Winters Public Schools Enrollment Shows Increase Over That of Preceding Year

Enrollment figures for the first day in the Winters Public Schools show a slight increase over the preceding year, according to J. B. Nevins, superintendent of schools. First day enrollment totaled 10,800, but additional students gained during the first week will probably increase this figure to some extent, it was said.

Enrollment in the Winters Schools on the first day was divided as follows:

Primary, grade 1-3, 308.
Elementary, grade 4-8, 446.
High school, grade 9-12, 326.

PREVIOUS FIGURES

First day enrollment compared with previous years is as follows:

1959-60—1084
1960-61—1051
1961-62—1065
1962-63—1080

There is a total of 61 teachers and principals in the Winters school this year.

Schools Close Early For C-C Football Game

In order for school buses to make regular runs and also carry the band and football teams to Colorado City for the football game Friday, schools will be dismissed at 3 p.m. Friday, Supt. J. B. Nevins announced this week. Buses will run at this time.

Band and cheerleaders will leave for Colorado City at 4:30 from the front of the High School, stop at Sweetwater for 30 minutes and arrive in Colorado City at approximately 7:30 p.m.

Cotton Harvest Slowed Down By Area Rainfall

Harvest of North Runnels County's 1962 cotton crop has been slowed down by rains in the area within the past few days. With bolls opening fast, farmers this week were looking anxiously at approaching rainstorms, and a cold front which will delay picking for several days.

About three weeks have elapsed since the first bale of cotton was brought in to Winters, and local gins had processed only 120 bales by Wednesday noon.

Itinerant cotton pickers have been moving through Winters during the past several days, and there are expectations that many more will be here within the next few weeks.

Business Men Will Discuss Yule Program

A meeting of all interested businessmen and members of the board of directors of the Winters Chamber of Commerce has been announced for Tuesday, Sept. 18, at Pierce's Cafeteria, for the purpose of discussing plans for a Christmas program.

The Chamber of Commerce board has been working on program plans for several weeks, and more detailed information should be available by the time of the meeting, it was indicated.

So far, the board has discussed a kiddie's parade, Christmas music, a home decoration contest and downtown concerts by the Winters High School Band and vocal groups. Nothing definite has been decided, however.

The board also discussed in their Tuesday morning meeting the Christmas lighting project which is underway.

Present for Tuesday morning's meeting were J. W. Bahlman, E. Z. Moore, Ted Meyer, Bill Bell, Mord Tucker, Bill Parish, A. W. Libbe, Harry London, and Mrs. B. B. Bedford, secretary-manager.

More Than 1000 Cattle In Winters Feeding Pens

Raymond Walston, operator and president of Commercial Feeders, Inc., said this week that there are 1002 head of cattle on feed at the new feed lots west of Winters.

Lots which have been completed are about full, he said, and plans are to begin construction of additional pens right away. Walston said plans are to build pens to hold from 3,000 to 5,000 head within the next few months. He said that the area where the pens are built is large enough to hold 10,000 head, when pens are built, and that he could not predict where "the stopping point is."

Several pens of the cattle which are on feed now are owned by ranchers from the area, according to Walston. Others are owned by the company operating the pens.

He said that other ranchers and feeders in the area are expected to take advantage of the facilities, and consign cattle to the feeding program.

A scale building and office building are under construction at the present time, and should be completed within the next few days.

The first cattle to be put on feed at the pens will complete the feeding cycle within about 30 days, Walston said, and will be shipped out. Others will be shipped out as they complete the finishing process, and more cattle will be moved in.

Blizzards Play In Colo. City Tonight

The Winters High School Blizzards lift the lid on the 1962 football season Friday night when they go into competition against the triple-A Colorado City Wolves at C-C.

The Blizzards, following two weeks of pre-school, two-sessions-per-day practice, and a week of after-school workouts, are aiming at duplicating last year's 8-0 defeat of the Wolves. With thirteen re-

turning lettermen, and in good physical condition, the Blue team will go into the season opener in high spirits in the opinion of the coaching staff. The staff has expressed satisfaction with the performance of the Winters high schoolers, and are confident the team will make their presence felt under the lights Friday night at Colorado City.

In their first public appearance last Friday night, the Blizzards whipped the 3-A Brownwood high school team, chalking up four touchdowns to the visitors' two. Fans came away from the pre-season scrimmage with high praise for the blue-helmeted team, and predictions that the Winters boys may open up a Pandora's box so far as conference opponents are concerned. Friday night's game against Colorado City may be the fuse.

Oral Polio Vaccine Will Be Given At School Cafeteria

The Winters school cafeteria has been chosen as the site where the Sabin oral polio vaccine will be administered to school children and all adults on Friday, Sept. 28, and Sunday, Sept. 30, it was announced this week.

