Bobby Livengood Wins 1st; Shane McMinn Leads Season

Shane McMinn takes the season lead in the Plains Football Contest this week as he wins third place by way of a tie-breaker. McMinn has a total of 45 points for the season. He picks up \$5 for this week's effort.

Jim Warren, Jimmy Gomez and Danny Bell tied with McMinn for third, but McMinn was only five points off on the tie-breaker while Warren was 20 points off; Gomez, 33; and Bell, 43.

Bobby Livengood won first place this week and will receive a check for \$10. Gary Jones was second and will get a check for \$7.50.

Other season leaders include Jim-

my Gomez with 42, David McGill, 41; Wayne Davis, 39; and Gloria Covarrubias and Janice McGill, each 37 points. Those with 35 points or less are listed elsewhere inside this issue of The Plains Pride.

The season winner at the end of the contest period will receive two tickets to the Dallas-Chicago football game, one night's stay in the Regent Hotel, including transportation to and from the game and cocktails before or after the game. The package deal is valued at \$125 for two people. Transportation to and from Dallas will be at the winner's expense.

OUTSTANDING TEXAS COUNTY TREASURER, Genice Logan, was honored with a luncheon held in the Plains Courthouse Monday, Sept. 23. Thirty-five persons from Plains and Denver City provided covered dishes for the noon meal. The guest of honor was presented a decorated cake.

Homecoming Week Begins; Queen Candidates Named

Homecoming activities begin Monday for Plains students with Dress Up Days continuing all week long.

Monday will be "Girls Dress Like Boys" and "Boys Dress Like Girls" Day. Tuesday is "Bandana Day"; Wednesday, "50's Day"; Thursday, "Cowboy Day" and Friday will be "Black and Gold Day."

A giant bonfire and pep rally will be held Thursday night at 8:30 in the northwest corner of the Rodeo Arena.

A pep rally will be held at 2:30 p.m. Friday to give the Cowboys another big show of support. School will be dismissed at this time.

Homecoming queen candidates have been nominated by the student body. They are Traci Nance, senior; Toni Lowrey, senior; and Sandy Ramos, junior. The queen coronation will be held during pre-game ceremonies at 7:30 p.m. Friday night in Cowboy Stadium.

The Plains Cowboys will play Lorenzo in the Homecoming Football game at 8 p.m. Friday. Everyone is encouraged to come out and support the Cowboys and see old friends and classmates that have returned for the homecoming.

PHS Students of previous years will be gathering in the School Cafeteria for coffee, doughnuts and visiting. Special entertainment will be provided. This will be held im-

mediately following the football game. All ex-students are extended a special invitation.

Leaf & Petal, local flower and gift shop is presently taking orders for the traditional "Homecoming Mum". An order form appears elsewhere in this issue and items are listed as to what is offered and the price. Order blanks should be filled out and left with Leaf & Petal as soon as possible. (For more information you may call 456-4016.)

Athletic Boosters Plan Giant Bonfire

The Athletic Booster Club is sponsoring a homecoming bonfire Thursday night, Oct. 3 at 8:30 p.m.

Anyone who wants to add to the stack of lumber at the northwest corner of the Rodeo Arena may do so. However, the booster club members ask that no tires be added to the stack. The bonfire will be a community service for those who wish to burn unwanted items.

Those wishing to have things brought to the bonfire may contact Sonnie Stephens, Carolyn Culwell or Dick McGinty.

"Let's make Thursday and Friday 'Black & Gold' or 'Black & White' Days," say the boosters.

Community Garage Sale To Aid Earthquake Victims

A community garage sale has been slated Thursday, Oct. 3 from 10 a.m. until 5 p.m. at the Sacred Heart Catholic Church, with proceeds going to help earthquake victims in Mexico City.

Persons who have items to contribute should call Margie Garza,

456-6178; Irma Lazos, 456-6342; Felecita Huerta, 456-4144; or Rosie Bitolas, 456-7476.

Homemade tamales will also be sold that day from 3 to 5 p.m.

Funds raised will be distributed through the American Red Cross, Lubbock Chapter.

