VOLUME 46.

BALLINGER, TEXAS, FRIDAY, NOVEMBER 26, 1926.

NUMBER 10.

HUSBAND ADMITS CLUBBING BRIDE

SLIGHT PRICE CHANGE ON COTTON FORECAST

WASHINGTON, Nov. 22.—The cotton crop will total 18,399,000 bales this year as indicated by reports concerning the condition of the probable yield and ginnings on November 14, the Department of Agriculture announced today. Last year's crop was 16,103,679 bales.

The indicated production in Texas is 5,800,000 bales. Cotton of this year's growth ginned prior to November 14th totalled 12,953,708 bales. Texas ginned 4,027,159 bales of this amount.

NEW ORLEANS, Nov. 22.—The government's cotton crop forecast announced today had only a slight effect upon the market here. Quotations dropped from nine to sixteen points.

CASINGS STOLEN FROM AUTOMOBILE ON RANCH

Bob Caraball, who lives on the Wylie Ranch in the Northwest part of the county, was in the city Wednesday and reported the theft of four tires off his Ford while it was parked in his barn at home over the week-end.

Besides the casings, the tools, the curtains and light bulbs were removed.

Officers here are working on a clue.

STATE HIGHWAY DEPT IS STILL UNDER PROBE

AUSTIN, Nov. 24.—The State Highway Department continued to hold the attention of the House investigating committee today. A number of individual contractors told of their dealings with the department.

COKE WELCOMES UTILITIES CO.

Robert Lee and Coke county citizens celebrated the coming of electricity and the West Texas Utilities Company to Robert Lee Monday night with a big banquet at which representatives of the corporation from Abilene, Ballinger and San Angelo were invited to attend the feast and delegations went from each city.

The banquet was given for the employees of the company in Coke county and for the visiting officials. Paul Brown, cashier of the First State Bank of Robert Lee, was the toastmaster. The affair was held in the new garage building of the Coke County Motor Company.

A splendid program was carried out and excellent talks were heard from various citizens of Coke county, Ballinger, Abilene, San Angelo, and officials of the company.

George W. Fry, president of the utilities company, was present and made a talk; other speakers included Grady Kinsolving, head of the public relations department; Mr. Starling, manager of the Bronte and Robert Lee of fields; Taylor Rowe, San Angelo; Houston Harte, San Angelo; D. I. Durham, district attorney; Robert Lee; L. B. Horton, San Angelo; J. E. Young, San Angelo; James Tunnel and Jess Craddock, Robert Lee; Rev. S. E. Milan and Rev. W. K. Simpson.

A fine musical program was also rendered at the banquet, the program being under the direction of Miss Johnson, music teacher of the Robert Lee schools.

New Chapter Added to Jones Sandbagging Case

As an aftermath to an alleged mysterious sandbagging story, in which Charlie Jones of this city was said to have been slugged on the night of November 13th, a complaint for aggravated assault was filed Tuesday against Jones, himself.

Jones was found wandering around near the home of Perry Roswell, it is charged, about 3:00 a. m., Sunday, November 14th. The man was in a semi-dazed condition and he informed officers that he was dragged from his home and knocked unconscious. In a statement to the officers, Jones declared that he was not slugged, as before claimed, but that he fell down and hurt his head.

Sheriff McWilliams and his force of deputies spent quite a good deal of time trying to run down the mysterious affair but failed to get any clues. Later, however, Mrs. Willie Mae Osborn, formerly Miss Willie Mae Bales came into court and gave testimony that is alleged to have cleared the matter up. She gave the testimony that resulted in the filing of a complaint against Jones, charging him with an aggravated assault in and upon the

witness. It was declared in testimony that Mrs. Osborn with her father, was an invited guest in the Charlie Jones home on the night of the alleged sandbagging, and that when Jones was found wandering around that she had left the home of the said Charlie Jones and spent the remainder of the night across town at the home of John Hampton, having left the Jones home, she asserted, because of the alleged assault on her by the defendant.

In her testimony the complainant alleges that she was sleeping in the room with Charlie Jones and wife on the night of the alleged assault when she was forced to flee to the Hampton residence for safety.

County Attorney C. P. Shepherd filed the complaint in the county court Tuesday, and bond was made by Jones in the sum of \$500 for his appearance in the court at a later date.

Willie Mae Osborn (Bales) formerly resided here with her parents. Later the family moved to Marble Falls, where they now reside. They were here on business when the alleged offense was charged to have been committed.

FOWLER WELL UNDERREAMING

Erroneous reports sent out from somewhere other than Ballinger Thursday declared that a heavy showing of gas was struck at a depth of 2,315 feet in the Red Bank Oil Company's No. 1 Fowler, located on the Dr. W. W. Fowler farm, section No. 514 of J. H. Willis survey, five miles South of Ballinger.

The well was at a depth of 2,315 feet Friday morning, and drillers were about to complete underreaming after nearly a week's work in endeavoring to clean out the hole to the bottom. It was stated Friday morning by drillers in charge of the test that about 14 feet of the hole was left to be underreamed and as soon as that was completed the last joint of casing would be set and drilling would be resumed.

As for the gas showing, the bailer probably contains a little gas when it is brought to the surface as the water shows a few bubbles, but the water coming from the well is not bubbling and there is no scent of gas around the hole.

It is believed, however, that there is a little gas under the water, but just how much it is not known. Drilling will be resumed as soon as the hole is cleaned out and it is hoped that something will be determined then.

Bruce No. 1 Drills
Zeoh McCaney No. 1 Bruce, located on the R. W. Bruce farm eight miles South of Ballinger and three miles South of the No. 1 Fowler, is drilling around 2,200 feet without any further hindrance than that some time ago when a string of lost tools kept them on a fishing job for about three weeks.

The contractors on this well have been making very good time since the string was recovered, and it is hoped that a showing will be found in this hole within the near future.

It is understood that the Moore-King No. 1, near Crews, has been spudded, but that drilling has been stopped. The reason for the suspension has not been announced.

Three other locations have been rumored but neither of the wells have been officially announced here. One of the wells, it is understood is to go to 4,000 feet if pay is not found at a higher depth.

SCHOOL EXHIBITS AT WEEKS' DRUG STORE

Members of the mechanical drawing department of the manual training class of the Senior high school, have on display this week at Weeks drug store, some very fine drawings.

The boys of the high school completed these drawings under the instruction of H. C. Spencer, instructor of the manual training department.

The drawings are very good, and the students and their instructor should be complimented for their work.

R. W. Bruce, Dr. J. G. Douglass, C. R. Stephens and H. P. Nichols have returned from a hunting trip. The party bagged only three turkeys.

J. D. Scott, of Lancaster, is here for a visit with his daughter, Mrs. Horace Strain.

TURKEYS SHIPPED EAST BY EXPRESS PRISON AGENT GETS 7 HERE

The Santa Fe East bound passenger train lingered here long enough Wednesday afternoon to take on passengers and also two express cars of dressed turkeys prepared for Eastern markets by local produce houses.

The express cars were led here and the fowls dressed and placed in the cars. They were consigned to New York and other Atlantic coast cities where they will flourish the piece de resistance on Thanksgiving Day.

Another car was scheduled to be shipped out Thursday afternoon to Northern markets.

These are the first carlots of turkeys to be shipped from Ballinger by express. Several cars went out by freight from this concentration point during the present season.

Each car Wednesday carried about 25,000 pounds of turkeys, or about 2,000 birds. The total value of the two cars expressed was approximately \$15,000, according to prices paid poultry fanciers of this section. The car hauled by the Santa Fe today contained about the same weight in turkey meat, 25,000 pounds and was valued at around \$7,500.

SHOWDOWN DUE IN MEX. MATTER

WASHINGTON, Nov. 24.—Four notes published today by the State Department, without comment, disclosed that the United States and Mexico were approaching a showdown on the issue of American property rights and the Mexican government's policy of nationalizing the oil and mineral resources.

Neither government shows any indications of receding from its present position.

Judge R. S. Griggs, formerly of this city, now of Fort Worth, who underwent a serious operation several days ago, is rapidly recovering, according to word received here by a sister, Mrs. J. W. Blandell.

Bud Russell, Huntsville, penitentiary agent, spent about forty minutes here at noon Thursday eating a little lunch while waiting for Sheriff McWilliams to feed the seven prisoners in the county jail that were "sent up" to the state penitentiary.

Mr. Russell came in on the noon train and left about forty minutes later for Abilene in a bus with the seven prisoners who will be taken to the state prison with other prisoners whom he will pick up while en route back to Huntsville.

Those who left the jail for the pen were: Abbott, Granger, Cotton, Perry, Johnson, Davis and Castro.

