WINTERS, RUNNELS COUNTY, TEXAS, FRIDAY AUGUST 14, 1925.

NUMBER 15

"SMITH FAMILY" REUNION QUITE ENJOYABLE AFFAIR

Jim Smith and family and other relatives returned Tuesday from Belton, where they were in attendance at a family reunion of the "Smith family." Mr. Smith states that it was a most enjoyable occasion, and that all the relatives were happy to be together especially Grandmother Smith who is 75 years old.

The following is taken from the Belton Journal:

"Belton, Texas, Aug. 5.—An unusual gathering is being held in the old Confederate park here this week, it being a reunion of the Smith family—not all Smiths, it is true—but enough to make an exceedingly large gathering.

Those who are gathered here this week are the direct descendants of Mrs. M. F. Smith, aged 75, who lives at Jarrell, that place having been her home for the greater part of her life. She is sponsoring the big gathering of her loved ones, at the city of Belton.

Children, grandchildren and other relatives are here from every part of the state. All are camped in the park, and a more enjoyable occasion can not be imagined than that of doing honor to the aged lady with all of her descendants present as her guests.

Throughout the week Mrs. Smith has been extremely happy, entering into the different events of the celebration with an enthusiasm that leaves no doubt as to her joy at having the "boys and girls," as her guests. An atmosphere of love and reverence permeates the entire surrounding, and Mrs. Smith is never happier than when conversing with those assembled to do her honor.

The reunion will last all week. Numbers of friends, visitors and well-wishes have thronged the park daily. Special features, with a different program for each day, has been arranged.

Following is the personnel of the Smith family in camp:

Mrs. M. F. Smith, Jarrell; Mr. and Mrs. D. R. Smith, Graham; Erma Belle, Claudie and Elouise Smith, Graham; Mrs. Lee Johnson and children, James Lee, and Dorothy Neel, Winters; Mrs. Gladys Turner and children, Joe, Dillard and Charles Ray, Oney; Mrs. Yonnie Miles, Tulsa, Oklahoma; Mrs. Jessie Griffin, San Antonio; Mrs. Billie Griffin, San Antonio; Mr. and Mrs. Wilson Burns, Bartlett; Florence Burns, Bartlett; Jewell Burns, Bartlett; Mr. and Mrs. G. L. Smith and children, Myrabelle, and G. L. Jr., Athens; Mr. and Mrs. W. H. Taylor, Florence; Billie and Jack Neal Taylor, Florence; Mr. and Mrs. Jas. W. Smith, Winters; Wilbur Smith, Winters; R. C. Smith, Winters; Frances Smith, Winters; J. E. Smith, Winters; James Smith, Jr., Winters; Margie Smith, Winters; Mr. and Mrs. Powell Wehrung, Waco; Mr. and Mrs. Jewell Smith, Winters; Charlotte Smith, Winters; Mr. and Mrs. W. J. Dodson, Jarrell; Leo and Waneta Dodson, Jarrell; Mr. and Mrs. Alton Smith, San Antonio; Beulah Smith San Antonio; Mr. and Mrs. L. R. Smith, Jarrell; Pauline and L. R. Smith, Jr., Jarrell; Wayne Watson, Jarrell; Burnett Bridges, Bartlett; Mrs. Thelma Bridges, Bartlett; Christine Black, Bartlett; Mrs. M. H. Seymour, Liberty Hill; Mrs. Laverne McCerley, Florence.

Ben Freeman Goes To Wholesale Market

Ben S. Freeman of Freeman's Dry Goods Company left Sunday for New York where he will buy fall and winter merchandise. Mr. Freeman says he expects to purchase more than he ever did heretofore and expects to buy in such a way that his store might be able to make price concessions to his customers that will mean bargains.

Jim Eoff and Alf Curington and families have just returned from a pleasant fishing trip on the Llano river. They pitched camp 6 miles north of Junction, and for nine days fish and hunted. They report an excellent catch, and a most enjoyable time.

Automobile Accident Here Last Monday

Last Monday afternoon, during the heaviest part of the rain, two cars ran together on Main street just in front of the home of Rev. H. H. Stephens.

Mr. and Mrs. James Alexander and little daughter, Margaret and Miss Maurine Pumphrey were in a Ford coupe and had started to their home a few miles north of town, while Mr. Robert Chadwick was on his way to town.

Mr. Alexander who was driving the coupe saw the other car coming and tried to get out of the way, but it is supposed the heavy rain on the windshield of the car driven by Mr. Chadwick, blinded him so he failed to see the other.

Consequently both cars ran together resulting in a serious smash-up and considerable damage to both cars, but fortunately no one was hurt, though very badly frightened.

Mrs. C. W. Gregory Left For Market Monday

Mrs. C. W. Gregory, owner of our only exclusive ladies shop, left last Monday for Dallas and other eastern markets, where she will study the latest styles in wearing apparel for women and buy a beautiful line of ladies' ready-to-wear and millinery for fall and winter.

Mrs. Gregory is a discriminating buyer and will be able to please the entire public with her selections in dresses, coats and millinery.

Especially dependable in style and quality are the hats Mrs. Gregory selects for the women of this territory and many await the coming of her hats with keen expectancy of pleasure in the beauty of their style and excellence of materials.

Ballinger Boosters Here Wednesday

Mud stained and wet, with bedraggled decorations on their cars more than a hundred Ballinger men and women reached Winters at five o'clock Wednesday afternoon on a campaign of personal advertising for the Runnels county fair to be held at Ballinger in October.

From Wingate to Winters the caravan of around fifty cars ploughed through mud and water in the midst of a heavy rain and many of the cars were stalled and bogged down and the aspect of the visitors showed that none of them failed to get out and lend a helping hand.

The Winters band was out to welcome them and a good crowd lined the streets, but after a wait of two hours, during which they put on a good concert the Winters band was released in the belief that the tourists would not succeed in reaching Winters before night.

They were welcomed in a brief address by Secretary Farrow of the Winters Chamber of Commerce, responded to in a similar fine spirit by Judge Creager and Secretary Motley of the Ballinger Chamber of Commerce. The parade was good, the music of their band excellent and the spirit of the men and women in carrying out their program, rain or shine, won them much praise.

Mr. and Mrs. W. F. Hartzog and daughters, Miss Bernice, Lucile and Evelyn left the latter part of last week for a visit with their daughter, Mrs. W. E. Simmons, at Whitesboro. Mr. Hartzog returned home last Monday while his family will remain for a more extended visit.

Mrs. Buford Owens, who has been quite ill the past week, friends will be pleased to learn, is up again.

Edward Spill, who holds a position with the San Angelo Express, is in the city, a guest of his grandmother, and other relatives and friends.

STRAYED: Small team of mules, one black and 1 red, 12 or 14 years old. Phone A. S. Harkens, Wingate, Texas.

