participated in the 4-H Play Day held Monday evening, June 22, in the Rodeo Arena at Plains. Oscar Henard, an animal science major at West Texas State University and a former 4-H Play Day contestant, was the judge of the Western Pleasure and Reining classes. Following is a complete list of winners in the third Play Day of the 1970 season: Western Pleasure Pee Wees; Brady Phillips, 1st; Sammy Bowers, 2nd; Young Juniors; Chris Winn, 1st; Steve Green, 2nd; Aman-

da Phillips, 3rd; Tim Bowers, 4th; and Neal Bearden, 5th. Pole Bending; Pee Wees; Brady Phillips, 1st; Sam Bowers, 2nd; Joy Margan, 3rd; and Johnna Gail Fitzgerald, 4th. Young Juniors; Chris Winn, 1st; Tim Bowers, 2nd; Neal Bearden, 3rd; Melvin Dearing, 4th; and Marvin Dearing, 5th. Juniors; Dale Clelland, 1st; Paula Blount, 2nd; Karen Houck, 3rd; Denise Newsom, 4th; and Karen Houck, 5th. Seniors; Janalyn Lambeth, 1st; Melinda Millsap, 2nd; Dianne See Playday Page 2

4-H Members Leave for Leadership Camp

## 4-H CLUB NEWS

Seven Yoakum County 4-Hers left Tuesday morning for the three day 4-H Leadership Workshop at South Plains College, Levelland. The group was accompanied by Extension Agents, Leo White and Sudie Thompson. Those attending the workshop

are Cyndy Lester, Debbie Addison, Gail Rucker, Kathleen McGinty, Dale Cleveland, Tommy Guy Box and Jerry Brian. The group expects to learn new ideas in leadership to bring back to local 4-H Clubs. They will return home Thursday afternoon.

## Glenda Miller Party Nominee

Glenda Miller of Plains, a Citizen of the American Legion Auxiliary Bluebonnet Girls State now in progress in Seguin, at Texas Lutheran College, was elected Party Nominee, Commissioner Place 3, "Off" County in tonight's election. She is a member of the Girls State House and the Federalist Party. She is the daughter of Mr. & Mrs. T. J. Miller and was sponsored to Girls State by Tsa Mo Ga Study Club through the American Legion Auxiliary Unit #585.

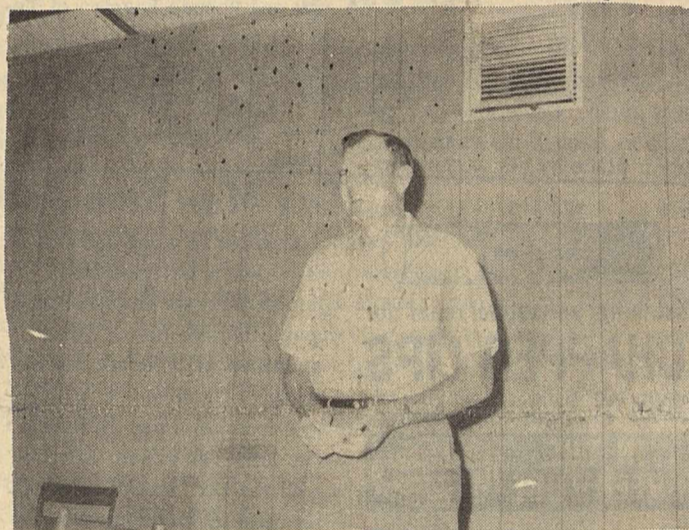

Girls State was organized as a national Americanism activity in 1937 by the Legion Auxiliary. Non-partisan and non-political, the purpose of the program is to provide citizenship training for girls of high school age. The 1970 Session of Bluebonnet Girls State has grown from an experimental conference of 94 girls

held at Baylor University in 1941, to become the largest single extracurricular educational program for high school girls in Texas. This year, 456 girls are in attendance including two from Mexico. Retired Associate Justice Meade Griffin of the Texas Supreme Court will administer the oath of office to the various elected state officials of Bluebonnet Girls State Monday, June 22, in the Rotunda of the State Capitol. Climaxing the session which began June 16 and ends June 26, will be the election of nine outstanding Citizens and the selection of two girls who will be sent to Girls Nation in Washington D. C. by the American Legion Auxiliary, where the two young representatives will continue their study in responsibilities of the Republic.