Only one prisoner was left, "Few Cloes," a negro, who is charged with forgery. "Few" was not arrested before the grand jury of recent session adjourned and he was not indicted, but he has entered a plea of guilty before the justice court, and declared he wanted to go with those convicted.

Williams and Davenport, two other prisoners sentenced to serve prison terms, have been taken to Slaton to stand trial there.

39 HIGH SCHOOL GAMES THIS WEEK

AUSTIN, Nov. 24.—With the race towards interscholastic League athletic honors considerably narrowed down, there are thirty-nine football games for the present week.

Thanksgiving games are Ranger at Cisco; Beaumont at Lufkin; Marshall at Athens; and Palestine at Nacogdoches.

Miss Ruth Holliday is at home from Simmons University, Abilene, to attend the Ballinger-Winters football game and visit her mother over the week-end.

Dr. and Mrs. J. G. Douglass have gone to Cleburne, where they will visit a few days.

SHERMAN, Tex., Nov. 23.—Mrs. Annie Ball, aged 16 years, came to her death at the hands of her husband, G. D. Ball, aged 28, Coroner J. N. Phillips announced here today.

Mrs. Ball, who was an expectant mother, was killed by blows upon the head from a blunt instrument while she and her husband were riding to church in a buggy Sunday. The tragedy occurred near their home North of Hagerman.

In an alleged confession made by Ball Monday morning he reversed his statement in which he claimed that his bride met death when the horse ran away, and stated that he struck the woman because she threatened to poison him, according to the statement of the district attorney.

OFFICERS ARREST TURKEY THIEVES D. RUTHERFORD ESCAPES JAIL

Deputy Sheriff James White, of San Angelo, was in Ballinger Friday morning with a man giving the name of Clendinning, of Tom Green county, who was under arrest and charged with theft of about 70 fine turkeys, the property of F. C. Schuman, 14 miles from San Angelo on the Paint Rock road.

Clendinning was brought here for identification and he was identified by Walter Watson, city night policeman, and by an employee of the Pecan Valley Produce Company, where it is alleged that the turkeys were sold. They brought \$202.02, according to the management of the produce house.

Felony charges will be filed against Clendinning, it was said. Clendinning lives near the Schuman place.

Another man, alleged to be the one who received the check for the turkeys, was expected to be arrested late Friday while in the act of moving from the Schuman neighborhood to a town West of San Angelo. Clendinning was also said to be preparing to move when arrested.

Local officers who read a short story about the missing turkeys in The Daily Ledger, assisted materially in making these two arrests. Mr. Watson got the number of the car that came here at 1:00 o'clock last Sunday morning with the turkeys and later reported it to Sheriff R. E. McWilliams, who in turn reported it to the Tom Green county officers.

The first felony chicken-turkey theft case in Texas was put on the docket last week in Fort Worth. Tom Green county will have the second such felony case, it was said here.

Arthur Giesecke and Hamil Ward have returned from the Junction country, where they had been turkey hunting.

Mrs. Joe Forman has gone to Omaha, Texas, where she will visit relatives for a few days.

BROWNWOOD, Nov. 22.—No trace has been found today of Dave Rutherford, under a nineteen year sentence for murder, who escaped from the Brown county jail Sunday.

Local police are working on the theory that a woman was implicated in the escape as the prints of a woman's shoe were found under the window of Rutherford's cell.

Rutherford was convicted of killing an officer at Santa Anna during a search by officers for bootleggers.

T. R. White has returned to his home in Omaha, Texas, after attending the funeral of Joe Forman Jr.

Tom Caudle and family spent a few hours with Mrs. Caudle's parents in Winters Friday afternoon after the football game.

The Human Touch

We do not consider those whom we serve as merely clients—but rather as friends, whose grief we are trying to lighten in every possible way. It is this human touch which has won for us the good will of so many whom we have served.

THANKSGIVING

With home-comings, merriment and feasting, America marks Thanksgiving Day. Yet mixed with thoughts of turkey and cranberry sauce, pumpkin pie and glowing apples, is the knowledge that the holiday of praise for the harvest should mark a gain in our own progress, too.

If you are one of those whose bank accounts show a gain—it's a real Thanksgiving for you.

In observance of Thanksgiving Day this institution will not be open Thursday, November 25th.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

Hurry, Mother! Remove poisons from little stomach, liver, bowels

Give "California Fig Syrup" if cross, bilious or feverish

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that the little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Fig Syrup," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of the little bowels without gripping, and you have a well, playful child again. Mothers can rest easy after giving this harmless, "fruity laxative" because it never fails to cleanse the little one's liver and bowels and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Fig Syrup," then see that it is made by the "California Fig Syrup Company."

\$250 REWARD FOR WOLF

J. H. Thompson, who runs the shoe department at the Fashion Shop, pocketed \$100 as his reward for killing a wolf on the Magruder ranch last Sunday and this next Sunday will attempt to get another wolf on the Hartgrove ranch near Paint Rock for which there is a reward of \$250. He has made since the first of the year about \$700 in the form of awards from ranchmen for the slaying of wolves. The wolf of last Sunday was killed Northwest of Mertzon after a chase lasting five hours and a half and beginning at 6:00 in the morning. The chase occurred in a wolf-proof pasture where the animal had slain during the thirty days fifty head of sheep, it was reported. Six Walker dogs were used in the hunt and it took all of them to kill the wolf which was a mixture of a grey and a coyote and which weighed sixty pounds. The wolf slashed the dogs with his fangs before he was killed.—San Angelo Standard.

COM. INQUIRES OF LOCAL COURT WORK

Miss Georgia Singletary, district clerk, last week received a letter from Lee Satterwhite, chairman of the House investigating committee, in which the committee had prepared several questions to be answered in regard to the court work of the 35th Judicial District in Runnels county during the year 1925 and up to November 15, 1926.

Miss Singletary has answered the questions to the best of her knowledge and according to the records in her office. The committee asks the questions below, while Miss Singletary's answer is at the close of each question.

It is understood that similar questionnaires have been sent to other district clerks over the state. Just what the committee is after in sending out these questionnaires is not known here, but is in connection with the investigations of several departments of the state government.

Following are the questions and Miss Singletary's answers:

"Austin, Tex., Nov. 11, '26.

Miss Georgia Singletary,

District Clerk, Runnels Co.,

Ballinger, Texas.

Dear Madame:

You will please answer the following questions propounded by the Investigating Committee appointed by the first called session of the Thirty-Ninth Legislature of the State of Texas at the earliest time possible:

"(a) How many felony cases pending on the docket of your county on January 1, 1925? Eleven (11).

"(b) How many felony indictments returned in your county by the grand juries of the year 1925 and up to November 15th, 1926? Eighty-six (86).

"(c) How many convictions pending on trial before jury on plea of guilty? Seven (7).

"(d) How many convictions on plea of guilty? Twenty-four (24).

"(e) How many indictments quashed? None.

"(f) How many cases dismissed? Thirty-seven (37).

"(g) How many criminal cases pending on your dockets of date November 15, 1926? Eighteen (18).

You will also answer the following questions:

"(a) How many civil cases pending on the docket of your court on January 1, 1926? Forty-five (45).

"(b) How many civil cases filed in district court of your county for the year of 1925 and up to November 15, 1926? One hundred and fifty-nine (159).

"(c) How many contested civil cases tried before a jury in your county for said time? Two (2).

"(d) How many contested cases tried before the court without a jury for said time? (Do not include divorce cases unless actually contested.) Five (5).

"(e) How many civil cases were disposed of without contest? (Include the divorce cases, tax suits and all other uncontested matters coming before the court.) One hundred and thirty-four (134).

"You will also give us the following information with reference to the same time as above mentioned:

"(a) How many terms of court per year do you have in your county? Two (2).

"(b) How many weeks in each term? Four (4).

"(c) How many days has district court of your county actually been in session with the judge present and sitting to dispose of business during each term during this period? I do not know and have no record by which I can tell.

"Write your answer opposite each question of this letter and return, address your letter to Lee Satterwhite, chairman of the Investigating Committee, Capitol Station, Austin, Texas.

"Respectfully,
"LEE SATTERWHITE,
"Chairman Investigating Committee."

COMB SAGE TEA IN FADED OR GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at your drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two it is restored to its natural color and looks glossy, soft and beautiful.

BAD CHECKS PREVALENT NOW IN SWEETWATER

With the winter-buying season at its first peak, stores crowded often with customers, and sales being of importance because of the necessity for moving heavy stocks, Sweetwater merchants are facing an evident need for curbing traffic in dry and forged checks.

Shoplifting also is a problem, although not as great.

Showing a bank deposit slip indicating his check would be honored, a young man yesterday obtained an overcoat and other pieces of clothing at a local store. The check was worthless, although the man had an account in a Sweetwater bank at one time.

