# Talk

**R. C. THOMAS**

The Enterprise's invitation to use its columns in talking to the voters their ideas and opinions has had some results. With promises of more to come, the invitation stands, and the past is urged to take advantage of it. Only in this way can the public be properly informed and stand taken by the persons who are in a position to run the business affairs in the months and years.

We enjoyed Monday's blizzard as much as most of us, even in the face of little inconveniences as wet slippery sidewalks and an occasional snowball. But there is something we'll never be caught even if the snow piles up deep to a tall dog—never will we try to remove the snow in the manner we tried the night. Started clearing the sidewalk and driveway with a shovel, in the conventional and honored manner, when a neighboring neighbor suggested by the rotary lawn mower, the rotary motion probably blew the snow off, with little effort and less chance of a red back.

We trotted out the lawn mower in the process of trying to get it started when two neighbors came by. They only went the other way, talking one another in low tones, since then they've been looking strangely, with a shake of the head. It's back to the shovel next time, or the snow can melt the Fourth of July.

Elliott, pastor of the First Baptist Church, says he may wear overalls when he preaches next Sunday. He had a ministers' meeting in last weekend. After the meeting, he left his car in Dallas accompanied a preacher friend worth to spend the night; along a plastic bag with him in it, but forgot and left it in the car, in Dallas. He left Fort Worth the next day and went to Dallas to get the left his suit in Fort Worth.

Give a pig and a boy what they want. You'll get a pig and a bad boy.

News coming out of Washington about the appointments of the new cabinet to this or that office recall the story of an incident during the Harding administration. Seems that a certain man was chairman of the National Currency Committee, and was frankly disappointed at the nomination for a high position on the Reserve Board.

Do you think of this nomination as an inquiring Washington correspondent asked the Senator. "I think it is a darn outrageous," the senator replied. "More outrageous than anything I've ever seen." "Why don't you wear your hat on your hind legs to confirm him?" the reporter asked. "Why don't you wear your hat on your hind legs to confirm him?" the reporter asked. "Why don't you wear your hat on your hind legs to confirm him?" the reporter asked.

American people may spend more money on chewing gum than on anything else. Judging from some of the products on the list that we have seen we haven't got good ones.

Dolan, who writes the "West Texas" column in the Fort Worth Star-Telegram, read this little item for his column. "The people at Waddell Company in Winters undoubtedly wish that a prefix hadn't been added to the firm's telephone number. A person must call a Plymox prefix to reach the Chevrolet dealer."

**Winters Will Show To Jaycees**

Dobbins, president of the County Farm Bureau, will lead a Farm Bureau public relations tour to members of the Junior Chamber of Commerce at their regular meeting Wednesday, Feb. 15. Hugo Dobbins will assist Dobbins in the tour.

Jaycees meeting will be at 7:30 p. m. Wednesday at Pierce's Cafe.

## City Contracts To Furnish Water For Winters Atlas Missile Site

The City of Winters has contracted to furnish water for the Winters Atlas Missile site east of town. Negotiations were completed Wednesday afternoon by the City Council, and all that remains is final approval by Strategic Air Command Headquarters, Omaha, Nebraska, Mayor Harvey D. Jones said.

The city will build and maintain water transmission lines from the city lake to the missile site, and will be reimbursed by the Air Force, officials said.

Other business completed by the City Council in special meeting was adoption of an election procedure ordinance, setting up regulations for the conduct of the city election April 4.

## Dr. Roy C. Maddox Died At Home Thursday Morning

Dr. Roy C. Maddox, 72, who had been a dentist in Winters approximately 35 years, died unexpectedly at his home Thursday morning. He suffered a massive hemorrhage.

Born October 26, 1888 near Concordia, Kansas, he was married to Adelen Brossau June 5, 1917 at Zurich, Kansas. During World War I, Dr. Maddox served as a dentist in the 353rd Infantry in the Medical Corps. He served during several battles in Germany and France. Following his discharge, he and his wife moved from Kansas to Abilene where he practiced dentistry with his twin brother, Dr. Ray Maddox.

In 1925 Dr. and Mrs. Maddox and their two daughters moved to Winters where he has been a dentist since that time. He was a member of the National and State Affiliation of the Dentistry Association.

He was a member of the Roman Catholic Church, having his membership in the Mt. Carmel Catholic Church in Winters. He was a member of the Knights of Columbus of Council No. 2163 of Abilene, Winters Veterans of Foreign Wars, the Roy Scoggins American Legion Post, and the Winters Lions Club.

Rosary will be said by the Rev. Julius Johnson Friday evening at 8 o'clock in Spill Memorial Chapel. Mass will be said Saturday morning at Mt. Carmel Catholic Church with burial in Elmwood Memorial Park Cemetery in Abilene.

Survivors include his wife, two daughters, Mrs. Sedic Poe of Abilene and Mrs. David M. Jones of Dayton, Ohio; eleven grandchildren and a twin brother, Dr. Ray Maddox of Abilene.

## Lions Club Chili Supper Feb. 21

Tickets went on sale this week for the annual Winters Lions Club chili supper, to be held Tuesday, Feb. 21, in the school cafeteria. Serving hours will be from 5:30 p. m. until 8 o'clock.

J. C. Wilkerson is in charge of ticket sales. Proceeds from the chili supper will go to the Lions Crippled Children's Camp.

## Sandra Hord Named 1961 Homemaker of Tomorrow in WHS

Sandra Hord has been named the 1961 Homemaker of Tomorrow for Winters High School, it was announced this week.

Having received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating seniors, she becomes a candidate for the state Homemaker of Tomorrow award which will be announced in March.

The first ranking girl in each state will be awarded a \$1500.00 scholarship and the second ranking participant will receive a \$500 scholarship.

## Winters Girls Are Tied For District Lead

The Winters High School basketball team is in a two-way tie with Lakeview for the lead in district cage competition. Each team has a 5-1 conference record. The Winters girls have beaten the Lakeview girls one game, and have lost one game to them.

Season's record for the Winters girls is 23-4, with two more games left to play. The Blizzardettes will meet Cisco Monday, Feb. 13, at Cisco, and then play the Coleman girls here Saturday, Feb. 18.

If the local girls win both of these games, and if Lakeview comes up with wins, the two teams will meet in a play-off at a later date.

The Winters girls lost to Hawley, the tournament winners, in the Hardin-Simmons tourney held in Abilene recently.

Nancy Spill and Lou Awalt, Blizzardette forwards, are leading point makers for the Winters girls sextet. They have a season's per-game average of 20 to 30.

## Revival Begins Sunday At Crews Methodist Church

A revival at the Crews Methodist Church begins Sunday, February 12, and will continue through February 16, according to an announcement made this week. Services will be held at 7 p. m. each evening.

"Enlistment for Christ" will be the theme of the revival and the Rev. Frank Stone, pastor, will be the speaker.

The public is cordially invited to attend.

## IN HENDRICK HOSPITAL

Myra Glover, librarian for Winters Public Library, had surgery Tuesday morning in Hendrick Memorial Hospital, Abilene. Her condition was reported satisfactory Thursday morning.

