The Carbon Home Demonstration Club met Friday, February 9, in the home of Mrs. J. C. King. The program, with Mrs. C. W. Stafford demonstrating, was on various "Pressing Techniques and Equipment."

Means of collecting money for the club were discussed. A motion was made and carried to the effect that each member would pay 5 cents per month. Dues were then collected from the old members and eleven new ones.

The club also carried a motion to hold a bake sale on Saturday, February 17. Three-fourths of the money will go to the March of Dimes, and the other one-fourth will go into the club treasury. The bake sale will be held in the Hamner Building, opening at 9:00 a. m. About 4:00 p. m. coffee will be served.

Anyone wishing to contribute a pie or cake is urged to do so. All donations will be appreciated.

Henson To Open Mercury Agency In Eastland

Dee Henson, former Eastland resident, has been appointed Eastland dealer for Mercury automobiles, and plans a formal opening of his new place soon, he announced last week.

The new agency will be in the building on South Seaman Street formerly occupied by the Spain Feed Store.

Henson was manager of Lamb Motor Company at one time and later operated a Buick agency in Llano until he sold out several months ago.

Methodist News

Lively Brown, Pastor

To see yourself is a most difficult feat. Usually it is left for people who are highly advanced and enlightened. When they do accomplish that uncanny task of seeing themselves, unless the perception is tempered with divine light, they are liable to become morbid or desperate. We have no doubt that many a case of self-destruction has been a result of a more or less distorted self-discovery without the grace of God.

There is a story of a Methodist circuit rider of pioneer days whose circuit required one year to travel it, who found a serious girl that knew not the first elements of prayer. The first prayer he taught her was, "O Lord, show me myself." He directed her to pray that prayer daily until his return, and he would teach her another. On his return the girl was in deep distress. The next prayer he taught her was, "O Lord, show me thyself." When he returned again, a year later, the girl was exultant with joy. The discouraging vision of herself had been absorbed in a vision of God. It was when the prodigal came to himself that he reached a state of desperation that might have resulted tragically, had he not remembered his father and his father's house and resolved to return.

HOUSEHOLD MEMOS... by Lynn Chambers

Serve Eggs for Breakfast Variety (See Recipes Below)

Breakfast Pointers

IF YOU VALUE your family's health and well-being, don't send husband and children off to work and school without a good breakfast. Don't expect to get a good morning's work out of yourself, either, if you nibble on some fruit and gulp a cup of coffee. You simply can't do it.

Plan a breakfast menu as you would lunch, dinner or supper. Try out new foods, inject variety into the menu plan, and do give yourself enough time for both the preparation and eating enjoyment of such a project. Give it a trial for a month, and you'll never again want to go back to skimpy breakfast habits.

Start off with fruit or fruit juice, such as citrus, because this is a good opportunity to get oranges and grapefruit into the day's menu. Follow with cereal, eggs, bread and butter and beverage.

Eggs can be prepared in many ways and give you good protein for what you spend. They add lots of appeal to the breakfast, and can make a feast of the one simple meal of the day. Don't forget to tuck eggs into the breakfast bread every now and then, too, for that extra treat to the appetite, and for that extra nourishment.

They're simple to prepare, of course, those eggs, if you remember not to treat them roughly. Moderate to low temperatures whether you soft-cook, fry or bake them is of utmost importance in keeping them tender and palatable.

Baked (Shirred) Eggs

Break and slip 1 or 2 eggs into greased individual shallow baking dishes. Bake in slow oven (325°), 12 to 18 minutes, depending upon firmness desired. Serve from baking dishes.

French Omelet (Serves 2)

3 eggs
 3 tablespoons milk or water
 1/2 teaspoon salt
 1/4 teaspoon pepper, scant
 1 tablespoon fat
 Mix eggs, milk, salt and pepper thoroughly. Avoid foaminess. Heat fat in skillet (approx. 8-in.) just hot enough to sizzle a drop of water. Pour in egg mixture. Reduce heat. As the mixture at the edges begins to thicken, draw the cooked portions with the fork toward the center so that the uncooked portions flow to the bottom. Tilt skillet as it is necessary to hasten flow of uncooked eggs. Do not stir and keep mixture as level as possible. When eggs no longer flow and surface is still moist, increase heat to brown bottom quickly. Carefully loosen edge. Fold in half or roll. Total cooking time is 5 to 8 minutes.