Genice Logan Wins Title As 'Outstanding Treasurer'

Genice Logan, Yoakum County treasurer, was selected as Outstanding County Treasurer of Texas, by fellow treasurers at a national meeting of county treasurers held in Brenham last week.

She received the award for the honor Thursday, Sept. 19.

Born and reared at Turkey, Genice is married to Jack Logan and they have two children, Jeff and Laura.

She is a member of the National Association of County Treasurers and Finance Officers, County

Treasurers Association of Texas, Sandylanders Region 2 County Treasurers Association and has

served on various committees with these organizations.

Her hobbies include sewing and reading and she also enjoys working with children and youth.

Mrs. Logan said, "I am pleased and honored to accept this award for my county. The citizens of Yoakum County are my friends and I appreciate the support and friendship I have received from them."

Plains Volleyball Girls Compete Against Area Teams

Plains varsity Cowgirl volleyball team played Denver City here Saturday, Sept. 21, winning 15-5, 15-9. Toni Lowrey served 14 points.

JV girls lost to Denver City, 16-14, 15-13. Karen Cobb served 11 points.

Ninth grade girls competed in the Big Spring Tournament that same day, beating Brownfield, 15-2 15-6 and Big Spring 15-10, 15-11. They went on to play Fort Stockton in the championship game and won 15-3, 15-9. MaDawn Sherrin led the Cowgirl offensive effort with 11 service points in the final match.

Coach Foster said, "These girls went to Big Spring ready to play ball and win. Their attitudes and their support of each other was tremendous. We had a great tournament and it was a pleasure to be there. I am very proud of each one of them."

Monday, Sept. 23, the seventh grade A team played at Lamesa and were defeated by their hosts 15-8, 6-15, 5-15. Vee Ann Fitzgerald served 13 points.

Coach Pierce stated that the girls "got caught standing flat footed too many times. We're going to have to learn to move quicker and pass the ball with more consistence."

Eighth grade A team were also defeated by Lamesa 5-15, 15-12, 10-15. Corie Spencer served 8 points.

Coach Foster commented that "the girls had to play 'catch-up' ball all night long and when it was all said and done, we came out on the losing end. We had some good moments, but we also had our bad ones."

Seventh grade B girls lost to Lamesa 15-13, 11-15, 6-15. Lucy Diaz served 12 points. Coach Pierce stated that the girls "worked hard but just weren't able to pull it out. We need more work on our fundamentals in order to stay on top."

Lamesa was also victorious over Plains eighth grade B team. They won 16-14, 15-10. Sonia Vasquez and Missy Galvan each tallied seven points.

Coach Foster points out that "the girls need more practice on passing

the ball. Also our serves could use some improvement. These girls played a hard match and never did give up."

Tuesday, Sept. 24, Brownfield varsity girls came to Plains only to be defeated 15-5, 15-8. Ruth Ann Diaz helped her team with nine points.

Coach Cain remarked, "The girls really hustled tonight. I would still like to see more consistency from game to game. We are looking forward to playing Seminole Saturday."

Junior Varsity girls were defeated by Brownfield 15-12, 10-15, 15-13. Eve Flores gave the team nine points.

Coach Pierce said "the girls needed a win but inspite of everything, I was proud of my team. They came from behind in the last game and fought till the end."

Faye Nelms Attends Seminar

Faye Nelms, manager of the Yoakum County Federal Credit Union, attended a one day seminar at Lubbock, Wednesday, Sept. 25.

The workshop topic was "Repossession and Foreclosure" and was held at the Lubbock Inn.

This course, delivered in lecture form, has been registered with the Texas State Board of Public Accountancy for Continuing Education credit at the intermediate level.

Tsa Mo Ga Club Holds First Meeting

The first meeting of the club year was held by GFWC Tsa Mo Ga Club Monday, Sept. 23 at 7 p.m. in the clubhouse, with Sarah Field, yearbook chairman, in charge of the program, entitled "Now is the Time."

Mrs. Field distributed yearbooks and reviewed them with members. She presented a resume of GFWC-TFWC projects. A film "Women Make The Difference" was shown by Dolores Davis.

Roll call was answered with "the highlight of my summer time."

A poem was read by Barbara Brown, followed by the club collect.

