NUMBER 32

HOME TOWN Talk

BY R. C. THOMAS

practice of make-do with facilities and personnel acceptable, perhaps, when there is a desire to the best possible service, meet an increasing demand for such service, such a make-do is highly inadequate.

is the position at the Municipal Hospital on establishment of a school of nursing. The shortage of trained personnel, a handicap under which hospitals operate, no less in a hospital. Demand for such service has continued to increase. So far behind. So that the supply of trained personnel with what per- sonnel could be qualified eventually die on the job to promote a "boot camp" operation and train who would be available needed. The latter course is preferred.

months ago, Mrs. Tom- mings, superintendent at hospital, proposed to the City Council that a school be established at the hospital to train Vocational Nurses who could be qualified to ease the shortage of available personnel. Council approved the proposal and turned the whole matter over to the hospital board.

The speaker is a member of the Methodist Church in Abilene, the United Fund, executive committee of the Abilene Chamber of Commerce, board of trustees of McMurry College, and was voted the outstanding citizen of Abilene in 1958. Before going to Abilene he was associated with banks in Raymondville and Dallas. He served four and one-half years with the Air-Force during World War II, attaining the rank of captain.

John, speaking on 'Public Relations,' told the banking group that "Banking is a fine profession, one to be proud of. It is a big responsibility, with a lot of people depending on the banker, and all the bank people." He said that "public relations, boiled down, with the veneer off, is simply a matter of being concerned about people and letting them know that they are important to you."

Looking over the front for the past few weeks, it is hard to believe that "No Nhu" is the good news.

Hayes opened the deer early, as well as in an early manner. He was returned from a trip to Coleman County last night when a doe jumped over the highway in front of the car. The car hit the deer. The car hit the deer. The car hit the deer. The car hit the deer.

BANK DIRECTORS — These nine people constitute the board of directors of the Winters State Bank. They were honored at dinner Saturday night in the Home Demonstration Club building.

Directors Of The Winters State Bank Honored At Dinner Saturday Night

Directors of the Winters State Bank were honored with a dinner Saturday night by Bank President John Q. McAdams and Mrs. Adams. The affair was held in the Home Demonstration Club building.

Walter Johnson, president of the First National Bank of Abilene since 1954, was guest speaker for the evening, and entertainment was furnished by Miss Deanna Kozelsky, daughter of Mr. and Mrs. Joe Kozelsky. Miss Kozelsky was accompanied by Robert Gans at the piano.

John, speaking on 'Public Relations,' told the banking group that "Banking is a fine profession, one to be proud of. It is a big responsibility, with a lot of people depending on the banker, and all the bank people."

building. They are, seated, left to right, Mrs. Carl Henslee, President John Q. McAdams, Fred Young, T. A. Smith, standing, John Norman, Kirby Robinson, Audra L. Mitchell, Ray-

mond Lloyd and Gattis Neely, vice president. Directors Young, Smith, Robinson, Mitchell and Lloyd are new members of the board, having been named a few months ago. (Photo by Parker)

Local Lady Golfers Attended Annual Angelo Tourney

San Angelo Country Club held their annual one-day women's partnership tournament last Thursday.

Those attending from Winters were Mrs. Russell Mote, Mrs. Jack Harrison, Mrs. E. T. Patterson, Mrs. Jim Williams, Mrs. Morris Robinson, Mrs. Bill Bean and Mrs. Raymond Dunn.

Mrs. Russell Mote and Mrs. Jack Harrison were first place winners in the fifth flight and had the lowest low net score of the whole tournament.

Mrs. Bill Bean and Mrs. Jim Williams were third place winners in the fifth flight. All winners were awarded golf balls.

The weekly meeting of the Winters Ladies Golf Association was held on Tuesday of this week with the ladies from Ballinger club as guests.

Awards were given for low puts and being in the rough the least amount of times. Mrs. E. T. Patterson was winner of low puts and Mrs. Kelly Chapman winner for not getting out of the fairways.

Winters Products Exhibited In Statewide Show

"Made in Winters, Texas" products will be one of the main exhibits at the Texas Products Show beginning Nov. 1 in Dallas. The products show will be held at the Greater Market Hall on Stemmons Freeway at Industrial Boulevard, Dallas.

Dry Manufacturing Co., makers of louvers, grilles and deflectors, Winters Manufacturing Co., producers of air conditioners, desks, lockers and shelving and other metal products, and Sparkle-Lite, Inc., manufacturers of electric signs, will have a combined exhibit booth at the show.

The show is the major highlight of the Texas Industrial Commission's "Texas Products Week," so designated to call special attention of the state and other states to the important position Texas maintains in the industrial might of the United States. The show also will call attention to the potential of Texas, in future industrial developments.

Winters' Chamber of Commerce is sponsoring the booth to be occupied by the Winters companies at the show. Loyd Roberson will be the attendant at the Winters booth, and personnel of all companies will be on hand much of the time during the exhibition, which will last for ten days.

Open House At Local Recreation Club Set Saturday

Winters Recreation Center, owned by Mr. and Mrs. George Briley, will hold open house at their new location on North Main Street, Saturday, Nov. 2.

Equipment has been moved from the old location in the Acapulco Building on the Ballinger Highway to the recently remodeled building.

The public has been invited to attend the open house, and door prizes will be awarded. The new home of Winters Recreation Center has been completely remodeled, with a lowered, acoustical tile ceiling, fluorescent lighting and central heating and cooling are featured.