French Toast (Serves 4-6)

3 eggs, beaten slightly
 1/2 teaspoon salt
 1 teaspoon sugar
 1 cup milk
 6-8 slices (2-3-day old) bread
 Fat for frying
 Combine eggs, salt, sugar and milk in shallow dish. Dip bread in egg mixture turning to moisten. Brown on one side on well-greased

griddle or frying pan, turn and brown the other side. Add fat as necessary to keep from sticking. Serve with syrup, jam, honey, confectioners' sugar or fruit.

Variation: Cranberry French Toast—spread jellied cranberry sauce between two thin slices of bread before dipping in egg mixture. Brown as above. Serve plain or with creamed chicken, eggs, fish or meat.

Whole Wheat Muffins (Makes 24 small muffins)
 1 cup whole wheat flour
 1 cup white flour
 2 teaspoons baking powder
 1/2 teaspoon salt
 2 tablespoons sugar
 1/2 cup evaporated milk
 1/2 cup water
 1 tablespoon vinegar
 1 tablespoon soda
 1 egg
 3 tablespoons shortening, melted

Sift flour with other dry ingredients into mixing bowl. Combine milk, water and vinegar and add soda. Beat egg, add the soured milk and shortening. Stir quickly into dry ingredients. Pour into greased muffin pans. Bake in a hot oven (425°) about 15 minutes.

***Bacon Muffins (Makes 12 muffins)**
 2 cups sifted enriched flour
 3 teaspoons baking powder
 1/2 teaspoon salt
 3 tablespoons sugar
 1 egg, well beaten
 1 cup milk
 4 tablespoons shortening, melted
 7 strips of bacon, cooked, crumbled

Sift dry ingredients together in bowl. Combine liquid ingredients and add to flour mixture. Stir only enough to partially dampen flour. Add bacon and stir only enough to blend. Fill greased muffin pan (12 2-inch cups) two-thirds full. Bake 20 minutes in hot oven (400°).

Butterfly Cinnamon Rolls (Makes 12 rolls)
 2 cups sifted all-purpose flour
 3 teaspoons baking powder
 1 teaspoon salt
 1/2 cup shortening
 1 egg, beaten slightly
 1/2 cup milk
 2 tablespoons butter, melted
 1/2 cup sugar
 1 teaspoon cinnamon

Sift dry ingredients. Cut in shortening until mixture resembles the texture of coarse cornmeal. Combine egg and milk and stir in dry ingredients until just blended. Turn out on flour board or cloth. Pat out dough. Fold in half. Repeat six times. The last time roll to 1/4-inch thickness. Spread with melted butter, sugar and cinnamon. Roll up and cut into 1-inch slices. Cut a slit through center parallel to cut edges of slice down to but not through bottom layer of dough. Spread halves from center out on baking sheet. Bake in a hot oven (425°) until browned, 15 to 20 minutes.

"My husband introduced me to ALL-BRAN shortly after we were married. I use it in my cooking as well as for breakfast. The result: we're regular as clockwork!" Value Your Health More Than Riches

Some folks think that fine clothes and fine, big houses are the most important things in life, but these things really don't mean too much if a person doesn't feel well enough to enjoy them. Most folks don't realize this, but Mrs. Lucy Braswell, of Route 2, Stone Mountain, Ga., realizes it very well. Mrs. Braswell takes HADACOL, and by taking HADACOL she found she is helping her system overcome deficiencies of Vitamins B, B₁₂, Niacin and Iron, which HADACOL contains.

Here is Mrs. Braswell's own statement: "I have been sick for some time with stomach disturbances. I began taking HADACOL and I have been taking it about six weeks. I am so much better and much stronger. I will continue to take HADACOL. It sure has helped me. I tell my friends about HADACOL. I can't praise HADACOL too much. I am 59 years old."

