NUMBER 43

RISING STAR MEN PURCHASE WINTERS MOTOR COMPANY

Messrs. S. H. Nance and Lanham Brown of Rising Star, who have been in the city for the past week or so, completed negotiations with Messrs. Creswell and Connally for the purchase of the Winters Motor Company during the past week and took over the business of this concern, which is the local Ford Agency, last Monday morning.

In mentioning the loss of these two gentlemen, The Rising Star Record in their last issue, had the following to say:

"Carl E. Joyce, who for some time has been assistant manager of the Montgomery Motor Co., which is the local Ford Agency, was promoted to the management of the firm yesterday upon the resignation of S. H. Nance, who with Latham Brown of this city has gone to Winters, Texas, where they have purchased the Ford agency and are entering business for themselves.

Mr. Nance had been manager of the firm about one year, succeeding G. B. Adams, upon his removal to Cisco the past spring. During this time he has made one of the greatest records of any Ford dealer in this part of the state and his appointment to the agency in a larger town is a merited recognition of his ability by the Ford people. Mr. Brown, who is to be associated with him, is one of the most highly esteemed and useful citizens of our city and one of the pioneers in business here, having recently sold his interest in an insurance business with which he had been connected for 17 years. While friends here greatly regret the loss of these valuable citizens, they congratulate them upon the wonderful opportunities before them and feel sure that they will more than make good in their new venture.

Messrs. Nance and Brown left yesterday for Winters, where they will spend a week or more taking stock and being checked in by a representative of the Ford corporation, upon which time they will take active charge.

Friends will be glad to know that the Nance family will continue to make their home here, at least until the end of the present school term."

The Enterprise is pleased to welcome these gentlemen to the business and social circles of "The Best Little City in the West" and hope their determination to cast their lot with us will prove both pleasant and profitable.

We have not learned just what Messrs. Creswell and Connally's plans are for the future.

SINGING CLASS TO MEET

The singing class which has recently been reorganized at the Chapel, meets each second and fourth Sunday, at 2:30 p. m.

All lovers of music are invited to attend.—Jno. H. McDonald.

Runnels Co. Poultry Ass'n. Met Feb. 21

The officers of the Runnels County Poultry Breeders Association met in Ballinger February 21. Secretary Motley read his financial report which showed the Association would have to raise more funds to pay all the premiums granted at the Mid-Winter show held in Winters.

It also voted to ask the Runnels County Fair Association for the privilege of using the poultry department of the Fair as a part of the Association's activities, and discussed the question of selecting a poultry judge for the occasion.

On every side is seen much enthusiasm over the question of better poultry. Incubators, fine stock, better equipment, especially the large hatchery located at Ballinger, all points to the fact that very soon Runnels county will be fully abreast with other favored counties.

B. F. Thornton and J. C. Watts, of Winters met with the directors. The time for the county fair was set for October 13, 14, 15, and 16, and the time for the Mid-Winter poultry show for December 2, 3, and 4. The location was not discussed.

Offers Shade Trees Free Of Charge

R. E. King who lives three miles below the McKown bridge on Oak creek was in town Saturday, and was a pleasant caller at the Enterprise office.

Mr. King states that he has some land that is just literally covered with pecan, elm and hackberry sprouts, and that anyone is welcome to them, if they will come and get them. He says they are just the right size to re-plant, and this species make excellent shade trees. There are many people in Winters who will, no doubt take this opportunity to get them.

Mr. King says that if everybody will come on March 6, he will assist them during the entire day.

There are not but two things that he asks those who get them, and that is to bring your own tools, and fill up the holes when the sprouts are taken up.

Infant Girl Is Found In City

Rev. W. A. Nichols, superintendent of the West Texas Children's Aid and Welfare Association, located in Abilene, was in the city the first of the week and tells us he found a baby girl in Winters which was only 48 hours old and took her to Abilene where he has already placed her in a good home.

Rev. Nicholas says his institution has placed 35 babies in good homes during the past twelve months, seventeen of whom were girls and eighteen boys. They now have on hand three baby boys and anyone interested in homes for these homeless children may write to W. A. Nicholas, Superintendent of West Texas Children's Aid and Welfare Association, Abilene Texas.

PLANS ARE MATURING FOR THAT GOLF CLUB

The time is now ripe to put over that said golf club for Winters. The committee is now out to find a suitable location and as soon as this land is secured the committee will call on the citizens of Winters for membership. Then a mass meeting will be called, officers will be elected and suitable by-laws will be drawn up.

Winters should have a golf club, not only for the recreation of its citizens, but also for the entertainment of its visitors.

Keep this in mind and when the committee calls on you be prepared to SIGN ON THE DOTTED LINE.

Many friends of Mr. J. M. Skaggs will learn with regret that he has been confined in a sanitarium in Ft. Worth the past several days. He was taken ill on his return from the eastern wholesale markets where he and Mrs. Skaggs had been buying and selecting new spring merchandise for their store here.

E. J. Johnson and Miss Gladys Johnson of Mills visited relatives and friends in the city Sunday.

Mrs. Louella Kelly, daughter of M. and Mrs. C. C. Spencer of the Baldrige community, from Abilene, was here to attend the funeral of the infant child of Mr. and Mrs. Spencer Wednesday.

CARD OF THANKS

We are very thankful to all those who have been so kind to us in our time of need and bereavement during the sickness and death of our loved one, W. W. Allen.—Mrs. Mattie Allen, J. P. Davis, Mrs. J. P. Davis.

L. C. WHEELER DIES AT WILMETH 23RD

L. C. Wheeler, age about 75, answered the last call at Wilmeth on February 23rd, last Monday. Burial was made the same day in the Wingate cemetery, the funeral services being conducted by a Primitive Baptist minister from Abilene whose name we were unable to learn.

The Enterprise joins other friends and acquaintances in offering sympathy.

10-YEAR OLD BOY KNOCKED SENSELESS BY AUTO

Jim Wilson, Jr., the 10-year old son of Mrs. Jim Wilson of North Main street, was hit by a Star touring car last Friday afternoon while returning home from school and rendered unconscious for some thirty or forty minutes. A doctor was called to attend the young man, who at first could not tell whether the accident was serious or not, but after a thorough examination it was determined there was no internal injuries and the young man was up and playing the next morning.

We do not know whether the driver of this particular car was exceeding the speed limit or not, but it seems to us that drivers should be just a little more careful; after some one is killed it is too late then to be careful.

Wingate P. T. A. Social Friday Evening February 20th.

We invite you out to see the great fun.

The Washington party at Mrs. Clyde Dunns.

Parent-Teacher club is going on very fine.

Yet we are lacking some few little dimes.

Bring no hatchet, just wear a long shoe.

We'll measure its length correctly for you.

From tender heels to tiny toes, 5c an inch as far as it goes.

At seven o'clock sharp the fun begins.

If you can't come just send the money.

The above invitation brought a merry crowd of guests and the measuring of feet and "paying-off" brought shrieks of laughter and with Duncan Hensley using the yard stick, no ones feet escaped the fate of several cents due, and when we say that Lewis Hensley collected you know the boys went down in their pockets for the nickles and dimes.

Pauline Prewitt presided over the register.

