

Jaycees Will Present Horse Show Here Saturday, Oct. 1

A quarterhorse show, which the sponsoring Winters Jaycees hope to make an annual event, has been slated for Winters on Saturday, October 1, according to James West, president of the Winters Junior of Commerce.

The show will be held at John W. Norman's Lazy N Stables, and the sponsors expect from 125 to 150 horses to be entered in all events. Show will begin at 9 a.m.

In conjunction with the quarterhorse show, the Jaycees are planning to hold a barbecue at Norman's stables. There will be no admission for the horse show, West said, but tickets for the barbecue will be for sale.

Bob Ballinger, of Midland, well known in quarter horse show circles, will be the judge, and several trophies, belt buckles and ribbons will be awarded.

Don Smith, Talpa, president of the West Texas Quarter Horse Association, will assist the Jaycees in the production of the show. Weldon Minzenmayer is chairman of the Jaycees horse show committee.

The show is under the sanction of the West Texas Quarter Horse Association and the American Quarter Horse Association. All horses entered in the show will be registered quarter horses.

Already Jaycee sponsors have received word that horse owners from Cisco, Coleman, Ballinger, Talpa, Ozona, Abilene, Sonora, Sweetwater and Glen Cove will be brought to Winters to enter the different events of the show.

Events in the all-day affair will include five classes of mares, five classes of stallions, one class for geldings, cutting contests, roping, and a western riding event made up of all classes.

Trophies will be awarded in the halter classes, belt buckles awarded in cutting, roping, and western pleasure classes, and ribbons in all classes.

Girl Scout Troops To Organize Soon

"The time has come to organize our Girl Scout troops for fall. We have girls eagerly waiting for troops, but a successful troop needs more than just girls; it must have qualified adult leadership." So spoke Mrs. Clem Rozmen, Chairman of the local Girl Scout Association.

"The Girl Scout organization has as its objective providing a wholesome and worthwhile program for girls seven through seventeen years of age. The Brownie program is only a beginning for Girl Scouts as they delve into the eleven program fields. The three years spent at the Brownie level builds a firm foundation in Girl Scouting and prepares girls for a more enriched experience at the Intermediate level. The three or four years in the Intermediate program are growing ones in which girls learn by doing things that enable them to become more resourceful, self-confident, capable, and better adjusted individuals.

The Senior phase rounds out the Girl Scout's total experience as she continues to enjoy program activities on a more adult level, to assume more mature responsibility and to share knowledge she has attained.

"There is no greater field for volunteer service than in the Girl Scouts of the U. S. A. We, in Scouting are proud that our adult membership has kept pace with our girl membership in the past. We hope it will continue to keep pace in the future.

"If your daughter is approaching Scout age, now is the time for you to look to the future. From time to time during the coming year adult training courses will be offered in this community. Taking advantage of these training courses will prepare mothers to enter Scouting with their daughters and to them and others the benefits of Scouting which might otherwise be missed.

"The adult volunteer in Girl Scouting will long remember the fun, the personal rewards, the deep and lasting satisfactions that come in helping girls reach maturity.

Waddell Named Director Of Auto Association

John F. Waddell, owner of Waddell Chevrolet company, of Winters, was named this week as an Associate Director of the Texas Automotive Dealers Association, the state-wide association of factory-authorized new car and truck dealers.

Waddell's appointment was announced by TADA President F. D. Mitchell of Waco. TADA, with headquarters in Austin is an organization of more than one thousand Texas new car dealers.

"The Texas Automotive Dealers Association has a history of more than forty years service and is one of the largest associations of its kind in the nation," Mitchell said. "Its purpose is to establish a higher plane of commercial integrity for those engaged in the new car and truck business, and to work together to provide the maximum in service to the buying public. We are extremely proud to have a man of Mr. Waddell's calibre accept this position of responsibility and leadership with our association."

In this post Waddell will maintain close contact with all new car and truck dealers in this area and will work directly with TADA Area Director W. W. Mason of Ozona.

Mrs. Jim Edwards spent two days last week in an Angelo visiting with her sister, Mrs. J. C. Young.

FLOYD D. MCCOY

Floyd D. McCoy Named To Alabama College Faculty

Floyd D. McCoy Jr., son of Mrs. F. D. McCoy and the late F. D. McCoy Sr., of Winters, has accepted a position at Howard College, Birmingham, Alabama. He will serve on the faculty of the School of Church Music and direct the college band. He began his duties Sept. 10.

For the past five years he has been associate secretary for the Church Music Department of the Baptist General Convention of Texas. Prior to this he had served as Minister of Music for the First Baptist Church, Odessa.

McCoy is a 1940 graduate of Winters High School, a graduate of Hardin-Simmons University and of the Southwestern Baptist Theological Seminary.

Phone Company Starts New Billing Service

A new billing feature is being put into operation by The Southwestern States Telephone Company.

Each month customers will be sent a paper bill, a machine-punched billing card and a window envelope. On one side of the punched card appears the address of the telephone business office to which payment should be made.

Telephone company officials explain that customers will simply enclose their remittance with the punched card in the window envelope, making sure that the mailing address shows through the window. The new method will make paying telephone bills by mail much easier, predicts the company.

The new billing feature was inaugurated with the company's September 11 bills.

Blizzards Frost Anson 20-18 In 40-Second Thriller

In a game which was carried by the Blizzards nearly all the way against the Anson Tigers Friday night, football fans got enough thrills in the last 40 seconds to last out the season.

Anson had nudged Winters to gain an 18-14 lead, but with only a few seconds left before the gun, the Big Blue team came downfield with the wind at their backs, tossing passes in a desperate attempt to salvage the contest.

Quarterback Johnny Caskey, on the 34-yard line, with 18 seconds left, passed to Kenneth Crowe, who took the ball on the 10 and drug would-be tacklers across the goal line to put a finish to the scoring for the night. With a score of 20-18, the Blizzards sacked up their second game of the season.

