to drink.

Miss Ella Hubach is at home now.

Mr. and Mrs. J. W. Smallwood and family visited the Busher family Sunday afternoon.

Chas. Moore went to Miles yesterday to help the Tacketts move.

Angus McDonald and Bill Hamner visited Mann school last week. They joined the school children in a game of basketball.

Mrs. Luther Smith and children, Miss Ruth Waggoner, and the teachers spent Saturday night at the home of Mrs. J. W. Smallwood for some time and is probably the best the organization ever had. He was a first sergeant during the World War.

Other promotions reported, effective on the same date, are: Privates Clinton R. Dunn, Joe J. Beck and Loraine McKay to corporals.

PECAN MEETINGS ARE CALLED OFF

The pecan meetings to be held in the various communities of Rannels county on Thursday and Friday of this week have been called off on account of illness, County Agent C. W. Lehmburg said Tuesday.

These meetings will probably be held at later dates but nothing definite is known of the plans.

CLUB WOMEN IN MEET HERE

Twenty-four Rannels county club women met at the court house in Ballinger in their regular council meeting last Saturday afternoon, January 28th.

Prior to this meeting, the president, Mrs. Crimm, had sent in her resignation, and Mrs. Lura Hollingsworth, county home demonstration agent, presided at this meeting. Nominations for a new president were entertained. Mrs. Dobbins, of Drasco, Mrs. I. G. Hensley and Mrs. B. J. Smith of Wingate, were nominated and voted on. Mrs. Dobbins was elected president.

The secretary's place was made vacant by the resignation of the one elected for the ensuing year. Mrs. Ayeoek and Mrs. B. J. Smith were nominated and voted on for that office. Mrs. Smith was elected.

Mrs. Archie Tyree was elected reporter.

A financial report was given by the former secretary, Mrs. Dobbins.

Mrs. Rogge, of Rowena, gave a report on the year books.

The announcement was made that the Council would meet in Winters the last Saturdays in February, April and May.

After several announcements from Mrs. Hollingsworth, the meeting adjourned.

PAN AM CONGRESS HALTS TO INSPECT ACADEMY

HAVANA, Jan. 31.—All sessions of the sixth Pan-American Congress were adjourned today while the delegates inspected the Cuban Naval Academy.

A short business session was held at the court house at 10 o'clock Wednesday morning, attended by the directors and stockholders of the co-operative enterprise, at which time a brief report was heard in regard to the finance of the organization. The meeting was well attended.

At 2:30 o'clock Manager G. Ridders opened the doors of the plant for inspection by the farmers, their families, and citizens of Ballinger. Between 2,000 and 3,000 people were expected to visit the plant before 4:30 o'clock.

Bulgarian buttermilk, bread and butter sandwiches, and ice cream manufactured by the creamery were served the visitors.

Between 500 and 750 farmers of Rannels county and their families heard Mayor F. H. Chandler, of Stephenville, an authority on the dairy and creamery industry, deliver an interesting address here Wednesday afternoon at the court house.

Mayor Chandler came to Ballinger especially for the purpose of talking dairy and creamery business to the farmers of the county who were here to attend the opening of the \$18,000 plant erected by the business men and farmers of this county.

VOLUME 47.

DELEGATES TO CONVENT

Several of the delegates from Rannels county to the State Farm Bureau Federation Convention held this month at Dallas, made favorable reports last Saturday at a meeting held here in the court house.

A large number of the members of the organization were present and heard the delegates' reports. Lynn Stokes, retiring president of the county Bureau, introduced Frank Kemp, the new president, who made a short talk and introduced the delegates who made reports.

Following is a short resume of the meeting here:

Lynn Stokes was present and opened the meeting by introducing the new president and stating that he sincerely hoped the members of the county organization would continue their loyal support and help the new president make Rannels county the banner county of Texas and the South.

Mr. Kemp took the floor and introduced the delegates in turn and each made a report on the state convention held in Dallas January 11, 12 and 13. Clarence Routh made the first report. Mr. Routh said he was greatly impressed with his visit to the Cotton Association Building and said he would like to be able to tell the farmers of the organization just how perfect every department is handled and how every head was striving to operate his respective department at the very lowest cost, so as to help the members get the most out of it. Every man had the interest of the members at heart and was glad to serve the best he knew how.

Marshall Lett was the next speaker and he also was impressed with the completeness of the way the cotton was handled and told the farmers several things of importance.

After Mr. Lett, Mr. Kemp, also made a nice talk and report on the convention. He told of the magnitude of the movement and the earnest support the farmers in all parts of the state were giving. He stated that the gin program would mean much to the farmer in building the Cotton Association and encourage the farmers to grow better cotton. He said Mr. Stokes had the situation well in hand and was running the department at small cost and that all gins that operated this past season made a good profit and gave good service by turning out a good clean lint.

Mr. Stokes made a talk on the condition of the cotton market. He stated the association was selling very little cotton at this time and would continue to hold the staple until the market adjusted itself to where cotton would move better and there was a large part of the cotton of last season still in the hands of the farmer.

C. W. Lehmburg, county agent, made a few remarks and announced the opening of the Rannels County Creamery, which is the farmers' co-operative plant. The creamery will open its doors to the public on Feb. 1st, he said, and everybody is invited to visit the factory on this day.

