Talk

By R. C. THOMAS

According to Johnny Bob Smith, business manager and tax collector for Winters Independent School District, many people have the idea that the business office of the school keeps the same hours as the students.

The school business office is open year-round—through rain, sleet, snow, ice, and the good ole summer time—and is closed only on official holidays. About the same schedule kept by most private offices and businesses, Johnny says.

So just because there are no students swarming over the campus during a regular work day, it is no sign the staff in the office is not at work. The office is now located in the Ag Building just south of the high school.

The congregation of Winters' First Presbyterian Church has donated a nice piano to the Winters Lions Club. The piano has been moved from the church building to the Winters Community Center, meeting place for the Lions Club each Tuesday noon.

'Tis the season to be jolly... and careful, too, about leaving packages lying in seats of cars parked and unattended and unlocked. Sad to accept the fact, but Winters, too, has a few who think nothing of taking advantage of such situations, and can slip packages out of unlocked cars even while being watched. Too, there are always a few strangers passing through. This season seems to bring such persons out of the woodwork in unusual numbers.

It's easy for a thief to make away with packages left lying in cars. Seldom does anyone on the streets take note of who is getting into what car; everyone is too busy with their own thoughts and errands. And packages left on car seats are an open invitation to thieves.

The safest solution to this type of thievery is to lock all packages out of sight in the trunk of your car. An ounce of care might prevent someone from going without Christmas this year.

This is the season, too, according to law enforcement officers, when thieves increase their activities, entering homes and making away with Christmas gifts stacked under trees, television sets, radios, small appliances—and just about anything else that is not nailed down. Especially in the rural areas, where they can come and go without detection.

Everyone, officers said, and especially those who live in rural areas, should be watchful for strangers and unusual activity, and should report same immediately. Vigilance might prevent someone's home from being ransacked.

Inflation has one thing going for most of us—it has enabled us to live in more expensive neighborhoods without even moving.

No calendar is needed to tell us that winter is just around the corner. As the sun swings lower toward the shortest day of the year and winter makes its entrance on December 22, thoughts will turn to activities of the new season—winter sports, the Christmas holidays, New Years, and football bowls.

While many people like the placid continuity of eternal summer and follow the sun as it moves south, others find stimulation in the changing seasons. Like the land itself, most men are renewed by change. Nature in her wisdom has arranged for the changing seasons because without there is growth. Unless there is winter, there could be no spring, no renewal.

HUD Approves Housing Contract

Final approval by the Housing and Urban Development agency on awarding of contract for the low-cost housing project in Winters, has been received, and work is expected to begin "within a short time," Jake Joyce, chairman of the board of the Housing Authority of the City of Winters, has announced.

The contract was awarded by the board to Alston Construction Co. of Sweetwater after bids were opened here November 23. Award of the contract was subject to approval by HUD, it was explained. The Sweetwater construction company submitted a bid of \$543,000 for the entire project.

Construction of the 46-unit project will be under the supervision of Fitch, Holdridge, Bison, Holcomb Company of Houston, architects and planners employed by the Winters Housing Authority.

The project will be built in two separate locations. Units for the elderly will be located

one block east of Main Street near downtown Winters, with units for low-income families to be located near the school in the northeast section of Winters.

It was pointed out that no applications for rental of any of the units are being accepted at this time. Announcement will be made at a later date regarding eligibility and requirements.

The housing units will be of duplex-type construction, and will include three-, two- and one-bedroom rental homes, and efficiency units.

Thirty of the units will be for the elderly, with the other 16 for low-income families. Rental assignments will be made through the Housing Authority, which will have sole authority for administration.

Members of the board of the Housing Authority are Joyce, J. P. Dry, Ralph Lloyd, Gattis Neely, and Ted Meyer. Oliver Wood is executive secretary of the Authority.

Proposed Housing Project Steering Committee Being Compiled By C. of C.

A list of prospective members for a steering committee to begin organization of a non-profit corporation in Winters to develop a rental housing project has been submitted to the Chamber of Commerce, and the board of directors is expected to take action in naming the committee at the first meeting in January.

Members of the Industrial and Civic Affairs committees of the Chamber have compiled a recommended list of prospective steering group for consideration of the board. The steering committee named by the chamber board would organize the corporation, which would in turn apply for a charter and begin work on the proposed housing project.

The idea is to form a non-profit corporation which could negotiate for long-term, low-interest loans from the Farm Home Administration to build several rental houses in Winters. Rental housing is desperately needed here, it has been pointed out, and the formation of a non-profit corporation to build this type housing has been recommended.

All-District Grid Teams Released, Blizzards Are Represented On All

The All-District football teams for District 8-AA for 1971 were released this week by the coaches of the district, with Eastland, top champions and state semi-finalists, taking a lion's share of the honors.

The Winters Blizzards, in third place in the district, placed 1 man on the offensive team and one man on the defensive squad, and eight men on the second team.

Eastland had eight men on the offensive first team, and five on defense. Coleman, No. 2 team in the district, placed two men on the offensive first team, and three on defense.

Comanche, finishing well down in the ranks in the standing for the season, placed one man on the first offensive team, and three on the defensive

Such a corporation would be administered by a board of directors named from the membership.

There is a big need for additional rental property in Winters, due to an ever-increasing work force employed by the several local industries. Many people live in other towns in the area, and a recent survey indicated that some of them would prefer to live near their work if housing could be made available. Also, it has been pointed out, local industries are expanding and further expansion could be expected if housing was available for the additional workers needed.

ATTENDED FUNERAL

Mrs. A. D. Smith returned home Monday after attending the funeral of her brother, Dave Virden, in Fredericksburg. Mr. Virden died Friday, Dec. 10, in Hill County Memorial Hospital in Fredericksburg, after a long illness.