The first quarter ended in a stand-off with the score 0-0, however Winters had been able to rack up three first downs to none for Anson.

The second quarter found Winters owning the ball on Anson's 49 yard line. Vernon Poe carried around left end to the 15, then after a five yard gain by William Grissom, Joel Butts plunged the line on a trap play to the one. Poe carried over for Winters first TD. Grissom went around right end for 2 more points making the score 8-0 for Winters, with 10:54 left in the second quarter. Seven first downs were made by Winters in the second quarter to Anson's two. However, late in this quarter Anson made themselves known. After Grissom kicked to Anson's 42 on a fourth down play, Anson quarterback John Sanders pitched out to Dudley White who made three yards. Jerry Pearce lost six yards on the next play. Then Sanders pitched out to Mike Blackman who ran 62 yards for Anson's TD. Butts was the only man near him as he crossed the goal line. The try for the extra points was Sanders to Pearce—incomplete pass. The score at the halftime was called was 8-6, with Winters in the lead. Following half-time activities, after four plays from scrimmage, beginning with an on side kickoff recovered by James Williams, the Big Blue Team was on Anson's nine yard line. Grissom and Poe each carried for two yards, then Grissom went over for the TD, the extra two points were made by a toss from Caskey to Williams, but called back due to a penalty. The second try, a pass from Grissom to Crowe was incomplete. With 7:06 left in the third, 14-6 was Winters' lead.

Rodney Butts kicked off after the TD, and Anson roared back with four plays to get on Winters' one-yard line. Bailey carried over for the TD—the pass for extra points from Sanders to Bailey was incomplete—3-02 Anson narrowed the Winters lead to 14-12.

The fourth quarter was quiet until with Anson on Winters 42 yard line Sanders, on third down tossed to Richardson—interference was called against Winters, ruling the pass complete on Winters' 30 yard line. Sanders was thrown for a 12 yard loss by Center Kerwin Knapp. With 57 seconds left in the game—Sanders, back to throw again, fumbled, White picked up the ball and scooted 22 yards for the TD. Try for extra points was no good, and with 40 seconds left, Anson led Winters 18-14.

Anson's Blackman kicked off on side to Winters 48. Caskey then threw a pass, but Winters was off sides, and penalized 5 yards. He then threw to Williams, and interference was called on Anson, putting Winters on Anson's 34 yard line with 31 seconds left in the game. After one incomplete pass to Grissom, Caskey hit Crowe for the heart stopping 10 yard stumble. Only one play was completed by Anson after Rodney Butts' kick-off before the end of the game. Final score: Winters 20—Anson 18.

Wingate Youth Enlisted In US Air Force

James Hardy Bryan, 18, son of Mrs. Ruby Bryan, Route 1, Wingate, enlisted in the Air Force Tuesday at Abilene and was sent directly to San Antonio to complete his basic training.

James chose the Administrative field as his choice of Air Force jobs and he will be sent to a Technical School of his choice upon completion of basic training. James graduated from Winters High School in May, 1960.

Mr. and Mrs. Ben D. Watson and family of Abilene spent the week end visiting with her mother, Mrs. Bessie Sullivan.

Runnels County Tax Rate Is Raised 10 Cents

Runnels County commissioners Tuesday afternoon approved a county tax rate increase, upping the amount to 90 cents per \$100—10 cents higher than last year's rate.

Of the 90 cents, 62 cents will go to operating tax, interest and sinking fund will account for 18 cents, and the road and bridge fund for 10 cents.

The tax will be assessed on a property evaluation of \$27,200,000. An additional 30 cents per \$100 will be assessed Road District 3, which is made up of County precincts 1 and about half of Precinct 4.

Also approved by commissioners was an estimated county budget of \$489,595.78. Commissioners estimated county income for the coming year at \$459,912.08.

The commissioners released figures showing that during 1959, actual County General Fund disbursements totaled \$31,102.25. Estimated figure for 1960 is \$36,100.16, and for 1961, \$43,833.59.

Actual General Fund receipts during 1959 were \$138,929.24. The commission estimated receipts for 1960 at \$130,419.71, and for 1961, \$125,567.12.

Rural Mail Carriers Begin Distributing Acreage Survey Cards

Postmaster Rankin Pace announced today that Rural Mail Carriers began distributing 1960 Acreage Survey Cards to patrons on their routes about September 14.

The Post Office and U. S. Agriculture Departments cooperatively make this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1960.

To be sure this community is well represented in the survey, Postmaster Pace urges each patron receiving a card to fill it out and return it to his mailbox.

Rural mail carriers working on this project are: Ray L. Hollingshead, Route One; R. D. Collins, Route Two; W. S. Cooke, Route Three; W. E. Little, Route Four;

DR. DON BEDFORD
... New Dentist

Dr. Don Bedford To Open Dental Office Monday

Dr. Don Bedford, son of Mr. and Mrs. B. B. Bedford, will open his dental office Monday morning at 124 West State Street.

Dr. Bedford, a 1951 graduate of Winters High School, attended Tyler Junior College, University of Texas and received his Doctor of Dental Surgery degree from the University of Texas Dental Branch in Houston.

Shortly after receiving his DDS, Dr. Bedford entered the Army Dental Corps as a first lieutenant, serving a year in Korea and a year at Fort Hood Texas.

He received his discharge from the Army Dental Corps in July of 1960 and returned to Winters to enter private practice.

Blizzard Band To Participate In Band Day at ACC

The Blizzard Marching Band of Winters High School, under the direction of Robert Gans, will be one of the four double A school bands to participate in the First Annual Band Day at Abilene Christian College, in connection with the West Texas Fair.