## VFW and Auxiliary To Sponsor Heart Fund Drive Here

VFW Post No. 9193 and its Auxiliary will sponsor the 1961 Heart Fund campaign. Mrs. W. L. Collins of Winters will be chairman of the campaign, according to Dr. T. G. Coleman, president of the San Angelo District Heart Association for Runnels County.

In accepting the appointment, the new campaign chairman pointed out that local Heart Fund contributions make possible the support of cardiovascular research in Texas and aid scientists in clinics and university laboratories throughout the nation.

Research, she said, has top priority in the Heart Association's program and in the past 12 years, has been responsible for great progress in saving hearts through new methods of diagnosis, treatment and prevention. Additionally, she said, Heart Fund dollars support broad programs of public and professional education and community service "which bring the benefits of research back to all of us."

Although great scientific advances have given Americans new hope that further controls and possible prevention of some heart and blood vessel diseases will be achieved within the next decade, deaths from cardiovascular disorders each year still exceed the total number of deaths from all other causes combined, she pointed out.

"The heart and blood vessel diseases are still the nation's No. 1 health enemy," she said. "And I believe that if we can firmly establish this fact in the minds of the residents of our community, they will recognize the importance of putting the Heart Fund at the top of their gift list for health."

"I am proud and happy to accept the chairmanship of the 1961 Heart Fund drive in an effort to accomplish this objective," she added.

The Heart Fund Drive in Winters will be held beginning Feb. 7 through Feb. 17, with all business firms being contacted by 5 p. m. Feb. 10, and all residential sections by 6 p. m. Feb. 17. In the event you are not contacted, please mail your check to Mrs. W. L. Collins, Box 612.

Monday's snowstorm, part of the storm which dumped snow over a big part of Texas, caused some slowdown of activities in this area, and brought education to an abrupt halt for two days in the Winters schools. The schools were closed Monday and Tuesday, but were operating again Wednesday.

Traffic on the two through highways in Winters was cut to some extent by the icy weather, but was back to normal about Tuesday, it was reported.

Upwards of 8 inches of snow was received in this immediate area, with some communities reporting 2, 4 and 6 inches. The biggest snowfall apparently was to the west, with areas around Winger receiving at least 8 inches, according to some observers.

In Winters, the snowfall measured up to 8 inches, and as little as 2 inches in some parts of town.

## Three Candidates File Certificates, Others Indicate Plans to Campaign

Three persons have filed official certificates of candidacy with the City Secretary's office, for the City election April 4, and others have indicated plans to do so within the next few days.

Ralph Lloyd and Barney Bryant, incumbent councilmen, have filed for re-election, and T. A. Smith has filed as a candidate. Two places will be filled.

Mayor Harvey D. Jones has said he will file in the very near future for re-election to the office he now holds. George Poe's name was given to the City Secretary as a candidate for the office of Mayor, but as of Thursday morning no certificate had been filed, the City Hall reported.

Griff Brown has said he will file as a candidate for alderman, but had not completed filing requirements Thursday morning. A. C. Ernst told The Enterprise last week he would be a candidate for alderman, but has not filed.

Mayor Jones said Wednesday that all election supplies have been received by the City Secretary's office, and are available for use by any person who desires to enter the race for the mayor's office or as a candidate for alderman.

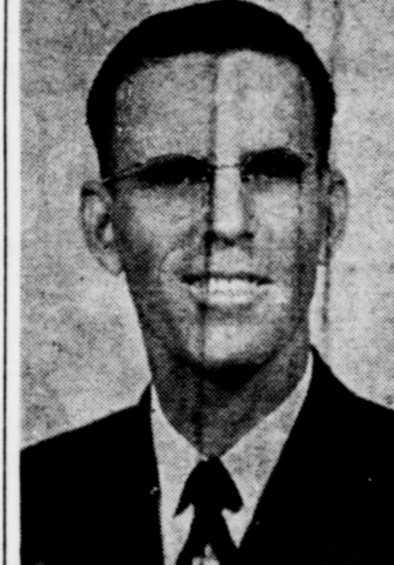

## Letter To The Editor: All Candidates Must File According To State Law, Says Winters' Mayor

The question regarding the manner in which persons must file as candidates for election to City office has become prominent within the past several days. The City election will be held April 4, at which time a mayor and two city aldermen will be elected.

In relation to this matter, Mayor Harvey D. Jones has written the following letter to The Enterprise:

The law concerning filing for office has not been followed in our town election may have their names printed upon the official ballot on application to the County Judge, if for a county office, or to the mayor, if for a city or town office, such application being in the same form and subject to the same requirements herein prescribed for applications to be made to the Secretary of State in case of State or district independent nomination; provided, that in county elections it shall be necessary for nomination of independent candidates for the independent candidate to file a petition with the County Judge, signed by five percent (5%) of the entire vote cast in such county at the last general election, endorsing such candidate for a particular county office. And provided further, in elections for a city or town office, it shall not be necessary that independent candidates be nominated, but anyone otherwise qualified may have his name printed upon the official ballot for a particular office by filing his sworn application with the Mayor at least thirty (30) days prior to the election day and by paying such filing fees as may be required by Statutes or by charter provisions."

It appears to me quite clear (Continued on last page)

REV. ALBERT BAKER

## Methodists Will Begin Revival Sunday Night

The Rev. Albert Baker, pastor of the Asbury Methodist Church in Fort Worth, will be the evangelist in a five-day revival at the First Methodist Church beginning Sunday, Feb. 12, and continuing through Feb. 16.

Theme for the revival will be "Warm Up Your Heart," and services will be held each day at 7:30 p. m.

Different organizations within the church will sponsor the several services. The Methodist Men's Club will sponsor the services for Monday, Feb. 13, and will present an all-male choir. The WSCS and Ladies' Sunday School classes will sponsor the services for Tuesday, Feb. 14.

The Youth Department of the church will sponsor the services on Wednesday evening.

Following services each evening a fellowship hour will be held in the basement of the church.

The Rev. Mr. Baker is a native of the Winters area. He graduated from high school, and has two brothers, Hugh and Joe Baker, who are residents of this city.

The public is cordially invited to attend this "Enlistment for Christ" revival at the Methodist Church.

## Local Stock Raisers To Exhibit Stock In Houston Show

Four local stockmen will exhibit their stock at the 1961 Houston Fat Stock Show, February 22 thru March 5.

Joe Yocham, a member of the Winters Chapter of the Future Farmers of America, will exhibit an Angus Scramble calf in the Junior Division.

