

THE BANNER-LEDGER

VOLUME 46.

BALLINGER, TEXAS, FRIDAY, SEPTEMBER 24, 1926.

NUMBER 1.

COMPRESS HERE RUNS FULL TIME

The Texas Compress Company's local plant is rushing pressing here and employes of the plant are at work early and late in an effort to turn out the cotton as fast as possible for the boats at Houston and Galveston.

The press has been running a little more than one week, and W. B. Woody, manager, states that more than 4,000 bales have been turned out here.

"If the cotton keeps coming in as fast as it has this week, we will have just plenty of pressing to do," Mr. Woody declared. "We have pressed more than 4,000 bales and are operating early and late."

The run starts at 7:00 o'clock in the morning and ends at 6:00 o'clock in the evening, giving a ten-hour day for the workmen. Cotton is moving rapidly at present, and the compress management expects the staple to move faster within the next two weeks.

About 45 men are employed at the press, Mr. Woody said.

The high density press, recently installed at this plant, pressed about 350 bales of cotton Tuesday. This pressing puts the bales in first class condition for ocean going vessels at Gulf ports. High density bales, much smaller than ordinary compressed bales, are ready for shipment on sea, while the ordinary kind are only ready for shipping by railroad.

MEXICAN CELEBRATION WAS A QUIET AFFAIR

The Mexicans did not complain of any disturbances during their big celebrations of "Diez y Seis" in this county Wednesday night, Thursday and Thursday night, according to Chief Deputy Sheriff John White. Three places in the county were given over to the fiesta and all reported the holiday passed off peacefully.

Mexicans from Winters, Hatcher, Lawn, Novice, Crews and other places in the Northern part of the county gathered in the Paramore pasture on Elm Creek, North of Ballinger.

Ballinger Mexicans and others from a distance celebrated in this city with dances, parades and patriotic speeches.

Mexicans from Miles, Maverick, Olfen, Paint Rock, Pony and Rowena gathered in Rowena for the occasion honoring Mexico's independence from Spain in 1810.

Both Sweetwater and Abilene, and probably some other towns, are claiming the oil well recently brought in in Jones county, four miles off the Sweetwater-Abilene highway and about half way between the two cities.

1,476 BALES OF COTTON HERE

Ballinger gins are working steadily and in many instances overtime in handling the fleecy staple as it comes into the city for baling.

Up to 10:00 o'clock Wednesday morning, 1,165 square bales and 622 round bales had been ginned in the city. The round bales are equivalent to 311 square bales, which brings the total to 1,476 average square bales during the past two weeks.

There are five gin plants in Ballinger and each one is ginning the cotton as fast as possible.

The gins, however, are behind in their operations and it will be difficult for them to catch up with farmers in this section who are gathering more cotton every day. At every gin in the city, there are farmers who are awaiting their turn for service.

If present weather conditions continue as it is believed will, much cotton will be ginned within the next two weeks by the Ballinger gins.

Gins at Winters, Wingate, Hatcher, Pony, Rowena, Miles, Maverick, Norton, Olfen and other communities over the county are reported to be having exceptionally good runs.

PECAN CROP ALMOST A COMPLETE LOSS

What early in the season promised to be a heavy pecan crop has turned out to be almost a complete failure, according to parties owning pecan timber on the streams in this section of the country.

Case borers destroyed only a small per cent of the crop when the little nuts began to form, but after the pecans were half grown and larger they began to turn black and fall off as the result of being punctured.

This is said by some to be the first time the pecan crop showed up to be damaged after it had reached an advanced stage in development. For several years the crop has suffered more or less damage when in the young stage, but where the nuts escaped the case borers until they reached considerable size no further damage resulted.

George Cotter, who owns some pecan timber on the river below Ballinger, was in the city Monday. He said that his crop was practically a complete loss.

J. D. Suggs and R. C. Ferguson, of San Angelo, have just received a check for \$40,990.52 representing income tax illegally collected by the federal government. Suggs and Ferguson are partners.

MAN KILLS HIS FAMILY OF 3

ABILENE, Sept. 21.—After he had gone to a field on his farm and informed a tenant that he had killed his wife and daughter, Walter Willis, 39, well-known farmer of Fluvanna, Seurry county, returned to his home, killed his 6-year-old daughter and sent a bullet thru his own heart.

"I have just killed my wife and little girl," Willis is said to have told his tenant. "Jump into an automobile and rush for a doctor."

The tenant did as instructed. When he returned from Fluvanna with Willis' father and brother he found the four bodies. The woman and two children were not shot. Willis is said to have beaten out their brains with the butt end of a shotgun, with which he ended his own life.

Willis' clothes were covered with blood, when he came to the field, the tenant said.

The physical evidence showed that Mrs. Willis and Elizabeth, the older daughter, were fleeing from Willis at the time they were killed, as their bodies were found 50 yards from the house.

It is believed that the tragedy occurred when Willis became suddenly insane.

IN JAIL FACING FORGERY CHARGE

Joe Caldwell, who gives his home as Sweetwater, is held in jail here for forgery. Charges were preferred against him Monday morning following his arrest Sunday afternoon by Deputy Sheriff John White, after parties to whom he is alleged to have given the checks made complaints against him.

Sheriff McWilliams has in his custody five checks which are alleged to have been given the Tyson Filling Station, Cameron Garage, Riverside Filling Station, Evans Filling Station, and the City Drug Store.

The checks ranged in amounts from \$5.50 to \$6.50, and when apprehended, Caldwell had a check for \$6.50 which he had not cashed.

The names of L. C. Clark, R. C. Reynolds and P. C. Claxton were used in the checks. The total amount was \$30.30.

Suspicion of one of the garage men where he traded Sunday afternoon were aroused and other garage and filling station men together with the drug store filed in and assisted in the chase which led to Caldwell's arrest on a hill North of the city Sunday evening.

Caldwell will be held here awaiting the return of County Attorney C. P. Shephard, who is out of the city.

Progressing with the Times

The past few years have seen many great changes in funeral directing. Modern Methods—improved equipment—have supplanted those in use in the past. We have always kept abreast of the times in every respect so as to be able to render the best service obtainable. Our beautiful funeral home offers convenience, comfort and privacy. Our staff is well trained.

PROPERTY VALUATION INCREASES \$193,350

Valuation of property in Runnels county for the year 1926 shows an increase of \$193,250 over the 1925 valuation, according to the tax rolls which have recently been completed by Mike C. Boyd, county tax assessor.

The total for 1926 is \$11,973,260 while for 1925 it was \$11,780,010.

The increase is due to the location of two new companies in this county, namely the Humble Pipe Line Company and the West Texas Utilities Company.

The Humble Company valuation is \$104,300, which accounts for a greater part of the increase. On January 1, 1925, this company did not own property in Runnels county and therefore the \$104,300 is a clear gain.

The value of the pumping plant, located some 15 miles East of Ballinger, is about \$45,000, while the value of the pipe line crossing the county is placed at \$69,300.

The West Texas Utilities Company on January 1, 1925 valued their property at \$75,670, while

on January 1, 1926, it was given a value of \$158,350, an increase of \$82,680. The value of the utilities property was more than doubled during the past year in this county, as the figures show.

These two increases give a total increase of \$186,980, while the remaining few thousands increase is scattered out among other various items on the tax rolls.

Total taxes, however, for 1926, are somewhat less than in 1925 as state and county taxes and taxes of bonded road districts Nos. 1 and 2 have been reduced. The State tax 1925 was 77 cents on the \$100 valuation; the county tax, 65 cents; road district No. 1, 14 cents; and road district No. 2, 35 cents. This year, these taxes were decreased, the State tax being 65 cents; the county 64 cents; road district No. 1, 12 cents; and road district No. 2, 25 cents.

Total taxes for 1925 were \$239,216.36, while for this year tax collections will be \$221,464.46.

A Set of Dishes Given Away

FREE—FREE—Again we will give a handsome 32-piece Gold Band Dinner Set with each purchase of \$35.00 made during any one day of the sale by one person or one family.

Things to Know Before Baby Comes

THE expectant mother's comfort and well being is very important. And one of the most important things for her to do is to use Mother's Friend to keep the skin and muscles soft and pliable—thus aiding the tissues and muscles to relax and adjust themselves to the changes during motherhood. Mother's Friend is the formula of an eminent physician and has been used by expectant mothers for over three generations. No woman awaiting the joy of motherhood should allow the days to pass without using Mother's Friend.

Mrs. Laura Hendrix, Graceport, Okla., writes: "I used Mother's Friend with all my babies and I think it is the greatest help that has ever been discovered for expectant mothers. I can't say too much for it. Mother's Friend is safe for you to use because it contains no harmful drugs and is applied externally."

Neither least on Mother's Friend—the same as used by our mothers and grandmothers—don't wait—start using tonight—and meanwhile write Bradford, New York, Dept. 31, Atlanta, Ga., for free valuable booklet "Motherhood and the Coming Baby" (sent in plain envelope). It tells how Mother's Friend can help you during expectancy and at childbirth. This booklet also tells you many other things you want to know. "Mother's Friend" is sold by all drug stores everywhere.

Citation by Publication—Delinquent Taxes

THE STATE OF TEXAS
To the Sheriff or any Constable of Runnels County, Greeting:

You are hereby commanded to summon all persons owning or having or claiming any interest in the following described land delinquent to the State of Texas, and County of Runnels, for taxes, by making publication of this citation once in each week for three successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 35th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 35th Judicial District; to be and appear before the Honorable District Court of Runnels County, Texas, at the next regular term thereof, to be holden at the Court House in Ballinger, on the 4th Monday in October, 1926, same being the 25th day of October, 1926, then and there to answer the Plaintiff's Petition, filed in said Court on the 18th day of August, 1926, wherein the State of Texas is Plaintiff and Unknown Owners are Defendants, File Number of said suit being No. 1948.

The nature of the Plaintiff's demand as set out in said petition being an action to recover of the defendants the sum of Forty-Nine and 67/100 Dollars as delinquent taxes due plaintiff for the years, 1912, 1914, 1915, 1916, 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924 and 1925, including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs being due upon the following described property, situated in the county of Runnels and State of Texas, to-wit:

Lot No. 12, in Block No. 4, original town of Ballinger.

And plaintiff further prays for the foreclosure of its lien against said property, to satisfy said taxes, interest, penalties and costs, for an order of sale, writ of possession, all costs of suit, and for general and special relief, all of which will more fully appear in plaintiff's original petition now on file in this office.

Herein fail not, and have you then and there before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at my office in Ballinger, in the County of Runnels, this 1st day of September, A. D. 1926.

