NUMBER 32

Council Passes Ordinances To Control Garbage Collection and Sewer Charges

In one sweeping move, the Winters City Council last Thursday night passed two ordinances regulating the collection of garbage, set rates for sewer charges, and rescinded all previous regulations, ordinances and resolutions dealing with these two areas.

The two ordinances, which are definite in their regulatory sections, were passed unanimously by the Council in a special meeting. Present for the meeting were all members of the City's governing body, Mayor Harvey D. Jones, and Councilmen O. B. Raper, Ralph Lloyd, J. E. Smith, J. G. Brown, and W. M. Hays.

In the ordinance concerning collection of garbage and refuse within the city limits, the Council drew up specifications for containers and made regulations for their placement. They also placed a penalty of discontinuance of collection service and water service furnished by the City upon those who would not comply with the provisions of the ordinance.

The ordinance specifies that containers for "kitchen garbage" must be portable garbage cans "constructed of galvanized iron, tin or other suitable metal, with a tight fitting cover." Capacity of garbage cans was set at not less than five gallons nor over 32 gallons. The ordinance also specifies that all trash and rubbish shall be placed in boxes, sacks or barrels or other suitable receptacles of reasonable size, provided that gross weight does not exceed 50 pounds.

Further, the City regulation covering garbage and rubbish collection, directs that garbage and

having nine through twelve fixtures.

For all apartment houses, hotels and tourist courts, the monthly charge will be \$3.50 per month for the first twelve fixtures, and 25 cents per fixture for each additional fixture.

For commercial businesses, the monthly charge for sewerage service will be \$1.50 for the first four fixtures, and 25 cents per fixture each additional fixture up to 12. In addition to the mentioned commercial rates, there will be a \$5.00 per month charge for each commercial wash rack, and \$3.50 per month for each commercial dish-washing machine.

This ordinance also specifies that any person or firm who fails to pay the sewer charge as provided shall be subject to have their sewer and water service disconnected, and to remain disconnected until all costs incurred in actual physical disconnection and reconnection, and all delinquent sewer and water service charges have been paid to the City.

The sewer ordinance, as passed by the Council last Thursday night, also abolishes and rescinds all previous regulations, ordinances or resolutions.

Both these ordinances became effective on the date of passage, October 26.

Salvation Army Drive Tuesday

The annual campaign for raising operating funds for the Salvation Army will begin with a coffee and doughnut session at Pierce's Cafeteria Tuesday, Nov. 7, at 10 a. m., Ted Meyer, campaign chairman, said this week.

The local volunteer committee headed by W. M. Hays, has set a goal of \$1,000 for the campaign. Other members of the committee include Meyer, W. H. Craven Jr., Mrs. B. B. Bedford, Dr. H. H. McCreight, F. R. Anderson, B. Joe Stevens, Marvin Bedford, and F. R. Bedford, all of Winters, and Henry Adcock and A. Dooley, Wingate.

Last year the local Salvation Army unit gave emergency aid to 108 local people and 33 transient people. More than 1,000 garments were distributed locally in addition. The unit joins hands with the state-wide Salvation Army Services available to the people of Texas, the major one of which is the disaster service, Meyer said. This year's service is expected to

exceed greatly the services of last year, Hays pointed out. The unit took leadership in the collection of clothing, food and money for the relief of the victims of Hurricane Carla.

Meyer will name his campaign leadership later this week.

Pupil Panel Highlights Food Service Meeting

A discussion panel of Winters and Ballinger school pupils highlighted the meeting of the Runnels County School Food Service Association meeting at the local school cafeteria Saturday.

Representing the Winters school on the panel were Pamela Bedford and Edward Pope, of the high school, and Kay Benson and Cassie Awalt of the elementary school. From the Ballinger school were Millie Stultz and Pam Price. The subject for discussion was "Likes and Dislikes of the School Lunchroom."

Lunchroom personnel from Wingate, Ballinger and Winters attended the meeting.

The next meeting of the association will be in the Ballinger elementary lunchroom Jan. 27. Mrs. Ruth Clampitt, home economist from West Texas Utilities Co., will give a demonstration of "do it ahead methods," and also show a film on "The History of Cooking."

Water Line Being Laid To Cemetery

The City water department began this week digging ditches and laying water lines to carry water to the Lakeview Cemetery north of town.

Work should be completed within a few days, it was stated, and water will be available at the city's newest cemetery.

Seventh Graders Visited Bank

Ninety-seven members of the seventh grade social studies class visited the Winters State Bank Tuesday and Wednesday of this week. They were shown about the bank and procedures used in banking were explained to them.

Teachers accompanying the class were Mrs. Bill Armstrong and Miss Margaret Mathis.

VISITED IN GROHAM

Mrs. Sarah A. Davis has returned home after visiting in the home of her sister, Mrs. Pless Chamber, in Groham.

RETURNED FROM CHICAGO

Mr. and Mrs. Roy Davis returned home, last week, after a few days visit with their daughter, Mrs. Vernon Latner and family in Chicago, Ill. They also spent some time in St. Louis, Mo.

Blizzards Travel To Cisco For Conference Game

The Winters High School Blizzards, still hanging on to their second place standing in district 7-AA, go to Cisco tonight (Friday) to meet their third district competitors, the Cisco Lobos.

Coach L. G. Wilson's blue-helmeted gridsters have two conference games behind them, with a win and a tie, and face two more district games — with Cisco tonight, and against Ballinger next week for the season's finale.

The Blizzards still are very much in the running for the district championship title. If they win against Cisco tonight, only Ballinger stands between them and the trophy.

Ballinger, in the number one spot in the district, has won three district games, with no losses. However, the Blizzards can climb to the top by beating Cisco and then Ballinger, and will be out front by half a game by virtue of the tie against Coleman last week, which counts for a half game win.

Coach Wilson said Wednesday his boys will be in top condition by Friday night, recuperating from injuries received earlier. Tommy Young, Roger Stanford and Steve Grissom, who have been out of full action, will be ready for the Cisco game, he said. Tonight's game promises to be one of the best games of the season.

The Cisco Lobos had a week off last week, after defeating Ranger 26-24 the week before. They are in third place in district standing, with one win and one loss in conference play. They have a 3-5 season's record.