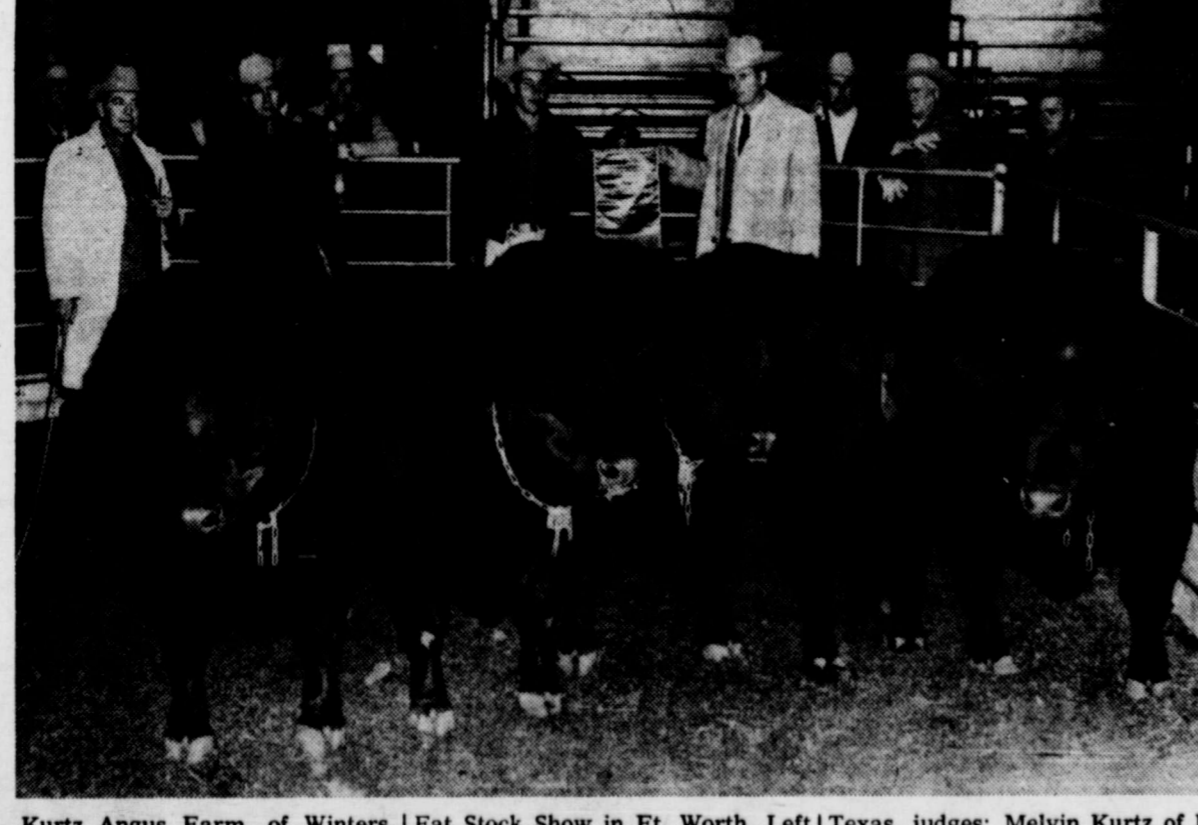

Mike and Jeryl Priddy will exhibit 14 Dorset breeding sheep and Bobby Penny will exhibit eleven Southdown breeding sheep in the Open Show.

Jerry Frierson, member of the Winters 4-H Club will exhibit 8 Corriedale and 6 Hampshire breed sheep in the Junior Division.

New records have already been established for this year's show, the 29th annual event.

Houston will have the largest steer show and the largest junior livestock show in the nation. It also boasts the largest amount of premium monies paid anywhere, more than \$160,000 to livestock alone.

On a national basis, it will also have the most teams in judging contests and will present the most trophies (over 300 trophies valued in excess of \$7,000). Houston has long held the title of having the World's Largest Calf Scramble.

## State Farm Income Over \$2 Billion For Third Year

The 1960 estimated cash income to Texas farmers and ranchers amounted to \$2,209,219,000, the third straight year in which total in-

come was well in excess of the two billion dollar level.

At the same time, 1960's total income was down 3.2 percent from 1959, which came out at \$2,300,906,000.

Income in 1960 for all crops amounted to \$1.2 billion, while income from livestock was a little over \$1 billion. This represented an increase in livestock receipts over the \$895,261,000 realized in

1959. But it was not enough to offset the drop from \$1,405,645,000 for all crops in 1959 down to \$1,200,000,000 in 1960.

The increase in cash income for livestock was principally the result of a 24 percent increase in cattle marketing in 1960 over 1959. Average prices for cattle were down about 16 percent, but heavier marketings more than offset the drop in prices.

Shrinkage in farm cash income for crops was due largely to the drop in proceeds from cotton and cottonseed. Farmers received 15.9 percent less for their smaller cotton crop in 1960. Farm cash income for cottonseed was 15.3 percent less in 1960 than in 1959.

However, there was a spectacular increase in income for Texas wheat growers, which gained 27.6 percent in 1960 over 1959. Income for wheat in 1960 was \$135,475,000, compared with the 1959 income of \$106,205,000. At the same time, income from sorghum grain dropped six percent, from \$207,479,000 in 1959 to \$194,968,000 in 1960, a direct result of a huge over-supply of corn in other states which was a development of U. S. Department of Agriculture policies.

The Texas crop production index for 1960, compiled by the Texas Crop and Livestock reporting service, stood at 138. This was two points greater than 1959 and was equal to the 1958 level, which was the second greatest crop year in Texas history. The production year for Texas agriculture was 1949. In that year the index, which includes 13 major crops, reached its all-time high of 145.

Best opinion is that, assuming normal weather conditions, the Texas crop output in 1961 will continue at least on a level with that of 1960. Livestock production is expected to show some increase over 1960, and this could develop some gain in total cash income. But, as elsewhere in the nation, Texas farmers and ranchers are caught in the severe cost-price squeeze which has severely diminished their net.

Congressman O. C. Fisher  
by a five-vote margin the House  
overrode the packing of the  
Rules Committee. By this  
two liberal Democrats and  
Republican will be added to  
Committee's membership —  
by shifting control from a  
conservative majority to a  
liberal control.

A coalition composed chiefly of  
liberal Democrats and liberal  
Republicans steamrollered the  
measure.  
Reminiscent of the old Supreme  
Court packing days, observers  
viewed this action as a device to  
enactment of extra spending  
and welfare state measures.

In recent years the Rules Com-  
mittee has served as a balance  
and a bulwark against ex-  
cessive spending schemes, and  
has saved the American taxpayer  
billions of dollars. This arouse-  
ment of House radical - lib-

Action (ADA) and Walter Reu-  
thorn's Study Group ap-  
peared to Speaker Sam Rayburn  
and their drive.  
Actually there is more to this  
than meets the eye. Propo-  
sals claimed the Rules Com-  
mittee would block the five-point  
plan which President Kennedy  
said he wants Congress to en-  
act at this session. But they fail  
to explain that every one of the  
Kennedy proposals was voted  
on (but not enacted) in the  
last year after being clearly  
approved by the Rules Committee! And  
Committee Chairman has given  
clearance will again  
clear this year.