The guests were then ushered into the parlor, which was very beautifully and artistically decorated for the occasion. There various games, contests and chats were enjoyed. The story telling was a big feature of the evening, Sam Seitz and Bro. Wall deserving special mention. Anna Gladys Hickey and Sam Seitz won prizes as winners of contests. Good music was enjoyed throughout the evening.

The affair was a success financially and socially speaking, it was the best of the season, all too soon the clock proved to be counting off the early morning hours and with many expressions of thanks for the delightful evening the guests departed. Those present were: Misses Pauline Prewitt, Eura Sherrod, Hattie Hancock, Dorothy Moore, Guyrene Mott, Effie Prewitt, Ruth Cathey, Lelia Harter, Bonnie Bryan, Bernice Seitz, Mozelle Davidson, Edna Farmer Mesdames Dewey Watfield, E. J. Smith, Rube Quis, J. B. Moore, Freddie Smith, Edna Sanford, Messrs. Dewey Whitfield, E. J. Smith, Rube Quis, J. B. Moore, Lewis Hensley, Calvin Fitzgerald, guests of Miss Mozelle Davidson.

R. L. Grimes With Bank at Lamesa

R. L. Grimes who recently resigned as cashier of the First National Bank at Merkel, was a few days ago elected cashier of the First National Bank of Lamesa, this bank carrying almost one and one-half million dollars in deposits.

Mr. Grimes was for a number of years connected with the Winters State Bank and he and his family have many friends in Winters who are glad to hear of his success.

Mrs. R. H. Gamble of Abilene was in the city a few days the first of the week visiting friends.

The infant baby of Mr. and Mrs. C. C. Spencer of the Baldrige school house community, died last Tuesday evening and was buried Wednesday at 4 p. m. Bro. Braxton conducted the funeral services. We join other friends in extending condolence.

SEMI-MONTHLY LUNCHEON OF THE LIONS CLUB

Last Tuesday the Winters Lions Club met at the noon hour at the Methodist church where a nifty luncheon was served to members and guests and where many important propositions were brought up for consideration. After the opening which was presided over by President Paul Holcomb, Lion H. H. Stephens presided as toastmaster in his most happy manner.

Lions Jack Monroe and J. C. Watts made a report on their work in connection with securing the undivided co-operation of Winters business institutions with the Abilene & Southern railroad and said they met with little or no opposition.

The proposition of securing seats for Tinkle Park came next and was coupled with the proposition of sending the Winters Band to Mineral Wells to the meeting of the West Texas Chamber of Commerce, and these subjects were spoken of by Lion E. A. Shepperd who said the seats for Tinkle Park would cost something like \$850 and business institutions of Winters would be expected to furnish same. The club heartily endorsed this proposition, which is being fostered by the Chamber of Commerce. We believe we might say here that it was the opinion of the club that these seats should not carry any advertising matter of any character. Also the proposition to send the band to Mineral Wells was favorably received by the club and discussed.

Lion Watts' slogan seemed to be to "Sell Winters to Winters People." He said the people should be slow to patronize the "fly-by-night" institutions which open their houses here for business only in the busy fall season; that those merchants who came here to stay and help to make Winters "the busiest little town in the West" are entitled to the support of the community; also that irrigation projects should receive special attention and the co-operation of our people; pure bred seed industries must be given every encouragement. He said he received a request for information regarding establishing here a compress and bonded warehouse, and the party seeking this information would be here next week to look the situation over. He also stated that we needed to double our poultry, dairy and pork production, laying special stress on hatcheries.

Lion H. W. Lynn spoke on Winters need of a first-class, modern fire-proof hotel, saying that such a hotel would be the means of attracting the traveling public our way. If local hotels could not be induced to modernize their present properties, then outside capital should be attracted and interested in giving Winters a hotel which would compare favorably with her other institutions. A hotel committee was appointed by the Club as follows: H. W. Lynn, chairman, Jack Monroe and Mr. Paxton.

Supt. Smith, who talked on the subject of a negro minstrel for the purpose of raising funds to send a delegate to the national meeting of Lions, said that it was quite a jump from modern, fire-proof, 'steen' story hotels, yet he saw no reason why funds for this purpose could not be raised in this manner and announced himself as a candidate for the trip; and in answering a question as to what it would cost, replied that would depend upon the brand of cigars furnished the delegate and other extras.

Lion Hodge of the Queen Theatre very kindly tendered the use of his house to the club as a place to give this entertainment.

Mr. Osborn of Dallas, representing the Western Union Telegraph Co., was a guest of the club and said the company had decided to continue to do business in Winters. Also Mr. Hendrix was a visitor.

The committee from the club to work out the details of the trip of the band to Mineral Wells in connection with the Chamber of Commerce is: H. O. Jones, Jimmie Huffkins and Mr. Preston.

George Hill of the Enterprise was elected to membership in the club at this meeting.

Mrs. Albert and Ben Spill were in Abilene Tuesday.

Winters Man Addresses Bankers' Meet

Brownwood, Texas, Feb. 21.—Brady, McCulloch County, was selected as the next meeting place of the sixth district of the Texas Bankers' Association Saturday afternoon before the convention of the sixth district bankers, held in this city, adjourned.

More than 100 bankers were in attendance at the meeting. There were more than fifty out-of-state bankers present who are members of the "flying squadron," a delegation of bankers from out-of-state and larger Texas cities which each year visits the seven district meetings of the association. L. T. Youngblood, president of the First State Bank of Blackwell, chairman of the organization, presided at the meeting.

Mayor Fred Abney of Brownwood, cashier of the Citizens National Bank, made the address of welcome, which was responded to by M. P. Dalton, cashier of the Guaranty State Bank of San Angelo. Other speakers were W. B. McGee, president of the First National Bank of Lampasas, who talked on "Service Charge;" J. C. Smith, cashier of the Central State Bank of Coleman, who talked on "Easy Credits;" J. L. Daniel of Eden State Bank, who talked on "Small Accounts;" Bert E. Low, cashier of the First National Bank of Winters, who talked on "Bank Taxation," and L. T. Youngblood, who presided at a round table discussion of the "Texas Farm Bureau Association." Other subjects of vital interest to West Texas Bankers was discussed by the speakers.

J. C. Smith, cashier of the Central State Bank of Coleman, was elected chairman of this district for the next fiscal year, and B. O. Gray, vice-president of the Guaranty State Bank of Brady, was elected secretary.

Unification of the M. E. Churches Proposed

The congregation of the Methodist church recently gave a Sunday night service to the consideration of a plan which has been proposed to unite the Methodist Episcopal church, South and the Methodist Episcopal church, which is the northern church. The unification of the two churches has been considered for many years. The possibility of union has been talked of ever since the division of the original body, which occurred in the year 1844. This was many years before the civil war.

The present plan is actually being voted upon this year. The outcome will determine whether the two churches will become one church or not. The plan now proposed is briefly as follows.

The two church bodies are to become one church with two jurisdictions. What is now the northern church will be jurisdiction No. 1, and the southern church will become jurisdiction No. 2. There will be one general conference for the two jurisdictions but every vote will be by jurisdictions. This general conference will be composed of the general conference of each of the two churches, but these general conferences as now composed will become jurisdictional conferences, which will meet just before the general conference and also during its session. A majority of each jurisdiction is necessary to carry in every vote.

