

# The Plains Pride

VOLUME 1 NUMBER 22

Plains, Yoakum County, Texas

SEPTEMBER 1, 1985

**COWBOYS GETTING READY** -- O'Donnell will be the Cowboys season opener Sept. 6. Coach Larry McMinn says the Cowboys have a good attitude starting into the season. "We have some injuries but expect to have a full roster by mid-season in time for district play," he stated.

## Football Contest Begins; Winners Named Each Week

Football prediction time will begin this week with the 1985 season starting for area high school grid squads. The guessing game featured in The Plains Pride offers fun and prizes.

It's easy to enter and everyone is eligible. Family members may compete against themselves, but we allow only one entry per person.

Select a winner in each of the 20 games appearing on the official entry blank that is published in this week's issue. Mark the team that you think will win. Predict a score in the tie-breaker game (which also counts as a game) and fill in the en-

try blank.

Entry blanks must be placed in the collection envelopes at The Tin Shed or Pay-N-Save Grocery before 5 p.m. Friday, each week. Contestants may also mail them to The Plains Pride, Box 1139, Plains, Tx. 79355, but they **MUST** be postmarked before each Friday date, or they will not be graded.

Weekly prizes are \$10 for first place, \$7<sup>50</sup> for second and \$5 for third. In the event of a tie, the tie-breaker game will determine winners. If there is still a tie, prize money will be divided. Winners will be announced each week.

## Cowgirls Volleyball Team Competes In Tournament

Plains Cowgirls, competing in the Monahans tournament Friday, fell to the Tigers in a three-game match, 16-14, 14-16, 15-8.

They bounced back on the next four games, however, to win four straight matches and advance to consolation.

They were victorious over Bronte 15-9, 15-2, Seminole, 15-8, 15-5, Alpine 15-5, 12-15, 15-11; and Fort Stockton, 15-8, 15-11.

Meeting the host team for consolation Saturday, the Cowgirls proved to be too much for the Lobos. Plains girls won the match in three hard-fought games, 14-6, 15-8, 16-14. Senior Terrie Spears served nine points.

All-Tournament honors went to seniors Traci Nance and Julie Culwell. Coach Cain stated, "I am very pleased with the Cowgirls' competitiveness. The girls are improving with each game. I'm impressed with their teamwork and positive attitude."

Plains Junior Varsity competed in the tournament also and met Pecos, losing a three-game match 15-7, 23-15, 15-10. Odessa Permian fell to the Cowgirls 15-2, 4-15, 16-14. Tonya Lowrey led the offensive effort with 13 points. They played their final match against Fort Stockton, losing 15-11, 14-16, 15-8.

## 50 Subscriptions Still Required

Fifty more subscriptions are needed before The Plains Pride will be eligible to receive its second class mail permit, which will allow the paper to be mailed to subscribers.

Those who would like to receive the newspaper in their post office box or in the mailbox on the routes may purchase a year's subscription at The Tin Shed or clip the coupon from this issue of Plains Pride.

## Seatbelts Become Mandatory Beginning September 1

The Department of Public Safety estimates that as many as 45 persons may lose their lives in traffic accidents in Texas during the 78-hour Labor Day holiday period.

"This number is an estimate, not a prediction," said DPS Director Jim Adams. We hope this number will prove to be far too high."

In 1984, 41 persons were killed in collisions during the holiday period, with five others dying later of injuries suffered on the Labor Day weekend.

In an effort to hold down the number of deaths, the DPS again this year will conduct Operation Motorcide, in which the deaths during the period beginning at 6 p.m. Friday, Aug. 30 and ending at midnight Monday, Sept. 2 will be counted with periodic reports being made to the news media.

"Our philosophy is that public awareness of the number of people who are dying on our streets and highways will make drivers more cautious and help reduce accidents," Adams said.

On Sept. 1, Texas' new mandatory safety belt law goes into effect. The law provides a 90-day grace period before fines can be assessed.

"We're hoping Texans will start getting in the habit of using safety belts," Adams said. "If the vast

majority of motorists make a conscious effort to buckle up during this Labor Day holiday period, we will see a dramatic decrease in the number of deaths."