The bands will be featured in a downtown parade at 3 o'clock Saturday afternoon, after which they will be guests of A. C. C. for supper. After a rehearsal period at Abilene Public School stadium, they will be guests of the fair, returning to the stadium in time for the ACC-East Texas State College of Commerce, football game Saturday night.

All of the participating bands will take part in a mass halftime performance, highlight of which will be presentation of trophies to the bands winning the marching competition of the parade. The Blizzard Band will be led by Drum Major Marcene Matthies.

The Winters Blizzards, with two victories on the ledger, meet the Brady Bulldogs in their third game of the season and their second homestand here Friday night at Blizzard Field.

The Winters High School team has been undergoing tough workouts this week following their tilt with the Anson Tigers Friday night in which they pulled a thriller out of the fire in the last few seconds of play. A few bruises and some injuries have shown up in the lineup, but there is no serious outbreak of casualties.

Coach L. G. Wilson and his staff expect to field a team out for a win over Brady. Observers have noted an ever-increasing streak of spirit among team members, and are predicting a tough time for the Bulldogs Friday night.

The Brady team will be on the defensive, trying to protect their state championship. However, only one starter is back from last year's finalists, Charles Reynolds, 6-2, 160-pound quarterback who had 11 scoring passes last year, and is expected to lead the Brady team in a passing attack.

Brady won their season opener against Ballinger 26-12, and had an open weekend last week.

In pre-conference play, the 7-AA district standings look something like this: Coleman, Winters, Ballinger, Cisco, and Ranger.

Probable starters on offense will be Crowe and Williams in the end spots; Clanton and John Jackson, tackle; Knapp at center; Alvis Jackson and Rodney Butts in the guard slots; Caskey as quarterback. Poe and Joel Butts in the halfback positions, and William Grissom at fullback.

Defensive lineup probably will include Eugene Mathis and John Jackson at guards, Williams and A. L. Mitchell at tackle; Poe and Stanford at end; William Grissom and Bruce Waggoner as inside linebackers; Caskey and Dunn in the halfback positions; Tommy Young, safety.

Winters Dealers Attended John Deere Showing

More than \$2 million worth of John Deere equipment, including a new line of farm and industrial tractors introduced as the "New Generation of Power," was displayed at the Texas State Fairgrounds at Dallas recently at a world-wide sales meeting. G. W. Sneed, of Mansell Bros., Winters, was one of 6,000 persons attending the three-day event and display.

About 4500 John Deere industrial and agricultural dealers in the United States and Canada were present, as well as dealers representing 17 other countries. More than 5,000 persons were airlifted into Dallas within a 24-hour period, beginning Sunday night and returned home on Wednesday during the week of the show. The meeting marked the first time the company has gathered all of its United States and Canadian dealers in one place at one time.

Other personnel of the Mansell Bros. farm equipment firm who attended a one-day session included H. M. Nichols, Marvin Seals, Howard Worthington and Luis DeLaCruz.

Mrs. C. Chapmond, Pioneer Resident, Died In Lubbock

Mrs. Carrie Chapmond, 75, pioneer resident of Runnels County and mother of Mrs. Reese Jones, died Tuesday morning at 6:30 in the Methodist Hospital in Lubbock following a long illness. Mrs. Chapmond had been making her home with her daughter, Mrs. Otis Davis in Lubbock since the first of the year and was taken to the hospital after becoming critically ill Sunday night.

Funeral services were held Thursday afternoon at 2:30 in the First Baptist Church with the Rev. B. T. Shoemaker, pastor, officiating. The Rev. J. Vickery of Lubbock, former pastor of the Harwell Heights Baptist Church, assisted and burial was in the Northview Cemetery.

Mrs. Chapmond was born October 24, 1885, the daughter of the late Rev. and Mrs. J. W. Shepherd. Her father was a Baptist minister in Arkansas for several years.

She married Alfred Chapmond in Washita, Arkansas and the family moved to Runnels County in 1919 settling on a farm west of Winters. Mrs. Chapmond moved to Winters following the death of her husband in 1927.

Survivors include two daughters, Mrs. Otis Davis of Lubbock and Mrs. Reese Jones of Winters; two sisters, Mrs. Bert McLane of Hot Springs, Ark., and Mrs. Roy Barnard of Ontario, Calif.; two brothers, Harrison and Elmer Shepherd, both of Hot Springs, Ark.; five grandchildren and 10 great-grandchildren.

CARD OF THANKS

I wish to express my thanks to our loving friends for their thoughtfulness while I was in the Veterans Hospital. Your cards, letters, pot plants and visits were deeply appreciated. A special thanks for your prayers. My wife joins me in this expression of gratitude. Ed Brandon ltc

Mrs. J. W. Bahlman Presided For Band Mother's Meeting

Mrs. J. W. Bahlman, president of the Winters Band Mothers' Club, expressed her thanks to the members who worked at the football game Friday night and to the other members who have volunteered to operate the concession stand during the football season.

The concession stand, located under the east grandstand at Blizard Field, is the means by which the Band Mothers are able to give financial aid to the Blizard Band. Fruit of their labors are new bass horns with carrying case, shown to the club at their meeting Tuesday by band director Bob Gans.

Gans also announced that 194 students are participating in the band program. This number includes the 60 piece Blizard Band (grades 9-12); 62 piece junior high band (grades 7 and 8); 37 in the sixth grade band, with 35 fifth grade beginners.

Mrs. Bahlman asked that a social committee composed of Mrs. Kenneth Cook, chairman, Mrs. Homer Stoeker, and Mrs. Buck Matthews plan a tea honoring the fifth grade mothers for the next meeting October 11. This tea, an annual affair, will be held in the homemaking cottage at 4:15 o'clock. After the tea, films of the football games half time band performances to that date, will be shown. Forty-two members and Mr. Gans attended the meeting.