The lounge, in the front of the building, is separated from the playing area by a large planter box filled with living greenery. A coffee and sandwich bar will be featured.

Blizzards Vs. Stamford Here Friday Night 7:30

The Winters High School Blizzards, leading the pack in District 6-AA play, contest an "against-the-wall" group of Bulldogs Friday night, when Stamford visits Winters.

The Blizzards, who saw some disappointments during pre-district competition, have again been dubbed "the team to beat" for district honors this year. They already have defeated their first two rivals in conference, Haskell and Hamlin, and are pointed toward their second district title in as many years.

Coach L. G. Wilson said this week that the Big Blue team exhibited outstanding field-manship in the game against Hamlin last Friday night, and are tuned to do their best against Stamford.

Wilson said the Blizzards are improving with each game, as exhibited against Hamlin last week when they were able to adjust to anything the Pied Pipers threw at them. This flexibility will serve to advantage against a strong Bulldog squad this week, he said.

The Blizzards last week carried the fight all the way against Hamlin, with both offensive and defensive teams getting the spirit. No injuries have cropped up in the Blizzards lineup to hamper their action, the coach said, and he expects to field about the same starters who opened against Hamlin last week.

The Blizzards will be going against a strong team which is determined to regain the status they enjoyed for some years before the 1962 State semi-finalist Blizzards knocked them off.

The operators said the center will be operated under strict rules and regulations, and that a special rack will be provided for players who wish to leave their own cues in the center.

The Bulldogs field a tough line, offensively and defensively, and Friday night's game is expected to be one of the toughest of the year. Stamford plays a wide open game in which about anything can happen, and have a reputation of a rough and tumble team.

Stamford will probably field Quarterback Steven Haterius, one of the top players in the area and state. Along with him probably will be Fullback Eddie Jones, who has built quite a name for himself, and a 1962 All-District End, Larry Jones.

Both Winters and Stamford defeated Colorado City in pre-conference tilts. Winters faded C-C 22-8 in the season's opener, and the Bulldogs came along and whipped them 35-0. C-C was the only pre-district team to be played by both Winters and Stamford. However, Hamlin triumphed over Stamford 15-6 in the first district encounter, and then Winters clipped Hamlin the next week 22-6.

Wilson said the Blizzards are improving with each game, as exhibited against Hamlin last week when they were able to adjust to anything the Pied Pipers threw at them. This flexibility will serve to advantage against a strong Bulldog squad this week, he said.

The Blizzards last week carried the fight all the way against Hamlin, with both offensive and defensive teams getting the spirit. No injuries have cropped up in the Blizzards lineup to hamper their action, the coach said, and he expects to field about the same starters who opened against Hamlin last week.

The Blizzards will be going against a strong team which is determined to regain the status they enjoyed for some years before the 1962 State semi-finalist Blizzards knocked them off.

The operators said the center will be operated under strict rules and regulations, and that a special rack will be provided for players who wish to leave their own cues in the center.

On the scoreboard, the Bulldogs are ahead on points scored, with 133 for the season, against 70 for their opponents, compared to Winters' 120-58. However, it's a different picture in conference play: Winters has allowed only 21 points against them while marking up 43. Stamford has only scored 20 points in conference to their opponents' 21, to end up with a 1-1 district record.

Winters' wins this year have been: C-C 22-8, Coleman 37-0, Haskell 21-8, Hamlin 22-6, He, Brady 14-14, Josses Mason 9-6, Albany 6-16.

Stamford's record: C-C 35-0, Seymour 30-12, Quannah 21-0, Cisco 6-0, Anson 14-6, Josses, Snyder 21-28, Hamlin 15-6.

Friday night's game will be the last home tilt for the Blizzards. The following Friday, they travel to Anson, and then wind up the regular season against the Bearcats in Ballinger two weeks from now.

Kickoff time for tonight's game will be 7:30.

Junior Class Set New Record For Magazine Sales

The Junior class of Winters High School exceeded last year's sales record in the annual magazine subscription campaign. A total of \$2492.42 for 667 subscriptions was turned in at the end of the campaign.

Last year's sales were \$211.91. Funds realized from the sales will be used to finance various activities of the junior class.

The class was divided into five groups, with each group given a quota of \$400. The high group, under sponsorship of Miss Gardner, almost doubled their quota, with a total of \$764.24.

All-class high salesman was Larry Rives, who turned in \$216.94. Martha Hale was second with \$153.55. As an award for his efforts, Larry received a tape recorder. Miss Hale received a hair dryer.

From San Antonio, Mr. and Mrs. B. F. Hutcherson of San Antonio were weekend visitors in the home of Mrs. A. D. Lee.

Golf Course Is Open; Tourney Set For Sunday

The golf course at Winters Country Club opened Tuesday of this week, following a shutdown of several days while work was being done on the greens. E. T. Patterson, greens chairman, said this week.

To mark the re-opening of the course, a "best ball" tournament is being planned for Sunday, November 3.

All greens on the course received planting of winter grass—Italian rye—which will keep them in good condition throughout the winter months, it was stated. Greens are in the best condition they have been in a long time.

Russell Mote will be general chairman of the tournament planned for Sunday, beginning at 1 p. m. Golfers will be teamed in foursomes, for a "best ball" contest. Registration fee will be \$1.00. All local golfers are invited to participate.