\$5,000 GIFT—Hal Dry, left, a president of Wallace-Murray Corporation, and general manager of Dry Manufacturing Division, Wallace-Murray, presents a \$5,000 check from the company to Ted Meyer, as a contribution to the North Runnels Hospital Equipment Fund. Meyer is chairman of the special committee spearheading the drive to raise voluntary contributions to purchase equipment for the new North Runnels Hospital. More than \$59,912 already has been contributed or pledged to the fund. Architects are now working on final plans for the new hospital, and the board of directors of North Runnels Hospital District expect to call for construction bids in March.

Preparations Being Made For Junior Livestock Show Here January 8th

Wednesday was the deadline for registering livestock for entry in the annual Junior Livestock Show, and indications are that this will be one of the biggest shows in recent years.

The annual show, sponsored by the Winters Livestock and Agricultural Association, is scheduled for Saturday, January 8, at the livestock barns of the Winters Schools.

More than \$2400 in cash money will be offered to winners in the several divisions and classes to be judged at the show. The Livestock Association will offer cash prizes to winning animals, and individuals and business firms of the

area will add about \$1200 to be distributed among the winning livestock exhibitors.

All youths residing within the Winters Independent School District are eligible to enter stock in the show, including 4-H members, FFA members, and independents.

The Agricultural Committee of the Winters Chamber of Commerce is selling "shares" in the livestock show to firms and individuals, to raise money for cash awards to show winners. The "share" system provides prize money without the necessity of holding auctions of livestock, and provides an opportunity for more people to participate.

Progress Noted On US 83 Project, Materials Are Being Stockpiled

Although it will be some time before extensive progress is more than slightly visible on the job of reconstructing and widening U. S. Highway 83, and Main Street, Winters, a considerable amount of work already has gone into the project.

Right-of-way, from the Taylor County line south to Winters is being cleared, and trees are being readied for removal within the city limits in the areas where Main Street will be widened. Crews and equipment have been busy during the last few days cutting the tree limbs, and tree trunks probably will be pulled out within a few days.

Tree limbs and trees are being hauled and piled into the old gravel pits in the vicinity of the Old Winters Lake. Buford Baldwin, City Secretary, said, and later dirt will be bulldozed over them, reclaiming some of the land in the area.

Also, bridge work necessary for widening of the highway is progressing rapidly. On one bridge north of Winters, the bottom slab and walls already have been poured, and preparations were being made to pour the deck, or roadway section, perhaps this week, weather permitting.

Material for building the roadbed is being stockpiled, also. Base rock material will be obtained from a mountain northeast of Winters about nine miles. Top soil has been stripped off, and within a few days crushers will begin to prepare the rock for the base, and stockpiling sites to be used by the many trucks hauling the ma-

Next Week's Paper Mailed On Monday

Next week's issue of The Winters Enterprise will be published early, and local and rural subscribers will receive it Monday, December 20. Early publication is made to give advertisers a full week before Christmas. There will be no paper published Friday, December 24.

Merchants To Stay Late For Christmas Shoppers

No Mail Received, Sent Christmas

There will be no mail of any type received or dispatched from the Winters office on Christmas Day, December 25. H. M. Nichols, local postmaster, has announced.

The post office will be closed Christmas Day, and no first class mail or newspapers will be distributed to box holders. A regular Sunday schedule will be resumed on December 26, with first class mail and newspapers distributed to box holders only.

Service windows and rural and city delivery services will be suspended for two days, December 25-26.

Only 1041 Bales Of '71 Cotton In By Tuesday Noon

Winters Warehouse has received only 1041 bales of cotton from the 1971 crop, as of Tuesday noon, according to Ras Gideon, manager of the warehouse.

This compares to 11,542 bales received at this time last year, he said.

Rain and lack of heavy killing frost in the area has delayed stripping of cotton. Many farmers already have plowed under cotton in situations where they figured it would not be profitable to go into fields where cotton stalks were rank with most bolls on the bottom of the stalk.

Other farmers have not been able to get into fields because of the weather, and it is expected that much of this year's cotton crop will not be gathered until after the first of the year. This condition prevails all over the area. B. B. Manley Jr., in charge of the Abilene Classing Office, reports that only 1200 samples were classed for the week ending December 10, from the area served. The season's total is now 13,000 samples classed compared to 283,000 for the season's total a year ago, he said, for the Abilene classing area.

Fifty-five percent of the samples classed in the Abilene office were in the white category, with strict low middling and low middling 2 the predominant grades at 21 percent each. Staple lengths were 23 percent, 30; 45 percent, 31; and 17 percent, 32. Micronaire readings were in the premium range on 79 percent of the samples. Prices reported in the Abilene area this week range from 27.10 to 29.50.

Pat Pritchard Is Candidate For Re-Election, Pre. 3

Pat Pritchard of Wingate, Commissioner of Runnels County Precinct No. 3, announced this week he will be a candidate for re-election to that office, subject to the Democratic primary.

Precinct No. 3 now has a considerably larger population than in the past, following the re-districting of the county's precincts by the County Commissioners last summer. Precinct 3 now includes most of the old precinct territory, in addition to a portion of Winters, and dips into Ballinger to pick up many residents.

Only one other County Commissioner will be elected in 1972. Clyde Chaoman, of Precinct 1, reportedly is not seeking return to office. There are five candidates already filed for that office.

Weldon Estes will be at the Winters City Hall Dec. 29 and 30 to issue the decals, which will be placed on pickup windshields. The decal will be evidence of pre-payment of taxes on butane purchased for use in pickups.

State Controller's Office representatives will be in Ballinger at the courthouse, Dec. 28; at Miles City Hall, Dec. 27; Bronte City Hall, Dec. 29; Robert Lee courthouse, Dec. 30, and at the sheriff's office in Eden, Dec. 27.