All school children will receive their vaccine on Friday, with adults and pre-school age children to receive the vaccine on Sunday. The two separate dates have been chosen in order to prevent congestion and to give everyone a chance to get the vaccine.

It was explained that the vaccine will be given in a series of three doses. The other two doses will be administered Friday, Nov. 9, and Sunday, Nov. 1, and Friday, Jan. 4, and Sunday, Jan. 6. School children will receive all their vaccine on Fridays.

Dr. H. H. McCreight and Dr. C. T. Rives, who will be in charge of administering the vaccine in Winters, said that Type III vaccine will be given in September, Type I in November, and Type II in January. All three doses are necessary in order to completely immunize each person.

All minors receiving the vaccine will need a consent form signed by their parents or guardians, it was announced. This form will be printed in this and subsequent issues of The Enterprise so that parents may fill it out and their children may present it to officials at the immunization sites. If parents will take the necessary time to complete the forms in advance, time will be saved, it was explained.

The Winters Lions Club is sponsoring this polio vaccine drive, and will furnish necessary administrative assistance on the days the vaccine is to be given.

It has been pointed out that there will be no charge for the immunization, but it will take 25 cents to cover the cost of each dose. Sponsors said that it will not be necessary for persons to contribute any amount of money in order to get the vaccine. But they said that some persons may wish to contribute more than the minimum amount in order to help those who cannot pay for the vaccine.

The Winters polio vaccine drive is for everyone, children and adults, in North Runnels County, but no one will be turned down, whether they live in the area or are passing through at the time the vaccine is being administered.

The Winters Booster Club will meet next Tuesday evening, instead of on Monday evening, in order to view a film of Southwest Conference Highlights of 1961. The meeting will be at 7:30 at Pierce's Cafeteria.

At a recent meeting of the club, Red Standard was elected president, Dr. Don Bedford, vice president, and Bill Robinson, secretary-treasurer.

The club sponsored a watermelon feed for the Winters HS Blizzards and the Brownwood High School team last Friday night at the city park following the scrimmage earlier in the evening. Fifty-two melons were cut.

The Booster Club is in a membership drive, and most any member will have membership cards for those interested in joining the group.

Billy Herb Stoeker has returned to his home in Marianna, Arkansas after spending part of the summer with his grandparents, Mr. and Mrs. C. H. Stoeker.

Three Inches Of Rainfall During Past Week Here

Thunder showers of the past few days have dumped three inches of rain on Winters, with varying amounts falling in other areas of North Runnels County.

The month of August was dry right up to the end, but an inch of rain fell August 30 to keep the month from being almost rainless. On Aug. 2, 2 inch was recorded, but no more rain fell until the last of the month.

September got off to a good rainwise, with .1 inch on Sept. 1, 1.2 inch Sept. 2, and .7 inch Sept. 4. Skies remained leaden the middle of the week, after the cold front moved down bringing wet weather and refreshing breezes.

Council Accepts Resignation Of Hospital Head

Winters City Council Tuesday night accepted the resignation of Mrs. Rose Lang, superintendent of Winters Municipal Hospital. Effective date of the resignation will be Sept. 15, it was disclosed.

No immediate announcement has been made of a replacement for the hospital superintendent's position, although the council discussed the matter.

Mrs. Lang has been superintendent of the Municipal Hospital for about three years. She made no announcement of plans for the immediate future.

In other action, the City Council approved the appointment of Ray Heathcott, city patrolman, as assistant chief of police.

Mrs. Wigington Honored By Methodist Ladies' Group

Mrs. R. L. Wigington, president of the Woman's Society of Christian Service of the Brownwood District was honored with a special program and a covered dish luncheon at the First Methodist Church Tuesday.

After the opening hymn with Mrs. M. E. Leeman as pianist, Mrs. E. H. Baker led in prayer. Mrs. M. L. Dobbins, president gave the devotion from Matthew, Chapter 5.

Mrs. Wigington assisted by Mrs. W. A. Davis, treasurer of the Brownwood District, showed slides and gave vivid descriptions of the buildings and the meaning of the Christian symbols which decorated the hall of the general assembly in Atlantic City. "The Place of the Church in the World" was the theme of the assembly and its purpose was to stress the impor-

...tance of the practice of Christian principles.

Mrs. Dobbins dismissed the meeting with prayer.

