Street Bonds Sell at Auction; Bring \$2,885 Cash Premium

The recent issue of \$50,000 street paving bonds and \$25,000 water works bonds by the city of Ballinger were sold at public auction to the highest bidder Monday afternoon, with a number of buyers bidding for the Ballinger securities.

The bonds went to W. L. Slayton & Co., of Toledo, Ohio, on a bid of par, plus accrued interest and a cash premium of \$2825. Judge Lindsey, of Amarillo, represented the successful bidders at the sale. The deal in round numbers will figure approximately \$78,000, or a little better.

Three bond buyers were represented at the sale in person, and other brokers had made offers on the bonds by wire and mail, showing that Ballinger bonds are in demand.

The bonds were declared to be perfect in every detail, as far as complying with the law governing their issuance was concerned, and when presented to the attorney general's department for approval, the department stated that no records were ever presented in better shape, and the bonds were approved without the least bit of delay, an opinion being rendered by the department in much less time than is

usual in such cases. This makes available cash for prosecuting the important municipal improvements planned for Ballinger. As soon as the preliminaries can be perfected the street paving will be rapidly pushed, and the water works improvements are already under way.

The water works program calls for either a new dam or the building higher of the two present dams, and when this program is carried out, according to the engineer who made the tentative survey and advised the city commission what steps to take in the matter, Ballinger's water supply will be practically doubled.

OFFICERS ARREST DRUNK CAMPERS

Sheriffs Bob Miller and Jim Flynt took in two drunks who were camped on Fuzzy on the Ballinger road, last week, and fined them for being drunk and fighting, and lodged a complaint against them for having whiskey unlawfully in their possession. The officers confiscated the two quarts of clear corn liquor. The two men had been fighting between themselves. — Paint Rock Herald.

ALLEGED P.O. ROBBER ARRESTED

AUSTIN, June 7.—What is regarded as one of the most important arrests made in the history of the postal savings department was made yesterday when Paul Dolphus, charged with robbery in connection with the Dallas Jackson Street sub-station postoffice robbery in January, 1921, was arrested in California.

Chief Inspector Sutton of the postal department, says that the arrest of Dolphus ends a chase which the detectives have followed since the arrest of other men implicated in the robbery, and who have been tried and sentenced to the penitentiary.

Mr. and Mrs. Wm. Telcamp returned to their home at Dodge City, Kansas, Monday afternoon. They had been here visiting Mr. Telcamp's sister, Mrs. Wm. Tolliver.

O. H. Smith, of the Maverick country, had business in Ballinger Monday.

FIRST BALE OF 1922 COTTON BRINGS \$1200

HOUSTON, June 2.—The first bale of 1922 cotton reached Houston today from Rio Hondo. The bale was sold at auction and brought \$1200.

WASHINGTON, June 2.—The condition of the cotton crop in the United States on May 25th was 69.6 per cent normal, as compared with 66 per cent on the same date one year ago, according to a report made by the department of agriculture. This is the first condition report of the season. A production forecast was not made.

WINS FOURTH IN STOCK JUDGING

County Agent Eaton is at home from Brady, where he went with a bunch of boys to attend a livestock judging contest in which eight counties competed for a loving cup presented by the Brady Chamber of Commerce to the county team making the best record in livestock judging. Mason won first place; San Saba, second; Llano, third; and Runnels county, fourth.

The livestock judging meet is an annual affair, and the various counties in the district will compete for the cup again next year, and attempt to take it from Mason. Of the thirteen counties comprising the district, eight counties were represented at the Brady meeting, about thirty boys entering the contest.

Walter Patterson, Jim Gardner, James Mitchell and Claud Graham represented Runnels county, and Mr. Eaton says that while the boys worked to a disadvantage on account of not having the class of stock which was entered in the contest to judge from, they did well, and will make it interesting in the next contest.

Various classes of livestock were judged, including Herefords, dairy cattle, sheep, hogs, etc.

CAFE MAN OUT FOR GOVERNOR

WACO, June 1.—W. W. King, former proprietor of a cafe at Bronson, Sabine county, Texas, has filed application for a place on the Democratic primary ticket for governor.

Secretary Hale of the State Democratic Executive Committee, announced today that the committee would decide at its meeting in Austin on June 12th whether the name of former Governor Jas. E. Ferguson shall go on the ticket or not for United States Senator.

TEXAS ENTITLED 19 CONGRESSMEN

WACO, June 6.—W. Cole, of Austin, filed an application today with the State Democratic Executive Committee for a place on the ticket in the July primaries for congressman-at-large, declaring that Texas on the basis of the 1920 census was entitled to one more representative in Congress.

Dr. Alvin Swindell and family arrived home Saturday night from Kaufman, where they spent the week with Mrs. Swindell's mother.

CINCINNATI, June 7.—A triple-barreled strike ballot, calling for a vote of 400,000 railroad shopmen of the country on three questions, has been ordered by the executive council of six crafts and unions.

By Associated Press

CHICAGO, June 6.—Over a strong protest of the representatives of three labor unions, the United States Railroad Labor Board made a new wage cut of seven cents per hour for railway shop mechanics and nine cents per hour for freight car men, today.

The new order in wage reduction is made effective July 1st, and cuts from the annual payroll of the four hundred thousand men affected approximately \$60,000,000.00.

CINCINNATI, June 6.—A strike vote of approximately twelve hundred railway workers in the United States will be taken by the individual unions affected by the United States Railroad Labor Board wage reductions recently ordered.

It was decided at a conference of the union leaders here today that the strike vote would be taken pending arrival of the date the wage cut becomes effective, and in case the workers vote to reject the cut, the strike will take place.

CHICAGO, June 7.—Strike ballots were sent out today to the railway employes who are affected by the wage reduction

The minority report of the labor members of the board stated that the majority's decision was made with no consideration of human needs, and charges that the majority report fails to carry out the function of the board to set a just and reasonable wage scale.

The average reduction ordered today amounts to a little over eight per cent. The supervisory shop forces pay was not decreased in the reductions ordered today.

recently ordered by the United States Railroad Labor Board. The ballots are returnable on June 30th, and if the strike is called the nation's railroads will be paralyzed on July first.

Labor leaders stated today that a big strike loomed up as a possibility as the result of the reduction in wages which had already been slashed one hundred and ten millions dollars from the workers. The unions affected by the reduction order are expected to have the support of the other unions and the brotherhoods in their strike plans.

Subscription, the year \$1.50

June showers will boost June corn.

Sometimes a friend in need will keep you broke.

The bad man is usually the good one who was found out.

Perhaps the reason some autoists drive slow is because their cars are tired.

The fellow who is "led into temptation" seldom pulls back on the halter.

A lot of candidates cannot see very far ahead, or they would see their finish.

Poverty may cause crime, but lawyers make their money from men who are able to pay fat fees.

Some men who have nothing to do but loaf make a mess of the job.

Now since freight rates are about to be reduced, who is going to pocket the difference?

The fellow who watches the clock can hardly expect to be anything but one of the hands.

About the time a hired man gets the idea that he is a "big gun" the boss comes along and fires him.

An optimist is a fellow who loans a friend ten dollars when said friend already owes him twenty and won't pay it.

Every town has a paint up campaign occasionally, and many girls in this city are actively participating in it.

Yes, we are living in a fast age. Some men now think the world owes them a living for the whole family.

The school situation is serious, and as usual, the women become interested in serious propositions.

Candidates continue to come, but the people are slow to hear. They are placing business and farm work before politics.

The skirts won't be much longer as long as they have too good reasons for wearing them short.

What has become of the old-fashioned boy who used to take pride in telling how many cords of stovewood he could saw in a week?

Queen Mary is trying to shame women who carry pug dogs, and is urging them to carry babies. She wants all women to be queens.

Sometimes the cheapest article is the most costly. The city commission should think twice, yes, three times before awarding the contract for paving.

Courting on highways has been substituted for making love down Lovers' Lane, and one reason more girls don't get married is because more boys don't own cars.

Ballinger does not seem to be featuring any mid-summer festivities but she will put on a fall fair which will make the natives stand up and take notice.

The three thousand dollars bonus received by the city on the bonds will make the street paving go a block or two farther.

Telephone statistics show that only one out of every 113 use the phone correctly, according to telephone officials.

We will all rejoice when the "drive slow" signs are replaced on the main streets entering the city again. They are not needed now.

What has become of the pious we used to have on election year when the county candidates were given an opportunity to tell their troubles?

Unless there is a revival in political interest in Texas, candi-

dates in some of the counties will have to devise some new scheme for getting the voters to the polls.

The man who desecrates the Sabbath, blasphemes, and gets on a jag whenever he can get the jag juice, is a strong advocate for the right of every man to worship God according to the dictates of his conscience.

The Fort Worth citizen who is not able to tell whether he is a negro or white man is in bad if he must depend on a Texas court to determine his race standing. Under the circumstances maybe the trial will result in a hung jury.

Eighty thousand people in Texas are said to have signed a petition to the Democratic Executive Committee asking them to submit the question of beer and light wine to the voters in the primary. There may be that many Texans who would like to have beer and wine, but it will require something stronger than a petition to get it.

The summer normal will open a six weeks' session here on June 12th. That date is near at hand, and you should write your teacher friends to come here for their training, and then help to make their stay here a pleasant one.

Some cotton crop reporter has predicted a three million bale crop for Texas. Heavy rains and late planting in East Texas puts the burden of production upon West Texas, and prospects are that West Texas will deliver the goods done up in bales.

On his tour of West Texas Jim Ferguson seems to be passing up Ballinger. He spoke at Coleman Wednesday and went West over the Santa Fe towards the Panhandle. A case in which the citizens of Ballinger and Jim both win. So far the voters have declined to stage a political demonstration here.

It is taking the commercial world several years to undo what it did in a few months in price fixing. We were taught lessons in economy, but the greed god seems to have gained a strong hold which time only can eliminate. Many necessities of life are still marked at war time prices. Why?