Junior Culture Had President's Coffee Thursday

A president's coffee for members of the Junior Culture Club was held Thursday morning in the home of Mr. and Mrs. Hal Dry, Mrs. W. F. Byrns served as co-hostess.

Mrs. Dry, president, gave a short message to the members expressing hope for a successful year. She also welcomed a new member, Mrs. James Colburn and Mrs. J. E. Royce conducted a parliamentary drill, Mrs. W. F. Byrns, yearbook committee chairman, distributed and reviewed new yearbooks.

The course of study for the year is "Words of Wisdom" and the new yearbook was dedicated to Mrs. W. T. Billups, club mother. The club project for the year is to assist the city council in passing an ordinance for registration of bicycles in the city of Winters.

Refreshments of coffee, cakes and doughnuts were served to Mesdames Douglas Cole, associate member, Rodney Cathy, James Colburn, Bill Colburn, Wendell Holmes, Jerry Ward, Henry Richardson, J. R. Vague, Glendon Presson, J. E. Hinds, J. E. Royce, W. T. Billups and the hostesses.

Runnels County Farm Bureau Held Regular Meeting

Regular monthly meeting of the directors of the Runnels County Farm Bureau was held in the Ballinger office, at 8:00 p.m. on Thursday. The agenda for the meeting included reports from stulliers who attended the 1960 Institute held in Austin in early August as well as a report from Mr. and Mrs. Ben Frerich, and Mr. and Mrs. Hugo Vogelvang on the Old Mexico Goodwill tour of which they were a part.

Two very important items on the agenda were setting the date for the 1960 Runnels County Farm Bureau convention which will be held prior to the state convention in November. At the convention every member of the Farm Bureau takes an active part in helping to formulate the county policies which are taken to the state convention for approval by the voting delegates from the statewide county Farm Bureaus.

With fiscal 1960 drawing to a close on October 31, every County Farm Bureau throughout the state is planning clean up membership drives in order that the respective counties will have met their quota by that date.

At the September meeting of the Runnels County Farm Bureau directors, Alfred Multer, 1st Vice President and Membership Chairman will bring the directors up to date on the current membership and the necessary number needed to meet the county quota of 725 for 1960, which will place Runnels county second in the district in membership. Multer will present to the board of directors for approval his plan for the 1960 Clean-Up membership drive during which time the membership workers will canvass the entire county to enlist the support of the Farm Bureau by every Farmer and Rancher in the county.

This is a most important meeting and one which requires the attendance of the entire board as well as any and all members who wish to learn more of the Farm Bureau organization, the need for unity in the county, and to learn how the individual member can help to build the membership in this county to the desired goal, for it is only through the activity of the individual member that the Farm Bureau can grow and act aggressively in keeping with the purpose and policies of the constitution of the Farm Bureau.

The directors and members who attend this meeting, in addition to having an active part in the operation of the county Farm Bureau will be treated with some genuine Runnels County fellowship, and refreshments which will be furnished by Mrs. Marion Hays and Mrs. Alfred Multer.

WCS Met Tuesday At Methodist Church

Woman's Society of Christian Service of the First Methodist Church met Tuesday at the church for a covered dish luncheon and officer training program.

Mrs. Owen Bragg of Crews, district secretary of promotion, presented the program and guests from Crews, Drasco, Wingate and Ballinger attended.

CARD OF THANKS

Words become inexpressive when attempting to describe gratitude and appreciation for the many acts of kindness and thoughtfulness expressed by our neighbors, friends during the illness of my mother, Mrs. Nettie Lucas. Your physical assistance, flowers, food and consoling words have served as strengthening pillars of support. May the Lord bless you in your hour of need as he has used you to support us in our sorrow. Mr. and Mrs. W. B. Traylor.

Mrs. Guttirsz Died Wednesday In Local Hospital

Mrs. Olivia Morine Guttirsz, 21, of Edroy died Wednesday morning at 4 o'clock in Winters Municipal Hospital. Mrs. Guttirsz became ill Tuesday noon and was admitted to the hospital at that time.

She and her husband, Guadalupe Guttirsz, were living on the Pete Davidson farm where they were picking cotton. Mrs. Guttirsz was born March 7, 1939 in Sinton. She was a member of the Catholic Church.

Services were held Thursday morning at the Mt. Carmel Catholic Church with Rev. Julius Johnson officiating. Burial was in the Lakeview Cemetery.

Survivors included her husband and twins, a son, Leonell and a daughter, Lenora, her parents, Mr. and Mrs. Ramon O'Beale, all of Sinton. She is also survived by several brothers and sisters.

Organic Matter Important In Runnels SCD

Maintaining soil organic matter is important in the Runnels Soil Conservation District, says James Barnhill of the local Soil Conservation Service. Organic matter is made up of plant and animal residue says Barnhill. The amount of organic matter in the soil at any time depends on the amount of residue being returned to the soil and the rate in which the residue decays. Among those things affecting the speed of decay are temperature, moisture and tillage.

Barnhill mentioned the amount of organic matter will be higher in fields where large amounts of residue are returned to the soil and where mechanical tillage is kept to a minimum. Tillage operations tend to hasten the decay activity.

Soil protection from wind and water erosion is also important in maintaining organic matter, Barnhill says. The lighter organic materials are readily removed from the soil by washing and blowing.

IN ABILENE

T. F. Smith visited in Abilene Sunday in the home of Mr. and Mrs. Hugh Wimberly and Mrs. W. T. Dedmon and attended a birthday party for Marsha Bond at Kiddland Fair Park. Marsha is the daughter of Mr. and Mrs. R. G. Bond and granddaughter of Mr. and Mrs. Hugh Wimberly and great-granddaughter of Mrs. W. T. Dedmon.

WEEK END VISITORS

Week end visitors in the home of Mr. and Mrs. W. L. England were Mr. and Mrs. Bud Busher and Kelly of Abilene, Mr. and Mrs. Bill Shoemaker and Tommy of Lubbock.