## API Grants Scholarships to South Plains College

The American Petroleum Institute has granted two \$250 scholarships to South Plains College for the 1970-71 school year. Interested individuals may request an application from Dean Frank Hunt, Technical Vocational Division, South Plains College. The API has stipulated these eligibility requirements:

1. Parents must be connected in some way with the oil industry.
2. Student will major in some area beneficial to the petroleum industry.
- Deadline for applications will be July 15, 1970. Awards will be made by August 1, 1970.

W. K. (Speedy) Lindsey, Deputy District Governor

## LIONS CLUB

The Plains Lions Club held their installation of officers at their regular noon meeting last week. W. K. (Speedy) Lindsey Deputy District Governor who is a member of the Brownfield Noon Club was present and officiated in the installation. Speedy is a long time member and an ardent worker in the Lions Club and it is always a great pleasure to have him present.

At the July 2nd meeting next week the club will be entertained with a program brought by Dr. W. B. Boyd of Denver City. Dr. Boyd is director of civil defense for Yoakum County.

The program will consist of a 15 minute film on civil defense and a discussion of the civil defense program and its purposes.

## Yoakum County ASCS

SOME REMINDERS THAT ARE VERY IMPORTANT IF COMPLYING WITH ANY OF THE COMMODITY PROGRAMS:

1. Be accurate in reporting measured crop acreage, including diverted acres.
2. Report the required acreages as soon as possible.
3. Observe cross compliance rules.
4. If complying with feed grain or wheat program see that the required amount of eligible land is diverted.
5. Keep diverted cropland in eligible land use.
6. If complying with any of the commodity programs maintain the normal conserving acres on the farm (if farm has a conserving base).
7. Plant and cultivate crops in a workmanlike manner.
8. Certify all crop acreages by August 1, 1970.
9. If cotton is lost after June

15th or feed grain after July 1st by natural disaster such as wind, hail, etc., and one does not wish to replant the land to another crop a request must be filed with the ASC Committee before the other crop is planted and before evidence of the lost crop is destroyed; and approved by the committee if price support payments or history is earned.

10. Report any new land broke out.  
11. In certifying crop acreages, remember the farm is subject to spot check anytime after the certification is made. No adjustments may be made after the certification is made.  
12. If additional information is needed contact the County ASC office.

## Rice's To Leave Plains

TO OUR GOOD FRIENDS OF PLAINS:

Bea, Sherry and I, the three Rices, take this opportunity to say a very sincere thank you to the members of the Hillside Church of Christ for inviting us to live and work in Plains.

Thank you for your very liberal support in every way. The sincere love that you

have expressed touched us deeply, and shall every linger in our memory. We appreciate the opportunity that John and Faye McConnell gave us to write for the paper.

To the citizens of Plains in general, thank you for a warm welcome when we came and

### Water Requirements Increase With Heat

The extremely warm weather experienced in Plains for the last two weeks has sent many folks skittering to Vacation Land. Those who have been unable to enjoy such pleasure have turned on all of the air conditioners and turned on the lawn sprinklers and watered the flowers and the trees. Everyone enjoys the few cool days and the respite from the heat.

But now comes the first of the month and that healthy water bill and all wonder how they could have used so much water.

In nosing through some of the city records we found that the heat wave of this month has sent the water consumption for the City's patrons zooming. The May records run along in the 80 and 90 thousand gallons per day with a jump a higher brackets of the 100 thousands for the first week of June then falling to approximately 110 thousand gallons at the end of the first week of the month. From there the daily consumption soared.

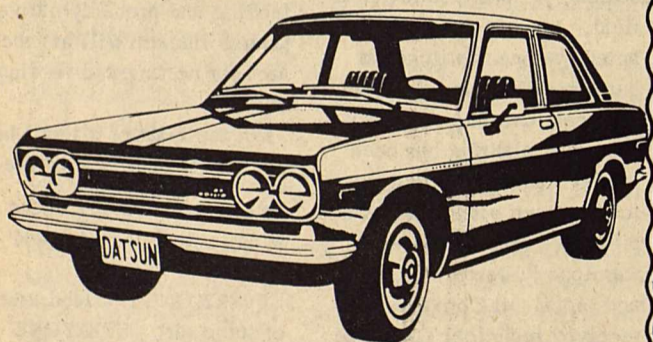

So far this month there have been 12 days with consumption of over 200,000 gal. in 24 hrs. of these days exceeded 300,000 gallons and one day, June 17 the records show a whopping 430,000 gallons. Yes, it was hot and perhaps many noted that the water appeared to be much harder. And it was. We miss that nice softness we enjoyed through the winter and spring months when the water was consumed primarily for household use. The water treating plant is designed for 100,000 gallons per 24 hour day which is sufficient to treat all of the consumption for these months but when we have those 400,000 thousand gallon days only 25% is softened. It makes a difference that is noticeable.

