COWBOY BAND WINS DIVISION I AT TTU MARCHING FESTIVAL

Band & Twirler Win First Divisions

Plains Cowboy Band captured a first division win in marching competition Saturday. The PHS band marched at 9:40 a.m. in the UIL event and garnered first place nods from each of the three judges.

The band will compete Saturday in regional contests in Ratcliff Stadium in Odessa. A first division rating Saturday will entitle the band to compete in the state contest the following Monday in Austin.

Seventeen bands competed in the class A contest Saturday. In solo contests, Melissa Welch received a division one rating for a twirling solo.

Band directors, Bill Shipp and Bill Strickler, along with band members would like to express their appreciation to everyone for the support shown at contest — with special thanks going to "Band Boosters" and parents.

Cowgirls Earn District Title

The Cowgirls captured the district championship Tuesday afternoon with their second defeat of Wellman. The title sends the Cowgirls to bi-district competition the first week of November. The game will follow a contest between Wink and Grand Falls. The Cowgirls will meet the losing team.

Lydia Jimenez scored 16 service points in the Cowgirls' 15-5, 15-11 victory over Wellman Tuesday.

In action last Saturday, the Cowgirls fell to Levelland 15-11, 9-15, 15-7. Tonya Lowrey led the Cowgirl offensive effort with 16 service points. The Cowgirls meet Levelland again Monday at 5 p.m. in the Lobo gym.

Toni Jones Takes Office

Toni Jones was recently sworn in as the official Yoakum County treasurer, after she was appointed to fill the unexpired term of the late Genice Logan.

Mrs. Jones, who has been employed three years in the treasurer's office, successfully sought the Democratic nomination for the treasurer's slot in the May Primary, without Republican opposition in the November general election.

Mrs. Logan, who had served 12 years as treasurer, passed away in October.

Voters To Decide Candidates

Yoakum County residents will go to the polls Tuesday to cast ballots for governor, a U.S. Representative, numerous other state officers and a number of County offices. Absentee voting in the election ended Friday.

At the county level, voters will find an unopposed ballot for all offices but a write-in campaign has been launched in the Precinct 4 Commissioner's race.

Incumbent Johnnie Fitzgerald is seeking re-election as Commissioner. He is opposed by write-in candidate Larry Murphree.

In the Governor's race, voters will choose between Democrat Mark White, Republican Bill Clements and Libertarian Party candidate Theresa Doyle. Three candidates are also on the ballot for Lieutenant Governor, Bill Hobby, Democratic; David Davidson, Republican and Bill Howell, Libertarian.

Republican Larry Combest seeks re-election as U.S. Representative. Opposing his is Democratic candidate Gerald McCathern. Attorney General candidates are Jim Mattox, Roy Barrera Jr. and Mike Stephens. For Comptroller of Public Accounts, Bob Bullock is opposed by George Meeks.

Ann Richards seeks re-election as State Treasurer with Robert F. Reid, Libertarian Party candidate providing opposition.

Other candidates and the offices they seek include:

Commissioner of General Land Office - Gary Mauro (D), M.D. Anderson Jr. (R) and Joney Sue Lanham (L).

Commissioner of Agriculture - Jim Hightower (D), Bill Powers (R) and Rebecca Reed (L).

Railroad Commissioner - John Sharp (D), Milton E. Fox (R) and Chloe "Jack" Daniel (L).
Justice, Supreme Court, Place 1 - Oscar H. Mauzy (D), Charles Ben Howell (R).

Justice, Supreme Court, Place 2 - Robert M. Campbell (D), Nathan E. White Jr. (R).

Justice, Supreme Court, Place 3 - Jim Wallace (D) and Wiley H. Rawlins (L).

Unexpired term Justice, Supreme Court, Place 4 - Raul A. Gonzales (D), John L. Bates (R).

Constitutional amendments to be considered are:

Number 1 - "For or against - The constitutional amendment to allow the legislature to provide by general law for the apportionment of the value of railroad rolling stock among counties for purpose of property taxation."