Provisions will be made for the transfer of churches from one jurisdiction to the other if they desire. All members of the church should study the proposed plan and be able to vote upon it intelligently. Many articles are appearing in the church papers now upon the plan. A majority of three fourths of all votes cast at the annual conferences will be necessary to carry the plan. The delegates elected by the local church congregations to the district conferences will elect the delegates to the annual conferences who will vote upon the question finally.

Mission Theatre Erects Mammoth Electric Sign

A large electric sign, the largest in the city, and we believe as large as any in West Texas will now blaze forth from the Mission Theatre. It is 4x19 feet and stands 35 feet high. It can be seen many miles up and down main street, and will brighten up the vicinity of that part of town. J. I. Street and Company erected the sign.

WINTERS CATTLEMEN FEEDING SOME 600 HEAD CATTLE HERE

Did you know that the cattle feeders of Winters are feeding here at this time some six hundred head of fine baby beeves and other beef cattle for the market? We are frank to admit that we did not know there were that many beef cattle in the Winters Country.

While the Winters Country is not a cattle country, yet there are some two or three hundred head of the six hundred being fed here that are Runnels county grown cattle, the balance being brought here on account of the accessibility of the fine feeding materials which they can procure from the Winters Cotton Oil Mill.

The feeders and the number of head they are feeding follows: Jake Stubblefield 200 head Jackson & Mullins 175 head Bourne & Howell 150 head E. F. Edwards 75 head We also learn from Mr. H. W. Lynn, manager of the Winters Oil Mill, that his mill is also furnishing feed for some 500 head of cattle on the Sims ranch in Concho county.

Mr. and Mrs. W. S. Orr and two children of Hillsboro were guests of Elgin Davidson and family of Wilmeth Friday and Saturday. Misses Anna Gladys Hickey and Velma Stroud accompanied them, visiting Miss Mozelle Davidson.

Business Men's Bible Class to Have Banquet

The Business Men's Bible Class of the First Baptist Church will have a banquet in the basement of the church next Tuesday evening—all members are urged to come and bring a prospective member—all members of the church orchestra are invited to attend.

Mr. and Mrs. H. H. Davidson of Fort Worth were guests in the Davidson home Sunday and Monday. Mr. Davidson is a brother of Elgin Davidson.

W. W. ALLEN DIES LAST TUESDAY

W. W. Allen, a prominent and respected stockfarmer of the county, died at his home last Tuesday and was buried in the Old Runnels cemetery the same day.

Mr. Allen had reached a ripe old age, being at the time of death 75 years, nine months and five days of age. We understand he was a consistent member of the Church of Christ and had lived an honorable and upright Christian life. Funeral services were conducted by Rev. Gid J. Bryan of the Winters Methodist church.

The Enterprise offers condolence to the bereaved.

Chamber of Commerce Directors Discuss Important Measures

At the meeting of the directors of the Chamber of Commerce Tuesday night, the time was largely consumed in discussing band matters. At the Lions club luncheon a committee was appointed to secure benches for Tinkle park. That committee is at work with excellent success, 38 iron seats were secured before night and two-thirds of the people were not seen.

The question of uniforms for the bands and trip to Mineral Wells were carefully considered. The following plan seems feasible: An eight hour drive easily takes us there; a large tent to be secured as headquarters and camping place for the nights; the different autos to take part of the band with them and make a three-day outing of the occasion.

Suggestions and discussions are in order: Our Telegraph situation and Winters Trades Day were considered also.—J. C. Watts, Secy.

PATRIOTISM AND EDUCATION

This is the month of Lincoln and Washington, the great emancipators; the transformers of the early ideals of this nation into tangible accomplishments. In commemorating the respective birth anniversaries of these commanding figures of our history, men women and children of the present vision with renewed appreciation of our nation's struggle for liberty and democracy and the resultant equality of opportunity to all—the opportunity to emerge regardless of environment of circumstances. Abraham Lincoln, the child of poverty and democracy; George Washington, the scion of wealth and aristocracy, yet both arose in this freedom-loving land to the highest office within the gift to the nation. The month of February may, therefore, be well termed the patriotism-rejuvenating period.

It has been said that 'Civilization is a race between Education and Catastrophe.' The nation that cherishes the memory of Lincoln and Washington shall not fail in its duty in civilization's race and will rear its childhood in the environment of the ideals as established by these men. We did not fail on Flanders Field—neither shall Catastrophe triumph. The heritage of our heroes we will eternally treasure. We are accomplishing this by setting up an education which gives inspiration to our patriotism, that stimulates ambitions and ideals for service. This system we shall jealously guard and foster as a memorial to these men; it thus becomes a patriotic factor; it eliminates class and engenders a universal love of country; it becomes a foremost proponent of national ideals, it evaluates truth for truth's sake, concerning itself with equality of opportunity and measuring results in terms of ability to serve.

GIRL SOLD FOR \$15 AND FORD IS CHARGE

Tulsa, Okla., Feb. 24.—Authorities today were attempting to locate I. R. Parmstetter and Roscoe Harmon, said to reside in Porter, Okla., in connection with charges filed here that the two men forced Ethel Hulsey, 17, to marry Parmstetter, 33, who, it is alleged by Mrs. Alice Cordell, the girl's mother, was "sold" to Parmstetter by Harmon, the mother's son-in-law, for \$15 and a used Ford car.

Mr. T. O. Hughes of the Wingate community was in town last Friday transacting business, a part of which was to buy the bread for a supper the Masonic Lodge was to put on at that place Saturday night.

A good many statesmen in Washington have adopted March 4 as moving day, or was it selected for

names class and engenders a universal love of country; it becomes a foremost proponent of national ideals, it evaluates truth for truth's sake, concerning itself with equality of opportunity and measuring results in terms of ability to serve.

In the world war, through those who stood for it, this same force proved a citadel to national moral. It is now knocking at the doors of legislation seeking laws where laws are not to carry the American flag into every school; it is the motive power which has led thirty metropolitan newspapers to initiate a nation-wide oratorical contest on the interpretation of our constitution, a national movement which President Coolidge has outspokenly endorsed. It is making Americanism the foundation stone; it is untiring in its advocacy of universal culture, irrespective of origin, status or environment.

The work of our yesterdays has been done. The task of the tomorrow is still in our hands, in which education must be recognized as the foundation of future progress, the enemy of crime, the backbone of morals, the conservator of the home and the essential of citizenship. This is our task—the translation through education of these ideals into realities.

"OBITUARY"

(For John Eoff)

In the passing of Brother John Eoff from this mortal stage of existence, Winters and surrounding community has lost another one of her oldest, most honored and most valuable citizens.

The end came on last Wednesday morning just as the great King of the day was hanging his rich curtains of scarlet and purple on the mantles of the night, the darkness was fleeing away and the day was dawning, and we believe there was dawning in his soul the beautiful light of the Day Eternal, to our dim eyes invisible.

