

HOME TOWN

Talk

By R. C. THOMAS

Many long months ago—the time really could be termed in years—several civic minded persons started down the long trail to bring city mail delivery to Winters. It was a long, hard pull, beset with many obstacles along the way, but with the brand of determination which distinguishes the pushers from the riders, these people disregarded the many problems confronting them—and reached their destination. That goal which was not even in sight so long ago has been reached: city mail delivery becomes a reality Saturday in Winters.

The task which these people took upon themselves included things as marking the streets, making surveys, and buying and installing house numbers, re-numbering whole sections of the town. Many other less determined men would have thrown up their hands and quit; but they now can sit back and enjoy with the rest of us the fruits of their labors.

It would be impossible to list each and every one of the many who had a hand in bringing the post office service to the city of Winters. But the reality of such service is evidence of their hard work and the faith they have in the future of the town. We can look forward to other projects, perhaps more difficult, to be performed by these same people. Dreamers can envision progress; it takes doers to get the job done.

Postmaster Rankin Pace says a survey has indicated that many residents have not installed mail boxes. This must be done, he said, if they expect to receive mail at their home addresses. No mail will be delivered to homes without mail boxes, he said. Also, Pace has warned that the letter drop boxes which will be installed in different sections of town will not be services until Saturday. So if you want your letters to go out, bring them on down to the post office.

After viewing the big hole being dug for the Atlas missile base east of town, our friend on the street says that if the site is ever abandoned, someone could make a million dollars by cutting it up in chunks and selling the pieces as prefabricated storm cellars.

We understand the Los Angeles police complained about the increased number of pickpockets at work during the Democratic convention in that city. The man down the street says he hates to disagree with the lawmen, but he figures that the culprits were only bureaucrats on vacation keeping their hand in.

It's tough all over: Up in Ontario, Canada, the liquor board has issued orders that bartenders and waiters must not wear Bermuda shorts while on duty.

We just heard about a man who went to see his psychiatrist because little animals kept coming from under the bed and eating him. After he got the doc's bill though, he decided it would be cheaper to feed the animals.

July, 1960, probably will go down in history as the "lost month." With one week of the month already wasted by the rowdyisms of a national political convention, we have still another week of the same coming up. We can't see how anyone can take seriously the wild-eyed antics of politicians and delegates as displayed at the convention; the "on cue" interruptions of speakers by those seeking to channel attention to their own favorites; the phony "we'll give you Utopia" speeches.

If, as claimed by one party's candidate for nomination, and proved by another, they have the nomination "in the bag," it would seem useless to go to all the trouble of calling the roll of states' delegates. The voice of the people is lost in the din of deal making, anyway. If the idea of a convention ever had a purpose, it would seem that that purpose has been long since lost in the mists of time. Idealistic, perhaps, but it would seem that the high office of the Presidency should be spared the indignity of being trampled in the muck of such degenerate brawls and raised to the people's level, with selective primaries.

Local Civil Defense Plans Progressing

Efforts are being stepped up to organize an operational civil defense unit in Winters, with the appointment of an assistant defense coordinator by Mayor H. D. Jones. Jones, as mayor, is the

REV. T. C. MELTON

Rev. T. C. Melton To Preach At Crews Baptist Revival

Rev. T. C. Melton, pastor of the Oak Street Baptist Church in Abilene, will be the evangelist for the revival beginning Friday night, July 22, at the Crews Baptist Church, according to an announcement by the Rev. G. C. Henry, pastor.

Dude Smith of Ballinger will conduct the singing. Rev. Melton is a graduate of Jacksonville Baptist College and has been pastor of the Abilene church for several years.

The revival will continue through Sunday, July 31, and services will be held each morning at 10:30. Prayer services will begin at 7:45 p.m. with preaching at 8 o'clock.

The public is cordially invited to attend.

Gospel Meeting Begins At Hatchell Church of Christ

A gospel meeting at the Hatchell Church of Christ begins today, July 22, and will continue through Sunday July 31, according to an announcement made this week.

G. B. Shelburne Jr., of Amarillo will do the preaching and J. W. Bahlman of Winters will direct the song services.

Morning services will be held each day at 10:30 with the evening service beginning at 8 o'clock. Lunch will be served at noon each Sunday and evening services on Sunday will be held at 6:30.

chairman and coordinator for the overall unit.

A. N. Crowley has been appointed assistant coordinator, and is working with other civic leaders in naming a twelve man citizens advisory committee. This committee will encompass most segments of the population, and will represent the schools, businesses, industries, veterans organizations, churches, fire department and doctors of the community. They will function in an advisory capacity, helping to organize the entire defense unit.

Mayor Jones has pointed out that the organization of a civil defense unit in Winters is not made necessary entirely by threat of enemy attack, although this would be a main function. In addition, he said, a civil defense unit would operate in the event of any natural disaster such as tornadoes, floods, hurricanes, or fires. He said that "only through the existence of local civil defense organizations, which can engage in relief activities and furnish assistance to affected areas, can natural disasters be prevented from inflicting additional destruction and deaths."

A meeting was held recently at which W. R. Bodine, Plans and Operations officer of the state civil defense department, explained the operation of a local defense organization. The Winters Lions Club was initial sponsor in investigating the possibilities of a defense organization here.

The City Council of Winters recently passed an ordinance setting up machinery by which a defense unit can be organized.

When completed, the civil defense unit will consist of several levels of activity, among them supporting services and operational services. Included in the supporting services will be administration, communications consisting of newspapers, radio, telephone, and transportation.

Making up the operational services level of the unit will be the fire department, civil aviation, public works, utilities, emergency welfare, health and emergency medical services, warden, police, and rescue units.

Mayor Jones and others pushing for the establishment of a civil defense unit in Winters have expressed appreciation for the cooperation which has been extended by area residents. Without the earnest interest displayed by the local citizens, they said, it would be impossible to organize this all-important defense unit.

ATTENDED FUNERAL

Mr. and Mrs. A. J. Belknap attended the funeral of her sister, Mrs. John Matthews Sunday in Corsicana.

NOTICE

Veterans of Foreign Wars and the Auxiliary will have a family night Monday at 8 o'clock at the post home. All members and their families are urged to attend and to bring a picnic lunch.

Jim Wilburn To Leave Church of Christ In Winters

Jim Wilburn, local preacher with the church of Christ, will move to Phoenix, Arizona about August 15, after being associated with the Winters church for eight years, according to his recent announcement to the congregation. He will not be associated in full time work with a church in Phoenix, but will continue work with Faith Films, a firm which he formed in 1958 to produce and market films for use in religious education. "Now That I Am A Christian," the first set of films developed by Wilburn, is now in use by over one thousand churches in most states and several foreign countries, as well as by a dozen colleges. He is currently completing work on another series to be used in training leaders among churches of Christ. It will be entitled "Leadership for Christ" and will include a 100 page manual as well as the set of five films. Wilburn also plans, after a little more schooling, to teach in a Bible chair arrangement at a state university or in a Christian college.

In addition to his work with Faith Films, he will continue to preach and teach in special series, including a class at the annual Bible Lectureship at Abilene Christian College next February, which will draw about 10,000 members of churches of Christ to Abilene.