Number 2 - "For or against - The constitutional amendment requiring each house to include in its rules of procedure a rule that each bill contain a title expressing the bill's subject and providing for the continuing revision of state laws."

Number 3 - "For or against - The constitutional amendment allowing

political subdivisions the opportunity to engage in and transact business with authorized mutual insurance companies in the same manner as with other insurance companies."

Number 4 - "For or against - The constitutional amendment to provide that a bank may offer full service banking at more than one location within the city or county where its principal facility is located, subject to limitations and restrictions by law."

Fitzgerald Seeks Re-election

"I want to publicly thank each one of you who helped re-elect me as the Democratic nominee for Commissioner of Precinct 4 of Yoakum County," said Johnnie L. Fitzgerald this week.

"Since the time is approaching shortly for the general election, I ask you again to re-elect me as Commissioner," he adds.

Balloting in the Democratic Primary gave Fitzgerald a 57 percent of the 58 percent voting margin.

"My supporters have told me my 20 years experience is one of my best assets," says Fitzgerald. "May I ask you, the voters and taxpayers, what better qualifications can a person possess than proven performance by experience? Such examples would include teachers, administrators, executives, oil company and oil related employees.

Fitzgerald pledges, "My future plans are to continue an open door policy with courteous, prompt and efficient service."

Commissioners' Court

Yoakum County Commissioners Court, in special session Monday, declared Yoakum County a disaster area because of weather related conditions.

A letter from the office of Myra McDaniel, secretary of state, announcing the granting of a commission to Toni Jones was approved for record.

The Court also adopted guidelines established by Texas Department of Human Services regarding indigent care. Dan Beck was appointed as staff member to take applications and determine eligibility of applicants.

Don't Forget To Vote!!

TO THE VOTERS OF PRECINCT 4:

I want to apologize for my previous statement on the percentage of voters that voted. I stand corrected by my opponent on my 6% error, but regardless of the percentage factor, there were 334 votes cast for my opponent in the Democratic Primary. Mrs. Fannin and myself received 251 votes. This tells me that 43% of the people that did vote in the Democratic Primary, are ready for a change in the office for Commissioner Precinct 4. That is one reason I am running as a WRITE-IN CANDIDATE.

If 43% of the voters that voted in the Democratic Primary are ready for a change, I wonder how many voters that did not vote are ready for a change. Again, I make this statement: "I believe 20 years is long enough for one man to hold this office. If you, the voters of Precinct 4 believe as I do, then it is up to you to change it November 4th."

I am asking for your vote.

How much does one vote count? It could be a lot. The narrowest recorded percentage win in an election would seem to be for the office of Southern District Highway Commissioner in Mississippi in 1979. The winner got 133,587 votes; the loser, 133,582; a difference of .0001 percent.

Cattle Seminar To Be Held

A one day seminar is being presented by the Texas Agricultural Extension Service. The program will be held Tuesday, Nov. 4 at the Dawson County Community Building in Lamesa.

"The program is designed to be practical," said Dr. John McNeill, Extension Beef Cattle Specialist. "We want producers to get information they can incorporate into their management program."

The program Nov. 4 in Lamesa is being tailored for operators in Dawson, Andrews, Borden, Gaines, Garza, Howard, Lynn, Martin, Midland, Scurry, Terry and Yoakum Counties. It will be at the Dawson County Community Building on the fairgrounds.

The program will begin at 9 a.m. and conclude about 3:30 p.m. A catered lunch will be served courtesy of program sponsors. There is no fee for persons attending the program.

Changes in farm programs and crops economy have increased the interest in stocker cattle, McNeill said.

He will open the program with a look at cost-effective management of stocker operations. This will include an update of research and result demonstrations, products and techniques that apply to stocker cattle production. It also will look at practices such as use of implants, wormers, vaccines and supplemental feeding programs.

Effective treatment of shipping fever will be addressed by Dr. Larry Hollis of Syntex Animal Health in Amarillo. Hollis, former case coordinator at the Texas A&M University Veterinary Medical Diagnostic Laboratory in Amarillo, will explain vaccination programs and preventive medicine techniques to reduce cattle sickness and death loss.