RETURNED HOME

Mrs. Gene Virden returned home from San Diego, Calif., Friday after a two weeks visit in the home of Mr. and Mrs. Mike Gray and family. She spent a night in Dallas in the home of her daughter and family, Mr. and Mrs. Dan Standley. Mr. and Mrs. Virden recently attended the funeral of his uncle in Fredericksburg, and later visited with Mr. and Mrs. Don Davis of Paducah.

Many of Winters' merchants will remain open later than usual in the evening during Christmas week, for the convenience of holiday shoppers.

In addition, most merchants are offering special Christmas-time bargains on regular and gift merchandise.

Late shopping hours will be governed by merchants on an individual basis. No coordinated schedule has been worked out. Some merchants may remain open until near 9 p. m. on some evenings, while others will close an hour or two after regular closing hours.

The Chamber of Commerce has made arrangements for

Santa Claus to visit most merchants Saturday, December 18, and perhaps on some days during the week immediately preceding Christmas.

A special children's matinee will be screened at the State Theatre Friday afternoon, Dec. 24. There will be no admission charge, and the films shown will be for children, according to Bobby Mayo, manager of the theater. This is co-sponsored by the Chamber of Commerce.

All parking meters in downtown Winters have been covered during the rest of December, as a convenience to shoppers.

Lutheran Choir To Present Christmas Cantata Sunday Morning, Dec. 19th

The senior choir of St. John's Lutheran Church will present "King All-Glorious," by Roy E. Nolte, a Christmas cantata, at the regular morning worship hour, 10:40, at the church Sunday, December 19.

Ervin Henniger is director of the choir, and Miss Emma Henniger, organist.

Choir members include Mr. and Mrs. Charlie Adams, Mr. and Mrs. Erwin Ueckert, Mr. and Mrs. Jake Presley, Mr. and

Mrs. Walter Orken, Mr. and Mrs. Delbert Kruse, and Mrs. L. Ernst, Mrs. L. Geismann, Mrs. L. E. Jacob, Mrs. W. F. Minzenmayer, Miss Minnie Belitz, Miss Estella Bredemeyer, Walter Spill and Kenneth Orken.

The Rev. Walter C. Probst Sr., is pastor of the church.

The public is invited to attend this special celebration of Christmas.

Methodist Church Choir To Present Christmas Cantata Sunday Evening

The twenty-five voice Chancel Choir of the First United Methodist Church, directed by Kirke McKenzie, will present a Christmas cantata, "Sing Glory Hallelujah," Sunday night at 6 p. m., to climax Christmas activities of the day.

Randy Stevens will serve as organist and the pastor, Bob Sanders, will narrate the cantata.

Following the cantata, there will be a Christmas party for all

children of the church.

Sunday morning at 10:40 a. m. children and youth of the church will present a special service of recitations, instrumental and vocal music. At the conclusion of the service, the Enchanted Tree will be decorated with gifts of money to refresh the third floor of the educational building.

Friends of the church are welcome at all services.

Four Directors Will Be Elected To Valley Creek Water District Board

Four new directors will be elected to the board of Valley Creek Water Control District, in an election called for January 11, 1972, according to Hugo Vogelsang, president of the board.

Voting boxes will be at the Old Drug Store Building in Wingate, with D. F. Bryan as election judge, and at Crockett's Station in Norton, with Dave Compton as election judge.

No announcement has been made of candidates for these

vacancies on the board of the district.

Present board members are Vogelsang, Frank K. Antilley, vice president; and A. C. Minzenmayer, W. H. Lynn, C. J. Cornett, Joe G. Conrad, H. O. Polk, and Calvin Heim.

Valley Creek Water Control District is located in Northwest Runnels, Nolan, and Taylor counties. The district already has completed several water retarding structures on tributaries of Valley Creek, with plans for more.

Sixteen WHS Band Members Won Chairs In All-Region Band Friday

Sixteen members of the Winters High School Blizzard Band were elected to chairs in the Region VII All-Region Band try-outs at Ballinger Friday.

Four other Winters students were named as alternates.

Band students from 23 schools in 15 counties of the region contested for about 100 chairs, with the top positions eligible to go to Austin for All-State try-outs in January. The Texas All-State Band is the highest goal obtainable for a high school music student in the United States.

Three Winters students are eligible for state try-outs, including Trish Hill, Lisa Bishop, and Paul Gerhardt.

The all-region band held a seven-hour rehearsal and presented a concert Saturday.

Winters band students named to the All-Region Band are: Trish Hill, flute; Maurine Riess, piccolo; Ginger Fahey, clarinet; Paul Gerhardt, clarinet; Lou Ann Cole, Alto sax;

Kay Schwartz, bass clarinet; Tandy Medford, cornet; Rickey Mathis, cornet.

Also, Jay Henderson, cornet; Mary Jacob, cornet; Noel Nichols, baritone; Wesley Wharton, bass; Bruce Smith, trombone; Glen Colburn, trombone; Lesli Bishop, utility percussion; Lisa Bishop, utility percussion.

Alternates were Gwen Crouch percussion; Keva Harrison, French horn; and Frances Cooper, cornet.

Schools Dismiss Friday For Christmas Season

Winters schools will dismiss at 3 p. m. Friday for the Christmas holidays. Buses will make regular runs at that time. Classes will resume Monday, January 3, on a regular schedule.

VFW, Auxiliary To Have Children's Christmas Party

Winters Post of the Veterans of Foreign Wars, and its Ladies Auxiliary, will host their annual Christmas party for children of members of the organizations Friday, December 17, at 7:30 at the Post Home. Santa will be there with a gift for children under 12.

The affair will be a covered dish supper, and all members have been asked to bring a covered dish.