Last year, 28 of the 46 persons who died were killed in accidents where speed or drinking were factors, Adams said.

"That amounts to 61 percent of the fatalities for the period," the director continued. "The message to Texas motorists is obvious; speeding and drunk driving kill."

In addition to conducting Operation Motorcide, the DPS will place additional troopers on duty to deal with the higher volume of traffic anticipated during the period.

## Athletic Boosters To Meet Sept. 2

Athletic Booster Club scheduled the first meeting of members Monday night, Sept. 2 at 7:30 p.m. in the field house.

A film and review of the Cowboys' game with O'Donnell will be given.

President of the Booster Club, Dick McGinty encourages all interested persons to attend.

**CONSOLATION TROPHY WINNERS** - 1985 Varsity Cowgirls claim the Consolation Trophy at the Monahans Tournament Aug. 24. Back row, l to r, are Terrie Spears, Traci Nance, Kristi Harris, Cristi Stephens, Toni Lowrey. Front, Julie Culwell and Ruth Ann Diaz.

## Thimble Collection Exhibited At Yoakum County Library

Sandra Ellison decided in the late 1960's to collect thimbles and now has about 375 in her collection. She began collecting them "because of their small size and price," she said.

"At that time, I was Deputy District Clerk to Blanche Dye and she gave me my first thimble. It was a Blue Delft from Holland." Sandra recalls.

"Mother gave me her child's sterling thimble after that...and since then, I have received thimbles for special occasions. When family and friends take trips, they usually bring me a thimble. I received two from Canada recently and two from Germany."

Sandra said that even the younger people think the thimbles are "pretty neat." Curt Randall sent her the thimbles from Germany.

"The day I put the thimbles on display at Yoakum County Library, there were several children who watched and asked lots of questions."

The exhibit at the library consists of thimbles made of porcelain, sterling, gold, pottery, horns, wood, crystal and pewter. Sandra's brother made her a thimble from a cow's horn and there is another from Scotland made from an antler and another made of leather.

Sandra said that "every day--someone comes up with a new idea--and of course, I usually want the product -- I just don't always get it!

Sandra and her husband, Leland, have two daughters, Leann and Lisa. Leann is a finance and insurance secretary at Pollard Ford in Lubbock and Lisa is a senior at Plains High School.

Mrs. Ellison enjoys hobbies of quilting, crocheting, canning and

cooking, in addition to collecting thimbles.

FELICITA HUERTA

# Kitchen Korner

Mrs. Martin Huerta, mother of six and grandmother of six, who enjoys church activities and cooking, shares recipes with readers of The Plains Pride.

The Huerta children include Esmeralda Salas, Diana Olivo, Daniel, Delia Ramoz, David and Martin Jr.

Born in Mathis, she is the daughter of Jesus and Petra Flores.

Grandchildren are Michael Salas, Joey Olivo, Danielle Huerta, and Monica, Adreienne and Manuel Ramoz.

## MEXICAN DELIGHT

- 1 head lettuce
- 1 sm onion
- 3 tomatoes
- 1 avocado
- 3 c pinto beans, cooked and drained
- 2 lbs hamburger
- ½ lb cheddar cheese, grated

In skillet, brown hamburger. Add chopped onion. Season with salt, pepper and garlic to taste.

In large salad bowl, shred lettuce, add chopped tomatoes, chopped avocado and beans. Add grated cheese to brown meat. Toss together and serve with tostados.

## POLLO CON CALAVAZA

- 1 fryer, cut in pieces
- 6 med zucchini
- ¾ t cumin ground seed
- 2 ears garlic or 1 t garlic powder
- ½ c tomato sauce

On medium heat, cook chicken in skillet until half done, about 15 mins. Slice zucchini into small pieces. Add to chicken. Add tomato sauce, cumin seeds and garlic and water. Cover and cook till zucchini is done. Add salt to taste.