GEORGIA SINGLETARY,
Clerk, District Court, Runnels County, Texas. 4-6-13-20

No Pellagra After Three Treatments

Dr. W. C. Rountree,
Texarkana, Texas.
Dear Doctor:—I had Pellagra five years. I was nervous, had stomach trouble, rash on hands and arms, skin itched and turn brown, sore mouth, could not eat or sleep, lost weight and got awful weak. I tried many treatments. Took Hypodermics six months, got no relief. I took 3 of your treatments and was well of Pellagra. I wish I could influence every one who has this terrible disease to write you. W. W. ROBERT, Mico, Texas, Rt. 1.

MEXICANS HAVE BIG TIME HERE

Today "diez y seis" is a holiday for Mexicans of Texas and the Southwest, and in a number of cities are carrying out formal programs in celebration of Mexico's independence. Runnels county Mexicans gathered in Ballinger where a big celebration, continuing for two days, was staged. The Mexicans left the cotton fields, the maize patches and other labors and came to Ballinger for the fiesta and baile.

The celebration here started Tuesday evening in Mexican town across the A. & S. railway tracks, and was to terminate Thursday night with a big dance on the open air platform arranged especially for the big affair.

The celebration was formally opened Thursday morning when the Mexicans formed in parade and marched thru the business district of the city. Dressed in various uniforms the parade was preceded by a color guard carrying the flags of the United States and Mexico. Several motor cars were decorated with colored crepe paper and a float representing the method of travel of several years ago was also in the parade. Another float transported an Indian princess and her court.

The procession marched to the West corner of the court house plaza where they presented a program. A cantata was sung by a chorus of about fifteen Mexican señoritas. A Mexican orchestra played and several short speeches were made.

The editor of a Mexican newspaper in Del Rio made the principal address of the celebration. He had been in the county conferring with the Mexican nationals during the past week.

It was estimated that some 400 or 500 Mexicans gathered here for the celebration.

IT DRIVES OUT WORMS

The surest sign of worms in children is paleness, lack of interest in play, fretfulness, variable appetite, picking at the nose and sudden starting in sleep. When these symptoms appear it is time to give White's Cream Vermifuge. A few doses drives out the worms and puts the little one on the road to health again. White's Cream Vermifuge has a record of fifty years of successful use. Price 35c. Sold by Weeks Drug Store

EDGAR JAYROE'S FATHER DEAD

William D. Jayroe, prominent farmer and banker of Novice, died at his home in that town Sunday, September 12. Mr. Jayroe was the father of Edgar Jayroe, one of the prominent citizens of Runnels county and a director in the Runnels County Fair. The Coleman Democrat-Voice gives the following account of the pioneer citizen's death:

Mr. Jayroe was prominent in the life of Novice and Coleman county. He was a director in the Novice State Bank and a farmer of recognized ability. He was born May 15, 1846, and located in Talpa in June 1879. He moved to Novice thirty-two years ago and had resided there continuously since.

The deceased's first wife, Emma Whitmire, died at Talpa forty-three years ago. His second wife, Mollie Saunders, daughter of the late Jim Saunders of Silver Valley, died in the same city thirty-seven years ago. His surviving wife was Mrs. Hezekiah Williams of Novice, and was married to Mr. Jayroe thirty-two years ago.

Mr. Jayroe is survived by his widow, Mrs. Sue Jayroe; two sons, Edgar Jayroe of Crews; S. E. Jayroe of Brownwood; two daughters, Mrs. H. G. Barnett of Wilson, Oklahoma, and Mrs. W. C. Cate of Coleman. Another daughter, Mrs. Jonathan McElrath, of Coleman, died about thirty-four years ago.

Mr. Jayroe was well known over Coleman county and throughout this section of Texas. His son, in Coleman the first of the week, recalled the fact that the first man his father saw upon coming to Coleman county was Judge J. O. Woodward, who was grubbing on the Colorado River.

Editor George Hill, of the Winters Enterprise, and Mrs. Hill passed thru Ballinger early Friday morning en route to Brownwood to attend a meeting of newspaper men called at that place for the purpose of organizing a press association for this district.

Too Much "Acid?"

Excess Uric Acid Gives Rise to Many Unpleasant Troubles.

AUTHORITIES agree that an excess of uric acid is primarily due to faulty kidney action. Retention of this toxic material often makes its presence felt by sore, painful joints, a tired, languid feeling and, sometimes, toxic backache and headache. That the kidneys are not functioning right is often shown by scanty or burning passage of secretions. Thousands assist their kidneys at such times by the use of Doan's Pills—a stimulant diuretic. Doan's Pills are recommended by many local people. Ask your neighbor!

Foster-Milburn Co., Mfg. Chem., Buffalo, N. Y.

IS RE-ELECTED FOR 10TH TIME

For the tenth consecutive time, Louis Cohen was elected chief of the Ballinger fire department at a meeting held Wednesday evening at the City Hall. Mr. Cohen was first elected chief of the local fire company ten years ago. He has been chief continuously, with the exception of a few weeks, during which time he was kept out on account of illness.

J. M. Moore was elected assistant fire chief.

Other officers elected were: J. D. Motley, president; Tom Caudle, vice-president; Joe Foreman, secretary and treasurer; Dr. F. M. Hale, department physician; Frank Cameron and M. B. Wardlaw, hose police; and G. P. Teague and Jack Whitaker, electricians. Rev. W. H. Doss was elected chaplain for life several years ago.

The meeting was well attended and much interest and enthusiasm was taken in the election of the officers.

A resolution was passed by the firemen in which they extended their thanks and appreciation to the Weeks Drug Store, which concern furnishes the firemen who are injured with first aid treatment and medicine.

The meeting closed in regular order after other business matters of minor importance had been discussed.

Bookkeeper Falls Heir to Fortune

"Upon the death of an uncle I inherited \$50,000. I gave up my position and intended enjoying myself when I was stricken with a severe case of stomach trouble and colic attacks. Two of these attacks made me lose consciousness. After treating with our best doctors with little benefit, I decided to try MAYR'S, and it helped me at once. I have been entirely well for past year." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists.

TWO MORE CASES IN DISTRICT COURT HERE

Two more cases were filed in the 35th District Court here Wednesday. One was a suit for divorce and the other was for trespass to try title.

Divorce suits continue to be filed in the court here from day to day and with the increase in the suits as has been noted during the past few days, it is expected the record will be broken if many more are filed before the October term.

A number of trespass to try title suits are also on the civil docket for the October term of this court.

Colds Cause Grip and Influenza

HICKS RUBBER CO. SIGN REPAINTED

The Hicks Rubber Company sign, on the Ballinger-Coleman highway near Benoit, nine miles East of Ballinger has been repaired and repainted by company workmen. Carpenters completed the sign some few weeks ago after it had been blown down by a strong windstorm. It was repainted during the past few days by Hicks company painters and is now in first class condition again.

SAYS ATTACK ON WOMAN A FAKE

SAN ANGELO, Sept. 16.—After a thorough investigation of the charges that Mrs. Alma Rogers, woman evangelist, was attacked near a camp meeting on the Concho River South of Miles, the grand jury of Tom Green county reported it as their opinion that Mrs. Rogers never was cut by a razor, or even scratched.

"We think it is a reflection on the citizenship of the county and the officers of this county," T. C. Atwood, foreman of the grand jury, said, and continuing Mr. Atwood said, "We want the privilege of denying the report and want the public to know that the grand jury has investigated the case and been all the way through with it, having had Mrs. Rogers before the grand jury."

Mr. Atwood said that the witnesses brought before the grand jury could not offer any evidence to support the story told by the woman.

Mrs. Rogers formerly lived at Big Spring. She has been here six months and since coming to San Angelo has organized a church similar to the "Four Square Gospel Mission," of which Mrs. Aimee Semple McPherson is the leader in Los Angeles. She was holding a campmeeting on the Concho River near Miles when recently she reported that she was asked by a girl to come with her and pray for her. The woman claims that she was led out in the brush by the crying girl, and was attacked by a man with a razor.

NATIONAL LEAGUE RACE IS REFLECTED IN TEXAS

SAN ANTONIO, Sept. 14.—The hot pennant race in the National League between St. Louis, Cincinnati and Pittsburgh is not confined to the North and East alone, but its ramifications extend to Texas, with one North Texas section pulling against a South Texas city.

Favorite sons are the reason for the divided partiality as respects St. Louis and Cincinnati. For North Texas boasts Rogers Hornsby, manager of the Cardinals, while Beeville, Southeast of San Antonio, is equally enthusiastic over Curtis Walker, Cincinnati outfielder, whose hitting has

DR. W. B. CALDWELL AT THE AGE OF 83

A Child's Laxative which Mothers Can Rely On

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated infants and children had to be kept "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all children's little ills, he constantly advised mothers to give only a harmless laxative which would help to establish natural bowel "regularity."

In Dr. Caldwell's Syrup Pepsin mothers have a regulating laxative which they can depend upon whenever a child is constipated, bilious, feverish or sick from a cold, indigestion or sour

stomach. All children love its pleasant taste.

Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself how perfectly it cleanses and regulates the bowels of infants and children.

Dr. Caldwell's SYRUP PEPSIN

IMPORT MESSENGER BOY FOR W. U. OFFICE HERE.

Lacy Brennan, of Tyler, is the new messenger boy for the Western Union office here.

When school commenced here, Manager Pittard of the local telegraph office, was unable to obtain a messenger boy to work all day so he asked the main office of the company in this section for a boy. Brennan was sent out from Tyler, where he had been for six months. His home is in Kemp.

"I like Ballinger much better than I did Tyler," Brennan said today, "this is a much better town."

To Cure a Cold in One Day

Take LAXATIVE BROMO QUININE (Tablets) to stop the Cough and Headache and break off the Cold. E. W. GROVE'S signature on each box. 30c.

BOY BREAKS ARM WHILE TRYING TO CATCH PIGEON

Grover Jackson, age 12, son of Mr. and Mrs. W. H. Jackson, 407 Seventh Street, is suffering with a broken arm and bruises today as the result of a fall received Wednesday afternoon as he crawled to the top of a house on Tenth Street trying to catch some pigeons.

The young man received a bad break in his left arm just above the wrist. He was also severely bruised in the fall.

Citation by Publication—
THE STATE OF TEXAS

To the Sheriff or any Constable of Runnels County, Greeting:

You are hereby commanded to summon all persons owning or having or claiming any interest in the following described land delinquent to the State of Texas, and County of Runnels, for taxes, by making publication of this Citation once in each week for three successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 35th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 35th Judicial District; to be and appear before the Honorable District Court of Runnels County, Texas, at the next regular term thereof, to be holden at the Court House in Ballinger, on the 4th Monday in October, 1926, same being the 25th day of October, 1926, then and there to answer the Plaintiff's Petition, filed in said Court on the 18th day of August, 1926, wherein the State of Texas is Plaintiff and Unknown Owners are Defendants, File Number of said suit being No. 1951.