Members present were Mesdames J. D. Vinson, E. H. Baker, Carl Baldwin, M. E. Leeman, W. T. Stanley, August Vater, F. R. Anderson, M. L. Dobbins, C. R. Willey, Gattis Neely, Sam Jones, Willis Poe, C. Hambricht, George Rosson, Elmo Mayhew, R. B. Osborne, H. O. Abbott, W. D. Sanders, Garland Shook, E. L. Crockett, Frank Mitchell, W. W. Parramore and Miss Frances Stricklin. Guests present were Mrs. Owen Bragg, District Promotion Secretary, Mrs. M. R. Pretree, and Mrs. E. W. Bridwell all of Talpa, Mrs. R. L. Wigington and Mrs. W. A. Davis of Brownwood.

A pleasing disposition is more convincing than argument.

Drasco Homecoming Held At Abilene State Park Sept. 3

The fourth annual Drasco Homecoming was held at Abilene State Park on Labor Day with approximately 140 in attendance. The morning was spent in hand-shaking and visiting, and renewal of old acquaintances.

Games of dominoes and 42 were played before lunch, and a picnic lunch was served. Soft drinks were served throughout the day. At noon, the invocation was given by the Rev. Clyde Jackson of Abilene.

The afternoon program began at 2 o'clock, with a welcome address by the Rev. W. I. Taylor, pastor of the Drasco Baptist Church. The song, "The More We Get Together," was led by Mrs. P. F. Lail, president of the group, who presided at the brief business meeting which followed.

Minutes of the previous meeting were read by Earl Dorsett, secretary, and officers elected for the new year were president, Joe Baker, Winters; vice president, M. L. Dobbins, Winters; and secretary, Earl Dorsett, Winters.

Miss Sue Mann of Fort Worth, who was a teacher at Drasco in 1917-1920, was guest speaker for the afternoon, and delighted the group with reminiscences of the past.

At the close of the program, gifts were presented to Mr. and Mrs. Carlton Dobbins, of Hereford, the couple who came the greatest distance; G. W. Scott and Doug Strum, the two oldest men present; Mrs. W. W. McIver, the oldest woman present; Mrs. Elmo Mayhew, as "Queen for the Day"; the Rev. W. I. Taylor, as "King for the Day"; a gift to D. A. Dobbins; and a hand painted picture, together with a leather bag, to Miss Mann.

Mrs. Lail, outgoing president, was appointed chairman of the social committee for next year's homecoming celebration.

Eugene Fenske and Wayland Scott Wedding Vows in Home Setting

The wedding ceremony was repeated in the home of Mrs. Fenske Saturday evening at 7:30 p.m. The bride, Miss Alice Rose Fenske, daughter of Mr. and Mrs. Wayland Scott of Carlisle, was escorted by her brother, Virgil James, pastor of the First Baptist Church, to the marriage ceremony.

The bride wore a white dress with a boat shaped neckline, three-quarter length sleeves, and tiny covered buttons down the front. She wore a pillbox hat with brief veil, and brocaded shoes, and carried a white orchid atop a white Bible.

Mrs. Collier wore a beige dress with black accessories and an orchid corsage. Mrs. Eugene Fenske registered guests at the reception held in the Moseley home. Serving were Mrs. Juanita Taft and Mrs. J. L. Hicks.

For a wedding trip to the mountains of New Mexico, the bride chose a green dress with black accessories. The bride was graduated from high school in 1960 in Arlington, South Dakota. Scott, a 1952 graduate of Winters High School, served overseas with the U. S. Armed Forces and is employed by IMC Mining Co.

The couple will reside in Carlisle, N. M., after Sept. 6.

STATE CAPITAL HIGHLIGHTS

Senator Krueger Planning "Big Deal" When He Is Governor-For-a-Day

By VERN SANFORD Texas Press Association

Austin, Tex.—Senator Culp Krueger of El Campo, a newspaper publisher and radio station owner, is planning to "put the big pot in the little one" sure-enough when he becomes Governor-for-a-Day on September 8.

Krueger not only is inviting all his friends and neighbors to help him celebrate the event at El Campo, but he is bringing a lot of state officials to show his hometown folks how government works. At least a dozen state boards will have their September meetings in El Campo. For example, the State Highway Commission will be on hand to explain why by-pass loop highways are good for small towns.

Theme of the state agency and exhibits will be "Program of Progress for the Small Towns of Texas." Senator Krueger's aim is to show that rural districts like his can be, and are being, helped by the state government.

He has drawn fire from a colleague, Sen. Doyle Willis of Fort Worth, for having a lot of state officials and employees make the trek to El Campo for the day. But he's going ahead with his plans, and many state agencies are co-operating.

WHAT'S AN INDUSTRY

School Land Board is going to have to decide before long what the Legislature meant when it said state-owned islands and submerged lands along the inland waters of Texas could be leased by the Land Board for "industrial purposes" only.