## MEXICAN FRUIT CAKE

- 20 oz can crushed pineapple (do not drain)
- 2 c flour

- 2 t baking soda
- 2 c sugar
- 2 eggs
- 1 c chopped pecans
- 2 c coconut (optional)

Mix ingredients together in order given. Do not use mixer. Pour into a 13x9 greased and floured pan. Bake at 350° for 35 mins. (Time may vary.) Let cool, top with:

- 8 oz cream cheese
- 1 sm box powdered sugar
- 1 stk oleo
- 1 t vanilla
- ½ c pecans
- 1 c coconut

## SOPAPILLAS

- 4 c flour
- 3 T baking powder
- ½ c shortening (Crisco)
- 1½ c warm water

Dissolve shortening in warm water. Add flour and baking powder. Let dough set a room temperature for 30 minutes. Roll into small circles and cut into quarters. Drop these into hot oil until brown. When ready to serve, pour honey over them.

**STRIPPER POWER**  
 It's INTEREST FREE  
 until the 1986 use season  
 on new strippers

The most productive strippers also provide you the best value. Only John Deere offers that productivity with lots of other powerful reasons to buy. Reasons like the latest in design innovations. The best parts availability and most reliable service. The tradition in the John Deere name...plus the strong company and dealer organization that stands behind it. All reasons the "bargain-priced" competitors can't offer you.

But, there's one more good reason to choose John Deere now. Big savings! We're pulling out all the stops to sell cotton strippers. But don't delay, these programs end October 31, 1985.

Buy a new cotton stripper now and pay no interest until the 1986 use season! \* The John Deere finance waiver may actually give you an effective A.P.R. lower than the competition's "low rate" financing. Or when you buy a new cotton stripper, take a discount in lieu of waiver worth up to thousands of dollars. Or if you're interested in a used stripper, we can offer you a finance waiver to April 1, 1986.

**COTTON STRIPPER DISCOUNT IN LIEU OF WAIVER**

MODEL	Month of Purchase	
	AUG./SEPT.	OCTOBER
283	\$ 750	\$ 700
484	2375	2175
7440	2650	1225
740	1325	1225

Only John Deere offers today's productivity with such powerful reasons to buy. Stop by today and ask us to demonstrate a new mounted or self-propelled stripper in your fields.

\* Availability of John Deere financing subject to approval of credit.

## New Arrivals

Shelley and Steve Fillipp of Lubbock would like to announce the birth of their daughter, Meredith Renee. Born Friday, Aug. 23 in Lubbock's Methodist Hospital, she weighed eight pounds, three ounces and measured 20 inches long. She has a two and one-half year old sister, Paige. Grandparents are Charles Williams of Tokio; Mary Dale Williams and Eileen and Bob Fillipp.

Johna and Tim DeBusk of Idalou wish to announce the arrival of their daughter, Dru Dijohn. Arriving Sunday, Aug. 25 in Methodist Hospital in Lubbock, she weighed seven pounds, five ounces and measured 19 3/4 inches tall. Grandparents are Pat and Dwayne DeBusk of Idalou; and Melba and Johnnie Fitzgerald. Great-grandparents are Mr. and Mrs. Woodrow DeBusk of Idalou.

## FmHA Observes 50th Anniversary

The Farmers Home Administration is observing its 50th anniversary this year, still providing financial assistance to farmers and other rural residents and communities unable to obtain credit from other sources at affordable rates and terms.

Linda Brakebill, FmHA county supervisor, said that a total of 92 loans totaling \$5,031,580 and 73 subordinations to other lenders in the amount of \$1,923,948 have been made in Yoakum County this year.

Farmers Home is the rural credit agency of the U.S. Department of Agriculture. Its predecessor agency, the Rural Rehabilitation Administration, was created by a presidential executive order in 1935. The Farm Security Administration succeeded that agency in 1937, and was renamed the Farmers Home Administration by a 1946 act of Congress.

Outstanding loans to Yoakum County residents total \$23,796,923, Mrs. Brakebill said. "Special emphasis is being placed this year on helping farmers with serious financial problems, restructure their debt so they can continue their operations."

## New Equipment & Procedures On Tap For SPC Students

Student welding qualifications, a new hydraulics simulator and heating, gas furnace and electrical trainers highlight some of the new equipment and procedures on tap this fall for students in South Plains College's nine occupational training programs.

"Our occupational programs offer excellent training and prepare the student for immediate job entry," explained Frank Hunt, dean of SPC's Technical-Vocational-Occupational Division. "There's a real demand today for highly skilled workers; the key is in the training," he added.