It may be hoped that the heat wave has reached its peak and as the plant continues to pour that softened water into the lines and the water needs are reduced we will enjoy more potable water. However, it will take time when the needs fall below the 100,000 gallon mark before we will again have 100% treated water.

### LETTER TO THE EDITOR

Dear Editor:  
I want to personally thank each one of the citizens of Plains who took the time and effort to sign the Loyalty Pledges that the Lions Club sponsored. I was deeply disappointed, however, that we didn't have 100% participants. Approximately 15% of

### Friendly Chats with

Faye McConnell

"A wise son heareth his father's instructions; but a scorner heareth not rebuke."

According to the Property Claim Services Committee of the American Insurance Association, insurance payments for loss and damage due to riot and civil commotion last year will amount ultimately to \$80 million.

The Hindu poet Rabindranath Tagor wrote of summer: "Today the summer has come at my window with its sighs and murmurs; and the bees are playing their minstrelsy at the court of the flowering grove." There is something about those words that express the spell of the season which arrived last Sunday, June 21st. When all is said and done, the poet has caught what, for a great many people, is the enduring spirit of summer that will last longer in memory than the excitement and fun of even the most momentous vacation.

What earthly experience is there that can truly match the tranquility of a summer morning when the sounds of nature can be heard with birds singing in the trees, the fresh green leaves stirring in the breeze, and the heat of the rising sun stirring afresh the good smells of the earth and its vegetation. In the high mountains, the morning is ushered in with the cool sweet smell of forests and perhaps the murmur of a nearby stream blending with the sharp strokes of an enterprising woodpecker. In the valleys, the freshness of a summer morning is magnified by traces of dew and the symphony of birds. The burst of energy at the beginning of a mid-summer day is but a prelude to indolence as the sun approaches its zenith, driving dogs and small boys to the shade of the nearest tree. These are the things we remember about summer long after the rest is forgotten.

Finding a way to live the simple life is today's most complicated job. The more I think of it, the more I'm convinced our forefathers made one bad mistake--- they should have fought for "representation without taxation."

Reading in the Denver City Press the article written by the Publisher about the six, five, four, three, two and one most important words that can be used together in a sentence, and the one least important word, which was "I", reminds me of an interesting story told about Teddy Roosevelt, who, according to some of his contemporaries, was addicted to megalomania.

When Roosevelt came to heaven, so the story goes, he set about reorganizing the celestial choir. "What you need," he said to St. Peter, "is a hundred thousand sopranos, a hundred thousand tenors, and a hundred thousand baritones."

"What about the basses?" asked St. Peter.

"I", replied Teddy Roosevelt, "will sing basso."

"People who are trying to live within their means may be lousing up the poverty program."

Our adult population signed the Pledge, the remaining 35% of the Pledges came from children and people living outside our city. I certainly appreciate those that mailed them into me or came by personally to deliver them, for they exerted an effort to do so.

To those who would not sign the Pledge, I would like to charge them with this thought: If you do not love this wonderful country in which we live, then why don't you consider leaving it. The country would be better off without you!

Roy A. Edwards  
Mayor

Rices Leave from Page 1

for making us feel at home. We have been wanderers from one home town to another, but our feeling about Plains is this:

"I love those dear hearts and gentle people who live in my home town;

Because those dear hearts and Gentle people will never, ever let you down."

By the Grace of God, Sunday June 28, 1970 will be my last Sunday to preach in Plains. On Sunday morning about 11:00 o'clock I plan to wind up a series of sermons on the book of Revelations.

Sunday evening at six o'clock will be my last sermon as a located Gospel preacher for one congregations. Subject: Probably like the colored preacher who used no notes. He said, "When you make notes the Devil know what 'ya gonna say."