School Business Office Closed December 24-27

The business office of Winters Independent School District, located in the Ag Building annex, will be closed Friday, Dec. 24, and Monday, Dec. 27.

Finish cattle with just these four

No hay, no silage, no roughage of any kind. No processing of corn — no grinding, rolling, flaking. It'd be hard to find a simpler and more economical way to put finish on feedlot cattle than with MoorMan's no-roughage, whole shelled corn program.

Only 1/2 lb. MoorMan's Premix-trate 80 Beef Finisher Medicated is needed per head daily when mixed and self-fed with whole shelled corn.

In addition to a special combination of minerals, Beef Finisher supplies a scientific blend of proteins, urea, vitamins, antibiotic and stilbestrol. And it isn't watered down with so-called "built-in" roughage. It contains no grain leftovers or other added fillers. Let's do some figuring on this truly no-roughage program for a fast, economical finish. Your MoorMan Man.

MRS. TED WILLIAM AHRENS

Earla Cherie Hord, Ted W. Ahrens Wed At Lutheran Church Saturday

St. John's Lutheran Church in Winters was the setting, Saturday, December 11, 1971, for the marriage of Miss Earla Cherie Hord of Walsenburg, Colorado, to Mr. Ted William Ahrens of Winters.

The bride is the daughter of the Reverend and Mrs. Earl D. Hord of Walsenburg, Colorado. The bridegroom is the son of Mr. and Mrs. W. W. Ahrens of Winters.

Officiating at the double ring, candlelight ceremony was the Reverend Walter C. Probst, Sr., pastor of St. John's, and the Reverend Earl D. Hord, a minister of the Southern Baptist Church.

Seated at the guest registry were the sisters of the bride and groom, Miss Carla Hord of Walsenburg, Colorado, and Mrs. Dwight McDonald of San Angelo.

The altar was enhanced by white carnation arrangements in brass vases and spiral candelabra. The candelabra, entwined with greenery, held white tapers which stood on either side of the altar. The organ arrangement featured white carnations interspersed with red.

Organist for the wedding was Mr. Randy Stevens, who also accompanied Miss Rhanee Hoppe, soloist, as she sang "Walk Hand In Hand" and "The Lord's Prayer."

Mrs. Robert L. Pruser, cousin of the bride, of Winters, was matron of honor. Bridesmaid was Miss Shelly Wagner of Walsenburg, Colorado. The attendants wore identical floor-length dresses of Christmas red velvet fashioned with scoop neckline and Empire bodice banded with white velvet ribbon. Back interest featured white velvet bows from which hung long streamers. Each carried one long-stemmed, white carnation.

Attending the groom as best man was Gilbert Minzenmayer, a cousin, of Winters. Groomsman was Otto Gottschalk of Ballinger, also a cousin. Ushers

were Roger Ahrens, brother of the groom, of Winters, and a cousin, Kenneth Tegler of Brenham.

Given in marriage by her father, the bride wore a gown of white Peau de Soie. The gown featured a scoop neckline, Empire bodice banded with pearl-studded lace, floor-length skirt and long tiered Juliette sleeves also banded with pearl-studded lace. Her veil, of brocaded illusion, gathered to a pearl and lace floral cluster. Her bride's bouquet, featuring a white orchid surrounded by red feathered carnations, cascaded from atop a white Bible.

Following the ceremony, a reception was held in the Educational Building. Members of the houseparty were Mesdames Edward Gottschalk, Joe Tucker, Alvin Dunn, Herman Frick, F. O. Minzenmayer, Fred Voss Jerry Bumbard and Marvin K. Clark; also Misses Gail Shaffer, Mickie Clark and Cindy Tucker.

Following a wedding trip to Big Bend, the couple will return to their home at Route 1, Winters.

The bride is a 1969 graduate of Walsenburg High School where she was a member of the National Honor Society. She also attended Southern Colorado State College in Pueblo, Colo., for two years.

The groom is a 1968 graduate of Ballinger High School and served two years in the U. S. Army. He is presently engaged in stock farming.

Mr. and Mrs. W. W. Ahrens, parents of the groom, hosted the rehearsal dinner at their home

Nan Wright Circle Meeting Tuesday

The Nan Wright Circle, WSCS of the First United Methodist Church, met Tuesday morning with Mrs. M. E. Leeman. Mrs. Clarence Hambright presided, and Mrs. Susie Baker led in prayer. Mrs. Hood gave the Christmas Story.

Those present were Mesdames Cecil Hambright, Drake, Hood, Leeman, Anderson, Gray, Crockett, Mitchell, Baker, Stanley, and visitors, Mrs. Cora Peery and Mrs. W. C. Harkins.

Former Winters Resident Died in Angelo Dec. 8th

Gerald Black, 74, former resident of Winters and longtime Runnels County deputy sheriff, died at his home in San Angelo Wednesday night of last week.

Funeral was at 2 p. m. Friday in San Angelo, with burial in Evergreen Cemetery in Ballinger.

Born Feb. 8, 1897, in Bell County, he was the son of the late Mr. and Mrs. J. W. Black, long time Runnels County residents. He moved to Ballinger as a child and attended school in Ballinger.

He married Lela Louise Alli-

son Oct. 17, 1919, in Ballinger. She died in April, 1960.

He had operated an auto business in Winters and in 1930 he became a deputy sheriff of Runnels County, where he served 10 years before moving to San Angelo.

He served 23 years with the Liquor Control Board and was head of the 11-county San Angelo-headquartered district until he retired in 1962. He served in Big Spring and Fort Stockton.

He had been a deputy sheriff in Tom Green County 10 years, resigning Oct. 26, 1971. He was a member of the Methodist Church and the Masonic Lodge.

