City's Pastors In Plea For Sunday Observance

Long-Time Bonds Is Solution To Finance City's Needs

PROPOSITION AS OUTLINED WILL REDUCE TAX AND MAKE PAYMENTS EASY

In looking over the books of the city of Winters we have compiled the following statement of the city's financial affairs for the purpose of showing the necessity of holding an election to convert the city's short time warrants into 40-year bonds. At the time these warrants were issued that appeared to be the only way of solving the city's problems, but now these short time warrants are becoming burdensome and the only way out appears to be to convert them into 40-year bonds which will materially reduce the tax rate necessary to care for them, or will allow some latitude for further progress. We are frank to say we approve of the present administration of the city's affairs, but we also believe they need more latitude for further development. Following is a list of the bonded indebtedness of the city and the purpose for which the bonds were voted or warrants issued:

In 1911 \$16,000 water works bonds were voted, to run forty-years and bear 5 per cent.

In 1915 \$5,000 water works bonds were voted, to run forty-years and bear 5 per cent.

In 1922 \$30,000 water works bonds were voted, to run forty-years and bear 6 per cent.

In 1924 \$49,500 sewer bonds were voted, to run forty-years and bear 6 per cent.

All these bonds required a tax rate of 53 1-2 cents.

Here is a list of the short time warrants which it is proposed to convert into forty-year bonds:

In 1922 \$40,000 street paving, 6 per cent.

In 1923 \$45,000 street paving, 6 per cent.

In 1923 \$2,500 water works, 6 per cent, for repairing spillway wash outs.

In 1924 \$3,750, new fire truck, 8 per cent.

In 1925 \$2,800, filter for disposal plant, 8 per cent.

In 1925, \$1,000, payment fire hose account with interest.

In 1925 \$1,000, general fund to run city government, 8 per cent.

In 1925 \$5,000, payment on farm where disposal plant is located, 10 per cent.

In 1925 \$9,751.20, balance due on farm, 8 per cent.

The total of these short time warrants require a tax rate of \$1.19 each year on the \$100 valuation to meet principal and interest each year for the next six years. To convert these short time warrants into forty-year bonds requires a tax levy of 20 cents on the \$100 valuation, or cuts the tax rate from \$1.19 to 20 cents, thus enabling us to vote more bonds with which to secure permanent and adequate water supply.

Howard Faulkner, who is attending the Baylor School of Pharmacy at Dallas, writes the home folks that he is well situated in the big city and is working on his courses right along now.

Class Takes Census For the C. of C.

Through the courtesy of Prof. A. H. Smith and the class in Civil Government of the Winters High School, the class took a house census of the city Wednesday. It was a nice piece of work and the co-operation of the school with the Chamber of Commerce is very much appreciated and this particular piece of work and class is to be complimented.

The census is to be used as a mailing list by the C. of C. in delivering to each house in the city a little card upon which is printed advice to peddlers and agents that the occupants of the dwelling "live and buy their goods in Winters" and asking that said peddlers and agents in making their canvass "pass up this house."

Winters to Have Modern and Improved Postoffice

The Postoffice Department has been considering proposals from different property owners in which to house the local postoffice for some two or three months past and have finally decided to accept the proposition made by Mr. J. W. Tanner to use a part of the building now occupied by the J. W. Tanner dry goods store, and it is now planned to move the office to this building on or before January 1.

The equipment is to be modern in every respect and when installed will give us 250 more boxes than we now have.

The following letter, accepting Mr. Tanner's proposal, was received here and gives some idea of the new equipment which is to be installed:

"Washington, Oct., 1.—Mr. J. W. Tanner, Winters, Texas. Sir: Your proposal under date of Sept. 10, 1925, to lease for postoffice purposes the quarters described, for the period stated and at the rental specified, is hereby accepted, subject to the provisions of the form of lease used by this Department.

The contract will include a complete equipment of fixtures, furniture and boxes for the use of the postoffice, also parcel post, postal savings, city and rural delivery furniture, if necessary, satisfactory heating and lighting fixtures, heat, light, power for electric fans, and water, and a good fireproof safe with burglar resisting chest.

A representative of the Department will supervise the equipment of the quarters and on the receipt of his report that they are in proper condition, a lease will be prepared and sent to you for execution. Sincerely, —Chas. Trotter, Acting First Ass't Postmaster General.

Baptist Bible Class Give Barbecue

As a result of a contest in the Men's Bible class of the First Baptist church between the "white and blue," which came to a close November 29, resulting in a defeat for the blue's, a barbecue was given at Tinkle Park last Sunday immediately after the morning service.

Invitations were sent out to all the members of the class and their families, superintendent of the Sunday school, superintendents of the departments, the pastor and family and Mr. J. L. Galloway and family and all together there was about one hundred and twenty-five present.

Barbecue, pickles, rolls, cake and ice cream were served and everyone enjoyed the fast which was bountiful.

Thorobred Cotton-breeding Industries

Announce to the parties who are growing stalks in the contest inaugurated by them in which premiums are to be paid for the best stalks, that the contest will be held as stated in last week's Enterprise at the Runnels County Fair at Ballinger, October 14th, between two and six o'clock, p. m.

Mr. C. W. Lehberg, County Agricultural Agent, who agreed at the beginning of the contest to act as judge or to supervise the judging, requests that the judging be done at the Fair on Wednesday as cotton experts will be available to render accurate decision in the matter.

Premiums as originally announced:

\$50 for the best three stalks.

\$25 for the second best three stalks.

\$15 for the third best three stalks.

\$10 for the fourth best three stalks.

Attach your name to your group of stalks in sealed envelope, and if you cannot take them to the Fair yourself, bring them to our office and we will take them for you. Checks will be delivered to the winners immediately after judging.

Crew Cotton Pickers Gather 9 Bales Day

Our good friend, John McNeil was in the office one day the first of the week and told us of a crew of fifty negroes who were gathering the cotton which is on his place, which is farmed by L. S. Proctor, who resides some 12 miles west of town, which makes quite an interesting little story.

Mr. McNeil said Mr. Proctor secured the crew from J. R. Turner, who was waiting for his cotton to open for the second picking. The

A Heavy Week At Local Gins

One of their number was the boss of the entire crew and also does all the weighing, and all the owner has to do is to furnish trucks and drivers to haul the cotton to the gin. The crew gathers nine bales per day and it takes three trucks to haul the cotton to the gin, and if the truck drivers waste any time in town they find their cotton on the ground waiting for them when they return, but if the schedule is maintained the cotton is placed in the truck for them.

