PRICE 15 CENTS

NUMBER 26

County Budget Hearing Next Tuesday

Krueger Wisited

U.S. Representative Bob Krueger of New Braunfels, congressman from the 21st Texas District, said Thursday he is in favor of a "phased de-control" of prices of "old oil," and said we "must increase domestic oil production," and return to "supply and demand." Phased de-control of old oil prices would be one method of increasing domestic oil production, he indicated.

Cong. Krueger, who is on an Energy Sub-Committee of the Internal and Foreign Commerce Committee of the Congress, visited Winters for about an hour last Thursday, on a whirlwind trip around his district, which covers many southwestern Texas counties and is about the largest district, in land area, in the state.

The congressman said most of his work in the Congress has been in the energy area. He said there are lots of regulations (governing energy and the use of energy) and most are out of date, and should be rescinded or brought up to date.

Cong. Krueger, a freshman congressman, was among many other first-termers, and others, who helped to defeat the "seniority system" which has been used in naming congressional committee chairmen. He said the new method of choosing committee chairmen was an"improvement" for the good of the country, and there is now less chance of important bills being bottle up in committee by chairmen who are against them.

Winters area residents meeting in the

clockwise, Bubby Miller, Gattis Neely and Fred Young, during a short visit to Winters last Thursday.

Blizzards Open Season

A proposed budget for operation of Runnels County will be discussed during a public hearing in the district court room in Ballinger next Tuesday, September 9, at 10 a.m.

In a cover letter to the Commissioners' Court, accompanying the proposed budget for the next fiscal year, Runnels County Judge John W. Purifoy said that the "estimated value of \$58,800,000 for the tax year of 1975, budget year of 1976, is an increase of \$800,000 due to added property and the tax levy for the same year is 80 cents for each \$100 value. Estimated on a 90 percent collection, total taxes will be \$423.300. an increase of \$64,000 for fiscal 1976".

Total indebtedness of the county on Jan. 1, 1976, the County Judge said, will be \$134,000.

The Runnels County Commissioners' Court has urged all residents and taxpayers of the county to attend the public hearing, to gain information on the proposed budget and to express their opinion on financial operation of the county.

A recapitulation of the budget by funds for the year 1976 will be found on another page of this issue of The Enterprise, as it appears in the proposed budget to be presented next Tuesday.

Young Farmers Will Meet September 8

The Winters Young Farmers will meet at 8 p. m., Monday, September 8, in the school vo-ag building, Edwin Deike, president, has announced.

recreation room of the Winters Housing Authority Thursday afternoon, said he will "personally talk for a public hearing" on the proposal before the Interstate Commerce Commission to abandon the railroad from Abilene to Winters. He indicated he felt that the people of the area, who will be affected by abandonment of the railroad, should be given an opportunity to be heard on the matter.

Ray Alderman of Winters, who was present for the Thursday meeting, told the congressman, "We think we can prove an economic need for the railroad, and we want an opportunity to be heard."

Congressman Krueger, who said he already had "unofficially" announced his candidacy for re-election to Congress, told those at the meeting he d been against the income tax "rebate." He said that the American people "are not being fooled by this rebate. When the bills start coming in to pay for this politically-oriented legislation, remember that I have been against it all along." He said he felt that the "rebate" of income taxes was an "inflationary measure," and that some day, and soon, the American people will have to pay the bill, in some manner.

Regarding the sale of grain to Russia, Cong. Krueger said "some feel we should not sell" to the Reds. "I'm not one of them," he said. "We have to sell something," he said, to control lance of payments. "Farmers do the best job of producing things for sale to foreign countries, he said, and this will mean additional money for the farmers. However, he said, the government "should not underwrite the cost of grain" going overseas.

In mentioning that he will be a candidate for re-election to office, he said he felt that he was not just a representative for those who voted for him in last year's election, but that his job was to "represent all the people in the district," to the best of his ability, and to conduct the affairs of his office in a manner which would be of benefit to the district and the country as a whole.

Winters' Mayor Homer Hodge introduced the congressman at the meeting, which was one of several Krueger had attended during his fast trip through the district. He flew from Winters to San Antonio where he had a meeting last Thursday night.