While in Phoenix he will complete his thesis for the M. A. degree at ACC. He has just returned from an extended trip to Tennessee where he completed research for the thesis in the state archives and also discussed publication of the work when it is completed next year. The topic of the thesis is "The Life and Times of Tolbert Fanning." Fanning was an influential educator and preacher among churches of Christ in Civil War days.

Mr. Wilburn first began his work with the church in Winters in September of 1952 as a student associate and after one year with them he was sent by the Winters church to Wisconsin to do mission work. During his five years there, he helped begin three new congregations, and also served as editor of "The Reapers Report of Wisconsin," a quarterly publication by churches in Wisconsin. Since returning to Winters he has continued his writing, for such magazines as "Firm Foundation," "Power for Today," and "Twentieth Century Christian." He has also been working on his Master's Degree in Abilene, since returning to Winters in 1958.

The elders of the church announced this week that they have secured Tom Holland, now of Beloit, Wisconsin, to replace Wilburn in the local work. Mr. and Mrs. Holland, with their two small children, will arrive in Winters about September 1, to begin their work, just as soon as he completes a current lecture tour through Tennessee and Alabama. Mr. Holland is a graduate of Freed-Hardeman College of Henderson, Tennessee, and also of David Lipscomb University in Nashville.

City Mail Delivery Begins Here Tomorrow Morning

EARLY MAILERS — Although the city mail delivery service will not begin until Saturday, Cindy and Candy Seals, 2-year-old twin daughters of Mr. and Mrs. Wayne Seals, decided to get the jump on the rest of the kids and do their Christmas mailing early. Cindy

Manuel Arispe Won First Place In Talent Show Friday

Manuel Arispe, 22-year-old Latin-American, was the first place winner in a talent show held at the State Theatre Friday night.

Arispe's rendition of "Johnny Be Good" was tops on the electric applause meter and won him a recording contract with the Pratt Publishing Company and Blue Bonnet Records of Abilene, sponsors of the talent show.

An employee of Dry Manufacturing Company, Arispe has been singing for three years and also plays a guitar, but has never had any lessons. "I just picked it up," he says. He prefers folk songs, but sings rock and roll because "that is what the boys and girls like."

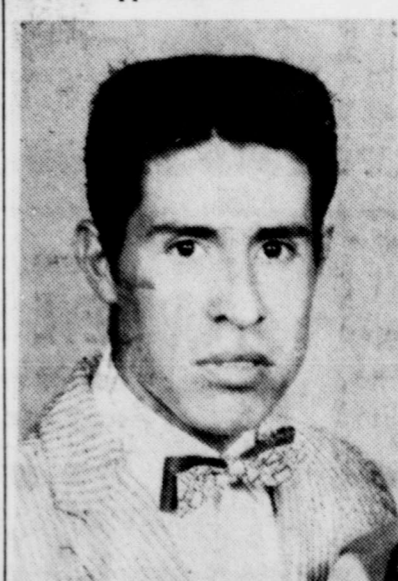

Second place in the contest went to Ellison Porter, who sang his own version of "Honey Hush." He received a \$50.00 bond from the Winters State Bank.

Sharon Denson, daughter of Mr. and Mrs. J. B. Denson, received an air conditioner from Winters Manufacturing Company for third place.

The Polka-Dots, composed of Vicki Briley, June Sanders and Donna Kesler, gave an original song and dance combination of "Growing Up," and were awarded fourth place, which was an electric clock from Bahlman Jewelers.

Louise Anderson and Ann Grady received a \$12.50 gift certificate from Heidenheimer's for fifth place.

Auditions were held Friday afternoon and there were twelve entries in the contest. P. L. Busby and his Western Cowboy Band from Abilene accompanied all contestants. Judging was on an electric applause meter.

MANUEL ARISPE

On Saturday, July 23, three postmen will begin their appointed rounds, delivering mail to patrons in the city of Winters, a culmination of many long months of work and planning on the part of many civic leaders to bring city delivery to the town.

George F. Lloyd, George W. Marks and Dennis Rodgers will be the new postmen.

The new city delivery service is another step in offering to post office patrons the latest and most efficient service, Postmaster Rankin Pace said.

Tied in with the inauguration of the new mail delivery system will be the enormous job of routing the mail to new addresses. Pace said that post office personnel have been working for weeks preparing for the change-over, notifying patrons of the new service and preparing working areas and plans for the new postal employees made necessary by the system.

However, Pace said, there is yet much to be done. He said that a survey had been made this week, and that many patrons have not put up mail boxes at their addresses. This must be accomplished before mail can be delivered to home addresses, he said. Also, Pace said, it will be necessary for post office patrons to notify all correspondents, utility companies, telephone companies, newspapers, magazines, and banks of their new address, if they wish to receive mail at their residences or places of business.

Pace said that the post office is primarily interested in delivering the mail without delay, and for a short period following the change-over, every effort will be directed toward this end. However, he said, after patrons have had sufficient time to notify all correspondents of their change of address, mail will be delivered "as addressed."

The postmaster pointed out the importance of having the mail addressed correctly. Government checks, for instance, cannot be forwarded, he said; they must be delivered as addressed or returned to the sender. Pace said that "eighty percent of the mail received at this office does not have a box number or rural address." With new personnel in the post office, he said, it will be "impossible to deliver the mail unless it is properly addressed."

Pace also has asked that all patrons who have had boxes at the post office check these boxes for the first few weeks of the new service, in case mail is put in the box. Many wish to keep their boxes and also have mail delivered to their homes, as addressed, he said. This is permissible, he pointed out.

There will be one delivery of mail each day in the residential area, the postmaster said. Parcel post will be delivered in the business section before 10 o'clock each morning, and in the early afternoon in the residential area.