Winters golfers took part in a couples tournament in Sweetwater last Sunday. Mr. and Mrs. Patterson netted low score in the first flight, and Morris Robinson had low net score in the second flight. Mr. and Mrs. Pannel Legg of Ballinger were low gross winners in the second flight.

VN School At Winters Hospital Starts Nov. 8th

After several months of work and planning, the School of Vocational Nursing at Winters Municipal Hospital will begin Nov. 8.

Organization of the School for Vocational Nursing began several months ago when it was realized that in order to have trained personnel available for work at the hospital, the hospital must take the initiative and train its own personnel.

Mrs. Tommy Rougas, hospital superintendent who will be in charge of the school, announced this week that final plans have been made, and a tentative approval received from the state, for a program to train women as Vocational Nurses in the local hospital.

For Flood Control— Valley Creek Water Control District Calls For Bids On First Two Dams

Hugo Vogelsang, president of the board of directors of the Valley Creek Water Control District, announced this week that invitations for bids for the first two of 20 proposed flood water retarding structures were mailed to prospective bidders for construction last Thursday, Oct. 24. A call for bids also has been inserted in newspapers.

Vogelsang said that these first two structures are in Taylor County on the W. L. Murphy ranch.

The board president said that invitations for bids on two more sites will be sent out the first part of November. One of these sites is on the Ralph Burns farm in Runnels County. The other is on the Frank K. Antilley ranch five miles northwest of Winatee.

support of many groups, organizations and individuals. It is," he continued, "unbelievable of the time and effort that these groups and individuals have put into this project."

When asked what he thought all this time and effort would have cost had it not been given, Vogelsang said, "If I had to guess I would say that a conservative estimate would be in the neighborhood of over \$200,000."

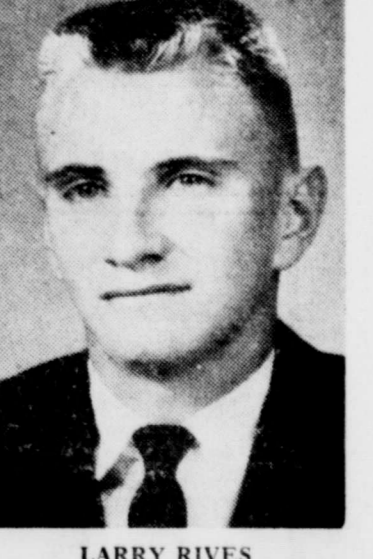

Vogelsang said the members of the board of directors of the VCWCD, besides himself, wish to express their appreciation for this help and look forward to the continued support during the construction phase of the project. Members of the board are Vogelsang, Frank K. Antilley, Duncan Hensley, Adolph Minzenmayer, Douglas Stevens, Milton Jackson, Pete Franks and G. B. Robertson.

STUDENTS... Of Month For October

BARBARA BALDWIN ... Girl of Month

A senior girl and a junior boy were named "Girl and Boy of the Month" for October by the Winters High School student council this week.

LARRY RIVES ... Boy of Month

Miss Baldwin was class treasurer her sophomore year, and is an office girl in the principal's office this year.

Attending the morning services Sunday at the Wilmeth Baptist Church was Roland Tekell of NTU, Denton. Pastor and Mrs. Lester Carter attended the association Monday night of last week.
When Christians Worship is the subject of next Sunday's International Sunday School Lesson. The memory selection is: Let the word of Christ dwell in you richly, as you teach and admonish one another in all wisdom, and as you sing psalms and hymns and spiritual songs with thankfulness in your hearts to God.—Colossians 3:16.—The

following is by Lewis H. Christman: Worship reminds us of the great spiritual values in which thoughts are turned away from the things of time and sense. It is easy to put last things first and first things last, for the great to seem small to us and the small to seem great. We are tempted to place more value on the transient and material than on the eternal and the spiritual. That which we see can loom so large in our lives that we forget the unseen. It is not hard to measure life's values in terms of inventions and technical achievements. An exaggeration of the place of the material in the life of man is a type of paganism. And we live in a world of a multiplicity of things. This situation is itself a convincing evidence of the need for worship.
Saturday afternoon at her home, Mrs. Odas Claxton entertained her Sunday School class, the primaries, with a Halloween party. Ice cream and cake were served to Lorie and Marsha Mayfield, Larry, Ruth and Elaine Pitcock, Troy, Sue and Cecil Crockett and Vicki Aldridge.
Special days next week are for: Jerry Sneed, Mrs. Hulie Webb and a wedding anniversary for Mr. and Mrs. Weldon Hurley the 3rd; Sharon Cornelius and Rodney Little the 4th; Mrs. Nora Ledbetter and Ronnie Grun the 5th; Hilbus Self, Mrs. Clyde Reid, Mrs. Ed Bigham the 6th; David Dobbins and J. D. Harrison the 7th; Ernest Wade and Udell Middleton the 8th; Zoe Ann Sanders and Oscar Bryan Jr. the 9th.
Mrs. Lovey Bailey visited Saturday with Mrs. Walter Kerby of Ovalo who has recently been a patient in Cox Hospital, Abilene. Mrs. Kerby is now taking a series of X-Ray treatments at Abilene.
The Calwyn Walters of Moro spent the weekend with the O. L. Walters at Loop.
Mrs. Sallie Smith entered the Merrill Rest Home at Winters last week.
Mrs. Wayne Hunt visited with Grandma Newby Saturday at the Rosewood Home, Abilene.
Laura Marlene is the new daughter of Mr. and Mrs. Allen Sikes of Coleman. She arrived October 25, weighing 6 pounds and 4 ounces. Her grandparents, Mr. and Mrs. M. L. Dobbins, Mr. and Mrs. David Dobbins of Drasco and Wayne Dobbins of McMurry have been to see her. Saturday Mr. and Mrs. M. L. had supper with Mr. and Mrs. E. E. Vaughn at Winters. It was Mrs. M. L.'s birthday.