Marketing tips from a cattle buyer will be provided by Ed Wright, independent buyer from Amarillo. He will explain factors producers should consider when purchasing and selling their livestock, and which can have a great impact on the financial outcome of their operation.

Following lunch, the program will feature a live animal demonstration dubbed, "Do It Right While They're In The Chute". Here Extension Agents and specialists will join commercial field representatives in showing how to properly administer vaccines, implants, wormers, feed additives, rumen inoculants and other products. They will answer questions and discuss products.

During the closing segment, Dr. Dee Griffin, staff veterinarian for Pioneer Hybrid International, Guymon, Oklahoma, and Hollis will necropsy cattle that have died from different causes. They will show what producers can learn from a necropsy report and its values in treating problems.

John Farris, Dawson County Extension Agent encourages producers to attend this program to improve their present cattle operation or incorporate cattle into their business if it fits their needs.

COMBEST COMMENTS

In a few days we will all have an opportunity to go to the polls and cast our ballots for those we wish to represent us in the councils of government. It is an opportunity I hope our citizens will not take lightly, for in many parts of the world it is an opportunity that never comes. In our own history, many of our kinsmen and neighbors have died on battlefields near and far in order that we might govern ourselves. This is one of those times when we must not let them down, but must exercise our right and duty.

I hope my record as your congressman during the past two years is one that

meets with your approval. I am standing for re-election as your congressman for the 19th Congressional District, and I earnestly ask for your vote in this election so we can continue the fight for sound, conservative government in Washington.

I hired on as your full-time, working congressman. I have kept that commitment to you. I have not missed a single vote in the House of Representatives during my two years in office.

During those two years, I have worked to make certain that the voice of the farmer, the small businessman, the energy producer of the 19th Congressional District is heard and heed-

ed in Washington. You are the people who keep our small towns and cities alive. You need a voice in Washington, and I have tried to be that voice.

Much remains to be done. Those who prefer the route of "tax and spend" still outnumber us in the House. It is important that the "conservative coalition" in the House be maintained if we are going to make progress toward fiscal integrity in our federal government.

So please remember to go to the polls and vote on election day. I know that these are not the best of times. The weather has not been good to us this year. But we have come through rough times before in West Texas, and we will come through this time as well. And when we do, we will go on to better times for all our people.

Congressional Candidate Makes Two Visits Here

Gerald McCathern, Congressional candidate from Hereford, spoke to supporters Oct. 22 in Yoakum County Park. Voters from Plains and Denver City enjoyed a free meal of chili and beans, cornbread and apple cobbler prepared by Johnnie's Restaurant.

Invocation was by Ken Peterson, pastor of Plains United Methodist Church. Linda Lowrey led group singing of "God Bless America". Democratic County Chairman Melvin Lowrey introduced attending elected officials and praised the work of local precinct judges.

McCathern stressed the need for a fair price for farm commodities and for a tariff on imported oil. He stated cotton, oil and wheat prices have decreased drastically since 1981 while other economic indicators have increased. The national debt grew from \$900 billion to \$2300 billion. The budget deficit grew from \$87 billion to \$200 billion. Trade balance went from a positive \$47 billion to a deficit of

\$180 billion. Average jobless rate in the 19th Congressional District climbed from 7 to 13 percent.

McCathern stated he has been a West Texas resident all his 59 years. A veteran of World War II, he has worked in the oil patch and on his own family farm.

The Congressional candidate visited Yoakum County again Oct. 29 when a caravan of supporters stopped at Yoakum County Courthouse at 4:20 p.m. for a brief rally. A reception in the Lowrey Law Office honored the candidate.

Kelley Clay Wins First With 18 Correct Guesses

Kelley Clay turned in the best prediction performance last week in the Pride's football guessing game. She earns the week's top winnings for her efforts in correctly predicting 18 games.

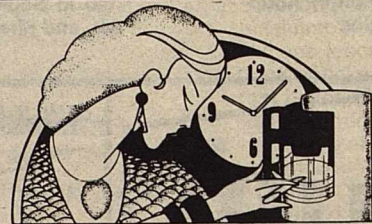

Three contestants were right on 16 games each so the tie-breaker was brought in to determine second and third place winners for the week. Lance Morrow was nearest the actual score of the Cowboys-Meadow game. Missing by 15 points, he wins second place.