It is impossible for anyone in writing of a great life, such as was lived by this our Brother, to adequately pay it tribute. His life was in every way a great success, a very far greater success even, than many whose praises the nations have sung, though he lived and died in comparative obscurity. For the greatest lives of earth are not those which center around some one heroic act or intensive effort, but those which, in a Godly, consistent manner meet and faithfully discharge the hard prosaic duties of every-day life with meekness, patience and fortitude—and this our Brother did.

Brother Eoff first came to Winters in 1892, from Bell county. He purchased a farm six miles north of town, now known as the Reid farm, he having at a latter date given the farm to his daughter, Mrs. H. K. Reid. He then returned to Bell county where he lived until he came again to Winters in 1894, when for about four years he lived in the old Murry house near the present site of Dr. Tinkle's home. At this time there were no houses in Winters north of where he lived. In 1898 he built what is now the H. K. Reid home on Main street which was the only house on the east side of Main street and there was only one on the west side of Main, north of the two little stores. Here he lived until 1905 when, though not disposing of any of his property in Winters, he moved to Merkel, Texas, where he lived for about eleven years after which he moved back to Winters and built the home where with his good wife he live the remainder of his days.

To him and Sister Eoff, whom the people of Winters love equally as much as they did Brother Eoff, were born six children, two boys and four girls, all of whom they reared to maturity and five of whom with Sister Eoff, survive their father. These are all not only dependable and honorable, but are Christians.

For more than fifty years he was a devout member of the Church of Christ and for more than half of that time faithfully performed the services of an elder. He was one of the charter members of the church in Winters and it is largely through his efforts and influence that the church has attained its present size and usefulness.

Truly he "fought a good fight, he kept the faith", and now that he has "finished his course" we believe that "henceforth there is a crown of righteousness laid up for him which the Lord and righteous Judge shall give to him in that day." And though our loss is seemingly irreparable we rest ourselves upon the strength of Him who said "He that liveth and believeth on me, though he die, yet shall live again.—Brother Clark.

Coleman Breaks Record In Signing Up Paving Petition

At a Chamber of Commerce banquet at Coleman Saturday morning, a committee on paving reported that in one hour they secured a complete petition for paving six blocks, in that city, which is some record. Besides this the city has just completed the water works system, which when completed the water will flow by gravity into the city.

Mr. Harold Tucker of Jerman, Texas, a former employe of the Winters State Bank, was in the city a few days the past week-end renewing old acquaintances.

CARD OF THANKS

We take this method of thanking our good friends and neighbors for the many kindnesses extended us during the illness of our loved one, John Eoff. Especially do we wish to mention Messrs. McCaughin, Faulkner and Bro. Clark who were so faithful; also for the beautiful floral offering. May God bless you all.—Mrs. John Eoff and children.

OLIVER NO. 221 PLANTER

The Oliver No. 221 Planter is a two-row corn and cotton planter, which is equipped with variable speeds, distributing both cotton and corn with a plate. Three plates for cotton with three speeds to each plate give nine variations of drop. It plants cotton seed in as small a quantity as desired. Corn can be planted close together or far apart in the row. An adjustable feature allows for planting rows from 32 to 40 inches in width.

So-Called "Free" Service Cost Customer Money

There is a certain magnetism in the word "free," and a natural, human gravitation in the direction of anything that appears to be free, but in spite of this it is not difficult to convince the average automobile buyer that paid service is usually preferable to so-called "free" service, according to Davis-Patrick, local Dodge Brothers Dealers.

"Doubtless we are helped materially," he added, "by the fact that Dodge Brothers have publicly announced repeatedly that they do not believe in so-called 'free' service. It is not simply a local policy of our own, but a principle laid down by headquarters and adhered to, I believe, by every dealer in the United States. The public has learned that Dodge Brothers conduct their business along sound lines and that anything they do benefit the purchaser as much as it does the factory.

"Consequently the man who seems inclined to talk about 'free' service usually begins by saying that there must be some good reason for not giving 'free' service, or Dodge Brothers would not take such a definite stand against it.

"Whereupon it becomes a simple matter for us to explain how Dodge Brothers assumed that when a man set out to buy a car he was interested primarily in getting a good car, the most car, in fact that he could get for a given sum. What might be thrown in with the car in the way of 'free' accessories and 'free' service was a secondary consideration. In fact, these items were of such absurdly minor consequence, compared with the chief objective—that of getting a car that represented real dollar-for-dollars value—that they deserved no consideration whatever.

"Having come to this conclusion, Dodge Brothers determined to base the price of their cars wholly on actual value, with a fair profit to themselves and dealers. To enable them to 'give away' accessories and 'free' service, it would be necessary to make the margin of profit on the car large enough to absorb these extra costs. That could be done only by raising the list price of the car—and this they refuse to do.

"So, under Dodge Brothers policy, the buyer pays only for his car.

"Under the so-called 'free' service policy, every owner pays a maintenance fee for the upkeep of every other owner's car—and he pays this fee in advance.

"Under Dodge Brothers policy, the owner is not so penalized. He pays a fair, pre-determined price for service, but he pays only as he needs it—and he pays only for his own.

"The logic of the proposition is perfectly plain. That is why most people have no difficulty in understanding why 'free' service is not as 'free' as it looks, and that our charges are entirely reasonable and wholly justified by the principles under which the car was sold."

STUDYING CONSTITUTION

It is estimated that more than a million high school students will take part in the second National Oratorical contest to be held this spring. This contest "to increase interest in the Constitution of the United States" is conducted under the guidance of the nation's leading newspapers. Never before in the history of journalism has there been effected such remarkable cooperation for a purpose so thoroughly unselfish—nothing whatever being offered for sale in connection with the project.

Five times will competitions be held before the representatives of each of the seven zones into which the country has been divided before the contestants will have been selected for the final national contest on May 8 at Washington. The contest will stimulate study and thought upon our Constitution, and at the same time encourage public speaking. Of all subjects the Constitution is the most worthy of the affectionate study of young Americans.

TO SISTER EOFF

(In memory of Bro. John Eoff)

Sister Eoff my thoughts are with you, Could I only say one word; That would help to bear your sorrow, But the only real comfort, That will help to bear your pain Is to know that he was a Christian, And that he will live again. Yes, we know you miss his presence, Miss his ever ready smile, But you two will meet in Heaven; In that dear, sweet afterworld. Yes, his work on earth is finished, God so softly whispered "come"; Enter in thou good and faithful Thou shalt have a heavenly home. Do not grieve for him dear sister, Try to think it was for best God has called him from his suffering To an everlasting rest. In the Scripture we have promise, It's verse that I love so well, He will never leave or forsake us: If we do His blessed will. Take this Scripture for your comfort. You have lived a life so true, And will meet him over yonder, In the land beyond the blue. —A Sister in Christ—Mrs. J. W. Smith.

HIS EIGHT INAUGURAL

When Calvin Coolidge takes the oath of office as President of the United States on the fourth of March, it will be his eight inaugural ceremony in nine years. During that time he has been inaugurated President of the United States once, vice president once, governor of Massachusetts twice, and lieutenant governor of the Bay State three times. The president, who is soon to enter upon full term as head of nation, has taken oath of public office five times in Boston, once in Washington and once in Plymouth, Vt. All ceremonies have been simple, always favored by fair weather. As almost everyone recalls, Coolidge's inauguration as twenty-ninth president of the United States—being an emergency one—was solemnly performed in his father's farm house at Plymouth, where the vice president had gone for his summer's vacation.