A Better Life

With the invention of the electric light, Mr. Edison ushered into existence a concept. The concept of living better through electricity. We call it "better—electrically."

Customers of West Texas Utilities Company have discovered the new concept a better life through electricity. We are constantly on the lookout for new ways to serve you, the customer better.

Live Better... Electrically

West Texas Utilities Company

Daughter Of Former Residents Weds San Benito; To Live in Terrell

Mary Lois Weaver, daughter of Mr. and Mrs. Edward Weaver, and the daughter of Mrs. W. B. Winters, and Charles O. H. Kennedy, all of San Benito, were united in marriage Saturday evening of last week at 8 o'clock in the First Church.

Rev. Buford Harrell performed the double ring ceremony.

The bride, given in marriage by her father, wore an original gown of antique ivory fabric, trimmed with delicate lace, forming a high neckline and flowing sleeves. A soft fold of fabric draped the empire waistline, forming a small bow at the back. The deftly contoured

skirt of faille was floor length and formed a traditional three-piece court train. She wore deep ivory wrist length gloves. Her veil of French illusion cascaded to the floor from a Grecian Tarboosh headdress of faille and illusion.

She carried a cascade arrangement of white gardenias, English ivy and lilly of the valley on top of a family prayer book (dated 1820), belonging to her paternal great grandmother. A luck-piece sapphire, brought back from Europe, was worn in the bride's shoe.

Matron of honor was Mrs. Jim Kirksey of Harlingen. Bridesmaids were Miss Barbara Kennedy, sister of the groom, Miss Susie Hindman and Mrs. Geri Gause Todd.

They were gowned alike in cranberry silk brocade fashioned with bateau necklines and scoop backs, with elbow length sleeves. Velvet ribbon accented the empire waist lines of the contoured skirts, which were floor-length. Their custom designed hats were fashioned of moline and brocade, trimmed with velvet fruit clusters and deep green leaves. They wore short, white gloves and each carried an arrangement of Beauty Giamelias, fashioned of Croton leaves in shades of cranberry, pink and green with trailing English ivy.

The father of the groom attended his son as best man. Groomsmen were Bill Todd, Harold Sheffey and L. W. Newton. Ushers were Henry Thomas, Roy Clark, Sam Scaief and Gearold Steiner.

Immediately following the ceremony a reception was held in the community center, which was decorated to resemble a garden scene, and highlighting the bride's chosen colors of cranberry and pink. A Bamboo fence banked with greenery ran the entire length of the main foyer, with hanging baskets of white roses and cranberry candle cups placed at vantage points throughout.

Special guests were Mrs. W. B. Cotten of Winters, grandmother of the bride, Mr. and Mrs. Kent Manning, grandparents of the groom, Mr. and Mrs. Kennedy of Harlingen, also grandparents of the groom, and Mr. and Mrs. J. P. Ellis.

Immediately following the reception the couple left on a short wedding trip. Mrs. Kennedy chose as her traveling ensemble, a cranberry crepe dress with blouson overblouse, cranberry and white feathered hat, black accessories and a gardenia corsage. She wore a single strand of pearls a gift of the groom.

The bride graduated from Baylor University with a B. S. degree, was a member of Bards and Rhapsody choral group and her sorority was Tri-D.

The groom attended Texas Southern Junior College, is a graduate of Gupton-Jones College of Mortuary Science

Kathy Dunn Hostess To Sub Deb Club Monday Evening

Sub Debs planned for Thanksgiving banquet when they held their regular meeting Monday night in the home of Mr. and Mrs. Ray Dunn with their daughter Kathy, serving as hostess.

The meeting was called to order by Judy Smith, roll call and minutes were read by Judy Kettler. Announcement was made that the cake money should be turned in at the first meeting in November, and the candy money should be turned in at the second meeting in Nov., also the Thanksgiving banquet was discussed and planned.

The program was presented by Judy Smith which was entitled the problem "Boos and Bouquets". Scandal was read and refreshments were served to Louise Adami, Nicki Eoff, Susan Roberts, Mary Young, Marsha Hays, Kay Green, Karen Knapp, Judy Smith, Judy Kettler, Judy Williams, Kathy Dunn, Jan Byrd, Patsy Winton, Bobbie Gans, Karen Pierce, Sherry Stanford, Katherine Grissom, June Puckett, and Club sponsors Mrs. Jerry Cunningham and Mrs. Lon McDonald.

The next meeting of the Sub Deb Club has been changed and will be in the home of Miss Marsha Hays Monday night.

Slides Of India Shown To Wesleyan Circle Members

Amar Nath Singh of India was guest speaker of the Wesleyan Circle of the First Methodist Church, when they met in regular session Monday night. Slides were shown by Mr. Singh as he spoke to the group in a continuation of their study of Southern Asia.

The Rev. Ray Elliott lead the group singing. "Consecrated Hands", was the topic of the Devotion given by Mrs. Elliott.

