Service, in cooperation with the Internal Revenue Service and the Texas Extension Education Foundation, Inc. is once again offering the Tax Practitioner Workshops across the state of Texas, in the Fall of 1992. These workshops are led by CPAs and attorneys who are experienced in the field of income tax reporting and planning. They provide valuable continuing education opportunities for tax professionals seeking CPE and MCLE credit.

This year twenty-six General Tax Workshops, designed for practitioners who work mostly with individuals and small businesses, are offered in major Texas cities. The nearest one will be in Lubbock, on Nov. 30 through Dec. 1. Fourteen Advanced Tax Workshops are also offered. They are directed at the practitioner with substantial experience with individual returns, who does some business work, and feels the need to develop more skills in business related work. One will be offered in Abilene on Nov. 19-20 and Amarillo on Dec. 7-8.

In addition to the General and Advanced Workshops, there will be four each of the Estate Planning Workshops, and three each of the Fiduciary Income Tax, S Corporation and Basic

The Texas Agricultural Extension Partnership Workshops. The Agricultural Tax Problems Workshop, which was introduced in 1989, will be offered this year in two locations - Lubbock and San Antonio. A new workshop for 1992 will be the Taxation of Non-Profit Organizations and Charitable Giving held in San Angelo.

Community Building Proposal Discussed At Lions Club Meeting

Macky McWhirter and James Barpresented plans and maps for the proposed Plains Community Building for members and guests of Plains Lions Club Thursday.

Melba Crutcher **Attends Seminar**

Melba Crutcher, Justice of the Peace, Precinct One, recently attended the 35th Annual Conference of West Texas Justices of the Peace and Constables Association in Abilene.

During the meeting, Judge Crutcher was elected to serve as one of seven directors for the West Texas Association.

She was also certified at a September Justice of the Peace Seminar in Midland. The seminar was sponsored by the JCPA of Texas and is conducted by the Texas Justice Court Training Center headquartered at Southwest Texas State University in San Marcos.

The seminar is one of many held state-wide to allow Justices of the Peace to meet their continuing Judicial Education requirements as set forth in Supreme Court Rule and Statute Texas Government Code. Judges were allowed to select areas of study that closely matched their courts activity.

Pierre St. Romain played Jerry ron, Yoakum County Commissioners, Jordan's recording, "Telephone Call From God."

> Guests were Mario Avila, Melvin Dearing, Rev. Bruce Parks and Danny Bell. Members attending were Milton Bayer, Jack Cobb, Paul Cobb, Johnnie Fitzgerald, Larry Mason, T.J. Miller, Harry Richardson, L.J. Sanders, St. Romain, McWhirter and Barron.

Dr. E.M. Wright of the Seminole Lions Club will be guest speaker for a program on the Lions Eye Bank at the next meeting, Nov. 19.

Dear Editor:

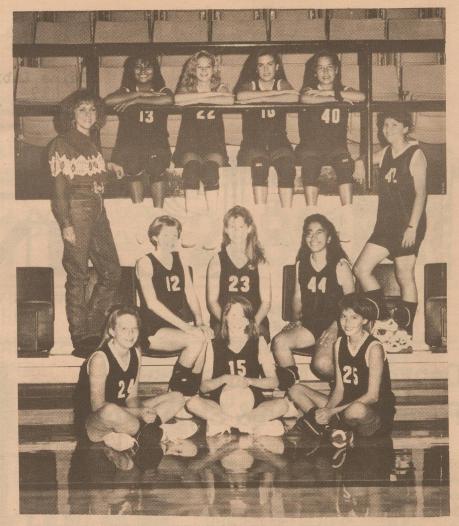

Dear Editor:

I want to thank the people of Plains so much for helping me find my son Timothy.

You don't know how much it meant to me that they all did so much to find him. I really appreciate the time that they all took out of their busy schedules to help.

Again, I want to thank them all for

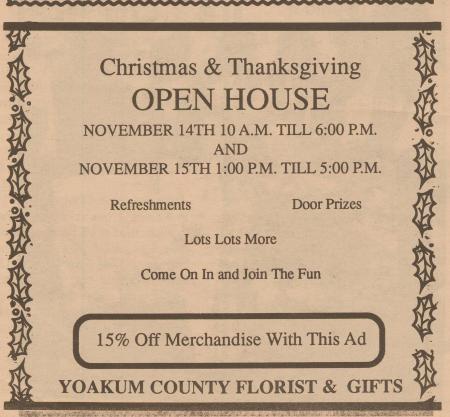

Sincerely, Shelly Rangel Box 1062 Plains, TX 79355

Tidwell's Grandson Wins World Championship Medal

Cloud Tidwell of Seagraves, son of Lyndyl and Terri Tidwell, former residents and graduates of Plains High School, was one of 58 gymnasts representing the United States in the sport of power tumbling and trampoline at the 1992 World Age Group Championship Games in Auckland, New Zealand on Sept. 7-12. He received the gold medal in the double-mini trampoline competition for the 11-12 year old boys division. He placed ninth in tumbling and 14th in trampoline. He is the grandson of Marie and Ira Tidwell of Plains; and Buck and Larelle Howell

CLOUD TIDWELL

Cloud Tidwell of Seagraves, son of Seagraves. He is the nephew of Jim and Jo Ann Barron.