Comparative scores of the two teams, against common competitors, looks something like this: Winters won over Hamlin, 8-0; Cisco lost to Hamlin, 30-6. Winters lost to Anson 18-0; Cisco lost to Anson, 19-0. Winters won over Ranger 27-6; Cisco beat Ranger 26-24. Winters has stacked up 27 points to opponents' 8, in district play; Cisco has made 40 points against opponents' 40 in district play.

Elsewhere about District 7-AA Coleman goes to Ranger and Ballinger rests this week. Game time at Cisco will be 7:30, with the school buses leaving at 4 o'clock from Winters.

Probable starters for the Cisco game will be:

On offense: Herbie Russell, Jerry Dunn, E; Don Clanton, Eugene Mathis, T; Alvis Jackson, Dan Roberts, G; Roland Tekell, C; Johnny Caskey, QB; Tommy Young and Adolpho Arroyo, HB; Steve Grissom, FB.

On defense: Jackson and Stanford, G; Clanton and Mathis, T; A. L. Mitchell and Johnny Hopper, E; Caskey and Grissom, line backers; Mike Bedford, and Arroyo, BH; and Tommy Young, safety.

IN COLLINSWORTH HOME

T-Sgt. and Mrs. Claude Williams, Karen, Betty and Mary of Spokane, Washington, and Mr. and Mrs. Chic Boschetto, Regina and Renee of Boston, Mass. are visiting in the home of Mr. and Mrs. E. C. Collinsworth.

LUTHERAN WOMEN — Several women who attended the workshop meeting of the Southern District Northwest Conference, American Lutheran Church Women, at the St. John's Lutheran Church Oct. 24, participate in a paper bag handshaking game. Pictured, left to right, are Mrs. Leland Hoppe, Mrs. Charles Kruse, Miss Estella Bredemeyer, all of Winters, Mrs. L. D. Welling of Abilene, president of the conference, Mrs. H. K. Lutheran Church Women Hosted District Meeting

A work-shop meeting of the Southern District Northwest Conference, American Lutheran Church Women, was hosted by women of the church of St. John's Lutheran Church in Winters October 24.

To open the day's activities, group singing was led by Miss Estella Bredemeyer.

Opening Devotions were by the Rev. H. K. Flathmann, pastor of the Winters Church, and the welcome address was given by Mrs. Flathmann, who substituted for Mrs. Charles Kruse, president of the Winters ALCW, who was unable to attend the morning session. A message of greeting was given by Mrs. Lewis D. Welling of Abilene.

Mrs. Leroy Deans, Conference Secretary of Education from Slaton, gave the Bible study.

The noon meal for the group was served at Pierce's Cafeteria.

Following lunch, the group held another song festival, and the Rev. Charles Boaz of Abilene gave the afternoon prayer.

A paper-bag hand shaking game gave the ladies a chance to make new acquaintances.

A religious fashion program for 1962 was presented, after which the ladies separated into classes for all officers and worked out next year's programs and duties. The meeting was closed with prayer.

The ladies of the St. John's Lutheran Church served afternoon refreshments. Approximately 125 persons attended the work shop.

Schools Close Friday At 2:30

Winters schools will close at 2:30 Friday afternoon, Nov. 3, so that buses will have time to make regular runs before leaving for Cisco. The regular bus runs will be at 2:30 p. m., and buses will go to Cisco for the football game, leaving at 4 p. m. Game time is 7:30.

There will be a 30-minute stop in Abilene at the Dixie Pig, at about 5 o'clock.

Winters Riding Club To Abilene Saturday

The Winters Riding Club will attend the Dyess Air Force Base Riding Club play night in Abilene Saturday night. Members of the club will meet at Clark's barn at 12:30 Saturday afternoon.

In Abilene, a polo game will be played at 3 o'clock Saturday afternoon, and a grand entry of riders at 7 p. m.

RETURN FROM HUNT — Bob Fenton, left, and J. Griff Brown display two of the trophies brought back from a Colorado deer hunt last week. They were in a group of about 27 hunters from the Winters area who went to Colorado for the first days of the hunt. Most of this group hunted near Norwood, Colo., in the San Juan Forest area. Total bag for the group was 26 deer, one bull elk, and one black bear. Pyburn

Brown bagged the elk, and George Brown shot the bear which weighed 450 pounds. Albo Merck shot the deer with the widest spread of antlers, which measured 30 inches across. Of the other 26 deer, eight or ten of them had spreads of from 28 to 30 inches. The group reported only a skiff of snow while they were in the Colorado area, but did say there was snow on the ground in many places. (Little Photo)

"The Honeymoon Machine"
Metro-Goldwyn-Mayer's "The Honeymoon Machine" is a comedy loaded with amusing characterizations, daffy dialogue and howlingly funny situations.
This CinemaScope and color picture has a cast of personable and talented young players headed by Steve McQueen, widely known as the star of television's "Wanted Dead Or Alive" series; Bridget Bazlen, lovely young newcomer who makes her screen debut as Salome in "King of Kings"; Jim Hutton and Paula Prentiss, who scored as a comedy romantic team in "Where the Boys Are," and with other pivotal roles played by Dean Jagger, Jack Weston and Jack Mullaney.

its entirety in Munich and other areas of Germany.
The screenplay deals with a United States Army armored task force trapped in the Vosges Mountains of France during World War II, and the beautiful German spy, Alexandra Bastegar, who tips the enemy off to its every anticipated move.
Keel plays the role of the colonel who commands the force, and Miss Louise is cast as the pretty espionage agent. Also starred are Earl Holliman, as a sergeant who falls in love with the girl, thinking her to be a French patriot, and Warner Anderson, cast as Keel's executive officer.
Ron W. Alcorn both wrote and produced the screenplay which was directed by Byron Haskin.

"Morgan The Pirate"
Adventure, romance and sweeping scenes of sea battles highlight Joseph E. Levine's out door adventure drama, "Morgan the Pirate," opening Saturday only at the State Theatre.
Starring Steve Reeves and Valerie Lagrange, the MGM release recreates the exciting exploits of buccaneer Henry Morgan, whose amazing feats carved out a cutlass empire in the Caribbean.
Filmed in CinemaScope and Eastman Color, the picture vividly reveals Morgan's rise to power and how he almost single-handedly wiped out the Spanish strongholds in the New World.

