## 'Help Prevent Crime' Requests Sheriff Jimmy Rice

An appeal is issued to Plains residents this week by Yoakum County Sheriff Jimmy Rice. He requests the assistance of all citizens in helping curtail the rash of thefts that have plagued Plains in recent days.

Sheriff Rice said a recent decision by the Supreme Court has placed a strain on the efficiency of the Sheriff's Department.

"If an employee works on a day off," he explained, "he is then entitled to one and a half bonus days off."

"This act has placed an enormous strain on the available source of manpower that we have to patrol the town and county. Coupled with the fact that the City of Plains offers no police protection, this leaves the town vulnerable too often to those who prefer to prey on others rather than seek an honest way to subsist," said Rice.

Rice said that honesty of Plains people have allowed them to live without fear of losing their possessions to those who prey upon others but that this trend is changing.

"Because the same deputy on duty has to cover all the rural area as well as the City of Plains, we are asking the townspeople to lend us their eyes and ears and to assist us in curtailing crime within our city and county," Rice asks.

"If anyone observes any person or suspicious activity within his or her neighborhood, we ask you to immediately report it to our office, regardless how insignificant it may appear. All calls will be followed up and we feel that this in itself will curtail or possibly lead to the arrest

of the perpetrator."

Rice said the Texas Rangers and surrounding law enforcement agencies and other branches of law enforcement are involved in helping his department recover stolen items and curtail criminal activity.

"We sincerely and urgently request your help and cooperation in observing and reporting anything out of the routine," says Rice. "With your help we feel we can make Plains and the community a safer and better place to live. Without it, we in law enforcement are sorely outnumbered. The concept of Neighbor-Watching-Neighbor has proven to be one of the most effective tools of our trade. We encourage it to be a part of your daily routine."

Sheriff Rice suggests that persons seeing a suspicious vehicle in their neighborhoods should try to obtain the license number and immediately contact the Sheriff's office, 456-2377.

BOYS' LITTLE DRIBBLERS began play Tuesday, Feb. 11. There are 7 teams participating, four in the Major; three in the Junior Division.

## PLAINS STATE BANK

ODES GALVAN

## Kitchen Korner

Odes (Mrs. Jose) Galvan likes to cook but especially enjoys baking during the wintertime, when cold weather issues its own invitation to bake something good.

One of Odes' most requested recipes is the one she uses when baking chocolate chip cookies. The giant cookies have always been a family favorite and have also been fun to serve when called upon to help with different school and social activities.

Odes and Jose are parents of two daughters, Melissa, 15 and Theresa, 16. They are students in Plains schools.

In addition to cooking for her family, Odes works as a cook at the local Dairy Queen restaurant.

Daughter of Lala Zavaleta, a former resident of Plains, Odes was raised in Olton and Detroit, Mich. She and Jose were married Oct. 23, 1968 in Fremont, Ohio.

Having been raised in a close-knit family, many miles now separate her from her brothers and sisters. Most of her family lives in Ohio, Michigan and Southeast Texas. Several of them subscribe to The Plains Pride "just incase somebody they know" makes the headlines. Odes and her family have plans to visit them this summer.

A member of the Catholic Church, Odes was elected to serve on the board of the Community Action Committee.

Mrs. Galvan says her hobbies are plants, crocheting and dancing, an activity she finds is good exercise.

## From The Superintendent's Desk

DEAN ANDREWS

Two weeks ago I gave you the list of teams in our football, basketball and volleyball districts. However several of the teams listed elected to play six-man football, or elected not to play volleyball and there have been several changes in the past few days. According to the University Interscholastic League in Austin the list is now complete and is as follows:

**FOOTBALL 3A** - Meadow, O'Donnell, Ropes, Sundown, Wilson and Plains.

**BASKETBALL 12A** - Union, Loop, Dawson, Wellman and Plains.

**VOLLEYBALL 5A** - Plains.

One of our most important decisions this year will be made in the next few days when we adopt textbooks. Our current textbooks have a value of \$65,340.32 and there are several phases of the adoption process. The Texas Education Agency appoints a state textbook committee each year to preview the various books submitted by the many publishing companies in the United States. This committee then adopts not less than two, or more than five textbooks for each subject. Textbooks for the following subjects will be adopted this year:

**Elementary:**

- Supplementary Readers English, Pre-primer - 6th Grade
- Supplementary Readers Spanish, Pre-primer - 6th Grade
- Life Science - Grade 7
- Introductory Industrial Arts - Grades 7 & 8
- U.S. History - Grade 8
- Art - Grades 7 & 8

**High School Subjects:**

- Correlated Language Arts - 1-4
- Journalism
- Pre-Algebra
- Informal Geometry
- Computer Mathematics I
- Mathematics of Consumer Economics
- Physics I
- U.S. History
- I.A. General Industrial Arts
- I.A. Plastics
- I.A. Metalworking
- I.A. Photography
- V.I.E. Auto Mechanics
- V.I.E. Auto Body Repair
- Personal Business Management
- Office Procedures
- Shorthand
- Advanced Shorthand

When the State Textbook Adoption Committee has made their recommendations, a local committee is then appointed to make their selection of textbooks for the district. Selections are made from the list of titles submitted by the state committee.