If your druggist does not have HADACOL, order direct from The LeBlanc Corporation, Lafayette, Louisiana. Send no money. Just your name and address on a penny post card. Pay postman. State whether you want the \$3.50 hospital economy size or \$1.25 trial size. Remember, money cheerfully refunded unless you are 100% satisfied.

Personal To Women With Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complaints of nagging backache, loss of pep and energy, headaches and dizziness. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. Farm Youngsters Taught Value of Good Grooming

FARM mothers teach their daughters from childhood that "pretty is as pretty does," points out the Rural Home editor of nationally-circulated Capper's Farmer.

"Getting an early start is as important in learning beauty and grooming lessons as in most other things," she writes. "The little girl who always brushes her teeth after every meal and loves her splash in the tub before bedtime is the one who grows up to have a pretty smile."

"She'll be known for her dainty freshness. And her own children will love her because, she always looks so good and smells so sweet!"

Tooth brushing is a habit with 8-year-old Alice Jette, daughter of Mrs. Doyt Galloway of Van Wert county, Ohio. Mother and daughter enjoy spending a few minutes together each day keeping up their good looks.

Alice Jane knows the right method for brushing to give clean, white teeth and healthy gums. Her own little footstool by the lavatory makes it easy for her to climb up and look in the mirror to watch the brushing.

Frozen Lemon Pie Is Toothsome Dish

FROZEN lemon pie is a toothsome dinner dessert for the family that's been working hard all day, says the Country Cooking editor of Capper's Farmer.

Graham cracker crumbs are crust and topping for the chilled yellow filling, she writes in the nationally-circulated farm magazine. Pie-shaped pieces are made by cutting diagonally across the refrigerator tray in which pie is frozen.

The dessert which will be an ever-popular family favorite, serves 8, the Capper's Farmer expert advises.

FROZEN LEMON PIE

2 eggs, separated 1 c. evaporated milk, whipped
1/2 c. lemon juice 1/2 c. graham cracker crumbs
Rind of 1/2 lemon 1/2 c. sugar

Beat egg yolks; add lemon juice and piece of rind sliced from lemon and all but 2 tablespoons of the sugar. Cook over low heat 15 minutes, stirring constantly. Remove rind and cool. Beat egg whites until stiff; add remaining sugar and fold into cooked mixture. Add whipped evaporated milk. Line refrigerator tray with waxed paper. Sprinkle with 1/4 cup of the crumbs. Pour in lemon mixture; sprinkle with remaining crumbs. Freeze with temperature set at coldest. Serves 8.

Texas motorists, Texas highways and Texas taxpayers should be protected against the ONE PER CENTERS.

ONE PER CENTERS are truck combinations weighing, loaded, 20,000 pounds or more. Only one of every 100 vehicles registered in Texas pays a license fee for 20,000 pounds or more. FEWER than three out of every 1,000 are registered for more than 40,000 pounds.*

Our highways should be SAFE for ALL the people - individuals, commercial users and the military alike.

Texas highway tax dollars should be conserved and used wisely. This can be done

- (1) by limiting the weight (gross load and axle load) that may be transported legally by the ONE PER CENTERS and
- (2) by enforcing the law against those who persist in overloading.

*"The Case of The One Per Centers," an article in The Texas Tax Journal, July-August, 1950

Texas highways are paid for by and belong to ALL THE PEOPLE. Highways adequate for 99% of Texas users - individual and commercial - can be constructed and maintained for about ONE-THIRD of the cost made necessary by the weight of the ONE PER CENTERS.*

The Way it Happened . . .

IN HAMILTON, OHIO . . . When Detective James Parker, treasurer of the annual police picnic, deposited the picnic receipts at a local bank, a bogus \$20 bill was among six of that denomination taken in.

IN ASHTABULA, OHIO . . . Police are listening for the sound of sirens since the city's \$400 air raid siren, purchased during World War II, was stolen.