Social Activities

Mrs. Pete Davis Hostess to Martha Class

Mrs. Pete Davis entertained the Martha class of the First Baptist church in business and social meeting on Thursday afternoon. Mrs. Jake Davidson, presided during the business session. It was decided to have a work meeting and make handkerchiefs for orphans. A social hour was enjoyed with the hostess and refreshments of ice cream and nut cake were served to the following: Mesdames W. L. Hickman, Arthur Bryan, Grover Davis, R. T. Thornton, Jake Davidson, Deats, Stone Unifred and Misses Wilson and Chavlers of New Mexico house guests of Mrs. Unifred. The Martha class meets on the second Wednesday afternoon of each month.

Elaborate Party at Sanders Home

The handsome home of Dr. and Mrs. D. D. Sanders was the scene of gracious hospitality on Thursday evening when Misses Carrie Flynt and Pauline Dunn entertained members and guests of the Ego Amo Te club. The affair was a cleverly planned colonial party and was one of the most delightful events of the season.

The reception rooms so charmingly suitable for entertaining were made more beautiful by the artistic decorations suggestive of the approaching holiday—Washington's birthday, lace ferns and red and white carnations in cut glass vases were used to advantage on the mantle, piano and tables.

The ladies were costumed in beautiful frocks and powdered pompadours, making the assembled guests a setting of gay colonial revelry.

"42" gave interesting diversion for the evening and radio music was "in the air." The seven tables appointed for players carried out the patriotic theme in tallies and scores. Candies and salted peanuts were served during the games and the men were favored with cigarettes.

At the close of the series Mrs. Larkin Speer and Mr. Tommy Fry held the successful scores. Mrs. Speer was presented with a set of hand painted table mats and a box of chocolates rewarded Mr. Fry.

The hostess assisted by Mrs. Ralph Connolly served a delectable refreshment plate completing the color scheme of the evening. There was red, white and blue ice cream in hatchet shape, and angel food cake, salted pecans in attractive cups and gay little hatchets as plate favors. Those invited to this delightful affair were: Messrs and Mesdames, T. J. Fry, Dewey Speer, Larkin Speer, W. F. Brim, Shorty Hodge, R. M.

Connolly, Paul Holcomb, Misses Ona Parker, Jewell Harris, Otheline Holney, McElroy and Messrs Luther Haynes, Clarence Brazil, Albert Af-ferbach, Childress and Robinson.

Meeting of Baptist W. M. S.

The W. M. S. of the First Baptist church had a study meeting in the church parlors on Monday afternoon at 3 o'clock. Devotional was led by Mrs. S. E. Hunt. The sixth and seventh chapters of the "Decade of W. M. U. was studied and there was a general review of the books. The society will have a business meeting next Monday afternoon at the church and the chairman of each circle is requested to bring the number of awards in their circle. The ladies will hold prayer services Thursday afternoon.

Maurine Speer Honored

Mrs. Paul Holcomb honored Maurine Speer with a Martha Washington party on Saturday night. "42" was the chosen entertainment and there were three tables of interested players. Helen Speer made high score and was appropriately favored by the hostess. Ice cream and cake was served.

Ladies Aid in Work Meeting

The Ladies Aid Society of the Presbyterian church met with Mrs. Ganaway on Monday afternoon and had a work meeting. There were eight members present and the afternoon was spent in making aprons for nurses in over-sea hospitals and in sewing on the aid-quilt. The ladies will have missionary study next Monday afternoon at the church. Mrs. Pyburn will be leader.

The young Business Men's Bible class of the First Baptist church will be served a banquet in the dining room of the church on Tuesday evening at eight o'clock.

Mrs. Maddox Honored

Clipping from the Abilene Reporter: "The home of Mrs. Roscoe Blankenship on Mulberry street was the scene of a very lovely hospitality with the Triple Club members the guests.

"At the conclusion of the hour of bridge games, in which Mrs. Poole Robertson won high score favor a pretty remembrance was presented to Mrs. Holt Magee, a recent bride and a surprise handkerchief shower was given Mrs. R. C. Maddox a popular member of the club who is leaving soon to make her home in Winters. A salad plate was served by the hostess with the Valentine scheme used in the plate decorations.

"Mrs. Blankenships guests were Mesdames R. C. Maddox, Joe Ellis, Holton Hyde, Otha Jones, John Garrette, Price Campbell, Russell Stephens, Ryce Pierson, Malcom Broadfoot, Jesse Winters, A. W. Breihan, D. M. Bickford, Carl Young, of Winters, Poole Robertson, E. J. Negy, Ross Jennings, Holt Magee for the games and for the tea hour, Mesdams Walter Jennings, J. E. Stowe, Thomas Brown-lee and Comper."

CHEVROLET SALES STEADILY INCREASING

With a schedule production of 40,000 cars for March, the Chevrolet Motor Company is gaining increased momentum in the building of the new Chevrolets and the working force is being added to in each of the 12 manufacturing and assembling plants throughout the country.

W. S. Knudsen, president and general manager, estimates that within the next month and a half the actual factory working force will have been augmented approximately 40 per cent.

"Whereas the sale of the new Chevrolet is pushing us to our capacity to fill orders, we are not expanding our working force any more quickly than we can absorb them," explains Mr. Knudsen. "When going into production with a new model made from new tools, it is important that the entire job be co-ordinated carefully so as to give the high grade results expected by the buying public now as never before.

"Happily, however, expansion of production in the Chevrolet factory centers is not so difficult as might be supposed, because lists of our former experienced workers who may have been out of employment during a short period are kept on hand and these men are recalled to their old positions as they are needed. In this way the majority or trained automotive workers are trained, leaving the training of a minimum number necessary."

CARD OF THANKS

To the many good friends and neighbors of Wilmoth, and other communities, we would like to express our thanks for your wonderful kindness and sympathy in the loss of our loved one, but we have no words that would ever begin to tell what we feel, all that we can say is: we surely do love and thank you all and we hope and pray that the grim reaper, death will not visit anyone of your homes for many years to come, and when the dreaded time comes we trust that you will meet with the same kindness and help that has been given us in the illness and death of our loving husband and father.

Again thanking you each and everyone, we are—Mrs. W. L. Renshaw, Luther Renshaw, Miss Ella Renshaw, Mrs. Annie King, Mrs. Ethel Harter, Mrs. Orrie Low.

A GOOD TEXT

"The kind of a booster we like," says a contemporary, "is the one who spends his money at home. Boosting by word of mouth is fine, and it helps, but boosting business by trading at home is even better. Be selfish enough to spend your money where you will have a chance to get it back."

Be a loyal citizen to the interest of Winters and vicinity. Deal with your friends and neighbors—it will be to the mutual advantage of both yourself and your community. Winters is your town and my town—let's work and boost it.

Mrs. T. B. Young's Brother Is Dead

The following is taken from a Hillsboro exchange of February 18, and is published because of the deceased was a brother of Mrs. T. B. Young of this city.