Why all the furor for the  
change? Here's one possible clue:  
The existing law and procedure  
for appropriation bills, for ex-  
ample, contains funds for purposes  
previously authorized by an  
act of Congress, such items may  
be taken out on a point of or-

the power to "Waive" the right to  
raise such points of order. This  
Rules Committee action, is ap-  
proved, could conceivably pro-  
vide a field day for the free spend-  
ers, who except for the "waiver"  
device, might never get their pet  
schemes authorized by Congress.

The Rules Committee also recom-  
mends whether any amend-  
ments may be offered to a bill,  
and can limit amendments to  
those approved by the Committee,  
etc.

Believing that the cause of good  
government can best be served by  
maintaining an independent Rules  
Committee, not dominated by  
pressure groups, I joined with six  
other Texas Members in resisting  
heavy pressures and voting a-  
gainst the packing scheme.

It may be of interest to report  
that preceding the vote I received  
many letters, telegrams and tele-  
phone calls on the subject, com-  
ing chiefly from my district. By  
actual count 366 of these opposed  
and 12 favored the attack on the  
Rules Committee.

### Abilene Woman Guest Speaker For T-C Garden Club

Mrs. Brownie Fitzgerald of Abilene was guest speaker at the regular meeting of the Town and Country Garden Club Wednesday afternoon in the home of Mr. and Mrs. Robert Everett.

Mrs. Fitzgerald presented an interesting program on landscaping yards. She pointed out special ways of drainage of the lot as the first requirement and placement of house on lot and size in comparison to other houses are necessary.

"The house is the focal point of the lot, the doorway is the focal point of the house and there should be no obstruction of the view. There should be a sense of exact balancing, one of each on each side," the speaker said. She also stressed the need of parking area in your planning.

Slides were shown to the group showing landscaping of front and back yard. She stated there should be only one center of interest in the back yard, such as a sundial, fish pond or barbecue pit.

Mrs. R. L. Briley presided for a short business session and officers were elected for the coming year.

The new officers are: President, Mrs. R. L. Briley; first vice president, Mrs. L. G. Wilson; second vice president, Mrs. L. G. Wilson; secretary, Mrs. Henry McCreight; treasurer, Mrs. D. L. Moreland; parliamentarian, Mrs. George Rosson; reporter, Mrs. F. C. Mills.

Refreshments were served to Mesdames D. L. Moreland, Floyd Sims, L. G. Wilson, Clem Rozmen, Henry McCreight, F. C. Mills, George Rosson, Jack Harrison, George Briley, R. L. Briley, Robert Everett and the guest, Mrs. Brownie Fitzgerald.

### Double Six Club Met Friday In Albro Home

Refreshments were served and several games of forty-two were played.

Members present were Mr. and Mrs. Floyd Sims, Mr. and Mrs. A. N. Crowley, Mr. and Mrs. Lawrence Jacob, Mr. and Mrs. E. F. Albro. Guests present were Mr. and Mrs. R. C. Simpson, Mr. and Mrs. Ira McNeill, all of Wilmeth.

Veterans of Foreign Wars Post and Auxiliary will have a meeting Monday evening at 8:00 at the post home, according to an announcement by Tex Meyer, commander.

Returned Saturday from a visit to the coast. They spent a couple of days

### Jaycee-Ettes Met In West Home For Game Party Tues.

Winters Jaycee-Ettes met Tuesday afternoon in the home of Mr. and Mrs. James West for a game party.

Games of bridge and canasta were played and door prizes were won by Mrs. Morris Robinson and Mrs. Bill Chapman. Birthdays were celebrated by Mrs. Johnny Wilson and Mrs. John McAdoo.

The next regular business meeting will be held Feb. 21 in the home of Mr. and Mrs. Morris Robinson and the next game party has been set for March 7, in the Floyd Sims home.

Refreshments were served to Mesdames Harold Poe, James Buxkemper, Floyd Sims, John McAdoo, Bill Chapman, Obie Bradford, Johnny Wilson, Morris Robinson and Mrs. Sue James of Sanderson, a guest.

### PROCLAMATION

WHEREAS the heart and blood vessel diseases are this nation's and this community's Number 1 health enemy, accounting for more deaths than all other causes combined;

WHEREAS these diseases are responsible for widespread suffering and often create serious economic hardship in homes and businesses in our community;

WHEREAS medical authorities agree that only through scientific research will we eventually find new knowledge for the control of the heart and blood vessel diseases;

WHEREAS the Heart Fund Drive is the Number 1 defense against these disease, supporting research to develop improved methods of diagnosing, treating and controlling heart and blood vessel disorders, and making possible an effective program of education and community service to bring the benefits of new knowledge to all citizens;

AND WHEREAS the Veterans of Foreign Wars and its Ladies Auxiliary have taken on the tremendous job of conducting the 1961 Heart Fund Drive in the City of Winters, to speed this vital work;

THEREFORE, I, Harvey Dale Jones, Mayor of the City of Winters, Texas, proclaim that the Month of February be observed as Heart Month in this City. I urge our citizens, through their businesses, civic and other organizations and homes to participate in this drive and give it their most cooperative assistance.

HARVEY DALE JONES  
Mayor of Winters.

FROM GEORGIA  
Mrs. V. E. Bowman and baby daughter, Beth, of Rome, Ga., returned home Friday after spending a month visiting in the home of her parents, Mr. and Melvin Mapes.

"HIGH TIME" — Fabian and Tuesday Weld star in this madcap production coming to the State Theatre Sunday and Monday. Returning to the screen in this picture is Bing Crosby. Setting for the picture is a college campus.

### WINGATE NEWS

George Cathey has returned home after spending several days in Hendrick Memorial Hospital in Abilene.

Mr. and Mrs. Bob Loyd were recent visitors in the W. W. Wheat home.

Mr. and Mrs. T. K. Martin of Santa Anna were visitors here over the weekend and attended the basketball tournament.

Mrs. Clarence Huckaby is a patient in Winters Municipal Hospital.

### Husband of Former Resident Retires At Ft. Sam Houston

A retirement ceremony at the Medical Field Service School Tuesday, Jan. 31, honored First Sergeant D. L. Gunn, who retired after serving more than 20 years in the Army. Sgt. Gunn is married to the former Wauldean Yates, daughter of Mr. and Mrs. W. J. Yates.

Sgt. Dunn entered the Army in September, 1940 at Ft. Bliss, Tex., and served in the Pacific Theatre with the First Cavalry Division the last two years of World War II. He spent two years at Ft. Sam Houston before going to Tarleton State College as an instructor in Military Science for four years. He was with the occupation forces in Germany for three years and returned to Ft. Sam Houston for several months before going to Waco, where he served with Recruiting. He returned to school in January 1953, and assumed the duties of First Sergeant of the 566th Ambulance Company, 37th Medical Battalion.

Sgt. and Mrs. Gunn have three children, Ronny, Debbie and Jana. They plan to make their home in San Antonio.

Mr. and Mrs. W. B. Guy visited in Abilene last week with their children.

The Hal Langford family has moved from the Humble Camp to Darrouzett which is northeast of Pampa near the Oklahoma line. Joey stayed on here to participate in the tournament and was a guest of Mr. and Mrs. Wesley Dean. Mrs. Langford and Meryle came for him over the weekend.

