## Principal Hired For HS

The board of trustees of Winters Independent School District has approved the employment of Thomas Lancaster, 37, now of the Sweetwater school system, as principal of Winters High School.

Lancaster will fill the vacancy created by the death of Jake Joyce about four weeks ago.

The new high school principal will assume his duties November 24.

Lancaster is a native of Kyle. He is a graduate of Texas A&M University, and received his master's degree from Abilene Christian College. He is

presently enrolled in a doctoral program at Texas Tech University.

He has been principal of Sweetwater Elementary School for twelve years. He is married, and he and his wife Charlotte have two sons, 11 and 9, and a daughter, 6.

While at Sweetwater, Lancaster was named Man of the Year; is a past president of the Lions Club; and served on the cabinet of the Lions Club District Governor.

Mr. and Mrs. Lancaster and family will move to Winters shortly.

**FOOTBALL SWEETHEART**-Dana Davis, a senior student in the Winters High School, was crowned "Football Sweetheart, 1975," during halftime ceremonies at the Winters-Anson football game Friday night. She was

escorted by Bobby Jo Poindexter, a member of the Blizzard squad. Miss Davis, daughter of Mrs. Joan Howard, is a member of the Student Council, Senior Cheerleader, reporter of the senior class and treasurer of the FTA.

## Break Ground For Housing

Groundbreaking ceremonies for a twelve-unit housing complex to be built here will be held at 10 a.m. Friday, November 14.

Ceremonies will be held on the site of the project, north of Huffman House and south of the Winters Housing Authority housing area.

Expected to take part in the groundbreaking will be Roy Clark of Fort Worth, president of the Bright Co., who will build the units; James West, president of the Winters Chamber of Commerce; City of

Winters officials; and a representative of the Farmers Home Administration.

It was understood that construction on the project would begin immediately. The Bright Co. also is building a similar project in Colorado City.

The housing project planned to be constructed by the Bright Co. will consist of two six-unit complexes. Each unit will have two bedrooms, kitchen-dining room, living room, bath, carport, and adequate utility and storage space. They will be rental units, administered by the Bright Co.

## Arts & Crafts Show Here During "Harvest Days"

The Women's Committee of the Winters Chamber of Commerce will sponsor an Arts & Crafts Show during Winters Harvest Days, Friday and Saturday.

Show and sales displays will be at 127 North Main, in the building formerly occupied by the Beauty Center.

Exhibitors will display arts and crafts of all types, including foods and cakes. Some of the items will be for sale, and some for exhibit only.

About 15 exhibitors had entered the show as of the first of this week.

The Women's Committee will have a concession stand in operation during the two days' showing.

## Winters FFA Teams Won High Places In District Contests

Two Winters High School FFA teams won first place and two won second places in the Big Country FFA District Leadership Contests held in Abilene last week, and qualified for the area meets later in November.

The Senior Chapter Conducting

### Endorse Revenue Sharing Extension

Runnels County Commissioners Monday authorized letters to the two U.S. Senators from Texas and two U.S. Representatives, urging support of legislation for renewal of the revenue sharing act. Runnels County has been recipient of several thousands of dollars since the program began.

In other action, Commissioners approved application from Buddy McQueen, Ballinger antique dealer, to produce and promote a Fleamarket, to be held on the lawn of the county courthouse, next June 26-27, for an antique sale and show.

team from Winters FFA chapter won a first place, and the Radio Team won a first place in the contests. Winning second places were the Senior Skills Team and the Junior Chapter Conducting Team.

The Area contests will be held at Stephenville November 18.

Members of the Senior Chapter Conducting Team were Gary Lett, Gary Schwartz, Leslie Dunlap, Mike Henderson, John Hurt, Johnny Miller, Kenneth Tankersley and Larry Walker.

Radio team members winning first place were Gene Roberts, Greg Black and Rodrick Bredemeyer.

The Senior Skills Team members were Roger Kruse, Mark DeBerry, Steve Pritchard and Jim Smith.

Junior Chapter Conducting Team members were Donald Baize, John Bedford, Kelly Blackerby, James Blackwell, Douglas Bryan, Terry Gerhart, Cody Hord, John Musick and Jim Bob Webb.

## C-C Planning Christmas Extravaganza Dec. 6

Selection of a "Sno-Queen-1975" will be the highlight of the annual Christmas program and parade scheduled for Saturday, December 6, by the Winters Chamber of Commerce.