Mr. McNeil stated that the crew did the work thoroughly and not a lock of cotton was to be found scattered on the ground after this crew had finished. He also stated that all this cotton was being ginned and marketed in Winters.

Dr. James H. Craig and wife left Thursday for Dallas where they will visit their daughter, Mrs. Jno. A. Madole, and attended the chiropractic convention and Dallas Fair. They expect to return Monday.

Miss Mary D. Taylor left Thursday for Dallas, for a visit with her friend Mrs. Jno. A. Madole and attend the Dallas Fair.

At Their Best

Local stores are now at their best—resplendent with beautiful and varied displays of Autumn merchandise. Shelves and counters are loaded down with the finest and largest displays of new and seasonable stocks ever offered for the consideration of the good people of this great, prosperous community. All the necessities that arise with the approach of cool weather may be adequately and economically satisfied in Winters.

The various lines of merchandise are full and the stocks are up to the minute in style and quality. Prices are as low and in many, many cases much lower than in city stores.

Farmers are learning that this is a mighty good place to market their produce and farm products. Local concerns pay the very top cash price for produce, and patrons are assured prompt, satisfactory service.

Come to Winters! Go through the stores, see the new Autumn merchandise and get the prices. That will convince you.

The Blizzards 11 Meets Coleman 11 In Battle Today

The Winters Blizzards meets the Coleman 11 this afternoon at Ashley Park. This will probably be the stiffest game of the season. Both teams are in excellent condition with the exception of some low grades made by some of our players. Most of them can be made up however, which will mean that we will be able to play our first string men. Coach Smith stated that Coleman's team is not as strong as it was last year but we would have to put up a strong fight to beat them. The following is the probable line-up for Winters:

Name and pos.	No.	Yrs on team
J. Vancil, LE	3	1
J. G. Key, LT	10	2
B. Anthony, LG	23	2
Nance, C	13	2
D. Barber, RG	15	1
Knight, Cap, RT	1	3
Bartlett, RE	18	1
Phillips, RHB	2	3
Robertson, QB	8	2
Fields, FB	4	3
Bailey, LHB	12	3

Friends will be pleased to learn that Mr. J. E. Farrow, secretary of

CITIZENS ASKED TO FOREGO MANY GAMES NOW ENGAGED IN

To Every Citizen of Winters and Surrounding Territory:

We, the members of the Pastors' Association of Winters, request you to read the following letter, which we most respectfully address to every one of you:

Believing that the general desire of our people is for the best interests of our whole community we appeal to you to give careful consideration to these statements.

Since we believe that our people will be happier and also more moral in life, that the approval of God will be upon all of us as a people if every one of us remembers the sabbath day, to keep it holy, therefore we respectfully appeal to each and every one of you to truly remember the sabbath day to keep it holy. We believe that the approval of one's own conscience, the consciousness that one has been true to one's own convictions will be added to the other blessings which will result from this obedience to the commandment of God.

Therefore, we kindly and respectfully appeal to all to keep all places of business closed on Sundays.

Likewise we appeal to every one not to buy anything on Sundays, unless it is providentially necessary. Also not to attend Sunday baseball, or golf or other like amusement on Sunday.

We also appeal to all of you that in so far as you can do so that you

This is your chance to get Delco-Light at a big saving

Mrs. Dixon spoke of the aim of T. A. this year, which was very high indeed, and especially did she urge the co-operation of the parents of Winters to help make our association at least seventy-five per cent.

The membership of the P.-T. A. of America now is 900,000 and the aim is to reach one million by this year. Just think of the money for membership alone, going into our school work, to say nothing of the extra giving and service of a million mothers. Mr. A. H. Smith spoke of our many needs at this time, and I'm sure every mother heart present wished it were in her power to supply that need at once.

The most soul stirring talks of all, was the one by Rev. Hal F. Smith, as he spoke of the lack of intertainment and places to intertain our boys and girls, and the fact that outside of Sunday school there was nothing but picture shows and skating rinks for them to go to.

I at once thought—Our Lions Club is made up of mostly married men, so is the Chamber of Commerce. Our two women clubs are nearly all married women. If we have any kind of social, it is nearly always married people—receptions, same way. What is Winters going to do about our boys and girls? Are the fathers and mothers going to have all the socials and banquets, or are we going to wake up to the fact that we have young people just longing for some where to go and something to do?

Come, we with us on next Tuesday at 4 o'clock, October 6. This is a business meeting.

Aged Man Has Leg Amputated

Last Wednesday at the local sanitarium, Mr. R. B. Loflin of Hyton, aged 76 years, had his leg amputated. Gangrene had set up in his foot which necessitated the amputation of the limb.

ceferly tries to live up to the spirit of this law of God.

"If thou wilt turn away thy foot from the sabbath, from doing thy pleasure on my holy day; and call the sabbath a delight, the holy of the Lord, honourable; and shalt honor him, not doing thine own ways, nor finding thine own pleasure, nor speaking thine own words:

"Then shalt thou delight thyself in the Lord; and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob thy father; for the mouth of the Lord hath spoken it." —Isaiah 58:13-14.

HAL F. SMITH, Pres.,
H. H. STEPHENS, Sec.,
A. H. CLARK,
GID J. BRYAN.

E. T. Gore Injured At Blackwell Gin

Mr. E. T. Gore of Blackwell, is in the local sanitarium suffering from a very painful accident which happened at the gin at that place. In some way he was caught in the press and injured about the neck and shoulders. It was thought at first that his neck was broken as the X-ray examination showed a slight deformity of the bone.

The last reports were he was resting as well as could be expected.

City Water Is Perfectly O. K.

We have heard the report that some people have left Winters on account of the drinking water. This is all a false alarm. There is no need to be afraid of the city water, according to City Health Officer Fred Tinkle, as it tests perfectly O. K.

Carroll Neely Making Good Record at John Tarleton Col.

The following was received in the mail yesterday and while note of this honor had been mentioned before, the account is fuller and mentions other honors won by Carroll Neely, hence we are giving the item space:

"Carroll Neely of Winters, Texas, has been appointed lieutenant-colonel of the cadet corps, the highest office a student may attain in John Tarleton Agricultural College.