Germany's request for American troops to remain on the Rhine a little while longer does not come through any love for the boys. The Huns have been raking in American dollars, and the dollars will stop flowing when Old Glory is pulled down at Coblenz, and the sons of Uncle Sam bring their camping party to an end over there.

Ballinger is a progressive town, or at least has that reputation, but there are a few things in which we lag. All of the highway between Ballinger and Abilene will soon be completed, except the Ballinger end of the road.

Upward of ten thousand head of cattle have died in the Gulf Coast country of Texas with the so-called "down-in-the-back" disease, and storms destroyed the early cotton crop in some sections of South Texas, while the boll weevil is expected to be laying for the late cotton. You should be thankful that you live in West Texas.

Auto tourist travel thru Ballinger this summer promises to set a new record. A check on autos has already run the number going both ways to more than fifty for one day, and the tourist season has not really opened yet. Just a sample of what good roads and a little advertising would do. We should have better camping facilities in the tourists' park.

Tourists from St. Louis, who spent the night Friday in Ballinger, said they found the best roads in Texas. This means that tourist money will come this way more and more every year. Build good roads and profit thereby.

The Ku Klux question has many candidates between the devil and the deep blue sea. The office seekers are afraid that they will be damned if they do and damned if they don't. Hence in some cases there is some side-stepping and fence straddling.

As far as the climate is concerned, the man who leaves Bal-

June Bride

TEACHING NEGROES TO BE GOOD FARMERS

More than 14,000 negro farmers in North Carolina, Texas, and Virginia, who raised 90,000 acres of corn last year under the advice of county agents, employed co-operatively by the United States Department of Agriculture and the state agricultural colleges, obtained average yields of 35 bushels an acre. The average for all farms in these states ranged from 17 to 25 bushels to the acre.

BE CAREFUL HOW YOU DRIVE

The fact that the streets in the business district are a little torn up incident to laying of new water mains, does not excuse any one for not observing the traffic rules. With ten or fifteen feet of Hutchings Avenue blocked by a ditch, there is still plenty of room left for autos to travel and turn without violating the law governing such matters, and you will not be excused if you violate the law.

Cars are being parked only on one side of the street, and in the center, until the work on the water mains has been completed, but parking in the center of the street is as simple as parking on the side, and there is no necessity for any confusion.

WILL BE SOME DELAY IN STREET PAVING

Red tape unreeled, which is necessary before actual street paving can begin, will require some time and immediate activities on the streets cannot be inaugurated at once, as many would like to have it.

Certain laws must be complied with before the work can start. For instance the city must levy the necessary cost against the property owners for their share of the expense, and the property owners must be given three weeks notice to show why such assessment should not be made. Before the assessment can be made, the engineer must do his work, and the cost to the property owners figured out and the levy made according to law.

All these red tape matters are being looked after as rapidly as possible, and actual work on the streets will begin as soon as the preliminaries are out of the way. In the meantime the traveler can suffer a few more bumps and the city a few more cussings along the line of tourist travel between Detroit, Michigan and Frisco, on the Pacific.

SAVE 50% ON SHOES

When you throw away a pair of old shoes you are throwing away so much money. We can take an ordinary pair of shoes and by working them over at a very small expense, give you a pair of shoes that will last as long as a new pair, and look well too.

Before you dispose of your next pair, bring them to me and I will demonstrate what workmanship and modern machinery can do for old shoes.

COY DRENNON.

FIRE BOYS RECEIVE PAINT ROCK CHECK

Another check for \$15 was delivered to C. S. Guin Wednesday for the fire boys fund, the check coming from Paint Rock, and represented the contribution made by the West Texas Telephone Company as a token of appreciation for the good work done by the Ballinger fire fighters at Paint Rock recently when the entire business district of the town was threatened destruction by a fire which claimed about half the business section. This makes more than \$300 the Paint Rock citizens have contributed to the Ballinger Fire Department for the good work done.

41 PERFECT SPELLERS IN TEXAS SCHOOLS

AUSTIN, June 2.—There are forty-one perfect spellers at least in Texas public schools, according to the statewide spelling contest of the Interscholastic League of Texas recently completed.

The contest was started early in the year and through elimination by counties the contest was brought to the finals. There were over 200 counties participating in the contest and the papers of the spellers in the finals sent to the League officials of the University of Texas to be graded. It was then found that out of the list of 3,000 words furnished the counties for the contests there were forty-one correct papers, every word correctly spelled and legibly written.

That the contest won the favor of the various school heads of the state together with the teachers and students is evidenced by the fact that during the year over 110,000 copies of the lists of words were printed to supply the demand from the various schools wishing to enter the contest.

The contest was divided into senior, junior and sub-junior divisions.

COMMISSION DECLARES RESULT OF ELECTION

The City Commission met Wednesday afternoon and canvassed the returns of the street paving election and declared the result as previously published—234 to 28 in favor of the adoption of the street paving law.

The Commission is due to meet tonight or tomorrow with the advisory committee to discuss paving plans and prepare to advertise for bids. The Commission will decide on what character of paving to adopt, the blocks to be paved, and bids will be called for and the work pushed as rapidly as possible.

Good headway is being made on the water works improvements. Two blocks of the old pipe on Hutchings Avenue have been excavated, and one block of the pipe is being removed to make room for the larger main, which it is claimed will reduce the insurance key rate in the business district seven cents on the one hundred dollars. One heavy property owner stated that this reduction on insurance would more than pay his part of the taxes on the bond issue.

CHICKEN THIEVES MAKE RICH HAUL

Chicken thieves worked in South Ballinger again a few nights ago, and according to reports given the officers at least three chicken roosts were robbed.

The thieves visited the poultry yard of Mrs. J. A. Kelly, Pres Sheider and J. E. Orr. It is not known the number of chickens stolen, but a clean sweep was made by the thieves who only left the nest eggs.

Officers are working on the case and in all probability arrests will be made. Several months ago thieves operated in the same neighborhood in South Ballinger, and the stolen chickens were later found in the pens of a local poultry buyer, identified and recovered, and the person who is alleged to have sold them squared himself with the law by paying a fine. Some of the same fowls stolen a few months ago were stolen again in the last raid made.

STORM VICTIMS ARRIVE HERE

W. T. Padgett returned home Wednesday at noon from Austin where he had been since the Austin storm about one month ago, and where he was called to be at the bedside of his son J. R. Padgett and wife, who were seriously injured in the storm and in which their baby was killed.

Mrs. Padgett has almost fully recovered from the storm, while Baby is improving and is able to walk with the aid of a cane. He is still wearing bandages and it will be quite awhile before he has fully recovered. His friends will be glad to know that he is recovering as it was at first reported that the injuries would prove fatal.

MANY COKE FARMERS SECURE FEDERAL LOANS

ROBERT LEE, Tex., June 1.—Many of the Coke county farmers and ranchmen are taking advantage of the federal loans from the Federal Land Bank at Houston, says John Gardner, abstractor, of Robert Lee. Mr. Gardner says that the long term of the loan and low rate of interest makes the federal loan attractive to those in this section needing working capital.

It is believed that two thirds of Coke county land owners will ultimately take advantage of these loans, which benefit to them will be the salvation of many of them since the floods, droughts and other hindrances to the prosperity of this part of Texas.

Be Wiser and Advertise

ABILENE CHIEF POLICE DEAD

ABILENE, June 1.—John J. Clinton, age 74, a picturesque Westerner and pioneer Indian fighter, a Confederate veteran and long time peace officer, died last night after a brief illness.

Deceased was chief of police of Abilene for thirty-seven years, and was one of the best known peace officers in Texas. He had figured in many watch night parties on New Year's nights, and for thirty-seven years he had stood on the same spot on a prominent corner in the business district of the city and watched the old year pass out and the new year come in. On the last stand he made, and which was the thirty-seventh time he stood on the same corner on New Year's eve, a few months ago, he was accompanied by a large number of citizens of Abilene, among whom were many of the pioneer of Abilene and Taylor county.

JUDGE CHARGES ON K. K. K. CASE

AUSTIN, June 5.—Judge Hamilton, in charging the Travis county grand jury this morning, told the members to continue their investigation in the killing of Peeler Clayton here last December in an alley paralleling the Ku Klux Klan hall, and in connection with which twenty Austin citizens and five officers stand charged with murder.

The last grand jury spent much time investigating this case, but returned no indictments. This in the case in which Judge Hamilton fined two witnesses for contempt of court because the witnesses refused to answer questions concerning their connection with the Ku Klux. The witnesses later answered the questions.

ARMY OFFICERS ON MURDER CASE

OKLAHOMA CITY, June 5.—The case of the slaying of Lieutenant Colonel Paul Beck, ranking aviation officer at Post Field, Oklahoma City, was reopened today when the board of high military officers arrived from Washington and went into executive session in the federal court room here where all the proceedings of future investigations of the affair will be reviewed.

Col. Beck was killed by Judge Jean P. Day, a wealthy oil man, in the latter's home here on April 4th, when Day alleges that he caught Beck embracing Mrs. Day as she was struggling to free herself from the army officer's grasp.

Miss Lillian McKinney returned home Monday at noon from Santa Anna, where she had been on a visit for the past two weeks.

TURN TO THE RIGHT

A METROREX INGRAM PRODUCTION

From the great stage hit by Winchell Smith and John Hazzard.

Adapted by June Mathis. Music by O'Hara. Photographed by John Seitz.

\$365 IN PRIZES FOR BEST RHYMES

A new contest is just being started which will interest everyone who reads this paper. Anyone can enter this contest—anyone can win! All it is necessary to do is to write a 4-line rhyme on Dr. Price's Phosphate Baking Powder, using only the words which appear on the label of the Dr. Price can (front and back).

Isn't that easy? Everyone likes to make rhymes and here is a chance to spend a fascinating hour or two writing rhymes on this popular Baking Powder and perhaps winning a substantial prize for your efforts.

27 CASH PRIZES

For the rhyme selected as best a prize of \$100 will be given; for the second, third and fourth best rhymes prizes of \$75, \$50, and \$25, respectively will be given. And besides these prizes there will be 23 prizes of \$5 each for the next 23 best rhymes. With such a long list of prizes as these, it would be a pity not to try your hand.