World Age Group Team members chosen by the American Trampoline And Tumbling Association represent the nation's top athletes in power tumbling, trampoline, synchronized trampoline and double-mini trampoline in designated age levels.

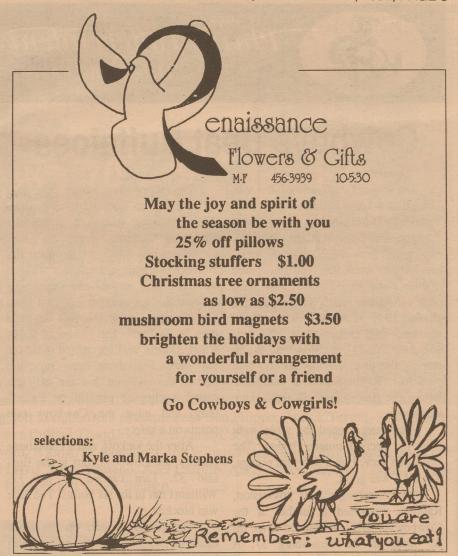

Tidwell earned a spot on the ATTA World Age Group Team by meeting qualifying standards at the National Championship Meet held in June in Dallas. Athletes had to achieve qualifying scores in regional meets during the regular competitive season

to be able to advance to the National Championship Meet.

The ATTA World Age Group Team is chosen every two years to represent the United States in at least one international age group competition annually.

Over 650 athletes from 15 countries participated in the World Age Group Championship Games, hosted by the New Zealand Trampoline Federation. Participating countries included Great Britain, France, Japan, Germany, Canada, Spain and the former Soviet Union.

"Home of the Cowboys & Cowgirls"

Cowboys Beat Buffaloes

The Plains Cowboys took the lead Petersburg Buffaloes.

The Cowboys won the coin toss and started from the 20 after the kickoff sailed into the endzone. Ace Williams and Jose Ramirez had good runs during the drive. Victor Bernal's pass to Brad McMinn was tipped by McMinn and ended up in the outstretched hands of Shannon Ward, putting the team on the Buffalo five yard line. Ramirez scored with 7:32 left in the first quarter. Bernal's kick was good.

Petersburg evened the score right after the second quarter began. The Buffaloes scored on a two yard plunge. The PAT was good.

On Petersburg's next possession, Ramirez recovered a fumble at the Cowboy 40. Williams carried twice for 22 yards to the Petersburg 37. A penalty against the Cowboys moved the ball back to the 43 yard line. Ramirez rushed for 11 yards. A pass to McMinn put the Cowboys on the six. Bernal found McMinn open in the endzone for the TD. Bernal's kick was good.

Williams intercepted a Buffalo pass and returned it for a TD, only to have it called back on a clipping penalty. The second quarter ended with the score Plains 14, Petersburg 7.

Petersburg started from their own in District 6-1A with their win over the 28 yard line to start the third quarter. After allowing one first down, the Cowboys defense, lead by Ken McAdams and Williams, dropped the Buffaloes' running back for a loss. McMinn then sacked the Petersburg quarterback for another 10 yard loss. The Cowboys took the ball on their own 36. Williams had carries of 6, 20, 5 and 3 yards. Jr. Lira carried twice for ten yards. Petersburg intercepted the ball in the endzone, but the officials called a clipping penalty on Petersburg, and gave the Cowboys two points on a safety.

> After the kickoff, and a Petersburg penalty, the Cowboys start at the Buffalo 32. Lira carried to the 12. Williams ran in for six points. The kick was blocked.

> The Cowboys were on the move again as the third quarter ended. Lira had runs of five and 24 yards, Williams six and 11 yard runs. Bernal found McMinn at the 11 for another first down. Williams scored from there. The kick was good.

> Plains defense holds the Buffaloes. On fourth and three, Petersburg goes for a first. They miss the pitch and fail to gain the first down. Plains gets the ball on the 11 yard line. David Bitolas gained seven yards. Bernal connected with McMinn for the touchdown. The kick was good.

STRESSES HUNTING SAFETY -N.C. Clanahan shared hunter education tips with Plains High School's AG/Science Class. Nine students became certified.

The Buffaloes mount a drive starting at the 37 yard line. They move down field and score on a fourth down pass from the eight yard line. The PAT

Williams returned the kickoff to the Buffalo 26. He brought the Plains fans to their feet with an 83 yard touchdown run. Lira's kick was good. Final score Plains 43, Petersburg 13.