The meeting was dismissed with a prayer by Marguarite Mathis.

There were approximately 30 who attended the meeting.

PROMOTED TO CORPORAL

Gayle W. Gardner, son of Mr. and Mrs. Gayle Gardner, has been promoted to the rank of Corporal in a statement made by Major Charles W. Howard, assistant professor of military science, October 21. Corporal Gardner is one of ten Reserve Officer Training cadets of Hardin-Simmons University to be promoted.

VISIT IN LUBBOCK

Dr. and Mrs. C. T. Rives and children, Larry, Terry and Kay Lynn, were week end visitors in Lubbock with Mr. and Mrs. Don Roberts.

and is a member of Pi Sigma Eta National Morticians Honorary Fraternity.

The couple will reside in Terrell where the groom is a mortician with a funeral home there.

State Appeals Order To Redistrict for Texas Reps

Vern Sanford, press association spokesman, said the present State district lines and Texas congressmen will not interfere with the 1964 elections. Top ranking Republicans found the Governor's tough words "shocking."

State AFL-CIO President Hank Brown said "complete and total anarchy" is going to be the result of failure to redistrict before the February 3 filing deadline.

The Governor drew blasts of criticism from major cities, which are under-represented in Congress. But there was approval from rural areas. They will lose strength in Congress when the districts are re-adjusted to be more equal in size, population-wise.

A Georgia case will be argued in November. This may provide guidelines. Connolly believes that once the filing deadline has passed in February the Supreme Court will not interfere with the 1964 elections.

Waggoner Carr's decision pending a stay of the appeal by Supreme Court Justice Black.

Connolly conceded the present line-up is unconstitutional, but that it's the responsibility of the legislature, not the courts. He felt that the court was political.

Members filed the law-suit among districts. Governor pledged to fight to the last legal ditch, and Connolly stated that he would call no special session "until all other means of action are closed."

Chief was that such a measure could not be put in 30 days, especially there have been some of the U. S. Support to show what, if any will be placed on redistricting.

THE COURTS SPEAK
Aside from congressional redistricting, the courts had plenty to say last week. State Supreme Court held that the City of Haskell can spend municipal tax money to fight building of a dam by the orth Central Texas Municipal Water Authority. Its decision upheld a Court of Civil Appeals finding but overruled the trial court verdict for the Authority.

The city considered the proposed dam on Miller Creek would be detrimental to its water supply. Cities in the Authority's territory are Seymour, Knox City, Munday, Goree, Haskell, Rule and Rochester.

Third Court of Civil Appeals agreed with Travis County District Court that the State's 1961 dedicated reserve natural gas tax is unconstitutional and prohibited by the U. S. Constitution's "commerce clause."

WILDLIFE COMPROMISE
Parks and Wildlife Commission compromised on applications for free shell-dredging access to oyster reefs in Trinity and Galveston bays. It permitted dredging within 300 feet of live oyster reefs, as opposed to the usual 1,500-foot distance. But it denied dredging near five major reefs and one bird island. Commission said in a statement "It is realistically estimated that these revisions in regulations will make available up to two years' supply of shell to relieve current emergency needs."

Then it ordered a widespread

study of shell and aggregate resources which contribute \$1,500,000 a year or 25 percent of the department's income. It concluded that without this important revenue the Commission, in all probability, would be forced to substantially increase fishing and hunting license fees."

FEEL RICHER?
Texans' incomes were at an all-time high in 1962 at \$20,360,000, reports the U. S. Department of Commerce. This was 4.4 percent above 1961. It means that 4.6 percent of the dollars earned by all Americans belonged to Texans.

But when the massive figures are put into average, Texans fall back. Texas ranks third in population, but sixth in total personal income. New York's \$50,990,000,000 and California's \$49,180,000,000 mean that people in those states have higher average incomes than Texans.

However, back in 1929 the total personal income of Texans was \$2,700,000,000. Now it's nearly 10 times as much.

HOSPITAL FUNDS APPROVED
State Board of Health has approved \$11,200,000 in applications for federal Hill-Burton hospital aid funds on 21 projects. Grants usually finance half the construction cost.

Allocations include: Leon County Hospital, Buffalo, \$126,000; Lee Memorial Hospital, Giddings, \$100,000; Community Hospital, Luling, \$295,000; Huth Memorial Hospital, Yoakum, \$250,000; Sabine Area Home for Older Adults, Carthage, \$225,000.

Grants totaling \$1,000,000 or more each were awarded hospitals in Houston, Corpus Christi, Fort Worth and El Paso.

The Water Pollution Control division of the Health Department found that the U. S. Congress had voted \$340,000 more than earlier announced for community sewage treatment plant projects. It is finding funds for several projects in addition to the 38 originally requested.

SLANT-HOLE OIL WELLS
Roy D. Payne, field supervisor for the Railroad Commission, now reports that there are 900 oil wells shut down in the giant East Texas Field, and about 300 of them have been found to be deviated.

Payne estimated that thousands of barrels of oil from deviated wells is in storage. He said operators are being given the choice of putting it back

into the reservoir, or giving it free to the country from which it came for use on roads.

TALK OIL PROBLEMS
Representatives of five independent oil associations have asked Governor Connolly to examine the "serious condition" of the Texas crude oil producing business. They appointed out that other States have formed economic study groups for this purpose.

Represented in the talks with Connolly were Texas Independent Producers and Royalty Owners Association, Panhandle Producers Association, Permian Basin Petroleum Association and organizations from West Central and North Central Texas.