Due to snow and icy weather school was closed Monday and Tuesday.

### Mr., Mrs. O. H. Green Observed 25th Anniversary

Mr. and Mrs. O. H. Green Jr. celebrated their twenty-fifth wedding anniversary with open house at their home Sunday afternoon. Their children, Carolyn, Kay and William Green served as hosts.

Carolyn greeted the guests and presented the honorees. Kay presided at the register.

The tea table, laid with white lace, was centered with a three-tiered wedding cake decorated with pink rose buds. Noleta James ladeled punch from a crystal punch bowl and Darlene McWright served cake. Other table appointments were crystal.

Mr. and Mrs. Green were married February 5, 1936, in Ballinger and have made their home in Winters since that time. Mrs. Green is the former Ora Ferguson, daughter of W. E. Ferguson of Winters. Approximately 35 called during the afternoon.

### More Coverages Under S. Security

Parents working for their sons or daughters in a trade or business are now covered for the first time under social security according to Floyd B. Ellington, District Manager of the San Angelo social security office. The 1960 amendments to the social security law, signed by the President on Sept. 13, 1960, still excludes work performed by a parent in the home of a son or daughter. However, work that a parent does for a son or daughter in a trade or business is now covered, if a bona fide employer-employee relationship exists.

Ellington stated such a relationship exists if the person for whom the "employee" works has the right to direct and control him in the way he works both as to the final results and as to details of when, where, and how the work is to be done. The employer need not actually exercise control; it is sufficient that he has a right to do so.

Many parents whose employment will be covered under this new provision have already earned social security credits for other work they have done in the past and the change in the law will make it possible for them to earn additional credits towards retirement, survivors, and disability benefits.

Ellington concluded by stating that parents working for their grown children in a trade or business who do not already have social security cards will need to apply for one. Applications can be obtained from any post office or the San Angelo Social Security office. The first report of their wages and payment of taxes due must be paid on or before April 30, 1961, and their social security number must be entered on that report.

### IN HOSPITAL

Arthur Grant of Itasca, father of Floyd Grant, fell near his home on January 26, and broke his hip. He underwent surgery the following day in Harris Memorial Hospital in Itasca and is convalescing nicely. Mr. and Mrs. Grant and Butch were in Itasca weekend before last.

### Mrs. Jerry Irvin Honored At Gift Tea Friday P. M.

Mrs. Jerry Irvin, the former Joan Songster of York, Neb., was complimented at a gift tea Friday afternoon in the home of Mr. and Mrs. James Colburn.

Other hostesses were Mesdames Reese Jones, Court Meeks, J. C. Martin, Bill Milliam, Pete Davidson, W. W. King, D. C. Robertson, James Huddlestone, T. I. Goodwin and J. F. Richie.

Mrs. Colburn greeted the guests and introduced Mrs. Joe Irvin, mother of the bridegroom, the honoree, and Mrs. R. E. Burrus, grandmother of the bridegroom. Mrs. Huddlestone and Mrs. Davidson alternated at the register which was a white bride's book.

The tea table, laid with white linen, was centered with an arrangement of orchid and white mums in a crystal container. Other table appointments were of crystal. Mrs. Richis poured coffee from a silver service and Mrs. Jones served cake squares decorated with orchid rose buds.

Other hostesses alternated in showing gifts to approximately 35 attending.

### Girl Scout News

Brownie Troop No. 5 met Thursday afternoon at the Scout Hut for their regular meeting. Brownies began making "money-bunnies" from felt. They will finish them at the next meeting. At the closing the girls learned the vanish game.

Melinda Wilson served nibbles to Shirley Allen, Kei Bedford, Linda Raye Brice, Christine Cathey, Rebecca Gilbert, Kaye Graham, Margaret Hernandez, Lynne Hill, Sherri Loyd, Roxie Redman, Linda Kay Talley, Opal Waldrop, Marla Weems, Melinda Wilson, Patricia Hill and the leaders, Mrs. Wayne Wilson and Mrs. Clifford Hill.

### Triple Four Club Met Recently In Billups Home

## C of C Committee Heads Named

Chairmen for the standing committees of the Winters Chamber of Commerce were named by President A. W. Libbe at a meeting of the board of directors Tuesday morning.

Members of the committees will be appointed at a later date. Chairmen are: Retail trade, Harry London; agriculture and livestock, Harry Herman; civic and public affairs, John Norman; publicity, Walker Tatum; public relations, Bob Loyd; industrial, Homer Hudgins; government affairs, T. E. Meyer; streets and highways, Mord Tucker; oil and gas, Russell Mote; membership, A. W. Libbe.

During the course of the meeting Libbe asked board members to talk with other businessmen to get their thoughts on proposed projects that they would like to see carried out this year.

John Norman will head the special committee in charge of Public School Week observance. Libbe announced that the membership drive will be held in March. Members of the board voted to pay the light bill for the season for the Little League baseball field.

The board discussed proposed plans for highways 53 and 83, the airstrip, and the livestock show.

### House of Representatives Organized, But Some Dissatisfaction Is Noted

By VERN SANFORD  
Texas Press Association

Organized but in some quarters, highly disgruntled, the Texas House of Representatives is down to business.

Speaker James Turman did what comes naturally. He gave committee chairmanships, down the line, to those who supported him in his race for speaker. Key committees have a solid majority of Turman men.

Supporters of Turman's opponent, Rep. Wade Spilman of McAllen, are not happy with their assignments. Mostly experienced legislative hands, they can be expected to do some land mining along the path of the slim Turman majority.

Among chairmen of major house committees are these: Revenue and Taxation, Rep. Charles Ballman of Borger; Appropriations, Rep. James M. Cotten of Weatherford; State Affairs, Rep. Bill Hollowell of Grand Saline; Constitutional Amendments, Rep. Charles Sandahl Jr. of Austin; Education, Rep. Malcolm McGregor of El Paso; Agriculture, Rep. Grainger McElhane of Wheeler; Livestock and Stock Raising, Rep. Steve Burgess of Nacogdoches; Insurance, Rep. Murray Watson Jr. of Mart; Congressional and Legislative Districts, Rep. C. W. Peary of Temple; Highways and Roads, Rep. Alonzo Jamison of Denton; Judiciary, Rep. L. Dewitt Hale of Corpus Christi; Banks and Banking, Rep. Ben Lewis of Dallas; and Game and Fisheries, Rep. D. Roy Herrington of Port Arthur.

Lt. Gov. Ben Ramsey of San Augustine had named his Senate committees several weeks ago.

Sen. Wardlow Lane of Center heads the Senate's State Affairs Committee. It's a post he held four years ago for the 55th Legislature. This is the committee that will consider new tax bills after they have passed the House. Money raising measures must originate in the House.

Appropriations, the other half of the money raising-money spending puzzle, will be handled in the Senate by the Finance Committee, headed by Sen. Ray Roberts of McKinney.