Neely came to Tarleton as a junior last year and soon became very popular with his fellow students. He won a watch offered by one of the Stephenville business men to the best all-around student. His scholastic average for the year was 88.3. But he did not devote all of his time to purely literary pursuits, being also a valuable member of the football squad. His quiet sincerity won him the respect of students and faculty alike. This summer he made an excellent record at the R. O. T. C. camp which he attended.

"Tarleton is indeed fortunate in having such a worthy young man at the head of her cadet corps, and Winters may be justly proud of him."

Take a day off and visit Runnels County Fair.

Miss Louella, who is attending in Simmons University, spent the week-end with homefolks.

BOX SUPPER

There will be a box supper at Antelope Saturday night, October 10. Everybody is invited to be there.

Mr. and Mrs. E. V. Hays and baby Katherine, spent Saturday and Sunday in Brownwood, guests in the home of her parents' Mr. and Mrs. R. N. Rutledge.

Everybody is going to Runnels County Fair.

Justice must not "play favorites."

Largest Crowd In History of Town Here Saturday

The largest crowd in the history of Winters thronged the streets and stores here last Saturday, and all lines of business were rushed all day and till late that night. Practically every business house in town reports the best business ever experienced here. We are expecting the peak of the fall business yet to come when the days begin to get cooler and the Winter merchandise begins to move in earnest.

Paul Holcomb, who was called to Belton last Monday to be present when his mother was operated on in that city, phoned friends here Wednesday that his mother stood the operation well and is doing as good as could be expected. Paul's many friends here will be glad to learn this bit of news and will hope his mother many be restored to her usual health at an early date.

Raymond Cooke, who has been quite ill for some three or four weeks is, we are glad to state, able to be up and about and it is now thought he will soon be fully recovered.

Mr. and Mrs. H. A. Long and children of Amherst are visiting in the home of his sister, Mrs. D. E. Bartlet.

Mr. and Mrs. W. P. Gardner spent Sunday in the home of Mrs. L. R. Brookshire near Ballinger. Mrs. Brookshire is an aunt of Mrs. Gardner and the occasion of the day was the celebration of her birthday.

Mr. and Mrs. J. R. Hill of Abilene were guests in the home of Mr. and Mrs. Geo. C. Hill last Sunday.

Time waits for no man, but time payments often do.

Col. Mitchell seems to be the War Department's porcupine.

Order your fall suits now from Carl Davis.

CARD OF THANKS

Joined by Raymond, who is recovering from a four weeks illness, we take this method of thanking our many friends who were so kind and thoughtful of us during these days of affliction. The many beautiful flowers and deeds of kindness will ever be remembered by us, and we hope some day to be able to show just how much we appreciate our friends.—J. R. Cooke and family.

Mr. and Mrs. W. A. Baker left yesterday for Southland, Texas, where they will visit for about a month with friends and relatives. Here's hoping Mr. and Mrs. Baker have a most enjoyable trip and a safe return home. Mr. Baker called at this office yesterday and left instructions to have the Enterprise come to him at Southland while on his visit.

A. C. Harrison, W. B. Hodge, Charlie Hodge, F. W. Riddle and family and Martin White returned Wednesday from a prospecting trip at Littlefield. We understand some of the party bought land in that section.

These Oxford Bags also show which way the wind is blowing.

This is your chance to get Delco-Light at a big saving

Now for the first time you can equip your farm with electric light and power, buying on the Co-operative Plan. You can get, at a remarkably low cost, all of the conveniences, comfort, safety and labor-saving of electricity. You can make your home a better, brighter place in which to live and work. You can ease the burdens of the women folks. You can save labor and increase profits for yourself. You can get Delco-Light, the world's standard farm electric plant, at a big saving.

Co-operative Buying

I am arranging for the shipment of a whole carload of Delco-Light Plants direct from the factory at Dayton to the farmers of this county.

By placing this quantity order and having the whole carload shipped direct, I can make a big saving. I can make a further saving by handling all the installations in one group. And I can offer other inducements that make this a remarkable opportunity to buy Delco-Light.

Better Light—Cheaper Power

Delco-Light will give your home all the electric light you can use.—clean, safe, bright electric light whenever and wherever you want it at the turn of a switch. And it will give you power too,—

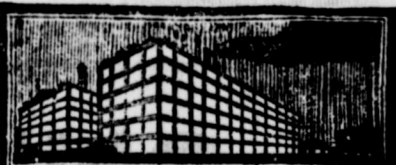

smooth, quiet, economical power that will pump, milk, separate, churn, wash and sweep for you. Your home will be brighter, more cheerful, more comfortable—a better place to live in. And you can get all of this now at a remarkable saving in cost.

Now Is Your Chance

I want to send you the full details of this Co-operative Carload Buying Plan. I want to show you just why you can save in buying Delco-Light now, and just how you can save. I am ready to lay the full details of this remarkable offer before you without obligating you in any way. Just write your name and address on the coupon, clip it out and mail it to me today.

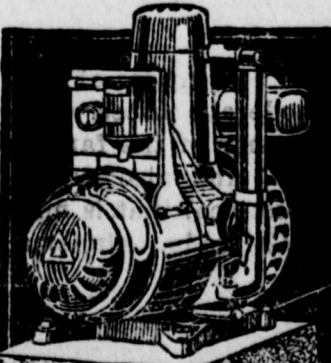

JOHN W. YOUNG, Dealer

Winters, Phone 63 Ballinger Phone 7
Box 380, San Angelo, Texas

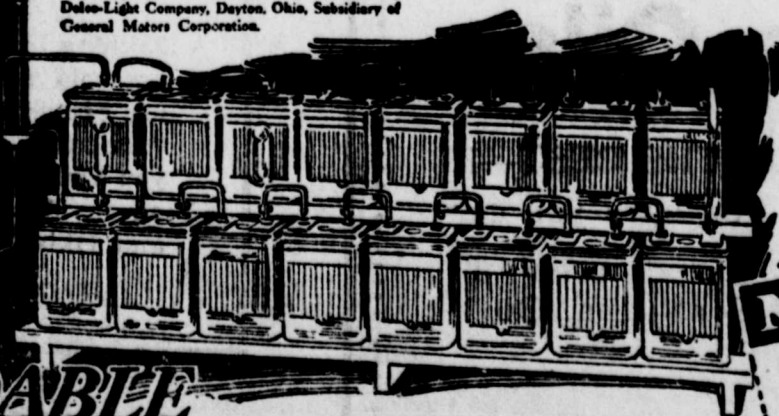

Notice!