Mrs. Paul Holcomb and little daughter left Tuesday for Belton, where Mrs. Holcomb will attend the graduation exercises at Baylor College. Her sister, Miss Margaret Couch, is a member of the graduating class.

GRASSHOPPERS INVADE THE CITY MONDAY NIGHT

Hordes of grasshoppers invaded the city last Monday evening, arriving about 9:30. They came in a cloud and fell in the city like a heavy hail storm. Tuesday the streets were literally covered with the hoppers and many were swept up in piles and burned. One farmer was heard to remark: "These are not the kind which eat up the cotton, but if they should light in a field they would tramp the cotton to the ground."

W. S. Galloway, local prominent cotton seed breeder, stated the hoppers were not of the cotton eating variety. The hoppers came and left and farmers state there are only a few in the cotton and those in it do not seem to be doing any damage.

Richards Family Hold Reunion

One of the oldest families in Runnels county held a family reunion at the Oak Creek bridge and school house last Thursday, August 6.

Bill, Ned and Rube Richards, located in this community in 1879 and the descendants of these families included fourteen families gathered for a reunion.

These families were gathered from Fort Chadbourne, Bronte, Wingate, Blackwell, and Carlsbad, New Mexico.

At the noon hour one of the greatest feasts was spread under a large pecan tree and the tables were loaded down with ham, beef, fried chicken, chicken pie, pickles, fruit salads, cakes and pies of all kinds.

After the feast was over the crowd gathered at the school house and enjoyed a singing, and at 3 p. m. the old timers gathered around the camp fire where the coffee had been boiled for the feast, and went the rounds of singing the old time cowboy songs that used to be one of the greatest pleasures of the privileged to enjoy. Such songs as California Joe, When the Work is Done Next Fall, Cowboy Solitude, Utah Carroll and many others were sung after which the younger folks sang some of the latest songs.

Later in the afternoon they were lined up and had a photograph made.

The Jordans who took the picture were old acquaintances of the Richards. Mrs. Jordan's parent's having settled in the same locality with this family in 1885.

Geo. T. Rosson the Lucky One

We have been wondering who would be the one to buy the one hundred electric range in Winters.

Mr. Geo. T. Rosson, our modern and progressive jewelryman, happens to be the lucky one, who last Tuesday installed in his home a Hot Point electric range.

Mr. Rosson says he doesn't know just why he has wanted to be the one hundred man to grasp the opportunity to cook with electricity, when he knows it is the only efficient way to cook.

Mr. Frank Fisher is to have the honor of being the first man in Winters to conceive the idea of electrifying hamburgers. He has just installed an 18x18 electric griddle, which will enable him to turn out twelve hamburgers in a "jiffy." They are electrified and he will hand them to you hot.

The citizens of Winters are truly a progressive people and believe in doing everything in the most efficient manner. It will be hard to find a town of this size where so many housewives cook electrically.

Mr. Hoyt Smith of Ballinger and Miss Ella Jameson of Talpa were pleasant visitors in the home of Mr. and Mrs. Johnnie Baker last Sunday.

Miss Lela Griffis and little Lloyd Gladney Branham of Fort Worth are visiting their parents, Mr. and Mrs. J. A. Griffis.

E. Clements and family and Miss Bonnie Davidson returned last Saturday from a month's vacation in Colorado. They report a most pleasant stay in that state.

MOVING PICTURES OF WINTERS TO BE MADE SOON

The West Texas Utilities are making a two reel industrial picture of West, Texas, making pictures in some of the communities where they have properties.

The director and cameraman of the S. S. Motion picture company are here this week making some street scenes and Winters is grateful to be included, since the pictures will be shown in some of the northern states as well as West Texas, and Winters will get some valuable publicity in this manner.

To Speak On National Subject Saturday Night

"World Peace," will be discussed by R. F. Duckworth and R. O. Connor of Dallas at the Church of Christ at the new tabernacle near the High school building, Saturday night. This church invites everybody to attend and hear this question presented by these speakers.

J. E. Cleveland Now Domiciled In New Business Home

J. E. Cleveland is now comfortably domiciled in his new home on South Main street, opposite the Nance-Brown Motor Co. Hugh Cleveland will be associated with Mr. Cleveland, and they are preparing for a big business this fall.

Opens Real Estate Office in Winters

W. W. Rainwater and A. H. Beeler have opened a land office in Winters. They will deal in lands in this territory, and in other parts of the state. Their office is located over Owens Drug Store.

Popular Young Lady to Wed

Last Wednesday's mail brought the following invitation to this office: "Mr. and Mrs. Walter Neely request the honor of your presence at the marriage of their daughter, Mary Essie to Mr. J. Gilmer Capps, on the morning of Sunday, the 16th of August, nineteen twenty-five at seven thirty o'clock at the First Methodist church, South, Winters, Texas. "At home after September 1st, Tipton, Oklahoma."

Mrs. J. D. Pitecock and children and Mrs. Laura Coupland are visiting relatives and friends at Luders.

W. E. Gardner Left For Market Sunday

W. E. Gardner of Gardner Bros., and Mrs. Gardner left for the northern markets Sunday, where they will purchase fall and Winters merchandise.

Mrs. E. T. Briggs returned to her home in Dallas after a pleasant visit in the home of her brother, Mr. C. Kornegay.

Mr. Roy Powell spent a few days the past week with his father in Santa Anna.

Mr. and Mrs. Lovel Richard and son, of Santa Anna spent the past week end with Mr. and Mrs. Roy Powell.

Hope is sweeter than possession.

Drasco Citizen Passes Away

Frank P. Scott died at the family home in the Drasco community, Thursday, August 6. He was sixty years old at the time of his death and had been living in that community about one year.

Mr. Scott was in apparent good health when the end came suddenly, death being due to apoplexy.

Services were conducted by Rev. H. H. Stephens and interment was made in the Winters cemetery, Spill Brothers had charge of the funeral.

Surviving him are his wife and five children; David, Earnest, Gertrude, Ima, and Mrs. B. G. Rice of Corsicana.

To the bereaved family and loved ones the Enterprise extends sincerest sympathy.

Mrs. J. E. Farrow and daughter, arrived the first of the week, to join Mr. Farrow, our new Chamber of Commerce Secretary, to make this place their future home.

We are sorry to report Rev. H. H. Stephens on the sick list this week and wish for him a speedy recovery.

Mr. and Mrs. C. B. Meriott of San Angelo, spent a few days here visiting her mother, Mrs. W. E. Duncan.

Mr. W. M. Cole of Marion, Louisiana arrived Thursday for a visit in the home of Mr. J. L. Pumphrey.

Mr. and Mrs. H. W. Lynn left Monday for a few weeks visiting interesting sights in cool Colorado.

Mr. and Mrs. W. J. Lolar of Blain Oklahoma are visiting the latter's mother, Mrs. C. N. Curry.

Mr. and Mrs. S. E. Holshouser and family of Lubbock are guests in the homes of Messrs Sid and Walter Neely. Mr. Holshouser is a brother of the two Mrs. Neelys and a former citizen of Winters.