The nature of the Plaintiff's demand as set out in said petition being an action to recover of the defendants the sum of Forty-Three and 52/100 Dollars as delinquent taxes due plaintiff for the years 1911, 1912, 1915, 1916, 1917, 1918, 1919, 1920, 1921, 1922, 1923, and 1924; including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs being due upon the following described property, situated in the county of Runnels and State of Texas, to-wit:

East 1-2 of Lot 2 in Block 22, original town of Miles.

And plaintiff further prays for the foreclosure of its lien against said property, to satisfy said taxes, interest, penalties and costs, for an order of sale, writ of possession, all costs of suit, and for general and special relief, all of which will more fully appear in plaintiff's original petition now on file in this office.

Herein fail not, and have you then and there before said Court, on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same. Given under my hand and seal of said Court, at my office in Ballinger, in the County of Runnels, this 1st day of September, A. D. 1926.

GEORGIA SINGLETARY,
Clerk, District Court, Runnels County, Texas.

John A. Weeks has gone to Brownwood to look after business.

IMPRESSIVE SERVICE FOR DR. RAPE FUNERAL

Complying with his request, the remains of Dr. T. A. Rape, pioneer physician of this city, who died Tuesday evening, were laid to rest with Masonic honors, following services at the residence.

Commenting on the fact that very few of the friends attending a funeral, and often none of the men attending, were able to get in the house where a funeral was held at a residence, Dr. Rape requested that the services for his funeral be held from the porch where the men and all those attending could hear the preacher.

Dr. Rape's remains were placed on the porch of his home at 9:30 Friday morning and a large crowd of friends, among whom were those who had known the deceased for nearly half a century, gathered in the yard to pay a last tribute of respect to the pioneer citizen.

The scripture text which Dr. Rape selected for the funeral was read by Rev. W. H. Doss. Rev. S. L. Culwell spoke the words paying tribute to the deceased, and the choir of the Methodist church sang the songs which Dr. Rape selected. "Jesus Lover of My Soul," "Jesus is All the World to Me," and "The Haven of Rest," were his favorite songs. Relatives of the deceased and the choir occupied seats on the porch. Dr. Alvin Swindell, pastor of the Baptist church, offered the prayer.

The Masons took charge of the remains and interred them in Evergreen Cemetery, a long funeral procession following the casket to its last resting place.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c.

UNCLE BILLY MONTGOMERY IS IN SANITARIUM HERE

Uncle Billy Montgomery, of Paint Rock, prominent in Masonic circles, and one of the pioneers of Concho county, was brought to Ballinger Friday night and placed in the Halley & Love Sanitarium for treatment.

Uncle Billy is one of the oldest settlers in this part of the state and is very well known.

Edwin Swindell has gone to Waco, where he will take work for an M. A. degree in Baylor University. Edwin has also been named director of the Baylor band for the 1926-27 session.

Lineman Rescued from Pole; Employes Have a Bird Feast

Demonstration of the prone pressure method of resuscitation in bringing back to life a man who has been electrocuted, was a feature of the regular monthly safety meeting of the Ballinger District of the West Texas Utilities Company, Thursday night.

This demonstration was very interesting and was given in a way that will no doubt prove helpful to those who attended the meeting in case they by chance are around someone who has been electrocuted or who has been drowned.

Earl Morley, manager of the Ballinger district of the company, explained this exercise as it was put on. Mr. Morley did this in an interesting way and as he talked those who were giving the demonstration carried out their parts.

Joe Baxter, one of the linemen of the local crew, was the man who went up the pole and while at work, he was supposedly electrocuted by a 2,300-volt line, and at a given signal he fell and became helpless on the pole, being held only by his safety belt.

At this moment, Jack Whitaker, foreman of the local line crew, mounted the pole, and by the aid of a rope lowered Mr. Baxter to the ground. Mr. Baxter was then given the prone pressure method by Julian McDaniel, of the Santa Anna plant of the company.

It was explained that the man who lost his life about a week ago in Stamford, came in contact with a high voltage wire in the manner demonstrated by Mr. Baxter. The prone pressure method of resuscitation was used on him for about three hours but he never recovered from the serious shock.

J. D. Motley, secretary of the Ballinger Chamber of Commerce, presided at this meeting and introduced each of the speakers of the evening.

Grady Kinsolving, of Abilene, head of the traffic department of the company, told why the safety meetings were held each month. Mr. Kinsolving said the meetings were held for two reasons, first;

to give demonstrations of first aid to injured employes; and second, to become better acquainted with the workmen of the company and with the citizens whom the company served.

The women's part in the organization was discussed on by Mrs. Joe A. White, of Abilene, who was here for the meeting with Mr. White. Mrs. White told of the work of the women in the various districts, their organization, what they had learned from their work and of the benefit received by meeting with the male employes to discuss their problems. There are seven women's organizations in as many districts of the company. Mrs. White said it was hoped that an eighth district soon would be organized.

Miss Susie Rogers, of the Ballinger office, and Mrs. D. W. Brasher, of Eden, gave a very interesting and entertaining dialogue on satisfying the customer. Mrs. Brasher was the dissatisfied customer coming into the office of the company to make a complaint, and Miss Rogers was an employe in the office who waited on Mrs. Brasher. Mrs. Brasher complained of many things which customers usually find fault with but Miss Rogers settled all these differences in an interesting manner as would have been done had this really occurred.

G. W. Fry, of Abilene, president of the company, was present and made a few remarks in regard to the work of the company and also concerning the safety meetings. He complimented Mr. Morley on the beautiful park at the ice plant and on his work in this city.

Following Mr. Fry's remarks, barbecued doves, which had been so prepared by J. O. Cline and Ben Smith, were served, together with the necessary trimmings. Punch and ice cream were also served.

This meeting was declared one of the best attended and most successful meetings held in this district during the past few months. It was a meeting of interest for all who attended. It embraced the Ballinger district,

the largest in the utilities company's system.

Some of the out-of-town visitors here for the meeting were: Mr. and Mrs. G. W. Fry, Abilene; Mr. and Mrs. Joe A. White, Abilene; Mr. and Mrs. Julian McDaniel, Santa Anna; Mr. and Mrs. C. C. Holder, Bronte; Mr. and Mrs. D. W. Brasher, Eden; Harold Austin, Abilene; Grady Kinsolving, Abilene; V. VanZandt, Winters; E. V. Sellers, Abilene; and Henry Hardin, Coleman.

FOR WORKING PEOPLE

The best of workers get out of sorts when the liver fails to act. They feel languid, half-sick, "blue" and discouraged and think they are getting laxy. Neglect of these symptoms might result in a sick spell, therefore the sensible course is to take a dose or two of Herbine. It is just the medicine needed to purify the system and restore the vim and ambition of health. Price 60c. Sold by Weeks Drug Store

MRS. SMYTH REMOVED TO THE SANITARIUM

Mrs. Leslie G. Smyth, wife of Rev. Leslie G. Smyth, pastor of the First Christian Church, who was severely injured Monday of this week in Eden when a Pontiac coach driven by Leo Rice of Oklahoma City, collided with a Chrysler coach driven by Rev. Smyth, was removed to the Hal-

ley & Love Sanitarium Saturday morning where she will remain until she recovers from the accident.

Mrs. Smyth was the most seriously injured in this accident, with Rev. Smyth and Leslie G. Jr., coming out with only slight scratches and bruises.

Mrs. A. B. Stobaugh is recovering from three broken ribs caused by the accident.

PARTY GOES TO ABILENE TO ARRANGE RUNNELS BOOTH

J. D. Motley, secretary of the Ballinger Chamber of Commerce, Miss Eula Key, county home demonstration agent; C. W. Lehmburg, county agricultural agent; and J. E. Gressett left Saturday afternoon for Abilene, where they will arrange the Runnels county exhibit in the West Texas Fair which opens in Abilene Monday and continues throughout next week.

The party will return to Ballinger Monday.

Next Thursday a delegation from Ballinger and Runnels county will go to Abilene for the fair and on a trip to advertise the sixth annual Runnels County Fair.

To the Public

I wish to state to the public that I have bought a Gin in Ballinger, from the Runnels County Gin Company, that Mr. Towler has been operating.

I have this gin in first class condition in every respect—equipped with the Mitchel double saw bur extractor machines, I believe the best on the market.

This being my first year in Ballinger I am taking this method of putting my business before the people and am asking a liberal patronage of the customers of this territory.

Having been in the gin business fourteen years, with that experience and the very best machinery money can buy, I believe I am able to render you the best of service. That being my goal, I will not be satisfied with anything less.

Assuring you that your loyal co-operation and liberal patronage will be very much appreciated, and will take pleasure in thanking you in advance.

Hope to see you soon, as I am ready to gin your cotton at any time.

The editor of the Brownwood Bulletin calls Mrs. Alma Rogers, of San Angelo, the "Fear Square Gospel" evangelist. "West Texas' Aimee." We believe the appellation is correct and we think the same thing about this business, as we don't believe there are citizens in either Tom Green or Runnels county as she charges. The Tom Green county grand jury says "West Texas' Aimee's" account of the attack was not true.

Abilene citizens are entertaining West Texas this week; San Angelo will entertain West Texas next week; and for four days in October the 12th, 13th, 14th and 15th, Ballinger will do the entertaining.

Cotton is selling for \$41 per bale less than at this season last year, despite the efforts of hoppers and the worms to boost the market.

Hamilton Wright, well known West Texas newspaper man, has quit the game to enter the ministry. His audiences will not now be as large as heretofore.

Certain tax paying citizens of Fort Worth filed a protest with the city commission of that city against the payment of \$13,500 salary to the city manager. The commission raised the salary to \$15,000. Sometimes it does not pay to kick.

A news story in Sunday's papers said that a 61-year-old man stabbed his 30-year-old wife with an ice pick. Probably she refused to respect old age.

Our sympathy goes out to the people in the storm-swept area of Florida, but we are reminded of the wonderful word pictures painted of that country by radio broadcasters inviting people to come to that state, where "it is springtime all the time." No spoon on the globe is immune from calamities of one kind or another, and we prefer a West Texas dust storm any time to a tropical hurricane.

Nature will assist in putting into effect the vacant lot ordinance. Frost will get the vacant lot owners to get rid of the weeds.

Al Smith, Jim Reed, and Bill McAdoo are being mentioned as probable democratic presidential nominees. The naming of any one of these three guarantees con-

tinued political power for the republicans.

