Plains, Yoakum County, Texas

VOLUME 2 NUMBER 32

NOVEMBER 9, 1986

TWENTY-FIVE CENTS

ACRO-SPIRITS, ltr, clockwise, Ashlee Winn, Coach Sherry Lowrey, Ladd Winn and Shyloh Winn recently return from the World Championship Acrogymnastics event in Paris, France. Ladd earned the Gold Medal in tumbling and Silver Medal in trampoline. Participating in tumbling, Ashlee placed fifth and Shyloh, seventh.

## Ladd Winn Earns Gold Medal In 'World Tumbling Meet'

Ashlee, Ladd and Shyloh Winn have placed the name of Plains, Texas in the world limelight with their competition in the World Acrogymnastic Championships in Paris, France.

The young Winns have just recently returned from Paris where they represented the United States in the 1986 competition. Ladd won the Gold Medal in tumbling and the Silver Medal in trampoline.

Meeting 54 other USA athletes in New York Oct. 18, the Plains youngsters flew to Paris and then rode buses to the city of Moulin where the competition was held.

Ashlee placed fifth in tumbling and Shyloh was seventh in tumbling.

Representing 14 countries, there were 681 competitors. The U.S. Team captured the Tumbling Team Trophy.

Joining the Winns were Aerospirit teammates David Pendergrass, Kevin Kirkland, L'Rona Kirkland and Ross Alexander. Coaches are Sherry Lowrey and Pat Green.

The group took Saturday for sightseeing and toured the Eiffel Tower. They visited Notre Dame and climbed the bell tower. They visited the Louve Museum and saw many historical artifacts including Winged Victory, the Mona Lisa and many ancient statues. Touring

Henry V's castle was also included in the day's activities.

Another highlight of the competition was trading tee shirts, pins and bags with athletes from other countries. The Winns brought home money from many countries and memories of many people they met.

The biggest thrill of all came when Ladd took the winner's stand, the Stars and Stripes dropped and the National Anthem was played. He stood straight and proud as the "Number One" ten and under tumbler of the world, would be expected to do.

The achievement climaxed an effort that began when Ashlee was two years old. Still very young, the road ahead could lead to even higher success for the young Winns.

Their coach, very proud, states they are children who work hard and give their all. "They love it or they wouldn't be where they are," she says. "Most important, behind them is a mother who gives them 110 percent, and a daddy who waits patiently, but grins as big as anyone when he hears his son has won."

"They also have a super supportive set of grandparents, Mr. and Mrs. Johnnie L. Fitzgerald. They don't just tell about them, they go, help and watch. Plains should be very proud of these three special children as they are very proud of their hometown!"

## Going To State

Plains High School's Cowboy Band marched to a regional victory in competition Saturday in Ratcliff Stadium in Odessa. The win entitles them to compete Nov. 10 in the State UIL Contest in Austin.

Scores for the top three bands were Plains, 97, 96, 95; Ropesville, 94, 90, 89; and Grand Falls, 90, 90, 91.

# EDITORIAL

We asked and you responded. In an effort to publish the kind of paper that our readers want, we printed a form that could give our subscribers an opportunity to express opinions. We continue to seek response from those of you who would like to "sound off" with criticism...or praise.

To a reader who responded, we wish to speak in our defense. In reference to the complaint that there were no results of junior varsity football games while volleyball was covered from seventh grade to varsity, we would like to make this statement:

We are very appreciative to Beth Ann Cain for her tremendous reporting of the volleyball games. She continued through the season to turn in good, up-to-date details of the various games. Without her efforts, there would have been no more reports of volleyball than there were of junior varsity football.

The Plains Pride will have a correspondent, who will accept news items that you, our readers, would like to have printed in The Plains Pride. News "drop boxes" are located at Plains Library, Pay-N-Save Grocery or may be mailed in to the Olton office. We also pick up school news articles at the school tax office each week. As a small town newspaper, one that is still very young, we cannot financially afford a reporter who would require many more hours if he or she were to cover each athletic event, club meeting, board meeting, planning session, fund raiser, show and such. Many clubs and organizations elect reporters to furnish the newspaper with vital information about their club happenings.

As publishers of The Plains Pride, we would like to see all these events printed, but we cannot do so without cooperation from the people who make the news. Compiling and publishing a newspaper "long distance" can only be done when everyone works together.

\*\*\*

As for The Plains Pride coverage of the hospital bond election, we published what information was turned in, but, yes, we agree that we should have been better informed so that we could have been better informants. For that, we apologize.

\*\*\*

The omission of amendment 4 from the pre-election story was a "paste-up goof" and was not an intentional omission.

We thank the readers who have responded and invite comments and suggestions from others.

# Plains Independent School District

## From The Superintendent's Desk

DEAN ANDREWS

This past week was one of the most successful in the history of Plains High School. We possibly were the only school in the State of Texas to qualify for state play-offs in four different events. Our band and twirler qualified in the music contests. With their victory over Sundown, our football team qualified for the state football playoffs and our volleyball team also begins its march toward the state tournament with their winning of the District 5A championship.