Several hundred dry checks are given in the city each month. It was estimated today. Many of these are redeemed, but the loss is still great, merchants say. There is a considerable reticence about filing complaints and the dry check law is having little local effect.

According to a journal published for county officials, the worthless check evil has increased, rather than diminished, since the drastic law was passed. Failure to prosecute offenders is given as the reason. Under this law, failure to make the checks good within fifteen days makes the giving of the check a misdemeanor.—Sweetwater Reporter.

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 60¢ per bottle.

METHODISTS GET NEW PASTOR

Word was received in Ballinger early Sunday night stating that Rev. R. B. Hooper would be the next Methodist pastor here. The new minister comes to Ballinger from Midlothian, Texas, and Rev. S. L. Culwell who has held the pastorate here, will go to Midlothian, the two exchanging places.

In a phone message from Rev. Culwell to W. L. Brown, Rev. Culwell stated that the new preacher was about his own age and had no children, and that he and his wife would arrive here the last of this week in time to fill the pulpit here next Sunday.

Rev. and Mrs. Culwell are expected to return to Ballinger late Monday and will get their belongings packed and ready to move as soon as possible.

Rev. Culwell came to the Ballinger church one year ago and during his stay with the local congregation has done a good work. Largely through his efforts the old church building was torn down and the first unit of a new modern church completed and paid for. The church also paid all its assessments and made a good report to the conference that has just closed. Something over 50 additions were made during the past year, making Rev. Culwell's year's work here one of the best.

Rev. Culwell and family have made many friends here who regret to hear of his going to another field but who will wish for them every success in their new work.

BLACK-TAIL BUCK ATTRACTS ATTENTION

Two hunters returning from the Davis Mountains region brought into Ballinger Tuesday one of the largest bucks ever seen here. They had the deer strapped on the rear end of a Ford touring car and made a stop of several

hours, during which time a large crowd remained around the car viewing the big animal. Several other hunters passed through the city Tuesday with several deer but none compared in size to the black-tail buck from the Davis Mountains.

Be wise and advertise

DR. W. B. CALDWELL AT THE AGE OF 83

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated infants and children had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all children's little ills, he did not believe that a sickening "purge" or "physic" was necessary. In Dr. Caldwell's Syrup Pepsin he discovered a laxative which helps to establish natural bowel "regularity" even if the child is chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it never gripes, sickens or upsets the most delicate system. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.

Buy a large 50-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself.

To the Public

I wish to state to the public that I have bought a Gin in Ballinger, from the Runnels County Gin Company, that Mr. Towler has been operating.

I have this gin in first class condition in every respect—equipped with the Mitchel double saw bur extractor machines, I believe the best on the market.

This being my first year in Ballinger I am taking this method of putting my business before the people and am asking a liberal patronage of the customers of this territory.

Having been in the gin business fourteen years, with that experience and the very best machinery money can buy, I believe I am able to render you the best of service. That being my goal, I will not be satisfied with anything less.

Assuring you that your loyal co-operation and liberal patronage will be very much appreciated, and will take pleasure in thanking you in advance.

Hope to see you soon, as I am ready to gin your cotton at any time.

W. F. MASON Proprietor

Undeclared Blizzards are Whipped By Bearcats 9-0

(By Albert W. Sledge Jr.)

Playing unbeatable football the Ballinger high school Bearcats defeated the "young college" team of the Winters high school 9 to 0 in the hottest contested game of the season for Runnels county grid fans.

Some 3,000 people saw the Bearcats, who were out to avenge the Winters city and a large number of that 3,000 were from Ballinger and there was not a faulty lung among the entire crowd for cheers and yells were loud and many and they drowned out whatever other noise there might have been at the time.

Ballinger schools closed up at 2:00 o'clock and at 3:30 o'clock most of Ballinger was in Winters for the game. Winters stores closed, that is a large number of them, and many went out to see the "young college" team go down before the rushing Bearcats, who were out to avenge the defeats they had suffered this year from weaker teams.

Winters' winning streak was broken and it hurt more than Ballinger football fans will ever know, the pride of the Winters players and the Winters fans, and neither will the Winters players and fans know just how much good it did the Bearcats and their boosters.

The Bearcat fans went wild after the first three points made by J. B. Arthur, Bearcat full, when he kicked a field goal from the Blizzard 12-yard line and still wilder when Henson Alagood, Bearcat half, made his second touchdown of his football career when he intercepted a pass on his own 35-yard line and outraced the Winters eleven to his goal line, some 65 yards for a touchdown. One Winters player was almost on Alagood when he went over the line but it was not soon enough as the touchdown was made when he crossed the line with the pigskin under his wing.

That all occurred in the fourth quarter, when everything was very quiet and dull and it looked as though the game would be a scoreless tie but when the three-point lead was obtained the Bearcat fans went wild with joy and still wilder when the touchdown added six points to make a total of nine for the Bearcats and a "goose-egg" for the Blizzards.

The Winters Band was out with the Blizzard pep squad, with the veteran Joe Ward directing; the Ballinger Band was there with the Bearcat pep squad with H. H. Carsey directing. These two organizations made entertainment for the grid fans between halves and both showed they had practiced much for the occasion. Each was equally as good as the other.

At the start of the game Captain Tucky lost the toss, while the Blizzard captain chose to defend the South goal. Tucky chose to receive. The ball was kicked over the end zone and brought back to the Bearcats' 20-yard line. Arthur kicked against the wind on the first play and it was a good kick as all that he booted during the afternoon were. But Winters made three successive first downs to carry the ball to the Bearcats' 8-yard line. There, the Bearcat line was impenetrable and instead of making 8 yards in four tries for a touchdown, the Blizzards lost 5 yards. From that time on the game was Ballinger's.

The Bearcats played football during the remainder of the afternoon and not once was their goal-line threatened, although the Blizzards opened up a passing game in the first quarter that made for them some two or three downs but every time they were held when they endeavored to go through the Bearcat line. The passes ruined Winters' chances to win the game and once or twice Ballinger's passes threatened to ruin their own chances of winning.

McKenzie, Alagood, Parrish and Arthur were the star offensive players for the Bearcats. McKenzie made the best end runs of the game while Arthur's kicking was superior to that of the Blizzards' kicker. Parrish called signals wonderfully and never once did he falter in calling his plays. He displayed the best generalship at this game than in any other he has ever played in. Alagood was the defensive backfield star of the game and also did much in working the Bearcat interference. He was responsible

for the six points after Arthur's field goal. Buck Elkins, sub back, and Pete Marecek, another sub, played a few minutes of the game and both showed they could get through the Winters line every time they were called to "tote" the pigskin.

The entire Bearcat squad worked as a machine, with Rayburn, old reliable "Speck" Rayburn, Bearcat center, and J. D. "Curly" Forman, performing wonderfully on the defense. Rayburn was partly responsible for the three points Arthur obtained in the fourth quarter. He passed the ball to Arthur before a punt and then went down to recover the fumble of the Winters safety. Rayburn went over and through the line many times to get the Blizzard runner. He was also down on the punts like a streak. "Curly" was also down on the punts and he went thru his side of the line to get the runner. He and Rayburn went down on every punt and almost every time they would get the safety man at the same time. Forman played football all during the game. Rayburn came home with the Winters pigskin.

Smith, Middleton, Mason, Captain Tucky and Powell in the line for the Bearcats played great defensive and offensive football. They knew when and how to get the runner and how to make holes for the Bearcat backs.

The Winters team was outclassed from the first to the closing. Young, Winters captain, center, who had never been downed by an opposing center this season went down before the attack of Rayburn; Newby, the lightning streak of the Blizzard backs, never showed a thing; Robertson could not do much kicking but he tossed several passes, some of which were intercepted; Edwards was not the field general that James Parrish proved to be, he showed that when he had the ball on the Bearcats' 8-yard line in the first five minutes of the game, again when he called a Blizzard back for a field goal from the 43-yard line—he tried to make this player—a Wolfe of T. C. U., who booted one against Arkansas to win a game.

Ballinger's whistling to keep up courage, certainly helped in this game. The Bearcats are going to whistle some more when they play Winters.

Officials were never better in any contest ever played in West Texas, they would have done for the Army-Navy game. Dutch Meyer, T. C. U. Freshman coach, was referee, and he refereed the game, too. Wm. Boswell, former Centre College star, was umpire; and Vaughan, former T. C. U. star, was head linesman.

Ballinger drew seven penalties for a total of 75 yards while Winters drew only one 5-yard penalty. The penalties hindered Ballinger's progress quite a bit during the entire game. First downs were equal, with each team making eight during the four periods.

Ballinger tried 5 passes, three were completed, and two were incomplete, with about 5 yards being gained through the three completed passes.

Winters passed 14 times; five were completed for about 25 yards gain; two were intercepted, Alagood took one and James Parrish one. Seven were grounded.