SPC's occupational training programs include welding, automotive

and diesel mechanics, auto body repair, cosmetology, machinist trades, automotive machine, refrigeration/air conditioning and electronics servicing technology.

Registration for SPC's fall classes continues through Sept. 6.

### ATTENDS REUNION

Joe and Laverne Ancinec attended the War Years Reunion of Littlefield High School Aug. 10-11 at the community building in Littlefield. Joe was a 1944 graduate. A memorial service was held Sunday, Aug. 11 for deceased class members and teachers. Tours of Littlefield Schools were given Saturday morning.

## Lighting Cost Improvements...

-Use dimmer switches to lower wattage when total available light is more than enough for working conditions

-Use fixtures that accomodate one large lamp rather than many small ones. A 100 watt incandescent bulb provides as much light as 6 25-W bulbs but only uses 2/3 as much electric energy.

**Lea County Electric Cooperative**

## From The Superintendent's Desk

I have been asked several times recently about the University Interscholastic League and school classification assignments.

The U.I.L. is a non-profit organization providing extra-curricular academic, music, and athletic contests for the students of Texas Schools.

There are five classifications of schools. They are Class A (134 students and below), Class AA (135-274 students), Class AAA (275-649 students), Class AAAA (650-1,304 students) and Class AAAAA (1,305 students and up). Plains High School with an average membership of 134.18 stayed in Class AA at the last re-alignment. We have the smallest enrollment of any Class AA school in the state.

In the month of October during the odd numbered years, the U.I.L. State Executive Committee will establish conferences and assign schools to districts. In 1981 Class AA school enrollments were 140-269. If present trends continue as they have for the past four years, then we predict that providing Plains High School enrollment for the 1985-86 school year is around 130 students, we may be in Class AA for a long time to come.

We will keep you informed as to new developments in the re-classification in the U.I.L. and its effects on our schools.

I would like to take this opportunity to welcome our students as they return to class this week, and to extend a special welcome to those students new to Plains Schools. I would like to challenge each student to make this the best school year ever. Good Luck!

## Senior Citizens Offered American Tour Services

Senior Citizens may take advantage of tours from All American Tours, a service which caters to that age group.

Jim Wetherall, driver, was in Plains last week with his wife, Susan, tour director. They arrived in the tour bus, a 44-passenger vehicles, equipped with tables for card games or dominoes.

Tours are planned for the comfort and convenience of the senior citizen, both on the bus and in lodging arrangements. The tour bus travels at a leisure pace with numerous rest stops and arrives early at overnight stops. Mrs. Wetherall is in charge of entertaining the group while enroute to their destination.

Tours are now being planned for Eureka Springs, Ark. for five days; Smokey Mountains, 10 days; Big Bend, three days; and Galveston, four days. All tours leave from Midland. Further information may

be obtained from the Senior Citizen Center in Denver City or from Yoakum County Library.

## Jewelry Show Held Recently

Linda Wall recently held an exclusive showing of Karla Jordan Kollection jewelry at Yoakum County Library, with 44 persons in attendance.

Lisa Ellison was winner of the door prize consisting of gold beads and earrings. Sidney Murphy won the purchase gift of a white disc necklace.

Oct. 24	Morton	There	5:00
Oct. 31	New Deal	Here	5:00
Nov. 7	Seagraves	There	5:00

## Senior Citizens

All good things have to end sometime, so our cool vacation began to wind down last week when we said good byes to our camping friends and mountain lake and started for home. It's nice, though to be back at home with our friends at the Center. We missed all of you the month we were away. Thanks to Evelyn for a super job in the Corner while I was gone. Some of the things of interest that has been happening are:

Birthday night was attended by 32. A guest was Prem Jacob who is visiting the Ross Shooks. Birthday people for August were Betty Moore, Louise Green and Ross Shook. We wish many more birthdays of all these people.

Last Thursday we had as guest - Grayson Tate. He sang a few songs accompanied by his mother on the piano. It was the Tate's 60th wedding anniversary. Prem Jacob also entertained on the piano.