WATER RECREATION
Governor Connolly's committee charged with working out plans for full recreational use of Texas lakes plans to meet the third Monday of each month.

Committee headed by Marvin Watson, chairman of the North-east Texas Municipal Water District, asked the Texas Water Commission to make a recreation survey of all Texas lakes. But it would be such a mammoth undertaking the commission's liaison man, Lewis Seward, demurred.

However, the State Water Development Board already has stated it will take recreational potential into account when voting on loans for community water projects.

State Highway Department has just authorized construction of 29 more boat-ramp projects, in addition to the 56 now built or programmed. Each ramp project includes a parking area, access

road, incinerator, signs and landscaping.

FISH-TO-MARKET ROAD
Increased requests to the State Highway Commission for "Farm-to-market-type" roads, connecting towns with reservoirs, caused Highway Chairman Herb Petry Jr. of Carrizo Springs to jokingly suggest a new road classification, "Fish-to-Market roads."

Latest on the list of lake builders is Brady, Texas. It will lose an old mail and school-bus route just west of town when recently-completed Brady Lake is filled. The town wants \$200,000 to build a new road around the lake and over the dam.

SHORT SNORTS
Governor Connolly appointed Gene Lehmann of Kerrville to the Upper Guadalupe River Au-

thority; John Thompson of Beaumont to the Governor's Statewide Water Recreation Study Committee; Donald G. Austin of Chappell Hill and Charles A. Guy of Lubbock to the Texas Commission on Alcoholism. This past week Governor Connolly dedicated the new Owens-Corning Fiberglass Corporation plant in Waxahachie; visited Boys Ranch at Old Tascosa; dedicated a historical marker at Panhandle on the Carson County Court House lawn; spoke at a dinner honoring him in Amarillo and at a Lubbock Chamber of Commerce meeting.

Republican State Chairman Peter O'Donnell Jr. announced that the GOP has a new state public relations director, John Knaggs, former-

ly with United Press International's Capitol Bureau. State Rep. Olen Petty of Leveland is the fourth member to resign from the 58th Legislature. Others include former Reps. Bob Hughes and Bob Johnson of Dallas and Rep. Jack Ritter of Austin. Rep. Dick Cory of Victoria is the new chairman of the Gulf States Marine Fisheries Commission. Governor Connolly has proclaimed November 3-9 as Texas Public Employees

It's strange that so many smart people work for such ignorant bosses.

Once to every man comes the moment to decide for the good or evil side.

Mrs. Clyde Landers, Mrs. Jim Landers and Fred Landers were recent visitors in the M. B. Folsom home with Mrs. Morrison. Mrs. Morrison is able to walk with the help of a cane. Other visitors were Mr. and Mrs. Elmer Bryan of Wilmett.

Mr. and Mrs. Edwin visited in the Dale Community with her brother, Henry and Mrs. Vogler.

Mrs. I. G. Hensley made a business trip to Ballinger last week. She and Anita visited with Joyce and Ginger Sunday in San Angelo.

Mrs. Hodge from Wichita Falls is visiting in the home of her daughter, Mrs. Clarence

Huckaby and Mr. Huckaby. Mrs. Voss spent Friday afternoon with Mr. and Mrs. John Byrd.

Visiting with Mrs. Wheat Friday were Mrs. W. L. Phillips, Mrs. W. T. Holder, Mrs. John Byrd. Saturday visitors were Crook Broadstreet and Mrs. Velma Langford and son. Mr. and Mrs. Buck Rodgers of Colorado City spent the week end here with her parents, Mr. and Mrs. H. E. King.

Mrs. Mildred Clark was a visitor recently with Mr. and Mrs. Carl Green. Ruth and Willard Cone of Pettitt were week end visitors. They came by

from San Angelo where they had visited other relatives and had brought Mrs. Blackwell home from a visit with them.

Mrs. J. W. Allen visited Sunday in the Lawrence Bryan home in Winters. Melba Rodgers and girls visited her mother, Ruby A. Bryan this weekend.

A nephew of Bill Harmon passed away in Midland. Bill and his sisters attended the funeral Monday.

In the W. B. Guy home Sunday were Mr. and Mrs. Dutch Briley, Mr. and Mrs. Jimmy Minor of Abilene, the M. L. Guys of Winters. Lela Mae came by Wednesday enroute to Odessa.

In the L. S. Morris home Sunday were Mr. and Mrs. Al Henley, Mr. and Mrs. Floyd Wood, Robert, Patsy and family.

Mrs. Albert Brown and baby, Mr. and Mrs. Doc Rodgers, Mrs. Lanora Bailey and sister Fannie Rae Durham visited in San Angelo over the week end with their uncle Shell Durham. Fannie Ray spent Sunday night with Mrs. Harter and Leila.

Guests in the W. T. Holder home Sunday were Mr. and Mrs. Roy Holder and daughter of Abilene and Mr. Sol Doggett.

Mrs. Ira Low visited in the Clarence Huckaby home with Mrs. Hodge.

Several ladies quilted a quilt for Mrs. Kirkland Monday in the Tilda Johnson home. Those attending were Mrs. W. T. Holder, Mrs. M. R. Smith, Mrs. Bessie Phillips, Mrs. Tilda Johnson, Mrs. Flossie Kirkland and Mrs. Byrd, Mrs. Denson and Mildred Patton.