Here's a 4-line rhyme as example:
Biscuits, muffins, pie or cake,
With Dr. Price's Powder bake.
The Price's Co., guarantee
No alum in the cans to bake.

As Dr. Price's Phosphate Baking Powder sells for only 25 cents a 12 oz. can, some rhymes could play up the great economy of this pure and wholesome baking powder.

All rhymes must be received by July 1, 1922. Only words appearing on the label of the Dr. Price can (front and back) may be used. These words may be used as often as desired, but no other words will be allowed. If you haven't a can of Dr. Price's, you can see one free at almost any grocery's. It is not a requirement that you purchase a can in order to be eligible in this contest.

Anyone may enter the Contest, but only one rhyme from each person will be considered. In case of ties, the full amount of the prize will be given to each tying contestant. Write plainly on only one side of a sheet of paper and be sure to give your name and address. Send your rhyme before July 1st to Price Baking Powder Factory, 1005 Independence Blvd., Chicago, Ill.

SHOWERS CONTINUE INTO NEW WEEK

Following several showers last week, Monday morning was ushered in this week with more rain. A slow drizzle began falling during the early hours Monday morning and continued for two or three hours. The rain was sufficient to make the top of the ground sticky and delay farm work for a few hours.

Vegetation is growing by leaps and bounds, and fields in which the weeds have not been combatted the weeds are getting away with the crop, and the farmers in some sections of the county are calling for help. Despite the delay in some fields, crop prospects were never more promising at this stage of the season, and the acreage is large.

RECOMMENDS CHAMBERLAIN'S TABLETS

"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.

GONCHO CO. SHERIFF FLUSHES POKER GAME

Sheriff Bob Miller and little son were over from Paint Rock Tuesday and related an amusing incident that occurred in the Stacy country, Saturday. He sighted a car standing in the road and four men seated on the ground, but before he was near enough to recognize them they had gotten his number and fled precipitately into a pasture, leaving their car, and on the ground, a quart bottle containing whiskey, a dime and other evidence to show that he had broken into a social game of cards where stimulants were served. Bob captured the whiskey but did not molest the dime.—Eden Echo.

WEST TEXAS CROPS BEST IN THE STATE

Special to The Ledger: BIG SPRING, June 5.—Travelers declare that the crops in West Texas are better than in any other part of the state where they have visited. The unusual good rains in West Texas have completely transformed the country into a garden spot within two months.

Old timers declare that crop conditions were never better in this section and farmers are well up with their work. The stock range is all that the cowmen could wish for and cattle are in good shape.

LEDGER BUYS NEW PLANNING AUTO MOD. 14 LINOTYPE

The Ballinger Printing Company placed an order Saturday for a new Mergenthaler linotype machine which is the latest word in type setting machines. C. F. Lehman, representing the Mergenthaler Linotype Co., spent a day here and closed a contract with the printing company which calls for immediate shipment.

The linotype machine ordered is what is known as the Model No. 14, and will be installed in The Ledger office at a cost of about \$5,000. The new machine is perhaps the most wonderful piece of machinery made today in its intricacy and complexity and for the near-human work it performs.

Carrying four magazines, containing a dozen type faces, the operator can set up a page ad without moving from his seat, by playing on the keyboard and operating certain levers. No machine made is operated on a more perfectly automatic system.

The new machine will be shipped from New York by water to Galveston and by rail to Ballinger, and will be installed within the next sixty days, or as soon as it can be shipped. An expert machinist will come here from the factory and install the machine.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c.

NEW PASTOR COMING HERE JUNE 18TH

Rev. S. A. Cramer, of Dallas, has accepted a call to the pastorate of the First Christian Church of Ballinger and will assume his duties here on June 18th.

Rev. Cramer preached here Sunday morning and evening, and the congregation immediately extended him a call and he accepted before leaving the city and will be here in time to fill the pulpit again Sunday week.

The new pastor will bring with him to Ballinger his wife and one child and the Christian congregation is now on the look out for a house in which to take care of the minister and his family, having sold their parsonage some time ago when the deal was made in which they purchased their present church home from the Baptist congregation.

Ballinger people will welcome Rev. Cramer and his family to Ballinger.

Committees from the Young Men's Business League are making plans for automobile trade trips for the Ballinger business men, to create more good will for this city and to increase our trade territory, and at the same time to advertise and talk-up the Rannels County Fair which is to be held on September 14, 15 and 16. These plans will be submitted to the board of directors of the league at an early date, and worked out in detail. It is likely that the trips will not be made until some time in July, when the farmers have completed the bulk of their work.

Dallas business men who recently made a trade trip over a large part of East Texas state that their sales in that territory have since increased from thirty to one hundred per cent in various localities. The Dallas trade trip is an annual affair arranged by the Dallas Chamber of Commerce.

ROAD AND STREET WORK IN COUNTY DISCUSSED

SAN ANGELO, June 5.—County Engineer U. Stephens and County Judge Paul Trimmier, visited San Angelo Friday and conferred with County Judge Mathison of Tom Green county, and inspected some of Tom Green county's hard surfaced roads in seeking data and making preparations for a road building campaign in Rannels county.

Mr. Stephens stated that Ballinger had started surveys and plans for street paving, and that approximately \$125,000 would be spent within the next few months on street paving in that city. Mr. Stephens also reported that contracts had been let for ten miles of road leading out of Winters, and that Ballinger recently voted almost unanimously for the adoption of article eleven providing that property owners share in the cost of street paving along the same lines as is being followed in San Angelo at present.

Chamberlain's Colic and Diarrhoea Remedy.

Every family should keep this preparation at hand during the hot of the summer months. It is almost sure to be needed, and when that time comes, is worth many times its cost. Buy it now.

Mr. and Mrs. Will Hearrell were here from Bronte Saturday, visiting relatives and trading.

Judge A. K. Doss went to Dallas Saturday where he will represent the city in some matters pertaining to street paving, and look after some other legal business he had pending in Dallas.

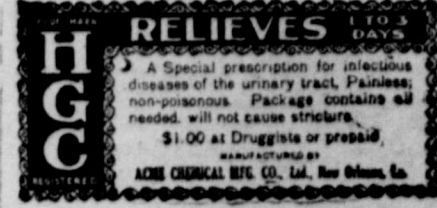

J. B. Pace Jr., of Winters, was a visitor in Ballinger Monday.

THANKS FIREMEN FOR GIVING HELP

In giving an account of the fire which recently destroyed a portion of the business district of Paint Rock, and which was the most disastrous fire in the history of that town, the Concho Herald says:

"If it had not been for the Ballinger fire company there is no doubt that the whole business district of the town would have been burned with many dwellings. The wind was in the North and the fire started on the North end of the business street of the town. In the path of the fire were the meat market, the tailor shop, the Paint Rock Produce Company, the bank, the telephone exchange, the Waide hardware store, J. P. Beach, The Herald office, the Taylor restaurant, the barber shop, Anderson's confectionery, three vacant

buildings, the lumber yard, and then several dwellings right close together for another block. We wish again to give credit to the Ballinger volunteer boys. If it had not been for them the fire would have practically wiped out the town. A purse of about \$300 was made up for the company."

SHOW FOLKS HURT IN TRAIN WRECK

The members of the carnival company which played at Ballinger for a couple of weeks, and were stranded here, not realizing sufficient funds from the two weeks stay here to square up contracts made, suffered more

	Tenth Prize	2.00	10.00
	Eleventh Prize	2.00	5.00
	Twelfth Prize	2.00	5.00
	Thirteenth Prize	2.00	5.00
	Fourteenth Prize	2.00	5.00
	Fifteenth Prize	2.00	5.00

FOLLOW THESE RULES

- This Puzzle Game is open to any man, woman, boy or girl who is not an employe of The Fort Worth Record or a member of an employe's family. It costs you nothing to take part in the game.
- Answers must be written on one side of the paper only and words numbered consecutively, 1, 2, 3, etc. Put your name and address in the upper right hand corner of each sheet.
- All answers must be mailed before midnight, Monday, June 26, and addressed to C. Quilliam, Puzzle Manager, The Fort Worth Record.
- Only words which are found in the English dictionary will be counted. Do not use compound, hyphenated or obsolete words. Either the singular or plural can be used, but not both.
- Words of the same spelling can be used only once, even though used to designate different objects. The same object can be named only once, although any part of the object may also be named. Where there is more than one word equally applicable to an object, any one of them will count.
- The person sending in the largest and nearest correct list of words beginning with the letter "S" will win First Prize; second nearest, Second Prize, etc. One point will be given for each correct word sent in and one point will be taken off for each incorrect word or omission. Neatness, style or handwriting will have no bearing upon deciding the winners.
- All answers will receive the same attention regardless of whether or not a subscription is sent in.
- Candidates may work together in answering the puzzle, but only one prize will be given to any one household. Nor will more than one prize be awarded to any group outside of the family where two or more have been working together.
- In the event of a tie for any prize offered the full amount of the prize will be paid to each person so tied.
- The following well-known persons of Fort Worth will act as judges: M. H. Moore, principal of Fort Worth schools; Mayor E. E. Cockrell, R. E. Speer, postmaster. They will act as their referees under Webster's New International Dictionary and other authorities.
- Address Communications to

restants agree to accept their decision as conclusive.

11. These judges will meet directly the close of the contest and the names of winners and the winning list of words will be listed in The Record just as quickly as the judges can complete the checking.

HOW TO WIN \$1,000

It costs you nothing to take part in this game. If your list of "S" words is the longest and nearest correct list you can send in a single subscription to The Fort Worth Record. If you have sent one six months subscription to The Record (either new or renewal) you can do so in place of only \$1,000.00 (column of figures in prize list).

BETTER STILL, if you are already a subscriber to The Fort Worth Record (one of which must be new or a renewal for a full year, you will win \$1,000.00 in prize list).