When I get up there me nor the Devil either one don't know what I'm gonna say."

Our home address: 309 N. Bishop, San Angelo, Texas, 76901. Come see us. Bea, Sherry and I, Loyd Rice.

### Tax Man Sam Sez

Millions of wage and salary earners will receive a small increase in take-home pay effective July 1. Your employer will reduce the amount of income tax withheld from your pay on July 1. The 1969 Tax Reform Act dropped the tax surcharge which has been 5% from January 1, 1970 through June 30, 1970, and each of your exemptions will increase from \$600 to \$650 effective July 1. You won't feel like you have quit paying income tax, but every little bit helps.

### Notice

As the "Grand and Glorious 4th approaches we have had some firecracker complaints.

Your attention is called to our Ordinance No. 21 which prohibits and imposes a fine for the sale or discharge of fireworks within the City Limits of Plains.

Parents, please see that our fine kids conform and let's have a safe and sane 4th of July. CITY OF PLAINS

### What's right about America?

Today, the surest means of a book becoming a best seller is for the author to highlight and denounce bitterly the faults of this country. The same can be said of television and the movies, which prefer in these modern days to depict the seamier side of life in America.

But there's hope. As I have moved across this state, I have sensed that our people are growing weary of gloom. It's becoming easier to strike up a conversation on what's right about America.

I always suggest that there are a lot more level heads in this country than we are sometimes led to believe. There are a lot more decent, law-abiding citizens than there are criminals and cheats and sharks. There are a lot more young people in the "now" generation who want to improve America than the handful of radicals who want to burn it to ashes and start all over.

I can understand why the "majority" has broken its "silence." There's a growing impatience with agitation and controversy. But I feel we should continue to approach our nation's problems with a cool head and an open mind. I've listened to the voices of dissent. I think I know what they're asking of their government.

One thing they want is confidence. They want the assurance that their public officials have the courage to meet the issues of the 1970's with imagination and integrity, and not with some form of "old politics" that thrashes around with problems but never quite locates the workable solutions.

It was my desire to answer this urgent need that prompted me in January to seek the office of United States Senator.

## REVIVAL

**Assembly of God Church**

Evangelist  
**Rev. & Mrs. Norman Jones**

June 30th - July 12th

8:00 P.M. Everyone Welcome

Evangelist and Mrs. Norman Jones of Keyes, California will begin a Revival at the Assembly of God Church Tuesday evening June 30th at 8:00.

Rev. Jones was converted at the age of twenty-one, the first time he ever attended church. He was in the show business and one of the leading guitar players on the west coast, having played with Marty Robbins, and many other well known bands.

Mrs. Jones plays the accordion and they have two long playing albums recorded at the present time and will be available during the Revival.

Rev. Jones is called the "Walking Bible" by many that come to hear him preach as he never looks in his Bible while preaching, but merely tells you where the scripture is found, and you can turn to it and read along as he quotes it word for word.

This will be the eighth Revival that Pastor Tarkington has engaged with the "Singing Musical, Bible Preaching Jones", and feels that he is among the greatest Bible Preachers of the day.

Services will begin each evening at 8:00 and everyone is given a cordial invitation to come and hear this wonderful family play, sing, and preach the gospel.

The Assembly of God Church just closed a Revival two weeks ago, but have been asking Pastor Tarkington when could he get the Jones back, and this is the time they have available so the Revival will be on again.

The Revival starts June 30th through July 12th.

### Methodist Vacation Church School

The United Methodist Church School was a big success with 50 children attending. There were 17 helpers other than those preparing refreshments.

Friday night June 12th the commencement exercises were held. A fellowship followed the commencement with cake and ice cream as refreshments. We are real thankful for the nice turn-out!

### Mr. Kenneth Green Passes Away

Mr. Kenneth Green, age 52, of Bridgeport, Texas died Friday, June 19th, at approximately 11:30 a.m. from a heart attack. Mr. Green was the cousin of Mrs. Ford Hawkins and Mrs. Neil Taylor, their fathers being brothers.

He was born and reared in Bridgeport, Texas, and apparently spent most of his life there. He was working at the Run Away Bay at Lake Bridgeport at the time of his death.