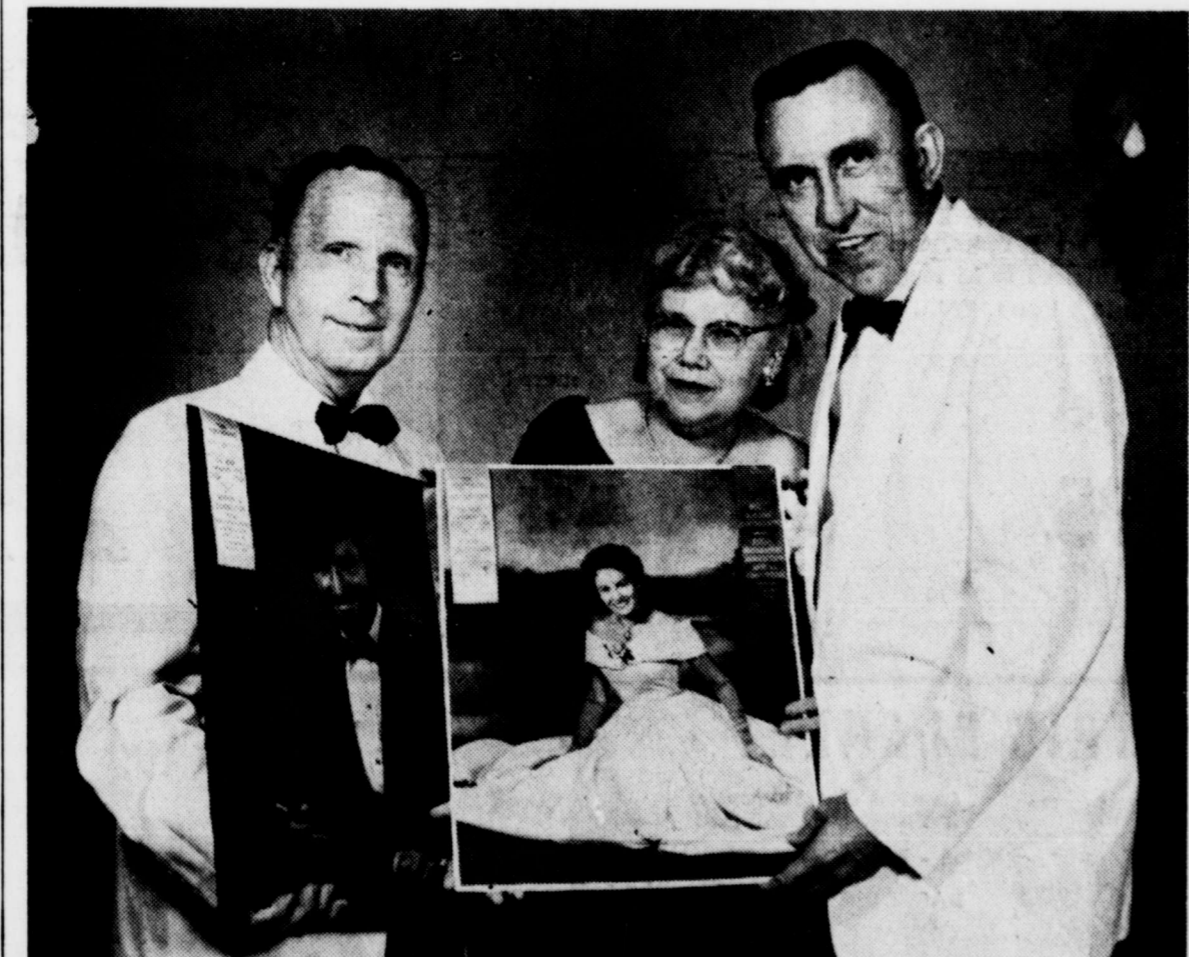

Patrons who live within the city limits, or the limits of the city mail delivery service, will no longer receive their mail by rural route carriers, Pace said. They will be included in the city service, and will therefore be required to notify correspondents of changes in address.

Five letter mailing stations will be set up for the convenience of residents, the post office said. These will be for deposit of mail by the public, and will be serviced by the carriers on their routes. Locations will be at the corner of Main and Pierce streets, Cryer and Tinkle streets, in the 700 block of West Dale Avenue, on the corner of Main and Dale, and on South Church Street on the edge of the post office parking lot.

Rev. Virgil James To Conduct Revival July 22 Thru July 31

The Rev. Virgil James, pastor of the Southside Baptist Church, will do the preaching for the revival meeting which begins at church Friday night, July 22, and continues through Sunday night July 31, it has been announced.

Services will be held twice daily with the morning services at 6:00 a.m. and evening services will begin with prayer meeting and singing at 7:30 o'clock and the preaching service at 8:00 p.m. Everyone is cordially invited to attend.

RIBBON WINNERS — Mr. and Mrs. Eddie Little display the two photographs which were placed in the top ten in the contest sponsored by the Texas Photographers Association recently. At the right is John Blackstock of Stamford, president of the Texas Professional Photographers Association.

Roger Babson Says

Neither the United States Nor Russia Can Continue To Spend at Present Rate

Babson Park, Mass. I am not now forecasting World War III, but neither the United States nor Russia can continue to spend such vast amounts of money on missiles, rockets, submarines, etc. Either there must be a reduction in armaments (Kruschev is as anxious for this as we are), or World War III is inevitable. However, my message this week is on the subject of competition, which will be the "ammunition" Russia will probably use to fight the cold war.

Foreign Competition

During my last trip to Germany, I was astounded at the competition which is developing there. Not only are wages very low, but the efficiency of the workers is very high. German industrialists are continuing to make new machines which can even replace their own workers. This applies to plastics, textiles, and many other products. It seems as though this

competition from Europe will cause unemployment in our country sooner or later.

Added to the competition from Europe, we also have much from Japan. I could give illustrations which would seem to you unbelievable. These involve a great variety of articles ranging from table dollies, which sell for 2 cents apiece to radios, cameras, and even television sets. It all seems fantastic, and detrimental to American manufacturers and wage-workers. The only concern which can possibly profit from it are big concerns such as Sears Roebuck, Montgomery Ward, and the chain stores which can buy and sell in tremendous quantities.

Competition With Ourselves

Before World War II, the leading manufacturers were content to make their own products; but they have now added products of others which, in many cases, have no relation to their basic

products. This not only causes overproduction, but it reduces profits. I fear that the average United States businessman may be caught in a squeeze, with increased costs but with declining prices for his products.

Let me give a few illustrations of this domestic internal competition. General Tire now manufactures missiles! General Mills has wandered away from its basic food products to make precision instruments! Textron, basically a textile manufacturer, is buying into various new businesses with which it has had no experience.

Expansion vs. Diversification

While there is no legitimate reason for much of the above diversification, there is justification for companies to expand in their own lines. (Pittsburgh) Consolidation Coal is becoming increasingly active in the field of organic chemicals; this is wise. American Viscose, a major producer of rayon and nylon yarns and cellophane paper, has now legitimately gone all-out into the plastic-chemical field.

It is wise for a company to seek new markets for its available raw materials. American Viscose has

joined with Sun Oil Company to produce polypropylene, thus competing in the petrochemical field with Dow, Monsanto, and Union Carbide. These companies which are expanding within their own fields should be safer investments; but some of those which have neglected their own business to go into missiles and rockets may suffer large losses.

Labor vs. Management

During this cold war, it is too bad to see the competition between labor and management which results in serious strikes. A labor strike against management is an industrial battle and may well be compared to military warfare between two nations. This especially is true now, while the cold war with Russia is in progress. Some believe that a national dictator is necessary to make labor and management cooperate; but this seems unnecessary in a nation which professes Christianity and the teachings of Jesus.

It will be difficult enough to hold our own against competition from abroad and domestic competition between corporations, without the competition created

by labor leaders. Both stockholders and members of the labor unions should realize that wage increases without corresponding increases in production or quality are dangerous. They could result in stockholders receiving smaller dividends; and wage-workers could suffer unemployment, to the detriment of the nation as a whole.

Miss Bredemeyer Is Hostess For Evening Circle

Estella Bredemeyer was hostess for the regular meeting of the St. John's Evening Circle in her home Monday evening. Mrs. Edwin Bredemeyer was co-hostess.

The devotions were led by Mrs. A. N. Crowley and in the absence of Mrs. Dick Dunlap, Mrs. H. K. Flathmann directed the topic discussion. It was taken from the 11th and 12th chapters of the Gospel of Mark and was entitled "Clashes in the Temple."

Mrs. Willis Whittenberg, vice president, conducted the business meeting and minutes of the last meeting were read and approved. A treasurer's report was given. Following a business discussion, the meeting closed with the group repeating the Lord's Prayer.