Williams was the leading rusher with 206 yards. Bernal completed six of nine passed for 67 yards. McMinn was leading receiver with four catches for 48 yards. Shannon Ward was the leading tackler on defense.

AG/Science Class **Completes Course**

Plains High School's agriculture science class recently completed a course in hunter education. Joe Pierce. Ag science teacher and hunter education instructor, directed the course.

Students emphasize that the hunting season is a time to stress hunter safety and responsibility. "Lack of knowledge causes ignorance! Lack of skill causes carelessness!" they state.

The mandatory hunter education program covered areas of hunting, hunter safety and responsibility, modern firearms, primitive sporting arms, survival and wilderness first aid and basic hunting techniques.

N.C. Clanahan, guest speaker, shared the right and wrong ways to handle and care for primitive sporting arms, reviewed a general history of the arms, gave basic knowledge of the equipment and ammunition and its functions and demonstrated safe skills when handling mussleloaders.

Students involved and certified were Coley Burgess, Roy Fitzgerald, Casey Forbus, Yancy House, Dacia Humphrey, Jacob Lester, J.T. Peeples, Marte Pierce and Lyndi Rowe.

Area Residents Eligible For Lea County Hospice

Yoakum County and Gaines County residents are now eligible for the services provided by Hospice. Hospice of Lea County initiated the service and expanded their program to their neighboring counties. In order to provide the services, they sought and obtained Texas Licensure.

Hospice Offers Freedom Of Choice

Hospice of Lea County has added a new dimension to health care by allowing terminally ill patients to live at home. The choice to remain at home during the last months of life is one that most people will desire to make. The freedom to make this choice is what Hospice can offer to people facing life threatening illnesses.

Terminal illness is often defined in conventional health care as a point which nothing more can be done to cure a disease or illness. The final days and weeks of life for the terminally ill may be filled with pain and isolation, with family members often unable to play a meaningful role in the patient's care and the patient's physician frequently frustrated that the disease cannot be overcome. But even though the disease may be incurable, much more can be done to ease the pain and suffering of the patient and at the same time involve family members in the patient's care.

To meet the needs of the dying patients and their families, Hospice has greatly expanded the scope of the care-giving team to include the family, community members and many health professionals who participate on an equal basis. This interdisciplinary approach is centered around the patient's needs and emphasizes both emotional and spiritual support of the patient and family. Included on the interdisciplinary group are representatives from medicine, nursing, social work and clergy. In addition, specially trained volunteers often play an important role as well.

Palliative & Supportive Services

A Hospice program is a coordinated program of palliative and supportive services provided in both home and inpatient settings which provides for physical, psychological, social and spiritual care for dying persons and their families. Services are provided by a medically directed interdisciplinary group of professionals and volunteers. Bereavement care is available to the family following the death of the person.

Hospice provides support and care for persons in the last phases of incurable disease so that they may live as fully and comfortably as possible. Hospice recognizes dying as part of the normal process of living and focuses on maintaining the quality of remaining life. Hospice affirms life and neither hastens nor postpones death. Hospice exists in the hope and belief that through appropriate care and the promotion of a caring community sensitive to their needs, patients and their families may be free to attain a degree of mental and spiritual preparation for death that is satisfactory for them. Hospice can relieve much of the financial strain that families face during an extended illness. Hospice services are provided free of charge to patients. Hospice pays for all medications, supplies, equipment, nursing care, home health aide service, social workers and counselors. Hospice is funded by Medicare, Medicaid, private insurance, memorials and donations.

The Hospice nurse makes routine visits to the home. Her goal is to keep the patient as alert and free of pain as possible. She will make arrangements for all medications ordered by the patient's physician as well as all needed medical equipment and supplies. All medications are properly disposed of after patient's death and a copy of the drug disposal record is sent to the police department.

Hospice Home Health Aide

The Hospice Home Health Aide will be available when patients need help with personal care, bathing, shaving, shampooing hair, etc. She will change bed linens, assist with meals, perform small tasks needed for the well-being of the patient, plus assist with light exercises.

Family Services Coordinator

The Family Services Coordinator will make scheduled visits to the home as she helps the family and patient understand and cope with the disease process. Her goal is to help relieve some of the fear and anxiety that families suffer during an extended illness. She will guide the family as they make decisions about a living will, power of attorney and final arrangements.

Volunteer Coordinator

The Volunteer Coordinator will provide a volunteer for each family. Volunteers are trained members of the Hospice Team. Their goal is to provide relief

for the caregiver and special companionship for the patient. These special patient care volunteers can run errands, write letters, deliver medications, provide transportation and become special companions.

Bereavement Group

A Bereavement Group for any member of the community who is grieving the loss of a friend or loved one meets each third Monday at 2 p.m. at St. Paul's Methodist Church located at 3300 North Fowler in Hobbs, NM.

For More Information

For more information about Hospice Care, Volunteers or the new Bereavement Group, which began in May, please call the Hospice Office at (505) 393-4717 or contact them at their office located at 309 East Lea Street.