We not only had great success this past week in our extra-curricular activities, but our high school juniors took the Texas Assessment of Basic Skills examination and I predict that all students have passed. I salute Richie Cullins and Lela Warren for their extra help in preparing students for this type examination. I think it is appropriate to thank all staff members for their support in covering the materials for this test.

I began to look for the key to success in school and it is evident that expectations begin at home and carry forward to school. Our students are expected to perform at a high level from kindergarten through grade 12 and we are not disappointed. Congratulations students on your recent achievements. We are proud of you and expect even greater success in the future!

## Volleyball Team In Play-Offs, Getting Ready For Area

Plains High School's Cowgirls meet the Grand Falls Cowgirls Saturday in a 2 p.m. match for the Region I bi-district volleyball championship. The title game will be played in Kermit.

Winner of the match will advance to area competition Nov. 10 or 11 and move one step closer to state play-offs slated Nov. 21-22 in Austin.

## Cowboys In Play-Offs

The Plains Cowboys clinched a post-season spot in the Class A playoffs by defeating the Sundown Roughnecks last Friday night 26-14. Shane McMinn who was projected as a possible All-State at the beginning of the season by the Top-O-Texas magazine staff has become the main force behind the Cowboy attack. The 160 pound junior threw for 201 yards, completing 12 of 19 passes, two TDs and no interceptions. McMinn was ranked third in Area I passing with an average of 76 yards per game going into the contest.

The Cowboys took their first possession of the game 76 yards for a score that was highlighted by a 10 yard touchdown strike from McMinn to wide-out Joe Rivera. Bryan Baldwin added the PAT.

With just :21 seconds left to play in the first half, McMinn aired one out for Bryan Baldwin who went in from 77 yards out. Baldwin added the PAT again.

The Cowboys got another score in

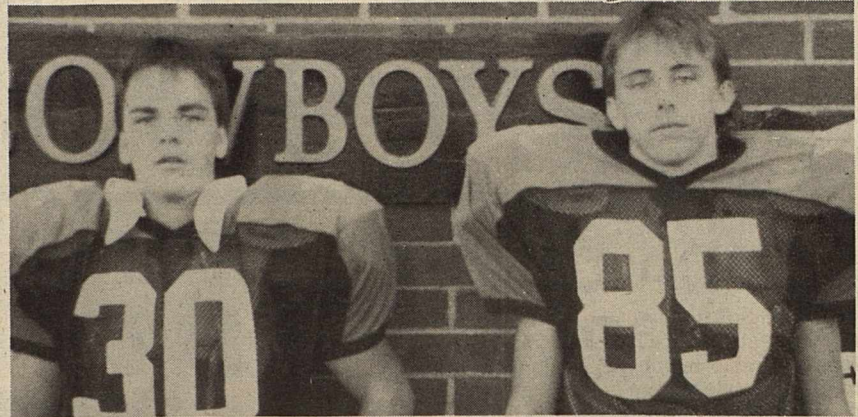

the third stanza from fullback Billy Spears who went in from one yard out capping off a six play, 31 yard drive. The point after failed.

Spears would add another one yard touchdown run in the fourth quarter to give the Cowboys a 26-0 lead before giving up 14 points to the Roughnecks.

The Cowboys defense has also come alive in district action. Led by Seniors Bryan Baldwin and Martin Barrientes, the Cowboys have not allowed any district team to gain more than 200 yards in total offense. The output by the defense is a credit to assistant Coach Brett Parr who has done a magnificent job in gearing up the defense.

Head Coach Larry McMinn will have his hands full this Friday night when his Cowboys will play host to the other undefeated team in the district, the Wilson Mustangs. The two teams will collide at Cowboy Stadium for the District Championship. A win for the Cowboys means an easier schedule in the playoffs.

## PUBLIC NOTICE

Poka-Lambro Rural Telephone Cooperative, Inc. hereby gives notice it has filed with the Public Utility Commission of Texas for authority to detariff mobile telephone (radio telephone) equipment, establish unbundled rates for mobile service, offer mobile service in the Southland Exchange and offer wide area mobile service. The changes are proposed to become effective 35 days after filing, which will be approximately November 5, 1986. These changes will eventually affect all of the approximately 380 mobile customers of the Cooperative.

Within this filing the Cooperative is proposing to detariff mobile equipment. The result of this change will be that the Public Utility Commission will no longer set rates or other regulations for this equipment.

The proposed detariffing will cause a reduction in regulated revenues of approximately \$67,000 per year. Revenues to be generated from the new services are not known. Rates and services to local exchange members will not be affected by this filing. Persons with questions or who desire more information about the requested rate changes are encouraged to contact the Cooperative at (806) 924-7234 or at P.O. Box 1340, Tahoka, Texas 79373. A complete copy of the filing is available at the offices of the Cooperative.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223, (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf. 31/4tc