"News was received in this city Wednesday morning of the death in Dallas at 9:30 o'clock Tuesday night of Sterling F. McMillan, brought sorrow to the entire city and especially to the Mirror and Texas Novelty Advertising Company, with whom the last few years of his business career were spent. The news, was not expected, as he had been in failing health for several years and a year ago resigned his position and went to Dallas for treatment and has been there since, with never very much hope held out for his recovery. His death occurred at the home of his daughter, at 5628 Reigor Avenue, Dallas.

The body will arrive in Hillsboro over the 4:42 interurban Wednesday afternoon and will be received by Marshall & Marshall and carried to the family home on North Covington street. Funeral services will be held at the First Methodist church at 2:50 o'clock Thursday afternoon, conducted by Rev. Horace Bishop, assisted by Rev. T. S. Barcus. Interment will be at Ridge Park cemetery.

"Deceased was a native Texan and was born in Freestone county October 10, 1859, and was a son of that beloved pioneer Methodist minister and wife, Rev. and Mrs. Franklin C. McMillan, who came to Hill county about 1868. Sterling F. however, did not come to this county with his parents, but continued to live in Freestone county until 1881, when he located at Massey and entered the mercantile business about thirty year ago disposing of his interest there and coming to Hillsboro where he was associated with his brother, T. J. McMillan, for many years, being that position to come to the Mirror and Texas Novelty Advertising company, where he remained until ill health forced his retirement from active business. A few days before he left the latter employment he remarked to the editor that he wished he might continue in his position for a few months longer, and has reared out fifty years of continuous business activity.

"Always Mr. McMillan was known as a good man, a man of unselfishness and good citizenship, but forty years ago, he united with the Methodist church, and since that time his life has been one of devoted service to his Master, and no man gave to service a broader translation in that it included also service to his fellow-man, justice and fairness to all, charity and benevolence, honesty and integrity, all the attributes of real Christian manhood. It is not to be wondered at that his friends were legion and his enemies few. Even when bad health came he was uncomplaining and rested his case in the Master's hands, willing to abide by His will.

"In the early days of Texas history those old pioneer ministers of the gospel were knit close together, and among these strong friendships was that of Rev. Franklin C. McMillan and Rev. Horace Bishop. When the former died, and also his wife, Rev. Horace Bishop preached the funeral sermon, and it was the desire of the son, Sterling F. McMillan, that Rev. Bishop should perform this service for him, and this will be lovingly but sorrowfully done by Rev. Bishop tomorrow.

"Mr. McMillan was married to Miss Ida Tate in 1883, and his wife with the following children survive: Miss Lila McMillan, Mrs. Anna James, Mrs. Lon Ward, Miss Mattie McMillan, Tate McMillan, and also one grandchild, all of Dallas. The following brothers and sisters also survive: Mrs. J. C. Burkhalter, Mrs. B. T. Young of Hillsboro, Mrs. T. B. Young of Winters, Jack McMillan of Austin, Tom McMillan of Houston, Marvin McMillan of Leedley, Okla., George McMillan of Waco, Taylor McMillan of Sulphur, Okla., and John McMillan of Hillsboro.

"To each of these the Mirror joins the entire community in sympathy."

"Hundreds and hundreds of new laws will be passed by the legislatures of 42 states which convened last month. We have too many laws. The nation has a feeble-minded hallucination that prompts it, as soon as a problem of any sort rises, to try to solve it by a new law. How many problems, tackled by creation of new statutes, would be solved soon and better, by leaving them to the natural laws such as cause and effect? One thing needed is a house cleaning of statute books, welding out the obsolete junk useful only as precedents for delay.

"Single Wives" is the alluring title of a daring photoplay of modern society life which is to be the attraction at the Queen Theatre Monday and Tuesday, March 3 and 4. As the title implies, the theme of the story, which the picture unfolds, treats with class of women known to society as "single wives," who, victims of indifference of their husbands, seek affection and diversion away from their own firesides.

The photoplay offers to Corinne Griffith, who is co-featured with Milton Sills, one of the greatest opportunities she has had to date. Those who saw Miss Griffith in "Black Oxen" and "Lillies of the Field" will find her role in "Single Wives" more dramatic than any of her former parts.

Milton Sills is in cast in the difficult role of the husband, who, although loving his wife, nevertheless is responsible for forcing her into the arms of an admirer because of his indifference. The part of the lover is in the hands of Lou Tellegen. Others who make up the truly all-star cast of "Single Wives" are Kathryn Williams, Henry B. Walthall, Phyllis Haver, Phillips Smalley, Jere Austin and John Patrick.

"AFTER SIX DAYS" THREE DAYS AT MISSION THEATRE

Turning back the pages of history, the motion picture "After Six Days" which comes to the Mission Theatre beginning Thursday February 26, is one that will characterize the type of productions the management hopes to secure for its patrons in the future. "After Six Days" is an accurate and authentic presentation of the Old Testament of the Bible, filmed under the supervision of the Italian Government in the Holy Lands including Babylonia, Mesopotamia, Palestine, Egypt and other countries. Five years of time and \$3,000,000 were required to complete the production. Six hundred principals and supernumeraries beyond imagination are employed. The Divine aspirations of man are interwoven like beautiful patterns through the entire fabric of human history. All these patterns

are developed from one original design which is most carefully wrought in the rich tapestry of the Old Testament. Wherever "After Six Days" has been shown it has received not only the commendation but the endorsement of the scholars of the clergy and the

laity who have viewed it, as a super-feature correctly depicting the tremendous events of world history. The story of the Old Testament from Adam and Eve to the time of Solomon are shown. In vivid fashion the slaying of Cain by Abel, the mighty project of the Ark, the De-

luge, the Tower of Babel, the story of Joseph and his Brethren, the significance of Pharaoh's Court, the dramatic and pathetic life of Moses, the Miracle of the Red Sea, the splendor of the court of Solomon and other scenes are depicted.

For you to neglect the church when you should not live in a community without a church? If the church is the back-bone of any community; the center of all our best life, thought and development; the greatest builder of private and public conscience; the soul's school for a eternity; and the giver through its membership of more than 80 per cent of all charity—is it a square deal for you to let others do all this for you and carry your dead weight beside?

OUR PLEA

1. Emphasis on the exclusive authority of Jesus Christ through His apostles as head of the Spiritual Body today—Matthew 28:18.
No name but the divine name—Christian.
No creed but the personal—Christ.
2. Insistence upon apostolic precept or approval precedent to circumscribe all religious faith and practice—Matt. 16:19; 18:18.
No Book of discipline but the New Testament.
No act of worship not as old as the New Testament.
3. Urge a complete return in all things to the original simplicity, purity and validity of churches of Christ under apostolic guidance—1 Corinthians 1:10.
No baptism but the unquestionable one of immersion.
No Church but undenominational Church of Christ.

Announcement of Subjects for next Week

At the morning hour the subject will be—"In Apostolic times were all converted alike?"
At the evening hour the subject will be—"Why do not use in-

strumental music in the worship." We propose to confine ourselves strictly to the Bible in the discussion of both these vital subjects. Are you interested in knowing what the Bible teaches at these points?