For example, Port Aransas wants to lease some state land for a city airport. Is that an "industrial" use?

Land Commissioner Jerry Sadler, chairman of the board, thinks it is. He wants to give a liberal interpretation to the term.

A study of the law by the Attorney General's department has provided no judicial interpretations by Texas courts of the term "industrial." But they can take their

choice from courts of other states. There the interpretations range from "manufacturing only" to one case where the courts held that rice farming was an industrial activity.

CONVENTION TIME

Democratic and Republican leaders are busy planning their state party conventions to be held on September 18. Republicans meet in Fort Worth, Democrats meet in El Paso.

For the first time in many years careful attention is being paid to the party platforms.

Two big endorsements given to John Connally, the Democratic nominee for governor, hinge on what the platform says. The State AFL-CIO and Political Association of Spanish-Speaking Organizations both want to make sure the platform is not in opposition to some of their hoped-for legislation before their endorsements take effect.

Because many Texans remain undecided, both parties hope to gain votes by what they say in their platforms. But the problem is the same as usual. They have to keep the friends they now have, while trying to attract new ones.

So, the careful, slow and demanding process of democracy goes on and on.

BRIBERY?

Headlines told of possible pay-offs to former Texas Railroad Commission officials working in the East Texas Field as the House General Investigating Committee delved into the crooked-hole scandal at public hearings.

Legislators headed by Rep. Charles Ballman of Borger are trying to find out what new laws are needed to stop such things. They have found that it is not a violation of criminal law to ignore Railroad Commission regulations by taking oil from under a neighbor's lease.

It is merely a civil offense for which the state can try to collect \$1,000 a day for each day of violation.

Theft is of course against the law. Federal law prohibits the transportation in interstate commerce of illegally produced oil. But even that is a fine legal point in this situation.

Bribery is an offense, but hard to prove. Reports to the Railroad Commission must be sworn to, but in the land and insurance scandals the courts held that if the notary public didn't make the swearer hold up his hand and take an oath, it was not false swearing.

Attorneys for some of the oil operators laid a predicate as a defense against possible contempt charges growing out of perjury or failure of some witness to appear, by contending that the investigating committee was illegal. Argument is based on the fact that three of its five members did not run for re-election to the House.

Atty. Gen. Will Wilson, who headed the investigation, explained the legal shortcomings to the committee. Previously, he had briefed district attorneys in counties in which crooked-hole drilling has been found. So grand jury action may be expected next in this scandal which may make peanuts out of the Billie Sol Estes affair.

NEW CAR INSURANCE PLAN Sen. Grady Hazelwood of Amarillo, whose heckling led the State Board of Insurance to banish the safe driving plan of auto insurance, says he will try next year to pass a new law on the subject.

He wants the board to take insurance company profits into account in setting insurance rates. Presently, the Board takes losses and expenses into account, then allows the companies five percent for taxes and profits.

ANOTHER PARK The poverty-stricken State Parks system, which doesn't have enough money to hire someone to pick up paper in some of its parks, is getting two more huge park areas. It will not be able to develop them unless the Legislature loosens the purse-strings.

International Boundary and Water Commission, which is building a huge new reservoir on the Rio Grande near Del Rio, notified the Parks Board that it will give a 550-acre tract for a state park. Parks Board has hopes of getting 2,700 acres on Dam "B" in the Piney Woods country from the U. S. Army Corps of Engineers. It wants to develop seven camping and boating areas around Dam "B", to be called Town Bluff State Park. Name comes from a town that was once the port through:

Bridal Shower Honors Shirley Hambright Friday

A bridal shower honoring Miss Shirley Mable Hambright, bride-elect of Michael Jay Dyess, was given Friday afternoon, August 31, in the annex of the Crews Methodist Church.

In the receiving line were Mrs. Arthur Allcorn, greeting guests and presenting them to the honoree, her mother, Mrs. Marvin Hambright, and the prospective groom's mother, Mrs. A. C. Dyess.

Featured in decorations for the refreshment table was a glass bowl filled with pink flowers. Other decorations included nut bowls surrounded by circles of pink net.

Faculty Meeting Held Last Friday

The first faculty meeting at Winters Public School was held last Friday, Aug. 31, in the cafeteria, followed by building and department meetings in the afternoon.

At the full assembly of the faculty Friday morning, George M. Beard, elementary principal, gave the invocation, and Supt. James B. Nevins made the introductions. John W. Norman, president of the board of trustees, made a welcome address, and the Rev. B. T. Shoemaker, pastor of the First Baptist Church, gave the devotional.

Mrs. J. B. Whitlow and the staff of the cafeteria were hosts at a coffee hour following the assembly meeting.