NOTICE

Ladies Division of the Winters Country Club will have a called business meeting Monday, September 19, at 7:30 p.m. at the club house.

Pick Up Birds Is Advice From Warden Chief

"Pick up those birds," warns the director of law enforcement, Game and Fish Commission. "Some hunters are careless about recovering their kills when they go into the field to hunt doves and white wings. These people are detrimental to the honest and responsible hunters and fail to see the damage this causes to the bird crop."

The director encourages every hunter to make an honest attempt to search out any and all birds killed or wounded. He reminds shotguns that picking a stand is important to the recovery of birds. First, don't shoot a bird if it will fall into heavy brush. "It's best to let the bird escape than to waste it," he said.

Second, if you shoot a bird, be certain to mark it even if it falls into an open field. "Get a line on something in the background and walk straight toward it keeping a sharp eye on the ground. A dove blends well with the soil in most areas."

One reminder suggested by the warden chief is that "even if a hunter fails to recover his birds, he had better keep a close count of them. Wardens will be in most areas, and they will apprehend a hunter for shooting more than his limit, whether he picks them up or not."

Those hunters who abide by the law and have faith in rules and regulations can help themselves by reminding irresponsible hunters who leave their birds lie, that

Retiring Workers Should See SS Agency Early

Retiring workers were advised to call on the Social Security Administration two or three months before the date of retirement by Floyd B. Ellington, District Manager of the San Angelo office.

"Early application for the social security benefits will enable us to attend to the necessary details and avoid a delay in the payment of the first check," he said.

"Claims for the retirement and family insurance payments require some action before they can be certified to the Treasury Department for payment," according to Ellington. "By filing early, payment can be made soon after retirement."

An applicant should bring some evidence of his age and an earnings statement showing the amount of his wages in the last year. The self-employed person should furnish a copy of his latest income tax return.

No appointment is necessary to file a claim. The representative, F. Neil Tarvin of the San Angelo social security office will be in Winters in the Chamber of Commerce Building Wednesday from 10:00 a.m. to 12:00 noon during the next three months on the following dates: October 12-26, November 9-23, December 14-28.

America is in tune. It must be sung together.

Threatened Revolutions Based On Determination To Get More for Less

On The Atlantic Ocean. As I travel about the world I am concluding that we, the people of the United States, pay the highest taxes of any nation with a responsible government. We know the direct tax bill which we get from our cities and towns, based on real estate assessments, and the direct tax bills which we get from our counties, states and Federal Government; but we fail to recognize the indirect taxes we are paying. No other country which I annually visit has such indirect taxes.

What Are the Indirect Taxes?
When I have a meal costing a \$1.00 or more in many states there is a tax added to the bill.

All of our states have gasoline taxes ranging from 2 cents to 8 cents a gallon, in addition to the federal tax. When we travel on a turnpike, or over certain bridges, the toll is another form of taxation. Some cities and states also have sales taxes which are added to the cost of our daily purchases. You may think that the government pays you your Social Security, but really you have been taxed for this for many years. Then there are the liquor and cigarette taxes and the taxes you pay when you send a telegram, make certain phone calls, and buy transportation tickets. There are many others, too, which I could mention.

The greatest unseen tax which every consumer in the United States pays is the corporation profits tax. This applies to all corporations. It means that up to 52 per cent of the profits of all corporations must be paid to the federal government in taxes. Those of you who receive semi-annual reports from corporations in which you hold stock know what they pay in income taxes. These taxes, however, are added to the price of the goods which the corporations sell. Hence, when you buy anything from your local stores (except food, drugs, and a few other necessities) you rebate to the producers 52 percent. This includes refrigerators, cooking stoves, television sets, radios, as well as almost all the furniture for your house. You pay this through the increased price tag which absorbs the 52 percent.

Taxation Gives Employment
Strange to say, these taxes we pay give employment to people. With less taxation there could be more unemployment. Hence, this taxation-employment is a sort of "ring around the rosie," or is like a monkey trying to climb a wheel in his cage. It is almost like a man trying to cure himself of drinking by taking more drinks! With some nations of Europe the taxation system has ultimately resulted in socialism, revolution, or communism.

With each of the presidential candidates trying to outdo the other in promises, I don't know what the end will be. I continue to be glad that I am an American citizen. There is no other part of the world where I would rather live than in the United States. We pay for both our misfortunes and our comforts by higher taxes, and yet these taxes are a "Shot in the arm" to prolong our present prosperity.

Is the U. S. a Welfare State?
No it is not, compared with many other countries in Europe. The most marked example is Sweden, which I visited last year. There the mother is helped while the baby is being born, and is cared for during the first five years. Citizens can get free hospital service as well as free education. The railroads, telephones, and busses are owned by the people. The government builds and operates co-operative stores and many places of amusement. However, I found these were not appreciated by the people; instead, they were complaining about the high taxes. This is also evident in Denmark, and even in England.

Human nature seems to be about the same all over the world, although I found a better spirit in West Germany than anywhere else. There the people seem to realize that in the end they get what they produce, and hence are willing to labor hard and do excellent work. The threatened revolutions throughout the world today, whether in Cuba or Central Africa or Southeast Asia, are based on a determination to get more and do less. However, the situation in China, which I hoped to visit this year but have been forbidden to by our government, is based upon people awaking from a sleep of many centuries. Here are 650,000,000 people, with 1,000,000 being added every month!

Mr. and Mrs. J. D. Landers of San Saba spent the latter part of last week visiting in the home of Mr. and Mrs. Eddie Little.

Motor Vehicle Inspection Began Sept. 1 for 1961

Texas Public Safety Commission has designated September 1 as the beginning of the 1961 Motor Vehicle Inspection period in Texas. The period ends on April 15, 1961.