With the report that Mrs. McPherson is to be arrested comes the report that the lady is ill. This was naturally to be expected. It is the life that kills.

Another American has been murdered in Mexico by bandits because his friends or kin did not put up \$10,000 ransom. American tourists who go to Mexico should carry along sufficient funds to pay off the bandits.

Coleman school children have moved into their new school building, and the school board of that city announces an increase in tuition of from \$3.00 to \$3.50 for grade pupils and from \$6 to \$7 for high school pupils. The board says this is a bargain rate, however, as the cost to the school is \$10 per pupil.

The rush has hardly started, but cotton is rolling out of the fields of Runnels county at the rate of about \$50,000 a day. Not bad for a starter.

There is a spirit of optimism pervading the atmosphere of West Texas that makes a fellow want to stay here a little while longer. Everything indicates a greater era of development.

Reports coming in from the rural districts bring a call for cotton pickers. "The farmers are up against it for help," reports one local cotton buyer who has been out to look over the situation. Very few negroes have been imported from the South and East and farmers are using Mexican labor almost exclusively.

J. F. Borders, of Runnels and Coleman counties, was indicted by the grand jury at San Angelo this week on liquor charges, and allowed bond in sum of \$3,000.

Tommy Hall and Bill Dickson have gone to Georgetown, where Bill will enter Southwestern University. Tommy went down to spend a few days at the opening of the school.

FIRE DEPARTMENT GETS \$15 CHECK FROM NOYES ESTATE

Chief Louis Cohen, of the Ballinger fire department, received a \$15 check Monday from the Gus Noyes estate, for the company's splendid work a few days ago when the building occupied by the Walker-Smith Company, wholesale grocers, was endangered by fire.

The fire started at the bottom of a large stack of sacked sugar and the firemen did good work in checking the blaze at the proper moment.

PAINT ROCK HELPS STORM SUFFERERS

County Judge D. C. Broyles of Concho county was here from Paint Rock Tuesday and reported crop harvesting in his county moving along nicely with some demand for cotton pickers. Judge Broyles reported that the Red Cross chapter at Paint Rock telegraphed \$50 to Red Cross headquarters for the Florida storm sufferers Monday.

J. D. Smith was in the city Tuesday from the Winters country, and reported that cotton picking was on the drag in his part of the county with the farmers boosting the price of picking by bidding against each other for pickers, while the price of cotton continued to glide downward.

L. B. Stubbs and family left Monday morning for Littlefield in response to a message stating that Mr. Stubbs' mother was very low and not expected to live. Mrs. Stubbs has been making her home for some time with her daughter at Littlefield.

After an absence of four or five years, Noel Penn has returned to Ballinger to make his home and will be associated with his father, W. C. Penn, in the cotton business. He arrived Sunday, accompanied by his wife and children. Mr. Penn has been living at Bay St. Louis, Mississippi, since leaving Ballinger, and judging from his appearance he has been getting three square meals a day. He has considerably the best of his father in weight.

NEW BUSINESS OPENS UP HERE

Ballinger has a new business, the Jno. A. Williams Construction Company, with main offices in the Farmers & Merchants State Bank building.

Jno. A. Williams is the head of this concern, and H. A. Genteman, of Ft. Smith, Ark., is the chief architect. Others in the company are Richard Carter, Bob Williams and Elbert King.

Mr. Williams has lived in Ballinger for the past year and during that time he has erected about twenty new homes in this city. He is continually busy on new structures and he believes in the future of Ballinger. In the forming of the company here and importing of an architect Mr. Williams believes his firm will be in a position to materially assist in a steady and sure growth for Ballinger.

Mr. Genteman is a first class architect and will be in charge of plans for this company. "We will make bids on all jobs, both large and small, that is, up to \$100,000 jobs—we will not pass that mark," Mr. Williams said. Offices of the new construction company, on the third floor of the bank building, have been equipped with new furniture and fixtures.

- Jesse Martin and Miss Christine Palmer
- Earl Hickman and Miss Irene Baldo
- Joe Martinez and Miss Cruz Marolez
- M. O. Bates and Miss Bessie Clark
- England Henson and Miss Alta Davidson.
- Amando Arellano Jr. and Miss Estefania Cadena.
- E. R. Powell and Miss Bernice Wooly.
- Alvin Ballard and Miss Fred Bridwell.

ORCHESTRA IS BEING PLANNED

Plans are well under way for the organization of a high school orchestra under the direction of Verne B. Leonard, of San Angelo, violin instructor, who has a fine class of students in Ballinger. Ernest Moody will be assistant director.

This organization has not yet been perfected, but ten members have been reported to the officials of the organization who are planning for a very fine orchestra during the school year.

M. Leonard comes to Ballinger several times each week to meet with his class and he will be in charge of the orchestra during the time he is in Ballinger. In his absence Mr. Moody will be the director.

There is some good material in the senior high school this year for an orchestra and Mr. Leonard is of the opinion that he can work the local high school orchestra into one of the best in West Texas. He will give a large part of his time while in Ballinger to this work and will direct regular rehearsals from time to time in his studio at the high school.

With the pep squad, the orchestra, the choral club well under way and with other organizations planned, the social life of the high school here this season is expected to surpass that of former terms. The organizations will be well formed, with instructors of the schools in charge to see that they function in the right way.

The organizations, however, will not be allowed to interfere in any way with the educational work of the students, but instead will aid them in their studies. It will also mean additional credits toward certificates in some cases.

Louis J. Wardlaw, Ft. Worth lawyer and rancher, a former Ballinger boy, sold 2,000 ewe lambs to Lee Aldwell of Sonora for \$7 per head this week. This is the highest price paid for lambs in West Texas this season.

Otwell Layton left Monday for Cross Plains, where he will be connected with his father in business.

Mr. and Mrs. Sam Behringer have returned from Dallas, where Mrs. Behringer underwent a serious operation several days ago.

When You Buy Fruits and Vegetables

Insure yourself of complete satisfaction by choosing these items YOURSELF. It is a real pleasure, a genuine economy, and so convenient to do your shopping at Piggly Wiggly.

Notice how fresh the fruit and vegetables are. No leftover or wilted stock—everything is delivered fresh to Piggly Wiggly stores every morning. When you buy fruit and vegetables from us, you get only the best that our vast purchasing power and experienced buyers can secure.

Get Up on Wrong Side of the Bed?

Feel grouchy? Headache—sour taste in your mouth—no appetite—feel lazy and can't think? You are CONSTIPATED! Maybe you don't feel the need of medicine—but constipation does not mean failure of the bowels to act. You must have a thorough movement each day, or you will become clogged up with foul wastes which breed disease and fill your system with poisons. Better correct that constipation with KLOK-LAX. If you don't, it may become chronic, and lead to serious disease and the sick bed. Constipation is a bad habit—a dangerous habit. Produces stomach trouble, biliousness, indigestion. Often leads to painful piles. KLOK-LAX is the new, im-

proved way to STOP CONSTIPATION! Does away with all griping and nausea—and yet, it reaches and cleans out thoroughly every inch of the twenty-eight foot drainage canal, including your stomach, upper and lower intestines. Ordinary methods only reach parts of this long canal, but KLOK-LAX gives it a complete cleansing. And KLOK-LAX is so easy and delightful to take. Just a tablet with a swallow of water. Everybody's taking KLOK-LAX now at 9 at night. Then, next day, with their system clean and pure, they feel fine! Liver active—head clear—appetite hearty and brimful of new life and energy. Get KLOK-LAX at any good druggist.

NORTON MAN IN GASOLINE BLAZE TO REDUCE LONG DISTANCE RATES

Clyde Gabbott, of Norton, was seriously burned about midnight Sunday at the Bennett Filling Station at the junction of the Bronte-Wingate road about seven miles West of Ballinger, when his clothing accidentally saturated with gasoline, caught on fire. Mr. Gabbott, accompanied by his father, R. M. Gabbott, had just left their home at Norton to go to the home of R. M. Gabbott's mother at Brownwood in response to a message notifying them of illness in the home of Mr. Gabbott's mother. They were making the trip in Jake Stubblefield's auto and stopped at the filling station for gas. In some way it seems that gasoline splashed on Clyde Gabbott's clothing and just as a match was struck he was enveloped in flames. The auto did not catch fire and was not damaged, according to the report.

Mr. Gabbott was given medical attention and carried to his home at Norton, where he was reported to be in a serious condition Monday. He has a wife and two children. The accident occurred between twelve and one o'clock Sunday night.

HALLEY WINS GOLF STICKS FROM HIS RIVAL AGAIN

"I got those sticks again," Dr. W. B. Halley, known on the course of the Ballinger Country Club as "Willie," announced. Dr. Halley and A. J. Thorp, the latter known as "Dick" both on and off the course, have been having some hotly contested rounds at the links, and yesterday Dr. Halley won Mr. Thorp's sticks, his golf bag and his golf balls by a score of 39 to 44. Several times Dr. Halley has won Mr. Thorp's golf clubs and almost every time Mr. Thorp would win them back, but Dr. Halley says he is going to try his best to keep the sticks this time. "I am going to play Willie for his Hudson sedan some of these days," Mr. Thorp declared, "and maybe then I will be able to get the best of him." When this pair gets on any golf course, it does not make any difference where or when, there is usually a hotly contested round in store for both the players and the gallery.

GRID GAMES FEATURE AT WEST TEXAS FAIR

Football games are featuring at the West Texas Fair in Abilene this week. One game has already been played, one was scheduled for today and two more for this week. Abilene high defeated Anson high 20 to 0, Monday afternoon before a crowd of some 3,000 people at fair park. Texas Tech Matadors play the McMurry Indians in Abilene this afternoon. Howard Payne College, Brownwood, plays Abilene Christian College Wildcats in Abilene on Thursday afternoon. And to close up the week well, Simmons University Cowboys will meet the St. Mary's University. A number of Ballinger people will see the games Thursday and Saturday.

Ledger want ads 267.

PALACE IS NAME OF NEW THEATER

The Palace, the name given Ballinger's newest and most modern picture house, it was announced Monday by Manager W. D. Seales, will be formally opened Friday, October 1st. An elaborate program, consisting of prologue, musical numbers and special motion pictures, will be presented on this date.

Carpenters are this week completing their work, and a representative of the King Scenic Company of Dallas, who has been here during the past few days, has been awarded the contract for draperies, stage settings and other interior decorations. This work will be completed within the next two weeks and in time for the opening.

An order has also been placed for a huge electric sign with a moving "sunburst" design with a tracer around the outer edge. Both the interior and exterior decorations will be very beautiful and elaborate.