Funeral services were held

Mr. and Mrs. Slim Randall had all their children home over the weekend, Mr. and Mrs. Wallace Teaff and children of Tahoka, Mr. and Mrs. Wayland Powell and children of Midland and Mr. and Mrs. Royce Randall and boys of here.

Mr. and Mrs. Skeet Robertson had lunch Sunday in Lubbock with Mr. and Mrs. Earl Robertson and children, Mr. and Mrs. John Robertson and new daughter of Arlington and Milford Wood of Slaton were there also.

Mr. and Mrs. W.C. Wilmeth, of Plains, announce the engagement and approaching marriage of their daughter, Caroline Kay Wilmeth to Tommy Allen Truss, son of Mr. and Mrs. Tom Truss of Hamilton, Texas.

The couple plan to exchange vows August 8th, 1970 in the Hillside Church of Christ at 8:00 P.M.

Miss Wilmeth is a 1969 graduate of L.C.H.S. and is presently attending Texas Tech University.

Tommy, a 1967 graduate of Hamilton High School, is also attending Texas Tech University.

Friends of the couple are invited to attend.

Mr. and Mrs. L.D. Hamm, Jr. of Plains announce the engagement and approaching marriage of their daughter, Brenda Jane Hamm to Dan Field, son of Mr. and Mrs. Ty Field, of Bronco.

The bride-elect and the bridegroom are both 1968 graduates of Plains High School. Miss Hamm attended South Plains College and is now a Junior Elementary Education major at Eastern New Mexico University.

Field is a Junior Agricultural Business major at ENMU.

The couple plans an August 18 wedding in Plains United Methodist Church.

lis Kreig.

Lanny Hughes of L.C.C., cousin of the groom-to-be, played the piano during the evening.

The honored couple, Mike Hughes and Phyllis Kreig, sat at the head table with his parents, Mr. and Mrs. Dale Hughes and her parents, Mr. and Mrs. Earl Kreig.

Others attending the dinner were Mrs. and Mrs. Montgomery, grandparents of Brady.

Mr. and Mrs. Glenn Hughes and children of Seminole,

Mr. and Mrs. Roy Kreig and Kay of Ft. Worth, Mr. and

Mrs. Robert Kreig, Marilyn and Ray of Brady, Bro. Mr. and Mrs. C. L. Gayle announce the engagement and forthcoming marriage of their daughter, Charlene, to Russell Grider.

Charlene is a 1969 graduate of Plains High School and attended Texas Christian University. She is now a Sophomore at Texas Tech University.

Her fiance is the son of Mr. and Mrs. Robert Grider of Melrose, N.M. He is a 1968 graduate of Melrose High School and has

**Sudie Thompson**

**CHDA ★ Says...**

Apples have long been known for their deliciousness and versatility.

They are fine for eating out of hand as a snack, but there is another way to get the same delicious flavor in your cooking. Use applesauce, suggests the U.S. Department of Agriculture.

Canned applesauce keeps longer and is much easier to use than the whole, fresh apples. Now is a particularly good time to "stock up" on applesauce. Try some tasty applesauce in these recipes.

**Applesauce Chiffon Pie**

- 3 egg yolks, slightly beaten
- 1 1/2 cups applesauce
- 1/8 teaspoon ginger
- 1/4 teaspoon cinnamon
- 1/2 cup milk
- 1 tablespoon lemon juice
- 1/2 teaspoon grated lemon rind
- 1/2 cup sugar
- 1 tablespoon gelatin
- 1/4 cup cold water
- 3 egg whites
- 1/4 teaspoon salt
- 9-inch baked pastry shell, or graham cracker shell
- Nutmeg, if desired

Mix the egg yolks, applesauce, ginger, cinnamon, milk, lemon juice and rind, and half the sugar.

Cook over low heat, stirring constantly, until mixture thickens. Sprinkle gelatin on water; let stand for a few minutes. Add gelatin to the hot mixture; stir until dissolved. Cool until thick but not set.

Beat egg whites until foamy. Add salt and beat until stiff. Add rest of sugar slowly, beating constantly.

Blend egg white mixture with thickened gelatin mixture. Pour into the pie shell and sprinkle with nutmeg, if desired. Chill until firm. (Note: Use only

clean, sound shelled eggs in this recipe.)

