Carbon Beats Moran In Final Football Game

The Carbon Wolverines ended their 1969 football season and were only defeated by Strawn by 2 points, Strawn winning the district. They defeated Moran here Thursday night by the score of 46 to 12. The wire team saw action in the first game. Scoring during the game for Carbon were Bobby Carlton, on a 22 yard run; Dale Jackson on a 4 yard run. The first quarter ended Carbon 13, Moran 0.

In the second, Larry Stubblefield passed to Bobby Carlton for 50 yards, and Bobby Carlton passed to Durwood Webb for 8 yards. Stubblefield scored on a 50 yard pass from Carlton. The half ended Carbon 34, Moran 6.

In the third, Doug Bryant scored on a pass from Stubblefield.

In the fourth, Bobby Carlton scored on a 47 yard pass from Stubblefield for the final touchdown.

The boys have now started basketball practice and a good team is anticipated.

Kendricks Open Music Center At Eastland

Grand opening of Kendrick Music Center, 102 S. Stearns St., Eastland has been held Kendrick has announced.

Featuring Thomas Organs, grand pianos, Gibson guitars and amp, Vox guitars and amp, sheet music and accessories for all instruments, the store will be a major addition to the music industry of this entire area.

An accomplished musician, Mr. Kendrick operated a music store for three years before re-locating in Eastland. He is director of the annual Easter Pageant in Eastland County and instrumental in the many activities held at the Kendrick Amphitheater between Cisco and Eastland. He is the son of Mr. and Mrs. J. H. Kendrick.

The public was cordially invited to visit the new store on the occasion of its grand opening to see the finest in musical instruments.

The United Nations Secretariat Building in New York is 39 stories high.

Eastland And Cisco Earn Second Rating

Eastland High School Maverick band gained a second rating in the regional VII Interscholastic League Band Contest in Ranger Saturday. Cisco High School Lobo Band also rated second.

Jim Wells Is Named Assistant Co. Agent

Jim Wells was named assistant county agricultural agent of Eastland County in an announcement made today. The appointment was approved by the Eastland County Commissioners' Court on the recommendations of John E. Burleson, District Agent, last Monday.

Wells is being transferred to Eastland County after serving as assistant county agent in Swisher County for the last ten months. His appointment is effective as of December 1st.

A graduate of Bronte High School, Wells received a B. S. degree from Tarleton State College in Agricultural Education in January 1969.

Wells and his wife, Sheila are the parents of an 11 months old son, Cody.

County Judge Scott Bailey said Wells would replace Robert Cohen who resigned October 1st to return to school. His major responsibility will be to supervise the 4-H program in Eastland County.

CROP REPORTS NEEDED

FROM FARMERS - During the last half of October some 35,000 farmers received crop questionnaires from Cary Palmer of the Texas Crop and Livestock Reporting Service. Accurate estimates are of great importance to producers for providing an accurate picture of Texas agriculture. Each farmer receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agriculture Statistician.

PEANUT, COTTON, FEED

GRAIN - We are in the process of completing 1970 peanut allotments, cotton allotments and yields and feed grain bases and yields. Details of each of the programs for 1970 will be announced as they are received. The final date for filing applications for the transfer of 1970 cotton allotments is December 31, 1969. Watch the mail for your notices of allotments, yields and program details.

DIVERTED ACRES USE

CHANGE - There is a major change in eligible crops for 1970 on diverted acres. The planting of sweet or forage sorghums WILL NOT be authorized on diverted acreage beginning with the 1970 sign-up program.

Rating First was Ballinger with Coleman receiving a second rating.

PEANUT MARKETING

CARDS - 1969 peanut marketing cards are available. You may pick these cards up at the county office or we will mail them to you at your request.

MEASUREMENT SERVICE

OFFERED - It is time to give serious thought to having your planted wheat acreage early measured. If you intend to enter the 1970 wheat program this is something you should consider now. Your payments depends on accurately reported acreage and should not be "guessed at". Incorrectly reported acreage can cause drastic reductions in payments or forfeiture of your entire payment. When you consider this, the measurement service charge of \$5 for the farm, plus \$2 for each plot over one, plus 5c per acre is small. Request measurement service — it pays dividends!

WOOL-MOHAIR - Wool and mohair producers are urged to file their sales documents as soon as possible. All sales made before December 31 must be submitted no later than January 31, 1970.

how
 can Lone Star Gas
 help you get rid
 of wrinkles?

We know all wrinkles are not due to aging. Some are due to drying. And dryers.

Some dryers affect clothes the way sun affects skin. They not only dry out moisture. They bake in wrinkles. Even in permanent press.

But gas dryers are more sensitive to your family's clothing. And more sympathetic to your work load.

Most new gas dryers have a special cool-down cycle that turns off the heat before your clothes become overheated.

That means your clothes have fewer wrinkles. And you have less ironing.

You also have less expensive utility bills. Because gas dries for about a penny a load.

See your gas appliance dealer or Lone Star Gas Company. Find out how to take it a little easier. And avoid wrinkles.