The Palace will be equipped with the latest model Powers 6B projectors, with Peerless arc and motor generator units. This system is the newest and latest in projection, and is said to be the best and most important development since the beginning of the motion picture industry. The larger, finer theatres of the country have taken this system over. It gives a steady, clear light on the screen, three times as bright and clear as the present type, even on the darkest of prints.

The new theatre will seat approximately 600 people and is equipped with a large and comfortable balcony.

This theatre will take the first run of pictures shown in Ballinger and will take the place of the Queen, which now shows the first run pictures. The Queen will present Western and outdoor pictures almost exclusively after October 1st.

Hodge & Seales, owners of the two playhouses in this city, recently purchased the building where the Palace is going up, from Mrs. John I. Guion, of Dallas. The building has been completely remodeled and several thousand dollars spent in making this one of the finest theatres in West Texas. Mr. Hodge, who resides in Abilene, believes in the future of Ballinger and as a result is investing much money here in active business.

NOTHING LIKE IT ON EARTH

The new treatment for torn flesh, cuts, wounds, sores or lacerations that is doing such wonderful work in flesh healing is the Borozone liquid and powder combination treatment. The liquid Borozone is a powerful antiseptic that purifies the wound of all poisons and infectious germs, while the Borozone powder is the great healer. There is nothing like it on earth for speed, safety and efficiency. Price (liquid) 50c, 60c and \$1.20. Powder 30c and 60c. Sold by Weeks Drug Store

Correct weight can be yours

be shapely.

I DO NOT want to be thin! I just want to be my right weight! I want these hollows filled out...

Of course you do. You want a figure that you can drape your clothes on—not just hang them on!

Well, then, be happy—because you can have it! Put plenty of red cells in your blood and watch your weight go up to where you want it!

You just try S. S. S. and watch how quickly you begin to fill out your clothes. Notice your skin clear of unsightly blemishes—your appetite increases—strength comes to flabby muscles and vim and vigor fill your whole system.

WINTERS BEATS OZONA 101 TO 0

The Winters Blizzards started out Friday afternoon on what they believe to be a very successful football season. The Blizzards under the direction of Coach Smith scored 101 points against the Ozona Stockmen...

The Stockmen did not have a thing to put up against the Winters squad and any team with any practice whatever could have defeated the Ozona high team.

Trys for extra points after touchdowns were rather poor in the first half, however, one of the players succeeded in kicking two during this half to make the score: Winters 44, Ozona 0.

According to the final score, the Winters team scored 57 points in the last half. Coach Smith played almost every man on his roster in this game.

Winters turned out with a large crowd for the game, with almost all of the stores closing up, and that is what Ballinger is expected to do when games are played here.

While Winters was winning by a top-heavy score, the Ballinger Bears were working out at Fair Park, getting in trim for their first game next Friday with the San Angelo Bob Cats in San Angelo.

Gordon Thomson has gone to Lubbock where he will attend Texas Technological College during the 1926-27 session.

In the Kitchen with 6 Famous Cooks

BREADS AND BISCUITS AS 3 EXPERT COOKS MAKE THEM

(Ed. Note: This is one of a series of articles on cooking which a famous cook is contributing to this paper.)

Bread can be much more than the uninteresting, prosaic "staff of life." It can be made so delicious that you eat it because you want to, not because you think you ought to.

Famous cooks have unearthed many delicious bread and biscuit recipes from various parts of the country for you. Follow their recipes for pleasing variety in breads.

Easy Bran Muffins

Mrs. Rorer, the Philadelphia cooking expert, recommends her bran muffins for breakfast. They are very nutritious and healthful, she says.

These muffins are easily made," she affirms. "Beat one egg, add a cup of milk, a half teaspoon salt, one tablespoonful sugar and two tablespoonful melted butter...

Nuts for Nourishment

Mrs. Rorer has a very appetizing and nourishing nut bread. Here's how to make it: Chop enough pecans to make a half cupful. Put two cupfuls flour in a bowl, add four level teaspoonfuls of baking powder, half a teaspoon salt and two tablespoonfuls of sugar...

Let stand 10 minutes. Light oven 2 minutes before bread is light. Bake half an hour at medium heat. Raisins may be substituted for nuts. Nut bread makes very good sandwiches if spread with butter. Cream cheese may also be used for a simple, delicious filling.

Southern Corn Bread

Corn bread, that favorite of the South, is another nutritious change from the every-day white bread. Made with the recipe of Miss Rosa Michaelis, famous New Orleans cook, it's a welcome part of any meal.

Here are the ingredients: 1/2 cup of sugar, 1/2 cup cornmeal, 1/2 teaspoon salt, 1 egg, 2 tablespoonfuls baking powder, 1/2 tablespoonful shortening, 2 cups water or milk, or the two mixed. Mix corn meal, salt, sugar and baking powder together. Add water or milk. Add yolks of eggs and shortening which has been heated. Add white of eggs and flour. Put into a hot greased pan, and bake in hot oven. This can be served with butter or with syrup.

Real Boston Biscuits

If you have a patient right arm, you are bound to make successful Boston biscuits. This is another old southern recipe of Miss Michaelis. 1 quart flour, 1/2 teaspoon salt, 1/2 cup milk, 1/2 cup shortening. Mix dry ingredients. Then add the shortening and blend by using the fingers. Rub until smooth, add gradually the liquid and knead all together till the dough is formed. Should be a rather stiff dough. Then lay the dough on a biscuit board and knead with rolling pin half an hour. Knead lightly, and beat again for ten minutes. Roll out and cut out with cutter in any shape and stick top here and there with fork. Bake in moderate oven about fifteen minutes, or till top and bottom are a light brown.

Use Oranges Orange muffins are just the thing for breakfast. To make them, they are delicious to serve with afternoon tea. Mrs. Bull's Delia, San Francisco, formerly with the Pacific Coast Branch of the New York Cooking School, gives this delectable recipe: 2 cups flour, 4 teaspoon baking powder, 1 teaspoon salt, 2 tablespoon sugar, 1 egg, 2 tablespoon melted butter, 1 cup orange juice, Grated rind of one orange. Beat eggs and add liquid. Mix and combine dry ingredients. Add melted shortening and fruit mixture. Bake in greased muffin pans in moderate oven about 20 minutes. You may serve a different bread or biscuit every meal. These recipes are especially helpful to women with the lunch problem, as different sandwich fillings may be used with all but the beaten biscuit with good results. Watch for next week's special cooking article on this page.

Much Ventilation

One manufacturer is selling an efficient oven with 104 holes. These holes provide perfect air circulation and carry away all surplus moisture and all odors. This oven is especially made for all stoves.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE (Tablets) can be taken by anyone without causing nervousness or ringing in the head. E. W. GROVE'S signature on box. 3c.

C. OF C. FEEDS BEARCAT SQUAD

About 75 business men and members of the Ballinger high school football squad attended a banquet given by the local chamber of commerce Friday night at the City Cafe.

The banquet was for the football squad and to prove to them and their coaches that the Ballinger business men were wholeheartedly behind the squad this year. During the past three weeks the Bearcats have been working hard and the chamber of commerce officials decided that it would be a good idea to give the boys a big feed before they entered their first game, which is next Friday afternoon against the San Angelo Bob Cats in San Angelo.

Estes M. Lynn was toastmaster of the evening. He introduced each of the speakers and called on others who were not on the regular program for short talks.

R. T. Williams, a member of the school board, gave the invocation, and following this the dinner was served. Chicken fried steak, waffle potatoes, English peas, drinks, fruit salad, and caramel-nut pie were all on the menu, and Coach Wright lifted the ban on all sweets just long enough for the boys to eat the salad and pie.

Judge Alfred Cramer, president of the chamber of commerce, was the first speaker. He told of the backing the chamber would give the football team and assured them that every member of the commercial organization was very much interested in the athletics of the Ballinger high school.

H. C. Lyon, superintendent of the Ballinger schools, was the next speaker. He told of what he, the coach, and the faculty of the schools were doing and would do in an effort to help athletics in the local schools.

Coach Felton Wright made a short talk. He said that talking was easy and that he and the members of his squad would not promise to win any games this year but they would promise to give their best in each game they went into.

"If we do not come out successful in every contest," Coach Wright said, "there is one thing sure you can say and that is that the Ballinger Bearcats went down fighting."

Others who made short talks were: Scott H. Mack, E. E. King, R. W. Earnshaw, Claud Stone and J. D. Motley.

BALLINGER TEACHER WEDS RANKIN MAN

At San Angelo on Friday, September 10, Miss Eva Webb, a teacher in the Ballinger schools, was married to Mr. Smith, of Rankin. The Ballinger teacher later tendered her resignation and retired from the local schools as a member of the faculty.

Mrs. Smith is the daughter of J. H. Webb, one of the prominent farmers of this county, and who resides on the Colorado River East of Ballinger. She was a member of the 1921 class of the Ballinger high school, later attending college, and last year taught in the schools of this city. She was re-elected and had taught one week of the present term when she became the bride of the Rankin man.

Mr. and Mrs. Smith will make their home at Rankin.

McAlester Coal

We can now furnish you with genuine McAlester Red Ash Coal from Dow, Oklahoma, the best in the McAlester fields, at attractive prices. Satisfaction guaranteed, backed by mines. Get our prices. C. J. LYNN & SON, d-2-47-11 4tw

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILDRON'S TOILET POWDER is a General Strength-Tonic to the whole system. Nature will then throw off or digest the worms, and the child will be in perfect health. Pleasant to take. 50c per bottle.

What 30 Years of Cooking taught Mrs. Rorer about Stoves

By MRS. SARAH TYSON RORER Philadelphia Cooking Expert

I PREFER oil stoves to any other kind. I speak from the fullness of 20 years' experience with them. Oil is clean, economical, and dependable. It saves a world of work. No coal or wood to carry in, no ashes to carry out. And no dust.

"I have just completed a special experiment on the 1926 model Perfection Oil Stove, testing it under all possible cooking conditions. I cooked many meals in my own kitchen. Every dish was deliciously cooked.

Immediate Cooking "Steak began to broil and my molasses cake began to rise almost as soon as I lighted the burners. There was no waiting for the heat to 'come up.'

"The bottom of every utensil used in the experiment was as clean as a china dish. No scouring was necessary. Those long Perfection chimneys certainly are insurance against sooty kettles.

All at the Same Time "I cooked many things at once. For boiling beef I used a very low flame. I French-fried potatoes over a hot flame with yellow tips about 1 1/2 inches high above the blue area. I cooked white sauce over a medium flame.

"I used all grades of heat at the same time satisfactorily.

All flames remained steady and even. They did not creep or 'crawl.' This is a real blessing to the cook. She can forget her stove and keep her mind on her cooking.