It takes but two subscriptions to The Fort Worth Record to win \$1,000.00 in prize list. Absolutely TWO all you need, one of which must be a subscription. Your own renewal subscription counts as one and we can take subscription at any future date. In sending in your subscription, give full instructions on a separate sheet on which you send in your answer, and don't forget to mark whether new or renewal.

SMALL CROWD HEARS ROGERS

About seventy-five men heard Fred S. Rogers, of Bonham, candidate for governor, speak on the court house lawn here Thursday afternoon.

Mr. Rogers briefly outlined his platform, emphasizing the needs of a better educational system, more money for rural schools, and economy in the administration of the state's affairs.

After presenting his platform the speaker plunged into the Neff administration and criticized Gov. Neff for the way he had handled the pardoning power.

Mr. Rogers charged that Neff had commuted to life imprisonment at least two men who were convicted and sentenced to hang for the most brutal murder and then refused to grant a stay of execution in the George Hornsby case when the only eye-witness confessed to lying about the case.

Gov. Neff was also attacked for refusing to call a special session of the legislature to take care of the rural schools and the penitentiary system.

Gov. Neff was also attacked for refusing to call a special session of the legislature to take care of the rural schools and the penitentiary system.

Gov. Neff was also attacked for refusing to call a special session of the legislature to take care of the rural schools and the penitentiary system.

Gov. Neff was also attacked for refusing to call a special session of the legislature to take care of the rural schools and the penitentiary system.

FORMER BALLINGER MAN IS BAPTIST PREACHER

J. A. Dekle, formerly a photographer here, but recently matriculated from the Baptist Theological Seminary at Ft. Worth together with his wife and children, arrived in San Angelo Monday for a month's vacation.

Rev. Dekle is employed by three churches near Fort Worth, devoting a Sunday a month to each of them.—San Angelo Standard.

MORE SHOWERS IN NEARBY COUNTRY

Good showers fell North, East and Southeast of Ballinger late Tuesday afternoon. Only a light sprinkle fell at Ballinger.

Cool weather continues to prevail at night and this country is experiencing a climate that excels the best.

Tourists traveling by auto report outdoor life in this country is more ideal than thru any country which they pass.

natism at 60

S. S. S. Thoroughly Rids the Body of Rheumatism Impurities.

Sombody's mother is suffering tonight. Mother, if you can not get out to get a bottle of S. S. S. yourself, surely somebody in your family will.

BLANTON FIXES SPEAKING DATES

Congressman Thomas L. Blanton will spend vacation of congress in his district campaigning, and has announced speaking dates for a number of places in the district.

Mr. Blanton announces the following speaking dates in Runnels county:

- Wingate, Thursday morning, June 15, 10:30 o'clock.
Norton, Thursday afternoon, June 15, 2 o'clock.
Miles, Thursday night, June 15, 8:30 o'clock.
Rowena, Friday morning, June 16, 10:30 o'clock.
Ballinger, Friday night, June 16, 8:30 o'clock.
Hatchel, Saturday morning, June 17, 10:30 o'clock.
Winters, Saturday afternoon, June 17, 2:30 o'clock.

LET CONTRACT FOR MILES BANK BUILDING

The contract for the erection of the new home of the Miles National Bank has been awarded to C. S. Burggraf, of San Angelo.

The old home of the Miles bank was destroyed by fire last March, while the bank was temporarily suspended pending adjustment of distressed financial condition.

Another notable feature, made by Wm. Fox, "The Queen of Sheba," will be seen at the Maeroy at an early future date.

YEAR'S RAIN FALL IN TWO MONTHS

More rain has fallen in Ballinger since March 24th this year than fell during the entire year of 1920 or during the entire year of 1921.

The severe drought broke here on March 24th, and since that date rains have been coming regularly and in sufficient quantity to make a crop, with a few showers thru June, July and August.

While in some fields the farmers are in the weeds, the work is generally well in hand, and with double row cultivators and single row cultivators and middle busters running on full time and with an army of farm hands ready to wield a wicked hoe, the weeds will soon be banished.

Reports from every section of the county bring promising prospects, and the outlook for a bumper crop is about all the farmers could wish for at this stage of farming activities.

Continued rains thru the planting season caused some delay in planting, but the best farmers will tell you that May cotton is the best cotton, and many acres are up and going good.

Summing up the situation as a whole, and holding to the claim that Runnels county is the best agricultural county in West Texas, things are fixed just about to the farmers' wishes, and every day from now on the farmers will begin to look ahead for a way to handle the harvest problem.

Mr. and Mrs. Geo. M. Vaughn spent Sunday with Mrs. Vaughn's sister in San Angelo, motoring to the Tom Green county town Saturday afternoon.

\$500,000 PAID FOR THE SCREEN RIGHTS TO "TURN TO THE RIGHT"

The wonderful Rex Ingram production of "Turn to the Right," to be shown at the Maeroy Theatre, Ballinger, for two days, Monday and Tuesday, June 19th and 20th, is the highest priced motion picture ever produced.

The picture production was made by Metro Pictures Corp., and presented on the screen by John Golden and Marcus Loew. In the transaction Mr. Golden retains a one-half interest.

When given at the Gaiety Theatre in New York a few seasons ago, "Turn to the Right" broke all records for box-office returns. Its run totaled 443 days.

The price of \$500,000 for "Turn to the Right" is three and one-half times the largest sum expended previously for any dramatic story for pictures that of \$175,000 given by D. W. Griffith for "Way Down East."

"Turn to the Right" was adapted for the screen by June Mathis and Mary O'Hara. The photography is by John F. Seitz and the art direction by A. J. Myers and Harold Grieve.

Owing to the great cost in leasing this super-production at this time, the Maeroy Theatre is announcing advanced admission prices for the two days exhibition in Ballinger.

Another notable feature, made by Wm. Fox, "The Queen of Sheba," will be seen at the Maeroy at an early future date.

NOT THE ONLY ONE

There are Other Ballinger People Similarly Situated.

Can there be any stronger proof offered than the evidence of Ballinger residents? After you have read the following, quietly answer the question.

W. F. Jackson, prop. dairy, Ballinger, says: "My back and kidneys were giving me trouble. At times my back was so sore I could hardly get around and when I did bend I had difficulty in straightening again."

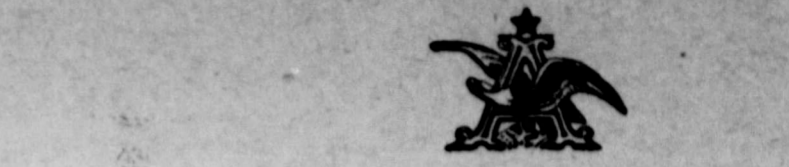

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Jackson had. Foster-Milburn Co., Props., Buffalo, N. Y.

BILL HOLLAND IS DYING AT ITASCA

Itasca, Texas, 6/6 American Legion, Ballinger, Texas. Morris (Bill) Holland in dying condition. Notify his friends. Clay Holland.

Post Commander Marvin Atkins received the above telegram Tuesday morning, and the sad news was soon circulated among the former service men and many friends of Bill Holland.

Mr. Holland is a member of the local post, American Legion, and he resided here for several years before he volunteered and went to France with the 36th Division, where he saw real service on the front.

Why mope around, half sick and listless when health and strength are yours for the asking? Take Tandrae, John A. Weeks.

Why mope around, half sick and listless when health and strength are yours for the asking? Take Tandrae, John A. Weeks.

BALLINGER BOY WINS HONORS AT HOUSTON

Pinkney Graham, son of Mr. and Mrs. W. S. Graham, who moved from Ballinger to Houston four years ago, won the distinction of being the first honor boy out of a class of 96 in the Houston Heights high school, ac-

ording to news received from Houston, and a report of the closing of the school as published in the Houston Chronicle.

In speaking of the closing of the schools the Chronicle says of Pinkney: "The announcement that the Heights Senior High, thru Pinkney Graham, had won the medal offered by the Daughters of the American Revolution, caused unrestrained joy among the students and parents."

As Pinkney Graham laid the basis of his education in the Ballinger schools, friends here will be glad to know that he has made good.

Colds Cause Grip and Influenza

LAXATIVE BROMO QUININE Tablets remove the cause. There is only one "Bromo Quinine." E. W. GROVE'S signature on box. 50c.

F. W. Greber general manager, and D. J. Johnson, traffic manager of the West Texas Telephone Co., were here Tuesday looking after the interest of their company.

Mrs. Emma Armfield came in Tuesday from Terrell, and will spend a few days with her sister, Miss Jennie Bennett.

Miss Cleo Smith left Monday afternoon for Canyon, where she will attend the West Texas Normal.

SAY "BAYER" when you buy Aspirin. Unless you see name "Bayer" on tablets, you are not getting the genuine Bayer product prescribed by physicians over 22 years and proved safe by millions for Colds, Toothache, Earache, Headache, Neuralgia, Lumbago, Rheumatism, Neuritis, Pain, Pain.

**Do Not Neglect
Your Blood**

If it is in abnormal condition, the longer you delay taking a good blood medicine like Hood's Sarsaparilla, the longer it will take and the more difficult it will be for you to get back to "normalcy."
Not only boils, pimples, eruptions, but headaches, nervous spells, "all gone" feelings, indigestion and loss of appetite are readily traced to impure blood. Thousands are getting on the right road to health from the day they began taking Hood's Sarsaparilla. Why not try it?

**WORLD'S CHAMPION TYPIST
VISITED TYLER COMMERCIAL COLLEGE, Tyler, Texas.**

Mr. Geo. L. Hossfeld, of New York city, the world's champion typist, visited Tyler Commercial College, Tyler, Texas, April 18, 1922, and demonstrated to the student body his ability and accuracy as a typist. Mr. Hossfeld has a record of one hundred and thirty-six words per minute net for one hour.