The starting line-ups:
Ballinger—Ends, Tucky and Forman; tackles, Mason and Powell; guards, Smith and Middleton; center, Rayburn; quarter, James Parrish; halves, McKenzie and Alagood; fullback, Arthur; Subs—Marecek for Alagood (2); Elkins for McKenzie.

Winters—Ends, Roberts and Bartlett; tackles, Holliday and Campbell; guards, T. Barber and P. Barber; center, Young (e); quarter, Edwards; halves, Newby and Robertson; fullback, Neely.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c.

QUART OF WATER A DAY HELPS KIDNEYS

When Back Hurts or Bladder Bothers, Also Take a Little Salts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean, thus often avoiding serious kidney disorders.

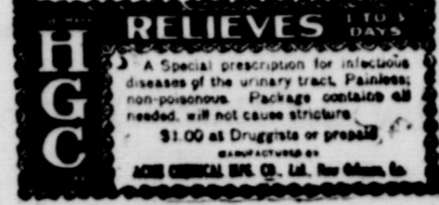

BEARCATS TREATED AFTER THE GAME

The Ballinger Bearcats were treated to an oyster supper Friday evening by L. L. Stroble and Jess Jones at the City Cafe after their return from Winters, where they defeated the Blizzards 9 to 0.

After that they were taken to the fair grounds, where the members of the pep squad gave a Weiner and marshmallow roast for the players.

The fire alarm was sounded here after the game telling of the Ballinger victory over the Blizzards and as soon as everyone returned from Winters, a real pep meeting and shirt-tail parade was held by the girls of the high school on Hutchings Avenue.

It was the first girls shirt-tail parade ever seen here. The girls dressed in their pep squad clothes with "tom-boy" skirts pulled out their shirt-tails and proceeded to give a parade.

\$500 BURGLARY IN MILES THURSDAY NIGHT

Dresses valued at between \$400 and \$500 were stolen from the Krauss Dry Goods Company at Miles some time during Thursday night, according to Sheriff R. E. McWilliams, who has been investigating the burglary but to date no clues have been detected.

N. Passur, formerly of this city, is manager of the store. The burglars were only after dresses, some 25 or 30 being taken in the burglary. The cash register was not bothered and neither was the safe. The burglars gained entrance to the dress show room by cutting a hole in a beaver board wall.

About fifteen fine silk dresses were taken, while the others were woolen and cotton dresses.

G. P. Teague and Asa Cordill have returned from below Eden, where they had been hunting. They returned with two turkeys.

Ledger advertising pays.

POULTRY SHOW WINTERS, 2-3-4

WINTERS, Nov. 22.—The Mid-West Poultry Show which is to be held in Winters December 2, 3, and 4, promises to be one of the best shows ever held in West Texas. Entries are being sent in from many sections of the West and local breeders are taking a great interest. The show is being held under the auspices of the Mid-West Poultry Producers Association and the Chamber of Commerce. The Mid-West association is made up of about one hundred producers of the Winters section who have as their aim the production of better poultry and poultry products.

The premium list of this show is very attractive since more than \$1,000 is being offered in prizes. Special prizes are being offered to attract distant breeders and especially are the owners of the birds solicited to attend the show. In order to stimulate the interest of the breeders in attending the show a prize of \$10 is being offered to the exhibitor who brings his birds the greatest distance. Another novel prize is \$15 to be given to the breeder who enters the greatest number of birds, if that display is also the best he will receive also the \$10 prize to be awarded for the best display of the show.

The Chamber of Commerce will be directly in charge of the show and any information such as catalogs, entry blanks, etc., may be had by writing to C. R. Robertson, secretary of the chamber.

L. C. Daugherty and Lawrence Pape left Sunday for Menard and Ozona, where they will do a few days hunting.

Each unbroken "Bayer" package contains proven directions. Handy boxes of twelve tablets cost few cents. Druggists also sell bottles of 24 and 100.

HUNTER KILLS BUFFLE HEAD DUCK NEAR HERE

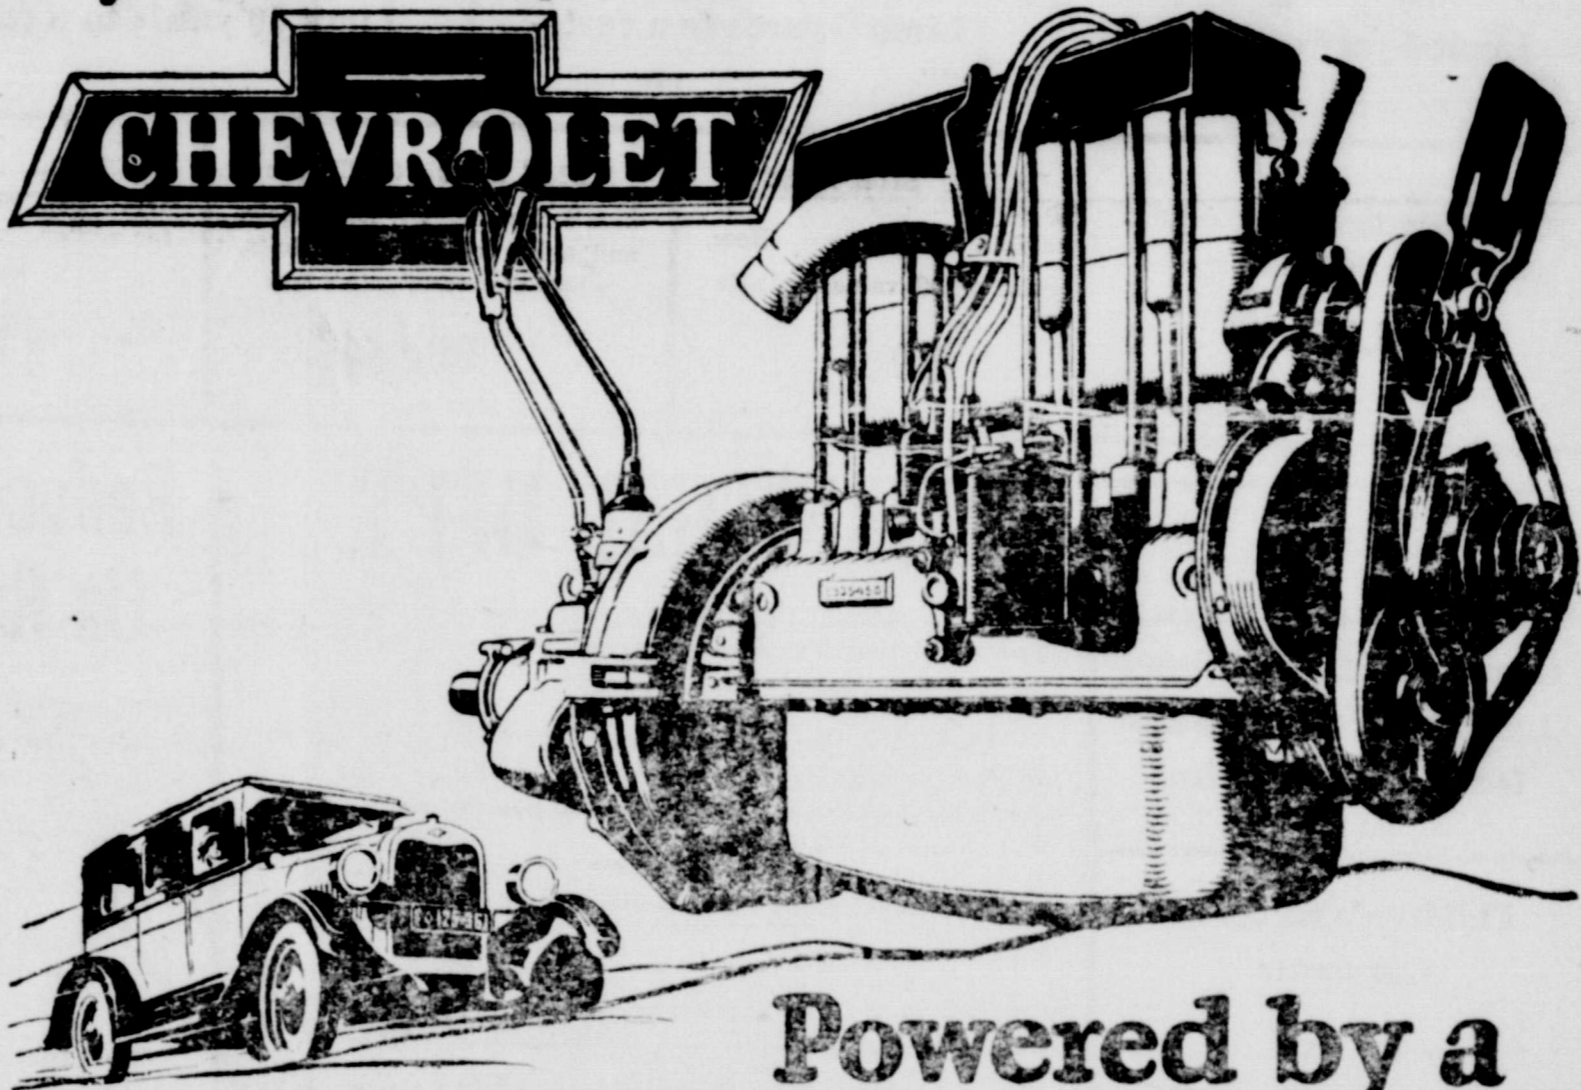

A bufflehead, a rare variety of the duck family, was killed on the Ballinger Country Club lake near the city Wednesday afternoon by Garland Dickinson, who brought the bird among others to the city where it was embalmed.