Members present were Mesdames A. N. Crowley, H. K. Flathmann, Willis Whittenberg, Erwin Schroeder, Grady Evers, Henry Witte, Charles Kruse Jr., Miss Minnie Belitz, and a visitor, Mrs. W. E. Bredemeyer and the hostess.

The meeting next month will be held in the A. N. Crowley home.

Marriage Vows Recited Saturday By Janet Minzenmayer - Arthur Sander, Jr.

Marriage vows uniting Janet Minzenmayer, and Arthur Sander Jr., son of Mr. and Mrs. Arthur Sander of Brenham, were recited Saturday evening in a candid ceremony at St. John's Lutheran Church.

The Rev. H. K. Flathmann, pastor, officiated for the double ring ceremony before an altar decorated with baskets of white mums flanked with candelabras holding white tapers. An arrangement of white carnations on the organ completed the church decorations. Emma Henniger was organist and Virginia Spill of Milwaukee, Wisconsin, soloist.

Ushers were Roy Minzenmayer, brother of the bride, Kenneth Schwenke of Houston and Willie Rotter of LaGrange. Randy Klausmeyer of Brenham was ring bearer.

Henry Boehm of Galveston served as best man and groomsmen were Leo Minzenmayer, brother of the bride, Fred Henry Sander, cousin of the groom and Elgin Klausmeyer, brother-in-law of the groom, both of Brenham.

Nancy Minzenmayer, sister of the bride, was maid of honor and Mrs. Elgin Klausmeyer of Brenham, sister of the groom was matron of honor. Bridesmaids were Freddie Hunter of Lubbock and Myra Minzenmayer, sister of the bride.

They wore identical street length dresses of white embroidered organdy over green designed with sabrina neckline, cap sleeves and full skirts. They carried colonial bouquet of green carnations.

Given in marriage by her father, the bride wore a full length gown of embroidered organdy fashioned with a fitted bodice, fastened in the back with tiny covered buttons, round neckline and cap sleeves. Tiered ruffles accented the bouffant skirt. Her veil of imported silk illusion fell from a crown of blossoms and she carried a crescent bouquet of white carnations and lilies of the valley.

Following the ceremony, a reception was held in the parlors of the church. The bride's table laid with white linen was centered with an arrangement of carnations and the bride's bouquet. A beautiful- ly decorated wedding cake was featured on the table. Members of the house party were Mesdames J. D. McLean of Crane, Carl Gottschalk, F. O. Minzenmayer, Ervin Ueckert, W. W. Ahrens and Miss Serena Minzenmayer.

For a wedding trip to Galveston, the bride wore a beige suit with matching accessories.

The bride is a graduate of Norton High School and Texas Lutheran College and for the past year she has been a teacher in the Odessa public schools. The bridegroom, a graduate of Brenham High School, Blinn College and Texas Lutheran College, is a student at Capital Seminary in Columbus, Ohio where the couple will make their home.

The rehearsal dinner was held Friday evening in the home of the bride's parents.

Mrs. Strickland Hostess for Circle Meeting Tuesday

Mrs. S. C. Strickland served as hostess for the meeting of the Mildred Crabtree Circle of the Women's Missionary Society of the First Baptist Church Tuesday morning in her home.

Mrs. Joe Baker read the prayer calendar, Matthew 13:33 and led in prayer. Mrs. J. F. Richie presided for the meeting and the group voted to meet with other circles of the church to study the book "Women's Missionary Union." Names of extension members to be visited through September were given to members present. Reports from committee chairmen were given.

Mrs. Minnie Mitchell was in Charge of the program "Sharing Possessions." Those taking part were Mrs. J. F. Richie, Mrs. Grover Davis, Mrs. Joe Irvin and Mrs. J. N. Clark, who led the closing prayer.

Those present were Mesdames Minnie Mitchell, Grover Davis, J. F. Richie, Joe Baker, J. N. Clark, S. C. Strickland and Wayne Sims.

Mrs. Walter Dixon Honors Mother At Birthday Party

Mrs. Walter Dixon honored her mother, Mrs. Belle Lane of Proctor, who is visiting her, with a surprise birthday party Monday afternoon. It was in observance of her 85th birthday.

Guests brought old articles which were displayed on a table. Among them were handkerchiefs, embroidered crepe blouse, bows, salt cellars, spoon holder, goblet and hand painted tooth pick holder. The history and age of each article were given.

For amusement each lady described her wedding dress. The materials consisted of cream serge, satin, velvet, nun's cloth, henrietta cloth, and cotton. Styles varied from long, full skirts, tight bodices, leg-o-mutton sleeves, high neck, to gored, flared skirts, full blouse, trimmed with lace, insertion, ruffles and ribbon. Most of them wore three petticoats under their dress.

Gifts to the honoree were opened and displayed.

Cake and ice cream were served to Mesdames Minnie Hillyard, W. W. Nance, Jim Eoff, Flora Nelson, A. F. Harkins, R. D. Collins, Merle Wilson, Mary Alexander, D. C. Robertson and Belle Lane.

Drasco HD Club Met Thursday In Conner Home

Drasco Home Demonstration Club met Thursday in the home of Mrs. Robert Conner. Mrs. Dock Pinegar gave a demonstration on molding plaques, Miss Lee Ora Foster, making plastic flowers and Mrs. Buck Smith, summer desserts.

Those present were Mesdames George Lloyd, J. R. Woodfin, Elmo Mayhew, O. C. Hill, Dock Pinegar, Buck Smith, Miss Lee Ora Foster and the hostess.

Susan Sanders Was Honored At Party Monday Morning

Susan Sanders, daughter of Capt. and Mrs. Gilmore Sanders of Smyrna, Tennessee, former resident of Winters, was honored at a coke party Monday morning at Pierce's Cafeteria. Mrs. Mord Tucker, the honoree's grandmother, served as hostess.

Those present were Florette Jones, Susan Roberts, Mary Young, Nicki Eoff and Robbie Sue Davidson.

Frances Bowden Circle Met In Baldwin Home

The Frances Bowden Circle of Womens Society of Christian Service of the First Methodist Church met recently in the home of Mrs. Carl Baldwin.

Mrs. Sam Jones, chairman, presided and the group named the circle for Miss Frances Bowden, who is a missionary from the Central Texas Conference in South America.

Mrs. W. W. Parramore was in charge of the program "Our Missions Today" and gave the quadrennial emphasis for 1960-64, faith that compels us; frontiers

that call us; factors that confront us; and the program that unites us in witness and service.

Mrs. E. H. Baker led the closing prayer and refreshments were served to Mesdames W. W. Parramore, Traylor, T. C. Stanley, Sam Jones, Carl Baldwin, Aug Vatter, M. E. Leeman, E. H. Baker and C. H. Hambricht.

RETURNED TO CALIF.

Mrs. Truett Nance and children, Pat and Lisa, left Friday for a few days visit with relatives in Lubbock before returning to their home in San Rafael, California. They had been visiting in the home of her parents, Mr. and Mrs. C. M. Gooch and Mrs. W. W. Nance.