Last Friday night we had 34 for covered dish supper. No music, but some good games and food. Mr. and Mrs. Ed Rice are a nice addition to our Friday night group. We invite all who will, to join us on Friday nights. Seems we are getting more to attend and are always happy to see a new face.

Our Pat Clark is in St. Mary's Hospital at Lubbock, and the report today (Monday) is that she is improving and we hope to have her home soon.

Our sympathy to Mrs. Scott and Ann; and all the Scott family. Also to Ross and Vennie Shook on the loss of a sister.

We have a new face in the kitchen. Mabel Beasley is now chief cook and also JoAnn is back. It's good to have her after a long illness.

Darwin Hobbs and Mr. Marion have brought nice watermelons. Thanks to both. Thanks to both. Also the Lehman Rawls brought peas. All these nice things make good eating. Others have brought tomatoes and squash. Good old summer time!! With all the good things that grow!!

We will be closed next Monday for Labor Day.

All our crafts are on sale at 20% Discount. Come by and do some Christmas Shopping in August.

See Ya Next Week...Smitty

## Cowgirls Win

Plains Varsity Volleyball girls played Aug. 27 at Plains against Lubbock Estacado, winning 15-1, 15-9.

Julie Culwell served 12 points in the match.

Coach Cain commented, "We have gotten off to a good start this year. Because we are playing better mentally, we have been able to add some new things to our offense."

Girls junior varsity volleyballers met Lubbock Estacado also, and came out winner, 15-8, 15-5. Karen

Cobb was high server with seven points.

Coach Pierce stated, "Offensive effort from the junior varsity is what carried the Cowgirls to a victory here Tuesday night. We need work passing the ball, but I feel that will come during the year."

Early this season, the varsity girls met Lubbock Monterey, Aug. 22, winning 15-11, 15-8. Traci Nance served 14 points.

JV girls lost their match with Monterey, 15-7, 15-9. Eve Flores served seven points.

## Meet Our Staff...

SUANN PARRISH

SUANN has worked periodically at Plains State Bank for one and a half years. Taking some time away to attend school at Texas Tech University during the last few months, she intends to start working full-time this fall. She has operated the proof machine, helped with bookkeeping and served as teller since becoming a part of the Plains State Bank Gang. Come by and let Suann familiarize you with our banking services.

**"LEST WE FORGET"**

Les Carey, Hillside Church of Christ Minister

Kipling wrote the following stirring lines: "Far flung our navies melt away...On due and headland sinks the fire;...All of our pomp or yesterday...Is one with Nineveh and Tyre...Lord God of host, be with us yet...Lest we forget, lest we forget."

It would do us much good in America to stop and do some serious thinking "lest we forget". There are many grave, complex problems facing this nation at this hour. A large number of them developed as a result of our forgetting about certain elementary principles that help a nation remain strong. Forgetting a principle does not change it, nor minimize its importance or need. A person may forget to brush his teeth, but this doesn't eliminate the need for brushing them.

As a nation we need to remember that the Bible is absolutely accurate when it states that, "righteousness exalteth a nation" (Prov. 14:34) It also speaks the uncompromising truth when it states, "sin is a reproach to any people" (Prov. 14:34) This country simply cannot continue to drift deeper and deeper into debauchery, sin and vice and expect to remain strong. "Lest we forget," take a look at history. The mighty empire of Rome became so rank in immorality that eventually she fell. Where is that empire today? It would do well for us to remember that continual and willful disobedience to law is not only a violation of civil law, but spiritual law as well. "Lest we forget", the Bible tells us to be obedient to the laws of the land. (Rom.13)

"Lest we forget". God is still going to judge this world, including our America. We will not be able to escape this, so it would be a logical conclusion that we best have a house cleaning morally and spiritually and clean up our country before its too late.

**Without Discrimination**

**Vocational Programs**

Plains Independent School District offers vocational programs in agriculture, homemaking, cosmetology and educationally handicapped.

It is the policy of Plains Independent School District not to discriminate on the basis of sex, handicap, race, color and national origin in its educational and vocational programs, activities or employment as required by Title IX, Section 504, and Title VI.

Plains ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educa-

tional and vocational programs.