The Delco-Light Plants referred to in this special offer are standard Delco-Light Plants, fully covered by the regular guarantee as to material and workmanship, and fully protected by the liberal Delco-Light service policy. Each plant has the famous 4-cycle, air-cooled, valve-in-head Delco-Light engine, and the thick-plate, long-lived Delco-Light Storage Battery. Anyone purchasing a Delco-Light Plant as a part of this special carload order is assured of the same satisfaction he would receive in placing his order individually.—the same satisfaction now enjoyed by 225,000 Delco-Light users.

Delco-Light Products are Made and Guaranteed by Delco-Light Company, Dayton, Ohio, Subsidiary of General Motors Corporation.

Insane Man Kills Self In New County Jail

Ballinger, Oct. 8.—Rufus Purcell, who was placed in the insane ward of the Runnels county jail here on September 30th, was found dead Saturday morning when a relative called to see him.

Purcell had been living on a farm near Bronte this year where he was making a crop. His mind became unbalanced some weeks ago, and C. G. Grumbles, a double cousin of the unfortunate man, took him to his home and cared for him until September 30th when Purcell was brought to Ballinger and confined in an insane cell of the county prison. Mr. Grumbles lives on a farm ten miles northwest of Norton and is the only relative that Purcell had in this section of Texas.

Purcell was about 26 years of age and single, and had only been in this part of the state a short time.

Mr. Grumbles came to town early Saturday morning to see Purcell and learn what could be done for him. He went to the jail and together with Mrs. R. E. McWilliams, the sheriff's wife, went to the second story of the prison where the insane man was being confined. Arriving at his cell they found Purcell lying on the floor with a white cotton rag twisted about his throat. Upon investigation it appeared that he had been dead for some time. Dr. W. B. Halley was summoned, and after an inquest a report of suicide by strangulation was made.

ROBBERY NETS MAN 9 CENTS GETS 4 YEARS IN PRISON

Far Worth, Tex., Oct. 6.—P. J. Juneau, 35, whom a robbery netted nine cents, drew two sentences of two years in the penitentiary in criminal court today Juneau, who escaped from the Louisiana state penitentiary in 1918 while serving a term for house theft, is also wanted at Breckenridge for robbery under the name of Walker.

We are sorry to report Mr. B. F. Latham on the sick list this week.

Mr. and Mrs. Loyd McCarty and little daughter of Abilene were visitors in the home of her parents, Mr. and Mrs. D. E. Bartlett the past week-end.

Mrs. William Stevens returned to her home last Friday after a pleasant visit spent in Austin, Salado, Belton, Killeen and Brownwood.

Bigger and better than ever—Runnels County Fair.

NOTICE

From the Cemetery Association:

Another fiscal year has passed and the paying of dues is again in order. We are sure you appreciate the work that is being done by our organization and we feel like you will cheerfully seek out one of our collectors and pay your pro rata part so that our cemeteries can be kept clean and beautiful. Please do so.—Mrs. M. L. Owens, President and J. I. Goffy, Caretaker.

failed to kick the goal. A. Neely put in for Vancil.

Baird chose to kick and Phillips caught the ball on the 20 yard line and returned it five yards. Bailey was thrown for a loss of 3 yards. The Blizzard interference broke the Baird defense and Fields made 15 yards around right end. Phillips gained 5 yards through left tackle. Phillips gained 4 yards around right end. Bailey gained a yard through right tackle. The next two plays totaled 22 yards when Phillips gained 12 yards around left end and Fields 10 yards around right end. Both plays were aided by almost perfect interference. The Blizzards again tried a pass but it failed. Fields gained 7 yards around right end and 12 yards on the next which gave the Blizzards their second touchdown. Fields did not kick the goal. The visitors chose to receive. Fields kicked to Baird 25 yard line but it was returned to the 35 yard line. They tried their old play around right end but the Blizzards cracked their interference and they were thrown for a 4 yard loss. They tried to pass but it was intercepted by Fields who returned the ball to the 35 yard line. Bailey made 20 yards around left end. Phillips made 10 yards around right end. The pig skin was on the 5 yard line when the half came to a close.

The Junior band furnished a concert during intermission and the pep squad gave some yells. The Blizzards came back on the

field with plenty of pep. Fields kicked to Baird's 30 yard line and they returned it to the 35 yard line. Baird fullback made 5 yards around left end. They were thrown for a loss and they punted on the next play, to Winters 35 yard line. Baird was penalized 15 yards on the play which gave Winters the ball on Baird's 28 yard line.

Bailey gained 12 yards around left end. Fields fumbled but recovered the ball and lost 3 yards. Bailey gained 8 yards around left end. Phillips gained 6 yards around right end. Fields plunged through left tackle for 1 yard. The ball liked a little going over and Phillips carried it across for the third touch-

SOPHOMORE CLASS ORGANIZED

The Sophomores organized yesterday and elected the following officers: Miss Kilgore, Sponsor; Truett Barber, President; Verdis, Riordan, Vice-President; Mamie Moran, Secretary.

With this group of officers the "Sophs" are looking forward to a great year.

JOKES

Mrs. C. R. Smith—"What does this powder on your coat mean?" Prof—"Trouble, my dear, trouble."

The other day Auburn heard a pretty good conundrum and he decided to try it on Miss Barber.

"Do you know why I am like a mule?" he asked her. "No," she replied, "I know that you are, but I don't know why you are."

Myron says that there's no difference between Spanish and English except that the greezers mispronounce their words.

The naked hills lie wanton to the breeze, The fields are nude, the groves unfrocked, Bare the limbs of all the shameless trees; No wonder that the corn is shocked.

Mr. Robertson—"What do you mean by chewing gum in my class that way?"

Joe V—"Well, I'm only a ama-chewer."

Little girl (from Miss Dunn's room) to library assistant—"I want some fairy tales."

Brooksie—"Go 'long kid, you can't fool me, fairys ain't got any tails."

Miss Ruth—"Define Soluble and insoluble."

Williams—"The small and large intestines."

Miss Mitchell—"Name three races of people of North America."

Chester—"Auto races, bicycle races and horse races."

CARD OF THANKS

We desire to express our love and deepest appreciation to our many friends who so faithfully and lovingly gave assistance and comfort during the sad, lonely hours of illness and death of our loved one.