The bird weighed one pound eight and a half ounces. It is the first to be killed in this section this season and the species rarely is seen in Texas.

The bird has a big round feathered head, with black back and white breast.

C. R. Crews embalmed the bird. It is expected that the duck will be preserved indefinitely.

Keep in Trim!

Good Elimination Is Essential to Good Health.

The kidneys are the blood filters. If they fail to function properly there is apt to be a retention of toxic poisons in the blood. A dull, languid feeling and, sometimes, toxic backaches, headaches, and dizziness are symptoms of this condition. Further evidence of improper kidney function is often found in burning or scanty passage of secretions. Each year more and more people are learning the value of Doan's Pills, a stimulant diuretic, in this condition. Scarcely a nook or hamlet anywhere but has many enthusiastic users. Ask your neighbor!

MOTOR COACH HITS FORD SEDAN AT INTERSECTION

A Ford sedan, the property of L. P. Wood, of old Runnels, was badly damaged here Wednesday afternoon when a motor coach of the West Texas Bus Line, en route to San Angelo, struck the sedan at the intersection of Eighth Street and Hutchings Avenue about 4:30 o'clock Wednesday afternoon.

The sedan was occupied by members of the Wood family, but fortunately no one was injured in the collision. The Ford suffered two broken rear wheels and a smashed fender and running board, while the motor coach was only slightly damaged. The bus continued on the trip to San Angelo. The Ford was knocked several feet from where it was hit by the motor coach.

A blow at the American film industry is seen in the formation of an Australian company with 30,000 pounds capital to distribute British made pictures in New Zealand.

Insect Plague Goes Back 4,000,000 Years
SALT LAKE CITY, Utah, Nov. 22.—Bees, flies, beetles, ants, dragon flies and even mosquitoes were pestering around Utah 4,000,000 years ago, the same as they are today. Prof. Earl Douglass of the University of Utah, who discovered dinosaur skeletons near Vernal a year ago, has just found fossils of insects in coeque formation in Dinosaur National Monument. Sixty specimens of fossil plants, including leaves, stems, buds, roots, flowers and fruits were also uncovered. Usually only leaves are found, said Professor Douglass.

MOTHERS

Watch for symptoms of worms in your children. These parasites are the great destroyers of child life. If you have reason to think your child has worms, act quickly. Give the little one a dose or two of White's Cream Vermifuge. Worms cannot exist where this time-tried and successful remedy is used. It drives out the worms and restores the rosy hue of health to baby cheeks. Price 35c. Sold by Weeks Drug Store.

Mrs. J. G. Douglass returned home Saturday afternoon from a visit to relatives at Cleburne.

Miss Miriam Steward, who has been teaching in the South Ballinger schools, left Sunday and it is understood will not return to her position here.

EVERYONE LIKES THIS COLD CURE

"Pape's Cold Compound" ends a cold or gripe in a few hours

Your cold will break and all gripe misery end after taking a dose of "Pape's Cold Compound" every two hours until three doses are taken.

It promptly opens clogged up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dizziness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only thirty-five cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Accept no substitute.

THIEVES ROB WARD STATION

Thieves entered the Ward Service Station some time Sunday night and stole about \$10 in change from the cash register. The thief entered from a small window in the rear of the office and pried the front of the cash register open and escaped through another window with money taken in up to Sunday evening.

Nothing except the money was missing, although there were a number of articles that might have been stolen. Several guns of different kinds were stacked in one corner of the office and a good revolver was lying on a desk, as well as some flashlights, cases and tubes. The thief was evidently looking for money only as nothing else was disturbed.

The officers were given the facts and are working on the case, however there was no clue left to connect anyone with the burglary.

RUB PAIN OUT OF RHEUMATIC JOINTS

For 65 years, millions have rubbed soothing, penetrating St. Jacobs Oil right on the tender spot, and by the time they say Jack Robinson—out comes the rheumatic pain and distress. St. Jacobs Oil is a harmless, rheumatism and pain liniment which never disappoints. It doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache and neuralgia. 35 cent bottle guaranteed by all druggists.

ONLY A FEW TEACHERS MEETING IN EL PASO

J. B. Pace Jr., will be the only teacher from the Ballinger schools to attend the Texas State Teachers Association convention at El Paso. He will leave Wednesday at noon for Abilene where he will take the special to El Paso at 2:40 o'clock Wednesday afternoon. County Superintendent R. E. White stated Monday that something like eight or ten of the rural teachers would probably make the trip, however others may turn in their names before Wednesday.

The special train will leave from Abilene and all teachers who go by train will have to leave their schools Wednesday in time to catch the train at that place. Low rates prevail for the round-trip.

Supt. White stated Monday that teachers could leave Abilene at 2:40 p. m. or 7:35 p. m. Wednesday. To catch the 2:40 train teachers will have to leave Ballinger on the 9:15 a. m. bus. To catch the 7:35 train either the 3:00 or 5:30 p. m. bus can be taken from Ballinger. Mr. White announced that if enough teachers wanted to leave and catch the 2:40 train that by getting five or more a special bus from here could be arranged for.

Rio Coffee per pound 25c. Cane Syrup 75 cents per gallon. U. E. Hartman, Grocer. 19-1fw

JOE FORMAN JR. IS BURIED IN COLEMAN

Joe Forman Jr., the 14-month old son of Mr. and Mrs. Joe Forman, of this city, was buried in Coleman Wednesday morning following services held at the First Methodist Church of that city. Rev. W. H. Doss, of Ballinger, officiated at the church services. The baby died in Coleman at the home of his grandparents Monday evening.

Many were in attendance at the funeral, with several Ballinger citizens going over. The First National Bank here was closed all day Wednesday in respect to the parents of the dead baby, the employees of the bank going over for the funeral. Many city firemen also went to Coleman for the services.

Colds Cause Grip and Influenza

DRASCO HOME DEMONSTRATION CLUB

Drasco Club met Monday, Nov. 15th with Mrs. H. A. Mitchell. There was a good attendance, and had as our guests Miss Caroline Chambers, county home demonstration agent of Taylor county, and her club from Bradshaw. The house was called to order and Miss Miss Hudson, president, handed in her resignation, which was accepted and Mrs. D. Dobbins elected. Club reports were discussed and several handed in for the months of October and November. Plans for the organization of a County Council for the clubs near Winters, to meet in Winters once a month were discussed and approved of by the Drasco club, but nothing definitely was decided, as other clubs have not dismised same.

Miss Chambers gave some very interesting suggestions on Christmas gifts, her club members each having brought a suitable girls or suggestion. Kitchen aprons were approved by everyone present as being a practical gift, and several were displayed. Miss Key had several and her patterns were cut and distributed to those who wanted them.

The "school lunch" demonstration, accompanied by an instructive lecture was given by Miss Key. The sandwiches were served with hot chocolate to about fifty members and guests.

The subject of the next meeting will be "Pastry."

The following recipes were given to everyone:

Nut Bread
1 cup white flour
two-thirds cup graham flour
Half cup brown sugar
Half teaspoon salt
Half teaspoon baking powder
One teaspoon soda
Half cup nut meats.
One cup sour milk.
Mix and sift together dry ingredients, leaving all the bran in. Add nut meats and milk, pour into baking pan and let rise 20 minutes. Bake in moderate oven.

Graham Nut Bread
2 cups white flour
2 cups graham flour
2 teaspoons soda
One teaspoon salt
One cup molasses
2 cups sour milk
One cup chopped nut meats.
One cup chopped raisins.
Mix, let rise and bake same as above recipe.

White Nut Bread
survey No. 104, October 20, for the sum of \$1 and other good and valuable considerations.

F. P. Zoeh to Oklaamia Oil Co., 80 acres of the C. H. Willingham survey No. 518, October 20, for the sum of \$1 and other good and valuable considerations.