Survivors include one daughter, Mrs. Andrew Oregon of Austin; two grandchildren; one brother, Carl Black of Cleburne and a number of nephews.

Dick Kruse, 84, Died Wednesday in Local Hospital

Dick Kruse, 84, died at 4 p. m. Wednesday of last week in the North Runnels Hospital after an illness of two months.

Funeral was held at 2 p. m. Friday in St. John's Lutheran Church, with the Rev. Walter C. Probst, pastor, officiating.

Burial was in the Lutheran Cemetery under the direction of Spill Funeral Home.

Born April 3, 1887, at Whittling, Texas, in Lavaca County, he came to Runnels County in 1921, settling east of Winters in the Dale Community. He married Lena Wessels August 16,

1922, at Winters. He farmed in the Dale Community for 43 years, and moved to Winters in 1965. He was a member of St. John's Lutheran Church.

Survivors include his wife; two sons, Richard of Odessa and Delbert of Winters; four daughters, Mrs. I. J. Splawn, Mrs. Drew Cromer and Mrs. Charles Secrest, all of Dallas, and Mrs. J. T. Lucas of Pyote; one sister, Mrs. Emma Gabler of Cuero; and 17 grandchildren.

Pallbearers were grandsons, Stanley Cromer, Richard Kruse, Jr., Steve Secrest, David Secrest, Gregory Splawn, Allen Lucas, Rodney Kruse, and nephews, Milton Gerhart and Clarence Wessels.

STATE CAPITAL HIGHLIGHTS

By BILL BOYKIN, Texas Press Association

AUSTIN—Insurance bounced back into the news on three fronts here last week.

State Board of Insurance Chairman Larry Teaver promised, after a public hearing, to review all aspects of the new catastrophe pool for wind-storm coverage in high risk coastal areas.

Agents and property owners complained of price gouging and of companies' allegedly unloading on the pool properties which should be insured at standard rates. Companies denied the charges.

Board also took under consideration an Allstate Insurance Company proposal to cut auto coverage rates up to 20 percent for new-model cars equipped with shock-absorbing bumpers.

All 1973 and later cars must have bumpers which can withstand a five mile an hour front-end crash and a two and a half mile per hour rear-end wallup without damage.

Allstate proposed to allow discounts to become effective with 1972 model cars equipped at owners' expense with the tested shock-absorbing bumpers.

Initial reduction would be 10 percent in premiums for the five mph front, two and a half mph rear safety protection. The cut would reach 20 percent for cars which can be crashed at five mph into a test barrier, front and rear, with no damage to the vehicle.

Board members heard support and opposition for proposed new rules to curb arbitrary cancellations and non-renewals on property and casualty insurance. Under the regulations, auto insurance in effect 60 days could be cancelled only for failure to pay premiums or where driver's licenses have been suspended or revoked. Companies could cancel coverage at annual expiration dates by giving 30 days written notice.

Teaver advised a rule prohibiting cancellations for "age alone."

COURTS SPEAK

Texas Supreme Court ordered Cooke County district court trial of a teenager's suit against his father for alleged negligence on the job which led to a serious permanent injury.

Case was the first in which the state's top court had concided whether parents should be immune to actions brought by their children due to events outside the normal family relationship.

In two other cases, the Supreme Court sent applications for savings and loan association branches—in Hallettsville and Bay City—back to Commissioner W. Sale Lewis for further proceedings. Lewis had approved the applications, but had not filed a required concise statement of underlying facts supporting his finding, court opinions concluded.

AG OPINIONS

Laws prohibiting dumping of refuse within 300 yards of public highways and anti-dumping statutes pertaining to public and private properties and public waters are both valid and can be harmonized. Atty. Gen. Crawford Martin held.

In other recent opinions, Martin concluded:

—Flight schools are subject to new Texas Proprietary School Act.

—Texas Water Rights Commission can test any claim of a right to use water under water code provisions by the legal requirement of past beneficial use of water without a formal adjudication of all claims on the stream.

—Legislators are entitled to 16 cents per highway mile for use of personally-owned airplanes on official business trips.

—Authority exists for establishing a central services account for Texas Tech University and Texas Tech University School of Medicine.

—Procedure for assessing the Harris County domed stadium for taxation is unchanged by legislation passed this year. Taxable leasehold estates on exempt property are to be valued at the price they would bring at voluntary sale for cash based on value of comparable improvements on non-exempt property.

—A hydrologist employed by the Rio Grande Compact Commissioner can be paid \$11,616 a year, although the commissioner himself is limited by law to \$6,000.

LAND BIDS ACCEPTED

Bonus bids of more than \$1.7 million on oil and gas leases were accepted by the School Land Board for the permanent school fund.

Seventy-six bids covered 39,843 acres of state-owned lands and averaged \$44.77 an acre. Meanwhile, Land Commission

er Robert Armstrong said revised rules and regulations for oil drilling pollution control in coastal waters will require all oil spills or other mishaps to be reported to the land office within 24 hours of discovery. Written notification will be required of all operations on state leases.

APPOINTMENTS

Charles E. Wright Sr. of Austin, an AFL-CIO local official, was named by Gov. Preston Smith to the board of regents of Texas State Technical Institute.

Smith also announced these appointments:

American Revolution Bicentennial Commission — Mrs. A. K. Allen of Temple.

State Commission for the Deaf — Landy W. Hillis Sr. of Robstown, Dr. Jack N. Walker of Seguin, Dr. Audrey W. Kelton of Port Lavaca, Mrs. Shirley Ann Pacetti of Houston, Ralph H. White of Austin, and Louis B. Orrill Sr. of Dallas.

Texas State Board of Public Accountancy—Robert J. Hibbets of Amarillo and Angus H. Cockrell Jr. of San Antonio.

Lloyd J. Weaver of Fort Worth was reappointed.