Mrs. Frank Paxton and Mrs. J. L. Allred went to Abilene last Tuesday to be with Miss Anna Allred who had a very serious attack of appendicitis while visiting in that city.

A. M. Hoots, living nine miles north of town, brought to our office one day the past week a small watermelon called the "moon and stars," having a perfect moon and several stars on one side. The seed to the melon was sent to Mr. Hoots by a brother-in-law, living in Idaho. This is a curiosity and has attracted quite a bit of attention.

Thrills to Burn; Pack "Fear Bound"

Volumes have been written about the erring girl and the debt of responsibility which the whole family owes her. What about her brother—the "wandering boy" but the timid creature who fails to make good simply because folks fail in their duty to him?

Well, Jim has come into his own at last. He's the central figure in Vitagraph's "Fear-Bound," which comes to the Queen Theatre Wednesday and Thursday, August 19 and 20, and the steps leading up to his reclamation are said to provide a drama that is certain to thrill the entire family.

Will Nigh plays the role of the ne'er-do-well who is eternally losing out just because he is insufferably timid. Marjorie Daw is his sister, who—who wouldn't be reclaimed if pretty Marjorie wanted him to be? Little sister's unyielding faith in big brother finally causes him to see the light.

The once cowardly human apologetic and "find himself." After that gy becomes instead a human wildcat, who whips everybody in sight. Everybody, that is, who formerly took advantage of his weakness. Once a laughing-stock, he finally becomes the laugher.

The thrills and suspense in "Fear Bound" are tempered by comedy touches and by an alluring romance that is said to bring delight to every spectator. The cast is an excellent one, composed, as it is, besides Miss Daw and Mr. Nigh, of such favorites as Niles Welch, Louise Mackintosh and Ed Roseman.

LOCAL GOLFERS TO HOLD TOURNAMENT STARTING MONDAY

The local golf club has decided to hold a tournament for members only starting next Monday.

A part of the membership has been divided into three classes or flights and prizes will be offered for winners of each flight. All members who have not been classified or placed in one of the flights who would care to take part in the tournament are urged to turn in their names to Dr. R. C. Maddox not later than Monday noon, and matches will be arranged for them.

In matching the different individuals in each flight, which was done by drawing, the following results were obtained.

- FIRST FLIGHT—
Maddox and Slaughter.
Carlyle and Creswell.
Hodge and Haynes.
Oberman and Roberts.
- SECOND FLIGHT—
Shepperd and Jones.
Faulkner and Adams.
Oliver and Hill.
L. Owens and Kilpatrick.
Bacon and Davis.
- THIRD FLIGHT—
Daniels and Jackson.
Paxton and Key.
Robinson and Henlee.
Thornton and Brophy.

Those already paired or matched should seek their opponent at once and arrange a date for their game.

J. W. Schindler In Wholesale Markets

Mr. J. W. Schindler, proprietor of Schindler's Variety Store, accompanied by Mrs. Schindler left Monday for Dallas where they will buy new variety goods for their store here.

Mr. Schindler has one of the most attractive variety stores in this section of the state and has made some nice improvements in the arrangements of the interior of the store, making attractive decorations and giving more room whereby he will be better able to take care of his many customers.

Mr. Schindler says when his new merchandise arrives he will have one of the best and most up-to-date variety stores in this country, and expects to buy quite an extensive line of Christmas goods and will make his store headquarters for old "Santa Clause" during the holidays.

Killeen Men Enter Business at Winters

Harold Norman and Wil Sutton returned from Winters the latter part of last week where they went to make final arrangements for a house and other necessary steps in Mr. Normans opening a business in that city. A suitable house was secured on which a lease for a term of many months was taken, and on or about the first of next month we will lose another family to the west when Harold and Mrs. Norman leave to establish themselves in that city. That they will make a go of their venture, is taken as a matter of fact by their many friends here because of the confidence we have in them, in the town of their selection and the splendid location they have in the city.

Mr. Norman has made more than a success in business here; his progress in every endeavor has been marked by success in a remarkable way. First he entered the grain business here and made that business go to the degree that he was induced to sell at an advantage. His next business venture was when he bought the drug business of Charlie Ellison and we all know how that business grew under his leadership before he sold it.

In Mr. and Mrs. Norman, Winters has won people they will never have cause to regret their coming to them—Killeen has never been called upon to give up better people than they, and we hate to give them up. Live and progressive family and untiring workers, they are valuable assets to any town and we shall watch their progress in Winters with keen expectation.—Killeen Herald.

A fat purse is a friend, indeed.

THRIFT

Growing deposits in saving banks point to the fact that we are becoming more saving, if not more thrifty. Thrift is far more than saving, for it includes judicious expenditures. We can save for a thrifty purpose or we can save for the sake of running wild with our purchases when we do begin to spend.

"If you want to know whether you are going to be a success or a failure in life," said James J. Hill, "you can easily find out. The test is simple and infallible. Are you able to save money? If not, drop out. You may not think it, but you will lose, as sure as you live. The seed of success is not in you."

There is not a single man, woman or child who cannot save money if he or she will set out determinedly to do so.

KILLING THE GOOSE

Killing the goose that lays the golden egg is at least interesting while it lasts. That's what the British rubber trust is doing. The English will force up the price until we string uncut diamonds and seed pearls around our automobile wheels in place of tires—for economy's sake. And in so doing, they will force the American automobile industry to produce its own rubber, and that will be the end of the goose that lays the golden egg.

FOR PROFITABLE RETURNS

The Enterprise wants every person advertising with us and every person who is a prospective advertiser to feel that advertising is an investment and that a dollar spent wisely in advertising will bring profitable returns. But we have no space to

Uncle Frank's Lunch Counter

Big, Fat Hamburgers
Cold Bottle Drinks

Ice Cold Watermelon By the cut

Visit me, you won't regret it

Uptown, near the Winters Enterprise

lived not a day for himself.

Life is missed in its sublime meaning if any man lives for himself.

BLOW YOUR HORN

Town horn blowing is a paying pastime. It is a form of advertising that has a double value.

It attracts attention from without, and it inspires confidence and enthusiasm within.

A town that talks about itself and brags on itself, tells the world that it is good and getting better, rings its bell and toots its horn, and does these things continually, will not be overlooked.

BIGGEST THING

The big end of an automobile investment is in the running and upkeep. Almost as much money is spent for gasoline as is paid for cars. In its many affiliations the motor industry has become the biggest thing in the world.

LAWS

Yet the thousands of new laws we pass every year aren't a drop in the bucket by comparison with the number of things that somebody or other thinks there ought to be a law against.

FROM SCHOOL TO HIGHLY PAID POSITION

With every untrained, unskilled muscle-worker in the land facing unemployment or low wages, the story of C. S. Moren who found a way to avoid this situation holds forth splendid promises to thousands of young people all over the South.