After the demonstration, Mr. Hossfeld spent the entire day in conversation with the faculty and students of Tyler Commercial College giving them special instructions as how to develop speed and accuracy on the typewriter as well as other information that will make the student a more efficient office assistant. The Tyler Commercial College never loses an opportunity of having men of Mr. Hossfeld's type and other successful men visit the school often, thereby giving the students and faculty inspiration and modern business ideas. Among these visitors are many ex-students of the school.

Mr. Hossfeld says in a letter to the College:

New York, N. Y., April 18, '22.
Tyler Commercial College,
Tyler, Texas.

Gentlemen: In reference to the demonstration given at the Tyler Commercial College, I would say that it was a source of great pleasure to talk to the student body. The demonstration itself was one that I really enjoyed giving, and as I noticed, received great attention. This makes a demonstration.

After the demonstration, in walking through the College, I received many pleasant surprises. I could never perceive of such an institution and the wonderful systems as portrayed in this College. Its equipment as I noticed, is second to none, and the attention given in the class rooms certainly did impress me. To my mind, a person who contemplates getting a complete business education, could never select a better school.

I shall always remember the courteous treatment accorded me and should the occasion arise, will certainly be pleased to again visit the College.

Yours respectfully,
GEO. L. HOSSFELD.

Young people who wish to secure the very best training possible where they will receive more for their money, should write Tyler Commercial College at once for full information concerning their courses of General Business, General Railroad, General Banking, Bookkeeping, Business Administration and Finance, Shorthand, Cotton Clipping, Telegraphy, Penmanship, Wireless Telegraphy and Telephony. These courses may be had in one-third less time than at any other school. Tyler being located in the fruit and truck growing sections of the state enables young people to secure board at less cost than in other cities. You should enter now. Fill in and mail for large free catalogs.

**Wouldn't Exchange with
Millionaire**

"After five years of suffering with stomach trouble I think I know all about it. But thanks to Mayr's Wonderful Remedy, I am enjoying good health again. I know of a millionaire who is very bad with stomach trouble, but he won't take any patent medicine. In his present condition I wouldn't exchange with him." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At druggists everywhere.

**FORT WORTH RECORD
ANNOUNCES A NEW
PICTURE PUZZLE GAME**

In this issue of The Banner-Ledger appears an advertisement of the Fort Worth Record "S Word" Picture Puzzle Game. Fifteen Big Cash prizes are offered for the fifteen best list of answers to the "S Word" Picture Puzzle; prizes ranging all the way from \$2.00 to \$1,000.

It's the new "fun game" for all, no one is barred, young and old, married or single, can find "S Words" and it makes no difference where you live.

It is not necessary to send in any subscription to take part in the "S Word" Picture Game, make up your list and send it in and if in the opinion of the judges it is the largest and nearest correct list you will receive \$35.00 in cash, and it will only take you a little while to get up your "S Word" list. Of course if you would like to receive more money you can win up to \$1,000 in cash by qualifying your "S Word" list with two six month subscriptions to the Fort Worth Record at the reduced rate of \$3.50, Daily and Sunday, (one of which must be new) or one new subscription for one year at the reduced rate of \$7.00 both Daily

and Sunday.
\$1,862 is the Total Prize List
That is the sum the Ft. Worth Record will pay to winners of the "S Word" Picture Puzzle provided their lists are fully qualified. The best prize, of course, is \$1,000 in cash; the second best list \$300.00; and so on. So you see one can win some really big money by taking a little time and thought and working out a good list of "S Words" and qualifying it with one or two subscriptions. At any rate, you can't lose and it's lots of fun, why not try? You can win the \$1,000 as well as any one else.

If you suffer from biliousness, constipation, headache, nervousness, sallow complexion, loss of appetite, bad taste in mouth, Tanlac and Tanlac Vegetable Pills will certainly straighten you out. Jno. A. Weeks.

J. B. Nunn and daughter, Mrs. Harry Powell, are here from Clyde, Texas, to be with their son and brother, Davis Nunn, who is in the Halley & Love sanitarium.

Mr. and Mrs. Oscar Pearson left Monday afternoon for Tennessee, where they will spend a month with Mrs. Pearson's mother.

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

Hall's Catarrh Medicine has been taken by catarrh sufferers for the past thirty-five years, and has become known as the most reliable remedy for Catarrh. Hall's Catarrh Medicine acts through the Blood on the Mucus surfaces, expelling the poison from the Blood and healing the diseased portions.

After you have taken Hall's Catarrh Medicine for a short time you will see a great improvement in your general health. Start taking Hall's Catarrh Medicine at once and get rid of catarrh. Send for testimonials, free.

Sermon at 8:00 p. m., subject, "Saved by Grace," text Eph. 2:8,9. For by grace are ye saved

through faith; and that not of yourselves; it is the gift of God. (9) Not of works lest any man should boast. Also, Titus 2:11. For the grace of God that bringeth salvation down has appeared unto all men.
This subject is full of thought food—come and hear us thank you in advance.

PLEASANT J. TAYLOR,
Minister.

**STORM VICTIM
LEAVES SANITARIUM**

Emma Kvapil, the 13 year old girl who was injured in the Rowena storm on April 7th, was removed from the Halley & Love sanitarium to her home six miles South of Ballinger, Tuesday. She was in the sanitarium almost two months, and suffered the amputation of one of her lower limbs.

In leaving the sanitarium she requested that those who were so good to keep her stay to be thanked, as she wanted to thank the friends of the town who visited and who contributed to her care while she was there.

All of the storm victims have been evacuated from the sanitarium, Emma being the last one to leave; Mrs. Paul Sturm and her little baby which was born

Big Baking Powder Value

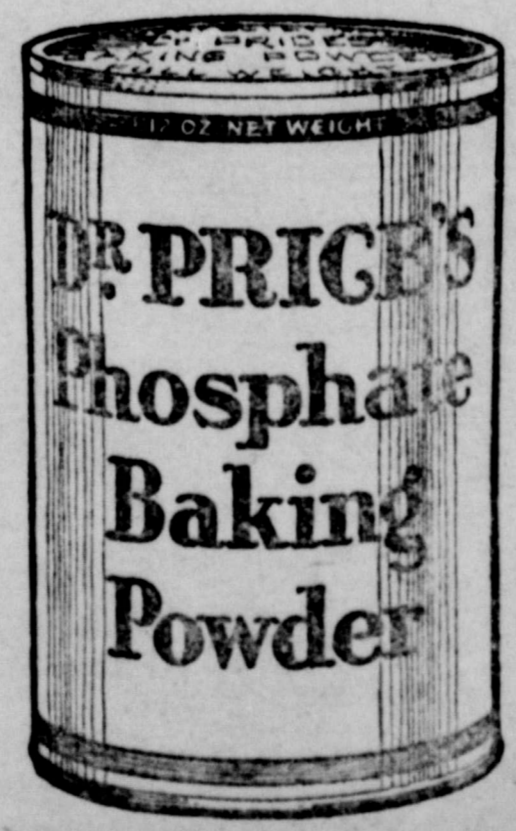

IF there were no other reason for using Dr. Price's Phosphate Baking Powder, its well-known high quality would be sufficient. But in addition to this, think of these other advantages!

Dr. Price's is sold at the low price of 25c for a large can of 12 ounces. It is pure and wholesome and imparts a fine, appetizing flavor to the food.

It contains nothing to leave a bitter taste—no ingredient which is not in itself wholesome.

DR. PRICE'S PHOSPHATE BAKING POWDER

Large can, 12 ounces, only 25c

New Cook Book Free

IN the New Dr. Price Cook Book there are 300 delightful recipes for all kinds of cooking and baking—some of them the most famous recipes in use today. Every housekeeper will value a copy of this book which can be had free by addressing—Price Baking Powder Factory, 1003 Independence Boulevard, Chicago, Illinois.

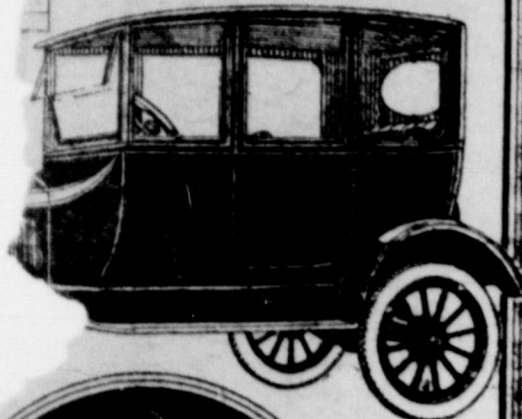

SPECIAL

Some grocers may have a few cans left of Dr. Price's bearing the label with the special advertising offer recently announced for a limited period. A big value at its regular price, Dr. Price's is an unparalleled bargain at this special sale price. Don't fail to see if your grocer has some left!

WELLS MOTOR CO.

WATER MEETING AT WACO SOON

The Colorado Valley Irrigation Association is in receipt of information from the irrigation bureau of the West Texas Chamber of Commerce that the Texas Flood Conservation and Irrigation Congress will be held in Waco on account of the central location of that city. The date of the meeting has not yet been announced, but when a date has been decided upon invitations will be extended to all irrigation districts and associations, flood drainage districts, etc. to send representatives to the meeting.

The interests of both East and West Texas are to be cared for in the program mapped out for the meeting and both sections of the state are expected to be well represented at this great gathering. West Texas counties are interested in the empounding of flood waters for irrigation purposes, and to a small extent for the prevention of flood damage. East Texas is principally interested in flood control for the salvation of their crops, homes and overflow lands.

It is planned to make the meeting an annual event, and to foster this character of work until the interests of both sections have been fully protected. The Western States Irrigation Congress, at which Texas was represented last year by a Ballinger man, has been instrumental during the few years of its existence in putting over the entire program of irrigation development in the arid states of the West. The problems confronting Texas, however, being peculiar to this section, and being of such magnitude, make it necessary for this state to consider them at a separate congress, such as is to be held in Waco this summer.

The Home of the Soul

In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its function naturally. Give them a trial. They only cost a quarter.

SAN ANGELO POLICE FORCE IS OUSTED

Special to The Ledger: SAN ANGELO, June 2.—This city was left without police protection for a short time when the old police force declined to serve until June 15th, when informed that their services would not be needed longer than that date. The city commission accepted the resignations and immediately appointed a new chief of police.