Rev. Bruce Weaver Chapel Speaker At MYF Assembly

The Rev. Bruce Weaver of Graham, former pastor of the Winters Methodist Church, was chapel speaker for the assembly of Methodist Youth Fellowship of Central Texas Conference of Methodist Churches held last week in Georgetown.

The Winters MYF group attended workshops, other activities and communion services at Southwestern University Chapel before returning home Saturday.

Those attending were Jean Mayo, president, Diane Buckner, Kenneth and Jerrel Elliott, Janell Gerhart, Dickie Hale, Mary Jane Matthews, Ernestine and Rosaline Scott and Betty Stanley.

Posters Warn License Need For Fishermen

A new warning to fishermen to buy licenses now is being posted in public places near the water for the benefit of fishermen, according to the director of law enforcement of the Game and Fish Commission.

The large placards remind that a fishing license is required to fish in salt or fresh water, unless:

1. You are under 17 or over 65 years of age.
2. You fish on property which you own or upon which you reside.
3. You fish with a trotline, throwline or ordinary pole and line having no reel or other winding device attached if you are fishing in the county in which you reside.
4. You have a commercial fisherman's license. BUT if you have a commercial license, then you

must: a) observe commercial size limit; b) have a license for your boat, trawl, oyster dredge or nets of any kind (if you use them).

If you are in doubt about your need of a fishing license, then see your game warden.

The current fishing license is in effect until August 31, when new licenses must be procured.

World War II Vets Have Two More Years To Get GI Loans

World War II veterans have two more years in which to obtain Veterans Administration - guaranteed home, farm and business loans as the result of a bill signed into law July 14, 1960, by the President.

Under this same law, both World War II and Korean conflict veterans can continue to apply for direct loans from the Federal Government if they live in designated rural areas where GI loans are not obtainable from the local lending institutions.

The new law authorizes Treasury Department advances of \$150 million in each of the next two years of this direct loan extension program. New expiration date for the guaranteed loan program for World War II veterans and for the direct loan program for both World War II and Korean veterans is July 25, 1962. The prior deadline for both programs was July 25, 1960.

Since it was started in June, 1944, the GI Loan Program has guaranteed more than five million loans to World War II veterans, totaling approximately \$41 billion, and to 775,000 Korea veterans, amounting to nearly \$9 billion.

Since direct loans were first authorized in July, 1950, the VA has made 165,000 direct loans totaling \$1.3 billion in rural areas and small towns where veterans could not secure loans from local lending facilities.

While both World War II and Korea veterans may now apply for direct loans through July 25, 1962, Korea veterans may continue to seek VA-guaranteed loans through January 31, 1965, through previous legislation.

The GI loan interest rate of 5 1/4 percent remains unchanged by the new law.

The new law also will require that earnest money deposits veterans make be in trust accounts so that they will be safeguarded in case the builder becomes insolvent.

Additional information may be obtained from any of the following VA offices: Austin, Brownwood, Corsicana, Marlin, Temple, and Waco.

Postmen Have Mapped Routes and Made Walks Over Areas Where They'll Serve

Within a few months, the ground covered by the three postmen who will deliver the mail in Winters will become as familiar to them as their own back yards. But for a beginning, the three have been walking their routes on "dry runs" to see how long it will take to complete them each day, and to pick out the best walking areas. The three men will begin their walks Saturday morning when city mail delivery becomes a reality.

George Ferrell Lloyd, carrier No. 1, will cover the west section of the city, excluding the business area. George W. Marks, No. 2, will deliver the mail in the northeast section of town, from Tinkle Street to Parkview Addition. Dennis Rodgers, No. 3, will handle the southeast section, from Tinkle to Reeves Addition, and will serve the business section. He will deliver parcel post to the business section in the morning and in the residential section in the afternoon.

All three men are natives of Winters, and graduates of Winters High School.

George Ferrell Lloyd 33, son of Mrs. and Mr. George Lloyd of Wingate, is a 1944 graduate of Winters High School where he was active in Future Farmers of America. He served with the United States Navy in the Pacific during World War II being discharged with the rating of electrician's mate third class.

After attending John Tarleton College for two years he entered the Dallas Institute of Mortuary Science, graduating in 1949. He was employed as a mortician for Spill Funeral Home in Winters for two years. Later he worked as a production clerk for G. W. Strake Oil Company and as a pusher for Mac Construction Company. He has been recently employed at Crockett Ford Sales.

He was married to the former Jerry Robertson of Winters in 1946 and they have one daughter, Linda. Mr. and Mrs. Lloyd are members of the First Baptist Church.

George W. Marks, 29, son of Mrs. Emma Marks and the late Riley Marks, is a 1948 graduate of WHS and served four years with the United States Air Force. He was stationed at Sheppard AFB and Randolph Field before receiving his discharge as a staff sergeant in 1955.

He was employed in the collection department of a finance company in San Angelo and Pool Well Service, also in San Angelo, before moving to Winters two years ago to operate a farm.

He was married to the former June Graham of Ballinger in 1952 and the couple have three sons. Both are members of the First Baptist Church.

Dennis Rodgers, 22, son of Mr. and Mrs. C. O. Rodgers, is a 1956 graduate of WHS where he was active in FFA. He served as District FFA secretary his senior year. He married the former Barbara Harter and they have one daughter, Denise. He was employed with Humble Oil and Refining Company in Crane before entering Sul Ross College in Alpine. He returned to Winters in August 1959 to assist his father with farming. The early part of this year he moved to San Angelo where he was employed with a finance corporation. The Rodgers are members of the Baptist Church.

Warning Issued To Traffic Violators; Arrests To Be Made

Runnels County officers and members of the city police force have been instructed to issue tickets and file charges for all traffic violations, according to Deputy Sheriff Johnnie Wilson. Many complaints have been issued in regard to noisy cars, bad mufflers and other noises and the public is warned that officers will watch for such violations and make arrests.

Among the violations reported are drivers without a driver's license, parking in the "No Parking" zone in front of the local post office and observance of the one-way street traffic.

Parents who allow their children to drive without a driver's license are warned that charges will be filed and parents will be subject to a fine.

Many automobile owners are not aware of the violation of the law in regard to mufflers and prevention of noise. The Texas Motor Vehicle law reads: "Every motor vehicle shall at all times be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise and annoying smoke and no person shall use a muffler cut-out, by-pass, or similar device upon a motor vehicle on a highway."

Mr. Wilson stated that Latin-Americans who cannot read English may secure a copy of the Texas Motor Vehicle laws printed in Spanish by applying at the City Hall and the copy of the law may be ordered. Many Latin-Americans drive without a driver's license and warning is issued that tickets will be issued and charges will be filed.

Local Food Service Employees Attended Tyler Convention

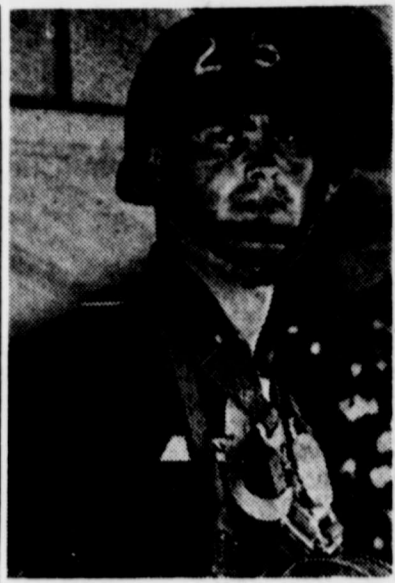

Sixth annual convention of the Texas School Food Service Association held at Tyler July 11-13 was attended by four employees of the Winters School food service, according to Mrs. J. B. Whitlow, supervisor of the local school cafeteria. More than 700 registered at the convention.