Mr. Moren, following high school training, started to work at a small salary. He was a good worker and drew top-notch wages for that class of work which he was doing. He wasn't satisfied but hung to his job, fearing to take another.

He signed a coupon like the one printed below asking for a Tyler Commercial College catalogue. He read of the successes of other graduates and he had a bigger vision of things and had that new spirit of independence that made him unafraid to give up everything to win an opportunity to get AHEAD.

A training at Tyler Commercial College followed. After graduating he accepted a stenographic position. Later he went to Washington, D. C., to a Civil Service Position. He was transferred to the Department of

Labor, New York City. Because of his ability and qualifications, he was able to accept a better opportunity with the Pan American Petroleum Company, New York. He is now enjoying a splendid salary from that company at 120 Broadway.

If Tyler Commercial College training can so fit a young man or a young woman that he or she, without other experience, can travel hundreds of miles from home and immediately get a position at a salary more than twice what he or she had ever earned before, can there be any doubt about that kind of training being the finest? Isn't the earning power of a five-months course at T. C. C. on a par with a four-years' university training?

Just such coupon as appears below has given many young person his start toward a real achievement. "Achieving Success in Business," a large, free book, will inspire you to a higher position, one with opportunities for advancement, one which many of the courses of Tyler Commercial College will fit you to hold. Their employment department is at your service when you complete the Private Secretarial, General Business, General Banking, General Civil Service, General Railroad, General Western Union, General Cotton Classing, Bookkeeping, Shorthand and Typewriting, Business Administration and Finance, Penmanship, Radio or Telegraphy.

Mail the coupon NOW for the big, helpful book. It is FREE.

(We have no branch schools anywhere. We lead; others follow.)

WINGATE

Jeff Allman and family of Bell county have been visiting relatives and friends here. Mr. Allman is a brother of Mrs. Tom Holder.

A. N. Whitten closed a two weeks singing school here last Wednesday.

Mr. and Mrs. W. J. Smith, M. T. Hensley and wife and two daughters, Mrs. Tracy Laughter and Mrs. Hugh Dunne and their children and a number of other people from Wingate attended the Primitive Baptist Association at Ovalo last week-end.

L. L. Allen and family of Littlefield are visiting in Wingate and surrounding communities. L. L. is a brother of James W. Allen of the Wingate Red Top Garage.

Mr. and Mrs. M. T. Hensley are visiting on the Plains, at Floydada and Lubbock.

Mrs. J. A. Smith of Winters was a Wingate visitor last week-end, being the guest of her son, W. J. Smith and her daughter, Mrs. Geo. Sietz.

Clyde Dunn and family and Mrs. J. B. Moore were Abilene visitors one day last week.

Miss Doris Dunn has returned home from a visit to her uncle and family at Lawn.

Add Miller and family of Roswell, New Mexico are here visiting relatives, Mr. Geo. Miller and family and Mr. and Mrs. J. L. Miller.

The Christian meeting closed here last Thursday night. Rev. Freeman of Gunter did the preaching.

L. W. Hayhurst and wife were in the city last week attending Bro. Freeman's meeting.

Rev. Frazier from Springfield, Mo., who had barely started the Baptist revival meeting here, was called home Saturday by the illness of his wife. The meeting continued, with a substitute preacher.

Mrs. Tracy Laughter and two daughters returned to their home at

Lubbock after an extended visit here with Mrs. Laughter's parents, Mr. and Mrs. M. T. Hensley.

E. E. Whitfield is putting in a new barber shop on the west side of Main street.

Mrs. Hugh Dunn and small son, who have been visiting Mrs. and Mr. M. T. Hensley returned to their home at Lubbock last Monday.

S. H. Woods and family returned Sunday from Ovalo where they attended the Primitive Baptist Association.

G. A.'s.

G. A.'s met at the home of Miss Marie Hill last Monday at 4 o'clock, where an interesting program was carried out, the subject being "Mountain Schools." Miss Marie Hill sang "Give of Your Best to the Master," accompanied on the piano by Miss V. Marie Stephens. Iced pineapple punch and angel food cake was served to nine members present.

Diet doctors differ decidedly.

Adds New Improvements Along With Big Price Reduction

Detroit, Mich. Aug. 12.—Following closely the recent price reduction on Chevrolet closed cars, came the announcement today from W. S. Knudson, president and general manager of the Chevrolet Motor Co., that the entire line of both open and closed models has been improved by the addition of numerous refinements.

Included in the list of improvements are new and attractive headlights which replace the former type. They are mounted on a heavy tie-bar placed between the front fenders. This arrangement affords better mounting for the headlights and permits them to be interchangeable, eliminating the necessity for right and left hand lamps. The tie-bar also provides a convenient place for carrying the front license plate.

The former steering wheel has been supplanted by a substantial walnut wheel with notched finger-grips. The center of the wheel spider is of polished aluminum.

An improved mounting for the spark and throttle controls has been arranged on the instrumental panel. The gear shift lever has been lengthened three inches.

The horn formerly used has been replaced by a motor driven Klaxon horn.

Heavier tie-rod has been placed between the radiator and dash.

Additional interior reinforcements have been added to the Harrison radiator or rustless airplane metal.

Balloon tires are standard on all closed models.

Indestructible Duco finish is used on both open and closed cars. The sedan is in aquamarine blue and coupe in sage green. The roadster and touring models are finished in gun metal grey Duco with striping to match and are upholstered in grey

which blends pleasingly with the body finish.

"Chevrolet's unprecedented leap into favor as the most popular gear-shift car has brought production and sales to a record point which enables us to offer an even better value," said Mr. Knudson in commenting on the lowered prices of the closed cars. "Only those refinements were adopted which we found after exhaustive tests to be of practical value and increased utility, and in keeping with our policy of building a quality car at the lowest cost."

The new prices on the closed models are: Coupe, \$675; Coach, \$695; Sedan, \$775. The revised price list represents a reduction of \$40 each on the coupe and coach and \$50 on the Sedan.

Work Begins On Two New Residences

Work was started on the two Clements homes to be built in the West Moreland addition on last Monday. These new homes will be modern in every respect, and one feature of their construction is that they will be completely furnished throughout with the Clements hardware. In doing this they are going to make these two homes "the home beautiful" and they will be open for public inspection when complete.

FOR SALE: Tin Shingles in good shape good for home or garage building. See them on school job at Bradshaw.

Better Fit by Master Tailoring

WHEN you get clothes tailored our way—adapted to your individuality and personality—your suit and top-coat bespeak perfect taste and a general air of well being.

Master tailoring is certain, but with it you get a selection of woollens, patterns and styles so varied and so interesting that only the fullest measure of satisfaction can be the result.

You'll get more value than you anticipate by coming here.

"You Are Wasting Money and Risking Health"

THE family doctor had taken a look out in the kitchen—had found the uniced refrigerator.