Kathy Dunn was hostess to the Sub Debs, Monday night in the home of her parents, Mr. and Mrs. Ray Dunn.

Mrs. Annie Phillips has returned from Lampasas where she has been visiting in the home of her daughter, Mrs. Pete Polk and Mr. Polk, his daughter, Agatha and husband traveled to Lampasas and accompanied her home.

Guests in the John Gannaway home Sunday were Mr. and Mrs. M. R. Smith, Mr. and Mrs. Survern O'dell and girls. The occasion was Mrs. Gannaway's and Mrs. M. R. Smith's birthday.

Glenda Folsom and Becky Dean also had birthdays on Sunday.

FROM NEW BRAUNSFELS
Mrs. C. P. Alfrey of New Braunfels, former resident of Winters, returned home Friday after a short visit with friends here. She was accompanied home by Mrs. B. B. Bedford, who spent the week end in New Braunfels visiting in the home of her son, Dr. and Mrs. Don Bedford and with Mrs. Alfrey.

Scott & White To Open New Ten Million Dollar Hospital Dec. Sixth

One of the nation's most revolutionary new medical centers will open December 6, adding new strength to a 66-year-old organization's total attack on human suffering.

A unique new building, costing almost \$10 million, will house the fully interlocking functions of Scott and White Memorial Hospital and Scott, Sherwood and Brindley Foundation, Scott and White Diagnostic Center, Olin Culberson Medical Research Center, Scott and White School of Professional Nursing, University of Texas Post-Graduate School of Medicine, Temple Division.

Patients will be moved from the present hospital quarters on December 15, moving in a train of ambulances to the new building more than a mile away. Detailed planning for this dramatic move already is under way.

Most dominant feature of the non-profit hospital's new home is arrangement of all nursing floors in three eight-sided towers, each seven stories high. Nurse stations are in the center of each octagonal floor, thus placing a nurse within a few steps of each patient's door.

Patients will be able to see the nurse station at all times, but rooms are arranged so that one patient cannot see into the room of another on the opposite side of the floor.

Architects Ellerbe & Co. of St. Paul, who worked with Mayo Clinic in research on this design at Methodist Hospital in Rochester, Minn., say this is the first major institution of its kind to employ the radial nursing floor. Ellerbe was joined by architect Wyatt Hedrick of Fort Worth in designing the 315-bed hospital.

All parts of the building are designed so that each of the center's functions — diagnostic, research, surgery, laboratories, hospital floors, etc. — will have full functional access to the services of the other. There are examining and consultation rooms for the 65 permanent staff specialists and 40 intern and resident physicians.

All doctors are on modest salaries and receive no fees. They function as a group, staffing the hospital, clinic, and other duties in the manner of a team working in the patient's behalf.

Situated on a hilltop overlooking Temple from the southwest, the massive building contains adequate facilities for a potential registration of 75,000 patients a year and is designed for further expansion. In the

Texas Packers Buy Local Stock

In the sometimes unpredictable Texas livestock business, one promising fact is that more than 84 percent of the animals slaughtered in the state are purchased here, says Ed Uvacek, livestock marketing specialist at Texas A & M College.

This strong demand for Texas animals by Texas packers was found in all classes but was more prevalent in some than others, according to the 1959

survey, he says. Of the heifers and steers slaughtered in the state, 85 percent were Texas cattle. Most of the remainder of this class originated in New Mexico, Arizona, Kansas and Missouri, explains Uvacek.

Texas stockmen supplied 96 percent of the cows and bulls processed with small numbers coming from Oklahoma and Kansas. Calves and vealers were supplied at the rate of 96 percent by Texans and very few were shipped into the state for slaughter, says the specialist.

Sheep and lambs purchased outside the state by packers

came from Colorado, New Mexico and Oklahoma. The boundaries of Texas important swine production were purchased in Uvacek. Hogs shipped as came from Nebraska, Missouri, Illinois, Oklahoma, he adds.

Thus while other may plague the Texas industry, the demand products by Texas not one of their own

BAHLMAN JEWELERS

Team to Beat— Blizzards Romped On Hamlin 22-6 Take No. 1 Spot In District 6-AA

Winters-Hamlin game of the week by a daily district play, and one other had to be eliminated. The pre-district game was favored. How- ever, Winters was picked as the team to beat. Defeating the Blizzards as- sumed one place in Dis- trict 6-AA. It is quite possible that Winters played the Blizzards in a rough series. After receiv- ing the opening kick-off, Winters moved on the 24 yard line. Roger Pearce carried the ball for the first TD. Grissom carried to the 18, and the 11 for the first Grissom drove through the 9; Denny claimed five to the 4. Grissom was one yard before scoring. The pass try was wide. With the first quarter, Winters led 6-0.

Late in the first quarter, Steve Grissom intercepted a Hamlin pass on the Winters 23, to stop a Hamlin drive that had started on their own 33. This was the first of five passes intercepted by Winters.

Deep in their own territory, QB Aldridge called on Await for a quick kick on third down. The Pipers held the ball for four plays, punting to the Blizzards 29. From there the Blizzards drove 71 yards in 10 plays for the second TD. Highlight of this drive was a 26-yard scamper by Aldridge from the Blizzards 36 to the Hamlin 39. Aldridge claimed the TD with 7:45 left in the second quarter. An Aldridge pass to Mike Mitchell was completed for two extra points, giving the Blizzards a 14-0 lead.

