Judge Crossley To Attend Hearing On Rural Roads

County Judge P. L. Crossley as a member of the County Judges and Commissioners Association will attend the hearing in the House of Representatives Monday March 7 on the proposed expenditure of funds for the building of rural roads.

Judge Crossley urges the help of every county citizen who recognizes the need for these farm-to-market roads. Along with his group the bill is vigorously supported by the Texas Rural Roads Association, Farm Bureau, and Rural Letter Carriers Association. The Judge states that if Texas is ever to have a good system of rural roads there must be a sufficient amount of money earmarked each year.

Judge Crossley asks all those who are unable to attend the meeting to write both representatives in Austin and the state senator requesting they help sponsor the bill. If this bill fails he requests they work for the passage of a similar bill to raise necessary funds for the building of rural roads.

Card Of Thanks

We are indeed grateful to our friends and neighbors of Carbon and community for their many kindnesses and deeds of helpfulness during the illness and death of our husband and father. Also for the beautiful floral offering. May God bless each of you in our sincere prayer.

Mrs. A. A. Dover & children

Don Bennett and wife of Austin and Dean Turner and family of Gatesville visited Luther Reese and wife last week end.

Notice

To all veterans interested in the course of wood working under the G. I. Bill, please report to C. A. Hyatt at the Gorman Cabinet Shop in Gorman as classes will be started there soon.

Farmers And Business Men To Have Banquet

A banquet will be held Thursday evening, March 10, at the high school cafeteria for the purpose of organizing a Community Club. Principal speaker will be Robert L. Stone of Fort Worth of the Territorial Development Division of Texas Electric Service Company.

Stone will talk on Texas agricultural and industrial development opportunities. Stone uses a number of colorful charts and numerous products and items in visualizing for the audience the main points of his talk which increases the interest and thought provoking ability of his decision.

The banquet tickets at 75c each will be available at all local business houses and all farmers and business men are urged to attend for the purpose of organizing a community club here.

\$26,136 Damage Suit Brought in 91st Court

A suit for \$26,136.45 in damages has been filed in 91st District Court by J. W. Lovell against O. D. Dillingham, doing business as the Banner Ice Cream Company in Eastland.

Lovell, an elderly man, alleges in his petition that on last December 10 he was attempting to cross an Eastland street when he was struck by a truck driven by an employe of Dillingham's and received personal injuries for which he asked \$25,000. Medical, surgical and hospital costs asked in the suit total \$1,136.45.

Scott Noble and wife, Mrs. Joh. Foley and Mrs. Fred Foiey were visiting Tommie Thurman in the Blackwell Sanitarium Saturday. Tommie has been seriously ill of pneumonia but is much improved at this writing.

Bud Clack was in Mineral Wells on business last week.

Bob Collins and family of San Angelo spent Sunday with Henry Collins and family.

Funeral Service For A. A. Dover Held Wednesday

Funeral services for A. A. Dover were conducted from the Church of Christ here at 2:00 p. m. Wednesday with W. E. Moore of Eastland officiating. Mr. Dover had been in ill health for several months and death came at 11:00 p. m. Monday in the Blackwell Sanitarium. Interment was in the new cemetery with Higginbotham Undertakers of Gorman in charge.

In the death of Mr. Dover Carbon lost one of its oldest pioneers since he had been a resident of the community about 60 years.

Alford Augustus Dover was born June 14, 1863 the son of the late C. C. and Melissa Dover, and died Feb. 28, 1949. In early manhood he was married to Cora Lee Chandler who survives him.

Other survivors are three sons, Devoe and O'Neill Dover of Carbon and R. V. Dover of San Antonio, seven daughters; Mrs. W. E. McCall of Carbon, Mrs. W. W. Causey of Austin, Mrs. Chas. Ferts of Houston, Mrs. Frank Perfect of San Antonio, Mrs. Wm. Trout of Ogden, Utah, Mrs. D. D. Williams of Throckmorton and Mrs. Wm. Millican of San Antonio. Also two brothers and three sisters, 16 grandchildren and 6 great grandchildren and a host of other relatives and friends.

Pallbearers were Edward and J. L. James, Jim Holloway, W. W. McNeese, Ed Allison and J. Z. Phillips.

Mrs. Elbert Jackson was carried to the Blackwell Sanitarium Tuesday night after suffering a hemorrhage from an extracted tooth.

Mrs. Crow of DeLeon spent the week end with her son, Harry Crow and wife.

T. Hudnal and family of Rising Star visited Otis Guy and family Sunday.

Bill Edmondson was brought home from the hospital Tuesday where he is slowly improving from a heart attack.

Wild Oats Harvest

Lesson for March 6, 1949

ALL RELIGIOUS teachers of Jesus' time used parables. But the great difference between Jesus' parables and those of his contemporaries, as Rabbi Klausner says, is that in his were not members and theirs were not. People will remember a story who cannot take in a lecture. Jesus almost never told "wonder-tales." His parables are not in the least like Dr. Foreman Grimm's fairy tales or Alice in Wonderland. Mostly they are about simple ordinary happenings, and practically always about living people or things.

The Kingdom of God is a kingdom of law, not of happen-so or of magic wands. Jesus was fond of comparing God's Kingdom to growing plants. Every plant is a miracle, it is evidence of God's creative power; but plants do not grow overnight, they grow by the laws which the Creator made in them.