Thursday R. H. Henderson, former mayor, tendered his resignation as city manager and was succeeded by Ernest I. Jackson. The city commission requested Mr. Henderson to resign.

GIRLS LEMON JUICE BLEACHES FRECKLES

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quart pint of the best freckle and tan bleach, and complexion whitener.

Massage this sweetly fragrant lemon lotion into the face, arms and hands each day and see how freckles and blemishes bleach out and how clear, soft and rosy-white the skin becomes.

GIRL SURVIVES A BAD SNAKE BITE

COLEMAN, June 5.—The little daughter of Mr. and Mrs. Meel Byers who was bitten a few days ago by a large rattlesnake, is reported to be out of danger and will recover. The physicians say that she has passed the danger period.

The little girl was sitting on the running board of an automobile with her feet dangling in the weeds, when the snake bit her.

Miss Virginia Wood left Friday afternoon for Granger, where she will spend the summer with her parents, Mr. and Mrs. W. B. Wood. Miss Virginia has been teaching in the San Angelo schools and next term she goes to Mexia as supervisor of English in the Junior high school, which comes as quite a promotion for her.

MORE RAIN IN RUNNELS CO.

A tenth of an inch rain fell at Ballinger Thursday night, and extended to what was termed a good rain in some sections South and West of Ballinger. The heaviest rain fell in the Pony Creek community, a half inch being reported six miles out on the Paint Rock road.

The showers were not general and will stop farming for a short time where they fell, and work on the farm in general continues with a rush.

The heaviest rain fell in the Wingate country, it later developed, where the precipitation amounted to one and a half inches. The rain was reported from light to good across the Northern end of the county, being "spotted," some places receiving only light showers. Neighboring counties also receiving rain, as will be shown by the following report compiled by the West Texas Telephone Company from points on their system:

Abilene 1.72; Blackwell good; Bradshaw .50; Bronte shower; Brownwood .50; Coleman good; Concho light; Crews light; Leaday .50; Miles light; Norton .50; Olfen light; Ovalo .50; Pony .75; Rowena light; San Angelo light; Santa Anna good; Stacy light; Talpa .50; Wilmet good; Wingate 1 1-2 inch; Winters .50.

CHANCE TO GET BIG FOOTBALL GAME HERE

The athletic department of the Daniel Baker College, Brownwood, entertains a high regard of Ballinger as a town of sport-loving people, and wants to transfer their Thanksgiving game to this city under the auspices of the American Legion. The team which they will meet on that day has not been decided upon, but it will be one of the teams of the Texas Intercollegiate Association, such as S. M. U., T. C. U., Southwestern, Trinity or Austin College. This will give local fans an opportunity this fall of seeing two of the fastest Texas college teams in action.

SOLDIERS SETTLE ON 3,500 ACRES

McGRATH, Minn., June 3.—Every major engagement of the American Expeditionary Forces in the World War is represented by 46 former fighters, who, disabled and receiving government training, are engaged in reclaiming a tract of 3,500 acres of land near here, title to which has been placed in the veterans' names. It is the first project of its kind in the states. The tract has been plotted into forty and eighty acre farms. It has been suggested that the sites be named after some of the important battle scenes of the war, such as Chateau Thierry, Belleau Woods, St. Mihiel, The Argonne and others. However, some fighters object that their various wounds and ailments are sufficient reminders of their experiences.

Life on the tract is similar to army life. There are bunk and chow halls and the squad arrangement for work.

The men settled here late in April, coming from the University of Minnesota agricultural school where they were studying under government supervision. In fact they still are being paid for vocational training as their courses stipulate that a certain period be devoted to practical application of their schooling.

They are paying for the land in installments from the salary of \$100 a month which each receives.

The men, some of whom have families, are being housed in large community buildings until separate houses can be built. It is planned to build a school, store and church on the property when the farmers become settled.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTE-LESS CHILL TONIC given regularly for two or three weeks, will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or disintegrate the worms, and the child will be in perfect health. Pleasant to take. 60¢ per bottle.

NEGROES PLAN JUNE TEENTH CELEBRATION

An organization composed of colored people and known as the Evergreen Emancipation Celebration Association of Ballinger, Texas, is planning one of the most elaborate emancipation celebrations ever staged in West

Mother-To-Be, Read This—

Here is a wonderful message to all expectant mothers. From this moment on, cast from your mind all dread and fear, and feel every day as the months roll by that great freedom from much of the suffering which thousands of expectant mothers undergo, unnecessarily. And when the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says:

"With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes."

"Mother's Friend" is applied externally to the abdomen, back and hips. It aids the muscles and tissues to expand easily. It penetrates quickly. It contains no narcotics or harmful drugs. It is safe. There is no substitute. Avoid useless greases sometimes recommended by the unknown. "Mother's Friend" is sold by druggists everywhere.

NOTE—Write for valuable free illustrated book, "Motherhood and the Baby," containing important authoritative information which every expectant mother should have, and all about "Mother's Friend," to Bradford Regulator Company, 24-26, Abilene, Ok.

Texas, which will be held here on Monday, June 19th.

Programs are being printed and advertising matter sent out inviting the colored folks of the country to assemble here on that date and celebrate the anniversary of their freedom.

A barbecue will furnish the feed for the day, and speakers from Brownwood, Coleman, San Angelo and Abilene are on the program. Sol Duvaull will make the welcome address, and Rev. A. D. Parker of Ballinger, will close the program with a few remarks after the speakers of the day have had their say.

For amusements there will be a baseball game, rope jumping, foot racing, etc.

Buy your rubber stamps from Ballinger Printings Co. tfd

NEW MANAGER FOR WESTERN UNION HERE

L. M. Bass has been checked in as manager of the Western Union uptown office in Ballinger, succeeding H. P. Pittman, who recently went to South Texas for a visit with relatives. Mr. Bass went on as relief man when Mr. Pittman left, and an auditor spent several days here this week and checked Mr. Bass in as regular man when it became known that Mr. Pittman would not return.

Mr. Pittman, it is reported, will engage in truck farming in South Texas, where he was already interested in a large plant farm. He was one of the most popular operators ever to pound the key here, and the patrons of the office will regret to know he is not to return. Mr. Bass' friends will be glad to know that he is again located in Ballinger. He was formerly with the Santa Fe here, and we predict that he will maintain the good will which Mr. Pittman established for the Western Union office here.

THIRD RAIN FOR WEEK FALLS HERE

Good showers in places with heavier precipitation at other places fell in Runnels county again Friday night, following the rain of Thursday night. Farmers here from different parts of the county Saturday declare that the rains of the week have been of much benefit and have not delayed work to any great extent. The Colorado River is on a considerable rise from heavy rains further West.

Why Suffer from Rheumatism?

Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.

Olin Linecum left for Brownwood Friday afternoon, where he will attend a summer school at Howard Payne.

RNS

at Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly! Your druggist sells a tiny bottle "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

For Ten Dollars and Ninety Cents—This 30 x 3 1/2 USCO

THE 30 x 3 1/2 tire situation today is just this— The man who buys an USCO at \$10.90 is justified in believing that his money is going farther in tire value than it ever has gone or could go before.

Naturally he appreciates the quality of USCO. That was established long ago.

It is still fresh in his mind that USCO led the national market into the \$10.90 price range.

The makers of U.S. Tires always intended the 30 x 3 1/2 USCO to be the highest value in its field.

At \$10.90 it creates a new classification of money's worth.

Negroes Firing on Officers Starts Race Riot Rumors

SECOND ATTACK ON PREACHER

LAWTON, Okla., June 6.—It was stated today that an investigation of the whipping of Rev. Thomas J. Irwin, former pastor of the First Presbyterian Church here, would be made by the county attorney.

The minister was found in a house nine miles from here in a weakened condition and part of his clothing torn off. The county attorney stated that no report of the affair had been made to him, and all that he knew was what appeared in this morning's papers.

Rev. Irwin told those who discovered him that he had been attacked and severely beaten while out auto riding, but aside from this and newspaper reports the authorities say they are without any other information.

Rev. Irwin was kidnapped and carried to the country and thrown from an auto some time ago, after being roughly treated. The minister had been having trouble with his congregation which caused a split in his church. The trouble began some time ago when some of the members objected to Rev. Irwin performing a marriage ceremony for a couple who married dressed in their bathing suits.

THREE MURDER CASES REVERSED

AUSTIN, June 7.—The murder cases of Clyde Horton, sentenced to 50 years; Leon Law, sentenced to 15 years, from San Augustine county; and the affirmed case of W. W. Wilman, sentenced to life imprisonment from Comanche county; were reversed and remanded today by the Court of Criminal Appeals.

Thurman Treadwell, of San Angelo, passed thru Ballinger Wednesday at noon en route to his home from College Station where he has been attending school.

NEW PROPOSAL FOR PLEBISCITE

WASHINGTON, June 7.—Without accepting the Peruvian proposal to arbitrate the question of a plebiscite for the Tacna Arica region, the Chilean delegation to the conference here today presented a counter proposal under which the plebiscite would be held by the United States, and the American government would act as arbitrator.

Mrs. C. R. Stone went to San Angelo Monday, and will go out to Sherwood for a visit of a few days. In the meantime Mr. Stone will entertain some of his friends with a bachelor house party.

Mrs. McCamey, of Dallas, came in Monday at noon to visit her parents, Mr. and Mrs. N. J. Wardlaw.

Judge J. W. Powell returned home Monday at noon from Coleman, where he had been on business.

J. N. Wells, of the Wingate country, returned this week from a trip to different points in South Texas, visiting Houston, San Antonio and Austin. Mr. Wells says that he returned home to find agricultural conditions much better here than at other places he visited.

Miss Mel Skinner went to Brownwood Friday afternoon, where she will spend a few days and will then be joined by Mrs. Skinner and daughter, Miss Ruth, and they will go to Denton for special school work through the early summer.