"That, my dear madam, is senseless," he said. "The refrigerator is not a food chest; it is a miniature cold storage plant, but it requires ice. Food stored in an uniced refrigerator spoils rapidly—and spoiled food is costly stuff in more ways than one."

If your refrigerator has been uniced during the cold days just passed, call us today for a service which will save you money; protect your health; make food more palatable. Ice always pays for itself.

STEVE UNFRED

A warning to Runnels County Farmers

County Agent Lehberg is in receipt of a letter from Mr. Ward, Swine Husbandman of the extension service of the A. & M. College of Texas. This letter has a direct bearing on the scheme that a so-called pure bred Swine Growers Association is trying to put over in Runnels county using its efforts to induce the farmers to buy Purebred Spotted Poland China brood sows at an exorbitant price. The letter follows:

"So-called Livestock Companies Purebred Swine Growers Associations, are operating in Texas—and have been for some time—on an 'endless chain' scheme, whereby the company sells purebred sows at one hundred to two hundred and fifty dollars each with the understanding that the company will buy back a certain number of gilts or sows. The sale price of such gilts is fixed at fifty to seventy-five dollars each.

"This 'Buy Back Plan' has been a snare and a delusion to the farmers in other states as well as Texas. The contract is carefully worded, and it is specifically stated that gilts bought back must be good and standard gilts of a certain age and weight, double treated for cholera by a veterinarian approved by the company; and shall then be in pig to a boar approved by the company. This contract certainly gives the company ample grounds for rejecting such gilts as they desire to reject. Consequently, the purchaser of the sow could never compel the selling company to buy back if it did not care to do so. Furthermore, the purchaser contracts to take whatever the company wishes to deliver to him. The company agrees only to furnish a purebred, pedigreed, serum-treated, bred sow or gilt. Nothing is said about the quality of the animal to be delivered. Everyone who is familiar with livestock knows that there are some very poor, inferior registrations. Such a contract puts animals registered and subject to the purchaser at the mercy of the selling company.

"Aside from the fact that the purchaser will have to accept whatever the company chooses to deliver, and that the company could not be forced to buy back if it did not care to, there are three other important questions that should be answered: First, why pay one hundred and fifty dollars for a sow that can be bought for thirty to fifty dollars? Second, how much more can a farmer make by investing the same amount of money in purebred sows in the regular way? Third, how long can a business continue that is built upon artificial values and 'endless chain' scheme which will, eventually, leave many farmers 'holding the bag'.

"The companies who have been and are operating in Texas sold Chester White Hampshires, and Spotted Poland Chinas. They may be selling

Durocs or Poland Chinas next. "The men representing the companies are highpowered salesmen with pleasing personality, and the companies have taken the precaution to stipulate in their contracts: 'No agent or representative has authority to make any statement or representation not herein contained, or to make any change or alteration in the printed part thereof.'

"All livestock representatives of the college interested in promotion and expansion of the livestock industry on a safe, sound practical basis; but we believe the plan under discussion will do harm to the industry, and to every individual involved; and for this reason, we urge that all extension workers advise only the approved methods of buying and selling purebred stock."

Harmony News

The Baptist meeting will begin at Harmony Sunday, 16th at 11 a. m. Rev. H. H. Stevens of Winters and E. E. Smith of Wingate will do the preaching. Everybody invited to attend.

Mr. Sparks, the principal of our school visited friends in the community Saturday and Sunday.

Miss Dainty Queen of Wingate visited her brother, Edward and family Saturday.

Miss Mable Moore visited her sister, Walter Mrs. Dean near Pumphrey last week.

Baptist Meeting to Begin at armony Sunday, Aug. 16

gin in the Harmony community next Sunday, August 16th, at 11 a. m.

Rev. H. H. Stephens of Winters and Rev. E. E. Smith of Wingate will do the preaching. Both are forceful ministers of the gospel and will bring some stirring messages at these services.

All are invited to come and attend these meetings.

Rev. M. A. Quindlen returned home Monday, after holding a two weeks meeting near Littlefield.

Mr. and Mrs. A. M. Cummings spent the day with Mr. and Mrs. Henry Seals Sunday.

Mr. and Mrs. Fred Gearheart visited the latter's parents, Mr. and Mrs. Queen Saturday.

Misses Willie and Sallie Hill of Ballinger are visiting relatives in this community this week.

Quite a number of Harmony folks attended the closing exercises of the singing school at Crews Saturday night.

Mrs. R. A. Bishop is on the sick list.

Rev. H. H. Stephens of Winters called on Mr. Bill Worthington and others of the community last Wednesday.

The Store With Quality, Service and Price

Letter From Mrs. Eason, California

Ontario, California, August 3, 1925.—To the Enterprise and Folks at Home: Little did we think when we left home on the 16th day of March that the 3rd of August would find us still in California. It seems that the fates combined to keep us here. The last is three months free house rent. Mr. and Mrs. McGeehee, former Texans wishing to return to their old home at Lockney and Plainview, ask if we would live in their home and take care of it while they were away, this we were glad to do, so last Wednesday we moved down from Upland, and are now at home on 718, East D. St., Ontario.

California has not yet grown old to us. We have been fortunate in many ways since coming out. Mr. Eason has a good job in an office, where the work is not crowding and conditions are very favorable, he has Saturday afternoons off and that gives us an opportunity for a little recreation, and we let the boss do the worrying.

During our sojourn here we have had the pleasure of being with Messdames J. T. Stevenson, W. J. Gardner and W. P. Hawkins, besides the other Winters folks who live out here. The week Mrs. Gardner left we had the wonderful trip to Catalina together and last week, Mrs. Hawkins, Ralph and I made the trip by ourselves.

The advertising for Catalina says, "In all the world, no trip like this," taking for granted that this is true, we can at least say that for us it was a great experience.

We enjoyed the second trip as much as the first. Going aboard the million dollar boat "Catalina" at the Wilmington port, we were very interested in all the port surroundings, which give a good idea of the huge transportation by water. We left port at ten o'clock in the morning and arrived at Catalina at twelve o'clock. For a short space we were out of sight of land, a short distance from the pier we were met and welcomed by hydroplane and speed boats, and a few smaller vessels, we did not feel attracted to the speed boats enough for a pleasure ride on them. It must be some thrill to those who do take those trips. Before entering the harbor we saw quite a number of flying fish. It is great to stand on the prow of the big ship and breathe the invigorating salt air, and be fanned by the cool breeze.

Disembarking from the Catalina, we took the glass bottom boat for a cruise over the submarine gardens. It is beyond me to describe them. Far down in the depths can be plainly seen the beautiful growing plants, the iodine plant being in bloom and growing to depths of fifty and sixty feet, with the fish swimming in and out, feeding on the plants. We saw blue, gold and spotted sea anemones, many darker varieties, all unfit for human food. The climax was reached when an expert diver, in only a bathing suit, dived from the side and came under the glass, eyes and mouth open, breathing like a fish, although he was black as a Mexican under the water he was ghost like for whiteness. After the performance he sold abalona shells to the sightseers at 25 cents a shell. He is supposed to be an abalona diver.