"Pepe"
With Cantinflas, the sensation of "Around the Wrod in 80 Days," starring as "Pepe," a new excitement in screen entertainment opens Thursday at the State Theatre. Co-starred with the international comedy favorite, are Dan Dailey and Shirley Jones, while 35 of Hollywood's outstanding personalities appear as guest stars in the new Columbia release. "Pepe" is a George Sidney production in CinemaScope and Eastman Color.

A sudden, rapid rise in the barometer can cause a ringing in the ears.

"Armored Command"
Allied Artists' "Armored Command" a Howard Keel-Tina Louise starrer Sunday and Monday at the State Theatre, was filmed in

Cantinflas, as "Pepe keeps pace with Dan Dailey, left, and Maurice Chevalier, center, in George Sidney's production of "Pepe" for Columbia release in CinemaScope and Eastman Color. Shirley Jones co-stars with Dailey in support of the film's 35 guest stars featured Thursday at the State Theatre.

STEVE REEVES, cast as the fabulous buccaneer in Joseph E. Levine's "Morgan The Pirate," showing Saturday only at the State Theatre, gets ready to unfurl his sabre in a key action sequence in the CinemaScope-Eastman Color adventure drama. Topcast with Reeves is the new exciting French beauty Valerie Lagrange.

Halloween Party For San Souci Club And Guests

A Halloween party for members of the Sans Souci Club and their guests was held at the Winters Country Club, Tuesday night, hosted by Messrs and Mesdames M. E. Leeman, Gattis Neely, Raymond Lloyd and LaDell Davis.
Two large pumpkins with fall vegetation were on the mantle and baskets of varicolored mums were placed at vantage points about the party room.
Place mats were crepe paper pumpkins with Halloween faces and napkins to match.
After a dessert course of pie and coffee, games of "84" were played.
Those present were Messrs and Mesdames Charles Abbott, W. M. Miller, V. E. Colburn, Phil Anderson, Ray Elliot, Homer Hodge Jr., J. W. Bahlman, Earl Dorsett, Geo. Poe, James Randolph, Harry Herman, W. F. Minzenmayer, Mrs. Sally Gray, Mrs. Bill Comegys, and J. D. Vinson.

Goal Diggers Club Met Monday Evening In Baldwin Home

Members of the Goal Diggers Club met Monday evening in the home of Mr. and Mrs. Buford Baldwin with their daughter, Barbara serving as hostess.
Lynnann Kruse presided for the business meeting. The members discussed the Halloween carnival and the Thanksgiving Banquet.
The program "Beauty Tips for Your Hair" was presented by Lynda Parks, Barbara Baldwin, Jere Merck, and Doris Rice, followed by the reading of scandal.
Refreshments were served to Lynnann Kruse, Linda Easterly, Leonia Daniel, Lynda Parks, Marcene Matthies, Carolyn Helm, Jaye Henley, Russell Bedford, Doris Rice, Brenda Parrish, Kathryn Clark, Sonjia Modisset, Barbara Baldwin, Gwen Caskey, Jere Merck, Pam Bedford, Mrs. S. B Parks and Mrs. David Carroll.
The benediction was repeated and the meeting adjourned.

Chancel Guild Held Meeting In Parsonage

Chancel Guild of St. Johns Lutheran Church held their regular monthly meeting in the church parsonage, Thursday, at 7:30.
The president, Mrs. August Stoecker, presided and led the opening prayer. She then presented Miss Emma L. Henniger who gave the topic for the month, "Altar Vases and Holders."
Mrs. Ellis Ueckert called the roll which was answered with scripture passages by ten members. Mrs. L. R. Hoppe was acting treasurer, in the absence of Mrs. L. Ernst.
A short business meeting was held in which ladies chose the month for 1962 they will serve the altar and flower care committee. Reports were given by committee chairman and a new committee appointed. Study material was selected for 1962, and projects now in effect were discussed and several new projects were tabled due to the busy holiday season ahead.
The president led the group in closing with the Lords Prayer.
Mrs. L. E. Jacob served refreshments to Mesdames Ellis Ueckert, A. B. Spill, A. W. Stoecker, T. F. Hantsche, H. K. Flathmann, J. J. Wessels, L. R. Hoppe, Bill Hoppe, and Miss Emma Henniger.

Birthday Party Saturday Morning In Gehrels Home

Cathy, Craig, and Chris Gehrels were honored with a birthday party in the home of their parents, Mr. and Mrs. James Gehrels, Saturday morning.
The Halloween theme was used for the party and hats, trick or treat bundles were given to the small guests. The games were played in the yard.
Orange and brown cupcakes, with a miniature pumpkin, on top, were served to Steve and John Turner, San Angelo, Selinda Allen, Denise Rogers, Susie Bates, Judy McNeil, Donna Gehrels, Mrs. Obie D. Bradford, and Lance, Mrs. Robert Robertson, Lisa and Louise, Mrs. Bill Chapman, Jimmy and Mike, and Mrs. W. S. Cooke.

SHE'S MY WIFE! Steve McQueen seems hardly able to believe his own statement as he points to his bride, Paula Prentiss, in this scene from "The Honeymoon Machine." The new Metro-Goldwyn-Mayer comedy also stars Jim Hutton, Paula Prentiss and Dean Jagger.

Mrs. F. C. Ueckert Died Here Monday, Funeral Held Tues.

Funeral services were held at St. John Lutheran Church Tuesday afternoon at 3 o'clock for Mrs. Fritz C. Ueckert, 83, who died in the Winters Municipal Hospital at 5:30 a. m. Monday following a brief illness. A short service was held at the Spill Memorial Chapel at 2:45 Tuesday. The Rev. H. K. Flathmann, pastor of the church, officiated, and burial was in Lutheran Cemetery.
Mrs. Ueckert was born Ida Marie Pfeffer, daughter of the late Mr. and Mrs. Fritz Pfeffer on January 8, 1878, in Austin County near Kenney. She was married to Fritz C. Ueckert at her parent's home on Dec. 31, 1902.
Following their marriage, Mr. and Mrs. Ueckert lived in Austin County for three years, and then moved to Rannels County, settling in the Dale Community southeast of Winters, where they had lived since.
Mrs. Ueckert was a member of the St. John's Lutheran Church and also was a member of the Ladies' Aid Society of the Lutheran Church.
Surviving are her husband; three sons, Norbert, Ellis and Erwin, all of Winters; six grandchildren and nine great grandchildren; one sister, Miss Clara Pfeffer of Brenham; and two brothers, A. J. Pfeffer of Winters, and Herman Pfeffer of Kenney. Grandsons were pallbearers.