Plains Independent School District Board of Trustees appointed the following teachers to the Textbook Adoption Committee this year: Dean Andrews, Robert Parks, Jimmy Conner, John Nance, Brenda Canada, Robert Canon, Richie Cullins, Larry Devitt, Ann Graham, Phyllis House, Regina Meeks, Brett Parr, Melody Record and Lela Warren.

## Farmers' Meeting Will Be Held

A number of farmers in Yoakum County may be eligible to participate in the Conservation Reserve Program of the recently passed farm bill. Meetings will be held Feb. 25 in Lubbock and Feb. 26 in Abilene to help explain the program to area farmers.

The program is to take erodible cropland out of production and plant it to permanent cover, such as grasses, points out David Kight, county agent with the Texas Agricultural Extension Service.

The Extension Service working with the Agricultural Stabilization and Conservation Service (ASCS) and Soil Conservation Service (SCS) is conducting five regional meetings across the state in late February to help farmers better understand opportunities in this program.

The meeting Feb. 25 in Lubbock will be from 9 a.m. until noon at the Texas A&M University Agricultural Research and Extension Center north of the Lubbock airport. The center is on FM 1294, just east of I-27 at the Shallowater exit. The Abilene meeting February 26 will be from 9 a.m. until noon in the jury assembly room in the new courthouse.

Farmers whose land qualifies for the program (as determined by land classifications by the SCS) will be eligible for annual payments over the 10-year life of the contract and cost-sharing on cover establishment practices.

According to SCS records, some 11.5 million acres of Texas cropland will qualify for the Conservation Reserve Program. However, only about 825,000 acres of that will be included in the program this year.

Farmers can check with their local SCS office to determine if any of their crop acreage is eligible for the program. A 10-day sign-up period will be held March 3-14 at county ASCS offices.

Once a farmer determines that his cropland is eligible for the program, he must submit a bid for the annual rent payment on the designated acres, Kight explained. Bids will be reviewed by county and state ASCS personnel, and farmers will then be notified as to whether or not they have been accepted. Annual payments will be limited to \$50,000 per producer.

More details about this new program also are available at the SCS or county Extension office.

## Local Church To Host Mission

Lent is a time for spiritual renewal and growth. The word "Lent" coming from the Latin word signifying "springtime". Lent is a spiritual springtime in the calendar of the Church, a time for renewing ourselves in the paschal mystery - the death and resurrection of Jesus Christ, according to Father Tom V. Parampil, pastor of Sacred Heart Catholic Church.

The 1986 Lenten mission at Sacred Heart Church will be given Feb. 22-28. St. William's Church in Denver City, will host the mission March 1-7.

"The acclaimed missionary priest Franciscan Father Alcuin Hunter will be retreat master," said Father Parampil. "Father is a man of deep prayer and has much experience in preaching missions. He speaks both Spanish and English fluently. He will enhance and energize the spiritual lives of all the participants with his inspiring and moving expositions of the great themes of salvation in Jesus Christ, our Lord."

The mission schedule is: children - first through eighth grades, 4:15-5 p.m.; teens 5-6 p.m.; adults (English) 7-8 p.m.; and adults (Spanish) 8-9 p.m.

## Jeanette Wauson 'Sings For Lord'

Jeanette (Mrs. Gene) Wauson loves to sing and her favorite lyrics are the gospel songs expressing her love for the Lord.

Audio equipment, a Christmas present from her husband, will help Jeanette in her music ministry. She has dedicated it to the Lord and says it will be used for His glory.

Jeanette presented a gospel music program Sunday at First United Methodist Church. Her father and sister also performed with her. She is scheduled to sing April 20 at Bethel Assembly of God in Odessa.

Daughter of Mr. and Mrs. J.N. Drake of Brownfield, Jeanette and her family moved to Brownfield in the summer of 1959 from Dallas. They began attending Assembly of God church in Brownfield and Jeanette began singing songs in church. She also helped with the children's Booster Band.

When the Drake family gets together - Jeanette, four sisters and their parents - they have lots of fun singing.

Jeanette made a gospel record in 1973 with the Reed Gipson family. Jeanette's father and Gipson played fiddles; the Gipson children, other instruments.

"I enjoyed making the record," says Mrs. Wauson. "But most of all, I enjoy singing for the Lord. I love to sing and hope it will bless someone. The Lord has blessed me in many ways."

Jeanette sang earlier this year at the United Methodist Church.

The Wausons are parents of four children, Cody and Corey, eight years old, Eric, five and Amy, four.

**Thank You**

Each year the Plains FFA raises money for their awards banquet. This money is made primarily through the sale of sausage. We, the Plains FFA, would like to take this opportunity to thank the community for their support in buying this sausage each year.

Without the support of a few loyal friends, we would not have the sausage to sell. Such men as Jack Cobb and the Two J-S Flying Service, the Dick McGinty family (Dick, Kenneth and Alton), N.C. Clanahan, Lanny Smith and Robert Canon all donated pigs to the chapter. We would like to say a "Special Thank You" to these men for their generous support and contributions.

Members of the FFA will have fresh sausage for sale very soon. Contact a member if you wish to place an order.

Thank You,  
Plains FFA

Frank and Terri Medrano would like to announce the arrival of their daughter, Crystal. Weighing in at 7 lbs., she measures 19 and one-quarter inches long. Born at 7 p.m., Tuesday, Feb. 18 in Lubbock General Hospital, Crystal's maternal grandparents are Fortino and Janie Garza.