Colonel Homer Garrison, Jr., director of the Texas Department of Public Safety, said today that 4,700 inspection stations will be ready on Thursday, September 1 to attach the new 1961 inspection stickers to the windshields of more than four and one-half million vehicles coming under the provisions of the Motor Vehicle Inspection Act. All such vehicles must display the new sticker on April 16, 1961.

Garrison said, "We feel that the vehicle inspection program in Texas has proved a deterrent to vehicle accidents on our streets and highways." He urged all motorists to get their vehicles inspected before the bad weather of winter begins.

"It takes just a few minutes to have a vehicle safety checked," Garrison said, "Yet those few minutes thus spent today could mean the saving of someone's life tomorrow."

Garrison noted that the per cent of accidents in which vehicle defects were causative factors has been cut approximately in half since the program was started in Texas.

The fee for each inspection is \$1.00 plus any repair or adjustment necessary. The average cost for inspection in 1960, including the \$1.00 fee, was \$2.00 per vehicle.

BACK TO WORK WE GO

No vacation is long enough and your young folks now go back to school. Geography may be difficult, due to changing boundaries, but arithmetic remains an exact science — and answers come correctly — if there is no mistake.

Education teaches the need for a regular schedule. There is much to be done. Each day has its tasks. Those pupils are fortunate who learn the importance of regularity. When they have incomes of their own, they will be the ones who manage their money wisely and thus build a solid foundation for success.

Teachers, students, parents — this bank will be pleased to serve you in any way. For a better community tomorrow, we know the schools are the start.

Mrs. M. Kincannon Died Thursday In Municipal Hospital

Mrs. Mattie Irene Kincannon, 75, pioneer resident of Runnels County, died Thursday morning at 4:30 in Winters Municipal Hospital where she had been a patient since Wednesday. She had been in ill health for several years.

A native Texan, Mrs. Kincannon was born September 1, 1885, in Edge, Texas. She moved to Runnels County in 1902 with her parents, the late James and Margaret Slaughter, settling in the Maverick community. She married Victor Hugo Kincannon April 16, 1905 at Maverick. Mr. Kincannon died on July 4, 1949. Mrs. Kincannon has lived with her daughter, Mrs. L. E. Allen, for several years. She was a member of the Baptist Church.

Funeral services will be held Friday morning (today) at 10 o'clock in Spill Memorial Chapel with the Rev. B. T. Shoemaker, pastor of the First Baptist Church, officiating. Burial will be in the Evergreen Cemetery in Ballinger. Survivors include her daughter, Mrs. L. E. Allen of Winters; one grandson, Aubrey Lee Roper of Houston, formerly of Winters; two great-grandchildren; two sisters, Mrs. Molly Young and Mrs. Lilly Beard, both of Austin.

Girl Scout Ass'n To Meet Monday In Clem Rozmen Home

The Winters Girl Scout Association will have their first fall meeting, Monday, September 19, in the home of Mrs. Clem Rozmen on the Abilene highway beginning at 9 a. m. It was announced this week by Mrs. Clem Rozmen, community chairman of the association.

In announcing the meeting, Mrs. Rozmen emphasized the fact that Girl Scouting is a volunteer organization and depends on the public not only for financial support but for adult volunteers of the community willing to aid in the work. She invited all the board members, leaders, co-leaders and adults interested in citizenship training for girls of the community to attend this meeting and to lend their support to this fine program.

Mary Lou Wilkerson Celebrates Birthday In Hobo Land Mon.

Guests wore hobo attire when they helped Mary Lou Wilkerson celebrate her tenth birthday on September 12. Hobo Land, back yard of the J. C. Wilkerson home, was the scene of the party.

Various games and contests were played during the afternoon. Kilah Graves was voted the best hobo and Babs Tatum was the lucky hobo. Prizes were drawn from a knap sack grab bag.

The birthday cake was fashioned like Mr. Hobo, with ten multi-colored candles on his gaily decorated shirt. Kool-aid was served in tin cans and fruit jars and hobsos had ice cream in paper cups.

After a treasure hunt the guests found knap sacks filled with candy as their party favors.

Attending the party were Kay Lynn Rives, Gwen Wheeler, Sheila Kraatz, Babs Tatum, Jo Nell Simmons, Becky Slack, Jill Matthews, Mary Fairey, Cynthia Pinkerton, Kilah and Sandy Graves, Sandra Reed, Tawyna Waggoner, Marla Weems, Eileen Faubion, Jeri Cox, Mary Lou Wilkerson, Jim and Joe Wilkerson.

Others who visited Hobo Land during the party hours were Mrs. Noel Graves and Nollis, Mrs. Robert Kraatz, Mrs. J. Simmons, Mrs. Noble Faubion, Mrs. Ernest Adams. Assisting Mrs. Wilkerson with party duties were Mrs. Albert Sykes and Mrs. Ralph Wheeler.

ATTENDED REUNION

Those from Winters who attended the Nelms Reunion held in the home of Mr. and Mrs. Heard James and sons, Melvin and Johnny were J. T. James, Mr. and Mrs. Bill Milliron, Mr. and Mrs. W. L. Burton, David and Tommy T-Sgt. and Mrs. Bob McClelland and daughter, Debra, of Waco also attended the reunion.

VISITED BROTHER

Mr. and Mrs. Bill Milliron spent Sunday night in the home of his brother, Mr. and Mrs. Floy Milliron. The McClellands were Sunday visitors also.

FROM JAL, N. M.

Mr. and Mrs. Colonel Jones of Jal, N. M., were recent visitors in the home of Mrs. J. S. Sanders and Elsie Lee.

ATTENDED MEETING

Mrs. Floyd Sims, National Flower Show judge, was in Abilene Monday to attend the National Council of Judges quarterly meeting at the Garden Center.