For a frozen chiller that will delight your family, fix **Frosted Applesauce.**

- 1 pkg. lemon flavored gelatin
- 1 1/2 cups hot applesauce
- 3/4 cup pineapple juice
- 1/4 teaspoon nutmeg
- 1 stiffly-beaten egg white
- 1 tablespoon lemon juice
- 1/4 cup sugar
- 1/8 teaspoon salt
- 1/4 teaspoon cinnamon
- Dissolve gelatin in hot applesauce; add pineapple juice, lemon juice, sugar, salt, cinnamon, and nutmeg. Freeze as quickly as possible until partially frozen. Turn out and beat to a mush. Fold in egg white, and return to freezer until firm.

For a variation of the above recipe, try **Apple Sherbet**—a light dessert to top off heavy dinners.

- 2 cups applesauce
- 1 tablespoon lemon juice
- 3/4 cup heavy cream
- Bright red cherries.

Chill applesauce, sweetened to taste. Add lemon juice. Whip heavy cream. Gradually add applesauce. Continue beating until stiff. Pour into refrigerator trays and chill until firm, but not hard. Fluff-up with a fork. Serve in sherbet glasses with a bright red cherry perched on top.

Try **Red Hot Applesauce Salad** for a delightful, easy-to-fix treat.

- 1 package red jello
- 1/2 cup red hot
- 1 cup boiling water
- 1 No. 2 can applesauce
- Melt red hot in boiling water and dissolve jello in same. Add applesauce. Pour into mold and chill.

Excellent with ham!

The couple will be married on August 29th at the First Baptist Church in Plains and will reside in Portales, N.M.

**Bridal Courtesies**

Mrs. Mike Hughes

**WEDDING VOWS EXCHANGED**

Double ring wedding vows were repeated at 7:00 p. m. on Thursday, June 18th, in the Hillside Church of Christ by Miss Phyllis Ann Krieg and Michael David Hughes. J. Loyd Rice, minister, officiated the ceremony.

The bride is the daughter of Mr. and Mrs. Earl Kreig. Parents of the bridegroom are Mr. and Mrs. Dale Hughes of Seattle, Washington.

Given in marriage by her father, the bride wore a formal-length gown of Chantilly lace over delustered satin. It featured a raised waistline attached to a gathered and tucked skirt. The long, cuffed sleeves and chapel length train were of sheer lace. The fingertip-length veil of illusion was attached to a flowered wreath. Traditionally she carried something old, a gold wedding band which belonged to her great-great-grandmother; something new, her wedding dress; something borrowed, her mother's amethyst ring; something blue, a lace garter; and a penny in her shoe.

Miss Karen Hughes of Seattle, Washington, sister of the groom, served as maid of honor. Bridesmaids included Miss Cindy Hughes of Seattle, Washington, sister of the groom; Miss Marilyn Krieg of Melvin; and Miss Kay Krieg of Ft. Worth, cousins of the bride. The attendants wore street-length dresses of lavender peau de soie and carried long stemed carnations. The empire waistlines of the dresses were accented with deep purple velvet ribbons and the headpieces were of

deep purple tulle and velvet. Mr. Hughes served his son's best man. Groomsman included Earl Kreig, Jr., brother of the bride; Wayne Box; and John R. Roberts on.

Guests were seated by Brad Hughes of Seminole and Tommy Guy Box. Miss Jan Hughes of Seminole registered guests. Candles lighters were by Miss Lebeth Box of Lovington, N.M., and Ray Krieg of Melvin. Flowergirls were Lori Hughes of Seminole and Kimberly Box of Lovington, N.M. Ringbearer was Guy Hughes of Seminole. Wedding music was sung by Miss Dusty Gilcrease, Mrs. Ralph Drennan, and Lanny Hughes, all of Lubbock.

Following the ceremony the couple was honored with a reception at the Yoakum County Park building. Miss Glenna Hughes and Miss Linda Hughes, both of Seminole, served refreshments and piano music was provided by Miss Debbie Chadwick.

For traveling the bride chose a lavender embroidered dress and coat and wore an orchid corsage from her bouquet. After a wedding trip to Mexico, the couple will reside in Brady, Texas.

**Rehearsal Dinner**

Mr. and Mrs. Tom Box and Mr. and Mrs. Dale Hughes of Seattle, Washington were hosts Wednesday at

6:00 p. m. for a rehearsal dinner in the Party House at the Yoakum County Park for Mike Hughes and Phyl-