Since Tyler is the Rose Capital of the nation, the rose theme was carried out at the convention. Among the outstanding speakers for the three-day affair were Charles M. Hicks, school luncheon consultant of Austin; Dr. J. W. Edgar, commissioner of education of Austin; Phillip B. Gilliam, judge, juvenile court of Denver, Colorado; Mrs. Rita Campbell Weaver, director of department of nutrition National Livestock and Meat Board, Chicago, Illinois and many others.

Sixty exhibits of food, equipment and other necessities for school lunch were shown. Mrs. Whitlow, who has been elected Chairman of District 11, Texas School Food Service Association, attended the executive board meeting before leaving Tyler Wednesday afternoon.

Those from Winters who attended the meeting were Mesdames Sam Russell, J. T. Parker, Edward Nitsch and Mrs. Whitlow.

Tracksters To Jaycee Track Meet, Abilene

Winters tracksters will participate in the Texas Jaycee sponsored track meet in Abilene Saturday, according to Don Edwards of the Winters school coaching staff. Edwards has been working with the boys all summer, and accompanied them to Abilene several days ago for the area Junior Olympics events.

On July 29 the group of Winters tracksters will participate in the State Junior Olympics events at San Antonio. Saturday's meet in Abilene is not connected with the Junior Olympics, Edwards said, but the boys are participating in order to be in shape for the San Antonio affair.

Work At Atlas Site Still On Schedule

Although last week's rains caused a slow-up in some of the work at the Winters missile site, the project is still "on schedule," according to D. V. (Larry) Moore, project manager for the contractors.

Surface excavation is about completed, and a concrete ring collar for the silo shell will be poured this week. Ring beams for shoring up the sides of the deep hole for the silo have been delivered, and the drilling of the silo hole should begin within a day or two.

Office buildings, water tanks and shops for use during the months-long construction period have been completed, it was reported.

Only one daytime shift has been working, but it is expected that night shifts will begin within a few days.

Runnels County Purchases 12 Dump Trucks

Runnels County commissioners Friday approved the purchase of 12 dump trucks from three area Chevrolet dealers. Purchase was approved following acceptance by the commissioners of a combined bid of the three dealers.

The trucks were purchased from Waddell Chevrolet Co., Winters, Ray Fuqua Chevrolet of Ballinger, and Middleton Chevrolet of Rowena. The 12 trucks cost a total \$37,375.80, plus trade-in. In use of trucks and are to be delivered in 60 days.

Seven area dealers submitted bids in response to a call for bids issued some weeks ago. Dealers and bids submitted were Miles Motor, \$38,056.00; Morgan - Bradshaw, Ballinger, \$39,078.00; Crockett Ford Sales, Winters, \$36,900.00; Ballinger Truck and Tractor, \$37,474.16; Flynt Ford Co., Ballinger, \$39,287.40; and Mac's Auto Exchange, Abilene, \$37,598.00; the three combined dealers \$37,375.80.

County Judge W. H. Rumpy said that the call for bids specified that the county would accept the "lowest and best bid," and that the county also "reserved the right to reject any and all bids." Call for bids also specified that cashiers' checks or bonds in the amount of 5 percent of the total purchase price accompany each bid, officials said.

Commissioners approved the issuance of \$80,000 worth of time warrants to be used to purchase the dump trucks and some highway right-of-way in the county. The right-of-way was undetermined. Not specified was the amount of money to be used for the purchase of the right-of-way.

The State Highway Department has expressed a desire that Highway 83 from Ballinger to Hatchell be straightened. However, according to reports, the money was not set aside definitely for that purpose.

The Highway Department is making an independent appraisal of the straightening project.

Donald E. Roland Receives \$4,000.00 Scholarship July 14

Donald E. Roland of Manhattan Beach, California, and a former resident of Winters, received a certificate July 14, from Harrison Chandler, President of the Times-Mirror Press of Los Angeles, symbolizing the first annual \$4,000, four year Times-Mirror Press Scholarship, according to information received this week.

The 17-year-old youth, who is an employee of the South Bay Publishing Company in California plans to own his own print shop. He will enroll in September at the Los Angeles State College of Applied Arts and Sciences with a major in Printing Management.

Roland was chosen by the National Scholarship Trust of the Education Council of the Graphic Arts Industry, in competition with more than 200 high school graduates from throughout the United States. He was selected on the basis of his College Entrance Examination Board test results, interviews with local printers, record of accomplishment and leadership at Mira Costa High School and in the community, and interest in the graphic arts as a career.

"This scholarship was established to encourage and assist high-caliber young people to enter into the executive and professional career positions offered by the graphic arts industry," Chandler said.

"The local printing industry, which is now the 3rd largest in the nation, is still growing and will require the best minds and finest educational background possible in order to cope successfully with the future needs of management, production and sales. The printing industry offers exciting and rewarding career opportunities to young people who properly prepare themselves and we are happy to help one receive this preparation," he concluded.

Roland is the son of Mrs. Madeline Hutson, of Manhattan Beach, California and the late Mr. Vernon Roland, former residents of Winters.

Redistricting May Cause Much Wrangling At Next Legislature Meet

By VERN SANFORD
Texas Press Association

Although budget balancing is the most discussed of the problems facing the next Legislature, many lawmakers expect redistricting wrangles may raise more blood pressures.

Legislature is required by the Constitution to re-define legislative districts after each federal census. It used to put off this

troublesome task, but a 1948 law provides that if it fails to act in the first session after a census, a Legislature Redistricting Board shall take over.

This insures, as it did in 1951, that the Legislature will redistrict—somehow, some way.

Battle will be between big city delegations who will demand more representation in line with their swelling populations and rural

members who will try to hold on to as much as they can.

In their election campaigns, many representatives promised their constituents they'd be in there pitching for the home area. Members from growth areas said they would go after extra representatives, state senators and congressmen.

A rural legislator told his people, "At least twelve rural districts will disappear in the next redistricting. I certainly do not want this district included in that twelve."

Incumbents cited their experience as an asset. Personal feeling often enters into redistricting, and lawmakers are notably reluctant to "squeeze out" a popular and respected senior colleague by erasing his district.

HOME INSURANCE CUT

Beginning August 1, premium rates on certain types of homeowner's insurance policies will be cut 10 per cent.

State Insurance Board announced the new lower rates would apply to the "homeowners package" policies which account for about 80 per cent of the home coverage sold in Texas.

Reductions were made possible because insurance companies have had a relatively low loss ratio on the package policies, first introduced about three years ago.

CREDIT RATE EYED

Board of Insurance also is considering a further lowering of credit insurance rates.

Many loan companies require borrowers to take out insurance payable to the loan company in case something happens to the borrower before he repays.