Our sincerest prayer is that you shall not soon come to such a sad hour as has been ours, yet if such should come to you we long to be

WINTERS, TEXAS

[THE FOUNDATION OF OUR BUSINESS]

Listen Folks: This is not a blood and thunder, crash and knock-down event, neither is it a mere sale of selling more goods, or making more money, but it is our annual event to express to our customers our appreciation for their splendid patronage and good-will, and is a celebration in every sense of the word.

Six years ago, exactly to the date, 9th of October 1919, we opened our store in Winters, on dry goods boxes, and today we operate five large up-to-date stores.

Winters is the place we have laid our foundation and from it has grown an organization that we are really proud of, and on this date, the 9th of October will always remain a pleasant and happy memory in our mind. We contribute our success to the confidence the people of Winters and surrounding territory have placed in us, and we have tried to merit this confidence and loyal patronage given us, by giving at all times value for every dollar spent with us, and being fair with all. We have sold only quality and dependable merchandise, that has given satisfaction, and the patronage accorded us, and our growth and expansion is a proven fact that satisfied customers is our greatest asset. In this sale we are not going to quote you any prices, because space will not permit us to do so. You may take our word that you come fully assured that you will find greatest values we have ever given.—A. KRAUSS.

Extra Event

Friday morning at 9 a. m. we will give away FREE the following ten items. Be at the door at 9 a. m.

- 1 Ladies' Dress Pattern.
- 1 Men's Hat.
- 1 Pair Ladies' Silk Hose.
- 1 Men's Dress Shirt.
- 1 Ladies Hat.
- 1 Child's Dress.
- 1 Ladies' House Dress.
- 1 Boys' Cap.
- 1 One Dollar Bill.

PEP

A roar of overjoyed voices rang out at Ashley Park last Friday. When that victorious game was over may glad hearted students composing the pep squad marched through Main street announcing the victory with the pep songs and yells.

What is pep? It is that great enthusiasm which is conveyed by the students love and loyalty to his school. Pep determines largely the character of your school it tells what you are, your attitude toward social activities, as well as athletics.

Pep is an important factor in the winning of a game. It causes the players to realize they are fighting for their school and will therefore fight harder.

BROTHER BRYAN CONDUCTS CHAPEL WEDNESDAY

Brother Bryan gave a very interesting lecture in chapel Wednesday. His subject was "Do we own our body?"

"Do you rule your body?" asked Brother Bryan. Or does it rule you?"

Brother Bryan insisted in a convincing manner that every boy and girl should be master of his body to make it beautiful, since it is the temple wherein God seeks to dwell. He showed how the body is the medium through which we reveal the highest and purest thoughts of life, and urged that it be kept fine and pure. To do this we must master of the body, letting the spirit of truth be master of us.

SHEPPERD AND OWENS OFFER PRIZES TO SCHOOL

Mr. E. A. Shepperd is offering a splendid fountain pen to the high school student who writes the best theme on "Fire Prevention" this week. Mr. B. G. Owens is offering a similar prize to the best theme on that subject from the grammar grades.

The school is observing "Fire Prevention" week by fire drills also.

It is commendable that the business men are constantly showing interest in the community and school by emphasizing phases like these through our schools. The prizes create competition and enthusiasm and are highly appreciated by the school.

FIRE DRILL

Winters High School is coming to the standard by learning a new fire drill.

The signal is from six to eight short rings of the regular study hall bell. Students in class will take books used in class and will march down stairs orderly. Those in the study hall will march down according to their every day method. Classes will remain in one group when out upon the school grounds. We will not practice getting wraps until the method of marching out orderly is accomplished well.

On Wednesday morning during the third period the fire signal was sounded and the fire drill carried out in a successful way. The high school was forty-five seconds marching down the stairs orderly. Vernon B. took the signal serious and carried everything in his reach down stairs, including two tennis rackets, his cap, an armfull of books and an umbrella.

FOOTBALL IN THE MAKING

There is some real excitement on the campus before school and at noon each day. The little fellows have organized a football team and they meet in a hard battle. Their teams attract about as much attention as a regular game. Their formations are crude but they have the idea and some day their team will make an eleven that Winters Hi will be proud of.

WINTERS TRIMMED BAIRD 18-0

The Winters High School Blizzards won an 18-0 battle against Baird Hi. here Friday. Baird made a nice start but were held in check after the Blizzard machine began working. The boys went into the game with determination to win and fought like they never had before. Winters made 19 first downs while Baird made

none. The strong pep squad helped the team put over a victory. They stood on the side-line and gave encouragement to the team. The Winters Junior Band was also present and helped to put over the victory. Edwards appeared in the backfield as quarter and did good work until he was hurt. Most of the plays made by Baird were simple line plays while those of Winters included many fake plays.

Baird kicked behind Winters goal line and the ball was returned to the 26 yard line. Fields went through left tackle for three yards, Phillips gained two yards around right end. Fields then punted to Baird 45 yard line, but it was returned to Winters 47 yard line.

Baird made 9 yards around right end on the first play. They were thrown for a loss of four yards on the next play. Baird tried two passes

but they failed. They punted behind the Blizzard goal line and the ball was placed on the 26 yard line.

Phillips gained 3 yards around right end. Bailey broke through the Baird line for a 7 yard gain. Phillips started things again with a three yard gain around right end. The Baird defense grew compact and one of Fields big smashes netted only two yards. A pass was then tried, but it failed. Fields punted out of bounds on the 55 yard line.

Baird again started nicely with a 6 yard gain. Baird's left half back fumbled the ball and Phillips covered it.

Phillips gained 2 yards around right end. Fields smashed through Baird's entire defense and made 20 yards before he could be stopped. Bailey, tried around left end, but there was no gain. Phillips gained 6 yards around right end. Fields followed the example, made 8 yards through the same hole. Bailey again tried left end but there was no gain. Fields again went around right end

which put the ball 13 yards closer to the goal. Bailey made 5 yards through left tackle. Fields made 7 yards around left end. Bailey went through left tackle for 8 yards. Edwards was hurt on the play and was replaced by Robertson. The ball liked about a foot going over the goal line and Phillips carried it across. Fields

Chiropractors' Answer Medical Doctors

Doctors' Statement No. 1—Accuse chiropractors of making false statements.

Answer.—Why don't they prove it and collect the \$500.00 reward offered?

Statement No. 2—Ignorance the only bar to license.

Answer.—If so, why do doctors fight every attempt to enact a law that will establish an educational standard for chiropractors on the same basis as has been established by the legislative bodies of thirty-two other states?