The parade will include floats, entered by groups and businesses, a kiddies section, and all candidates for the Sno-Queen-1975 title.

All Winters High School girls are eligible to enter the Sno-Queen contest, and will be sponsored by local businesses. Girls are asked to register at the Chamber of Commerce office as early as possible. A drawing will be held to determine sponsors for the girls.

Prizes will be offered for winning floats in the parade, for individuals, groups and commercial entries. Those wishing to enter this competition are asked to register as early as possible. Several prizes will be offered for winning entries in the kiddies section of the parade.

### 'Harvest Days'

Winters merchants are promoting special sales events Friday and Saturday, November 14-15, with a "Harvest Days" celebration.

Most participating merchants will be offering special sales on many items.

## Northwest Runnels Will Be Under Herbicide Control

Runnels County Commissioners, in session Monday, approved a resolution placing the northwest section of the county under partial control for application of certain types of herbicide.

The partial control would be for application of hormone types of herbicide, with spraying or other methods of application prohibited in the designated area from May 10 through October 1, 1976. The resolution calls for only a one-year control period.

The area designated for partial control will be all of the area of the county from the Colorado River north to the Taylor County line, and from US Highway 83 west to the county line.

Commissioners acted following presentation of a petition from farmers and ranchers in the area.

County Judge John Purifoy said, however, that anyone who wishes to apply hormone type herbicides should check with the county agent for particulars on the dates and other information.

## County Screwworm Cases Nearing Epidemic Stage

Runnels County is experiencing an epidemic of screwworms in livestock. C.T. Parker Jr., County Agent, said this week. For the past two weeks, from 10 to 20 cases a day have been reported to his office.

Parker this week warned stockmen to keep a close eye on their livestock, and to do no surgical work until after frost.

The Screwworm Eradication Laboratory has suspended delivery and dropping of sterile flies in this area, and probably will have no drops until next spring, it was understood. Parker said the eradication work is being concentrated in South Texas and along the border, in the hopes of building a barrier between that area and the northern sections.

Sterile flies had been dropped on a regular basis in this area until October 25, Parker said.

## T. W. Scates Finishes Navy School

Navy Seaman Recruit Tommy W. Scates, son of Mr. and Mrs. E. A. Scates of Winters, was graduated from basic radioman school at the Naval Training Center, San Diego, recently.

The 14-week course included instruction on the installation and operation of transmitters, receivers and cryptographic equipment, the operation of teletype systems, communication security and related equipment.

Scates joined the Navy in February.

During the first day of hearings, Krueger and other committee members heard from Professor Victor Kramer, a co-author of a twenty year study of the selection and confirmation of Federal Trade and Federal Communications Commissioners. In addition, testimony was given by Corwin Edwards, a former high-ranking Federal Trade Commission official and Theodore Lowi, political scientist and author, on the qualities regulators must possess to be effective and the need for regulators to have well-defined policy goals.

**Short Takes**

**First Gas Line**  
The first pipeline in America was built of hollow logs in 1825 to supply natural gas to homes in Fredonia, N.Y. A five-mile line was constructed in 1865 to carry oil from wells near Titusville, Pa., to a railway.

**Red Hawaii**  
Crews from Russian ships attempted to colonize Hawaii in 1815-16 and built a block-house near present-day Honolulu. Encouraged by American traders, the Hawaiians expelled the Russians in 1817.

**Krueger Will Chair Reform Committee**

**Krueger Chairs Hearings On Regulatory Reform**  
This morning Congressman Bob Krueger of the 21st District of Texas opened the first day of hearings held jointly by The Senate Commerce Committee, the Senate Government Operations Committee, and the House Oversight and Investigations Subcommittee. These hearings, the first in a series on critical regulatory reform issues, will focus on the kind of people who make up the corps of federal regulators and the kind of people who ought to.

"It is clear," Krueger stated, "that reform is needed in many areas of regulation. Our task is to pinpoint those areas and develop reasonable solutions to the problems we identify." Krueger indicated that there was strong constituent support for efforts in the field of regulatory reform, citing "great numbers" of letters from people both within and outside of his Congressional district.

Friday's testimony will feature former advisers to presidents Kennedy, Johnson, and Nixon. At the conclusion of Thursday's session, Congressman Krueger noted that these committee hearings afforded him an excellent opportunity to respond directly to the

concerns of his constituents: "A lot of people in my District feel that they are over-regulated or regulated in an incompetent manner. Although it will take time for these hearings to result in concrete legislation, I think that our efforts will be rewarded, and I am very pleased to have been given the opportunity to chair these hearings."