For information about your rights or grievance problems, contact the Title IX Coordinator, Dean Andrews, at Box 479, Plains, Texas, 79355 or telephone, 806-456-7401.

**DID YOU KNOW ?**

• There are nearly 2,000 English-language daily papers published in this country, with a combined net paid circulation of over 60 million copies a day.

**Emergency Loan Applications Accepted Now Until April 1986**

Applications for Emergency Physical Loss Loans to farms or ranchers who suffered severe physical losses (not production losses) due to the excessive rains and hail which occurred June 2-5 are now being accepted at Farmers Home Administration office in Plains, FmHA Supervisor Linda Brakebill said.

Loans can be made for the amount of actual physical losses less any other compensation, such as insurance.

For farmers unable to obtain credit from private commercial lenders, the interest rate on the first \$100,000 borrowed is five percent; interest rate is eight percent on the balance borrowed over that amount. For farmers who can obtain commercial credit but who choose to borrow from FmHA, the interest rate is 13.125 percent.

Applications for loans under this emergency designation will be accepted until April 7, 1986, but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly carry over into the new farming season, Mrs. Brakebill said.

FmHA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U.S. citizens, and to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The FmHA office in Plains is open from 8 a.m. until 12 noon and 1 p.m. until 5 p.m. Monday through Friday.

**Commissioners Court**

Commissioners Court met Aug. 26 with Paul Cobb, County Judge, presiding. Commissioners present were John Avara, R.W. Thurston, Jim Barron and Johnnie L. Fitzgerald and Ruby Bruton.

By unanimous vote, the court agreed to ratify the closing of an alley in Plains by the adoption of a resolution. The resolution called for the north-south bound alley between lots six and seven, block 52, Stanford Addition to be closed.

Attorney Richard Clark presented a plat of O'Keefe Subdivision, lots four through 11, located in Section 889, Block D, John H. Gibson Survey. Commissioners approved the plat, unanimously.

Commissioners voted to advertise for bids on property at 415 Mustang in Denver City, being the south 50 feet of lot 4, all of lot 5 and the north 40 feet of lot 6, third unit Allen-Kidd Addition. Bids are to be received Sept. 23. Court reserved the right to reject any or all bids. Road crossings of Mobil Producing Texas and New Mexico, Inc. was approved with specifications regarding boring under all asphalt and caliche surfaces.

Court also adopted a resolution affirming an ordinance passed by the City of Plains closing an alley between lots 9 and 10 of Block 67 of the Original Town of Plains.

Commissioners voted to send a letter to the Governor recommending that certain areas of Denver City be declared flood areas.

Accounts payable were approved and the second quarterly report from Treasurer Genice Logan was approved.

In a special called session Aug. 27, the court voted to advertise a public hearing on the proposed 1986 budget.

**At TAES Facility**

**Field Day Planned**

Research which can help Yoakum County farmers reduce irrigation costs and make more efficient use of the water supply, as well as the latest scientific information on crop production and control of weeds and insect pests will be featured during the 76th Annual Field Day of the Texas Agricultural Experiment Station at Lubbock/Halfway on Sept. 10, according to County Agent David Kight.

The TAES/High Plains Research Facility at Halfway, 14 miles west of Plainview on U.S. Highway 70, is host this year. The annual program alternates between the Lubbock center and its Halfway site, he explained.

Tours will begin at 1 p.m. and conclude at 5 p.m.

Five major displays are planned on the motorized tours of the research plots and facilities. Dr. Doug Owen, research scientist at Halfway and chairman of the program, said these will feature reports and demonstrations on farming systems research, irrigation, weed control, cotton breeding and cotton insect control.

An additional stop, which can be reached by a short walk, will focus upon research being done in the production of grapes, an increasingly popular diversification crop for this area.

Visitors also can see research on other crops, on soil fertility, and the Texas Forest Service seedling program which provides windbreak and conservation planting.

Visitors also can see research on other crops, on soil fertility and the Texas Forest Service seedling program which provides windbreak and conservation planting.

Another popular feature of the annual public program is a display of the latest farm machinery and irrigation equipment. Research scientists and specialists of the Texas Agricultural Extension Service will be on hand to answer questions and discuss particular concerns.