Daniel Says State Convention Not the Place To Debate Democratic Platform

By VERN SANFORD
Texas Press Association

He will not try to muzzle anyone who wants to complain about the National Democratic Party platform, says Gov. Daniel. But the state Democratic convention in Dallas Sept. 20 is not the place, said the governor, to debate the pros and cons of the national platform. This convention, he said, is traditionally for the purpose of writing a state platform and certifying Democratic nominees for state office.

Edward J. Drake, chairman of the Dallas County delegation, wrote the governor that the Dallasites would like to have a "full and factual" discussion of the na-

tional platform at the Sept. 20 meeting.

Governor Daniel said there are planks in the National Democratic platform to which he is definitely opposed. But he said he didn't feel there was enough difference between the Democratic and Republican platforms to justify criticizing one without applying the same criticisms to the other.

Governor Daniel said he was definitely opposed to freeing the Texas Democratic electors, as proposed by some, to vote for whom they please. He said he felt it was a matter of "simple integrity" for the Democratic electors to vote for the Democratic candidates if the party carries the state.

Since the Los Angeles convention, the governor's position has been to work for the Democratic ticket without endorsing the total platform.

SCHOOLS NOT PENALIZED
A ruling by Atty. Gen. Will Wilson has provided a way out for Texas schools faced with conflicting state and federal orders regarding integration.

State law provides that a school system which integrates without approval of local voters loses state aid. Wilson ruled that this does not apply if the school is complying with a federal court order to integrate.

However, the ruling did not knock down the state law in question. Wilson said that schools that are not under federal court order and integrate without approval in a local election would still lose state aid and accreditation.

Immediately affected were two large school systems—in Houston and Dallas—both of whom are under court order to begin gradual integration plans.

SALES TAX NEED SEEN
Next year's money needs will be so staggering the Legislature will have to resort to sales taxing, general or selective, to keep the boat afloat.

This prediction is made by Sen. William S. Fly of Victoria, chairman of the Texas Commission on State and Local Tax Policy. Fly was defeated in his race for reelection last May but contended his tax stand had nothing to do with it.

Those who do come back, said Fly, may face the need to raise as much as \$108,000,000 in new money. This is the estimated new revenue need if the Legislature enacts bills to raise teacher pay and provide medical aid for older persons—both programs with wide popular support.

Latest report by the tax study group shows that Texas families are now paying less state taxes than the national average. Annual state tax bite on a theoretical "average" Texas family is \$115.89 a year. Nationally, the "average" family pays a state tax bill of \$235.51 a year.

MEDICAL AID URGED
Legislation to provide state-federal payments for medical care for Texans on old age assistance has near-top priority on his list, says Governor Daniel.

He noted that there are in state mental hospitals some 3,000 older persons who are not really mentally

ill, but who have no other place to go.

A medical aid program that would make possible the care of these people in nursing homes or their own homes would be "a great step forward," said the governor.

Enactment of such a program, he told the statewide Conference on Aging, is "near the top of the list of unfinished business of this administration."

He noted that a constitutional amendment to make such a program possible was approved by Texas voters nearly two years ago.

INVESTMENT EASING SOUGHT
State Board of Education will ask the next legislature to pass a law allowing investment of some of the permanent school fund in corporate stocks and bonds.

Object would be to obtain higher earnings from the \$400,000,000 trust and provide a hedge against future inflation. Investment in corporate securities has already been allowed under the law for the University of Texas permanent fund, but the public school fund is limited to government bonds.

Board of Education also went on record as favoring salary raises for Texas teachers, noting that teachers trained here are being lured away by higher salaries in other states. No specific amount was suggested for the raise.

YOUTH COUNCIL HARMONIZES
With past differences smoothed over, the Texas Youth Council is now in accord over the executive director's purchase of government surplus buildings.

Earlier, Council Chairman W. C. Windsor Jr., of Dallas had declared that Dr. James Turman did not have authorization to purchase the two buildings for \$230. Other two Council members backed up Turman. Windsor called a special meeting to look into the matter.

After conferences, which Governor Daniel also attended, Windsor announced he was completely satisfied.

Turman said he had been offered \$25,000 for one of the buildings purchased for \$150 but that the contract with the government forbade such a re-sale.

One building is to be used to provide a classroom for Negroes at the Gatesville School for Boys and the other a lunchroom for the Gatesville School for Girls.

SHORT SNORTS
August collections for the state wine, liquor and cigarette taxes totaled \$9,611,005, reports State Treasurer Jesse James. This is an increase of \$2,473,188 over August collections a year ago which was before tax increases went into effect. . . . State general revenue fund ended the fiscal year last month with a deficit of \$34,572,407.

Revenue for the year was \$1,252,298,961 — an all-time high, but not enough. . . . State Department of Agriculture has announced the beginning of a demonstration livestock auction market news program beginning Oct. 16. Two

Luncheon For Diversity Club Held Saturday

A president's luncheon for members of the Diversity Club was held Saturday, September 10, at Pierce's dining hall. Mesdames Russell Lilly, Roy Young, W. T. Billups and Noel Reid, all members of the yearbook committee, served as hostesses.

Lunch was served from a linen laid table centered with an arrangement of yellow gladiolus.

Mrs. Roy Young, president, presided and Mrs. Noel Reid, yearbook chairman, presented the new yearbooks and discussed the year's course of study, "Explore with Federation."

The program was on the collect of the club and Mrs. W. T. Billups gave a short sketch of the life of Mary Stewart, who died in 1943, and the history of the collect. The eight parts of the collect were given by Mesdames Noel Reid, Roy Young, C. L. Bellis, Clarence Ledbetter, Sam Jones, H. B. Livingston, Earl Roach and W. B. Middleton.

In the president's greeting, Mrs. Young expressed her appreciation of the honor and confidence the club has shown her in electing her president. She also stated that this year marks the beginning of a new era in Texas Federation, with the creation of fourteen new districts in Texas. We should be drawn closer together with other clubs in our area and accomplish more through federation. However, she stated, to accomplish any good depends

upon our ability to work together and accept our personal responsibilities as a club member.