Two years ago the Board cut in half the rates that could be charged for credit insurance. It was charged that loan companies were making excessive profits on loans through the insurance.

Board says that even now rates seem high, with losses running 27 per cent of premiums paid in. If losses run less than 50 per cent of the premiums, rates are considered too high.

NO ROAD PROBLEM

Stiffened federal road inspections pose no problem to Texas, says State Highway Engineer DeWitt C. Greer.

New federal standards are no tougher than those Texas has insisted on all along.

Scandals stemming from misuse of federal road building money in other states has caused the Bureau of Public Roads to tighten its inspection requirements. Greer said the new federal approach will necessitate no change in Texas procedures.

Texas who have been motoring cross-country during their summer vacations will not find this hard to believe. So noticeably superior are Texas roads to those of surrounding states that returning Texans usually give a sigh of relief when they cross the state line.

SPEAKERS' BATTLE BOILS
Candidates for Speaker of the House continue their months-long battle of "claimsmanship."

Rep. Wade Spilman added five to his list of House members pledged to support him and said this gave him a "rather conclusive" lead. Rep. James Turman of Gober claims a definite majority of 79.

Votes of 76 of the 150 House members are needed to elect.

Spilman also has invited the House General Investigating Committee to look into charges that members were being subjected to improper pressure on how

Irrigation And Management of Soils Aid Productivity

Since soil is one of the most valuable assets a farmer possesses, its care and management should be a primary concern.

Much of the land in Texas is irrigated, and this poses additional problems and considerations for the farmer. To be able to manage this irrigated land correctly, he must understand the processes of soil formation, the texture and structure of the soil, the physical condition and organic content, the relationship between soil and water, the use of fertilizer on irrigated soils, the development of

plants, and the sources of plant nutrients. These factors must also be taken into consideration by the farmer who is trying to decide whether or not to irrigate.

John Box, assistant extension agronomist, and William F. Bennett, extension soil chemist for the Texas A and M College System, have written an informative and comprehensive publication on the irrigation and management of Texas soils. They discuss the many aspects of irrigation, and the publication should be helpful to anyone who is considering irrigation or who already operates an irrigated farm. The bulletin may be obtained from the local county agent or by writing the Agricultural Information Office, College Station, Texas. Ask for B-941.

COLLEGE FUNDS SOUGHT

Texas Commission on Higher Education will ask the next Legislature for an appropriation of \$3,082,183 for the 1961-63 biennium.

Bulk of the increase asked is for meeting expected enrollment increases in the 18 state-supported colleges and universities.

In a discussion with members of the State Finance Advisory Committee, the Commission considered recommending an increase in state college tuition charges—now \$100 for a nine-months term. Dr. Ralph Green suggested raising this by \$50. It would bring the state an extra \$5,000,000 a year in new revenue, he said.

PRISON NEEDS CITED

Texas Board of Corrections also wants more money—a \$2,654,846 increase over their present allocation for the next two years.

"If the amount is granted, Texas prisoners will cost the state \$1.89 per day per man," said State Prison Director O. B. Ellis. "This is just a little more than half the national average."

Ellis and Corrections Board members regard prison needs as critical. Board Chairman H. H. Coffield of Rockdale reported that "the prison population trends indicate it will keep on multiplying."

WILSON HONORED

Atty. Gen. Will Wilson has been named by the National Association of Attorneys General as the recipient of that association's award for outstanding service in 1960. He was cited as being the most outstanding Attorney General in the nation when he received the Wyman Award at the Annual Meeting of the National Association of Attorneys General recently in San Francisco.

Award is given to the Attorney General who "has done the most to advance the objectives of the association to help make the United States a better place in which to live for all." Wilson won the honor on the basis of his contribution in strengthening state antitrust programs and in the field of interstate compacts, as well as through his service on the habeas corpus committee of the association. He also was chairman of the association's Antitrust Committee during 1960.

Mrs. Deward Awalt Presided For VFW Auxiliary Meeting

Mrs. Deward Awalt, senior vice president, presided for the regular meeting of the Auxiliary of the Veterans of Foreign Wars held Monday evening at the post home.

Plans were discussed for the Donkey Baseball game which will be played August 2, at 8 p.m. at the Little League baseball field. The VFW is sponsoring the game and Mrs. Ted Meyer was appointed chairman of the advance ticket sales for the Auxiliary.

Mrs. W. L. Collins, past president, and Mrs. C. C. Paske, junior vice president, audited the books and it was announced that a check for \$5.00 had been sent to the Veterans Hospital in Big Spring.

Mrs. Ted Meyer was installed as treasurer and Mrs. W. L. Collins served as installing officer. Seven members attended.

FAMILY PUTS 2,000 MILES A MONTH ON CORVAIR THINKS IT'S MARVELOUS GAS MILEAGE "OUT OF THIS WORLD"

Mr. and Mrs. Richard Kahelin of Plant City, Florida, couldn't be happier with the way their new Corvair has worked out as a combination family and business car. On their newspaper distribution route alone they travel more than 400 miles a week over all kinds of roads. Little wonder they're so pleased with the gas mileage they've been getting — "at least twenty-three miles to the gallon with an automatic transmission . . . and we've had no trouble with our Corvair." The Kahelins have equally good things to say about Corvair's easy-going comfort and unique convenience features. They especially like the way the fold-down seat doubles as a built-in baby sitter.

God Desires Steadfast Love is the subject for next Sunday's Sunday School Lesson. Illustration: "When Dr. Wilfred T. Grenfell was asked why he went to Labrador as a medical missionary to minister to the poor fishing folk of that region he replied: 'It is my habit constantly to ask God to teach me each day how rightly to use my faith. I have never had any doubt that He does! I ardently looked for a niche in the world suitable for my talents, and left it entirely with Him whose guiding hand I have been able to see in the events of my life as plainly as ever I saw a pilot's hand directing my vessels on the many coasts I've sailed along.'

God desires that we put our trust in Him, and when we do He guides us into those channels where we are able to serve Him to the best of our limited abilities."

Funeral Rites For J. T. Casey Held Monday In Shep

Funeral services for Joseph T. Casey, 78, of Shep, a long time resident of Runnels County and part-time Methodist minister were held Monday afternoon at 3:30 at the Shep Methodist Church. The Rev. Hubert Crane, pastor of the Stephenville Methodist Church and the Rev. Norman Patton, pastor of the Shep Methodist Church, officiated and burial was in the Shep Cemetery. Nephews served as pallbearers.

Mr. Casey, a retired farmer, died Saturday morning in Vernon following a long illness. He was born September 5, 1881 in Hollow Springs, Mississippi and came to Texas with his parents, the late Mr. and Mrs. John Casey, in 1890 settling near Oglesby in Coryell County. In 1909 he moved to Runnels County settling in the Norton-Wilmeth community. He was married to Ethel Hamner on October 4, 1925 in what is now the Mann community. The couple moved to Shep in 1942.

Survivors include his wife, three sons, W. J., John K. and Richard W. Casey, all of Abilene; two daughters, Miss Sarah Casey of Cleveland, Tennessee and Mrs.

Darrell Dean of Abilene; two sisters, Mrs. E. A. Reeves of Ballinger and Mrs. Ada Mize of McGregor and 13 grandchildren.

