PRESENTING THE COWGIRLS with their state championship trophy was Mr. Dean Andrews, Plains High School Superintendent, who is also a legislative committee member of the University Interscholastic League. Mr. Andrews presented all Class A and AA awards at the State Tournament held in Gregory Gym on the campus of the University of Texas at Austin.

WIN STATE!!!

Plains Volleyball Girls Upset Three-Time State Champions

The Plains Cowgirls captured the Class AA State Volleyball title in Austin Saturday by surprising the three-time defending state champion, East Bernard, 6-15, 15-11 and 15-11.

The Cowgirls met Leon-Jewett (32-0) in semi-final action and handed the Cougars their first loss of the season. Down one game, the Cowgirls rallied to win two straight 10-15, 15-6, 15-9 to advance to the championship match.

In one of the most exciting games of the entire tournament, the Cowgirls, coached by Charles Cain, and assisted by Joyce Pierce and Sandra Foster, rotated through good serves of all six players before making the final point in the last game of the championship match. Julie Culwell served what was to become the match winning serve. The ball went back and forth several times before Traci Nance spiked the ball for the last time. East Bernard

dove for the ball, but could not return it. The Cowgirls were then declared State Champions.

Finishing their season with a record of 28 wins and 10 losses, the Cowgirls had accomplished what no other Cowgirl volleyball team could in the past 14 years.

Six players from each class were named to the All-Tournament Teams. Receiving honors for Class AA were Traci Nance, Ruth Diaz and Julie Culwell.

Following the presentation of individual medals, Plains' own Superintendent Dean Andrews presented the Cowgirls with the championship trophy. Andrews is a committee member of the University Interscholastic League.

KPLN TV will be televising the state play-off games at 4:30 p.m. Tuesday, Dec. 3 and again on Friday, Dec. 6 at 4:30 p.m. for those who would like to watch a replay of the Cowgirls victory match.

1985 STATE ALL-TOURNAMENT PLAYERS are, l to r, Julie Culwell, daughter of Mr. and Mrs. Vaughn Culwell; Traci Nance, daughter of Mr. and Mrs. John Nance; and Ruth Ann Diaz, daughter of Mr. and Mrs. Ramon Diaz.

'Rule Of Nature'

By Denis King

Some time ago in the Reader's Digest, there was a short article about a group of seagulls that was starving to death in St. Augustine. They were not starving because of a food shortage but because they had forgotten how to fish. For years they had depended on the shrimp fleet operating out of the harbor to toss them scraps from the nets. When the shrimp fleet moved to Key West, they began to starve. They had lost their natural ability to fish because they had not been using it.

This is a rule of nature. If you do not use what you have, it will be taken from you. This is the lesson in the parable of the talents. The servant who did not use the one talent had it taken from him.

It is a natural thing for men to worship God. But if this desire is not exercised, it will become calloused and man will become insensitive. Satan will provide enough scraps to allure you and ease the conscience. But, as with these gulls, there will be a day of reckoning, when the scraps of this world will be taken away. Let us serve, worship and minister now!

Dirt Gardeners Begin Project To Help Cemetery

The person in which the donation is made will have their name listed on a large Christmas greeting the last part of December.

The Garden Club has sponsored this project since the early 1960's. Many plants have been planted at the cemetery for beautification purposes and a retaining wall at the south entrance was also erected.

Those wishing to be included on this Christmas greeting card may contact Mrs. Robert Young, chairman. Mrs. Young or any member of the club will accept your donation toward this project.

DEAN ANDREWS

This past weekend I had the opportunity to attend the State U.I.L. Volleyball Tournament in Austin. It made me very proud to be part of the University Interscholastic League when we saw every participating girl demonstrate such good sportsmanship, and work as a team to accomplish something very meaningful for their school and community. In each classification we saw very good students with a keen spirit of competition.

A big "CONGRATULATIONS" is in order for Charles Cain, Joyce Pierce, Saundra Foster and for the entire Cowgirl volleyball team for their achievement in winning the Class AA State Championship. This championship is not just a school championship, but is also a community championship.

Members of the Plains Cowgirls Volleyball Team are Karen Cobb, Julie Culwell, Ruth Diaz, Vonda Fitzgerald, Eve Flores, Bertha Gonzales, Kristi Harris, Toni Lowrey, Tonya Lowrey, Traci Nance, Terrie Spears and Christi Stephens. Stacy Hinson is manager. I wish each of you could have been present to see the spirit of competition and enthusiasm demonstrated by our girls and fans.