We took the seal rock trip and saw the seals on the big rocks and along the shore. This trip we took the sight seeing bus, and had a wonderful view of the island. Since childhood these words have been familiar, "some men achieve greatness, and some have greatness thrust upon them," but it has remained for the American people to chew Wrigley into fame. Commanding a wonderful view on this island is the \$145,000.00 home of Mr. Wrigley, which he only occupies about three weeks out of the year. Its a mansion alright, a monument to Spearmin.

He also owns the new ship, "Catalina" and the "Avalon," the Catalina was built a year ago at a cost of a million dollars.

Enroute to Catalina, a young lady approached Mrs. Hawkins and spoke, who should it be but Miss Bess Har-

rell, formerly of Winters and a daughter of Mr. and Mrs. M. E. Harrell. At first she did not recognize me, but I knew her instantly. She was making the trip with some Arizona friends. We are always so glad to see some one from home.

We even went to Long Beach last week to the meeting of San Saba County Club, just to be with Texas people. While all of them knew my people there was only one out of about forty whom I had ever seen. We had a picnic dinner in Bixby park, and just a real Texas dinner, worlds of fried chicken, and several big platters of it left. We got acquainted with most of the folks and enjoyed just listening to people who give the same twist of the tongue to the English language to which we have been accustomed.

Just here occurred a very happy diversion. Mrs. Hawkins and Mr. Queilhe were returning from Riverside and drove by for a short visit. We exchanged recent news from home and what was in last week's Enterprise and they had to go.

Erma is spending a few days with me, and we are putting up peaches and grapes. We drove through the "biggest vineyard in the world" yesterday, and big bunches of purple grapes looked so tempting, but we just had to pass them up. We made some jelly and marmalade this morning.

Mrs. Gardner sent us the good news about the big rain and we rejoice with you. One of the peculiar things about this county is that it never rains in the summer and the folks don't want it to, that much for irrigation. However, we are having a real hot day today, after a very cool early morning fog.

Well, I do not want to monopolize too much space or impose on the big Enterprise family, but there are so many things out here interesting to me, I like to pass it on to anyone else who may care to read about our experiences.

The Enterprise is getting better

Fish Fry On McNeill's Place

One of the most enjoyable occasions of the week occurred last Tuesday, August 4th on the John McNeill farm when Messrs McNeill and Clarence Davis invited a number of friends out to enjoy a big fish fry.

We were reliably informed that Messrs Davis and Harkins are "on the job" when it comes to frying fish.

There were about fifty present to

enjoy the feast which was beautiful had done justice to the spread they went for a swim.

Those enjoying the outing were, Messrs. Harkins, Clarence Davis, Arch Hood, John McNeill and their families and Mrs. T. J. Stephenson, Mrs. Jim Wilson and children and others whose names we failed to get.

Mrs. R. Q. Adams and daughter, Isabelle, who were reported on the sick list the first of the week, are up again to the delight of their many friends.

Mr. and Mrs. Max Meyer and daughter of New Brunfels, are the guests of Mrs. Rosa Spill and family. Ambition is no cure for love.

Quality Merchandise for Every Possible Need

REXALL Factory to You Money Saving Sale Sale Starts Saturday, Aug. 1st. and Ends Monday, Aug. 31st

Everybody wants to save money. The 10,000 Rexall Stores of which this store is one, are part owners of the mammoth, modern factories producing high grade drug store merchandise. We have selected nearly 290 popular items from the well known lines of Lord Baltimore Stationery, Monogram Rubber Gloves, First-aid Supplies, Klezno Dental preparations, Puretest Household Necessities and Rexall Remedies, all produced in our factories and distributed exclusively in this community through this store. This is a most unusual opportunity for you to save money on standard drug store merchandise, hot weather comforts, vacation necessities, and on items of Daily Home Use. There will be nearly 200 genuine bargains on guaranteed goods which we sell every day at regular prices. This is a real opportunity for you to secure unusual values on items used regularly in every home. The merchandise for this sale has been carefully selected to give you maximum savings and to prove to you anew that your local Rexall Store is not merely a single store but an important, integral part of the greatest co-operative system of druggist service stations. These factories literally sell these goods through us Direct to You without any intervening middleman's profit and at a substantial saving to you.

DURING THIS AUGUST SALE STARTING AUGUST 1ST
We offer these remarkable bargains on quality, seasonal goods. Everybody today wants to save money—you do, so does your neighbor next door, so does every other person. This merchandise, with very few exceptions, is made in factories which we and the thousands of Rexall Stores owned and control. The goods are standard—we guarantee them absolutely. Rexall Factory Ownership alone makes possible such values. They cannot be duplicated. We cordially invite you to visit our store, to see these rare values, and to make the most of this great money-saving opportunity.

"Her Night Of Romance" A Hit

English wit, or lack of it, always comes into high relief when matched against American humor, and this contrast is the basis of the mirth-making machinery in Constance Talmadge's latest comedy, "Her Night of Romance," at the Queen Theatre, Monday and Tuesday, Aug 17 and 18th.

The situation is that of an impeccable young British lord being hounded into a proposal of matrimony to an American heiress he has never met by a London money-lender.

Constance, as the heiress, touring England in search of a curative for her shredded nerves, has anticipated fortune hunters and so disguised herself to look like an outlandish backwoods schoolma'am.

But through a series of laughable, yet wholly possible, circumstances, she meets the nobleman, and, in fact, their positions become so closely allied that they are compelled to pose as newly-weds in order to avoid a scandal.

As yet neither knows the other's true identity. The sharp-brained money-lender, however, scents the truth and hurries into the scene. Regardless of the delicacy of the situation, he sees a chance to collect his long-standing accounts with the lord, if he can clinch the marriage.

His crude manner in achieving his objective almost blights out all hope of the marriage, but meantime Dan Cupid has entered the play also, and his well directed arrows write the final of happiness to the picture.

Constance's dual role gives her a wide field for fun-making, and she makes the best of it. Aletrnately the flippant flapper and the bleak school-

ma'am, her acting is at all times refreshing.

Roland Coleman, a young English actor, plays the part of the lord and brings out the high lights of the role with an intimacy an American actor could hardly achieve. Jean Hersholt, as the money-lender, Albert Gran, Sidney Bracy, Joseph Downing and Templar Saxe also are in the cast.

Miss Mary Neely Honored With Shower

On last Tuesday evening the Woman's Missionary Society of the First Methodist church gave a miscellaneous shower in the basement of the church in compliment to Miss Mary Neely, whose marriage to Mr. J. Gilmer Capps is to be solemnized on Sunday morning, August 16th.

The color scheme of pink and white was used effectively and ferns and cut flowers in vases and baskets were artistically arranged to form a pretty setting.