Strangers and Visitors Especially Invited

Next Sunday, March 1st, also marks the beginning of our spring meeting. This meeting will be conducted by Bro. Arthur Slater, of the Denver Heights Church of Christ in San Antonio, Texas, assisted by the local minister of the church here.

Brother Slater is a Godly, consistent, practical Bible teacher, of unusual ability and we feel that all who attend these services will be greatly benefited and those who fail to attend will miss a great opportunity for spiritual development.

There will be services twice daily:
The Morning service at 10:00 a. m.
The evening service at 7:30 p. m.—A. H. Clark, Christian Minister.

W. B. Cotton Is Injured In Fall

W. B. Cotton living 3 miles north of Winters had the misfortune to fall off a scaffold on Monday of this week and break both bones of his left leg above the ankle. He was doing some painting on the inside of the building which has just been erected for George Speer to be used as a filling station, located on Post Office street. The workmen were adjusting the scaffold in some manner when Mr. Cotton lost his balance and fell to the concrete floor hitting on his feet among some timber. The accident is a very painful one and Mr. Cotton will be confined to his bed for some time. Fortunately he carried insurance with the Patterson & Stokes office in Circles No. 1 and 2 and received \$250. from each association.

H. A. Copeland and family of Cisco former residents of Winters, are in the city attending to some business matters and visiting with Mr. Copeland's parents and other relatives.

Mr. Sam Cook is erecting a modern 5-room home in the northeast part of town.

We are pleased to note that whiskers are now permissible in the Mexican army. May we not suggest shoes and soap, as well?

Walter Neely and wife, Mrs. Dr. Jennings, Mrs. A. H. Smith and Rev. Gid J. Bryan attended a district meeting of Methodists at Norton last Sunday afternoon, where they represented the Winters Charge. The meeting was for the purpose of discussing the missionary situation and was attended by several noted men of the church, among them being Presiding Elder A. D. Porter and E. H. Bridges. They report an enjoyable and profitable meeting.

MRS. MOORE THANKS LOCAL KLAN FOR ASSISTANCE

The following letter was received from Mrs. T. H. Moore and children by the local Klan and handed to us with a request for publication:

Winters, Tex., Feb. 23, 1925.—To the dear Brother Klansmen of our beloved husband and father:

Words cannot even in the least measure express our appreciation of your kindness and help in this time of our deep sorrow and need. By your many words of sympathy and cheer as well as the generous contributions you have lessened our grief and caused us to look forward with renewed faith and greater love for our fellowman. Our one hope is that we may use these funds which have been so freely donated to the best advantage.

May God reward you all in His own way is our earnest prayer.—Mrs. T. H. Moore and Children.

TEXACO FILLING STATION IS REMODELING

Material is now on the ground and work is under way remodeling the Texaco Filling Station on north Main street. The office is to be placed on the north end of the station and another driveway put through where the office now stands, which will give this popular filling station three driveways; also two more pumps are to be added which gives them four in all. Mr. Mitchell, the popular manager of this business, believes his customers deserves the best, hence the improvements.

We understand that Mrs. Willie Andrea underwent an operation at the sanitarium the first of week and is reported to be getting along nicely.

C. E. Jones is reported quite ill this week. We understand he is suffering from a bad case of lumbago.

MAKES SOME VERY NICE IMPROVEMENTS

In making our rounds over town the first of the past week our attention was called by Mr. Hodge, the clever manager of the Queen Theatre, to a new front curtain and a complete new stage set which he had just installed. These additions, with others planned by the management of this popular place of amusement, are helping to keep the Queen right up to the minute. Mr. Hodge says he is running his house on the theory that the best is none too good for his patrons.

AN EXPLANATION

I would like to make an explanation to my friends and customers concerning the ginning of the registered seed for which Mr. Galloway is agent. There has been a notice in the paper that I was to gin these seed exclusively, but since that time Mr. W. D. Meadows, Mr. Galloway's agent here, has told me that they were unable to get the required amount of acreage and that the contract for me to gin these seed would not be put into effect unless they could obtain the number of acres. I wanted to make it plain to my friends that I am under no contract to gin this cotton at present.—C. Kornegay.

Dexter Eoff, who is attending a dental college in Dallas, was here visiting relatives and attending the sick bedside of his grandfather, Mr. Eoff, during the past week.

John Barnett, who is in an Abilene sanitarium, is recovering, we are glad to learn from an attack of pneumonia to learn, from a serious attack of pneumonia.

Each member of the orchestra is requested to be present not only Sunday morning but also Sunday evening.

Training School Starts in High

The B. Y. P. U. training school opened last Monday night with eighty present. A better group of teachers and a more enthusiastic group of pupils has never met to begin a school of this nature. We are expecting at least one hundred to close out with the examination Friday night.

We are glad to welcome eight additions to the church, five additions to the Sunday school and three additions to the B. Y. P. U.'s last Sunday.

Basket Ball Ends

Baseball starts

On Wednesday night of last week the Winters Blizzards played their first game on an indoor court, and were outclassed by the Abilene Eagles, the winners of their district by the score of 29 to 15. The score shows that the Winters quintet put up a hard fight, but were handicapped by being forced to play at night and on the indoor court.

Saturday night the Winters quintet closed the basketball season by defeating the Paint Rock Independent team, 21 to 9. This was one of the greatest games the team has suffered this season and it was on their trick indoor court. The Winters team received enough experience in the Martson gymnasium to enable them to put over this victory in an indoor court. Captain Rhoden played his last time to represent the Winters high school and it will be long remembered. He was the outstanding star of both teams and high point man with eight points.

Fourteen baseball aspirants have started working out for the Winters high school nine, and prospects look very good. However, it is going to be a big problem to fill all the infield positions with capable players. Raymond Phillips is the only candidate for catcher, while Roy Young promises to make a relief catcher. In the box will be used E. F. Edwards and Gerald Knight. At first Jim Fields is the logical candidate. The other three infield positions will be filled by Bailey, McCaughan and Lloyd Edwards. Joe Vincent and Randall Wisdom, one of these may be used in the outfield. In the outfield we have good prospects in J. D. Robertson, Walker Bailey, Fannin Lowe, Grady Polk, Ross Bartlett and Dell Barber. Others are expected out in a few days. The first game will be played in about two weeks.

NOTICE TO PARENTS OF RESIDENT CHILDREN

At a recent meeting of the school board an order was passed demanding the payment of tuition in advance and declaring that bills unpaid for one month should automatically suspend pupils from school.

We trust that everybody will take note of this warning.—A. H. Smith, Supt.

New bob hair combs arrived.—Coupland Variety Store.

Mr. F. C. Ueckert of rural route two, was in town Saturday. In conversation with us Mr. Ueckert said that the entire people of Winters and surrounding territory should give their hearty support to the Abilene & Southern railway, saying he knew what this territory was before the road came through here.

Saturday February 28—"Friendliness Costs Sympathy," Prov. 11:13.
If Christian Endeavor is to be advanced in this community, it must be advanced by you.

The Presbyterians have Sunday school and preaching, morning and evening, every Sunday. They have Christian Endeavor at 3:00 o'clock p. m., for the juniors and 6:30 for the seniors. If you are a Presbyterian you are wanted at all of these services, and if you have no other church you are welcome.