Eleanor Simpson, president, conducted a business meeting at which time it was announced several quilt squares are still available for sale on the Sesquicentennial Quilt that club members are making to be given away at the 1986 Old Settlers Reunion.

Members were encouraged to attend the fall board meeting of Caprock District to be held Saturday, Oct. 12 at Girlstown, near Whiteface.

Members present were Zareta Winn, Clara Williams, Eleanor Simpson, Mary Jo St. Romain, Martha Palmer, Oattie Morehouse, Ann McGinty, Kathy Jones, Florine Hayes, Mattie Field, Dolores Davis, Leona Crenshaw, Edna Chambliss, Brenda Canada, Barbara Brown and hostesses Sit Jones and Sarah Field.

"Performing Arts" discussion by a panel of members will be the program for the next meeting, Monday, Oct. 14 at 7 p.m. in the clubhouse.

Plains Chamber To Meet Tuesday

The regularly scheduled meeting of Plains Chamber of Commerce has been set Tuesday, Oct. 1 at 7 a.m. in Johnnie's Restaurant.

All interested persons are invited to attend.

SWCD Directors To Attend State Meeting

C.L. Gayle, Dick McGinty, Bob Jones and Bob White, directors from Yoakum Soil and Water Conservation District will be in San Antonio, Oct. 7-9 to attend the forty-fifth annual State Meeting of Texas Soil and Water Conservation District Directors. The meeting will be in the San Antonio Convention Center.

Others attending from Yoakum SWCD are Velma Gayle, Irene Jones, Murrell and Helen Thompson and Edwin Livengood.

Purpose of the meeting is to review developments affecting Texas conservation programs. An array of top agricultural leaders and state legislative officials will highlight the meeting. Speakers will include Congressman Charles Stenholm of the 17 Congressional District; Clarence Durban, Ohio,

President of National Association of Conservation Districts; Jim Hightower, Texas Commissioner of Agriculture and Rev. Henry E. Beseda, pastor of Snook Brethren Church. Bill McReynolds, Agri-Business Director, WOAI Radio, will welcome meeting participants in San Antonio.

Approximately twelve hundred SWCD directors and other conservation leaders are expected to attend the meeting.

Waldo Smith of Brenham, president of Association of Texas Soil and Water Conservation Districts will also address the group.

A Legislative Appreciation Banquet will be held Tuesday evening. Key members of the Texas Legislature are expected to be in attendance at the banquet and will be given an opportunity to make comments with respect to Texas' soil and water conservation programs.

During the Wednesday general session, Rev. Beseda will speak on the appreciation and stewardship of renewable natural resources.

Four concurrent workshops will be held Tuesday afternoon. Workshop sessions will highlight conservation education, conservation related legislation and a training session for district bookkeepers and clerks. Current conservation issues and concerns will be discussed in the District Outlook session by a panel of conservation officials.

Regular elections for Association of TSCD directors for State Areas One, Three and Five will be held Tuesday afternoon in the area sessions. A president and vice president of the State Association will be elected at the business session Wednesday.

It has been announced that Yoakum SWCD will receive Texas' top honor as Outstanding District.

Fashion Seminar Held Thursday

Texas Heritage Room at Yoakum County Library was the scene of the first semi-annual Fashion Seminar presented Thursday evening by local beauty consultants, Shelley Williams, Debra Lowe and Clara Williams.

Charlotte Ashburn, director/consultant of Meadow, showed slides on color awareness.

Fall fashions and accessories and custom designed jewelry were shown.

New fall hairstyles were created with models being Wadonna Davis, Karen Williams, Yolanda Ramos and Janelle Brantley. Fall make up colors were shown on all four models in both cool and warm colors to coordinate with their clothing.

Hot spiced tea and cookies were served to 40 guests. Door prizes included perfumed body lotion won by Jan Parrish; hand cream, Phyllis Redman of Morton and a semi-oriental fragrance, Donna Bowers.

Another seminar is planned in the early spring.

Where Do You Look For Help?

L.D. Hinson
 First Assembly of God
 Plains, Texas

So often on life's journey we come face to face with problems that perplex us and with cares that seemingly will crush us. The whole world about us appears ready to fall and break into pieces. We see our inability to help ourselves out of our troubles, and help and encouragement from others seems so shallow and insignificant. Indeed it may even cause one to think that God too is far away and unaware of our troubles.