Planned For Sunday

Rankin Pace of Winters, chairman of the Runnels County Historical Commission, will preside at the dedication service for the Sweet Home school site marker to be held in Weatherby Hall at Miles, Sunday, Sept. 5, at 2 p. m.

The county historical group is in charge of the event, and E. C. Grindstaff of Ballinger, a former superintendent of rural schools in the county. will be the speaker. He will be introduced by County Judge J. W. Purifoy. Mayor Willie Kiesling of Miles will welcome the group, and Mrs. Rodney Watson of Rowena will introduce guests. Otto Marshall, minister of the

Zoar United Church of Christ at Rowena, will give the invocation. The program will begin with group

singing, and a pledge to the U.S. and

Texas flags. Several former teachers of the school will receive awards duuring the social hour to follow.

Following the program, the group will travel to the Sweet Home School site midway between Rowena and Miles, where Mrs. Robert Mikeska and grandchildren of San Angelo will unveil the marker. Edward Glass, pioneer trustee, will read the inscription on the historical marker, and Pace will dedicate the marker.

Blizzard Boosters Meet

The Blizzard Boosters will meet next Monday night, at a time and place to be announced, to discuss activities for the 1975 football season.

Dennis Poe is president of the football boosters association.

Against Clyde Friday

The Winters High School Blizzard lift the lid off the 1975 football season Friday night, traveling to Clyde for thier first contest.

The Blizzards have had only a relatively short time to get in shape for the season, allowed to begin practice only two days before school began August 13, as have the other teams they will meet this year. However, they have had two roughneck scrimmages to work out some of the kinks of muscles and technique-and still are working on technique, according to Head Coach Jimmy Stubblefield.

Friday night, the Winters squad will

be going against a fairly heavy team-guesstimated at 180-pound average. The Bulldogs work out of a Slot I formation on offense, as do the Blizzards, but work a 4-3 Cowboy defense. The Clyde squad has a new mentor, Clyde Nooncaster, formerly of Clarendon, where he built a good reputation.

Coach Stubblefield has not definitely selected his starters for Friday night's encounter-this may not come until during the practice session Thursday. The coach did say, however, that most of the boys will get into the act at Clyde.

The Winters-Clyde game is a non-conference contest, one of three the Blizzards will play before going for the marbles in 6-AA.

In the scrimmage with Comanche there two weeks ago, the Blizzards were somewhat overweighed and out-experienced, but held their own remarkably well under the circumstances. In the scrimmage against Eastland last Friday night on Blizzard Field, the Blizzards held the heavier Mavericks to a 2.6 yard gain average, while writing up a gain average of 3.8 yards for themselves. Contrary to report, neither team crossed the goal line during the scrimmage. The Eastland Junior Varsity did score on time against the Winters Junior Varsity, however.

For the go against Clyde Friday night, the following members of the varsity squad will make the trip; no probable starters have been selected:

1975 BLIZZARDS

11-Marvin Moore, QB-S. 12-Bobby Poindexter, QB-S. 24-Tony Johnson, B-LB. 30-Jimmy Chapman, B-E. 40-Tye Rougas, B-S. 41-Flent McNeill, B-S. 44-Mike Helm, B-Lb. 50-Leroy Jones, C-E. 52-Jack Fairey, C-T. 60-Brett Guy, G-NG. 61-Jeff Buxkemper, T-T. 62-Darrell Kurtz, G-NG. 63-Jerry Willis, T-T. 64-Gary Schwartz, G-LB. 71-Doug Rogers, G-LB. 72-Kent McNeill, T-E. 74-Phil Colburn, T-T. 82-Kevin Marks, E-S. 83-Kenny Hope, E-S. 88-Doug Williams, E-E.

BLIZZARD COACHES-Left to right, Head Coach Jimmy Stubblefield. Eddie Knight, Bill Cathey, Bud Busher, and Sam Scott. Phil Swenson, another member of the coaching staff, was no present for the picture.