Other Senate committee chairmen are: Sen. George Moffett of Chillicothe, Agriculture and Livestock; Sen. Robert W. Baker of Houston, Banking; Sen. Charles Herring of Austin, Claims; Sen. Louis Crump of San Saba, Constitutional Amendments; Sen. Crawford Martin of Hillsboro, Contingent Expenses; Sen. A. M. Aiken Jr. of Paris, Counties, Cities and Towns; Sen. Andy Rogers of Childress, Education; Sen. Culp Krueger of El Campo, Game and Fish; Sen. Bruce Reagan of Corpus Christi, Insurance; Sen. Preston Smith of Lubbock, Interstate Cooperation; Sen. Dorsey Hardeman of San Angelo, Jurisprudence; Sen. David Ratliff of Stamford, Labor and Management Relations; Sen. Abraham Kazen Jr. of Laredo, Legislative, Congressional and Judicial Districts.

Tax referendum pushed. Two bills have been introduced to allow voters to express their tax likes and dislikes directly in a referendum at the April 4 senatorial election.

Rep. Wesley Roberts of Lamesa introduced a measure which would allow voters to make a choice between a sales tax, income tax or payroll tax. Rep. Henry Fletcher of Luling introduced a similar bill with additional choice of selective sales taxes.

Meanwhile, these have been added to the money-raising measures introduced in the House:

A 2 percent general sales tax, exempting groceries, school lunches, prescription drugs, farm machinery, seed and fertilizer, by Rep. John Allen of Longview. Estimated yield: \$80,000,000 a year.

A revised formula for franchise taxes on interstate corporations, by Rep. Franklin Spears Jr. of San Antonio. Estimated yield: \$10,000,000 a year.

A temporary (one-year) increase in the gas production tax from 7 to 10 percent, by Rep. George T. Hinson of Mineola. Estimated yield: \$22,500,000.

SS FOR LAWMAKERS  
Social security deductions from Legislators' salaries will be paid by the state under a bill finally passed by both Houses.

This bill stirred up fireworks in the House where it passed only 76-75. Rep. R. A. Bartram of New Braunfels was spokesman for those who deplored the legislators' spending more money on themselves in the face of the recent salary raise and the state's

### Kittrell Offered Post in U. S. Office of CDM

(Bill) Kittrell, of Dallas, reports that he has been offered a post in the Office of Civilian Defense Mobilization, according to a news item in The Dallas News Feb. 5. He is also a brother of Frank Kittrell of Abilene, and is known in Winters from his visits here.

Kittrell has been long active in state and national politics although he never has sought an elective office. He operates the Texas Clipper Service, which he will turn over to his daughter, Louise Kittrell.

According to the Dallas news-clipper, reports from Washington indicated that President John F. Kennedy has already approved the nomination of Kittrell, a senior assistant officer after World War II, to be Secretary of State Education. The appointment is being backed by Vice President Johnson, Speaker Sam Rayburn and Sen. Ralph Yarber.

The Dallas paper said Kittrell would go to Washington Thursday for a final consultation about the post. He said the post probably would be, initially at least, that of consultant to OCDM Director Frank Ellis of Louisiana.

Operation of OCDM includes the right of strategic minerals, and Mrs. P. Poole reports that the mission of "alternate capitals" as defense installations at Abilene, Texas, Battle Creek, Okla., and six other sites, and the distribution of books and plans for fallout shelters.

Kittrell, who was reared in Cisne, Mo., and attended the University of Texas, was secretary of the Texas Democratic delegation to the 1952 Chicago convention which nominated Franklin D. Roosevelt; he was secretary of the Democratic state executive committee in 1954. He was transportation officer during the United Nations organization meeting in San Francisco in 1945, and later held the post under Stettinius which took him to Libya, Turkey, Egypt, Lebanon, Israel and Syria.

### Star Gas Co. Has Extensive Work In West Texas

The Star Gas Company and its wholly owned subsidiary, Lone Star Producing Company, plan to invest more than \$9.3 million in the West Texas area during 1961 to maintain and strengthen natural gas service.

The expenditure is part of a \$33.6 million initial investment budget approved for Lone Star's service area during the year. The company now serves more than 857,000 residential, commercial and industrial natural gas customers in and around 462 towns and communities in Texas and Southern Oklahoma.

The \$9.3 million expenditure for West Texas, some \$1.8 million will go for service lines, and regulators; extensions and replacement of distribution mains; warehouse and building improvements and various other service facilities. This money will be applied in the Star's West Texas Region of distribution consisting of some 100 towns and cities comprising the areas of Ballinger, Brownwood, Cisco, Colorado City, Comstock, San Angelo, Seymour, Stamford, Sweetwater, and Wichita Falls districts.

The \$4.5 million will be spent on extension and replacement of distribution and gathering pipe, construction of and addition of pipeline plants, compressor stations and dehydration plants. An estimated \$3 million of this money is used on construction of a 18-inch natural gas transmission pipeline, dehydration and compressor station in the West Texas area.

### Vehicle Licenses Due Renewal In February, March

February - March is the renewal period for motor vehicle license plates in Texas, announced State Highway Engineer D. C. Greer.

Texans will notice a newly designed license plate for 1961. A different style of letters and numerals have been used to make the plate more readable from a distance. Black letters and numerals on a white background is the color scheme for 1961.

A new numbering system will be used for some classifications such as trailers, truck tractors and buses. These classifications will have a one-letter prefix with from two to five digit numerals. For example: A trailer number could be A-10 or A-12345. The numbering system for other classifications will remain the same as 1960. The change in the system was brought about by the ever increasing number of registered vehicles in Texas.

The Texas Highway Department estimated that vehicle registration in Texas for 1960 will total 4,800,000. This places Texas third in the nation in registered vehicles following California and New York. "Texas should reach the seven-million mark by the end of this

decade," Greer said. "There are more vehicles in Texas today than there were Texans in 1920 and the percent of increase in motor vehicles in Texas in the last four decades is twenty times the percent of increase in population. There are two Texans for every Texas-registered motor vehicle."

Greer stressed the importance of registering all automobiles and trucks in the county of the vehicle owner's residence.

"Do not ask the County Tax Collector to violate the law. He is required to demand to see your certificate of title and 1960 license receipt before he can issue your 1961 plates."

The penalty for operating a vehicle without home-county license plates is the same as operating a vehicle with no plates at all. Court fine can be as much as \$200, plus being required to register in the home county with a 20 percent penalty of the annual fee. Refunds cannot be granted for the illegal plates.

Owners registering illegally in 1961 can expect to face court charges.

"Don't risk an illegal registration," Greer urged. "Remember, too, that a portion of all registration fees stays in your home county to benefit your local community."

### Coming Attractions at Local Theatres

**"Seven Ways From Sundown"**  
"There'll always be a Western—and I'm glad."

That's the candid opinion of one of Hollywood's leading actors, Audie Myrphy, who heads the cast in "Seven Ways From Sundown," Universal-International's unusual Western drama in color, and coming Friday and Saturday to the State Theatre.

"I'll certainly never forsake Westerns," adds Myrphy. "I'd like to do at least one a year, more if possible, regardless of other story plans I may have."