Wild Sowing

AS WE SAW last week, the most important feature of the ideal World of any world, is the quality of the people in it. So most of Jesus' parables were about people, one of the most famous being the story of the "prodigal son." ("Prodigal" of course does not mean wicked or repentant, but wasteful, reckless with money or other things.) You could find many faults in that young man. One of them—the fault that nearly killed him—was that if he had a calendar he never looked at it. If you take a good look at a calendar you will always notice that there is another day after this one—another month, another year. But the prodigal never thinks about tomorrow, only about today. He sows his wild oats because he has fun doing it.

Some people even argue that it is a good thing to sow wild oats, on the theory that the prodigal gets it out of his system and is afterwards a better man.

Nonsense! Is it better for your education to spend several years learning things wrong? Is it better for a garden to let it grow up in weeds for the first three weeks? Is it better for a man's health to spend his childhood years on a sickbed?

Prodigal Nation

IT HAS been said that we have a prodigal-son civilization. Our generation is pretty busy sowing wild oats. We waste the natural resources of the earth. Drinking has become encouraged by law and made glamorous by the movies. We spend more on liquor than on schools. More money is spent on a single day's horse-racing at a big track than a whole state or province spends on education in a year.

Wild Harvest

THE PRODIGAL son in Jesus' story went home—but he had to reap his wild harvest first. The modern prodigal, whether individual or nation, seems to misunderstand Jesus' meaning. If God is thought of at all, he is pictured as a benevolent Being who after all doesn't mind our enjoying our little fling. "He will forgive," said Voltaire, "that's his business." That is a total misunderstanding of God.

The Heavenly Father does love every one of his children, yes. But he will not hold back any one who insists on wasting his substance. He will not interfere with the man's freedom even if it is wickedly used.

He will not suspend his own law: "Whatsoever a man soweth, that shall he also reap." The prodigal will never get back what he threw away. Time that is killed stays dead. The poverty and pain created by personal or national extravagance and intemperance, God will not magically conjure away.

ATTENTION

Cotton Farmers

There will be no allotment for the 1949 cotton crop, but probably will be one on the 1950 crop, according to best information from observers in Washington.

In order to stay in cotton production after 1949 it is essential that you plant adequate acreage in 1949!

If the allotment plan now being promoted is adopted and applied in 1950 it will greatly reduce acreage below the 1948 level. Unless Texas acreage is reasonably large in 1949 cotton in Texas may be drastically reduced in 1950. This could mean a great loss in income for Texas farmers and everyone who has anything to do with cotton.

Your BEST Cash Crop! Cotton has always been the farmer's safest and best bet for a cash crop if he farms in a cotton country. Be sure to plant enough cotton this year to establish a good cotton allotment.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating, and drinking—a real risk of exposure and infection—thru heavy strains, on the work of the kidneys. They are apt to become over-cared and fail to filter waste and other impurities from the life-giving blood.

You may suffer nagging headaches, dizziness, getting up nights, leg pain, swelling—just constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's has the kidneys in mind as harmful as some body wares. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor.

Always the Best Peanut Seed

It costs no more to cultivate a GOOD stand of peanuts than it does a poor stand—so why not buy peanut seed that you can always depend on to give you a perfect stand?

Our seed have been carefully selected from our stocks bought during the past season and we have given special care to the storage and preserving of them for spring planting.

They will be carefully sized to suit your needs and tested, tagged, and bagged to give you the best Peanut Seed available. Treated with either Arasan or Ceresan and always FR. SHLY SHELLED.

Our tonnage of good seed is limited and when our supply is booked we will have no more to offer. Be safe—look your seed now and be assured of the finest planting seed available. Good seed costs you less than cheap priced seed in the long run. See—

Have you bought your Fertilizer yet? If not, it might pay you to do so right away because some of the materials that go into Fertilizer are very scarce according to the State Fertilizer Control Board. They are advising farmers to buy at once.

We have plenty of well cured Fertilizer now and have plenty of room to store fifteen or twenty Cars or more and will keep until needed if it is bought now. Prices may advance later. See us at once.

We appreciate your business

Peanut Seed

We are offering for sale again this season the uniformly graded peanut seed which proved so successful last season. We have selected the best peanuts we purchased in Texas and Oklahoma and stored them separately for planting seed. These are free from damage and have a high sound Mature Kernel content. They will be carefully shelled, graded and hand picked. Your choice of Arasan, Ceresan or Spergon treatment. You are invited to see our stock of peanuts before they are shelled. The Oklahoma peanuts made a higher yield per acre than Texas peanuts and averaged a higher 3MK content. You may prefer them for seed.

We are now booking seed peanuts at 21 cents per pound. A small deposit will protect you from any increase in price. You may call at our office or Jay Grocery and Market.

Fertilizer

Introducing the Heart Of Texas Brand Peanut Special Fertilizer. By adding trace elements to the Guaranteed State Analysis, we have developed a more complete plant food.

This new fertilizer contains Manganese Sulphate, Copper Sulphate, Zinc Sulphate, Iron Sulphate and Borax. These are present in small but important quantities. Also the use of some ground peanut hulls add plant food value to the fertilizer and makes it put out better. Come by and let us explain the advantages of this new fertilizer.