Mrs. Young stated that we cannot overlook the importance of protecting and improving public health, our public schools, the moral and spiritual well-being of the community. We must intelligently and conscientiously study public measures and issues and investigate candidates for our public offices. We should exercise our privileges with voice in the government under which we live and work to protect our basic freedoms of speech, worship, and the right to plan for and with our children.

The Texas Federation theme for this year is "Applied Knowledge is Power." The Heart of Texas District theme is "Look Forward, Educate, and Progress Will Follow." With these thoughts, the Diversity Club has chosen "Explore with Federation" for this year's course of study and has chosen maintenance of the headquarters

building in Austin and study of Finland as the two special projects of the year.

In a called meeting last week, Mrs. G. E. Wilson was elected as a new member and Mrs. W. T. Billups was named delegate to the State Board meeting to be held in Austin, September 15-16.

Those present were Mesdames C. L. Bellis, W. T. Billups, W. M. Bunker, J. W. Dixon, Sam Jones, C. R. Kendrick, Clarence Ledbetter, Russell Lilly, H. B. Livingston, W. B. Middleton, Noel Reid, Earl Roach, Loucille Roberts, J. E. Smith, Fred Young and Roy Young.

LADY—

WOULD YOU DO THIS FOR 1¢ AN HOUR?

Electricity will!

That's about what it costs to run a vacuum cleaner for an hour.

ALL around your home, electricity is lending a helping hand for the same low wages. It helps you with the washing, cleaning, cooking, even entertaining. Think of the ways you put electricity to work for you, and the wonderful things you'd never have without it. Don't you agree that your electric service is just about your best bargain today?

HERE'S A BARGAIN!

For less than 3¢ the average family, served by WTU, can cook a complete meal the modern electric way . . . and enjoy the cleanliness and convenience of Flameless Electric Living.

Winters FFA Boys Exhibit Animals At Abilene Fair

Several members of Winters Chapter, Future Farmers of America, are exhibiting animals at the West Texas Fair in Abilene this week. They carried the animals to Abilene Sunday evening.

Vocational Agriculture instructors, Lon McDonald and Leland Robinson, accompanied the Winters boys to the fair.

Boys attending and animals exhibited included Mike and Jerry Priddy, Dorset sheep; John and Alvis Jackson, Angora goats and Rambouillet sheep; Jerry Frieron, Corriedale sheep; Eugene Mathis, Rambouillet sheep; Kenneth Adams, Hampshire hogs; Pat Pritchard Jr., Suffolk sheep and Hampshire hogs. Pritchard also entered the tractor driving contest.

Instructors and boys will return Saturday night.

Fire Damages Hendrix Home Friday Night

Fire, believed to have started in the attic over a closet, did considerable damage to the furnishings and interior of the Bill Hendrix home Friday night.

The fire department answered the call at 9:30 p.m. and had the main fire out in a very short time. When firemen arrived, the blaze had spread to the interior of the house setting furniture, some clothing and other items ablaze.

Firemen were at the scene about an hour and forty minutes putting out the blaze.

The Hendrix family managed to save some clothing, but furniture was reported a total loss and the interior of the house was seriously damaged by fire, smoke and water.

until 15 years ago when she began making her home with her children. She was a member of the Baptist Church.

Survivors include three daughters, Mrs. G. B. Shandley of Wichita Falls, Mrs. J. B. Baker of Lubbock, and Mrs. J. F. Crow of Fort Worth; one son, Homer Bibbs of Dublin; eight grandchildren, and a number of great-grandchildren and two brothers. A son, Howard, preceded his mother in death.

Albany Game Tickets On Sale Sept. 21

Although there will be no reserved seat tickets offered for the Albany-Winters game, set for Friday, Sept. 23 in Albany, general admission tickets will be on sale at the Winters school business office Wednesday, Sept. 21.

School officials have asked that those who plan to attend the Albany game buy their tickets before going to the game, to avoid standing in line.

IN CLYDE

Mr. and Mrs. G. W. Scott Jr., Carolyn, Sam and Rickey spent Sunday with Mr. and Mrs. Winford Hogan and boys in Clyde. Hogan is a coach and a teacher in the Clyde Schools.

USDA's Plentiful Food List For September

Grocery shoppers will find a lot of broiler-fryers available in Texas food markets this September. They are featured among the six items listed as plentiful for the month, reports the Agricultural Extension Service, Texas A and M College.

Turkeys are another poultry plentiful. Lamb, melons, peanut butter, and a wide array of late-summer vegetables complete the list.

These foods were selected by the U. S. Department of Agriculture for special emphasis in this area because the supply of each is expected to exceed normal demand. Homemakers can take advantage of the abundance by serving these foods often.

September broiler-fryer marketings are expected to run about 5 percent more than a year ago. Look for meaty, tender, flavorful young chickens, from 2 to 3 1/2 pounds.

The number of turkeys expected to be marketed in September is about the same as a year ago, but total weight may be higher

because there will be more of the heavy breeds. Both chicken and turkey provide ideal fall-weather entrees for family fare.

There'll be lots of lamb for National Lamb Week, September 15-20. Slaughter has been averaging about 6 percent more than a year ago.

Plentiful melons include watermelons, cantaloups, honeydews, Cranshaws and Casabas. The late summer watermelon crop is expected to be especially huge.

Choice of late-summer vegetables will vary in different localities but good supplies of onions, carrots, squash, cabbage, eggplant, potatoes, sweet corn and many others will be available.

HERE TUESDAY

Mr. and Mrs. Frank Pierce, W. B. Dodger of Brownwood and Mrs. Ollie Davis were Tuesday visitors in the home of Mr. and Mrs. G. W. Scott Jr. and family.