When you've cooked and served a dinner for eight you expect recognition and should get it.

Coming Attractions At Local Theatres

"Who Was That Lady?"

"Who Was That Lady?", the Ansark-George Sidney comedy starring Tony Curtis, Dean Martin and Janet Leigh, has its local premiere at the Fiesta Drive In Theatre. Co-starring in the Columbia Pictures' release are James Whitmore, John McIntire and Barbara Nichols; it opens Thursday, Friday and Saturday.

Tony Curtis, so superb a comedian in "Some Like It Hot" and "Operation Petticoat," again steps out in a farcical part as the handsome chemistry prof whose romantic misstep is the reason TV writer Dean Martin dreams up a wildly imaginative explanation.

Martin, it will be remembered, broke into motion pictures as the straight man of the successful comedy team of Martin and Lewis; his recent dramatic performances have overshadowed his first success as a comedian. Janet Leigh, no stranger to comedy, is cinematically re-united with her husband, Tony Curtis, after their comedy smash in "The Perfect Furlough." She plays the professor's lovely, but unsuspecting wife who suddenly "learns" he has been leading a double life.

"Five Branded Women"

A realistic and dramatic story of the sins and the loves of women in war, with a background of guerrilla fighting against the occupying Nazi forces in Yugoslavia in World War II, is told in Paramount's spectacular Dino De Laurentiis production, "Five Branded Women," which comes Sunday and Monday to the Fiesta Drive In Theatre.

Filmed in Italy and southern Austria under the direction of Martin Ritt, "Five Branded Women" boasts a starring cast of international importance: Silvana Mangano, Vera Miles, Barbara Bel Geddes, Jeanne Moreau, Richard Basehart, Harry Guardino, Steve Forrest, Alex Nicol, Carla Gravina and Van Heflin as Velko, fighting leader of the Yugoslavian partisans.

"Blue Denim"

"Blue Denim," starring three of the fastest rising young members of the acting profession, Carol Lynley, Brandon De Wilde and Warren Berlinger, is a serious insight into some of the most perplexing social problems confronting teenagers today... children unable to communicate with their parents and the unfortunate consequences of teen-age promiscuity. "Blue Denim" which opens Tuesday and Wednesday at the Fiesta Drive In Theatre, forces the spotlight on illegal operations many teenage unweds are made to seek out.

"Ulysses"

Thousands of years ago, a blind Greek poet, Homer, first spun the thrilling tale of a great warrior and sailor who fought and won a war and then wandered the Mediterranean for ten years trying to reach home and his waiting wife and son. The glorious saga, taken by all the world to its heart, became the most widely-read and loved of all epics and a hit motion picture when Paramount first released the Technicolor film version "Ulysses." Now fans will have an opportunity to see once again—or for the first time—the most exciting of all romantic adventure films, when it arrives next Saturday only at the State Theatre.

Graveside Rites Held Sunday For Former Resident

Graveside rites for J. B. Neill Jr., of Phoenix, Arizona, former resident of Winters, were held Sunday afternoon at 4 o'clock at the Northview Cemetery. The Rev. B. T. Shoemaker, pastor of the First Baptist Church, officiated.

Funeral services were held Sunday morning at 9:45 at the Ellis Funeral Chapel in Midland with Dr. L. L. Morris, pastor of the First Baptist Church in Midland, officiating.

Mr. Neill died Friday in Colorado Springs, Colorado while driving through to his home in Phoenix, Arizona.

He was born February 7, 1902 in Tehuacana, Texas and spent his early life in East Texas. In 1922 he moved to Winters where he remained until 1935 when he moved to Midland where he was in the plumbing and sheet metal business. His father was chief of police in Winters for several years. He moved to Big Spring in 1940 and in 1955 he and his family moved to Phoenix. He had been in governmental construction projects since that time.

Survivors include his wife; two sons, George of Phoenix and William of Dallas; three daughters, Mrs. Steve Sedowski of Midland, Mrs. Harvey Hawkins of Aransas Pass and Mrs. Maxine Buckalew of Big Spring; his mother, Mrs. Alice M. Neill of Midland; four brothers, Ernest, Paul and Martin, all of Midland, and Garth of Odessa; one sister, Mrs. Iris Bounds of Portland, Ore.

"The Third Voice"

"The Third Voice," a Cinema-Scope production for 20th Century Fox, is another of those rare Hollywood productions that pioneers new concepts of movie making. Filmed with wide angle lenses, the suspense thriller highlights unusual closeups and centers exciting drama around a telephone which becomes an instrument of a diabolical murder plot by a stranger (known only as "The Third Voice") and the discarded girlfriend of the victim. The film, which opens Sunday only at the State Theatre, moves along with mounting suspense and is climaxed by a surprise ending.

Martha SS Class Met Thursday In Pumphrey Home

Martha Sunday School Class of the Southside Baptist Church held their social and business meeting Thursday evening in the home of Mr. and Mrs. Charley Pumphrey.

Mrs. John Shipman gave the devotional taken from Second Peter 1:9. Mrs. J. L. Pendleton led the closing prayer.

A salad plate was served to Mrs. John Shipman, Mrs. J. L. Pendleton, Mrs. Lottie Sullivan, Mrs. Chapman, Mrs. Dave Thomas and one visitor, Mrs. Hargrove. The next meeting will be held August 11, in the home of Mrs. Lottie Sullivan.

IN FORT WORTH

Mr. and Mrs. R. Q. West and Cindy spent the week end in Fort Worth visiting with their daughters, Totsie West and Mr. and Mrs. Bill Munday.

A light-hearted leer at love among adults, "Who Was That Lady?", the Ansark-George Sidney Production for Columbia Pictures, stars Tony Curtis (right), Dean Martin and Janet Leigh.

CARD OF THANKS

We would like to thank everyone who had a part in helping us during the illness and the loss of our loved one, Mrs. C. C. Smith. Especially do we wish to thank the nurses, Dr. H. H. McCreight, those who assisted in sitting up and those who brought food. Your kindness and sympathy was greatly appreciated. May we be of help in some way to each of you is the prayer of the family of Mrs. C. C. Smith. ltp

Lawanna J. Atkins Honored Saturday With Reception

Miss Lawanna Jane Atkins of Amarillo, bride elect of Rodney Lloyd, was honored with a reception Saturday in the Raymon Lloyd home. Mrs. Raymon Lloyd and her daughter, Martha, hosted the affair which Miss Atkins was introduced to local friends of the prospective bridegroom.

Mrs. Myron Pumphrey of Abilene greeted guests and Mrs. Lloyd introduced the honoree. Miss Lloyd directed the guests to the register where Mrs. Jim Wilburn presided.

An arrangement of white carnations and stephanotis in a green frosted container centered the serving table. Green satin streamers, lettered in silver, marked the couple's names. Appointments of milk glass were used. Assisting with the serving were Mrs. Weldon Minzenmayer and Misses Jo Ann Alfrey and Bena Minzenmayer.

Both Miss Atkins and Mr. Lloyd are students at Abilene Christian College. The wedding, which is set for August 26, will be held in the College Church of Christ in Abilene.

BIRTH ANNOUNCEMENT