A. E. Proctor, 63, Died Of Heart Attack Saturday

Funeral services were held at Spill Memorial Chapel Sunday afternoon at 3 o'clock for Archie E. Proctor, 63, who died of a heart attack Saturday morning. In charge of services was I. K. Hayhurst of Albany. Burial was in Wilmeth Cemetery.
Mr. Proctor suffered a heart attack about 10:45 Saturday morning shortly after going to work at the Winters Cotton Warehouse. He had just begun working at the warehouse that morning.
He was the son of the late Richard and Elizabeth Proctor, and was born at Putnam on Dec. 24, 1897. As a small child he moved with his parents to Zepher and later to May, where he attended school. He lived at May until his marriage to Miss Viola Wilson, Sept. 5, 1915, at Ballinger.
Following their marriage, the couple moved to Crews where they lived one year; then they moved to Jack County, living there for five years. From Jack County they moved to Sweetwater where they lived until they moved, in 1926, to Rannels County, settling on a farm in the Wilmeth Community, northwest of Winters. They lived in the Wilmeth Community until their retirement in November, 1960, and moved to Winters. Mr. Proctor operated a used car lot at his home.
Mr. Proctor had been a member of the Church of Christ for 32 years.
Surviving are his wife; three sons I. B. Proctor, and R. D. Proctor, both of Dallas; Vernon Proctor, San Angelo; two daughters, Mrs. Sadie M. Thornton, and Mrs. Dena Faye Hazelwood, both of Dallas, two foster daughter they had reared since they were small children, Mrs. Dorothy Foy, Ballinger, and Miss Bonnie Proctor, Winters; a step-mother, Mrs. R. M. Proctor, Cross Cut; four brothers, Ernest Proctor, San Angelo, J. W. Proctor, San Angelo, Milas Proctor, Big Lake, and Jack Proctor, Cross Cut; two sisters, Mrs. Bernice Futrell, Palm Springs, Calif.; two step-sisters, Mrs. J. L. Byrd, Cross Cut, and Mrs. J. M. Byrd of Odessa.
Pallbearers were L. B. Watkins, Orville Hancock, Claude Eubanks, Elmer Bryan, Leonard Wright and J. B. Denson.

Diversity Club Tea Held In Fred Young Home
Diversity Club members complimented friends, old and new with a tea, Thursday afternoon in the home of Mrs. Fred Young. Sharing hostess duties with Mrs. Young were Mesdames C. R. Kendrick, Z. I. Hale and G. E. Wilson.
Mesdames Young, Sam Jones, Z. I. Hale and Earl Roach received the guests and Mrs. H. B. Livingston was at the register.
The tea table was covered with a beige net and felt applique floor length cloth and was centered with an arrangement of bronze mums. Mrs. Roy Young and Mrs. C. R. Bellis presided at the table and served the tea plates.
Other rooms of the home were decorated with fall flowers.
Members in the house party were Mesdames Kendrick, Clarence Ledbetter, and Loucille Roberts. Mrs. W. T. Billups and Mrs. Wilson said good-byes.
New residents of Winters present were Mesdames Charles Abbott, George Beard, A. R. Blackerby, Lynn Billups, Ray Alderman, Frank Denton, Robert James Doyle Newcomb, W. T. Nichols, W. D. Parrish, C. O. Patterson, Tommy Russell, C. A. Schachie, Dick Stafford, R. J. Lamm, Allen Wright, Paul Thorp, and Mrs. Phil Anderson.

Former Winters Resident Killed In Car Accident

Weldon Mack Tabor, a former resident, was killed Saturday night when the vehicle he was driving hit a cow and left the accident scene.
The accident occurred about 6:30 Sunday morning.
Weldon Tabor was driving on the highway when he struck the cow and lost control of the car. He was killed instantly.
Funeral services will be held Monday morning at 10 o'clock at the Howard Keel Funeral Home, following side services at 3:30 p.m. at the Winters Walker Allen ministerial gate Highway Church. W. T. Billups is in charge of services.
Surviving are his wife, Mrs. Saba; Mrs. Mildred DeBenedra K. Tabor and Mrs. Tabor, all of Graftonia; grandparents, Frank Teague of mother preceded him in 1948.
There is nothing available in the life of that he found time to learn to dance and struments, and though well spent.

State Soil Testing Lab Expanded

The increasing interest in soil testing, as the foundation for soil improving programs and the resulting increase in the number of soil samples submitted to the State Laboratory, has necessitated expansion of the facilities, said Dr. R. E. Patterson, Dean of Agriculture at Texas A and M College.

Dean Patterson added farmers and ranchmen have found that crop and pasture yields can be increased by following recommendations supplied by the Laboratory. Soil tests will determine the proper amounts and kinds of fertilizers, and limestone required for profitable production.

The new laboratory, located on the second floor of the College's Old Creamery Building, was put into operation immediately after the move on October 26. It will continue to be operated by the Texas Agricultural Extension Ser-

vice with Extension Soil Chemist W. F. Bennett in charge.

In commenting on the new facility, Extension Director John E. Hutchison said, "The new laboratory will enable us to provide better service to the agriculturists of the state. The new quarters will provide additional space and increase the capacity of the laboratory."

In addition to the State Laboratory, the Extension Service also operates facilities at Seymour and Lubbock. During the past year, September 1960 through August 1961, the three labs handled 13,987 soil samples. Harris county was high with 702 samples submitted. Castro, Parmer, Lamb, Hale and Wilbarger counties followed in that order. Samples were also received and tested from seven other states and from Mexico, Brazil, Argentina, The Bahamas and Virgin Islands. The High Plains Laboratory at Lubbock began operations last November, which is under the supervision of J. H. Valentine.

Civic Leaders Descend On Austin, Studying Means of Highway Building

By Vern Sanford
Texas Press Association

Aware of the fact that more money soon may be available for trunk-highway construction, 15 delegations of civic leaders descend on Austin.