"Very Well Satisfied" "Altogether I was very well satisfied with the Perfection Stove. And, my good opinion of oil stoves has increased, if that is possible."

4,500,000 In Use The other five famous cooks were enthusiastic about the 1926 Perfection, too. And every day 4,500,000 women get real cooking satisfaction from their Perfections. You, too, will get the most cooking satisfaction the year around when you cook on the latest model Perfection.

See the complete line at any dealer's today. All sizes, from a one-burner model at \$7.25 to a large, five-burner range at \$130.00.

Buy the stove endorsed by Mrs. Rorer and the other five famous cooks, the 1926 Perfection.

PERFECTION STOVE COMPANY Dallas Branch 425 Frank Avenue

MRS. RORER is one of the six famous cooks who just completed a novel cooking test on the Perfection Stove. Others are: Miss Lucy G. Allen, Boston; Miss Margaret Allen Hall, Battle Creek; Miss Rosa Michaelis, New Orleans; Mrs. Kate B. Vaughn, Los Angeles; and Mrs. Belle DeGraf, San Francisco.

PERFECTION Oil Cook Stoves and Ovens

WARNING: Use only genuine Perfection wicks on Perfection Stoves. They are marked with red triangle. Others will cause trouble.

Endorsed by 6 famous cooks

Send today for our free booklet, "Favorite Menus and Recipes of 6 Famous Cooks." Contains many of Mrs. Rorer's.

"Use this flame for pre-heating the oven for cakes. It has yellow tips about 1 1/2 inches high above the blue area," says Mrs. Rorer.

"Heat at the touch of a match to the wick, when you cook on the Perfection," Mrs. Rorer says.

SISTER DIES SUNDAY IN EDINBURGH, SCOTLAND

J. McGregor, Sunday at noon received a cablegram from relatives in Edinburgh, Scotland, announcing the death of Mrs. James H. Wilson, a sister of J. and P. McGregor, of Ballinger; and of Mrs. Edgar Saunders, of Sonora. Mrs. Wilson will be remembered here as Miss Minnie McGregor. She was born in Stratford, Canada, and came to West Texas with the McGregor family in the early days. She moved to Ballinger in 1888 with the family. She was married to James H. Wilson, of the Benoit country on April 22, 1902. Mr. Wilson was a ranchman in this county for a number of years.

Mrs. Wilson is survived by two children, Marjorie and James Wilson, the two brothers in Ballinger, and the sister in Sonora.

NEGRO HELD HERE ON THEFT CHARGE

I. C. Johnson, negro, is in the county jail, charged with theft of goods of value of more than \$50.

He is charged with entering the home of W. H. Mullins, one mile North of Ballinger and taking several articles. He was arrested Saturday night by Deputy Sheriffs White and Robertson.

C. R. Stephens is quite ill at his home, suffering with what is believed to be ptomaine poisoning.

Announces Location of 3rd Wildcat Test in County

RED BANK WELL DOWN 340 FEET

Red Bank-Fowler No. 1 is drilling at 340 feet in blue shale and Zoch-McCamey-Bruce No. 1 is drilling at 215 feet, also in blue shale.

These two wells are going down exceptionally fast and provided that the work is not hindered by engine trouble, or some other trouble, which will cause delay the wells will soon be at the 1,000-foot mark. Beginning Friday two crews were put to work on each of the wells.

Geologists believe these tests will strike between seven and nine different sands before the 3,000-foot mark is reached.

The Winter well of the Phillips Petroleum Company, near Merkel, which came in for more than 1,000 barrels daily this week is believed by geologists to be the second Cisco sand. The pay was found at about 2,500 feet.

This well is attracting considerable attention and it is believed that a new oil field has been located North of Ballinger. This well is about at the intersection of Jones, Nolan, Taylor and Fisher counties and each of the four counties are laying claim to the well.

It is believed that if the Winter-Phillips No. 1 is from the second Cisco sand that the Fowler and Bruce wells will come into pay at the first Cisco sand which is found at about 1,200 feet.

Other geologists believe that the Winter-Phillips No. 1 flow comes from either Permian sand or the Pennsylvania sand.

Trading is rather accelerated in territory surrounding the new well and others are expected to be drilled within the near future.

It is reported that sales of leases are also being made in and around the Fowler and Bruce wells to both individuals and large companies and that a close interest is being maintained by the owners of these leases in the progress of the two wildcats.

Mrs. M. B. Singletary is visiting in Coleman this week. Miss Georgia Singletary motored down with Mrs. Singletary Sunday and returned home Sunday evening.

A third wildcat oil test for Runnels county, was announced Tuesday afternoon when C. E. Sillix, local lease buyer, made the announcement of a location on the R. M. McMillian tract of the Blanton block, six miles North of Ballinger on the Crews road. F. A. Oyster, geologist of Abilene, made the location Tuesday.

Mr. Sillix has been working on this block which is known generally over the county as the Blanton block, for some time and only recently completed the acreage.

Frank Yates and associates of Fort Worth will drill this well.

Work will start immediately, Mr. Sillix said. The rig builders will begin work within a few days and then the crew will prepare to spud the well. This is to be a deep test.

Final details are being arranged this week and the well will go down very fast it is believed.

The geology on this block was first worked up by a geologist by the name of Thompson, and then later checked by Mr. Oyster. Mr. Oyster made the location for Mr. Yates and associates.

Two wells are now drilling in the county within eight miles of Ballinger, the Red Bank-Fowler No. 1 and the Zoch-McCamey-Bruce No. 1. Good progress is being made on both these wells.

The new well will be known as the McMillian No. 1.

With work on wells on both the South and North sides of the city, other locations are expected to be made soon and interest which will be superior to the oil boom in this county in 1918-19 is predicted within the near future.

Oil scouts, geologists and operators are very optimistic over the prospects for a field in Runnels county.

14 BALLINGER BOYS AND GIRLS IN AUTO WRECK

Fourteen boys and girls, from Ballinger, all in one car, had a smashup in the Eastern part of town about midnight Wednesday. One of the girls sustained a badly bruised limb and hip in the accident, according to Dr. Fred Tinkle, who dressed the wounds.

J. Q. Lankford, of Winters, was a visitor in Ballinger Tuesday.

Royalty Sales Reported In Fowler-Bruce Vicinity

Royalties are being sold in the vicinity of the Red Bank-Fowler No. 1, and the Zoch-McCamey-Bruce No. 1, five and eight miles, respectively, South from Ballinger, according to reliable information made public Tuesday afternoon. It is understood that a Tulsa concern purchased a 1-16 undivided royalty on about 2,000 acres in the vicinity of the two wildcat tests on Monday.

It was further learned that the sale of the royalties was bringing a very good price, despite the fact that the land is located in wildcat territory.

The Fowler No. 1 is down about 500 feet, while the Bruce No. 1 is drilling at about 400 feet.

These two wells have been making exceptionally good progress since they were spudded about a week ago.

Drilling crews at both wells are working day and night.

No late developments have been ascertained in regard to other drilling contracts which are expected to be announced within the next few days. A third block near the two wildcat tests has been obtained, it is understood, but the name of the company that will drill on this acreage has not been learned.

Scouts, geologists, lease buyers, and others connected with the oil industry are in and out of Ballinger every day with some few making this headquarters while in this section of the state.

Other oil companies, very much interested in the drilling of the two wildcats, are watching with much interest, the progress of the two wells, and it is understood that several have purchased spreads from both the Red Bank Oil Company and from Messrs. Zoch and McCamey, who are drilling the Bruce No. 1.

FARMERS CALLING FOR COTTON PICKERS

Notwithstanding that cotton is bringing about \$40 per bale less than last fall, farmers have run the price of picking up by bidding against each other for hands, mostly Mexicans who are drifting in here.

The usual influx of negroes is lacking this fall on account of fairly good crops in the East, and late picking in that section, and so far the farmers have been forced to rely on Mexican labor.

Many farmers are visiting Ballinger daily with the hopes of

being able to pick up pickers among the new arrivals who are coming in from the border and Southwestern part of the state. Autos and trucks loaded with Mexicans poured through Ballinger throughout the day Sunday. Some stopped here, but most of them were headed for points further North.

S. T. Brister, of Route B out of Ballinger, was in the city Tuesday and arranged to get his name back on The Ledger's mailing list. Mr. Brister deserted Runnels county and moved to New Mexico, but had health forced him to return to Runnels county.

Understanding is Basis of Good Telephone Service

The people of this community have good telephone service. They are assured continued good telephone service as the community grows and comes to require more service.

One reason they have this good service and will continue to have it as required is in the fact that this company recognizes its field and extends its efforts towards filling the demand in that field.

But another reason is that the people of this community are forward looking and understand the fundamental principles of public service—the stake they have in good telephone service and their duties with respect to securing it.

It is a matter of good understanding on the part of all of us as to the essential nature and the public character of telephone service.

AT YOUR SERVICE!

West Texas Telephone Company

WILL YOU HELP US TO HELP YOU?

For twenty years we have operated only under soundest banking principles, zealously guarding our depositors' money, carefully conserving our resources, but always with a helping hand held out to those whose temporary difficulty or permanent success calls for financial co-operation.

Our conscientious aim is to give you the best in everything that a good bank should be. You can help us, the community and yourself by making this your banking home, and by recommending this Bank to your friends. May we count on your co-operation.

**Citation by Publication—
Delinquent Taxes**

THE STATE OF TEXAS
To the Sheriff or any Constable of Runnels County, Greeting:
You are hereby commanded to summon Mrs. M. M. Young by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the nearest County where a newspaper is published; to be and appear before the Honorable District Court of Runnels County, Texas, at the next regular term thereof, to be holden at the Court House in Ballinger, on the 4th Monday in October, 1926, same being the 25th day of October, 1926, then and there to answer the Plaintiff's Petition, filed in said Court on the 15th day of September, 1926, wherein the State of Texas is Plaintiff, and Mrs. M. M. Young is Defendant, File Number of said suit being No. 1954.

The nature of the Plaintiff's demand as set out in said petition being an action to recover of the defendant the sum of Thirty-One and 44/100 Dollars as delinquent taxes due plaintiff for the years 1919, 1922, 1923, 1924 and 1925, including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs being due upon the following described property, situated in the county of Runnels and State of Texas, to-wit:

Being Lots Nos. 10, 11 and 12, in Block No. 3 of Reed Sub-division to the town of Ballinger. And plaintiff further prays for the foreclosure of its lien against said property, to satisfy said taxes, interest, penalties and costs, for an order of sale, writ of possession, all costs of suit, and for general and special relief, all of which will more fully appear in plaintiff's original petition now on file in this office.

Herein fail not, and have you then and there before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at my office in Ballinger, in the County of Runnels, this 15th day of September, A. D. 1926.