Royalty Deeds
C. P. Drose to C. A. Drose Sr., half interest in and to all oil, gas and other minerals produced on 166.3 acres of blocks 3 and 10 of the Houghton & Robinson 15,000 acre ranch, January 14, 1925, for the sum of \$1 and other good and valuable considerations.

Mineral Grants
J. A. Lange and wife to Fred Kiehlle, an undivided fourth interest in and to all oil, gas and other minerals produced on 207 acres of the J. T. Russell survey No. 520, November 3, for the sum of \$1 and other good and valuable considerations.

WINTERS FARMER FILES BANKRUPTCY PETITION

A voluntary petition in bankruptcy has been filed by William Floyd Rhoden, Winters farmer, with Jesse T. Couch, deputy clerk of the federal court in San Angelo. It will be referred to Carter T. Dalton, referee, in bankruptcy for the San Angelo division of the Northern district of Texas. Mr. Rhoden lists his liabilities as \$5,016.10 and his assets as \$936, all of which save an insurance policy of \$186 is claimed as exempt. The petition was filed by A. K. Doss, local attorney.

PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache, no hacking, snuffling, mucous discharges or dryness; no struggling for breath at night. Tell your druggist you want a small bottle of Ely's Crema Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly. It is just what every cold and catarrh sufferer needs. Don't stay stuffed-up and miserable.

C. A. Drose returned Monday at noon from Temple, where he had been at the bedside of his daughter, Miss Marguerite, who underwent an operation at that place.

No more unsightly Pimples!
S.S.S. gives you a clear skin.

WHAT a delightful sensation to look in your mirror and find your face free from pimples, blackheads, blotches and other skin blemishes. Isn't it wonderful to see your face radiant with red blooded health! Pure, red blood is what it takes to have a lovely skin. Facial blemishes can't be covered up successfully. Nor will anything else drive away these unsightly pimples and such, but the cleansing of the blood and the adding of rich, red blood.

And that's what S. S. S. does. All those objectionable blemishes will vanish and your skin will become soft and clear. S. S. S. has been such an aid for generations. Everybody is attracted to the girl with a rosy, healthy coloring—the girl with the soft, velvet like skin—a skin so lovely that it tells of boundless health and vitality. There is no excuse for disgusting eruptions on the skin. We know they can be driven away quickly with a powerful blood alterative such as S. S. S. has proven to be for 100 years. Start taking S. S. S. today. And get the larger size bottles. It's more economical.

Berlin May Soon Have Retail Airship Store

BERLIN, Nov. 19.—Aviation in Germany is becoming so popular that retailing of airplanes may soon become a well-established business.

The department stores have not taken them up yet, but the field is evidently appearing so promising that at least one company manufacturing planes that it announces the opening of a store where it will exhibit and offer sport and passenger planes for sale.

Dr. Mellenthin**

SPECIALIST
in Internal Medicine for the past
fifteen years

DOES NOT OPERATE

will be at
Southern Hotel
Monday, December 13th

Office Hours 10:00 a. m. to 4:00 p. m.

ONE DAY ONLY

No Charge for Consultation

Dr. Mellenthin is a regular graduate in medicine and surgery and is licensed by the state of Texas. He does not operate for chronic appendicitis, gall stones, ulcers of the stomach, tonsils or adenoids.

He has to his credit wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers and rectal ailments.

Below are the names of a few of his many satisfied patients in Texas.

Mrs. O. J. Finley, DeKalb, stomach trouble.

Mrs. Fred Mabe, Cleburne, high blood pressure.

Mrs. C. A. Jones, Ranger, catarrhal condition.

Mrs. Hugo Steinmeyer, Tynan, gall bladder.

Mrs. J. F. Roberts, Durant, Okla., liver trouble.

Mrs. Myrtle LeFlore, Clarksville, gall bladder.

Mrs. R. H. McKeen, Quinlan, female trouble.

Remember above date, that consultation on this trip will be free and that his treatment is different.

Married women must be accompanied by their husbands.

Address: 211 Bradbury Bldg., Los Angeles, California.

UP-AND-DOING DEMONSTRATION CLUB

The Up-and-Doing Home Demonstration Club had a call meeting at Mrs. J. L. Hinkle's, Friday, November 19th.

The subject for this meeting was "Kitchen Aprons." Under this several questions were discussed: What kind of materials make the most serviceable aprons; how should they be trimmed; and about what should a good apron cost. Miss Key exhibited several pretty aprons that are a protection to the clothes, and at the same time are not in the way while worn.

Pastry will be the subject for the next meeting, which will be at Mrs. Chester Davis'.

We were glad to have four new members: Mmes. Tom Ferguson and D. J. Goetz, Misses Johanna and Tenna Goetz.

Others present were: Mmes. A. B. Davis, C. T. Michaelis, Eddie Voelker, Alfred Barrel, Hugh Forgey, Edd Bradshaw, Fred Parker, P. Michaelis, J. L. Hinkle, Hugo Michaelis, Misses Ovella Davis and Eula Key.

"Reporter."

Local Piggly Wiggly Man Is Host Salesmen Tues.

Sam Behringer, owner of the Piggly Wiggly store here, was host to his employees and salesmen over this district Tuesday night at a turkey banquet served in the Central Hotel dining room.

There were forty-seven present, thirty being salesmen and branch house managers of wholesale grocery concerns of this section of the state, with eighteen different firms being represented among the thirty salesmen and managers; eleven were employees and their wives, and six were business men of Ballinger.

About twenty-seven salesmen who were out working their districts were so far away from Ballinger that they could not be present for the dinner which is given by Mr. Behringer for his employees annually.

J. E. Young, of San Angelo, was toastmaster for the evening, and he was very good in "pouring it on" everybody who took part in the evening's program, and many who were only guests and not on the program.

W. A. Francis, local manager of the Walker-Smith Company, led the invocation, which was followed by an introduction of everyone present.

A quartet (without the quart) selection was given by Sam Con-

ner, Abilene; J. W. Lindsey, San Angelo; and R. O. Knease, Brownwood. This was very amusing and entertaining and an encore was urged by the banqueters to which the "quartet" very readily responded.

Principal speakers for the evening were R. C. Jones, San Angelo; W. D. Young, San Angelo; J. D. Motley, secretary of the Ballinger Chamber of Commerce; Jud Presley, San Angelo; and F. O. Gibbs, Dallas. Mr. Gibbs gave two very interesting readings.

Miss Anna Jean Sharp was presented in a solo, "Why I Like Traveling Men." Mrs. Troy Simpson was the accompanist.

Other short talks were made by Jim Johnson, San Angelo; A. T. Chapman, Norton merchant; and W. A. Francis, Ballinger.

At the close of the program Mr. Behringer, the host, made a few remarks, giving his reason for treating his employees, the traveling men, and friends.

The menu served was as follows:

- Soup
- Baked Turkey with Dressing
- Cranberry Sauce
- String Beans
- Asparagus Tips
- Celery
- Fruit Salad
- Olives
- Mince Pie
- Rolls
- Coffee
- Smokes

It's Hard to "Catch" Cold if You take Klok-Lax

"Show me a person who catches cold easily—and I will show you one whose intestines are clogged with poisonous wastes," says a noted authority.

He is right! Simply keep your bowels thoroughly cleaned out and your system purified by taking Klok-Lax regularly—chances are you will never catch a cold.

Klok-Lax is the new treatment that completely cleans out all the clogged wastes in your 28-foot canal. When you do this a cold hasn't much chance of

taking hold.

But if you do feel a cold coming on, take Klok-Lax at the first sign. Get your system cleaned of all the clogged wastes with this wonderful constipation treatment—then see how quickly you feel all right again.

Klok-Lax is the new, improved treatment. Everybody is taking it now. It is so pleasant—no nausea—no griping—and yet you are thoroughly cleaned out and feel fine.

Get Klok-Lax at any good druggist.

Resolutions of Respect

Whereas, on Oct. 5th, 1926 the Supreme Grand Master and Ruler of the Universe in his infinite wisdom called from labor to rest our beloved friend and brother, Geo. W. Miller.

Bro. Miller was fifty-two years of age, a native Texan, and a resident of Rannels county for thirty-six years.

Bro. Miller was initiated as an E. A. February 23rd, passed to the degree of F. C. March 22nd and raised to the sublime degree of a M. M. April 26th, 1913. At the time of his death he was Senior Warden of Wingate Lodge No. 1042.

Bro. Miller was a devoted Christian, belonging to the Missionary Baptist Church, having been a member of that church about ten years. He was laid to rest in Wingate cemetery October 6th, 1926.

"His ship has silently sailed across the shadowy unknown sea;

The mist has hidden its snow white sails
From the sight of gazers—you and me;

His ship will never be seen again
Nor lie anchor near this shore;

We have no chart of his lonely voyage
We know but this—he will come no more;

We will watch and wait a little while
Till the harbor master sets us free;

And then, with our cargo of hope and faith
We, too, shall sail o'er the unknown sea."