80 Persons At Drasco

Homecoming

Eighty persons, residents of the Drasco Community, exresidents, and friends, attended the annual Drasco Homecoming held in the Winters Community Center over the weekend.

Lunch was served at noon, and the program began at 1 p.m. The president, O. C. Hill, led singing, with Mrs. Ava Crawford at the piano. Hill also gave a welcome address.

Those attending for the first time, and preachers and teachers among the group, were recognized. Johnnie

the more the better!

Tuesday, Sept. 9 10 a.m.

In District Court Room, Ballinger **Runnels Co. Commissioners** J. W. Purifoy, County Judge Krueger emphasizes a point during few minutes in Winters, on a whirlwind his short tain to Winters area residents visit around his large 21st Congresat a reception for him in the Winters sional District. Housing Authority recreation room last throughout Texas is being tomatoes. attacked by a number of fun-

Foliage Diseases of Tomatoes

MAKING A POINT-Cong. Bob

Tomatoes have had a rough time this year, and the problems are not yet over. The foliage on tomatoes

gal diseases such as early blight, septoria leafspot and leaf mold. Of these three, septoria leafspot appears to be the more common disease. Maneb or zineb fungicides usually give satisfactory control of these diseases on

Septoria Leafspot This is one of the most destructive foliage diseases of tomatoes. It may attack tomatoes at any time, however, it generally causes problems after the fruit begins to mature. In checking plants for this disease, look at the older foliage. The fungus is characterized by circular lesions with gray centers surrounded by dark margins. With age, the spots become covered with tiny, black specks from which the spores are produced. The lesions are smaller and more numerous that the early blight organism. The fruit is rarely affected, but the stems and blossoms will be attacked. The disease overwinters on old tomato vines and wild relatives of the tomato family. The fungus is most active when the temperatures are between 60 and 80 degrees F. and during periods of high humidity.

Thursday. Cong. Krueger spent only a

Blizzard Band To March In Fair Parade, Abilene

The 115-member Winters High School Blizzard Band will take part in the West Texas Fair Parade in Abilene Saturday, September 6. They will compete with 30 other area bands for their fourth consecutive trophy.

The parade begins at 10 a.m. Saturday, with bands forming at the Abilene Civic Center. The parade will

To Show Movies At Lions Club

Kirke McKenzie, president of the Winters Lions Club, will show movies taken during a boat trip down the Pecos River, and also of the big parade during the Lions International convention in Dallas some weeks ago, at the regular meeting of the local Lions Club next Tuesday.

LATEST METHODS

Mammography, thermography, xeroradiography-these long words spell fast methods for detecting breast cancer in its earliest stages when it is most curable. The American Cancer Society wants every woman to know about them.

proceed down Pine Street, and up Cypress to return to the Civic Center. Following the parade, all the bands will be combined to play the National Anthem. At that time, awards when announced, for outstanding band in each class, and the outstanding band in the parade.

Winters band fans who view the parade have been asked to assemble on the corner of Cypress and 2nd streets across from Showcase Square in Abilene.

PARKER'S COLUMN

Before you read about Mike, take a deep breath.

Breathing doesn't come easy for Mike. Even when he's wearing his medication mask. Mike has Cystic Fibrosis, a disease that clogs lungs.

Kids are born with Cystic Fibrosis. And kids die from it. More than from any other inherited children's disease.

Yet Mike is just one of millions of kids with lungdamaging diseases in America. They all need help. And care. And the benefits of the research supported by the National Cystic Fibrosis Research Foundation.

So when your local Cystic Fibrosis volunteer knocks on your door, please give whatever you can. A lot of kids will breathe easier for it.

National Cystic Fibrosis Research Foundation

CC

3379 Peachtree Road N.E. Atlanta, Georgia 30326

Early Blight

Early blight is a fungal disease of tomatoes which causes early defoliation of the plant. it reduces the size and quality of fruit. This fungus is characterized by irregular, brown spots. They first appear on the older foliage. With age the spots show concentric rings forming a target pattern. A yellow, diffuse zone is formed around each spot. Although spotting is observed throughout the year, it is most common during the fruiting period. The organism is favored by high humidity and high temperatures.