Baptist Women To Observe Prayer Week for Missions

The Woman's Missionary Society of the First Baptist Church will observe a week of prayer for state missions in Texas on Sept. 10-14.

The program will begin each morning at 9:30 in the educational auditorium with the exception of Wednesday which will be at 7:30 p.m.

"My Brother's Keeper" is the theme for the week with Latin American Scholarships and church loans having special emphasis on Tuesday. Wednesday's program will be an over-all picture of mission needs in Texas demonstrated by a skit. Thursday, pioneer work and small churches will be the subject of study and prayer, and Friday will be on missions.

MRS. ALBERT ERNEST FLATHMANN, JR. (Photo by Little)

Virginia Rose Spill and Albert Ernest Flathmann, Jr., Married Sunday

St. John's Lutheran Church was the setting for the wedding ceremony Sunday September 2, at 8 o'clock uniting Miss Virginia Rose Spill and Mr. Albert Ernest Flathmann Jr.

Parents of the bride are Mr. and Mrs. Herman Spill of Winters and the groom's parents are the Rev. and Mrs. A. E. Flathmann, Sr. of La Grange.

The Rev. A. E. Flathmann, Sr. officiated, reading the double ring ceremony before the altar decorated with vases of white mums. Tall candelabra holding white tapers formed the background and lighted the altar area. Baskets of white mums and pom mums with greenery flanked the candelabra at either side of the altar. Pews were marked with white satin ribbon bows.

Nuptial music was played by Mrs. W. W. Wendel, organist, of Shelby who also accompanied Mrs. Erwin Ueckert to sing "Wedding Prayer".

Kendell Anderson of Lamarque and Roger Chappelle of Pasadena, nephews of the bride, were candle-lighters. Mary Lawan Wendel of Shelby, niece of the groom, was flower girl. Ring bearer was Drew Flathmann of Shreveport, Louisiana, nephew of the groom.

The Rev. H. K. Flathmann of Shreveport, Louisiana served his brother as best man. Ushers were James Spill and Clarence Wessels and groomsmen were Rev. W. W. Wendell of Shelby, Rev. C. G. Frisch of Houston and Rev. Clarence Sweitzig of Austin.

Mr. and Mrs. L. S. Morris visited in Baird and Clyde Sunday afternoon.

Mrs. Flossie Kirkland spent the week end in Abilene with Dean and Demetra. Jan and family were there for a visit.

School opened Tuesday morning. Several parents were present.

Mr. and Mrs. Boo Byrd had Sunday dinner in Winters in the home of their daughter, Mr. and Mrs. Jr. Guy.

Mr. and Mrs. W. B. Guy attended the funeral of a relative in Big Spring Friday.

Mr. and Mrs. Bill Harmon visited in the David Bryan home Sunday afternoon.

Mr. and Mrs. A. Dooley had several relatives in their home Sunday. The Red Dooleys from San Angelo and one brother and family of Anson.

Last weeks visitors in the Edwin Voss home were Mr. and Mrs. Ted Hantsche, Mr. and Mrs. Bedford. On Friday Weldon Hains, Methodist Pastor and Zed Robinson singer for the revival were dinner guests.

Visitors on Labor Day with the Holders were Mr. and Mrs. Webb Holder and boys and Mr. and Mrs. Red Huckaby.

Mrs. Lola Dean is visiting in Lubbock with R. B. and family and in Big Spring with Marie and Bob.

Visiting in the John Gannaway home Sunday afternoon were Mr. and Mrs. Roscoe Morrison and little daughter, Mr. and Mrs. R. R. Smith and Mr. and Mrs. W. W. Wheat.

Mr. and Mrs. Buford Guy went to Big Springs Friday to the funeral of Mr. Buford Guy's, Mrs. Jack Smith, Mrs. Opal Wheelis and Mrs. Oletha Elders only aunt, Mrs. Bell Gossett. She was 85 years old. Her 88 year old husband, Tony survives and four daughters, Mrs. Eva Anderson, Fort Worth, Mrs. Martha Johnson, Mrs. Katy Hart of Cleburne and Mrs. Vada McNeese, Big Springs. Four sons, Charlie Gossett Cleburne, Manuel of Big Springs, Pete and Woodrow of Dallas. Also 61 grandchildren and 126 great grandchildren, 4 great great grandchildren.

Mr. and Mrs. Buford Guy visited Earl Sawyer at Veterans Hospital who is critically ill. He is Mrs. Guy's uncle. They also visited Mrs. Guy's cousin, Mr. and Mrs. Jimmie Sawyer and children at Lenora, Texas and in the home of their daughter, Rev. and Mrs. Woodrow McHugh at Vincent, Texas.