Therefore be it resolved: That this lodge has lost one of its most faithful members, the country, a loyal citizen; the church, a devoted Christian; the mother, a dutiful son; the son, a loving father; and the wife, a true husband.

Whereas, The friendly and intimate relations with him in the faithful discharge of every duty, while a member of this lodge, and our appreciation of him we extend our sympathy to the bereaved family. His death will leave a vacancy in the lodge where his membership has been since initiation.

Be it further resolved: That a copy of these resolutions be sent his mother, a copy to his wife, a

copy to his son, a copy to the home paper, a copy to the Texas Free Mason, and a copy be spread upon the minutes of this lodge.

"MERRY WIVES" HOME DEMONSTRATION CLUB

The home demonstration club of South Ballinger met in regular meeting November 23rd, at the home of Mrs. R. F. Zedlitz.

The subject was "Pastries." In Miss Key's absence Mrs. Harris gave the demonstration. Pastry and pie receipts were given. Also procedure of mixture and baking were detailed.

A one and two crust pie, and cheese sticks were made.

Sandwiches and chocolate were served with these by the hostess to the following: Mmes. V. L. McShan, C. D. Harris, T. P. Brown, R. A. Smith, E. A. Jeanes, O. H. Douglas, P. P. Helton, B. M. Batts, W. H. Greer, and Miss Annie B. Mapes; and as a visitor, Miss Grace Sheffield, sister of the hostess, of New Orleans, La.

The next meeting will be with Mrs. Ross Smith on December 7th. Christmas suggestions will be the subject and everyone is requested to bring any Christmas gift or suggestion they may have. "Reporter."

Luther Pierce and Miss Zula Carpenter.

John Jones and Miss Stella Shropshire.

FT. WORTH COPS GET NEW GUNS

FT. WORTH, Nov. 17.—Police here might get in a pitched battle with bandits some time and need to borrow ammunition from each other.

Considering that possibility, the Fort Worth city council has decided to arm the 187 local policemen with 225 new pistols, all of .38 calibre, thereby replacing the present assortment of nearly every bore and hammer action in vogue since the Battle of Bull Run.

Hereafter, if a Fort Worth copper runs out of ammunition shooting at robbers, he can grab a companion's cartridge belt with assurance that the shells will be the right size.

The police have gotten not only new shooting equipment, but a \$10 increase in salary as well. Moreover, recently added and future members will get two weeks training at a New York policeman's school, instead of being handed a pistol and pointed to a beat.

Brains are on a par with brawn on the force now, and courtesy and gentility are prime requisites, Chief Henry Lee says. The force will be increased to 195 men. Seventeen were added during October.

Bookkeeper Falls Heir to Fortune

"Upon the death of an uncle I inherited \$50,000. I gave up my position and intended enjoying myself when I was stricken with a severe case of stomach trouble and colic attacks. Two of these attacks made me lose consciousness. After treating with our best doctors with little benefit, I decided to try MAYR'S, and it helped me at once. I have been entirely well for past year." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists.

Roy Mack left Wednesday afternoon for Dallas, where he went to see the T. C. U. S. M. U. football game on Thanksgiving.

Avenue, Ballinger, Texas.
Entered at the Postoffice at Ballinger
as second-class mail matter.
Subscription, the year ----- \$1.50

The 1926 cotton yield in the United States is placed at 18,393,000 bales, practically a two years' supply at our present rate of dressing.

Central Texas has its famous "Hog Creek," Southeast Texas its "Goose Creek," West Texas its "Noodle Creek," and it is still up to Rannels county to produce an oil flowing creek.

Cold checking is getting to be an amusement in Ballinger it seems, and some people are becoming experts at the job. One young girl succeeded in passing sixteen bad checks in one afternoon of last week before being caught.

"King Ben," the leader of a weird religious cult, and known as "the House of David," of Benton Harbor, Michigan, is in the hands of the law. It is to be regretted that the law can't handle such cases before these imposters get in their work.

Turkey sales in Ballinger last week amounted to far more than that received for cotton. Many carloads of the birds were consigned to Eastern markets and most of them brought as high as 28 cents per pound. Within the next few days The Ledger will give the facts and figures on the Thanksgiving turkey crop handled through Ballinger.

Blazing the way for an aeroplane line from New York to Dallas and ultimately on across the continent to the Pacific, a plane with eight passengers aboard arrived in Dallas last week. Hangars will be as common as garages in the next generation, and traveling on the ground will be entirely too slow.

The farmers are not the only people who suffer as a result of bad marketing conditions or crop failures. Banks which are closing their doors throughout the South are charging it to low priced cotton. It is very noticeable that banks are not being forced out of business in sections of the country where diversified farming is practiced.

Up in our neighbor county, Taylor, the members of a Baptist church in the rural district are donating all the eggs their hens lay on Sunday to the support of the church. That figures better than the ten per cent rule of tithing and if the old hens work it right, at the prevailing price of eggs, the church will prosper financially.

Cotton thieves are making themselves conspicuous by taking a lay-off this fall. Perhaps they do not consider the stuff worth stealing and find working the poultry business more profitable. Two hundred dollars worth of turkeys at one haul is not bad, but the final result will no doubt set an example that will prove a warning to others.

Thanksgiving Day will be observed in Ballinger by all business houses remaining closed for the day. Services will be held at the Methodist church in the morning at 10:00 o'clock and everyone is urged to attend. Many people are planning to be out of town, some merely visiting, some away for a turkey dinner and many to see some college teams play football.

Miss Vma E. Walker, a Coleman girl, is pulling down \$4,000 per year salary as manager of the compensation department of the State Fire Insurance Commission. That is equal to the salary paid the governor of Texas, and the lady did not have to make an expensive race for the place, but she no doubt has the ability coupled with a little "inside pull."

Mrs. Ed Whitten, residing on a farm near Lampasas, gathered 650 pounds of pecans off one tree and sold the nuts for 25 cents per pound. You may not be here to do the harvesting, but pecan trees which you plant now may prove a rich heritage for those

to whom you are to leave your worldly possessions. If you plan to plant a tree, make it a pecan tree.

Nueces county is boasting about leading the state in cotton production, having ginned more than 100,000 bales. That is nothing to boast about and the county which can show the largest poultry and egg crop is the banner county of Texas this year. There are numerous cases of where farmers have realized more profit from a small flock of turkeys than from many acres of cotton.

The Ledger has received many complaints about the fire alarm being sounded for celebrations, getting the boys together and occasions other than fires. When people are away from home attending a show, visiting, riding around, etc., and the fire alarm sounds they all think it is their home and make a mad rush for the house, or the telephone to see if their house on fire. It looks like a case of "hollering" wolf, and if for no other reason the alarm should be used for fires only to keep from scaring people. Ballinger has one of the best fire departments in Texas and we have the utmost faith in their ability to fight fires and so has the entire town, but the sound of the fire siren brings terror to every human away from home and especially to those who have had fires before.

PERSONAL

After paying all the expenses of his office for the two-year term, Attorney General Moody passes to the state treasurer \$390,049.27 out of the more than half a million dollars in fees collected. It is a good record for Dan as he steps into the governor's office—Ballinger Ledger.

It is a good record. But Mr. Moody didn't have to build any roads or support a penitentiary system. He had a small, profitable business instead of a big, losing business like the State has. It is often better to have it little than to have it large. His successful administration of the attorney general's office augurs happily for his administration as governor. He is a good lawyer and every governor ought to be a good lawyer. He is intimately informed of the workings of the various state departments, and every governor ought to be informed that way. He is courageous, and every governor ought to be courageous. He is believed to have no motive beyond that of performing first-class public service, and no governor ought to have any other motive. He has the confidence of all the people, as to ability as well as character, and every governor ought to have the public's confidence. All things signify a successful administration for Gov. Moody, and all the people should support him to his will and wish to make his administration what it ought to be. The critics are never quiet long. Mr. Moody knows this, and no doubt is prepared to be criticized. But criticism falls short when it is leveled at an honest and intelligent public servant who is aggressive in right things and intolerant of wrong things.—Dallas News.