IN COLMA, CALIF. . . . Missing ballots which caused cancellation of a city election were found under the front seat of the police chief's car—where he had put them for safe delivery to the city clerk.

IN HAMTRAMCK, MICH. . . . Police made an understandably intensive search for the thief who invaded headquarters there and stole four typewriters and the detectives' roll-call book.

IN DAYTON, OHIO . . . Ordered by radio to investigate an automobile horn that was stuck, two cruising patrolmen had to report back that they were the offenders.

Jesus is Christ

Lesson for February 18, 1951

IT SOUNDS odd to modern ears (or to any ear for the past 18 centuries) to say that Jesus "is" Christ. It sounds like saying Abraham is Lincoln, or Winston is Churchill. "Jesus Christ" has become long since a proper name like any other combination of name and surname. But in the early days of Christianity it took sermons to persuade people that Jesus was indeed the Christ; and if people knew what "Christ" means, they would see that most sermons today are really aimed at convincing people of the same thing: Jesus is Christ.

Dr. Foreman

Only One Christ

WE shall have to think what the word "Christ" meant as Peter used the word and as Jesus understood it. The Jews of that time were looking with eager excitement for an "anointed one" (the literal meaning of Christ, or Messiah) who would put an end to all the evil of the world and usher in God's New Age. They were not quite clear how this would be done, but they were sure that only the Christ could do it.

Consider three points. First, when Peter said "You are Christ" he meant "You are unique." No Jew looked for two Christs. There is no one else in Jesus' class, there is only one of him. Every human being, to be sure, is different from all others; but Simon Peter did not mean that Jesus he did mean was that Jesus could not be classed as "a" teacher or "a" prophet or "a" man of God. He was the Teacher and Prophet. He was God's Man as no other man was.

We make a mistake, we get away from the original Christian faith, the faith which Jesus praised, when we put Jesus on the same level with other men, any other men. There is only one Christ.

God Was in Christ

IN the second place, when Peter called Jesus "Christ" he meant that God had anointed him. He was not a man who took a notion to do what he did; he was one whom God had appointed to be and to do as God willed. We cannot understand Jesus apart from God, for his source is God.

Any one who reads the gospel of John will find this very prominent in Jesus' thinking always: "I was sent . . . My meat is to do the will of him that sent me."

Christians later than this saw that the relation between God and Jesus was even closer than that between sender and sent. Jesus is called the Son of God, he is called the Word that was with God and was God. Paul says God was in Christ.

Christ Is Lord of All

A THIRD thing Peter meant when he called Jesus "Christ" and that the church means now—is that he has complete authority. All other authority, in the church or out of it, is less than his.

A word often used to express this truth is "Lord." But the word alone is not enough. It really makes less difference what words we use about Jesus than what our attitude to him is. Jesus himself once spoke sternly of people who call him "Lord, Lord," but do not do the things he says to do.

It is one thing to say, in the Creed, that we believe in "Jesus Christ, his only Son, our Lord;" it is another thing to carry that part of the creed into life. Jesus is our Lord; not the church, not Moses, not Paul, not any hero or saint of the church, but Jesus. Christians take orders from him first of all, for we believe that his mind was the mind of God.

A Christian profession of faith, therefore, is more than a statement of belief; it is an oath of allegiance.

Braided rugs make an excellent mid-winter project. And now even material made from nylon can be used. For there is all purpose dye on the market which takes effect on both synthetic as well as natural fibers.

You've had Hard Sauce, but have you ever had Butterscotch Hard Sauce? Cream 1/2 cup vitaminized margarine until soft; gradually beat in 1/2 cup firmly packed brown sugar, 3 tablespoons cream and 1 teaspoon vanilla. Serves 4 to 6.

Most children enjoy shaking hands. "It's what grown-ups do." This is a good opportunity for teaching them to wash their hands. Tell them that clean hands are pleasanter to shake.

Cheese Frosted Cauliflower is a good "company" dish. After cauliflower has been cooked in boiling water and drained, spread real mayonnaise over it and sprinkle sharp grated cheese on top of the mayonnaise. Then, bake in oven till browned.