A good old fashion-hand shake awaits you. Come and be social and religious.—Hal F. Smith, Pastor; W. R. Johnson, Supt.

CARD OF THANKS

We take this method of thanking our neighbors and friends for the many kind words and deeds shown toward us in the death of our loved one. Words fail us in expressing our appreciation of our friends and neighbors. When death comes to your loved ones may you have the sympathy of good and loyal friends as we did in this sad hour.—Mrs. Lucile Wheeler and Children, O. H. Wheeler, Mrs. Cora Gooch, Mrs. Myrtle Haup and Mrs. Berth Condra.

Mr. Joe Little, we understand, is very ill, suffering from pneumonia.

Mrs. Murphey Smith is visiting friends and relatives in Coleman this week.

Henry Wamples, Deputy Collector of Internal Revenue, arrived in Winters on Washington's birthday and found the banks closed. He took quarters with the Chamber of Commerce and met his patrons.

Mr. and Mrs. J. R. Culver left Tuesday motoring overland on a business trip to Central Texas points.

Messrs. Bert Low and Bill Carlyle were visitors in Fort Worth the first of the week.

Economy extends even to the kitchen of the white house, where the question may be heard occasionally, "where's the pork chops that was from breakfast?"

It hasn't occurred to any judge to sentence an offender to hard labor at a cross word puzzle.

W. H. HICKMAN OF INDIANAPOLIS SAYS:
A UNIVERSAL RESPONSIBILITY

It is seldom that I utter the opinion that we have a duty to perform—that of going to the theatre, but it seems to me that we have a duty regarding “AFTER SIX DAYS.” This movie will give every man, woman and child a better understanding of the Old Testament and I am convinced that, although it is commercial entertainment, this movie had marked religious attributes. I wish it were possible that every boy and girl of Sunday school age in every city of the United States could see “AFTER SIX DAYS.” I believe it is the duty of every father and mother to take their children to see this film, and if a Sunday School teacher wants to give her scholars an inspirational treat, then she should take or urge all of them to see it.

School Notes

(Good English Week)
Next week, March 2-6 inclusive is "good English week" in Winters H. S. Good English tags will be worn all week by all high school students and speaking correct English will resolve itself into "playing tag." The week will culminate with a good English H. S. parade through town on Friday afternoon.
Tags will be furnished all high school students Monday morning free. Students will watch each other English closely and hearing incorrect usage will get the offenders tag. The one who accumulates the most tags will probably lead the parade Friday. Posters and banners will be used to carry out the effect and will appear as advertisement of the week.
Good English week is a national observed week, though often followed by different schools on different weeks. Our best high schools seek to make this week an incentive toward purer English. We emphasize much, correct written English, yet practical speaking or oral English is sadly neglected. It is hoped that not only the student body will enter wholeheartedly into this campaign, but that the citizens of the town will lend themselves enthusiastically to it and strive to create an attitude against careless, barbarous English.

The juniors with their sponsor, Miss Fields took some interesting pictures out at Chalk Hill Friday.

Principal Robertson, Mr. Childers and Miss Barber are all teaching at night this week in the B. Y. P. U. training school.

Shelly Poe is back in school after a long illness.

It is interesting to note that every single picture snapped by the sophomores last Tuesday, for which Jack Callan posed, were ruined. He says that there must be a reason.

The baseball season opened in W. H. S. this week. Coach Childers and the squad are busy every afternoon with preliminary practicing.

Seniors Have Apron and Overall Party

Backward, turn backward,
O! time in your flight,
Make me a child again,
Just for tonight.

Such seems to have been the thoughts of the seniors Thursday night, February 19, when they laid aside their dignity and dresses of fashion to don aprons and overalls, for a real old time apron and overall party, in the home of George Key, one of the members of the class.
"And time," was not all that was turned backward, but aprons and overalls as well. Hip pockets, sashes tied in front, collars high in the front

and low in the back seemed to be the predominating fashions for the night. Those who were early enjoyed the fun of watching the others as they came in through the backdoor and walked backwards into the large reception room, then started on their journey upstairs. Here those who made the trip were relieved of their wraps and were ready to return to the reception room. Clifford Rhoden proved his ability as an athlete by being able to go up and down stairs backwards without falling once.

Everyone soon assembled in the large reception room which was attractively decorated in the class colors. Here Mrs. Keyes assisted by her two daughters, Maggie Sue and Erbin served delicious refreshments consisting of frosted chocolate and chicken sandwiches.

This was not a sign of departure, but only another means of carrying out the scheme of "backwardness." Mrs. Keyes then suggested that the members show their ability as students by saying their A. B. C's. backward. Alfred Lomatte and Jewell King proved themselves A1 students. —we can't say much for the rest.

Games of childhood days were next in order and soon the house was ringing with the merry time of "We're Marching Around the Levy," and other such games. It was then de-

ecided to have a home talent play which was to take the form of a wedding. Everyone was interested at once but after the characters had been selected the titled was announced which was, "A gathering of the Nuts."

After numerous interesting games, Mrs. Keyes brought in paper and pencil and asked each guest to write their names backward. We are still wondering if she will ever be able to translate those names.

All too soon, the hour for departure came, and everyone felt just a tinge of regret that time had gone by so rapidly. After bidding our hostess "goodnight," every one left declaring we had had one of the best times of the year.

Practically every member of the class was present, also the sponsor, and we were glad to have the following as guests: Miss Lora Farnsworth, Marie Griffiths and Zula Mae Pumphrey and Mr. Richard Seagler.

Methodist W. M. S in Study Meeting

The Methodist Missionary Society met in regular study meeting on Monday afternoon at the church parlors. There were fifteen members present and Mrs. Jennings, president, presided. The lesson was very interesting and instructive along

Missionary lines. It was decided to have a sample sale sometime next month.

An Extraordinary Attraction

TO THE THEATREGOERS OF WINTERS AND ENVIRONS

It is with mingled pride and pleasure that we are able to announce the advent of what we firmly believe to be the red letter event in the theatrical history of this section. We have booked

"FLASHES OF THE GREAT WHITEWAY"

—AT—
LYRIC THEATRE

SAN ANGELO, TUESDAY MATINEE AND NIGHT MARCH 3RD.

This attraction is designed for Broadway. So successful was the brief tour on the road readying the production for its metropolitan premiere that its owners decided to allot a few additional weeks to the cities in this section before inaugurating the New York run. The Manhattan engagement is set for early next month and this city will be one of the few in the country that sees "FLASHES OF THE GREAT WHITE WAY" before Gotham flashes it. **THIS IS THE ONLY TIME WITHIN** ken that a genuine New York bound musical revue has been booked in this city. **FLASHES OF THE GREAT WHITE WAY** will be staged here in the same manner as during its New Orleans, Houston, San Antonio, Dallas and Fort Worth engagements.

Press and confidential trade reports are of such a laudatory nature that we have no hesitancy in placing our **PERSONAL GUARANTEE** behind every ticket sold.

NIGHT PRICES will range from \$1.50 to \$2.00 plus tax. **MAIL ORDERS** accompanied by remittance in full including tax, and self-addressed stamped envelope will be filled in rotation.

Sincerely your,
JOHN D. JONES, Managing Director