Even the tie-breaker could not separate the guessing performances of Ronney Dossey of Denver City and Shane McMinn. They were still

tied after the tie-breaker was employed. With a miss of 20 points each, they will equally divide third place winnings and receive \$2.50 each.

Time is running out in the contest. It's fun, enter today!

WHO'LL STAND UP FOR US?

There are 435 members in the House of Representatives. It doesn't seem too much to ask of the one we send to Washington that he do his best to look out for our interests.

Yet, incredibly, at a time when no one in the country is suffering any more than the oil producers and farmers right here in the 19th District, our Congressman has taken no action to stop the flood of cheap oil imports, while at the same time voting EIGHT SEPARATE TIMES last year AGAINST raising crop prices.

Gerald McCathern will stand up for us!!

As a professional geologist, McCathern knows the oilfields of the Permian Basin and, as a farmer, he knows agriculture from the Panhandle to the South Plains. And, he knows the ropes in Washington!

Just as importantly, McCathern is not afraid to speak out. The 19th District needs a tough, informed representative in Congress, while there are still people left in the 19th District to represent!

PUBLIC NOTICE

Poka-Lambro Rural Telephone Cooperative, Inc. hereby gives notice it has filed with the Public Utility Commission of Texas for authority to detariff mobile telephone (radio telephone) equipment, establish unbundled rates for mobile service, offer mobile service in the Southland Exchange and offer wide area mobile service. The changes are proposed to become effective 35 days after filing, which will be approximately November 5, 1986. These changes will eventually affect all of the approximately 380 mobile customers of the Cooperative.

Within this filing the Cooperative is proposing to detariff mobile equipment. The result of this change will be that the Public Utility Commission will no longer set rates or other regulations for this equipment.

The proposed detariffing will cause a reduction in regulated revenues of approximately \$67,000 per year. Revenues to be generated from the new services are not known. Rates and services to local exchange members will not be affected by this filing. Persons with questions or who desire more information about the requested rate changes are encouraged to contact the Cooperative at (806) 924-7234 or at P.O. Box 1340, Tahoka, Texas 79373. A complete copy of the filing is available at the offices of the Cooperative.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223, (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf. 31/4tc

Filmtime

Janelle Brantley dressed as a witch and entertained youngsters at "Filmtime" Wednesday at Yoakum County Library. Mrs. Brantley's employer, Newell Squyres of Yoakum County Farm Bureau insisted she take time off to attend. Mrs. Brantley has catered to the preschoolers numerous times before. The librarians and little library friends express their appreciation and say "Thank You, Janelle!" Mothers of the children brought Halloween cookies and each child was given a little bag of candies.

The children came in costumes and were given pictures of pumpkins and other Halloween characters to take home to color.

Linzie Rust's grandparents, "Popoe and Nana" Fifield of Valparaise, Ind. were special guests.

Following the Pledge of Allegiance, children sang "Jesus Loves Me". Games were Tea Pot and Little Red Wagon. Films were "Pedro" and "In The Bag".

Library personnel have begun preparations for the Christmas holidays.

Attending were Brett Squyres, Scott Sears, Taylor and Jill Gray, Dawn Garland, Kimbe Jones, Colt Winn, Jennifer Phillips, Ashlei and Kelton Mason, Lensey Cullins, Jordan Parr, Staci Tuggle, Aaron and Dusty Moyers, Kim and Kayla Willis, Lacey Crawford, Brandon Carey, Linzie Rust, Jeffrey Lollar, Rustin and Jessica Knight, Shay Ann and Megan Allsup, Tarren and Keenan Hancock, James Villareal, Christopher Estrada, Elizabeth Clanahan, Justin Bennett, Donita Richardson, Leticia Canon, Dustin Six, Evan and Aaron Cain, Joshua and Daniel Clay, Nancy Koncaba, Justin Taylor, Ty Shearman and Justin and Ryan Swann.