**Mrs. Gardner Died Monday In Ballinger**

Mrs. Walter P. Gardner, 87, died at 8:30 a.m. Monday in Ballinger Memorial Hospital following a long illness.

Funeral services were held at 2 p.m. Tuesday in Spill Memorial Chapel, with the Rev. Bob Lindsey, pastor of the Winters First United Methodist Church, and the Rev. Ray Elliott, pastor of the First United Methodist Church of Ballinger, officiating.

Burial was in the Coleman City Cemetery.

She was born Beulah Wilkerson, daughter of Noah and Dorintha Wilkerson, Dec. 8, 1887, at Crews. It was there she married Walter P. Gardner, Dec. 24, 1905. They farmed in the Crews Community until 1919 when they moved to Winters where they owned and operated a dry goods business for 22 years. She later represented the Avon Co. in the Winters area for a number of years.

Mr. Gardner died Nov. 6, 1966.

She was a member of the First United Methodist Church of Winters.

Survivors are two brothers, the Rev. Chester Wilkerson and Loyd Wilkerson, both of Winters; several nieces and nephews. A child preceded her in death. Pallbearers were nephews.

**Lutheran Ladies Aid Meeting**

The Ladies Aid Circle of St. John's Lutheran Church met Thursday afternoon in the Fellowship Center of the church. Mrs. E.E. Thormeyer was program chairman and opened the meeting with a hymn, with Mrs. Ellie Ueckert at the piano.

Mrs. A.C. Minzenmeyer gave the devotional. Mrs. Walter Gerhart, Mrs. Ellis Ueckert and Mrs. A.C. Minzenmeyer led the Bible study. Mrs. Fritz Lisso gave a reading for those having birthdays in November.

Twenty-three members answered roll call with Bible verses.

Hostesses were Mrs. H.L. Frick, Mrs. Mary Frick and Mrs. Robert Gerhart.

A Communion service will be held with the Bible study in December.

**Lamplighter Group Meeting**

The Lamplighters Group of the United Methodist Women met in the Fellowship Hall of the First United Methodist Church Tuesday morning. Mrs. Roy Crawford led the opening prayer.

Mrs. Paul Gerhardt presented the program, What Is Power?

Those present were Mesdames Roy Crawford, Jewel Mitchell, August McWilliams, Willie Lois Nichols, Vada Babston, and Paul Gerhardt.

**SMALLPOX**

It has been several years since smallpox immunizations were compulsory for children entering school. Now, many children born in the past few years have no immunity, and many born before have little immunity. If your child has not been vaccinated, we recommend you check with your doctor now. Supplies of vaccine may be limited.

## MRS. O'CONNOR'S WEEKLY COLUMN

### Versatile, Fresh Apples Are Plentiful

There's a cheerful superstition among some folks who say that if the sun shines through the limbs of apple trees on Christmas Day, there will be a good crop next year.

The sun must have been shining with particular vigor last December 25, because this year's crop of apples turned out to be the largest commercial apple crop on record—173 million boxes. The crop is so huge that the Agricultural Marketing Service has issued a special "Food Alert" to remind consumers of the abundance.

Apples are among the most versatile of all fruits. Mix and match the different apple varieties for colorful menus.

They can be combined deliciously with cooked turkey, chicken, beef, lamb, veal, pork, tuna, salmon and other fish and seafoods. They are good for eating out of hand; are a crisp addition to salads and snacktime concoctions; and ideal for baking and cooking.

When you buy apples, choose nice firm ones. Avoid apples with cuts and bruises or apples that seem soft. Soft apples may be overripe and have mealy flesh.

Many people have a favorite apple variety, but you favorite for eating fresh may not make the best apple pie. Here are some tips on how to use the different varieties, as suggested by the U.S. Department of Agriculture:

For eating fresh: Delicious, McIntosh, Stayman, Jonathan, Winesap, and Golden Delicious are crisp and flavorful.

For making pies and applesauce: Gravenstein, Jonathan, Grimes Golden, and the Yellow Newton have a tart or slightly acid flavor.

For making baked apples: Rome Beauty, Northern Spy, Winesap, York Imperial, and the Rhode Island Greening have the firm flesh good for this purpose.

Although apples have fine keeping qualities, they need care to hold them at their peak. Gentle handling prevents bruises.