GEORGIA SINGLETARY,
Clerk, District Court, Runnels County, Texas.

To Stop a Cough Quick

Take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues.

A box of GROVES' O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Groves' O-Pen-Trade Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton and the cost of the combined treatment is 35c.

Just ask your druggist for HAYES' HEALING HONEY.

BUD RUSSELL HERE TO GET MAN FOR THE PEN

Penitentiary Agent Bud Russell was in Ballinger Thursday to get Ed Janca, who was given two years in the penitentiary last week in Paint Rock.

Janca some few months ago is said to have purchased a number of horses in Paint Rock at an auction sale and gave a "cold" check for the animals.

Russell left for other points in West Texas where he has prisoners to take to the penitentiary.

Mrs. B. C. Mann and Mrs. Wells of San Angelo, visited Dr. and Mrs. E. R. Walker here Tuesday.

VISIT ABILENE FAIR THURSDAY

In Abilene Thursday of this week, Ballinger and Runnels county citizens will parade and advertise to visitors at the West Texas Fair that the Runnels County Fair is one of the most prosperous and most important county organizations in Texas, and is a factor in the upbuilding of this section of the state.

Every citizen of Runnels county who can possibly make this trip is requested to do so, and at the same time bring someone with him for the Abilene excursion, to be one of the biggest trips fair boosters here will make this year.

J. D. Motley, secretary of the Ballinger Chamber of Commerce, announces that the caravan will depart from Ballinger about 8:00 o'clock Thursday morning, headed by the Ballinger Chamber of Commerce Band.

Petitions were circulated Monday and again Tuesday to sign business men who expect to make the trip, and it is thought Ballinger will be well represented in Abilene Thursday.

The West Texas Fair program Thursday is one of the most interesting during the entire fair, Thursday morning and shortly after noon there will be the many parades, and at 2:30 p. m. a football game between Abilene Christian College and Howard Payne College of Brownwood is the major attraction. These teams are old time rivals and each year at the West Texas Fair play to some of the biggest crowds ever to witness a gridiron clash. The big pageant, it is understood, will be held Thursday night, and for those Ballingerites who do not care to view this spectacle there will be the round-by-round Tunney-Dempsey fight, received both at the fair park and up town. Ernie Young's Revue will also draw the attention of thousands, afternoon and night.

The board of directors of the local chamber of commerce and the directors of the Runnels County Fair make a special request that every business house in Ballinger and Runnels county have a representative on this trip to Abilene.

B.H.S. ORGANIZES A CHORAL CLUB

The Ballinger High School Choral Club has organized and will begin work immediately for the 1926-27 term of the schools.

Miss Wynon Mason was elected president; Miss Erma Bell Smith, vice-president; and Miss LaVierne Sims, secretary and treasurer. Misses Frances Harvey and Kathleen Holloway compose the membership committee.

It has been announced that the club will have a membership of about fifty girls, all students of the Senior high school.

Troy Simpson is director of the organization and Miss Louise Doss is assistant director.

The choral club will begin practice within the near future and it is hoped that it will not be long before they will be ready to appear before the public in the high school auditorium and also in the various churches of the city.

START TWO NEW HOMES IN THE CITY THIS WEEK

The John A. Williams Construction Company this week started a new home on Eighth Street for Tom Caudle.

A contract was also closed Tuesday, to remodel the old home of Mrs. W. H. Weeks on Eighth Street, which will be made into a two-story structure. Mrs. Ollie Midgley is living in this place now.

The home of A. K. Doss on Broadway, the home of Claud Wilmeth, on Broadway, and four or five other homes on that street and Sixth Street are nearing completion and will be ready to be occupied within the next few days.

Mr. and Mrs. Paul Beard are the parents of a baby girl born to them Monday. She has been named Juanda Helen.

BEARCATS TO ANGELO FRIDAY

Coach Felton Wright is not in such a good humor about his Bearcat football squad for their first game, but the boys are going out in hard practice every afternoon getting ready for the first game to be played in San Angelo next Friday afternoon against San Angelo high's Bobcats.

Coach Wright is working his 27 men out each afternoon and it is hoped they will be in fair shape for the Friday game, but at the rate they are going now, it does not look so well.

Ballinger business men are backing the Bearcats this year and it is thought that quite a large number will go to San Angelo with the team next Friday.

Coach Bill Bissett of the Bobcats was down Monday evening for a little while en route to San Angelo from Abilene where he had been to scout the Abilene Eagles-Anson high game, which was the opening game of the season in Abilene and for the West Texas Fair.

Coach Bissett will have a pretty fair eleven to put out against the Ballinger squad it is believed, but as has always been the case the Bearcats will fight the Bobcats to the last notch when they meet this year.

Coach Wright does not yet know who he will use in the San Angelo game but he is keeping a close watch on all the candidates and it is probable that he will play some that the public is not expecting to see in the line-up.

and by happy. Join the crowd for a lively and merry time at the Olfen Amusement Hall, Saturday, September 25. Music by Ray Wills' Lone Star Entertainers.

COMMITTEE
24-1td-11w

PEP SQUAD FOR 1926 GRID TEAM

Miss Lucille Copass and Miss Una Mae Sheffield, two of the instructors of the Senior high school, are responsible for the organization of a pep squad which will be seen at all athletic contests which the Ballinger high entries will have part, and especially at the football and basketball games.

Miss Frances Harvey and J. T. Preston have been elected head yell leaders of this delegation, and Miss Lois Alexander and Drew Dickson have been elected assistant yell leaders.

While it has not yet been decided whether the pep squad will go to San Angelo for the opening game, the squad will start working today on yells and songs and will be ready for the first game in Ballinger which is on October 1st, with the Howard Payne Reserves from Brownwood.

Uniforms will be selected and the pep squad will be one of the leading organizations in the school during this year, it is believed.

The San Angelo high school has not yet opened for the 1926-27 term but it is rumored here that they will have a pep squad on the field next Friday afternoon when the Bearcats invade that city. A large number of citizens are to go to San Angelo for this contest.

DRUNK IS LAYING OUT FINE IN COUNTY JAIL

One drunk was arrested Sunday morning and placed in the county jail. He says he likes the food at the jail and had rather stay there than pay a fine and get out.

Mr. and Mrs. B. W. Denny spent Sunday in Brownwood visiting relatives.

An Important List of Improvements

Following a year of unprecedented engineering progress, Dodge Brothers announce another important list of improvements for their complete line of motor cars.

No one who contemplates the purchase of a car should fail to investigate the impressive nature and scope of these improvements at the earliest opportunity.

THE STATE OF TEXAS, To the Sheriff or any Constable of Runnels County, Greeting:

You are hereby commanded to summon Jack Culver, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Runnels County, to be held at the Court House thereof, in Ballinger, on the 4th Monday in October, A. D. 1926, the same being the 25th day of October, A. D. 1926, then and there to answer a petition filed in said Court on the 11th day of September, A. D. 1926, in a suit numbered on the docket of said Court No. 3343, wherein Frances L. Culver is Plaintiff, and Jack Culver is Defendant, and said petition alleging that plaintiff is and has been for a period of twelve months prior to exhibiting this petition herein an actual bona fide inhabitant of the State of Texas and has resided in said County of Runnels for at least six months next preceding the filing of this suit;

(2) That on or about the 18th day of July, A. D. 1917, in Los Angeles, California plaintiff lawfully married to defendant; that they continued to live together as husband and wife until about April 8th 1922, at which time the defendant permanently abandoned plaintiff at their home in Runnels County, Texas, and that she has not seen said defendant and they have not lived together as husband and wife since said April 18th, 1922, and that she hereby avers that it was defendant's intention to permanently abandon this plaintiff at this said time.

(3) Plaintiff further alleges that she neither consented to, caused, nor procured said abandonment, that during their said marriage she treated her said husband with the utmost kindness, and consideration, performing her household duties at all times with fidelity and care; that at no time during their said marriage did she give him cause or provocation for such abandonment, and that said marriage relations between plaintiff and defendant still exist.

(4) Plaintiff further alleges that defendant's actions and conduct towards her generally are of such nature as render their further living together as husband and wife unsupportable, the premises considered.

Wherefore, plaintiff prays that defendant be cited to appear and answer herein, for judgment dissolving the marriage relations, for restoration of her maiden name, for costs of suit and for such other and further relief special and general, in law and in equity to which she may be entitled and for which she will ever pray.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Ballinger, this the 13th day of September, A. D. 1926.

THE STATE OF TEXAS

To the Sheriff or any Constable of Runnels County, Greeting:

You are hereby commanded to summon Hiram Grundy by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Runnels County, to be held at the Court House thereof, in Ballinger on the 4th Monday in October, A. D. 1926, the same being the 25th day of October, A. D. 1926, then and there to answer a petition filed in said Court on the 30th day of August, A. D. 1926, in a suit numbered on the docket of said Court No. 3338, wherein Artie Grundy is Plaintiff, and Hiram Grundy is Defendant, and said petition alleging that plaintiff is an actual bona fide inhabitant of the State of Texas and has resided in said state for more than

one year and in Runnels County for more than six months next preceding the filing of her petition. The plaintiff and defendant were legally married on the 19th day of July, 1924, in Tom Green County, Texas. That after their marriage they lived in the town of Ballinger and plaintiff did everything in her power to make defendant a good wife, being kind and considerate and attentive to his wants. That defendant continuously neglected her and wholly failed to provide for her necessities and made her an object of charity; that she was sick a portion of the time, and defendant refused to provide medicine or provision and paid her no attention but spent all of his money for whiskey and was continually under the influence of liquor. That as a result of her union with defendant a baby girl was born by name of Audrey Lee Grundy, now twelve months of age. That prior to the birth of the baby owing to her physical condition and lack of medicine and physician's services plaintiff's condition was very serious and her health was permanently impaired, and her further living together with defendant became insupportable and she permanently quit the defendant on the 9th day of April, 1925, and has not lived with him since. That the defendant is a dissolute character and is now under indictment in Runnels County for a felony and has been in jail many times.

Plaintiff prays for a divorce from the bonds of matrimony, for custody of her child, costs, and general relief.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Ballinger, this the 10th day of September, A. D. 1926.