Battleship Texas Commission — Frank E. Tritico of Katy and (reappointments) C. H. Taylor of Houston and Mrs. Margaret Ezzell of Port Neches.

Texas Commission on the Arts and Humanities—Mrs. S. Allen Guiberson of Dallas, the Reverend George S. Heyer Jr. of Austin, Edward R. Hudson Jr. of Fort Worth, Dr. Lorrin G. Kenamer of Austin, Mrs. Roy Riddell Jr. of Houston and Mrs. John M. Wallace of Galveston.

PARTY RULES COMPLY

New state Democratic party rules on delegate selection comply with national and statutory requirements, Texas National Committeewomen Mrs. Carrin Patman of Canada reported.

The rules for selection of convention delegations will soon go to the State Democratic Executive for consideration. SDEC Chairman Roy Orr indicated a meeting will be held in mid-January to act on them following a public hearing.

12,000 GET RAISES

Retroactive pay raises have been cleared for 12,000 (of 63,000) state employees who get \$2 or less an hour.

Raises were approved for the low-pay workers back to September 1 in line with a federal Pay Board definition of "severe inequity" permitting retroactivity for those paid less than the minimum wage before and after the August freeze.

CONROE GETS GRANT

The city of Conroe got the first state matching grant — of \$443,000 — for construction of wastewater treatment facilities on the west fork of San Jacinto River.

The city's \$1.77 million plant was refused November 8, with an estimated completion date set for August, 1972. Federal aid will finance 55 percent of construction and the state 25 percent on a loan basis. State grants were made possible by passage of a state constitutional amendment setting up a bond fund last May.

SCHOOL SITE SELECTED

A 200-acre site in south Tar-

rant County has been accepted for a new state school for the mentally retarded.

Selection follows recommendations of a 1966 study which advises considering residential-need factors for the mentally retarded in the Rio Grande Valley, El Paso and Northeast Texas. Department of Mental Health and Mental Retardation officials said a solution is underway for the Rio Grande Valley's needs, and a plan is developing for El Paso.

SHORT SNORTS

A. C. Turner, chairman of the State Board of Pardons and Paroles, will retire February 1.

It will cost more to prove you were born after January 1. Certified birth certificates will go to \$2, from \$1.50. Death certificates will also cost \$2.

A house committee will study state medical welfare program costs.

State Sen. Joe Christie of El Paso became the sixth Democratic entry in the lieutenant governor's race.

Suits challenging House redistricting have been lumped together and assigned Dallas Federal Judge Joe Estes.

Texas Air Control Board staff members proposed a program to reduce air pollution from autos 20 percent. Monitoring stations were suggested for Corpus Christi, Houston, Austin, Dallas, Fort Worth, El Paso and San Antonio.

Changes in production rules in the East Texas oil field were recommended to the Railroad Commission by independent operators.

Den Dieters Met Monday Evening

The Den Dieters Club met Monday night in the home of Mrs. Carl Pendergrass for a Christmas salad supper. Gifts were exchanged. Queens for the week were Mrs. Bill Webb and Mrs. Paul Gerhardt.

Those present were Mesdames Paul Gerhardt, Pearl Dunnam, Bert Humble, Bill Milliron, Boyd Bedford, Lillian Awalt, W. J. Briley and Bill Webb.

The next meeting will be January 3 at The Den.

CARD OF THANKS

May we take this method of thanking our neighbors and friends for the visits, flowers, cards, prayers, food and all the other acts of kindness given to my family and me during my stay in the hospital and since my return home.

—Mrs. Roy Rice.

CARD OF THANKS

Words cannot adequately express our deep appreciation for every kindness and expression of sympathy shown us at the loss of our loved one, Mr. Dick Kruse. We are especially grateful to Pastor Probst for the beautiful service, to the choir that sang, to Ted Meyer, Dr. McCreight, the staff at North Rannels Hospital, to the ladies who brought food, and for the beautiful floral offerings and memorials. Your concerns will always remain with us as a precious memory. —The Family of Dick Kruse. 1tp.

Montie Hardegree Died 'n C. City, Former Resident

Montie O. Hardegree, 66, a former resident of Winters, and Mitchell County Tax Assessor-Collector, died at 5:30 p. m. Saturday in Root Memorial Hospital in Colorado City where he had been a patient for six days.

Funeral was held at 10 a. m. Monday in the First Methodist Church at Colorado City with the Rev. Billy Wilkinson officiating.

Burial was in the Colorado City Cemetery.

Mr. Hardegree was the son of the late Mr. and Mrs. John T. Hardegree, early grocery store operator in Winters. He operated a bakery in Winters, and later a grocery store, before moving to Colorado City.

He was a cousin of Mrs. James Lee Johnson, Carl Baldwin and Buford Baldwin, all of Winters.

He married his wife, Odessa, in Rannels County, Feb. 14, 1924.

He had lived in Colorado City since 1929 and had operated a bakery shop there for several years. He had served two terms as tax assessor-collector.

Survivors include his wife of the home; one son, Benny Joe of Houston; one daughter, Mrs. Alice Sue Webber of Denver City; two brothers, J. J. of Sand Springs and R. V. of Temple; three sisters, Mrs. Odie Rhea of Colorado City and Mrs. Gladys Hays of Ballinger and Mrs. Dora Priddy of Midland; and three grandchildren.

Two brothers, Kyle and Hubert, preceded him in death.

Friendly Ladies S. S. Class Held Christmas Party

The Friendly Ladies Sunday School Class of First United Methodist Church held their annual Christmas party at the church recently.

Mrs. M. E. Leeman gave the Christmas story, and Mrs. Ralph Arnold installed the teachers and officers for 1972.

