Carbon Wolverines Defeated By Baird Friday Night

The Carbon Wolverines, coached by Ray Wood, played Baird in their second conference football game of the season at Baird last Friday night. The game was better than the score of 47 to 13 in favor of Baird indicated. If our boys had played the first half as well as they did the last half the score would have been different. The score for the last half was on an even keel as Carbon out-scored them 13 to 7.

They play Clyde there Friday night. Clyde has one of the strongest teams in the conference and if Carbon could defeat them Friday night, it would be as big an upset as Perdue defeating Notre Dame last week. So Wolverines, let's go into the game with the determination to win.

The Carbon Cubs, coached by David Goodwin, played the Gorman Junior team in Gorman last Thursday night and the entire team showed up well. This being their first football game, the Gorman team with more experience, defeated the boys 19 to 0.

They have several games on their schedule and it is hoped the rooters will continue to give our two teams their full support.

Bethany, son of Mr. and Mrs. Elmer C. Bethany, is a freshman. Miss Park, daughter of Mr. and Mrs. F. H. Park, is also a freshman.

Miss Lois Wyatt Honored With A Gift Tea

Last Thursday afternoon Mrs. W. J. Greer was house-hostess and Mrs. Henry Collins co-hostess to a bridal shower honoring Miss Lois Wyatt, bride-elect of Mr. Jerry Matejek of Midland.

The rooms were decorated with seasonal flowers. The dining table was covered with a lace cloth holding a small basket of blue flowers for a centerpiece. Frosted punch, mints, and white iced cake squares festooned with pink roses were served by Mrs. Wyatt and Mrs. Stubblefield.

Many nice and useful gifts were received by the honoree. Mrs. J. E. Jackson, sister of the bride-elect, presided at the bride's book in which about 60 guests registered. The book was covered in white satin and trimmed with pink and blue flowers and nylon lace, was made by Mrs. Collins.

Lois, daughter of Mr. and Mrs. Ray Wyatt, attended Business College after high school graduation and has held a position as office investigator for Universal C. I. T. Credit Corporation in Midland the past year.

She returned to Midland Saturday after a three weeks visit with her parents here. With her she took best wishes from her many friends for a happy marriage, which is tentatively planned for October 21 at the First Methodist Church in Midland.

HOUSEHOLD MEMOS... by Lynn Chambers

Hot Milk Makes an Easy Sponge Cake (See Recipe Below)

Let's Bake Cake
WHY BAKE a cake? First of all there's a personal satisfaction in it for you and second to your family. Third, it's nice to have a home-baked cake on hand. "Just in case," if there are afternoon callers, or if the folks in your house are just plain hungry for something sweet during a busy week-end. Good cakes are easy to turn out, even though you may be trying one for the first time, if you use standard measuring equipment, and follow instructions to the letter. If you want a cake success every time you bake, you'll always follow measurements accurately, because that leaves nothing to guesswork.

Measure ingredients and set them out before you start mixing. This assures you of not forgetting anything. It also makes mixing the cake easier than starting to blend a few ingredients, then stopping to measure out the next one or two.

Many of the cakes, we have now found, are easier to mix and give better results if ingredients are allowed to stand at room temperature for two hours or so. This makes measuring them at one time a necessity.

A HOT MILK sponge cake is easy to mix and delicate to eat. Frosting is as easy as you can see from the picture if you place a lace paper dolly on the cake and sprinkle with powdered sugar.

Hot Milk Sponge Cake
(Makes 2 8-inch layers)

- 2 cups cake flour
- 1/4 teaspoon salt
- 2 teaspoons baking powder
- 4 eggs
- 1 1/2 cups sugar
- 1 cup milk, scalded
- 1 teaspoon vanilla
- 3 tablespoons butter, melted

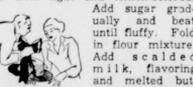

Sift flour, measure, sift three times together with salt and baking powder. Beat eggs with rotary beater until light and lemon-colored. Add sugar gradually and beat until fluffy. Fold in flour mixture. Add scalded milk, flavoring and melted butter last. Fold until well blended. Pour into two round buttered 8-inch cake pans, bottoms of which have been lined with waxed paper. Bake in a moderate (350° F.) oven for 30 minutes. Cool in pans. Serve with chocolate filling, berries or sugared fruit in-between layers.