Mrs. W. E. Oxsheer, of Bisbee, Arizona, is here visiting her parents, Mr. and Mrs. W. S. Bridwell and family.

Mrs. M. Glaze, of Brownwood, came in Tuesday and is visiting Mrs. Carl Jeanes. Mrs. Glaze was Mrs. Ruth Harris, of Miles, before her marriage.

KIRVIN, Tex., June 3.—Quiet continued in all of Freestone county today following a night of excitement. Airplanes are watching over the affected communities for potential trouble, with white persons in the isolated places moving to the more thickly populated places.

The negro settlements are unusually quiet. The bodies of the two negroes, Leroy and Allie Gibson, who were killed yesterday, disappeared during the night, according to reports of the officers.

The officers today are devoting their efforts towards preventing crowds congregating, under the current tense feeling.

The trouble began with the killing of Leroy Gibson, who was arrested yesterday in connection with the assault and murder of Eula A. Whaley, near Kirvin, on May 4th, and for which three negroes were burned, and one lynched later. When the officers went to arrest Gibson yesterday they were fired on by other negroes.

KIRVIN, Tex., June 3.—Race riots of a serious nature which were being feared near here, had failed to materialize early today.

Armed men continued to guard the streets of Kirvin and a house occupied by a negro near Simsboro, five miles from here, but according to peace officers, little further trouble is expected.

The reports of riots followed the attempts of the city marshal at Kirvin and the deputy sheriff to arrest Leroy Gibson, a negro, at the home of Gibson's grandfather. Gibson is said to have tried to escape and was shot and captured by the officers. When the officers started to an automobile with the negro they were fired upon from ambush by negroes. The officers returned the fire and Allie Gibson, a brother of the negro arrested, was killed. None of the officers were injured.

LILLIAN RUSSELL DIES SUDDENLY

PITTSBURGH, Pa., June 6.—Mrs. Alexander P. Moore, better known by her stage name, Miss Lillian Russell, and internationally known as a professional beauty, who died at 2:30 o'clock this morning, had been ill for several weeks, following an accident while aboard ship returning from Europe. Her death came unexpectedly as physicians two days ago announced that Miss Russell had passed the crisis and would recover.

In addition to her husband, Alexander P. Moore, editor and publisher of the Pittsburgh Leader; her daughter, Mrs. Dorothy Calbit; and her niece, Mrs. Mildred A. Martin; were at her bedside during the last moments.

The funeral will probably be held Thursday, with funeral services at Trinity Church and burial here.

Miss Russell was born in Clifton, Iowa, December 4, 1861.

BROWNWOOD AND ABILENE STAGING 4TH CELEBRATIONS

Brownwood is advertising a bathing girl revue and an American Legion barbecue for July Fourth, with all kinds of side-shows, etc. The Pecan Bayou town is getting quite a rep as a bathing resort.

Abilene is pasting the country over with bills advertising a program of auto races on July 4th. Abilene claims the fastest dirt auto track in the Southwest, and racers from other states will enter the contest.

Mr. and Mrs. O. E. Allen are here from Oklahoma visiting Mrs. Allen's parents, Mr. and Mrs. W. K. Lilly. Mr. Allen will leave in a few days to assist in a revival and Mrs. Allen will spend a month or more here visiting.

Miss Anna Lee Lewis, who has been teaching in the San Angelo schools, stopped off here this week to visit her friend, Mrs. H. M. Jexey, while en route to her home at San Marcos.

Mrs. S. P. Stone left Monday afternoon for Fort Worth, where she will visit her daughter for a few weeks.

BLOUSES FOR SUNNY SUMMER SUPPLEMENT SPRING STYLES

A LITTLE journey through the blouse shops leaves the impression of a riot of styles, and it is respectfully suggested that the displays would be less confusing if the several types of blouses were segregated in them. The styles are broadly divided into costume blouses, tailored blouses and sports blouses, each one showing many ingenious variations.

The two blouses pictured here belong to the dressier class of suit blouses and are made of crepe de chine. Blouses of this fabric and georgette, lead in demand, with white, flesh and bisque color the favorites, but they are made in many other colors, and are also worn with the dressier separate skirts. At the left a slip-over model is gathered in at the round neck and opens a little way down the front, fastening with ribbon ties. Its decorative panels may be of figured crepe or of embroidery and it has a girde of the material, tied at the left side.

Another pretty slip-over style opens at the left side and fastens on the shoulder. It is of white or light-colored crepe de chine, with bindings and covered buttons in a darker color.

It has ingeniously simulated pockets in which a panel of the darker crepe is used, and its narrow girde ties in a prim bow at the back.

On the dresser blouses of crepe de chine heading is still much used, crystal beads in the color of the blouse or iridescent beads that shade into it, replacing the varied and contrasting colors that preceded them. They are put on in simple designs, as in straight lines at intervals down the length of the blouse, or in small sunburst patterns that any one can do. A very pretty slip-over blouse in periwinkle blue, is made of one length of crepe de chine, cut in very deep, narrow scallops at the bottom. The edges of these, the neck and sleeves, are outlined with long, iridescent beads in blue shading into purple, and lines of beads extend from the neck to the scallops which extend about eight inches below the waist line.

Copyright by Western Newspaper Union

AMPLE COATS FOR SPRING GO EVERYWHERE WITH US

THE average woman buys only one coat for a season and perhaps for a year, because there is no good reason why she should buy more. She undertakes to find one that will answer her needs for all usual occasions and, after thinking it over, her choice is almost sure to settle upon an ample coat of soft wool in a neutral or a dark color. With these essentials she has learned to demand good style. What she buys is really a between-season's coat, but may be helped out by an extra garment worn under it when the weather is cold and is comfortable when it is merely cool.

Designers understand so well the demands made on the coat for general wear that they begin by taking care of them. The tax on their ingenuity comes in varying composition details and ornamenting of trims so as to give individuality and interest to them. It

is to their credit that coats are so remarkably varied as they are, considering that the type is the inspiration of the majority of coats for spring, including the handsome mode shown in the picture. It features the wide sleeve, with lining of plain silk in a lighter color, and an appropriate embroidery, but the cleverness of the designer triumphs in the collar. This is a deep puff of the material, brought up close about the neck by a long covered cord that is threaded through supports of narrow silk cord placed at intervals. This cord is finished at the ends with silk ornaments and becomes a trimming for the collar.

Women Endorse Move for Improving Local Schools

The women's mass meeting held Tuesday afternoon in the Carnegie Library unanimously adopted resolutions endorsing the proposition of raising the school tax to 75c on the \$100.00; commended the School Board of Trustees for the excellent work under adverse conditions and urged the trustees to install courses in Domestic Science, Manual Training, Business Training, Kindergarten and Physical Training. Practically every woman present signed the petition to the trustees asking them to call an election for the purpose of raising the school tax.

Judging from the spirit of the meeting, the women of this scholastic district are solidly in favor of a first class school system that will compare favorably at least with towns of the same size in Texas, and are determined that their children shall have the same educational advantages as the children of other West Texas cities.

Several interesting talks were made and the ladies listened intently to the statements concerning the present condition of the schools.

F. M. Pearce, secretary of the board, stated that the South Ballinger ward school would be reopened and all of the West Ward building utilized, thus making it necessary to employ additional teachers. He called attention to the necessity of installing a new heating system, a new sewerage system and increasing the size of the school library. Mr. Pearce also stated that the per capita allotment from the state would be materially reduced, and that this deficit as well as the increased expenses would have to be met by a tax raise or the city schools would have to close at the end of six or seven months.

C. W. Hardon appealed to the ladies to support the proposed tax raise with their votes and influence, urging them to bring their recommendations and criticisms to the board at any and all times.

County Superintendent Bugz read some interesting figures showing that many West Texas cities much smaller than Ballinger spend more per annum on their high schools than is spent in this city.

Secretary W. J. Jans of the Y. M. C. B. L. spoke of city building and pointed out the fact that Ballinger could not expect people to move to this city unless good educational advantages were offered, and that many families who live here now could not be held unless the school system was improved. "A first class school system is a business and commercial asset whose value cannot be estimated in dollars and cents," Mr. Williams stated. "Every business man and every householder in the city is vitally interested in the condition of our schools, as they directly affect the volume of business and rental values."

Mrs. John Priddy, of Wingate, and other ladies present made short talks urging co-operation on the part of the women of this district in bringing our school system up to the standard and maintaining our present affiliation with state colleges and universities.

Following is the resolution adopted at the meeting:

Whereas, the present condition of the schools of the Ballinger Independent School District is unsatisfactory, and

Whereas, additional funds will be needed during the coming school year to meet increased salaries; repairs to buildings; new heating system; new sewerage system; insurance; increased overhead expenses; additional books for the school library, etc., and

Whereas, there is a real danger of the Ballinger schools losing their affiliation with state colleges and universities unless the above conditions and improvements are provided,

Now Therefore, be it resolved that this mass meeting endorse the proposition of raising the school tax of this district from 50c on the \$100.00 valuation to 75c on the \$100.00 valuation.

We further commend the Trustees of the School District for their splendid efforts in behalf of a first class school system, and

We urge upon the Trustees to make provisions as early as practicable for the teaching of Domestic Science, Manual

Training, Business Training, Kindergarten courses and Physical Training.

BIG BUILDING REQUIRES PHONES ENOUGH FOR CITY

Installation of telephone equipment in the new Magnolia office building in Dallas, one of the largest buildings in the country, is now under way. This equipment requires an outlay of money enough to build a good-sized telephone exchange.

A cable containing wires for 900 telephones connects the new building with the central telephone exchange. This cable contains 1,000,000 feet of wire and cost \$8,000. To care for the telephone requirements of the Magnolia Petroleum Company in this building, a switchboard with 250 line connections is being placed. The fourteen lower floors not occupied by the oil company will have twenty-two private branch exchanges. The telephone equipment within the building will cost about \$50,000, without taking into account the thousands of dollars in equipment on the outside of the building that is devoted to serving the needs of this big structure.