They asked the Texas Highway Commission for a record number of dollars for highway work. Specifically, \$171,056,000.

Houston and Harris County, presenting a plan of freeway development designed to carry Houston's traffic in 1980, asked for approval of an \$89,400,000 program. That was the big one. But all of the 14 other projects were equally as pressing to the homefolks, even though less money was involved.

State Highway Engineer D. C. Greer feels that 22,000 of the 25,000 miles in the trunk-highway system are inadequate. He says that less attention has been paid to these "town-to-city" roads during the years in which urban freeways and farm-to-market roads have taken top priority.

Gov. Price Daniel brought the issue of highway financing to a head when he vetoed the \$15,000,000 Colson-Briscoe farm-to-market road appropriation. Legislators had appropriated it for the year starting next September 1.

Governor Daniel will ask the Legislature, at its special session this winter, to cut down on farm-to-market road construction and step up the money available for trunk-highway work.

Texas County Judges and Commissioners Association has endorsed the change.

Governor Daniel will go in person to the Texas Farm Bureau convention in Galveston November 12-15 to try to get that powerful rural group to accept the plan.

Business Coming Back

A steady growth in Texas re-

tail trade in 1961 is reported by the Bureau of Business Research of the University of Texas.

Despite a Gulf Coast slowdown in September, due to Hurricane Carla, retail sales for the first nine months of 1961 pulled to within one per cent of the sales for the same period of 1960. First six months of 1961 were three per cent behind 1960.

September sales were off, largely because people bought heavily in August to avoid the sales tax. But the nine-month figures indicate to the Bureau's economists that things are looking better.

A big gain in construction in 1961 has helped the business picture. Not even Carla's September blow could head off a new nine-month record in the construction field in Texas. The UT Bureau found \$1,047,625,000 in construction authorized the first nine months of 1961, five per cent above 1960's first three quarters.

Recovery of the home building business was the major factor. Third quarter saw \$169,127,000 worth of one-family homes authorized. This was 23 per cent above the same quarter of 1960. Apartment construction in nearly double the rate of the previous year.

More Taxes?

James W. McGrew, research director of the Texas Research League, told the group's annual meeting that additional state spending of about \$50,000,000 a year is in sight for the two years starting September 1, 1963.

New sales tax will provide part of the added money, McGrew predicted. Other taxes will just about produce the extra money. But it will require some economizing to make ends meet in the 1963 session of the Legislature, in spite of the huge new tax.

Growth of Texas is the reason for the added spending. Growth

means more children, more schools, more patients in mental hospitals, more college students, more cars and more highways to hold them.

More people mean more governmental spending to serve them. Railroad Commissioner Ben Ramsey, main speaker at the League's luncheon, said Texans should be commended for their willingness to accept the added tax burdens needed to finance education and other essential services.

Ramsey provided some startling figures. While he was lieutenant governor, presiding over the Texas Senate, state spending increased nearly two and a half times, from \$520,000,000 to \$1,200,000,000 a year from 1950 to 1961.

In defense of the Legislature, he said it wasn't "free spending." Spending was necessary for essential programs like education, highway, welfare, hospitals and the like, Ramsey explained.

Rep. Jesse M. Osborn of Muleshoe has some tax cutting in mind. In a letter to Governor Daniel he proposed that the State ad valorem tax be abolished, and the sales tax revenue be used to make up the gap.

So far, sales tax revenues have only begun to trickle in to the State Treasury. So the state's main checking account is still \$86,850,569 in the red. If good business conditions continue and income is up, it will still be more than a year before the deficit is erased.

Cattle Rules

New rules invoked by the Texas Animal Health Commission are designed to protect areas where brucellosis control programs are under way.

Under the new brucellosis control law, 78 counties, mainly in West and South Texas, have set up programs for testing herds. Purpose is to see if they have brucellosis, and to dispose of cows having the disease.

So the commission has notified truckers, livestock auctions and commission merchants that movements of cows into the certified control areas is restricted. They must have been tested and shown free of brucellosis before they can be moved from an uncertified county into a certified county.

Blizzard-Bluecat Tilt Ended In 0-0 Tie Friday Night

Playing most of the game between the 35-yard stripes, the Winters Blizzards and the Coleman Bluecats fought each other to a 0-0 standoff here Friday night. This was the second district game for each team.

The Blizzards made their only TD threat in the last seconds of the fourth quarter.

According to one source, this is the only 0-0 tie played by a Winters team during the last 12 years.

The defensive battle began with Winters kicking off to Coleman. Dan Williams, 145-pound quarterback, carried on the first offensive play from the Coleman 35 to the 39. Two runs by Johnny Kirby, who was not listed on the program for the game, moved the ball to the middle stripe. Lou McDougal, 145-pound fullback, carried to the Winters 46. With fourth down and about one needed, Coleman punted and Winters owned the ball from their own 25.

Denny Aldridge, Steve Grissom and Johnny Caskey moved to the 29. QB Tommy Alfrey called on Caskey to punt, on fourth down with five needed. This set the pattern for the entire game. Both the Blizzard team and the Coleman team punted six times during the game, as defensive units held.

After receiving a fourth-down punt, the Blizzards had first and ten from their own 36 in the second quarter. Alfrey pitched out to Caskey who passed to Aldridge. Aldridge moved to the Coleman 37 before being hit. Grissom and Caskey, in two plays, called for the first, on Coleman's 27. Grissom carried to the 26, in what looked like a TD drive, but the Bluecats smelled the next play, and rushed Caskey, who was back to pass, throwing him for an 8-yard loss. Alfrey was smothered for a loss of five more, and the Blizzards were again forced to punt.

Coleman's deepest penetration was to the Winters 16. Moving from the Winters 41, Bluecat HB Mike Hays picked up five yards. A Blizzard 15-yard penalty completed the first down to the 24. Williams and Kirby were able to get to the 15. The same story, as the Blizzard line closed in, and the Bluecats were held, losing the ball on downs.

This was late in the fourth quarter. Winters moving from their own 15, called on Aldridge, but he was thrown for a loss of three. Grissom was held for no gain.

Then the new owner must keep them quarantined. He must have them retested in 30 to 60 days before he can put them with his herd.

Restrictions do not apply to steers, spayed heifers, calves under eight months of age, and calves under 30 months which have been officially vaccinated against brucellosis.