Audie, whose co-stars in the new outdoor adventure are Barry Sullivan, Venetia Stevenson and John McIntire, began his movie career in two-gun dramas and doesn't want to quit.

"The basic tale of a Western is ageless and universal in appeal," he says. "It's normally American but the message reaches audiences everywhere — perhaps that's what accounts for their acceptance throughout the world."

**"High Time"**  
Bubbling over with comedy, songs and zany hi-jinx "High Time," starring Bing Crosby, Fabian, Tuesday Weld and Nicole

Maurey, a Twentieth Century-Fox CinemaScope, DeLuxe Color release opens Sunday and Monday at the State Theatre.

The college campus has been the setting for a good many movies but never have the portals of higher education been entered by as many merry madcaps as in Charles Brackett's production of "High Time."

The comedy ball starts rolling from the minute Bing Crosby, a 51-year-old self made millionaire decides he wants a college education and enters as a freshman at Pinehurst College. Upon entrance he finds himself in the dormitory with his new roommates Fabian, Richard Beymer and Patrick Adriarte.

Thus the story starts and it doesn't end till four years later when "Der Bingle" gets his sheepskin. In the interim he goes thru the agonies of gym class; the tortifications of fraternity "Hell Week" . . . washing cars, shining shoes, "Siring" the members; the climbing of a rickety pyramid of crates at the class bonfire and the tortures of romance with Nicole Maurey, the school's French teacher.

Crosby's movie and recording

triumphs are known throughout the world. Since the days of his radio success with the Paul Whiteman band he has steadily risen to the pinnacle of the entertainment world.

Fabian is a household word these days with his many hit records

and his performance in 20th Century Fox's "Hound Dog Man."

### National Electrical Week

February 5-11, 1961

MAKE  
**Electricity**

WORK FOR YOU

**E**LECTRICITY, probably more than any other source of energy, has been responsible for the high standards of living enjoyed by millions of Americans today. The nation is more productive, healthier, wealthier, and more secure — thanks in large part to the number of tasks electricity performs.

Today's people live longer because electricity accomplishes the labor that formerly drained their strength and impaired their health. Mass production would be impossible without electricity. At the touch of a button or switch, electricity goes to work in factories, homes, on farms, on the land, in the air, and under the sea — doing the work of millions of people and enabling millions more to enjoy more ease and convenience than ever before. In medicine and in science, electricity enables man to study areas as yet unexplored. Today's children can look forward to a future in which electricity will make even greater contributions to their health, comfort and security.

Electricity stands ready to do even more in the way of improving the world in which we live, whether it is the world of business, science, medicine, research, entertainment. Electricity is ready to create more jobs and whole new industries. It is ready to take on increased tasks on the job, in homes, on farms and in factories. Electricity and its abilities are boundless — they need only to be called upon to serve. This is the electrical industry's message during National Electrical Week, a message to its own employees and to the public: **MAKE ELECTRICITY WORK FOR YOU.**

NEW GENERATION OF POWER  
to Highlight Full Program**

"Deere Day in Winters," free to all area farmers and their families, will be Thursday, February 23, 7:00 p. m. at the State Theatre, according to Mansell Bros., local John Deere farm equipment dealers.

"We're going to bring 'Deere Day in Dallas,' which everyone has heard so much about, to Winters. All the films shown in Dallas will be shown here," Mansell Bros. said, "and we're expecting a big turnout."

Deere Day will afford farmers their first opportunity to see John Deere's new line of tractors in actual demonstrations in the field. It will also give them a chance to see the many new features that have caused this new line to be hailed as the biggest advance in farm power in years. Reports from those who have seen these new tractors indicate that they promise to speed up field operations to a new pace, mainly through convenience features and more usable power that promise to cut a huge swath in the daily work load.

Another film expected to attract a lot of attention from the farmer audience is "Men, Ideas, and Tractors." In this picture, the audience is admitted to the John Deere Research and Engineering Center to see firsthand the fascinating story of the birth of a new tractor line. Viewers will be taken back many, many months to the time that the de-

cision was made to design an altogether new tractor line. They'll see how all preconceived notions of farm tractor power were discarded, how components and assemblies were developed and tested, and how the tractors themselves were subjected to thousands of hours of the most grueling field work before winning the nod of approval of designers and development engineers.

In a film review of farming over the past 75 years, the audience will get a true picture of the amazing progress in farm equipment. The film is interlarded with historical events that paralleled the many equipment advances help the audience establish the dates of actual occurrences.

"It's a What's New program from end to end," Mansell Bros. said. "There will be line-up of new machinery also, including a new John Deere Rake, Baler, Reversible Plow, and the new 105 Combine. Of course there are other machines, too, that farmers won't want to pass up a chance to see for the first time."

A variety of musical features round out the program which is tailored to inform and entertain the entire family. The program will be held at the State Theatre on Thursday, February 23, and will begin at 7:00 p. m.

# BRADSHAW NEWS

Blessings are what we purchase; and the purchase is made of God." —Ed-  
 Drasco Baptist Church, Rev. B. T. Shoemaker, pastor of First Baptist Church, Winters, discussed and showed slides of his trip to South America last year. After the program, coffee, cocoa and cinnamon rolls were served. Attending from Shep were Mr. and Mrs. Howard Hurt and from Bradshaw

Mr. and Mrs. Barney Gibbs and Mr. and Mrs. Odas Claxton and Lynn Cornelius.

Saturday morning at the Moro Baptist Church a group met to do some repairing inside the building and yard work. Lunch was served at noon. The group included Pastor Jack Bedford, the Earvine Careys, the Reed McMullans, the Clyde Reids, the Russell Gruns, W. S. Shaffer, Dube Tate, Mr. and Mrs. E. J. Reid.

The key verse to next Sunday's Sunday School lesson is: "I am the light of the world; he who follows me will not walk in darkness, but will have the light of life." John 8:12. The meditation is by Merle D. Broyles. "Have you ever witnessed a sunrise? Along the skyline, there's a bluish-gray light, wavering, swaying, receding, battling for a permanent place. But the sun has marshalled his battalions and puts to flight the army of darkness. Day has come and night has fled away.

"Old Simeon, the prophet, saw the sunrise. The parents of little Jesus brought Him to the Temple as was the custom of the law. The prophet gave expression to a wonderful vision he had. As he took the Child up in his arms, the effect was to turn the switch of the eternal and light up the centuries ahead. In that brilliant light he cried:

"Lord . . . mine eyes have seen thy salvation which thou hast prepared in the presence of all people, a light for revelation to the Gentiles, and for glory to the people Israel."

"Jesus Christ is the guiding light of the world! His light guides us from less to more, from domination to concern, from prejudice to brotherhood, from immorality to morality, from weakness to strength, from materialism to spiritual sensitivity."