However, that is not true. God is mindful of us, and of our needs. The cause for our feelings of abandonment lies in our perspective of God. We view Him as a man; with limited power, limited ability, subject to failure, sometimes inconsiderate and concerned with selfish desires. These traits are not characteristics of God at all!! When we call upon Him, let us realize that we are stepping before the ALL-POWERFUL, ALMIGHTY, CREATOR, HE who fashioned all the worlds and keeps it in bounds and on course! Such a realization of God no doubt would allow us to sincerely say as the psalmist, "God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea" (Ps. 46:1,2).

When the world is literally falling apart around you there is refuge and strength to be found in God. Many times we fail to see God's help because we look in the wrong direction. Instead of looking DOWN in gloom and despair, instead of looking AROUND for sympathy and pity, let us look UP and see the help and strength that only God can give. "I will lift up mine eyes unto the hills. From whence cometh my help? My help cometh from the Lord, who made heaven and earth" (Ps. 121:1,2).

From The Superintendent's Desk

Dean Andrews

"The TEAMS (Texas Educational Assessment of Minimum Skills) test will be administered to all eligible eleventh grade students on Oct. 1-2.

The location for the test will be the high school gym foyer where restrooms and water are available. The test begins the first period of the day with no time limit.

The language arts section of the test will be given on Tuesday, Oct. 1, and the math section will follow on Oct. 2.

Beginning in the eleventh grade, students will have four opportunities to take TEAMS tests. No make-up dates are allowed so it is very important that students are present on the regularly scheduled test dates.

New state laws mandate that diplomas will be denied if mastery is not achieved on both sections of the TEAMS test."

The preceding announcement has been mailed to the parents of all eleventh grade students in Plains Schools. The Texas Educational Assessment of Minimum Skills Test is part of the mandated educational reforms contained in House Bill 72.

We try to use this column each week to reach as many parents as possible as we release information concerning each child's education. If you have any questions, concerns, or comments concerning Plains I.S.D. I would appreciate hearing from you.

Cowboys Shut Antelopes Out

By Randy Kennedy

In the third game of the 1985 football season, the Cowboys lined up against the Whiteface Antelopes on Friday night to pull off a stunning victory. Although cold weather and a steady mist plagued the game - that didn't seem to phase the Cowboys as they ran the ball in for six touchdowns and held the Antelopes scoreless. Moving into the LCHS game, the Cowboy's record now stands at 2-1.

First quarter action began with the Cowboys kicking off to the Antelopes and successfully holding them to little yardage on their first possession. Later, after a Whiteface fumble and an ill-fated Cowboy drive, the Antelopes regained control of the ball on their own 24 yard line. Again, they were stopped dead by the Plains defense and were forced to punt. In a lucky break for the Cowboys, the ball was snapped out of the punter's reach, thus giving Plains a first and ten on the Antelope nine yard line. This time, the Cowboy's drive did not fail. With 5:02 remaining in the quarter, sophomore Ricky Mares toted the ball in for the first six points of the game. The extra point was good and the Cowboys ended the first quarter with a 7-0 lead.

The Cowboy offense took to the air in the second quarter as sophomore quarterback, Shane McMinn, threw a 28 yard spiral to his brother, senior Mickey McMinn. Later, after a series of turnovers by both teams, the Cowboys managed to gain possession of the ball on the Antelope fifteen and score again. This time, McMinn connected with sophomore Scott Lowrey for the TD and Plains moved ahead by thirteen. The Cowboys also maneuvered well on the ground, with senior Billy Curtis making a 30 yard dash into the end zone. Although the run was called back by a penalty, all was not lost. A 37 yard touchdown connection from McMinn to McMinn followed, and, as the first half came to a close the Cowboys were on top by 19.