D. 1926, in a suit, numbered on the docket of said Court No. 1437, wherein The Fidelity Credit Company of Ballinger, Texas, with E. Shepperd as its manager is Plaintiff, and Alberto Garza, the Paint Rock Motor Co. of Paint Rock, Concho County, Texas, a partnership composed of Elton Noble of Paint Rock, and W. C. Allen of San Angelo, Texas, are Defendants, and said petition alleging in substance as follows:

That plaintiff has its domicile in Ballinger, Runnels County, Texas, with E. Shepperd as its manager, that the residence of Alberto Garza is unknown, that the Paint Rock Motor Company is a partnership concern composed of Elton Noble and W. C. Allen, that on the 29th day of January, 1925, defendant Alberto Garza made, executed and delivered his certain promissory note for the principal sum of \$388.00, bearing interest from maturity at the rate of 10 per cent per annum to the Paint Rock Motor Company, and at the same time executed a chattel mortgage on one Ford Tador Automobile, motor number of said car being 10977-864, 1925 model, to secure said note, said note falling due Nov-

ember 20th, 1925, payable at Ballinger, Texas, and being in part payment for said car, which said mortgage is still a subsisting and valid lien on said car, and said note is still unpaid; that on the 20th day of January, 1925, the said defendant Paint Rock Motor Company, by its manager, Elton Noble, sold, delivered, transferred in writing to plaintiff said note and mortgage for a valuable consideration that plaintiff is now the legal owner and holder of same by purchase before said note was due; that plaintiff seeks a money judgment against all of the defendants and a foreclosure of its mortgage lien against said automobile as against defendant Alberto Garza, for an order of sale as required by law and for general relief.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Ballinger, Texas, this the 8th day of September, A. D. 1926.

THE STATE OF TEXAS

To the Sheriff or any Constable of Runnels County, Greeting:

You are hereby commanded to summon all persons owning or having or claiming any interest in the following described land delinquent to the State of Texas, and County of Runnels, for taxes, by making publication of this Citation once in each week for three successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 35th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 35th Judicial District; to be and appear before the Honorable District Court of Runnels County, Texas, at the next regular term thereof, to be holden at the Court House in Ballinger, on the 4th Monday in October, 1926, same being the 25th day of October, 1926, then and there to answer the Plaintiff's Petition, filed in said Court on the 18th day of August, 1926, wherein the State of Texas is Plaintiff and

Unknown Owners are Defendants, File Number of said suit being No. 1952.

The nature of the Plaintiff's demand as set out in said petition being an action to recover of the defendants the sum of Eighty-Five and 91-100 Dollars as delinquent taxes due plaintiff for the years 1911 to 1925, inclusive, including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs being due upon the following described property, situated in the county of Runnels and State of Texas, to-wit:

Lots 3 and 4 in Block 22, College View Heights Addition to Winters.

Lots 7 and 8 in Block 22, College View Heights Addition to Winters.

Lots 11 and 12 in Block 22, College View Heights Addition to Winters.

Lots 13 and 15 in Block 22, College View Heights Addition to Winters.

Lots 16 and 17 in Block 22, College View Heights Addition to Winters.

And plaintiff further prays for the foreclosure of its lien against said property, to satisfy said taxes, interest, penalties and costs, for an order of sale, writ of possession, all costs of suit, and for general and special relief, all of which will more fully appear in plaintiff's original petition now on file in this office.

Herein fail not, and have you then and there before said Court, on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at my office in Ballinger, in the County of Runnels, this 1st day of September, A. D. 1926.

GEORGIA SINGLETARY, Clerk, District Court, Runnels County, Texas. d-6-13-20

LAPP A LOT HOME DEMONSTRATION CLUB

The Lapp-A-Lot Home Demonstration Club met with Mrs. I. M. Turner for an all day session Friday, September 10th. Everyone trusted to a "pot luck" dinner, and no one went away hungry—even the some did insist on counting the number of pieces of chicken some of the others ate.

Soon after noon the club entered into its regular business session. The resignation of the secretary, Miss Velma Turner, was accepted and Mrs. Dee Oliver elected to take her place. Plans for the Runnels County Fair were discussed but nothing definitely decided upon.

After the business session the program of rag rug making was continued and in a short time rags had been dyed and the rug was beginning to look like a rug when the meeting adjourned at 5:30 to meet with Mrs. Russell Friday, September 24th, to complete the rug.

Each member went home declaring Mrs. Turner a charming hostess and Miss Key the best home demonstration agent ever.

Those present were: Messdames P. Cimm, A. Williams, Tubbs, Russell, W. Caudle, D. Oliver, I. Oliver, P. Murray, Joe Thomas, I. M. Turner, and Misses Velma Turner and Eula Key.

WINTERS NEW NOTES

Cyclone Davis, of Sulphur Springs, spoke to a large crowd in Tinkle Park Monday night. He spoke in the interest of the Klan. Stock to the amount of \$40,000 has been subscribed for a new hotel in Winters, to meet \$51,000 put up by J. M. Radford, for a \$100,000 structure. Winters was asked to raise \$49,000 of the amount.

The city of Winters has granted a thirty year gas franchise to D. C. Boyd, of Ranger. Boyd also holds franchises to furnish gas to Ballinger and San Angelo.

The Mid-West Poultry Producers Association will hold its annual poultry show at Winters on December 2-3-4.

Mr. and Mrs. J. P. Flynt visited in Winters Friday afternoon.

SAN ANGELO, Sept. 22.—Varied amusements and sports of the highest type and quality, exhibits that will reflect the prosperity and increasing development of West Texas, particularly the Edwards Plateau, will be presented in the All-West Texas Exposition at San Angelo, Sept. 27 to Oct. 2, inclusive. To educate, encourage and entertain, and at the same time promote a unity of action and a feeling of pride in the achievements of the country are the prime objectives of this, West Texas' oldest regional fair, which has been held almost annually since 1885.

Railroads have granted low round-trip rates to bring to "The Rainbow's End" big crowds to attend six full days' and nights' programs that will cost \$25,000. Horse races, five daily, except Saturday, on a one-mile track, for purses totalling \$4,100, a wreck car race, hippodrome acts, spectacular fireworks, music by the Chicago Cadets Band, and the T. J. Tidwell shows, will be daily attractions at the exposition. Special events will include a high school football game on Friday, October 1, between Abilene and San Angelo, and a college battle on Saturday, October 2, between Abilene Christian College of Abilene, and Sul Ross State Teachers College of Alpine. The carnival, fireworks and band concerts will furnish the background for pageants, style shows, horse shows and musical revues each evening.

America's largest primary wool market and the livestock capital of West Texas, San Angelo always has drawn exhibits of cattle, sheep and goats, wool and mohair, unsurpassed in the Southwest. Recognition of this standing is again given this year by the Sheep and Goat Raisers' Association of Texas in conducting its official sheep and goat show during the exposition. Agricultural expansion in West Texas has been both rapid and steady in recent years, and crops from both irrigated and dry land farms will be displayed, coming from as distant as the Davis Mountains. A half dozen or more counties and ten to fifteen communities will be represented in this division alone. Visitors will find on every hand

evidences of the benefits accruing from oil development to which San Angelo is the gateway.

BRADY BOY SURVIVES TWO SNAKE BITES

(Brady Standard)
Sunday evening at about 5:30 o'clock, and while hunting with his uncle, Ewell, 11-year-old son of Mrs. Brack Teague of Kamey, was bitten by a huge rattler, the vicious reptile striking him on both legs below the knees. The little fellow showed rare presence of mind, running immediately to his mother, Frank Kiser, a neighbor, gave timely assistance, making deep incisions in the wounds and applying permanganate of potash powder, followed by a tourniquet. His action without question contributed largely to the saving of the boy's life.

Medical assistance was summoned and the lad is reported out of danger in the local sanitarium.

The snake itself was dispatched by a load of shot. It was said to have been the size of a man's arm. Mr. Kiser states that snakes have been rather numerous in his section this season, he having uncovered four rattlers in the harvesting of his maize. A neighbor recently killed a rattler measuring 5 1/2 feet in length, and which apparently had swallowed a rabbit. Upon opening the snake, to the amazement of the slayer, 18 small rattlesnakes issued forth.

According to a local medical authority, at this season of the year a rattlesnake is blind, and, contrary to his usual custom, gives no preliminary warning, but strikes at any object that may disturb it, and then may rattle. In the above cited instance, Master Ewell was shaking a bush in order to scare a squirrel into position for his uncle to get a shot at it.

Piles Cured in 6 to 14 Days
Druggists refund money if PAIN EXISTENCE fails to cure itching, blind, bleeding or protruding Piles. Instantly relieves itching Piles, and you can get credit here after first application.

L. E. Hall, of Brownwood, was in Ballinger Wednesday attending to business.

DEATH OF DR. RAPE CALLS TO MIND EARLY DAYS

(Brownwood Bulletin)
The death in Ballinger a few days ago of Dr. T. A. Rape recalls years long gone by, in the mind and life of the member of The Bulletin staff who writes these words.

Dr. T. A. Rape was a native of Nacogdoches county, and there the writer first knew him, years ago. He was a son of Henry Rape, a stalwart farmer and excellent citizen of that county, the family home being in the immediate vicinity of a village called "Venice," which has long since passed from the mind of all except the oldest people now living in that part of the country.

In his early manhood Tom Rape attended medical college, graduated and set up business on his own account. Then he married Miss Emma Swift, member of a very prominent Texas family, daughter of Senator William H. Swift, about a year around whose early day life there clung the delightful atmosphere of romance and adventure. On his wedding night Tom Rape got lost in the darkness of the pine woods,

on his way to the home of his bride, and it was midnight when he finally arrived. When the writer attended the Swift family reunion at the delightful home of Mrs. R. A. Dickinson, at Ballinger, two years ago, he met Dr. Rape, and recounted for several hours days of auld lang syne, back in East Texas. Mrs. Dickinson was a niece of Dr. Rape, being a daughter of Mr. and Mrs. J. C. Swift, of Cisco.

LEGION MET MONDAY NITE; AUXILIARY SERVED DRINKS

The Pat Williams Post No. 8 of the American Legion met Monday night to discuss business matters. No important business, however, was transacted.

The Auxiliary served refreshments following the meeting. A fair sized crowd was present.

Pie Supper
Pie Supper at the Bethel School House, Saturday night, September 25. Everyone invited.
R. L. WHITE,
Committee Chairman.

H. W. Lynn, of Winters, was in Ballinger Wednesday looking after business.

Dividends in Mileage

If you consider the time lost because of tire trouble, add the cost of repairs, and when you have gotten the last possible mile of service—divide the mileage by the total cost of the tire—then your own figures will prove that DAYTONS PAY A DIVIDEND IN MILEAGE.

If your car is equipped with balloon wheels put on Stabilized Balloons. You'll get the smoothness of motion, ease of steering, long mileage and economy of DAYTONS Stabilized construction.

If your car is equipped with large diameter wheels put on DAYTON Thorobred Cords—the pioneer low air pressure tires—tires that for five years have proven their ability to deliver longer mileage, plus easier riding on less air.