Receiving the ball on the kick off, Piper QB Robert Pearce passed to Mike Shivers—Mr. Pied Piper himself—to the Hamlin 48, good for 20 yards. Chester Puckett was the man with the tackle, as Pearce was pushed back to the 44 while waiting to pass on the next play. The Pipers were not to be denied, and with second down and 15 needed, Pearce hit HB Allen Cumbie for a 56-yard play and the teedee. The pass try for extra points was incomplete, and with 6:25 left in the second quarter, Winters was ahead

14-6. Early in the third quarter the Blizzards again claimed a TD as Aldridge moved in from the 16. However, a penalty nullified the play and the Blizzards lost the ball on downs on the Hamlin 11.

The Pipers moved from their own 11 to the 36. With third down and eight needed, Pearce attempted a pass, and Winters' Jimmy Adams moved under the ball on the mid-field stripe and carried to the Hamlin 34.

Grissom carried to the 30, Await to the 29, and Aldridge to the 17, for the first down. Grissom to the 8 and Aldridge to the 4. With first and goal, Grissom took three downs before plunging over from the 1. Aldridge hit Donald Parker in the end zone for the PAT, and the final score was reached with 38 seconds left in the third quarter.

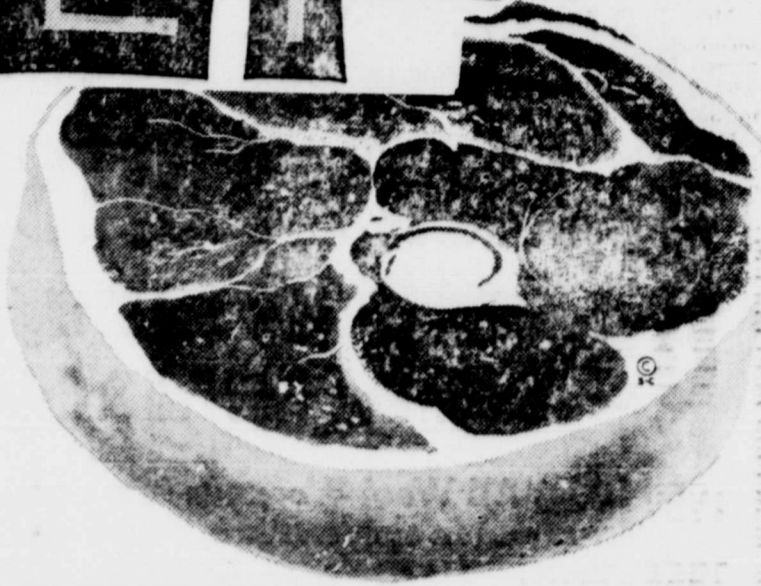

Although no points were scored during the fourth quarter, it was not uneventful. Adams intercepted another Hamlin pass on the Hamlin 37, but the Blizzards were unable to move and lost the ball on the 27.

The Pipers again took to the air, completing three passes to the Hamlin 46. At this point Denny Aldridge moved in front of the Hamlin receiver and carried to the Winters 37. In seven plays the Blizzards were on the Hamlin 26. Van Spill attempted a field goal, which was short, and the Pipers took over on the 20. Three plays later, as if to put the cherry on top of the ice cream, Darrell Colburn claimed the fifth interception and carried to the Hamlin 48 as the game ended.

English Committee Of Texas STA Met In Brownwood Sat.

Seventeenth annual meeting of the Texas English committee for schools and colleges of District 11, Texas State Teachers Association, was held in Howard Payne College in Brownwood Saturday.

"Logic in Composition and Literature" was the theme of the program and Mrs. Lottie Morgan of the Brownwood High School was general chairman.

Mrs. Charles Kruse, Jr., of Winters conducted a panel discussion on "Logic and Language Structure." Panelists were Mrs. Eleanor Burgess, Mrs. Wanda Cain and Mrs. S. E. Lightfoot.

The panel members made talks on "A Metriculus Choice of Modifiers," "The Nicety of Dictation," and "The Logic of Connectives."

Fall Festival of Our Lady of Mt. Carmel Well Attended

Fall Festival of Our Lady of Mount Carmel Catholic Church in celebration of the remodeling of the church held last Sunday, proved to be a very successful event.

Approximately 1000 persons attended the barbecue dinner, games and auction. Andrew Engler, overall chairman of the event reported approximately \$3800 taken in, the proceeds of which will go toward the remodeling charges.

The Rev. Donald Haile is pastor of the church and Ted Meyer was in charge of the building committee.

IN BRONTE HOSPITAL

George Cave, son of Mr. and Mrs. Nolan Cave of Wingate, is a patient in Bronte Hospital with pneumonia. He is reported to be improving.

If all of us could hang our troubles on a clothesline and a great downpour began, everyone would run to grab his own.

Money still talks, but you have to increase the volume if you want to get the message through.

If things don't seem to be coming your way, perhaps you are on the wrong road.

You can't measure happiness by money. A man with ten million may be no happier than a man with nine million.

Teach thy tongue to say, 'I do not know.'

Why is it that we are not all kinder to each other than we are. The world needs kindness and it is easily done.

Ford Motor Company, founded by Henry Ford in 1903, has manufactured more than 60,000,000 passenger cars, trucks and farm tractors in the United States.

The winds are always on the side of the ablest navigators. It is better to have a right destroyed than to abandon it because of fear.

The future always holds something for the man who keeps his faith in it.
