#### ORDINANCE NO. 45.

An ordinance providing for the construction of sidewalks on all lots fronting or abutting on either side of Taylor street, from the South side of Third street to the south side of Thirteenth street, and on Thirteenth street west on either side, to the west side of Polk street, and the manner of paying for the same.

Be it ordained by the City Council of the City of Amarillo, Texas:

SECTION 1. That all persons owning lots in the City of Amarillo, fronting or abutting on either side of Taylor street, beginning at the south side of Third street, thence south on Taylor street to the south side of Thirteenth street, and all persons owning lots fronting or abutting on either side of Thirteenth street, from the east side of Taylor street, thence to the west side of Polk street, are hereby required to construct sidewalks on their said lots, at their own expense, and of the kind, and in the manner and time as herein after provided.

SECTION 2. The sidewalks as herein provided shall be uniform in width and height, and shall conform to the established grade of the said city, and shall be constructed of wood, [or other material of as durable kind] or timber of a thickness of not less than one inch thick, and to be set on timbers of not less than 2x4 inches in dimension, which shall be used as stringers, and not less than three lengths of the same to be used in the construction of said sidewalks.

SECTION 3. It shall be and is hereby made the duty of the street and alley committee to see that all such sidewalks, as are herein provided, when constructed, are constructed in compliance with this ordinance, and if not so constructed shall notify the person having the same built, and to cause this ordinance to be complied with.

SECTION 4. It shall be the duty of the Mayor to cause this ordinance to be published in the official paper of the city, in at least two issues, and such publication shall be deemed sufficient notice to all persons owning any such lot or lots in said limits as above defined, of the requirements of this ordinance, except non-residents whose residence is known to the City Secretary or Assessor.

SECTION 5. In case any such lot or lots are owned by any non-resident, whose place of residence is known to the City Assessor or Secretary, then it shall be the duty of the City Secretary to immediately mail to such owner such printed ordinance, which shall be sent in a registered letter, and such notice, when so sent shall be deemed sufficient notice to all such non-residents, and the publication of this ordinance as herein provided shall be deemed sufficient notice to all other persons who may own any such lot or lots.

SECTION 6. All persons owning any lot or lots inside the limits, as herein defined, are hereby required to construct such sidewalks on said lot or lots, in accordance herewith, in at least sixty days from such notice and publication as herein provided, provided, however, that this time may be extended for the construction of said sidewalks upon application to the City Council, showing good cause for such extension, provided that said time shall not be extended beyond thirty days, and provided it shall take a majority vote of the aldermen present to extend such time.

SECTION 7. Should any person fail or refuse to construct such sidewalk, in the manner and time as herein provided, then at the expiration of such time it shall be the duty of the street and alley committee, to proceed at once to construct such sidewalk, in accordance herewith, and when so constructed, they shall make out an itemized account of the expense and cost of the construction of such side-

walk and swear to the correctness of the same, and present the same to the owner, if known, of such lot or lots, across which said sidewalk has been constructed, for payment, and said committee, on collecting such cost of construction or any part thereof, shall turn the same over to the treasurer of said city, taking his receipt therefor; and if such owner is not known, such account shall be filed with the City Secretary.

SECTION 8. If any person owning such lot or lots, across or over which such sidewalks has been constructed, as provided in the preceding sections hereof, shall fail or refuse to pay the amount of the cost of such construction, it shall then be the duty of the City Attorney to institute suit on such itemized account in any court of competent jurisdiction in this county, to recover judgment for the same; and after such judgment has been obtained, he shall procure execution as in other civil cases; provided that such lot or lots may be seized and sold, or enough thereof to satisfy such judgment and costs of suit, and the proceeds of such sale to be applied to the payment of such judgment and cost, and the balance, if any, to be turned over to the owner, if known; if not known, such excess shall be deposited with the City Treasurer, subject to the order of such unknown owner.