Apples need to be kept cold for best quality retention, but should not be stored near the freezer section as they may freeze. Apples should be kept in the crisper—cool, moist and away from strong flavored foods. Dry air absorbs moisture from the apples and induces shriveling.

When cooking apples remember to "spare the water." Apples have a high "natural" water content and will become too soft and lose their form if special care is not taken to use just enough moisture to prevent the apples from sticking and scorching.

Baked apples are a favorite at any meal. To prepare, core apples without cutting

through the blossom end. Pare apples one-third of the way down. Place apples in a baking dish. Sprinkle holes lightly with salt. Add 1 tablespoon sugar to each apple. Top with butter or margarine and sprinkle sugar over pared portion of apples. Pour enough water in bottom of dish to keep apples from sticking. Bake uncovered at 400 degrees F. about one hour, or until apples are tender.

**Apple Crumble**  
1/4 cup melted butter  
1 cup toasted bread crumbs  
3 cups thinly sliced apples  
1/2 cup water (or more, depending on apples)  
1/2 cup brown sugar  
1/2 cup dry milk solids  
1 teaspoon cinnamon  
1/2 teaspoon nutmeg  
1/2 teaspoon salt

Toss crumbs, sugar, spices, salt and dry milk solids with melted butter. Arrange layers of sliced apples and crumbs in a greased baking dish. Finish with layer of crumbs. Pour water over the top. Cover and bake at 350 degrees for 30 minutes. Remove cover and brown.

### Milton Jackson Died Sunday In Abilene

Milton Jackson, 61, a former member of the board of trustees of Winters Independent School District, died at 4:45 a.m. Sunday in West Texas Medical Center in Abilene following an illness of several months. He had been hospitalized since October 31. Funeral services were held at 10:30 a.m. Monday in St. John's Lutheran Church in Winters with the Rev. Mel Swoyer, pastor, officiating. Burial was in the Shep Cemetery under direction of Spill Funeral Home. Mr. Jackson was born at Shep in South Taylor County, July 31, 1914, and had lived in the Shep Community all of his life. He was a stockfarmer for many years, and was a member of the Winters school board for six years. He married Alma Jacob May 15, 1935, at Winters. He was a member of St. John's Lutheran Church in Winters. Survivors are his wife; four sons, one daughter, two brothers, four sisters and 13 grandchildren. Pallbearers were Dick lap, Billy Jacob, Frank Jackson, Lane Jackson, R.G. Herron and Alvin Herron.

### Bethany SS Class Meeting

The Bethany Class of the First Baptist Church met in the home of Mrs. J.B. Whitlow recently, with Mrs. Jack Harrison as co-hostess. Mrs. J.S. Tierce led the opening prayer. Mrs. Oliver Wood presided for a business meeting and Mrs. Ralph McWilliams gave the devotional. Mrs. Whitlow showed films of special activities at Merrill Nursing Home. Those present were Mesdames Omega Priddy, Tina Milliorn, Pinkie Irvin, Flora McWilliams, Geraldine Traylor, Winnie Sneed, Lucille Tierce, Myrtle Duncan, Ivy Wood, Wilma McBeth, Clois Scott, Myra Dorsett, Gaylene Harrison, Blanche Davis, Nina Bedford, Inez Mills, Billie Whitlow and a visitor, Mrs. A.L. Mitchell.

state conservationist for Arizona. He is a nephew of Mrs. Riley Marks and the late Riley Marks of Winters. He began his career with SCS at Rusk as a soil scientist and later worked as a soil conservationist and district conservationist at Sulphur Springs, Winnsboro, Jefferson, New Boston and Corsicana. A graduate of Temple High School, Marks has a bachelor's degree from Texas A&M University, 1960. He served in the U. S. Air Force from February 1945 to August 1946. A good school administrator headquarters in a principles office.

**POE'S CORNER**  
BY CHARLSIE POE

Life was not all work and no play in the "good old days." W.S. Davis takes time out to bring Old Queen in for a birthday party with the banker, Bert Low.

Queen and Mr. Low were both 38 years old and were born on the same day. Queen died soon after this picture was taken. She is thought to have lived longer than any mule, at least in this area.

Bert E. Low was president of the First National Bank from the time of D.M. Hillyard's death, in 1921, until June of 1927, when I.N. Wilkinson of Ovalo moved here and became active vice president. Mr. Low went to Brownwood soon after.