A very unique and carefully planned program was carried out consisting of a solo, "I Don't Want to Get Married," by Mrs. Ruth Ramsel, accompanied by Mrs. A. H. Smith on the piano and Sidney Neely on the violin, two shadow scenes, one portraying the "happy loves" and the other the "hen-pecked husband," while Miss Carrie Flynt and Carroll Neely impersonated newly weds on a honeymoon trip.

The main feature of the program was a "mock wedding," in which Mr. Carl Davis very gracefully impersonated the bride, while Mr. Hart Phillips was the groom, Mrs. Hart Phillips, maid of honor, Mrs. Horace Hawkins, matron of honor, Mr. Tom Carr, best man, Mrs. Chas Chapman, Mrs. F. J. Brophy, Mr. Jno. Hall and Gladden Bedford were bridesmaid, Dr. Brophy, Marvin Patrick, Marshall Chapman and Dewey Speer,

acted as ushers, Mr. A. H. Smith, ring bearer and Mrs. Marshall Chapman, flower girl. Mr. L. R. Ables, the preacher for the occasion, performed the ceremony in a very comical manner, which created quite a bit of laughter.

After the wedding, little Misses Rita Louise Hawkins, Geraldine Polk and Earnest Jennings and Wallace Hawkins came in bearing two large baskets heavily laden with gifts which were placed at the feet of Miss Neely, who in a very sweet manner accepted the gifts and expressed her love and appreciation.

Many beautiful and useful gifts were displayed attesting the love of everyone for Miss Neely, who is such a sweet and faithful worker in the church.

Ice cream and angel food cake was served.

Miss Susie Downing, of Wichita Falls a member of the faculty of Texas Woman's College, Fort Worth is here to attend the Capps-Neely nuptials.

Miss Alice Jones of Chico is the guest in the Neely home to attend the Capps-Neely nuptials which are to be solemnized Sunday morning. Miss Jones is a teacher in Mansfield College, Mansfield, La.

Mrs. J. D. Newton of Dallas is a guest in the home of her sister, Mrs. C. Kornegay.

Mesdames Davis and Hawkins Entertained Young Married Ladies Class

One of the most enjoyable social events of the week occurred last Thursday, August 6, when Mesdames Horace Hawkins and Carl Davis entertained the Young Married Ladies' Sunday school class of the First Methodist church, with a lawn party at the beautiful home of Mr. and Mrs. Horace Hawkins.

The porch and lawn were beautifully decorated with ferns and cut flowers and the punch bowl was very attractively arranged in a bower of ferns and flowers, where the guests were served as they entered.

Each guest was given a card on which to write the names of berries and the story of the "Berry Family" was given and answers were read from the names of berries written on the cards. This contest created quite a bit of laughter.

Score cards were passed and partners chosen and the guests were seated at the six tables which were attractively arranged where they enjoyed a "progressive alphabetical contest," after which games of 42 were the chief diversion of the afternoon.

Iced melon was served to the following members:

Mesdames Chas. Chapman, Ables Saunders, Rhoden, Larkin Speer, Preston, Cryer, Windham, Patrick, Buford Owens, Brophy, Sam Cook, Oliver, Ashburn, Rosson, Jennings, Hall, Grimes, Dewey Speer and out of town guests were Mrs. Terry of Taipa, Mrs. Albright of Crockett and Mrs. Lucy Minor Duncan of Tulsa, Oklahoma.

Senior B. Y. P. U. Lawn Party

On last Tuesday evening the Senior B. Y. P. U. enjoyed a party on the lawn of the First Baptist church.

Contests and games were the chief diversion of the evening and Miss Ella Gilmore and Chas Dorsett proved to be the lucky ones in winning the prize.

Victrola music was furnished throughout the entire evening and iced melon was served to thirty-six members present.

First Christian Church Ladies Aid Had Meeting

The Ladies Aid Society of the First Christian church met in regular session Monday, August 10, with Mrs. Chas. L. Moore, with good attendance.

Mrs. Wetzel led the devotion by reading the twelfth chapter of Romans, followed by a prayer by Mrs. Heavenhill.

During the business meeting it was voted to meet every Monday. Articles for embroidery work for the bazaar, which will be held sometime in the fall, were issued to each member and pillow cases issued at a previous meeting were turned in, beautifully embroidered and trimmed.

Plans were completed for the big revival meeting which will begin on Wednesday night, August 19. A cordial invitation is extended to those who are inclined towards the faith of the First Christian church to give this meeting close attendance. Others are cordially invited.

The next meeting will be with Mrs. R. E. Bacon and Mrs. Ben F. Anthony will be leader.

Shower for Recent Bride

On last Thursday the working girls of the city planned a miscellaneous shower for Mrs. Woody McKissack, a bride of only a few weeks.

Gathering at her home while she was away they arranged each package with a long string attached and hid them all over the house, leaving the end of each string suspended from the chandelier.

Upon the arrival of the much surprised hostess, each guest quickly seated themselves in a circle on the floor and greatly enjoyed the cordial greeting given them.

Quite a bit of fun was had in following the strings and opening the packages at the end and many exclamations of delight were heard as each was opened.

As a diversion two contests were enjoyed and fortunes told, with peanut shells. Misses Francis Lambreth and Christine McDuff proving the lucky ones in winning the prizes.

Iced melon was served on the lawn to the following, Mesdames Bishop, Lankford, Carl Davis, Saunders, Deffenbach, Quindlen, Ruth Ramsel, Buford Owens, Marshall Chapman and Misses Josephine Pumphrey, Pauline Jones, Willie Lois Young, Mildred Labenske, Christine McDuff and Francis Lambreth.

Carl Davis

Cleaning and Pressing

When Carl Davis first started in Winters it was in a small way, but has grown because of the excellence of work and reliability.

This establishment is popular with all who have tried it, and they put forth their best efforts, which is demonstrated always on everything given them.

The cleaning plant is well equipped for all classes of dry cleaning and no work is too difficult to handle in most satisfactory manner. The most modern cleaning machinery is used in cleaning your clothes and are in a position to handle the most delicate work, and turn them out in a most excellent manner. The dry cleaning system used not only cleans your clothes but renovates them in a most sanitary man-ner.

The highest grades of material and most expert workmanship are used in cleaning and pressing garments, and specialize in cleaning ladies garments, no matter how delicate the fabric may be. They call for and deliver, and give you quick service, in keeping with the quality of the work they turn out.

They also do altering, block hats, in fact anything that is required of a first-class tailor shop. We are pleased to compliment them upon the satisfactory service they render.

Will Improve Runnels County Fair Grounds

Ballinger, Texas, Aug. 10.—Work on the new buildings for the Runnels County Fair is in progress. The improvement calls for the expenditure of about \$10,000 and will double the exhibiting capacity of the fair. The large agricultural hall is being duplicated, the grand stand doubled, and a large building to be used exclusively for sheep is being constructed. The Fair Association increased its capital stock \$5,000 and in addition is spending the profits from last year's fair on improvements.