Maid of honor was Miss Carolyn Nelson of Plains and bridesmaids were Mrs. C. G. Frisch of Houston, Miss Ruth Ann Spill of San Angelo and Miss Carol Nell of Milwaukee, Wisconsin.

The bride's attendants wore green sheath dresses with pleated overskirts featuring a bow at the front waist band. They wore matching green net whimsies and carried bronze mums. Each wore a single strand of pearls and gold shoes.

Given in marriage by her father, the bride wore an ivory satin wedding gown fashioned with fitted bodice, scoop neckline coming to a "Y" shape in back. The bell-shaped skirt fell into a chapel train. Her veil, orange blossoms and lilly of the valley, formed a bouffant effect. She carried white roses with lilly of the valley and ribbon streamers.

Immediately following the ceremony a reception was held in the church parlor hosted by the bride's family. Elizabeth Voss of Milwaukee, Wisconsin ladeled punch and Alma Spill of Winters poured coffee. Mrs. G. E. Kuyendall of Huntsville served the cake.

The table featured crystal and silver appointments and centered with bronze mums. The decorated wedding cake featured the bell and rose theme.

For her wedding tour of the mid-western states the bride changed to a blue two-piece suit with white accessories. She wore a rose corsage from her wedding bouquet.

The bride was reared in Winters and is a graduate of the Winters High School and the Texas Lutheran College in Seguin. She graduated August 17 from the Milwaukee Hospital School of Nursing. She will be employed at the Muscatine General Hospital at Muscatine, Iowa.

Mr. Flathmann is a graduate of Texas Lutheran College at Seguin, Texas. He is a student at Wartburg Seminary for Lutheran ministers at Dubuque, Iowa, and at present is serving as Vicar at Zion Lutheran Church at Muscatine, Iowa.

Mr. and Mrs. Flathmann will make their home at 513 Sycamore, Muscatine, Iowa.

Many Veterans Returning to School

Along with the millions making the autumn trek to the classrooms will be approximately 100,000 veterans who will study under the Korea GI Bill, P. J. Mims, manager of the Veterans Administration in Waco predicted this week.

The Korea GI Bill is more than seven years and the number of veterans going to school has been dropping. Last year the veteran-student enrollment was 170,000. At the peak of the GI education and training program in November of 1947, more than 2.5 million World War II veterans were in training under the GI Bill.

An additional 4,500 disabled Korean conflict veterans, down some 1,000 since last fall, are expected to be taking vocational rehabilitation training. The peak of this program was in December 1947, when 255,000 disabled World War II veterans were in training.

More than half the nation's veterans in training this autumn will be in colleges and universities, and another one-third will be in schools below the college level. The remainder will be engaged in on-the-job or on-farm training.

More than 10 million World War II Korea veterans have received education or training under VA auspices, and almost 700,000 seriously disabled veterans have received vocational rehabilitation.

For most Korea veterans, the vocational rehabilitation program will end on January 31, 1964; and for those training under the GI Bill, the program ends January 31, 1965.

MOVIES

"Rome Adventure"
The determination of a beautiful young American librarian to learn about love in Italy triggers the delightful romantic drama of "Rome Adventure," the Warner Bros. Technicolor presentation showing Sunday, Monday and Tuesday at the State Theatre. Troy Donahue, the teenagers' No. 1 Box-office Favorite, stars opposite Suzanne Pleshette in the Delmer Daves production which was filmed on location in Rome and throughout northern Italy.

Angie Dickinson and Rossano Brazzi also star in the film which was written, produced and directed by Daves. "Rome Adventure" is the fourth film in a row Daves has performed this triple assignment on. The first was "A Summer Place," which brought Donahue to stardom, and it was followed by "Parrish" and "Susan Slade" which also starred Donahue.

As the librarian, Miss Pleshette encounters Brazzi on board ship en route to Naples. Although they become good friends, she is drawn to the young American architect he introduces her to in Rome. Donahue, the architect, has been involved in an affair with a wealthy, beautiful and talented American artist, Angie Dickinson, but she has just left him. Soon, Troy and Suzanne set off on a colorful motor scooter tour of northern Italy.

Veterans' Pension Payments To Be Paid Faster

Hospitalized veterans with dependents will get faster service in receiving pension payments as a result of a new law enacted by the 7th Congress.

The law previously specified that when these veterans were in V.A. hospitals more than two months, their pension payments would be reduced to \$30 a month, with the balance sent to their family in a separate check. This often resulted in delayed payments.

Under the new law the veteran with dependents will continue to receive the full amount of his pension while in a VA hospital.

The \$30 pension limitation still applies to hospitalized veterans veterans with no dependents.

The wise man studies others so that he can learn from their mistakes and at their expense.