We say "thank you" to the Cowgirls for their fine season and again "Congratulations" to a very deserving group of students.

PLAINS, TEXAS METEORITE -- Jodi Gayle, a student in Mrs. McAdams fourth grade class exhibits a part of the meteorite found on her grandfather's farm northeast of Plains. The meteorite, found in 1964 was known to have weighed 75.5 pounds. A portion is on permanent display at West Texas Museum in Lubbock. Jodi is the daughter of Mr. and Mrs. C.L. "Butch" Gayle.

A big "THANK YOU" to all of our loyal Cowgirl fans. Becoming State Volleyball Champions was a "dream come true". You will always be a very special part of these memories. Thanks for everything!!

PLAINS I.S.D. ANNUAL PERFORMANCE REPORT

[Due to the length of this report - it will be continued from week to week until complete]

FINANCIAL CONDITION

Our school district is in excellent financial condition. Our tax rate of \$0.36 per \$100 value is considered one of the lowest in the state.

Our per pupil revenue in this district is \$8,104.86 per student. Fifty-four percent of the budget is for instruction.

IMPACT OF 1984 REFORM LEGISLATION

House Bill 72 has brought about the same changes in our school as in other districts across Texas. Our school board policies have been changed to include the new requirements.

A plan for discipline management is being developed and absence policies and extra-curricular policies are in place.

The administration felt that this year was most difficult because of inconsistent interpretations by the Texas Education Agency. We were given directives by Deputy Commissioners at area meetings only to have them repudiated by the Commissioner after the T.E.A. requirements were in place. Perfect examples of inconsistency by the Texas Education Agency were in the areas of career ladder, early dismissal, lesson planning, senior days and extra-curricular activities. These areas as mentioned have had a very negative effect on our staff.

HELLO WORLD DAY, Nov. 21, was designated 13 years ago as a day to promote world peace. In celebration of this day, elementary students cut out traced pictures of their own hands and formed the words, "Hello World" on the wall of the cafeteria, (above picture). Pictured below, are kindergarten students extending their greetings by wave of hands.

FmHA Issues Loan Assistance

The Farmers Home Administration (FmHA) has issued new regulations which spell out, in detail, the various loan servicing alternatives which may be available to farmers who are having economic difficulty, according to Texas FmHA state director J. Lynn Futch.

The servicing alternatives available to eligible borrowers include a deferral of a portion of payments for five years, reamortizing payments over a longer period of time, restructuring the debt, or subordinating FmHA's lien position on security to another lender.

The regulations spell out how FmHA determines eligibility for various loan servicing alternatives and under what circumstances FmHA would propose to take steps to resolve delinquency or other problems.

Borrower's appeal rights are detailed as well as FmHA's agreement to continue the release of sales proceeds until final loan servicing has been determined.

The new procedures were developed to give FmHA borrowers with delinquent and problem loans clear, consistent and predictable guidelines on how their accounts will be serviced by the agency," Futch said.

KENLEY POWELL

Kenley Powell To Be Honored

Kenley Powell will be honored Monday, Nov. 25 at the annual 4-H Gold Star Banquet. Powell is honored as the gold star recipient from Yoakum County 4-H program. Approximately 30 4-H members throughout a 20-county area will be honored at the banquet which will be held at the KoKo Palace Banquet room.

The Gold Star Award is the highest county award a 4-H member may receive. It is based on leadership abilities, project participation and the 4-H record book.

"Tis the Season to be Jolly"... What do you mean, Bah, Humbug? What's the matter with you all? What has happened to your Christmas Spirit?

Unfortunately, the economic situation and the fast pace in which we live, have contributed to the lack of true Christmas Spirit. And just look what it's doing to our children!

Let's change that and bring our community together for an old fashioned "Christmas Tree Lighting". Interested?? — Well, let's get to work. We need lots of volunteers with plenty of spirit to get things going.

There will be a meeting Wednesday, Dec. 4, at 5:30 p.m. at the library in Plains. One representative from each club, organization and business is asked to be present, as well as all interested persons of the community. For more information, call 456-6803 or 456-7441 after 6 p.m.