You can Help Us Make a Better Paper

Some people have a hesitancy in giving news to a paper, more especially local items regarding themselves or visitors in their homes. In this day of the automobile, when one may go or come at random it is impossible for any editor to get it unless he is told.

What we want is for you to phone us, or impart the information some way, in order that we may get it. It is our sincere purpose to record and inform the narration, explanation and interpretation of the events in the city, as they occur, pertaining to the social, religious and commercial life of Winters. A newspaper is a profession, a public service and a business. We want to tell the news, and to afford the means as the public's interest may require, and we strive constantly to secure all the news we can, but as previously stated, we must know it before we can mention it.

Don't think just because it is about you, it don't amount to much. It does, and we want it, because it is our business to get it.

Let us have your local items. We will appreciate any news items, hints or suggestions that you give us. Our telephone number is 63.

Conditions Are Good At Bradshaw

Bradshaw, Texas, Aug. 10.—The rains of last week have practically assured this section of the country a normal feed crop and a bumper cotton crop.

All the gins are being overhauled and put in ship-shape to handle the cotton.

The new Bradshaw-Shep Highway, running through twenty miles of the very best of farm land, is nearing completion. This almost guarantees Bradshaw several thousand more bales of cotton than it has had heretofore.

The local bank, The Bank of Bradshaw reports its deposits as being heavier now than they have ever been before at this time of the year.

Several new farm dwellings are being commenced on the strength of the bright prospects of a bumper crop. This morning A. L. Newby let the contract for a three thousand dollar home to be built on his farm two miles south of here. He expects to have it completed and moved into by Fall.

Miss Cubelle Mosley of Waco, Mr. John Mosley and son, William also of Waco, and Mr. T. J. Archer and son, T. J. Jr., of Holland, were visiting their brother, R. L. Mosley and family the past week.

ATE TOO FAST

South Carolinian Took Black-Draught For Indigestion, and Says He Could Soon Eat Anything.

Ballentine, S. C.—Mr. W. B. Bouknight, of this place, gave the following account of his use of Theford's Black-Draught.

"Just after I married I had indigestion. Working out, I got in the habit of eating fast, for which I soon paid by having a tight, bloated feeling after meals. This made me very uncomfortable. I would feel stupid and drowsy, didn't feel like working. I was told it was indigestion. Some one recommended Black-Draught and I took it after meals. I soon could eat anything any time.

"I use it for colds and biliousness and it will knock out a cold and carry away the bile better and quicker than any liver medicine I have ever found."

Eating too fast, too much, or faulty chewing of your food, often causes discomfort after meals. A pinch of Black-Draught, washed down with a swallow of water, will help to bring prompt relief. Bloating sensations, eructations, bad breath and other common symptoms of indigestion have disappeared after Black-Draught has been taken for several days. NC-164

BRYAN'S WILL FILED. WIDOW GETS THIRD

Miami, Fla., Aug. 8.—William Jennings Bryan's will was filed for probate here Saturday afternoon.

First thought of the Commoner in his will was given to his widow, Mrs. Mary Baird Bryan, to whom he bequeathed one-third of all his property, and a life interest in Mary Mount, the Bryan estate at Coconut Grove.

The Commoner tenderly complimented his helpmate upon the assistance she had given him through all his work.

One-fourth of the remainder of the Bryan estate goes to each of his three children, Mrs. Ruth Bryan Owen, William J. Bryan, Jr., and Grace Bryan Hargreaves.

The fourth of the remainder, less

\$5,000 which is calculated as the value of the Bryan home in Fairview, Neb., is to go to the establishment of an academy for boys where religious and material education can be combined.

The second paragraph said: "Trusting to my Salvation in the blood of Jesus Christ my Lord and Redeemer and relying on His promises for my hope and resurrection.

I consign my body to the dust and commend my spirit to the God who gave it. I, William Jennings Bryan, being of sound mind and memory, but conscious of the uncertainty of life and desiring to make a just disposition of the worldly goods which with an indulgence the heavenly father has seen fit to bless me, I do make, publish and declare this my last will and testament, there-

by revoking and annulling all former wills by me made."

The first provision of the will provides that Bryan's funeral expenses and the cost of a fitting monument on his grave, shall be taken from his estate.

Trucks and Tractors Deliveries Increasing

Sales reports received by the Ford Motor Company from branches throughout the country during the past week show an increased demand for trucks and tractors with retail deliveries exceeding those of last year.

Figures from these reports, which cover the first twenty days of July and which were just given out, give the sales of Ford one-ton trucks as totalling 12,168, an increase of 30 per cent over the same number of days in July last year.

While the greater portion of the truck sales cover industrial installations, there is a noticeable increase in deliveries in rural sections where harvesting crops is underway or is just beginning. Another feature indicating that farmers are coming into the buying market in increasing numbers, comes in the report of Fordson Tractor sales. Retail deliveries of Fordson during the first twenty days of

July numbered 3,664, an increase of 43 per cent over the same number of days in July a year ago.

In view of these reports and the business conditions they indicate, sale during the remaining weeks of the summer will continue, it is anticipated on a higher level than ordinarily expected for this season of the year.

R. W. Dilday of Wichita Falls, spent a few days in the city the first of the past week, a guest in the home of Judge and Mrs. R. T. Thornton. As a town, Mr. Dilday said, Winter exceeded his expectations so much that he was very favorably impressed with the city.

Messrs. Wiley Rainwater, Barney McCasland, K. D. Peterson and Clyde Briley made a business trip to New Mexico the past week.

No "dapper bandit" holds his own until his clothes are out of style.

Mrs. W. R. Johnson and Miss Lillie Belle Ivey are up after a week's illness of the flu.

A rubber ball bounces, but it comes down. And rubber prices don't.

Industry is Doing the World's Work

—The people who know most about industry are those who are in industry. In addition to knowing about industry people who are in the public service industry know about the interest that all the rest of the people have in that industry.

—The public utility industry—for instance the service of West Texas Telephone Co., is peculiar in that it can do well only as the people served by it do well. It is an essential service, and experience has shown that an industry which is affected with a public interest serves well only through co-operation between the service and the people served.

—The spirit of co-operation for the benefit of both the service and those served is the spirit that inspires this company to look always to the welfare of its customers and of the community it serves.

West Texas Telephone Company

DODGE BROTHERS TYPE-B SEDAN

Unquestionably, the most compelling tribute to the car's stamina is its widespread use by farmers, ranchmen, surveyors, salesmen and others who travel isolated roads in all sorts of weather.

These men will tell you that a good polishing restores the durable finish to its original brightness after the car has been caked with mud for weeks.

To them it is a matter of vital importance, too, that Dodge Brothers powerful starter functions promptly after prolonged exposure to the cold.

Nor is any group of owners more constantly impressed by those elements of excess value which characterize not only the Type-B Sedan itself, but every car that Dodge Brothers build.