ROBERT BRUCE MARRIED MONDAY IN ARLINGTON

Robert Edgar Bruce, son of Mr. and Mrs. R. W. Bruce of this city, and Miss Maxine Yates, daughter of Mr. and Mrs. Sanford Yates, of Arlington, were married Monday evening at 5:30 o'clock in the Presbyterian church at Arlington by Rev. Bennett, pastor of the church. The ring ceremony was per-

Speaks to Women

Dallas, Texas.—"I was run-down in health after the flu and suffered from ailments peculiar to women. I took a small amount of Dr. Pierce's Favorite Prescription and it gave me health and strength. Without going into details about my suffering, I will just say I can earnestly recommend the 'Favorite Prescription.' It is a reliable tonic for women."—Mrs. Hallie Moore, 4024 Main St.

formed very beautifully. Mr. and Mrs. Bruce left for Dallas shortly after the reception following the wedding at the home of Mr. and Mrs. Yates, and where they took a train for San Antonio and other points in South Texas. They are expected in Ballinger on Friday. Mr. and Mrs. R. W. Bruce, and Albert Sledge Jr., attended the wedding from Ballinger. A more detailed account of the marriage will appear in a later issue of this paper.

180 Unknown Stars Found by Astronomer

CAPE TOWN, Africa, Nov. 22.—The discovery of 180 unknown stars is reported by Dr. Vandebos, a Dutch astronomer, who has been investigating the heavens from South Africa. The astronomer also determined a group of three so-called double stars which in their aggregate form a sextuple constellation. This latter discovery Dr. Vandebos explains by the fact that hitherto many of these double stars have been accepted as single stars.

Mr. and Mrs. R. W. Bruce have returned from Arlington, where they attended the marriage of their son, Robert Edgar Bruce, to Miss Maxine Yates.

Henry Todd and County Superintendent R. E. White left Wednesday afternoon for the Junction country, where they will

spend some few days hunting turkeys.

M. E. Yancey, of Shawnee, Okla., son of Rev. and Mrs. W. S. Yancey, is here visiting his parents. He brought with him his bride, formerly Miss Alice Davis, of Mand, Okla.

Henry Yancey and daughter, Mrs. Dick Hodges, of Pampa, Texas, are here visiting in the home of Rev. and Mrs. W. S. Yancey.

Mrs. H. H. Carsey and Miss Louise Kirk have gone to Austin to attend the Texas Aggie football game and visit Miss Eleanor Kirk.

Bought from King-Holt Co.

One of these prizes in each class

Mr. Teacher: Get your students lined up and fight hard until December 15th. Any school has a chance to win. Very little has been done by any single school yet and no one is far ahead. It's worth the effort—so get in and make it hard for anyone to win over your school.

Beginning Dec. 6

—we will start around on the final visit to the schools with one of the new Brunswick Radiolas. Mr. Pyle, of the Brunswick Company, will be in the party to demonstrate this truly great machine. You will receive a letter from Supt. R. E. White within the next few days stating the day and period we will visit your school. Tell the children several days in advance and have them invite their parents to be present at this demonstration of the First Prize.

DEATHS

Mrs. L. B. Barker

Mrs. L. B. Barker, after an illness of only short duration, died at 3:00 a. m. Tuesday morning, in the Halley & Love Sanitarium. Mrs. Barker was taken to the hospital Sunday after she was in a very serious condition, but with everything possible done to stay death she passed away. She was 59 years and 19 days old at the time of her death.

Mr. and Mrs. Barker have been living in Runnels county for a long time and have reared a large family that will gather together again today to pay honor to their mother who leaves her husband and nine children.

Funeral arrangements have not been completed but the service will probably be held at the Baptist church some time Wednesday afternoon. One son in Brooklyn, New York, is expected to arrive Tuesday night, and immediately following his arrival the funeral arrangements will be announced.

E. E. King, of the King Holt Company, will be the funeral director. The body was taken to the morgue at the King-Holt store and prepared for burial and it will be removed to the home on Tenth Street some time Tuesday afternoon.

Among the children who will be present for the funeral of their mother are: Elmer Barker, of Brooklyn, N. Y.; Lee Belle Barker, who is teaching school at Tuscola, Texas; Marcus Barker, Ft. Worth; Miss Opal Dale Barker, who is teaching at Bovina, Texas; Mrs. Bernice Campbell, Mrs. Emma Sehrum, Hayes Barker, Eula Mae Barker and Kate Barker, Ballinger. A sister, Mrs. Mettie Smith, of Winters; an uncle, S. H. Stokes, Winters; and another uncle, W. B. Wilkerson, San Angelo, will also be here for the service tomorrow.

RED PEPPER HEAT ENDS RHEUMATISM

Rheumatism, lumbago, neuritis, backache, stiff neck, sore muscles, strains, sprains, aching joints. When you are suffering so you can hardly get around, just try Red Pepper Rub.

Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into pain and congestion relief comes at once.

Just as soon as you apply Red Pepper Rub you feel the tingling heat. In three minutes the sore spot is warmed through and through and the torture is gone.

Rowles Red Pepper Rub, made from red peppers, costs little at any drug store. Get a jar at once. Be sure to get the genuine, with the name Rowles on every package.

Mr. and Mrs. E. C. Tinsley leave for Stephenville Thursday morning, and will be accompanied home by Mrs. Tinsley's sister, Miss Nannie Mae Middleton. Miss Middleton is attending John Tarleton College, and will return there after the Thanksgiving holidays.

Jim Toothman, Charlie Miller and Joe Simmons have gone to the Menard country, where they will spend a few days hunting turkeys.

TEACHERS GO TO EL PASO

Quite a number of Runnels county teachers left Wednesday for Abilene to take the special train for teachers of North, East, and Central West Texas to El Paso, where they will attend the annual meeting of the Texas State Teachers Association which convenes Thursday for two-day session.

From Ballinger J. B. Pace Jr., principal of the Senior high school, was the only teacher to go from this city. He left Wednesday morning for Abilene.

Other teachers going from the South end of the county through Ballinger, were: Miss Helen Hays, Bethel; Miss Dixie Swope, North Norton; Misses Ethel Brown and Meta Straach, of the Sweet Home school; and L. C. King, of Norton.

Others from the Northern part of the county also left Wednesday, but they went via Winters instead of coming to Ballinger to take a bus for the railroad.

Several Concho county teachers also passed thru here Wednesday en route to Abilene, where they will board the teachers' special for the Gateway City.

Tom Green county teachers went via Sweetwater. Teachers from Coleman and Coke counties also are represented in the delegates to the convention from this part of the state, and it is expected that Central West Texas will have rather large representation at the convention.

To Stop a Cough Quick

Take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues. A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup. The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pen-Trade Salve through the pores of the skin soon stops a cough. Both remedies are packed in one carton and the cost of the combined treatment is 25c. Just ask your druggist for HAYES' HEALING HONEY.

Clubs and Lodges

Shakespeare Club Has Interesting Session

BALLINGER GIRLS ON McMURRY HONOR ROLL

McMurry College, Abilene, has thirty students on the honor roll for the first half of the Fall term and two of these girls are from the Ballinger high school, one a graduate of the class of 1926 and the other of a class several years ago.

They are sisters, Misses Wynis and Eleanor Greer, daughters of Mr. and Mrs. Henry Greer, of South Ballinger, who are attending the Methodist institution this year. Both young ladies entered in the Fall of 1926 and are regular students of McMurry.

The Misses Greer are both graduates of the Ballinger high school, each completing her course of four years with highest honors.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a result, there is more or less stomach disturbance. GROVE'S TASTELESS CHILI TONIC, given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 6c per bottle.

COLEMAN COUPLE MARRIED HERE

Rev. Alvin O. Rue, pastor of the Eighth Street Presbyterian Church, Wednesday afternoon at 3:30 o'clock married Aubrey Burrage and Miss Marie Rodgers, of Coleman, at the manse here.

The young couple motored to Ballinger and secured their license to wed from County Clerk W. A. Forzey and then hunted up a preacher to make them as one.

"It Looks Fine!"

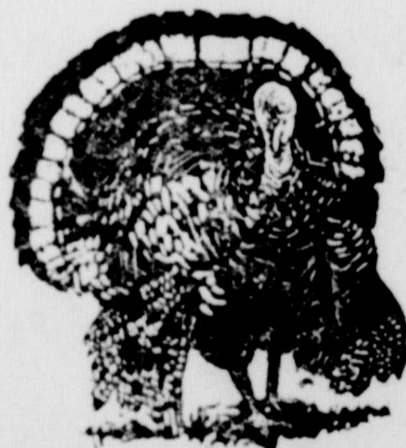

"But I didn't know you were going to buy a new overcoat this Fall."

"It's not new, dear—just the one from last year that I had dry cleaned and pressed."

And we can do the same to your clothes—restore them to that absolute "newness" for a fraction of the cost of new ones.

The Best Advertisement In the World

A fixed policy of helpfulness, friendship, cooperation and accommodation, is the best advertisement in the world.

This institution is doing its best to maintain the high ideals of modern banking. We are proud of the laws of safety and service under which we operate, and we are earnestly striving to back up every one of our own published promises with willing and able service.

After all, there is no better advertisement than the character and integrity of an institution and the men behind it.