Statement No. 3—A competent man can get a license from any state medical board in the U. S.

Answer.—The writer has a chiropractic license from the state medical board of another state and will wager \$500.00 that the state medical board of Texas will not recognize this license and issue a similar license to practice in Texas, as they do for their medical friends. Prove this statement false if you need \$500.00.

Statement No. 4—They tell you that the law protects the people by requiring that every one be thoroughly competent to diagnose and treat diseases of the human family.

Answer.—If you believe this statement, try to enact a law to make doctors liable for damages in every case of wrong diagnosis and wrong treatment and see how they will fight it. Example, in Denver, Colorado a bill was presented to hold doctors liable for damages in case an operation was performed for appendicitis when it could not be shown that the patient had appendicitis. Doctors gathered from all parts of the State to fight it, claiming it absurd. The most noted surgeon of Denver said that there was not a doctor in Colorado that could be sure of their diagnosis and would not be willing to operate and take such chances.

If you could hear the pleas of suffering humanity for help after being diagnosed by a dozen or more different doctors and treated for a dozen diseases that they did not have, and how it had cost them hundreds and thousands of dollars without relief, and then hear some of these same people tell what chiropractic has done for them, you could readily see that our present law is made by doctors, and offers the public no protection whatever against incompetency. If the dead could tell tales there would be no need of telling you that nearly every one who has died had medical attention.

Statement No. 5—Seven years training required of medical doctors.

Answer.—This is a false statement, the law does not require it. Have they told you that when the present law was enacted that every doctor in practice got a license without examination, and that most of them had but two years in school, many had but one year, and some never saw a medical school at all? Of course that is not to be told. Most of these doctors are still in practice, and are the ones who complain the most about chiropractors.

AROUSING PREJUDICE

Their statement regarding widely scattered patients of chiropractors, (who tried medical doctors first) and about the qualifications of chiropractors etc., were made to create prejudice among the people. As to the farmer or barber becoming a chiropractor, we can see no disgrace in being either and it reminds me of my impression of who become medical doctors. The writer once heard fond parents discussing what would become of Ralph (the boy's name) they agreed that he could not, or would not work at anything, so they decided that the only thing they could do was to make a medical doctor out of him, which they did.

We suggest to the doctors that the best possible way to rid Texas of chiropractors is to cure their patients and make chiropractic unnecessary.

People want chiropractors, and need them, and we have faith that they will stand for their constitutional rights to have the doctor of their choice when sick. More next week, watch for it.

NOTE—The writer of this article has a very personal reason for his defence of this profession of chiropractic as when he was first introduced to the science he was totally blind and suffering from one of the so-called "incurable" diseases "vis" Sugar Diabetes, his cure was complete and permanent at the hands of these self same chiropractors nearly 20 years ago.

"THE TEN COMMANDMENTS"
 Cecil B. De Mille's Greatest Paramount Picture
 STORY BY JEANIE MACPHERSON

The Mightiest Dramatic Spectacle of all the Ages

WITH THE METHODISTS

The regular services of the Methodist church will be observed next Sunday.

Sunday school 9:45 a. m.
 Preaching service 11 a. m.
 The Senior, Junior and Intermediate Leagues will meet at 6:45 and preaching service again at 7:45.
 The pastor will preach tomorrow morning and evening and all are cordially invited to be present.

Roll Call of Epworth League

The Senior Epworth League had a roll call service last Sunday evening. The program was led by Mr. Deffebach. The secretary called the roll and each member answered with some scripture or other quotation on friendship. Good talks on the subject of friendship were made by leader and president.

Young people, come and be with us.

Progress in the Methodist Sunday School

The Methodist Sunday school is pushing rapidly forward with its work. The percentage of attendance and the interest in the work have substantially increased. Sunday, September 27, was observed as promotion day and last Sunday, October 4, the officers and teachers for the year were installed in a very impressive service led by the pastor.

In the adult department there has been a race to New York City, a distance of 1800 miles. This race has been watched with interest by all in the Sunday school. Last Sunday the class of men, taught by M. Paxton, succeeded in reaching the city and had several miles left to see in sight seeing. This race has not only increased the membership of the department but has created a new and better interest.

All who are not connected with a Sunday school, come and be with us next Sunday. We need you and you need us.

Funny Paper Party

The girls of the fourth year of the intermediate department of the Methodist and Baptist Sunday schools met in a joint social gathering last Friday night. They met in the Alexander ware house and the identity of each girl was lost in that of her favorite "funny paper" character. Maggie was there with her rolling pin and Jiggs was placed in several awkward positions but no serious damage was done. Lillie and Bubbles were just as conspicuous with their vanities as in news paper life. Many others of international fame were present, and it was indeed a hilarious occasion.

Before parting all went to Dinty Moore's Restaurant and no one dared order anything but corned beef and cabbage because nothing else was on the menu card.

NOTE—The Baptist notes carried in another part of this paper were for last week's paper.

*Germans are wearing clothing of artificial silk made of wood pulp. It may be possible yet to make silk purse out of a sow's ear.

Jimmy Walker of New York, it appears, is also some runner.

The dreams of Abd-el Krim are rapidly turning to nightmares.

PAINS ALL OVER

Lady Says She Took Cardui and Never Saw Such Improvement—Was So Weak Couldn't Stand.

Weatherby, Miss.—Mrs. James M. Hall, of this place, writes that she was "getting weaker all the time" when Cardui, the woman's tonic, was first brought to her attention. After she had taken Cardui a while, she writes that she "never did see such an improvement."

"I suffered all the time and had pains all over," says Mrs. Hall. "I was so weak I could not stand. My skin was cold and flabby. I did not have any color. I had always been a very active woman—used to outdoor exercise, walking and going where I pleased, and to get down, not able to get myself a drink, was indeed a hardship."

"Nothing seemed to help me, till I began on Cardui. The first bottle seemed to strengthen me, and I sent for five more. By the time I had taken these, I was on my feet, going around, doing my work, gained in health and strength."

"I took two more bottles, and I am well and strong. Can work my garden." I haven't had any more sickness."

Ask your druggist. NC-165

To the Patrons of the Winters Public Schools

One month of school has gone by. The report cards for the first month have been issued. The grades were very low. This fact is as disappointing to us as it may be to you. But we account for it in several ways.

The teachers are instructed to grade closely. Last year practically all the criticism we received from the State Department of Education about our affiliation was that the papers were graded too loosely. We do not want that to be the case this year.