The First National Bank was located in the building that will be recognized today as the Chamber of Com-

merce. The attractive colonial style building with large white columns was constructed in 1911, the only one of this style in town. It has been modernized in later years.

The building was first occupied by the Farmers & Merchants State Bank organized in 1909, at the location of the present Smith Drug, with W.R. Norton as managing head. When he sold to L.J. Brian two years later, the new building was under construction. Mr. Brian later sold to F. Merrick and associates. The company was taken over by the Winters State Bank in 1913.

In 1914, the Winters Banking Company was organized with Mr. Hillyard in

charge and out of this company grew the First National Bank which was issued its charter in March of 1915.

The Winters State Bank purchased the assets of the First National Bank in 1937, in what was believed to be the largest financial deal in the history of the trade area.

### Wingate News

Mr. and Mrs. Charles Sanford are visiting with Mrs. Ruth Guins. They have recently visited his mother Edna Sanford in Odessa.

Leonard Phillips is a patient in North Runnels Hospital.

Dean and Demetra Holder of Abilene were guests Saturday with her mother Mrs. Kirkland. Sunday guest were Grace Smith and Mrs. B.H. Denson.

They have participated in several patriotic programs presented by the band this year during football games and in the UIL marching contest at Brady recently, at which the band won a First Division rating. At times they carry

colorful banners, and for some programs, carry the many flags which have been associated with the United States since Colonial days. Members of the Corps are, front row, left to right, Debbie Carey, Lisa Marks, Shelly Hamner, Belinda Hill, Ida Ortegon, Sherri Curbo. Back row, left to right, Karen Krause, Leslie Dunlap, Rhonda Carter, Melinda Hill, Prissi Black and Emily McKnight.

## Blizzards Tie Anson 14-14 In Last Game Of Season

"Probably the best game the Blizzards have played since I have been in Winters," Coach Jimmy Stubblefield said of the game last Friday night, when the Winters High School team went to the wire 14-14 with the Anson Tigers and finished the season.

With a district record of 0-5-1, and a season record of 2-7-1, the Blizzards, who started the year with little experience and no depth to speak of, hand up their gear until the 1976 season.

In Friday night's encounter, the Blizzards made three penetrations inside Anson's 20-yard line in the last two minutes, but were unable to capitalize on them to pull the game out.

The tie, with Colorado City's 7-6 upset over till then undefeated Ballinger, stacks the cards for a showdown for the 6-AA title this Friday night between Anson (3-1-1) and Ballinger (4-1).

The Blizzards scored first Friday night on a 68-yard pass play from Jeff Russell to Tony Johnson, but the PAT attempt failed. About four minutes later, Eddie Munoz of Anson ran in from the five and QB Tony Watts added the kick for 7-6 for the Tigers.

Anson came back in the third to score on a 33-yard run and PAT, to widen the lead.

Winters, with 4:14 in the third, hit again, as Jimmy Chapman scored on a

23-yard run, and then Jeff Russell pitched out to Marvin Moore, who passed to Doug Williams for the two extra points to tie up the contest, 14-14.

This ended the scoring for both squads, as neither were able to cross over during the fourth period of a well-played game.

This was a nice way to end the season, Coach Stubblefield said, "and it leaves a good taste in everyone's mouth." We had a tremendous effort by everyone who played in the game." Fans agreed with him, as there was no visible exodus from the stands during the final quarter.

Friday night's encounter with Anson was also the last game for six seniors on the Blizzard squad: Jack Fairey, Bobby Poindexter, Doug Williams, Jerry Willis, Wesley Musick and Roderick Bredemeyer.

Tony Johnson had 108 yards on 4 receptions, including the 68-yard TD pass play from Jeff Russell. He made some breath-taking catches throughout the night.

Marvin Moore did an outstanding job running, racking up 65 tough yards on 19 carries. He also did a good job passing and blocking.

Jimmy Chapman did a fine job of running and blocking. He wrote up a 23-yard TD run, and had 55 yards on 16 carries for the evening.

QB Jeff Russell did a good job passing, and Flent McNeill carried his weight with a good job of blocking, including one reception for 15 yards and an important first down.

All the linemen were outstanding with their blocking, including Jack Fairey, Darrell Kurtz, Doug Rogers, Wesley Musick, Phil Colburn, Jerry Willis, Kevin Marks, Doug Williams. Williams iced his cake with the reception for a big 2-point extra play after TD.