Nine hundred telephones generally care for the needs of a good sized town. Mexia has 609, Cisco 761, Eastland 541, Ranger 616, Weatherford 324, Brownsville 907, and Yoakum 685.

RENTERS UNION TO CALL STRIKE

MEXICO CITY, June 7.—Tired of paying high rentals, tenants in Mexico City have formed a union and are even threatening a general strike of all industries in the capital unless their demands for a 75 per cent decrease in all rents is not met by the landlords.

The union is made up of the lower classes, but is being led by well known labor organizers who have already staged a number of demonstrations and have announced that they will resort to violence if necessary to achieve their ends. Street parades are held three times a week and have already resulted in riots which demanded the attention of the police force.

Newspapers in Mexico which are opposing the union have been threatened and attempts have been made to set fire to the newspaper building.

In addition to demanding a 75 per cent rent reduction the new organization is demanding that tenant houses be repaired. The landlords declare that it is impossible to meet the demands with the present high federal tax rate prevailing in Mexico.

The tenants' union is spreading and other cities in the republic will experience trouble on account of the efforts of those who live in rented houses to force the price of rent down.

FREIGHT RATES ARE UNEAQUE

WASHINGTON, June 7.—A new basis for rates on grain products, hay and straw from Oklahoma points to Texas common points was prescribed today by the Interstate Commerce Commission which held in deciding the case brought up by the Corporations Commission of Oklahoma. The schedule is unreasonable and prejudicial, the commission found. Rates from Oklahoma points are higher for an equal distance to a destination than from points in Texas.

H. B. Stallworth, of Beaufort, is here on a two weeks' visit with his parents, Mr. and Mrs. Nick Stallworth, and is taking his annual vacation.

C. P. Pruitt came in from the Wingate country this week and moved his family back to Wingate for the summer. Mrs. Pruitt and the children have been spending the school term here, and Mr. Pruitt spent part of his time here and part at Wingate. He is in business at Wingate, and wants his family with him during the summer vacation period.

this, they took care of the cows, made improvements on the camp property, and cleared some 80 acres of land, procuring firewood and providing pasture.
 The rustic chapel at the camp was built by the boys themselves and it was dedicated by graduates of the Hall who are represented on its service flag by seventy-five stars.
 However, the ten weeks at Camp Hardy are not passed solidly in work; the farm usually occupies the morning hours. Little Blue Lake affords them fishing, boating and three swims a day.

NEW CANDIDATE FOR CONGRESS
 Joseph B. Dibrell Jr., an attorney of Coleman, filed his name with the Runnels County Democratic Executive Committee for a place on the primary ticket Friday. A letter to Judge O. L. Parish asking Judge Parish to file his name with the county committee was the first news received here of the Coleman man's candidacy.

Judge Dibrell's announcement brings the entries for congress from this district up to six. Thomas L. Blanton, the present congressman, is being opposed by W. J. Cunningham, of Abilene; Ernest G. Albright, of Brownwood; Oscar Calloway, of Comanche; J. B. Dibrell, of Coleman; and a man from Mineral Wells. The attack made on Mr. Blanton by his colleagues has started the political bee to buzzing in the Seventeenth District, and nothing short of a vote will tell whether the people will stay with the present congressman or not in the next election.

Mr. and Mrs. W. W. Spoons left Monday afternoon for Killeen, where they will visit relatives. They had been here visiting their son, Joe Spoons, and family.

New Quick Way to End Sore Throat
 A sore throat means that disease germs have entered your system. Kill them quick—before they have a chance to start their deadly work! Just gargle a few drops of the wonderfully effective antiseptic STEROLINE. See how quickly the soreness leaves. Acts almost instantaneously! STEROLINE recommended by health experts everywhere. At all druggists. 50-cent bottle lasts months. Get it today!

CITY BOYS FARMING ON 300 ACRE TRACT

CHICAGO, June 2.—Boys of Lawrence Hall, Episcopal diocesan home for boys, have made a record as farmers at Camp Hardy, Mich., on a 300-acre tract where they spend ten weeks each summer. Lawrence Hall was established by the Newsboys and Bootblacks Association, of which H. H. Higginbotham was the moving spirit.

In one summer the boys raised enough sweet corn to supply them thru the season at the rate of 600 ears a meal; more than a ton of string beans, which they sold to a canning company; more than a year's supply of fodder corn for the livestock of the farm and a winter's supply of potatoes for the farmer's family, not to mention enough beans to add thirty bushels to the supply for the boys of the Hall. Besides

SENATOR BAUGH WILL MOVE TO BROWNWOOD

While it had been known among his friends and had been generally rumored for some time that Ballinger would lose Senator J. H. Baugh and his most inestimable wife, not until this week could The Ledger definitely say that Judge Baugh would move away.

"I expect to leave by the first of July," said Senator Baugh, when a Ledger reporter asked for definite information about the change Tuesday morning. The law firm of Doss & Baugh was dissolved a couple of weeks ago, and Judge Baugh began to cast about for a new location. He had several places under consideration, including some of the larger cities of Texas, but the opportunities of his old home town, and where he received his early education, made the strongest appeal.

Judge Baugh located in Ballinger in December, 1914, succeeding J. B. Wade in the firm of Wade & Doss. With the exception of twenty-eight months in the service of his country, Judge Baugh has resided here for seven years and a half, and during that time has enjoyed the friendship and high esteem of the best citizens of the county. He was among the first to volunteer for training in the officers' training camp at Leon Springs when Uncle Sam decided to put an end to German arrogance and kaiserism. He was commissioned a captain and a single man, and came out of the war a major with a wife. The wife came home with him and she has won a place in the religious, social, educational and civic affairs of the city, and these interests will suffer on account of her removal from Ballinger.

Judge Baugh is serving the 26th Senatorial District in the legislature, and as Brownwood is in this district, being practically the center of the district, he will serve out his term which does not expire until 1924, and it is very probable that he will then be a candidate for congress from this district. He received strong solicitation to make the race this year, but being somewhat unsettled, declined to listen to his political friends, and will let the future bring to him what it may in matters political.

COUNTRY PEOPLE COME TO BALLINGER CHURCH

An unusually large crowd attended evening services at the Eighth Street Presbyterian Church Sunday. The morning service was also well attended. At the night service the house was filled to standing room, and among those present were quite a number from Rowena, Norton, New Home community, Valley Creek community. With the good roads and autos the people in the country have been brought close to the church doors of the city, and attendance from the country at church in the city is gradually increasing. Such attendance encourages the ministers, who too frequently in the past have preached to empty pews.

CALOMEL MAY TURN ON YOU NEXT TIME

Next Dose You Take may Salivate and Start World of Trouble.

Calomel is mercury; quicksilver. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate.

KING LEADS LEAGUE IN BATTING AVERAGE

ABILENE, June 5.—John King, of the Lubbock baseball club, is leading the slugging in the West Texas League, according to averages figured and given out by John F. Humphries, league statistician. The averages as figured by the statistician include all games played thru May 25th, and King is leading with an average hitting of .455.

King was a favorite with the Ballinger club when that club played in this league last season under the title of Bearcats. His record this year shows he has played in 27 games, went to bat 110 times, made the trip around the diamond for 34 runs and has credit for 50 hits, many of which were for doubles and several for the third station.

OFFICERS PROBE CATTLE THEFT

Sheriff Flynt was called to the Truitt country early Sunday morning to investigate what was purported to be a wholesale case of cattle stealing.

According to information given the officers, a man by the name of Giles, residing in the Truitt country, discovered that he was short thirty-six head of cattle. He rode the fence around his pasture and found where the cattle had left the pasture and gone into the McKinney pasture. The evidence is said to show that the fence had been pulled down, rocks placed on the wires to hold them down, and horse tracks indicated that the cattle had been driven from the Giles pasture into the McKinney pasture, it was alleged.

The matter was immediately reported to the officers, and Sheriff Flynt, accompanied by several of his deputies went to the scene of the alleged cattle stealing, and took up the trail, later finding the cattle in the McKinney pasture.

Three young men who are alleged to have been in the vicinity of the cattle were placed under arrest and brought to Ballinger and lodged in jail, and an investigation started. Up to a late hour Monday no complaints had been filed.

THREE YOUNG MEN RELEASED FROM JAIL

The three young men arrested in the Northern part of the county and held over night in jail at Ballinger pending an investigation in connection with cattle stealing, were released Monday afternoon, the evidence in the case not justifying filing of complaints, according to the officers.

The three men were taken into custody when they were found in the vicinity of thirty-five head of cattle which it was alleged had been driven from the pasture of their owner near Truitt last Saturday. The cattle were recovered Sunday afternoon, and the three young men detained.

The officers held that the mere fact that the men were in the vicinity of the cattle, which it was claimed by the owner had been stolen from his pasture, was insufficient proof of their guilt, or connection with the stealing. The cattle were bunched together a mile or more from where they crossed over the wire fence in leaving the pasture of their owner.

Build up your system and feel fine all the time by taking Tan-lac. Juv. A. Weeks

W. W. Farmer visited Dallas on business this week and returned home Saturday at noon.

CANDIDATE FOR GOVERNOR HERE

Hon. Fred S. Rogers, of Bonham, arrived in Ballinger Thursday and at two-thirty was delivering an address on the court house lawn, speaking to a fair sized crowd in the interest of his campaign for governor.

Mr. Rogers spoke at Big Spring Tuesday, and came from that place to Ballinger. He will go from Ballinger to Coleman, where he speaks tonight. He is the first gubernatorial candidate to come this way this spring.

Mr. Rogers is a pleasant gentleman, and is advocating some important measures. He served eighteen months in France and is a member of the American Legion.

The candidate declares conditions involved in the present political campaign in Texas are different from any previous campaign.

"I don't think there ever was a time when the farmers were sticking together like they are now," said Mr. Rogers in talking to a bunch of friends Thursday morning. He stated that the farmers were disgusted with the condition of their schools and the high taxes they were being forced to pay. He said that the farmers were strongly organized under the Farm Labor Union in North and East Texas.