As the second half started, the Cowboys returned to the field with

the same energy and vigor that propelled them in the first two quarters. Receiving the kickoff, the Cowboys drove the down to the Antelope 25, but failed on a fourth down attempt. However, they held the Antelopes with an iron hand and forced a punt. Curtis took it all the way back to midfield, and a 46 yard pass connection between the McMinn brothers took it the remainder of the distance. The score was now 27-0 with 5:46 left in the third quarter. Next, playing off of an Antelope fumble, the Cowboys fought their way back to the five yard line and senior Billy Curtis penetrated the end zone again. Curtis upped Plains by 7 and at the end of the third quarter, the score stood at 34-0, Plains.

The last quarter of action was simply the same song, fourth verse. The Cowboys started with the ball on the 44 yard line and made it far into Antelope territory before having to punt. Whiteface then drove the ball back as far as the 25, but fumbled. Recovering the ball was senior Ronny Wall, who recently had knee surgery but has since returned to full-time play. Later, as the Antelopes had the ball, they at-

tempted a fake punt but the Cowboy defense was on top of things. They immediately stopped the play and re-gained possession with 3:50 remaining in the game. In the closing minutes of the fourth quarter, junior Bryan Baldwin made Plains final touchdown with a superb 38 yard run. The scoreboard read Plains 40 - Whiteface 0.

The Cowboys will face Lubbock Christian High School Friday night on home turf; and host Lorenzo, Oct. 4 for Plains 1985 Homecoming.

EDITORIAL

"Giving Credit, Where Credit Is Due"

"While we've learned your names, your occupations, what you like to do and where you go -- we have yet to learn which faces go where. We enjoy reading all the many things that the people of Plains do and are amazed how much Plains has to offer its citizens. Plains has a lot of great people in its community. We can say this without prejudice because we have become acquainted without faces.

We've found ourselves really becoming a part of the spirit of Plains. We anxiously listen to the football wrap-ups on the radio Friday nights to find out the Cowboys' scores. Janelle Brantley also keeps us informed of things that are going on. She's done a great job!! Among others that have given a lot of their time and effort are Dolores Davis, Cindy Davis, Mike Brown, Lourie Garza and Barbara Brown. The high school photography students have also contributed to the success of the paper, as well as the articles Randy Kennedy has submitted. He has done a really good job reporting the games to us.

The columns the local churches turn in are well-written and reflect a caring community. The school offers its support and Supt. Andrews gives us a very informative column each week.

Last, but not least, the businesses are the backbone of the newspaper...without them, it could not survive. Our thanks to the many business men and women who have shown their enthusiasm in backing us.

Giving credit, where credit is due - ALL OF YOU are a very important part of The Plains Pride and we appreciate your assistance and encouragement.

Having enough subscriptions sold has enabled us to begin our quest for our 2nd Class Permit. A couple of weeks of bookwork should bring us to a countdown. Those who bought subscriptions a few months back will receive full one year/two year mailing. Your subscription will be due one year/two years after the date we begin addressing the papers.

We thank you and we'll continue to try our best at giving you "our best".

'4-H Is Not Only For Youth' Says County Extension Agent

National 4-H Week, Oct. 6-12, reflects on the role of youth in shaping America.

Some 150 4-H members in Yoakum County, part of the 180,000 members in Texas and nearly 4.5 million across the country, will be participating in the week-long celebration using the theme, "4-H - Youth, For America".

"What we do for our youth today, we do for America tomorrow," points out Yoakum County 4-H program leader with the Texas Agricultural Extension Service. "Through 4-H, young people can acquire knowledge and develop life skills that enable them to become self-directing, productive and contributing members of our society. Specifically, they learn good health habits, develop respect for themselves and others, explore career and leisure time opportunities, share responsibility for preserving the environment, learn how to use technology, and develop leadership and citizenship skills through participation in 4-H. And, that's something to celebrate."

"But 4-H is not only for youth," says Kight. "It's for adults, who as

volunteer leaders can share their skills and expertise with young people. It's for families, who can participate in the fun and learning together. It's for the community, which benefits from the community service carried out by youth. And, it's for America, which benefits as a new cadre of leaders takes its place in our society."

It is through this network of volunteer leaders, state land-grant universities, state and local governments, that 4-H has been able to stimulate youth to develop life skills.

Farmers Union Organization Has Plains Membership Drive

Joe Rankin, Texas Farmers Union President, was in Plains Wednesday for a membership drive and organizational meeting.