Coach Stubblefield said the action in the Anson game was "the best job we have done all year on defense. Everyone did a good job: Jack Fairey, Bobby Poindexter, Flent McNeill, Jimmy Chapman, Phillip Colburn, Kent McNeill, Leroy Jones, Darrell Kurtz, Bret Guy, Jeff Buxkemper, Gary Schwartz, and Jeff Russell." Fairey, Poindexter, Chapman, and Kent McNeill all turned in some outstanding plays, the coach said.

## KRUEGER'S KOLUMN

By CONG. BOB KRUEGER  
21st Texas District

This last week I had the privilege of chairing the opening session of joint House-Senate hearings investigating the role of federal regulatory agencies. I have received many letters from constituents expressing concern about these agencies and the role which their

regulations play in our lives. Therefore, chairing these hearings was a special opportunity, which I hope will prove helpful in time to the people whom I represent.

Most federal regulatory agencies were established in the 1930's in an effort to control the powers of sometimes monopolistic industries, and to bring coherence

to our trade and interstate commerce. Clearly, Congress cannot attempt to examine every detail of our business transactions. Instead, it has chosen to establish regulatory agencies to carry out the intent of Congress. The problem, of course, is that regulations can readily become excessive, misdirected, heavy-handed and inappropriate.

People who fill the upper positions in these agencies often have close ties with large corporations they are supposed to be regulating, and the question of conflict of interest can readily arise.

These hearings are designed to investigate who the people are who are appointed as regulators, what their background is, whether their training is appropriate, and whether or not they will understand and consider both business and the public interest.

Our task is to find fair-minded individuals who will understand the problems of the industry being regulated, someone who will be sensitive to the needs of

citizens entitled to expect protection from monopolistic power, unfair trade practices and unsafe food and drugs.

I hope that these hearings may shed some light on the qualities and characteristics best able to serve the public interest, enabling the President to make better regulatory agency appointments. Considering the role these agencies have assumed in our lives, these hearings are very worthwhile and definitely in the public interest.

## Junior Culture Club Presents Style Show

Jim McCurdy, announcer for KRBC-TV, Abilene, was master of ceremonies for the annual style show presented Monday evening in the school auditorium. The Junior Culture Club sponsored the event.

Three categories of ladies' and girls' clothing were shown, including dresses, pant suits and evening wear. A special feature of the show included several Bicentennial dresses.

Ladies and girls of the community and special guests modeled their home-sewn garments before a crowd of approximately 200. Door prizes were given during the show.

All proceeds from the style show will go for community improvement projects sponsored by the Junior Culture Club.

## SS Rep Sets Winters Visit

Jo McCullah, social security representative for the San Angelo Social Security Office, has scheduled her November visits to Winters. She will be at the Housing Project Office on Monday, November 10 and 24 from 9:30 a.m. to 11:30 a.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact her at that time. Persons who are unable to meet with her are encouraged to call the office in San Angelo.

## County Historical Group Received Service Award

Rankin Pace, chairman of the Runnels County Historical Commission, was present at the state convention of the Texas Historical Commission in Nacogdoches recently, and accepted the Distinguished Service Award for the Runnels group.

Runnels County won this award for the first time in 1967 and has continued to be distinguished in service each year with the exception of one year.

To receive this recognition, the Runnels County Commission has conducted two ranch tours and one of historic homes. Archives have been established in Winters, Ballinger and at Angelo State University. Members have presented many programs and speeches to other groups on history. They have cooperated with others on oral history and preservation of historic sites. One member has compiled a boon on Runnels County Pioneers.

Pace has served as chairman of the commission since 1965. Other Winters members are Mrs. Pace, Mr. and Mrs. George Garrett, Mrs. Loyd Roberson, Melvin Mapes, Dr. T.L. Russell, John Key, David Ledbetter, and Mrs. George Poe. David Carroll, Runnels County Commissioner, is an ex-officio member.

## Local Water Not Cause Of Cancer

Although there is reportedly high concentration of nitrates in much of the well water of Runnels County, there is one consolation, according to C.T. Parker Jr., County Agent: The local water supposedly is not causing cancer.

Parker said a group of representatives from the Environmental Protective Administration has been making inspections of the wells in the area, and has been testing the water. Some of the water which had been high in nitrates was sent to EPA laboratories, and tests showed there were no traces of "nitrosamines," a cause of cancer, in any of the test samples, Parker said.