Funeral Rites For H. G. Goetz In Rowena Saturday

Funeral services were held Saturday in the United Church of Christ in Rowena for Henry Gerd Goetz, 69, a resident of Rowena for 66 years. Mr. Goetz died at 3:50 p.m. Thursday at the Veterans Hospital in Temple after an illness of six months.

Officiating at the services was the Rev. Thomas Brewster, retired Presbyterian minister from San Angelo. Burial was in the Protestant Cemetery in Rowena.

Mr. Goetz was a brother-in-law of Mrs. W. F. Minzenmayer of Winters.

Born Sept. 9, 1892, in Copeland, Mr. Goetz moved with his family to Rowena in 1896. He was married to Emma Stoecker Jan. 2, 1921, at Winters. He was a building contractor and constable for 40 years.

Mr. Goetz was a veteran of World War I, a member of the American Legion, the Veterans of Foreign Wars, and the United Church of Christ, the ODS Lodge, and the Woodmen of the World. He had served as trustee on the Rowena School Board for many years.

Surviving are his wife; two sons, CMSgt. Elton F. Goetz of Waco and Mirand H. Goetz of San Antonio; two daughters, Mrs. Emmalene Watson of Adono, Turkey, and Mrs. Darlene Morgan of Alexandria, La.; two brothers, William Goetz of Ballinger and Dick Goetz of Miles; two sisters, Mrs. Minnie Broeckmeyer of Columbus and Mrs. Annie Patterson of Ballinger; and six grandchildren.

Home Town Talk--

(Continued from page 1)
says, "God bless your little heart!"

It's common for most men to go through life with the idea that there are many things which are beyond the mental reach and capabilities of woman. We've been taught since earliest boyhood that this is so; and a surface observation seems to bear this out. When things need "fixing" around the house, it's the little woman who always calls on the male to get out the screwdriver or the hammer, and get to work; the sight of most women trying to use a screwdriver, wrench, hammer, or even trying to fix an electric plug, makes most men cringe—so we step in an show 'em how it's done, and then strut around preening our feathers like a peacock.

We hate to say this—and there is a chance we'll be ostracized for the saying—but we believe it is all a well-organized plan to get the men to do the dirty work. We men may think we are mechanically superior to women—but there are some things which man-the-brute should steer away from. Take the automatic washing machine, for instance. True, men install them, get them running, and all that; but when it comes to proper operation, man should stand in bed.

A 98-pound woman can dump a pile of clothes in an automatic washer, measure out a handful of soap flakes, twist a knob on the control panel, and in less time than it takes to tell about it, take out the laundry, all sparkling clean. But a man—no matter how little or how much soap he dumps into the tub, it's not the right amount. One way, the clothes come out looking worse than they did when they went in; the other extreme, he'll have soap suds filling the hallways. And the control panel may as well be the panel controlling an outer space missile at Cape Canaveral; the button he pushes will always be the wrong one. A two-hour session with an automatic washer is likely to convert a man to a prehistoric monkey.

There are some things which men should keep their hand off.

There seems to be an ever-increasing group of American citizens who constantly leave the impression that Americans should be apologetic to other countries for the standard of life enjoyed here. For instance, in a recent article describing the life of members of the Peace Corps in an Asian Country, one member complained that the life (for the Peace Corps) isn't "rough enough." In a land where the ordinary creature comforts are relatively unknown, she says, "How can you feel you're serving mankind when you live in a house with a shower?" Far be it from us to demand that she live in a house "with a shower." But please don't try to intimate that we're living wrong because we have a few things the more backward countries do not have. There's a

Mohair Market Is Sluggish, Foreign Sales Uncertain

By Congressman O. C. Fisher

Our mohair market, which has been relatively sluggish the past year, remains uncertain due chiefly to continued lack of interest being displayed by foreign importers.

At the same time, USDA reports indicate the world outlook is favorable for continued consumption, which in recent years has been increasing steadily.

Increased production is noticeable in all mohair-producing countries. In the U. S. it has jumped from 14 million pounds in 1955 to 26.4 million last year. In Turkey it increased during the same period from 16.4 million to 19.6 million. And in South Africa production went up from 5 million to 10 million pounds. Total world production last year was 57.2 million pounds.

Most of our domestic fleeces are exported. Between 1957 and 1961 exports have averaged 75 per cent of production, with the U.K. taking between 55 and 65 per cent. The Netherlands, Belgium and Japan are our other chief customers, in that order.

The USDA reports that future demand will depend largely upon foreign economic prosperity, and fashion trends; also upon price, as man-made fibers can be substituted in apparel fabric, which is at present mohair's principal use, to achieve similar results.