Speaking to a group, Rankin said, "National Farmers Union membership now exceeds 350,000 and the state of Texas has over 9,000 members."

He said he felt that the organization is growing because they have a long history of credibility in Washington and they are primarily concerned with the family farmer, from grass roots on up.

Rankin said, "We are encouraging farmers to join with us to let their voice be heard by legislators at the State level as well as the National level."

"Farmers deserve a fair price for their labor," Rankin stated.

"Once again the voice of the American farmer must be heard. Farmers want a farm bill they can live with. Our attempt -- and I believe it can be successful -- if family farmers will make the needs of rural America clear before the final version of the 1985 Farm Bill is drafted."

Referring to a tentative version of the Farm Bill released by both the Senate and House Agriculture Committees prior to summer recess, Rankin said, "The small family farm owners will not survive a 'free market' philosophy. There are those in the Reagan Administration who claim this type of farm program will halt the solvency crisis besieging rural America. This could not be further from the truth."

Emergency Medical Services Week Set

Emergency Medical Services Week, designated Sept. 29 through Oct. 5 will stress the importance of pre-hospital emergency care and community involvement in emergency care. Many lives are saved each year by EMS members.

"If you are in need of an ambulance, call 456-2200. Try to remain calm, or let someone who is calm make the call. Explain the need for the ambulance and answer all questions the dispatcher asks. DO NOT HANG UP! Stay on the line until the dispatcher tells you to hang up," an EMS spokesman said.

"Public awareness and involvement in EMS is an important factor in making the system work. Together we can make the Plains Volunteer EMS one of the best services in the State. Without community involvement we will not have an ambulance service in Plains."

"The simple fact is, that this philosophy would cause a drastic tumble in prices for farm goods, creating a world price war that farmers - without the financial backing of our government - would surely lose. Family farm operations would be forced out and big corporate style operations would take over."

"We are not independent. Every major exporting nation subsidizes their farmers in some way or another. American agriculture is in a state of economic crisis. It's time Congress woke up to this fact and act accordingly."

President Rankin said, "Texas Farmers Union is endorsing mandatory production controls and farmer held referenda. It's a program designed to limit the surplus of agriculture commodities that the domestic and import markets have thrown out of balance. They're calling this a 'bust the farmers Farm Bill'."

Five points Farmers Union believes vital to preserving the family farm system:

- Non-recourse loan rates and/or target prices which will provide a return equal to at least the cost of production including debt retirement, management costs and return on investment.

- Mandatory supply management programs adopted through producer referendum for all basic commodities.

- Realistic limitations on payments and loans to target those benefits to the family farms.

- Continuation of the farmer-owned reserve.

- Effective soil and water conservation programs.

Lobbying efforts of Farmers Union were rewarded in part late Tuesday, Sept. 10, when the House Agriculture Committee approved a farm bill that included several provisions advocated by Farmers Union.

"It's still far from adequate," said Rankin, "but hopefully we now have something to work with."

Trap Club Plans Special Meeting

A special meeting, Sept. 30 at 7 p.m., has been called by the Plains Trap Club for the purpose of electing new officers, and electing two members to the Board of Directors.

Jim Wheeler and Danny Tuggle, both of whom have moved from the County, will have to be replaced as directors.

All members are encouraged to attend and all visitors are welcome.

The meeting will be held in the New Courthouse.

JOE RANKIN, Texas Farmers Union President, center, was in Plains Wednesday for a membership meeting. Shown with Rankin are local officers, Melvin Lowrey, first vice president and Darrell Barron, president.

**Commissioners
Court**

Yoakum County Commissioners Court held a special session Sept. 23 with Judge Paul Cobb presiding. Other commissioners present were John Avara, Jim Barron and Johnnie F. Fitzgerald. Ruby Bruton, county clerk, was also present.

A number of visitors attended the meeting in order to seek permission for the Denver City Independent School District to use a number of rooms at the Denver City Civic and Youth Center Building. Those attending included Peggy Bickley, Hazel Akin, Renae Burns, Joe Kay, Joe Robinson and Paul Grahman.