Those attending the salad supper were Mesdames Bessie Baldwin, Maurine Davis, Lois Jones, Lou Esther Gerhardt, Jo Arnold, Eva Kelley, Willie Lois Nicholas, Mildred Hambricht, Odessa Dobbins, Lula Belle Leeman, Myrl Young, Marie Neely, Betty Sanders, Bessie Gray, Ava Crawford, Beckie Poe, Margaret Bell, Aleene Mapes, Hazel Badgett, Lillie Marks, Edith Drake, Gladys Wilson, and Miss Margurite Mathis.

Hostesses were Mrs. Ionah Vinson, Mrs. Beatrice Traylor, Mrs. Pauline Mayhew, and Mrs. Addie Beth Stanley.

CARD OF THANKS

Our sincere thanks to all who extended comforting sympathy and help in our recent sorrow. —The Family of Mrs. John Gerhart. 1tp.

Board Sets Jury Duty Policy For Winters Teachers

The Board of Trustees of Winters Independent School District Tuesday night adopted a policy concerning payment of teachers who are called to jury duty during school sessions.

Only the amount the teacher receives for jury duty pay will be deducted from the prorated daily salary from the school district, according to the new policy, instead of the amount of substitute teacher pay.

Formerly, school teachers were more or less exempt from jury duty, but new state statutes exempt only mothers with children 10 years of age and persons over 65 years of age. The new policy of the local school district will prevent a loss of pay in the event a teacher is called to jury duty.

Paula Poe, Mitchell Wayne LaGrone Married In Midland Church Saturday

The parlor of the First Baptist Church in Midland was the setting for the marriage at 6 o'clock Saturday evening of Paula Poe and Mitchell Wayne LaGrone.

The bride is the daughter of Mr. and Mrs. Fredric Wayne Poe of Midland, former residents of Winters, and the bridegroom is the son of Kenneth Wayne LaGrone of Palos Verdes Estates, Calif.

Dr. L. L. Morriss officiated for the ceremony. The organist was Mr. Mark Blankenship, and the bride's brother, Keith Wayne Poe, was the soloist.

Sherry Poe, sister of the bride, was the maid of honor, and the father of the bridegroom was the best man.

The parlor fireplace was decorated with votive candles flanked by a pair of seven-branched candelabra with jade green foliage and white tapers.

The bride, given in marriage by her father, wore a gown of white satin highlighted with chantilly lace edged in Venice rosebuds. The bodice had a V-shaped chantilly bib edged with Venice lace and long full bishop sleeves gathered to deep cuffs of lace-edged chantilly. A semi-full dirndl skirt was edged with the Venice motif. A full tier of illusion was edged in rosebud lace and was capped by a pique of chantilly edged in lace with satin bow arching on the headpiece. She carried a caprice bouquet of stephanotis and orchids.

Her attendant wore a floor length dress of royal blue velvet with high collar and full bishop sleeves with deep cuffs. The bodice and cuffs were traced with white Venice rosebud lace. She carried a matching muff with stephanotis, gupsophila and miniature snowflake mums.

A reception was held in the church parlor following the ceremony. The bride's parents were hosts for the reception. Assisting them were Dr. and Mrs. L. L. Morriss, Mr. and Mrs. G. S. Cromwell, the C. D. Easts, Dr. and Mrs. T. E. Spires, Mr. and Mrs. Ellis Mills, and Mr. and Mrs. R. O. Burkett.

Rep. Lynn Nabers Named To Water Study Committee

State Rep. Lynn Nabers of Brownwood has been appointed by House Speaker Gus F. Mutscher to an eleven-member interim committee which will study several aspects of water development, quality, and conservation in the state.

Also named to the committee were Rep. John Allen of Longview, who will serve as chairman, along with Reps. George Baker of Fort Stockton, Phil Cates of Lefors, Bill Clayton of Springlake, and Joe Hawn of Dallas.

Also Reps. Walter Parker of Denton, Bryan Poff Jr., of Amarillo, Bill Prenal of Bryan, Paul Silber of San Antonio and Lindon Williams of Houston.

In line with the Speaker's announced policy of consolidating interim studies of related subjects under a single committee, this panel will consider matters authorized during the last legislative session under House Simple Resolutions 516, 547, and 555; House Concurrent Resolutions 128 and 178; and Senate Concurrent Resolution 116, all dealing with various aspects of the state's water problems.

"I anticipate that the committee will appoint subcommittees to handle specific investigations and proposals requested by members during the last Legislature. Grouping them under a 'category umbrella' should permit more efficient sharing of knowledge and use of research time," Mutscher said.

"Chrome and Hot Leather" Sometimes you have to "muscle" your way into choice roles in motion pictures. At least, that's the way it's happening for William Smith who stars in "Chrome and Hot Leather," American International's new screen thriller opening Friday at the State Theatre.

A tall, husky young man, William has just the right bulge of biceps and chest muscles which, when combined with a hard-jawed delivery provided enough menace to make him an ideal villain . . . and he has been giving heroes a lot of trouble in a host of prime television and theatrical films lately.

However, despite the influence he can project with his massive

Football Gate Receipts \$7,976

Football game gate receipts for the 1971 football season totaled \$7,976.15, according to a report submitted to the Board of Trustees of Winters Independent School District Tuesday night.

This compares to a total of \$7,957.10 received in gate receipts for the 1970 season.

build, William can call on much more refined resources to be impressive. He holds a bachelor of arts degree in the Russian language from University of California at Los Angeles and attended the Sorbonne in Paris.

Farmers Union Members Attend State Convention

Eight Runnels County Farmers Union members attended the 68th annual convention of Texas Farmers Union in San Antonio Dec. 6-8. Senator Hubert Humphrey (D-Minn.) was one of the principal speakers at the convention.