Beef imports are up. This year they're taking almost 12 per cent of the U. S. market, compared with 7.9 per cent in 1961, 5.9 per cent in 1960, 8.6 percent in 1959, and 3.9 percent in 1958. It is estimated that at times imports have depressed cattle prices as much as \$2 per cwt.

This electronic age is giving some people the jitters. A West German court recently sentenced a mechanic from a village near Nurenberg to three years in prison for attempted witch burning. In an attempt to rid himself of a witch who brought bad luck when ever she appeared, he tried to burn down her house. At the trial the burgomaster testified that he believed in witches, and a physician asserted that the belief in witches was widespread and growing as a result of the magic that technology made manifest every day.

The U. S. A. is now producing about 52 per cent of the world's automobiles, but Italy, West Germany and France each export more of them each year than we do. At the beginning of last year there were 127 million motor vehicles registered in the world, of which the U. S. had 73,928,000 of them.

suspicion, though, that such people, if faced with being deprived, forever, of these few comforts and conveniences, would start singing a different tune. Lofty ideals are romantic; facts are levelers.

MR. AND MRS. WILLIAM MARION MILLER, JR.

Miss Serena Lois Minzenmayer and William M. Miller, Jr., Married Here

Miss Serena Lois Minzenmayer became the bride of William Marion Miller Jr. in a double ring ceremony in the St. John's Lutheran Church Thursday at half past seven o'clock in the evening.

The bride is a daughter of Mr. and Mrs. W. F. Minzenmayer and the bridegroom's parents are Mr. and Mrs. W. M. Miller Sr.

The Rev. A. W. Holck, pastor of the church, officiated, for the sacred ceremony before the altar lighted with cathedral tapers in tall candelabras. Baskets of white gladiolus and asters were at either side of the altar. The candelabras were entwined with greenery and white satin ribbon. Pewes were marked with white satin ribbon bows.

Miss Tamala Gans played wedding music and accompanied Mrs. J. N. Clark Jr., soloist of Abilene. Candlelighters were Joe Ponder and Mrs. Lee King, both of Abilene. Kathy Frierson of Midland and Malinda Minzenmayer of Winters were flower girls.

Mrs. Johnnie Frierson of Midland, sister of the bride, was matron of honor. Bridesmaids were Mrs. Cullen Johnson of Wichita Falls, Jo Ann Alfrey of Winters and Becky Simmons of Rochester.

The bride's attendants wore identical American beauty rose satin sheath dresses fashioned with short bell overskirt with front flat bow and carried bouquets of white gladioluses with American beauty net and ribbon streamers. They wore crushed cabbage rose headresses with matching veils of tulle.

Bob Miller served his brother as best man and ushers were William Minzenmayer of Las Cruces, New Mexico and Weldon Minzenmayer, brothers of the bride, and John Dale Lewis of Coleman. Groomsman were Bill Blythe of Dumas, Bud Morgan of Snyder and Gaston Ernst of Winters.

Given in marriage by her father the bride wore a delustered white bridal satin gown fashioned with fitted bodice with a low star-shaped neckline outlined with lace re-embroidered with seed pearls. The skirt created a modified bell effect with fullness across sides and back extending into a train. The back waistline featured satin cabbage roses in graduated sizes extending halfway down the length of the skirt.

The bride's veil of illusion fell to waist-length from a crown of pearls and crystals. She carried a white orchid and carnations, showered with stephanotis and satin ribbons, in a crescent shape. The reception was held in the parlors of the church.

The bride's table laid with white net over taffeta was caught at each corner and the center front with American beauty rose ribbon bows. Bouquets of the bridesmaids flanked by white candles in crystal candelabras formed the center piece for the table. The punch bowl was at one end of the table and the bride's four tiered cake at the opposite end. All appointments were of crystal and silver.

Those in the houseparty were Mrs. Erwin Ueckert, Mrs. Hans Gottschalk, Mrs. C. H. Stoecker, Mrs. Tommy Stanfield, Mrs. Frank K. Antilley, Mrs. Bud Morgan, Mrs. H. A. Minzenmayer, Mrs. Herman Bredemeyer, Mrs. Charles Kruse Jr., Mrs. Raymon Loyd, Mrs. Gus Voss, Mrs. Robert Gerhart, Martha Ranson, Linda Bryant, Mona Hamilton, Mrs. Kendall Badgett, Estelia Bredemeyer, Alma Spill and Mrs. Weldon Minzenmayer. Mrs. August Stoecker and Mrs. W. A. Minzenmayer of Las Cruces, N.M., registered guests. For a wedding trip to Granite Shoales Lake, the bride wore a two-piece ensemble of cornflower blue silk linen with black accessories.