Then a number of poor grades were made on account of irregular attendance. We hope the attendance may be better this month than last. We know that labor is very scarce and the demand very great also we know that a child cannot do good work in school if he or she is not present most of the time.

Also some of the pupils are new with us, and some of the teachers are new. Both teachers and pupils have had a good deal of getting acquainted to do. That should not be the case any more.

Much re-arranging has had to be done on account of large classes. This has caused some loss of time.

Then when all the possible reasons are offered we believe that most of the children could study more and thereby make better grades.

Your teachers are working faithfully. It is the earnest desire of every teacher to do a good part by every child in school. You can be of great service to them along the way.

Say a word to encourage your child. If possible visit the school. If you will keep posted on what we are trying to do we are sure we have your co-operation. Yours truly, A. H. Smith, Supt.

A world series is a mighty attraction.

Pumphrey School Opened Monday

The Pumphrey school opened last Monday with a large enrollment and a number of visitors at the opening exercises. Mr. and Mrs. J. J. Grace and Miss Barber constitute the faculty. A real good school is predicted for the year under the leadership of the Prof. Grace and his assistant.

Misses Mary D. Taylor, Bonnie Davidson, Vivian Cobern, Mida Collinsworth and Mr. Charles Dorsett were in Abilene last Tuesday.

RUMMAGE SALE

A rummage sale will be given by the ladies of the Methodist church, Saturday, October 17, near Forbus Wagon Yard or on South Main. Send all articles to the church Friday and those who can't send them call Mrs. T. V. Jennings.

"THE TEN COMMANDMENTS" COVERS TIME AND TERRITORY

The Red Sea and San Francisco are about five thousand miles apart. The Israelites led by Moses on their exodus from Egypt are separated by about forty centuries from Sunday afternoon jazz dancing today. Yet, Cecil B. DeMille has managed to put them together convincingly in his picturization of "The Ten Commandments." This great Paramount picture is coming to the Queen Theatre soon, where it will be shown for the first time at popular prices.

The modern story opens on a devoted mother driving one of her two sons from home because he will not "apologize to God," for what she believes sacrilege. The son goes out into the world, not bitterly, but boyishly exultant, to smash every commandment. Then DeMille develops his theme that "if you try to break the Ten Commandments they'll break you."

Order your fall suits now from Carl Davis.

JIM WILSON SUSTAINS BROKEN LEG

Last Tuesday morning while playing football at school, Jim Wilson, son of Mrs. J. R. Wilson, had the misfortune to fall and break his leg just above the knee.

He was rushed to the office of Dr. C. T. Rives and the injured limb was set. The last reports were he was doing nicely.

The Runnels County Fair is the next big show.

Master Joe Freeman, little son of Mr. and Mrs. Ben S. Freeman had the misfortune to fall off the counter at the store which resulted in breaking his arm. The little fellow is getting along nicely and able to be at play with his little friends.

H. L. Chapman and Mrs. Ben F. Guin spent a few days in Munday the past week.

Mr. and Mrs. Albert Spill were visiting relatives and friends in Sweetwater last Tuesday.

The Runnels County Fair is the next big show.

THEODORE ROBERTS AS MOSES IN CECIL B. DEMILLE'S "THE TEN COMMANDMENTS" A PARAMOUNT PICTURE

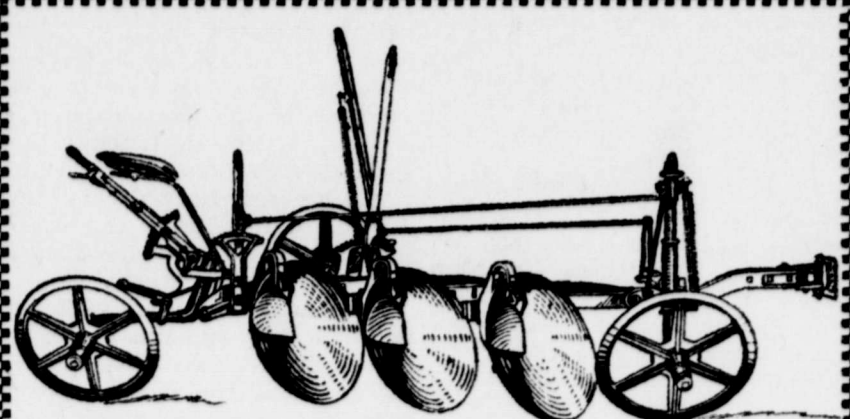

Coming Soon to the Queen Theatre

Mr. and Mrs. R. A. Bishop were guests of friends and relatives in Paint Rock last Sunday.

Mrs. Marshall Chapman and little son, Donald Craig were visitors in the home of her mother, Mrs. R. A. Goldthwaite one day the past week.

The Runnels County Fair is the next big show.

Mr. and Mrs. O. C. Williams spent the week-end in Ballinger, guests in the home of her mother, Mrs. R. A. Nicholson.

It's time to think about your disc plow to turn that land with now, and we have been mindful to have plenty of "Old Reliable John Deere" on hand for you. We have them in both the pony and regular double and tripple discs.

Glad to show you the John Deere anytime.

Social Activities

MRS. PRENTISS GARRETT HOSTESS TO THE EGO AMO TE CLUB

On last Thursday evening Mrs. Prentiss Garrett was hostess to the Ego Amo Te Club when they met at the pretty home of Mr. and Mrs. Dewey Speer.

After a pleasant hour spent in embroidering, several games of hearts and "42" were played.

In a cut for prizes a package of embroidery was awarded to Mrs. Hart Phillips, Miss Carrie Flynt and Miss Pauline Dunn.

At the conclusion of the games the hostess served a refreshment plate of angel food cake and ice cream with nasturtiums as plate favors to Mesdames Dewey Speer, Hart Phillips, Oscar Williams, and Misses Carrie Flynt, Lora Farnsworth, Willie Carter, Lela Mae Lloyd Gere Lee Gannoway, Pauline Dunn and Elizabeth Coulter, of Ballinger.

THE METHODIST W. M. S. HAD BUSINESS MEETING

The Methodist Woman's Missionary Society met in regular business meeting Monday, October 5. The meeting was called to order by the president, Mrs. T. V. Jennings.

After singing the hymn "Blessed Assurance" the forty-first Psalm was read and prayer offered. The officers gave encouraging reports of the work for September. The officers are wide awake and a live bunch of workers and are "on the job."