Texas Monument

A delegation of Texans headed by Governor Daniel will journey to Vicksburg, Mississippi, on November 4, to dedicate a \$100,000 monument to 35 Texans who played heroic roles in the defense of Vicksburg.

Ceremony will be a part of the Texas Civil War Centennial observance.

Monument was authorized by the voters of Texas in the 1953 constitutional amendment which switched revenue from the Confederate pension tax to a state building program.

Movement to build such a monument was started by Confederate veterans and was carried on for more than 50 years by the United Daughters of the Confederacy.

TB Campaign

Story of how one county has just about whipped tuberculosis was told at the Texas Tuberculosis Association meeting.

Bell County set up a chest clinic in 1954. Persons who had contacts with known TB patients were asked to come in for free check-ups. But if they did not come, warrants were issued to bring them in.

After 3,162 clinic visits, the program has located 64 new cases of TB over the years. But it has worked so well at checking spread of the disease that last year only one case was found when tuberculin tests were given extensively.

Dr. Howard Smith, head of the TB division of the State Health Department, said it took a lot of hard work by Bell County people, but it has paid off.

Loan Study

A committee of the Texas Legislative Council went to work with its staff to bring a study on loans and lenders up to date.

Acting Lieut. Gov. Bruce Reagan named Rep. Criss Cole of Houston to head the committee. He was author of the constitutional amendment which gave the Legislature power to allow interest rates to exceed 10 per cent.

Other members of the study committee are Sen Nevelle Colson of Navasota, Sen. Preston Smith of Lubbock, Rep. Joe Cannon of Mexia and Rep. Murray Watson of Mart.

Governor Daniel asked for the study updating so he can have it ready as the number one topic when he calls the Legislature into special session.

Eggs, High Protein Source, Top Food Buy, Says Expert

Eggs are a high protein, low caloric food, but not many homemakers think of them as such. Marshall Miller, extension poultry marketing specialist, reports that recent research at Texas A and M College indicates only about three out of each 100 housewives think of the nutritional qualities of eggs when making egg purchases.

Housewives should realize how nutritional eggs really are, says Miller. Egg protein comes so near to perfection that scientists use it as a standard to measure the value of protein in other foods. Two eggs in a person's daily diet will supply 17 percent of the recommended daily protein requirements. Protein is essential for healthy body tissue, strong muscles and bones, and good fingernail growth. On the other hand, two eggs contain only 154 calories.

Eggs are also rich in minerals. Two eggs will furnish over six percent of a person's daily calcium requirements and over 13 percent of the required phosphorus. Cal-

but was given another chance and moved to the 24. Caskey picked up the necessary yard, for the first. QB Alfrey called on Grissom and Arroyo, who moved to the 36. With less than a minute to play, Caskey replaced Alfrey at QB, completing a pass to end Jerry Dunn, on the Winters 44. Aldridge completed the first down yardage to the Winters 46. With 43 seconds left in the game, Grissom, Arroyo and Caskey moved the ball to Coleman's 45. Caskey kept for no gain, and Arroyo picked up 4. With only 2 seconds left, Caskey, getting good coverage from the Winters line, faded back and shot a long pass to the one, where Herbert Russell waited. But a Coleman defender moved in and the ball fell out of reach as the gun sounded, ending the game.

cium and phosphorus promote a healthy nervous system, and they are also essential to the development of strong, straight bones and firm teeth. Iron is another mineral essential to the human body, and two eggs will supply 21 percent of the daily allowance.

Vitamin A, necessary for healthy eyes and the prevention of infectious diseases, is also supplied in generous quantities by eggs, says Miller. Two eggs will supply 22 percent of a person's daily Vitamin A requirements.

Miller says housewives should also remember that eggs are one of our most competitive food items. One dozen large, Grade A eggs weighs one and one-half pounds, and at 60 cents per dozen this provides a high protein food at just 40 cents per pound. The food yield from a pound of eggs is

unusual in that the percent edible. Eggs are highly attractive to serve, says Miller.

Section 6. Manure from cowlots, horse stables, poultry yards, pigpen lots and waste oil from garages or filling stations shall be disposed of at the expense of the party responsible for same under the direction of the designated official.

Section 7. Entrance into the City Garbage Dump shall be limited to the following: (a) City Vehicles. (b) Vehicles operated by persons presenting a "City Dumping Permit" to the caretaker.

(c) Any person, firm or corporation who is currently paying the monthly garbage charge who wishes to haul trees, shrubbery, grass or weed clippings, brick, concrete or accumulation of heavy and bulky materials to the City Garbage Dump may obtain a temporary dumping permit from the designated city official at no charge.

Section 8. The City Garbage Department will not make collection of kitchen garbage, trash or rubbish or tree limbs where same is not prepared for collection and placed as designated by the terms of this ordinance and failure to comply with this provision will be an offense and each day's failure to comply with this will constitute a separate offense.

Section 9. The meddling with garbage cans, trash or rubbish receptacles or in any way pilfering, scattering contents or junkings in any alley or street within the City Limits is prohibited.

Section 10. Employees of the City and city officials directing operation of the City Garbage Department and persons who have obtained from the City a garbage dumping permit as herein provided delivering garbage or other rubbish to the City Garbage Dump are allowed on the city dumping grounds; all other persons are prohibited.

Section 11. All junk and other material of the Dump Ground at the incinerator is the property of the City of Winters and no person is allowed to separate and collect, carry off or dispose of same except under the direction of the designated official.

Section 12. The collection of garbage, trash and rubbish or of any kind of junk within the City Limits is prohibited except as provided for in Sections 3, 4, 5 and 6 of this ordinance.

Section 13. Garbage cans shall be kept in sanitary condition and closed tightly. The contents of all receptacles shall be so protected that the wind cannot blow out and scatter same over the streets, alleys and premises of the City.

Section 14. There shall be charged, assessed and collected from each unit dwelling, firm or corporation within the City Limits of the City of Winters, Texas, the following monthly service charge for garbage, refuse, trash and rubbish collection and disposal:

(a) For a family unit (which shall be construed to mean any one-family residence or apartment, or any other one-family dwelling) the charge of \$1.00 (one dollar) per month.