Special days next week are for: Clay McIver, Randall Sneed and Mike Helm, the 12th; Mrs. Bob Herrington and R. Q. Butler, the 13th; L. H. ## Blizzards Broke Jinx — Beat Bluecats For First Time In 13 Years At Coleman

By BILLY LYNN LITTLE

Thirteen years is a powerful long time — for thirteen years Coleman's Bluecats ruled their basketball den with an iron hand. The Winters Blizzards have made thirteen trips to Coleman's gym since it was built in 1948, only to have the massive structure send them on a long 35-mile trip home, going over the might-have-beens that always accompany a basketball loss. The trip wasn't so long Friday night—this time the onetime mighty Bluecats had the remorseful task of reviewing their own might-have-beens. Coach Jerry English and his Blizzards broke the jinx that crushed 12 previous Winters boys' teams, 57-48.

From the very beginning it seemed almost certain that the end of the reign was near as the Blizzards jumped off to an 18-12 first quarter lead. This, however, had happened before — other teams had seen their first quarter lead crumble under the great comeback power of Coleman teams. Even this time, near the end of the second quarter, the Bluecats led by two points—for the first—and what was to be the only time in the game.

With 30 seconds left, Jerry Dunn fired home a jump shot that tied the score 28-28. Coleman lost the ball with less than 5 seconds remaining, and Winters got the ball to Dunn who canned a long jump shot to give the Blue a 30-28 half-time lead.

This, too, had happened before. Many Blizzards teams had led at half-time.

The Blizzards came back after

the half and continued their pace. Coleman's fans were beginning to get restless. Each time a Winters boy made a basket, cries of "foul him out" arose. Blue Coleman was doomed. The Blizzards, as had many teams before, led at the beginning of the fourth quarter. The Bluecats were getting desperate—they were in the process of experiencing something entirely new to them. The game moved swiftly to its climax—and with 1 minute 30 seconds left, the Bluecats moved to within three points of the Blizzards. But, the boys from the west were not to be denied their long-sought victory this time. James Williams dropped a basket that stretched the lead to five. Dunn and Johnny Caskey racked points and the Bluecats were beaten.

With a few seconds left, a Winters boy was shooting free throws when Caskey looked at the clock, and in astonishment asked the coach, "Is this the fourth quarter?" He couldn't believe it either.

The one question which rings is "Why?" Why this team over the others? The fall of the Bluecats to the Blizzards in Coleman was inevitable. Their loose backboards that always send the balls directly into the hands of Bluecats were still there, but James (Button) Little, Williams, William Grissom, Herbie Russell, Dunn and Caskey controlled the backboards. Time after time, the Blizzards would miss a shot, then miss again, and then finally drop the shot. Maybe this doesn't speak too well in scoring percentages, and maybe the shot chart wouldn't be too favor-

## Candidates--

(Continued from page 1)  
that no provision is made or permitted whereby anyone wishing to become a candidate may do so by merely placing a telephone call to anyone at the city hall and expressing such intention.

Your news item of this date (Feb. 3) indicated that the requirements for filing for office were specified by the present administration of the city government. This is not true for the present city administration did not make this law. This law was made prior to the incorporation of the City of Winters and has been the law ever since. Ours remains a government of laws and not of men, and, God willing, it will remain that way. It is my opinion that any candidate for an office who must take an oath to uphold and defend the laws of our State and Nation should make an honest and sincere effort to determine what those laws are that it is his sworn duty to uphold.

In the very near future I propose to give you my formal announcement as a candidate for the office of Mayor of Winters and will at that time set out the principles of government in which I believe.

Yours very truly,  
HARVEY D. JONES.

**IN HENDRICK HOSPITAL**  
Mrs. Willie P. Colburn had major surgery Monday morning in Hendrick Memorial Hospital in Abilene. Her condition was reported satisfactory Thursday morning.

**VISITED PARENTS**  
Mr. and Mrs. Clifton Poe and children, Susan and Kyle of Eunice, N. M., spent the weekend visiting in the home of their parents, Mrs. Fred Poe and Mr. and Mrs. F. C. Mills.

## Local Scout Will Report To Governor

Scout, and son of Mr. and Mrs. Jimmy Randolph, will represent the Chisholm Trail Council of Boy Scouts of America, and will leave Friday noon for Austin where he will make an annual "Report to the Governor" with other Scouts from the Council.

Other district representatives are Preston Hunt of Anson; Richard Green of Sweetwater; Bob Mann of Coleman.

Each of the Scouts were chosen because of his outstanding record in Scouting; all have qualified for Eagle Scout Award and have demonstrated outstanding leadership qualities in their Troops, the Council office said.

These representatives will be accompanied on their trip to Austin by James Culwell of Abilene and Billy Hardin of Sweetwater, district Scout Executives of the Chisholm Trail Council. They will be guests of the Base Commander at Bergstrom Air Force Base for a barbecue Friday evening. Saturday morning they will tour Austin and attend the report ceremonies in the House of Representatives in the capital building. They will have lunch with Governor Price Daniel at the Officer's Club at Bergstrom Air Force Base, and return to Abilene on Saturday morning.

This is an annual program. Representatives from the 24 Councils in Texas and their Districts will attend this ceremony where the Scouts will report to the Governor on the progress made throughout the state in furthering the program of the Boy Scouts of America.

Randolph is a member of Post 49, an Eagle Scout, holder of the God and Country Award, has held all of the offices of his Troop and is now the Post President. He is active in youth programs of the Baptist church, sports editor of the Winters school annual, and plays in the Winters High School Band.

## Rep. J. W. Moore Named To House Committees

Representative J. W. (Bill) Moore of Ballinger has been named by Speaker James A. Turman as a member of the following committees of the House of Representatives of the 57th Texas Legislature: Conservation and Reclamation; Education; Local and Uncontested Bills; Public Lands and Buildings. Representative Moore is now serving his first term in the Legislature.

## Annual School Census Complete

The annual school census has been completed, and figures are being compiled by the school administration, according to James B. Nevins, superintendent of Winters Schools.

There are about 1208 eligible scholastics in the Winters School District, Nevins said. This is about the same number in the final count for last year.

## Advised To Feed Forage According To Production Test

Dairymen in Pennsylvania have a partner to go with their "feed according to production" program. This addition to feeding is a forage testing program, which was described at the recently held annual Texas A and M College Dairyman's Short Course.

Anyone can tell the nutrient content of grain feed by merely reading the feed tag. But how many dairymen know the feeding value of home-grown forage? Joe S. Taylor, chairman of the Pennsylvania dairy science extension section, told those attending the Short Course that this new program can give the dairy farmer an accurate analysis of his forage, thereby enabling him to utilize it more efficiently.

This new program is no pie-in-the-sky, continued Taylor. It has been tested by the Pennsylvania Extension Service for the past two years, and has proven very successful.

Dr. Richard S. Adams of Penn State had this to say about the program, "We are now confident that milk production per cow can be increased by 10 percent or more, and feed costs reduced by the same amount on most dairy farms, irrespective of their present situation."

Research has proven that date of cutting affects forage quality more than anything else. But unforeseen obstacles may prevent the dairymen from cutting at the optimum time. In such a situation, how much quality loss does the forage suffer? This is no place for guessing. Taylor told his lis-