It was decided to answer roll call at each meeting with a verse of scripture.

The social which is to be Friday at four o'clock was discussed and committees appointed, also the "Rummage Sale" which is to be given Saturday week was discussed.

The meeting was closed with benediction.

FIRST CHRISTIAN LADIES AID HAD WORK MEETING

The Ladies Aid of the First Christian church met in regular work meeting, Monday, October 5, at the home of Mrs. Wetzel.

After an hour spent busily working the hostess served sandwiches and iced tea.

BAPTIST W. M. U. PLANS YEAR'S WORK

The Woman's Missionary Society of the First Baptist church met in regular business meeting at the church at two o'clock, Monday October 5.

The meeting was opened with a song and Mrs. J. L. Pumphrey led the devotional. The subject was Solomon Chooses Wisdom, Scripture reading found in 1 Kings third chapter, followed by prayer by Mrs. Galloway.

Very encouraging reports were given by the secretary and treasurer, the minutes were read and approved and the plan of work for the year was discussed and adopted as follows:

First Monday—Bible study and business.

Second Monday—Work in Circles.

Third Monday—W. M. U. Mission Study in Circles.

Fifth Monday—A social for W. M. U. and all its auxiliaries.

The course of study for the year: Foreign Mission book "Gospel Triumphs in Argentine and Chile," Home Mission book "Along with the Highway of Service; Bible Study, The Ministry of Women, and also

planned to organize a Junior G. A., Y. W. A., and R. A. This will constitute a perfect W. M. U. organization.

After the meeting the ladies went to Mrs. Bradley's and visited the G. A. and while there presented Miss Mary D. Taylor, sponsor for the G. A., who is leaving, a beautiful manicure set.

MISS MARY D. TAYLOR GIVEN SHOWER

One of the most pleasant social occasions of the week occurred at the home of Mrs. H. A. Bradley last Monday evening when Misses Myrtle O. Barber and Mary Ella Bradley entertained the Truett and Judson B. Y. P. U., and gave Miss Mary D. Taylor a surprise shower.

Miss Taylor had been invited to spend the night with Miss Barber and had no idea of the surprise in store for her until the guests began to arrive and it was thoroughly a surprise.

Many useful and beautiful gifts were received, such as: bookends, two vanities, silk scarf, perfume atomizer and others too numerous to mention, attesting the love and appreciation of Miss Taylor who is leaving for Dallas and Plainview, and who has been a faithful and untiring worker in church activities and will be especially missed in the B. Y. P. U. work.

MRS. H. W. LYNN HOSTESS TO DIVERSITY CLUB

On last Friday evening the ladies of the Diversity club enjoyed the hospitality of Mrs. H. W. Lynn at her lovely home.

The reception rooms were charming with the special party gaiety of lovely Zinnias employed as decoration, and pretty cosmos were used as plate favors.

Mrs. J. M. Pyburn was program leader on Parliamentary Drills and roll call was answered by each member responding by giving a parliamentary rule. Mrs. Carl Davis was elected to membership to fill the vacancy by the resignation of Mrs. Farris Callan.

A lovely refreshment plate consisting of creamed chicken, potato chips, sandwiches, iced tea and candy was served Mesdames Russel, Pyburn, Jackson, Robinson, Bryan, Dixon Paxton, Clements, Lynn, Dunn, Owens, Curry, Maddox and Hensley.

DORCAS CLASS HAD BUSINESS AND SOCIAL MEETING

Mrs. Tony Ray was hostess to the Dorcas class last Monday, October 5, when they met in a business and social meeting. She was assisted by Mrs. Powers and Mrs. Taylor Smith in entertaining with a cleverly planned "nut" party.

The reception rooms were decorated in beautiful autumn leaves and nuts, with peanuts dressed like Chinamen and birds used as plate favors and the class took up the peanut contest to last until Halloween.

Those enjoying the hospitality of Mrs. Ray were: Mesdames Lindley, Brannon, Wilbanks, Davis, Northam, Cook, Roberts, Vinson, Loftin and Holcomb.

The W. M. U. of the Baptist church will meet in circles and work meetings at 2 o'clock.

The Ladies Aid of the First Christian church will meet at the home of Mrs. R. E. Bacon, October 19.

Krauss Announces 6th Anniversary Sale Starts Today

A. Krauss, one of the most progressive and up-to-date merchants of Winters, with stores at Post, Miles, Abilene and Falls, has a double page ad in this issue of the Enterprise announcing his big 6th Anniversary Sale starting today.

From a small beginning made on October 9, 1919, his business has shown a steady and healthy growth and from the parent store in Winters has sprung the four branch houses listed above. The enormous amount of merchandise it takes to stock his five big stores creates a buying power which gives Mr. Krauss quite an advantage in the wholesale markets of the North and East and this advantage is being passed on to his customers, hence the close prices he is enabled to make on quality merchandise. In speaking of his 6th Anniversary Sale to a representative of this paper, Mr. Krauss said:

"This is not a blood and thunder, crash and knock-down event, neither is it a mere sale of selling more goods, or making more money, but it is our annual event to express to our customers our appreciation for their splendid patronage and good-will, and is a celebration in every sense of the word.

"Six years ago, exactly to the date, 9th of October 1919, we opened our store in Winters, on dry goods boxes, and today we appreciate five large up-to-date stores.

"Winters is the place we have laid our foundation and from it has grown an organization that we are really proud of, and on this date, the 9th of October will always remain a pleasant and happy memory in our mind. We contribute our success to the confidence the people of Winters and surrounding territory have placed in us, and we have tried to merit this confidence and loyal patronage given us, by giving at all times value for every dollar spent with us, and being fair with all. We have sold only quality and dependable merchandise, that has given satisfaction, and our growth and expansion is a proven fact that satisfied customers are our greatest asset. You may take our word that you come fully assured that you will find greatest values we have ever given."

"We will on Saturday morning throw from our roof at 10:30, \$500 in merchandise and cash into the street in front of our store. Be there and get your share. Catch it as it falls into the street."

PRESBYTERIAN W. M. S. HAD MEETING

The Woman's Missionary Society of the Presbyterian church met in regular meeting, Monday October 5.

Mrs. W. R. Johnson was leader of the second chapter in the lesson study "Over the Border."

After singing a song the minutes were read by Mrs. Gaston.

The closing prayer was led by Mrs. Rives.