Commissioners granted use of four rooms for a period of one year with negotiations to be made next year for further use, if the need is still there. Rooms designated were the art room, miniature golf room, and two rooms from the juvenile probation office.

Outstanding bills for work done on the jail in Denver City were approved for payment. Permission was granted by the court to Romain Telephone Co. to install a new cable to the court house.

One bid was received on the property located at 415 Mustang Ave. Court accepted the \$125,000 bid from Dr. Bodindr. A contract with Dr. Bodindr was accepted.

A resolution of congratulations to County Treasurer Genice Logan was adopted by the court. Mrs. Logan was chosen Outstanding County Treasurer of the State.

Commissioners voted to set up a separate fund for the \$15 court cost allowed for DWI cases in which video equipment is used with the fees to be used for the equipment, tapes and other supplies. They also voted to transfer \$200 for tapes immediately.

In other business, court discussed a bid which was received Jan. 7 after having been advertised and rejected on a 1966 Minneapolis Moline tractor belonging to Precinct Four. At that time, commissioner Fitzgerald was given permission to sell the tractor for a better price. In view of that decision, Fitzgerald moved to accept a bid of \$250 from Ronnie Zahn, paving contractor.

Bids were received on a Senior Citizen's van from Scoggin-Dickey Buick-GMC in the amount of \$15,584; Frontier Dodge, \$19,309.90 and Short and Field Chevrolet, \$15,514. The bid from Short and Field was accepted.

Miscellaneous bills and extra hire were approved for payment.

Farm And Ranch Tours Are Made In Plains Area

Approximately 85 individuals attended the annual Farm and Ranch Tour held Sept. 18.

Tour stops included Grain Sorghum variety test evaluating 10 hybrid grain sorghum varieties - Brad Palmer, demonstrator; a stop evaluating Grazon PC and Grazon 10K on control of broom snakeweed in Rangeland at the Lanny Smith ranch; peanut management demonstration on Larry Morrow farm; topics discussed were weed control, fungicides, fertility and H2O requirements as well as other management aspects.

The next scheduled stop consisted of cotton variety demonstration at Ty Powell farm, involving 16 varieties. Three cotton hybrids will be evaluated in this test also. Yield, fiber data and loan value will all be collected.

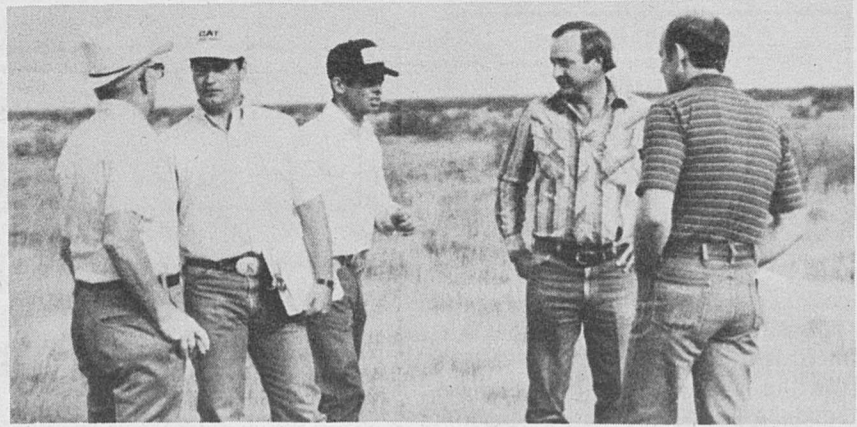

The last stop on the tour is at the

Kenneth McGinty farm for evaluated four grass control chemicals on Johnsongrass. Two treatments of each chemical were evaluated. Chemicals range with control of 65 to 85 percent. Other information was presented on thrips control in cotton and cotton seedling disease chemical treatments.

The tour then adjourned for a sponsored meal by Yoakum County State Bank and Plains State Bank. Transportation was furnished by Plains Independent School District.

The data from the demonstrations along with seven others, will be formally presented in the demonstration handbook in January.

Speakers included specialists from Extension and Research Center, Dr. Jim Leser, Dr. Kirby Huffman, Dr. Calvin Orr, Dr. Michael Hickey and Joe Bryant.