(b) For all premises used primarily for commercial or business purposes, the charge shall not be less than \$2.00 (two dollars) per month, and excess services based upon the actual cost of furnishing garbage collection service, as determined from time to time by the official in charge of the Garbage Department of the City of Winters, Texas.

The above charges shall be paid each month and within 30 days from the date of the monthly bill. If any person, firm or corporation fails to pay said service

charge on or before thirty (30) days from the date of the monthly bill, the garbage collection service shall be discontinued and water service furnished by the City of Winters to such dwelling, firm or corporation shall be discontinued until said delinquent bill is paid.

Billings for garbage service charge shall be listed as a separate item on the water bill sent to each unit dwelling, firm or corporation within the City of Winters and the above stated method of collection shall be in full force and effect from and after the effective date hereof and all other rules and policies heretofore adopted by the City of Winters in conflict with the above are, to the extent of such conflict, repealed.

Section 15: This ordinance shall be cumulative of all other sanitary ordinances or regulations of the City of Winters, Texas, unless in conflict with the terms of said ordinances and regulations, in which case the terms of this ordinance shall prevail.

Section 16: This ordinance shall be effective following its passage.

Section 17: All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

Section 18: If any section, or part of any section, or paragraph, or part of any paragraph, or sentence, or part of any sentence, of this ordinance is declared invalid or unconstitutional for any reason, it shall not be held to invalidate or impair the validity, force or effect of any other section or sections, or part of a section, or paragraph, or part of a paragraph, or sentence, or part of a sentence of this ordinance.

Section 19: The fact that the City of Winters, Texas, does not have an ordinance regulating garbage collection in the City of Winters, Texas, and needs such an ordinance in order to protect the health and welfare of the citizens of the City of Winters, creates an urgency and imperative public necessity that this ordinance be enacted as an emergency measure, and be in full force and effect upon its passage, and it is so enacted.

PASSED AND APPROVED THIS THE 26TH DAY OF OCTOBER, A. D., 1961.

HARVEY D. JONES, Mayor, City of Winters, Texas ATTEST: (Seal) Charles W. Hester, City Secretary.

Legal Notice

AN ORDINANCE FIXING THE RATES TO BE CHARGED BY THE CITY OF WINTERS, TEXAS, TO PERSONS, FIRMS, AND CORPORATIONS USING ITS SANITARY SEWER LINES AND SYSTEM OR PARTS THEREOF, INCLUDING THE SEWAGE DISPOSAL PLANT AND OTHER EQUIPMENT AND PROPERTY USED IN THE TREATMENT OF SEWAGE; DESCRIBING THE TIME AND PLACE FOR THE PAYMENT OF ACCOUNTS; PROVIDING FOR DISCONNECTING SERVICE LINES FOR THE FAILURE TO PAY SUCH CHARGES AS THEY HAVE BECOME DUE AND PAYABLE; DEFINING FAMILY, ONE FAMILY RESIDENCE, TWO FAMILY RESIDENCE, APARTMENT HOUSE, ROOMING HOUSE, BOARDING HOUSE, SANITARY SEWAGE, INDUSTRIAL WASTES AND CHARITABLE INSTITUTIONS; REPEALING ALL ORDINANCES, AND PARTS OF ORDINANCES INCONSISTENT HEREWITH, AND PROVIDING A SAVINGS CLAUSE AND DECLARING AN EMERGENCY.

WHEREAS, the City of Winters, Texas, at a great expense has built and has in operation a sanitary sewerage system, sanitary sewer lines and a sewage disposal plant for the purpose of collecting sanitary sewage and conveying same away from the premises to a place of disposal, and in connection with such system, lines and plant, it is maintaining and operating intercepting sewers, pumping stations and a disposal works for the treatment of such sewage; and WHEREAS, the City Council of the City of Winters, Texas, in the exercise of the discretion reposed in it by law, in order to promote the public welfare, health, safety and convenience, has decided that it is necessary, in order to pay the cost and the expense of maintenance, operation and repair of such property, to levy and collect a connect charge, and a service or rental charge, monthly, for the use of such lines, system and plant:

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WINTERS, TEXAS: Section 1: Definitions. The following definitions shall apply in the interpretation and enforcement of this ordinance: (a) Family. A family is any number of individuals living together as a single housekeeping unit.

(b) One family Residence shall mean a building used exclusively as living quarters for a family and occupied by only one family.

(c) Two family residence shall mean a building used exclusively as living quarters for two families and occupied by not more than two families.

(d) Three family residence shall mean a building used exclusively as living quarters for three families and occupied by not more than three families.

(e) Apartment house is a collection of dwellings for housing a

number of people grouped in four or more families, assigned to different sections in the same structure.

(f) Rooming house is a house or building where there are one or more bedrooms which the proprietor can spare for the purpose of giving lodging to such persons he shall choose, for which he receives a compensation for said rooms.

(g) A boarding house is a place where one obtains food or lodging, or both in another's house for a stipulated price.

(h) Sanitary sewage is hereby defined as the waste from water closets, urinals, lavatories, sinks, bathtubs, showers, household laundries, cellar floor drains, garage floor drains, storerooms, soda fountains, cuspidors, refrigerator drips, drinking fountains, and stable drains.

(i) Industrial wastes are hereby defined as being the liquid or other character of waste resulting from any commercial manufacturing or industrial operations or processes other than a sanitary sewage.

(j) Charitable institution is one whose property is derived from charitable gifts or bequests and is administered not for the purpose or gain but in the interest of humanity.

Section 2: It is hereby determined and declared to be necessary for the City of Winters, Texas, to levy and collect charges from all persons, firms and corporations that are using the sanitary sewer system and lines of the city. The charges shall be based on a fixed charge per unit and fixture and amount of water bill, and the schedule of such charges shall be as follows:

Sewer connect charge: Five Dollars (\$5.00). Each building or residence will be classified as a separate connection.

Schedule A Service or Rental Charge Per Month

For one family residence, two family residences, three family residences, boarding houses, and rooming houses, the monthly charge to be paid by these users of the sewer service furnished by the City's municipal sewer system shall be as follows:

1 through 4 fixtures, One Dollar Fifty Cents (\$1.50) 5 through 8 fixtures, Twenty-five Cents (\$.25) per fixture. 9 through 12 fixtures, Fifteen Cents (\$.15) per fixture. For all fixtures over 12, there shall be levied and collected a charge of Ten Cents (\$.10) for each additional fixture over 12.