Other speakers were Congressman Graham Purcell; South Dakota Farmers Union President Ben Radcliffe, Lt. Gov. Ben Barnes, and representatives of the 4-H, FFA, Young Farmers, Young Homemakers and the Farmers Union

Youth Council.

Some of the most important actions of the delegates included a call for the federal cotton program to better reflect normal yields with adequate provisions for natural disaster, more realistic trailer lighting and brake requirements; and an agricultural exemption on the farm truck driver regulations.

Those attending from Runnels County were Mr. and Mrs. L. B. Watkins, Mr. and Mrs. Roscoe Morrison, Mr. and Mrs. Bobby Rogers and Don, and Mike Mitchell.

L. B. Watkins is president of the Runnels County Farmers Union.

Shop Wisely For Christmas Tree

Christmas trees are on the market, and you will want to make your selection wisely.

A few simple procedures can assure you of selecting and keeping that perfect tree this season, says Bill Smith, Extension forster at Texas A&M University.

First determine where the tree will be displayed in your home. With this in mind you will be able to determine the most suitable size and shape. Trees generally appear smaller than they really are. Buying the tree early will enable you to be selective in your choice of a fresh tree. Tree limbs should be strong enough to hold ornaments and strings of electric lights. The tree should have a strong fragrance and good green color for the species.

Texas imports over three million trees annually with some coming from as far away as

western Canada. The most popular trees in Texas are the Scotch pines and Douglas fir. Trees are stored in boxcars and undergo extreme temperature changes during their journey southward. "Those undergoing warm temperatures for a period of several weeks may already have dried out by the time they are on Texas markets," says Smith.

Once you purchase your tree, store it outdoors in the shade until you are ready to use it. Spray it frequently with water. When moving the tree indoors, cut the butt end at a diagonal about an inch from the bottom and place it in water. This opens the trees pores and aids in absorption of water. Keep the butt end of the tree in water during the entire time it is in the home.

Fresh Cranberries
 Everyone starts seeing red, this time of year! And green and gold, too. And one of your favorite red things is in plentiful supply, this month, for Christmas eating!
 Cranberries have been designated among the monthly plentiful foods. You can do fantastic, great things with cranberries for your holiday season menus.

Cranberry Fruit Nut Bread
 2 cups sifted flour
 1 cup sugar
 1 1/2 tsp. baking powder

1-2 tsp. soda
 1 tsp. salt
 1-4 cup shortening
 3-4 cup orange juice
 1 T. grated orange rind
 1 egg, well beaten
 1-2 cup chopped nuts
 1 1-2 cup fresh or fresh-frozen cranberries, coarsely chopped
 Sift flour, sugar, baking powder, soda and salt together. Cut in shortening until mixture resembles coarse cornmeal. Combine orange juice and grated rind with well-beaten egg. Pour all at once into dry ingredients, mixing just enough to dampen.

Happy Homemaking

By BARBARA BAKER

To dress up your holiday ice cream dessert, mix 1/2-teaspoon anise flavoring with one pint of vanilla ice cream, softened. Return to the ice cream container, ice cube tray or fancy molds and freeze until firm.

Use small, individual pie (aluminum) tins to make a mobile or tree ornament. Children are able to easily cut such shapes as stars, angels, birds, etc. Attach with colorful ribbon and decorate with sequins.

Try this baked apple re-

Carefully fold in chopped nuts and cranberries; spoon into greased loaf pan (9x5x3 inches). Spread corners and sides slightly higher than center. Bake in moderate oven (350 degrees) about 1 hour—until crust is golden brown and toothpick inserted comes out clean. Remove from pan. Cool. Store overnight for easy slicing.

Note: If quick frozen fresh cranberries are used, do not thaw. Give them a quick rinse in cold water and chop while frozen.

Sparkling cranberry relishes and sauces are enticing entree accompaniments. And whether you use a recipe that has been in the family for years, or try something new each time, you will find that fresh cranberries hit the spot!

Here is a Basic Cranberry Relish that is easy to make:
 2 cups fresh cranberries, chopped
 1 orange, seeded and quartered, chopped
 1 cup sugar
 Stir cranberries, orange and sugar together. Chill in refrigerator until serving time, or cover and freeze for later use. Makes about 1 pint relish. For

variation:—Substitute a cored, quartered apple and a quartered lemon for the orange. Chill and serve. (Good also with chicken)

Chop 1-2 cup raisins with the cranberries and orange. Reduce sugar to 5 tablespoons; mix in 1-4 cup honey and 3-4th tsp. ginger. Marinate in refrigerator. Especially good with baked ham.

—Chop 1 cup pitted cooked prunes with the cranberries and orange. Add 1 tablespoon lemon-juice with the sugar.

Basic Cooked Cranberry Sauce
 1 cup sugar
 1 cup water
 2 cups fresh cranberries
 Mix sugar and water, add cranberries. Bring to a boil and let boil 5 minutes until berries pop open. Chill to serve. Yields 1 pint of sauce. For variation: reduce the sugar to 1-2 cup and the water by 2 T.; add 1-2 cup honey.

Scandinavian Split Pea Soup
 1 1-4 cup split peas
 1-2 cup finely diced celery
 1-4 cup finely diced onion
 1-2 bay leaf
 Pinch of crushed thyme
 1 1-2 tsp. salt
 1-8 tsp. black pepper
 A speck of cayenne
 4 1-2 cups boiling water
 In a heavy saucepan combine split peas, celery, onion, bay leaf, salt, pepper, cayenne and boiling water; cover and let boil moderately for about 10 minutes, no longer. Reduce heat and simmer gently 45 minutes. Add a pinch of crushed thyme and continue cooking 20 minutes and puree. Reheat and serve. Makes about a quart.

Split Pea Vegetable Soup
 1 large potato
 2 medium-size carrots
 2 stalks of celery