Schedule B For all apartment houses, hotels and tourist courts, the monthly charge to be paid by these users for the sewer service furnished by the City's municipal sewer system shall be as follows:

For the first 1 to 12 fixtures there shall be a charge of Three Dollars Fifty Cents (\$3.50). For all over 12 fixtures there shall be an additional charge of Twenty Five Cents (\$.25) for each additional fixture.

Schedule C For commercial businesses, the monthly charge to be paid by these users of the sewer service, furnished by the City's municipal sewer system shall be as follows:

For the first 1 to 4 fixtures a monthly charge of One Dollar Fifty Cents (\$1.50) for all fixtures over 4 and up to and including 12 an additional charge of Twenty Five Cents (\$.25) for each additional fixture.

For all fixtures over 12 up to and including 22 an additional charge of Ten Cents (\$.10) for each additional fixture.

In addition to the above commercial rates there shall be charged for each commercial wash rack the sum of Five Dollars (\$5.00) per month.

In addition to the above commercial rates there shall be charged for each commercial dishwashing machine an additional charge of Three Dollars Fifty Cents (\$3.50) per month.

Section 3. Industrial sewage waste being more costly and more difficult to handle by the sewage system of the City of Winters due to the injurious material and Biochemical Oxygen contained in said sewage, therefore, in order that industrial sewage may pay its fair, reasonable and just cost for the use or rental of the sewer system furnished by the City's municipal sewer system in line with the rental charges of the other users, all persons, firms or corporations using the sewer system or the sewer lines of the City of Winters and either directly or indirectly discharging sewage waste into the lines shall be charged rates determined by the City Council of the City of Winters after a careful study and investigation by the City Council of the type and volume of sewage used by each industrial user.

Section 3. Notwithstanding any of the provisions of this ordinance, should it be determined by the City Council of the City of Winters that any persons, firms or corporations connected to and using the sanitary sewer system of the City of Winters should not be listed in the above schedule of rates, then, in that event, the Governing Body of the City of Winters shall designate the rate said customers shall pay and the schedule under which said customers shall be listed and such determination by the Governing Body of the City of Winters shall be final.

Section 4: All persons, firms or corporations connected to and using the sanitary sewer system of the City of Winters, which said persons, firms or corporations are located outside of the City Limits of the City of Winters and not being located within the limits of the City of Winters, Texas, said persons, firms or corporations shall be charged rates to be determined by the Governing Body of the City of Winters.

Section 5: No provision of this ordinance shall be construed as giving any person, firm or corporation located, living or residing outside the corporate limits of the City of Winters the right to tie on or to enjoy the sanitary sewer services of the City of Winters or the appurtenances thereto, but the Governing Body of the City of Winters may contract with any person, firm or corporation for sewer services under such terms and conditions as may appear to such Governing Body to be for the best interest of the City of Winters.

Section 6: The above charges shall be due and payable monthly as water bills are paid to the City of Winters and said charges shall be paid to the City of Winters at the City Hall of the City of Winters, Texas.

Section 7: Any person, firm or corporation who shall fail to pay the sewer charge and/or rental as herein levied and assessed within thirty days from the time same becomes due and payable shall be subject to have their sewer and water service disconnected from the City's sewer and water system and lines and thereafter no sewer or water connection which has been disconnected for the non-payment of said charges shall be again reconnected for the same user until all costs incurred in the actual physical disconnection and reconnection have been paid and all delinquent sewer and water service charges have been paid to the City of Winters.

Section 8: Savings Clause. In the event any section, subsection, sentence, clause or phrase of this ordinance shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no means affect any other sections, subsections, sentences, clauses or phrases of this ordinance but all the rest hereof shall be in full force and effect just as though the section, subsection, sentence, clause or phrases so declared or adjudged

invalid or unconstitutional was not originally a part thereof.

Section 9: Conflicts. All ordinances or parts of ordinances inconsistent or in conflict with the provisions of this ordinance shall be and the same is hereby repealed.

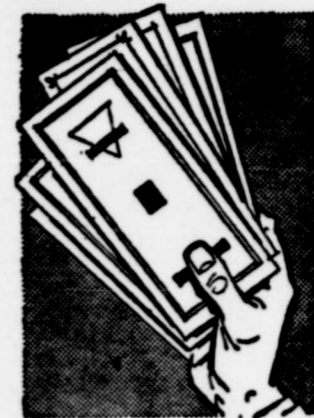

Section 10: Emergency Clause. The fact that the rules and regulations covering the rates and charges for the use of the sanitary sewer system of the City of Winters needs to be changed and the fact that additional regulations are necessary concerning the discharge of sewer wastes into the sanitary sewer system and into the storm sewer system of the City of Winters need to be changed in order to protect the health and general welfare of the citizens of the City of Winters creates an emergency and an imperative public necessity requiring all rules be suspended and they are hereby suspended and this ordinance is adopted immediately upon its passage and it is so

PASSED AND APPROVED, this the 26th day of October, A. D., 1961.

HARVEY D. JONES, Mayor, City of Winters, Texas. ATTEST: (Seal) Charles W. Hester, City Secretary.

COMPLETE INSURANCE PROGRAMS ARRANGED

When you buy insurance policies at random, rather than getting planned protection... you are paying too much for too little! We plan your insurance so you get the fullest protection possible at the lowest cost!

Just Another Convenience

The night depository which we have provided includes a screw-door safe, a steel chute and what is commonly called by the safe company a "depository head." The screw-door safe is a very good one, of sufficient mechanism and strength to allow the burglary insurance people to protect the contents of this safe along with other funds which are covered by our insurance. The steel chute from the depository head to the safe is made of heavy steel and allows letters and depository bags to slip safely into the safe. The depository head is also made of steel and is composed of a large door which may be opened with a key to be used by those who have large accumulations of money and checks by obtaining from us a locker bag and a pass key. The depository head has been provided with a mailing slot similar to those which are found in the post office; this slot may be used by those who may want to make a deposit or write us a letter simply by enclosing both, or either, in an envelope containing the proper instructions as to disposition.

We want the people of West Texas to use this night depository with freedom and confidence.