C. W. Buchanan, county representative for the Texas Farm Bureau, made a short talk and announced that there would be a meeting of the farmers in the Winters community next Saturday, February 4th, at the offices of the Winters Chamber of Commerce. This meeting will be for the purpose of erecting or buying a gin by the Farm Bureau.

Other interesting points were brought out by both Mr. Buchanan and the other speakers, and the meeting here was a very successful one officials declared.

NUMBER 20.

Texas Farm and Home Special Here On Feb. 7

On Tuesday, February 7th, the Texas "Farm and Home" special, sponsored by the Santa Fe Railroad and the Texas A. & M. College, will be in Ballinger for several hours. The train will arrive here at 7:30 o'clock in the evening and remain for some time. This special demonstration train is being operated through about 117 towns in Central, West and South Texas, and also parts of East Texas by the G. C. & S. and the agricultural college. The train started out from Navajo on Monday, January 16th, and has visited three or four towns every day. Large crowds have congregated at the train at such stop and it is believed unusually large crowds will visit the train at West Texas points. The last stop of the special will be made on Saturday, February 7th, at Follett. This train carries many interesting exhibits and should attract everyone interested in the progress and development of Texas and especially West Texas. Much interesting information can be obtained from this display of various farm products and home-built necessities.

The special will stop at eight towns west of Brownwood, as follows: February 7—Brownwood, 9 o'clock; Santa Anna, 1:30; Ballinger, 7:30 p. m.; February 8—Sterling City, 8:30 a. m.; San Angelo, 1 p. m.; Miles, 4 p. m.; Paint Rock, 7:30 p. m. and February 9—Coleman, 9 a. m. The train then goes deep into West Texas, its farthestmost stop being Seagraves, a short distance from the New Mexico line. It penetrates the Panhandle, visiting Amarillo and other towns in that section. The train will be spotted here near the Santa Fe passenger station.

FUNERAL FOR MILES FARMER HELD TUESDAY

Funeral services for W. A. Edwards, Miles farmer, were held from the Methodist church of that place Tuesday with Rev. F. P. Bishop, pastor, officiating. Edwards was found dead Monday shortly before noon, on the Ballinger-Miles road, east of Miles, by William Rosser and Jim Donalson.

Edwards' car was stopped at the side of the road and his body was slumped over in the seat. It is thought he was accidentally shot when he reached to the back seat to get something. The charge entered his body just above the left hip and below the heart. He had been dead only a short time when found.

Edwards left his home in Miles about 8 o'clock to go to his farm. No one heard the discharge from the shot-gun. He is survived by an adopted daughter, Juanita; three brothers, Posey, of Corsicana, Jim, of Grand Prairie, Tom of Miles, (the latter with whom he made his home); three sisters, Mrs. Lula Brown, of Mountain Park, Okla., Mrs. Fannie Hobby, of Rice, and Mrs. Sally Burk, of Corsicana.

BOY IS RESCUED AFTER FALL IN WELL

YOAKUM, Jan. 28.—Eugene Davis, 5-year-old son of Mr. and Mrs. P. J. Davis, of Beclair, is in a local hospital recovering from injuries received when he fell into a 35-foot dry well.

The youngster was visiting Dr. J. E. Stephens of this city when the accident occurred. Dr. Stephens tied a loop in a garden hose and lowered it to the boy, who seated himself in the loop and was drawn to the surface.

Many Attended Creamery Opening

Between 500 and 750 farmers of Rannels county and their families heard Mayor F. H. Chandler, of Stephenville, an authority on the dairy and creamery industry, deliver an interesting address here Wednesday afternoon at the court house.

Mayor Chandler came to Ballinger especially for the purpose of talking dairy and creamery business to the farmers of the county who were here to attend the opening of the \$18,000 plant erected by the business men and farmers of this county.

A short business session was held at the court house at 10 o'clock Wednesday morning, attended by the directors and stockholders of the co-operative enterprise, at which time a brief report was heard in regard to the finance of the organization. The meeting was well attended.

At 2:30 o'clock Manager G. Ridders opened the doors of the plant for inspection by the farmers, their families, and citizens of Ballinger. Between 2,000 and 3,000 people were expected to visit the plant before 4:30 o'clock.

DEFENSE FOR HICKMAN HAS STATE WITNESSES

12 ANNOUNCE FOR ELEVEN COUNTY JOBS

During the month of January twelve candidates announced for Rannels county offices, the announcement column of The Ledger shows. These twelve candidates are for eleven different offices, with one office—tax assessor—being sought by both the incumbent and an opponent.

With one exception the other offices have the incumbents as candidates, the exception being that of county clerk, in which Miss Ima McKown is the only candidate. W. A. Forgey, present clerk, "does not choose to run in 1928."

However, it is yet several weeks until the closing hour for candidates to announce and it is probable that several will come out in the next few weeks for various places.

Sheriff Earl McWilliams broke the ice early in the month by announcing for re-election and he was closely followed by other county officials.

Officers who have announced for re-election are: Tax collector, W. L. Brown; Commissioner, precinct 1, R. J. Deens; district clerk, Miss Georgia Singletary; treasurer, Mrs. Jennie Kirk; county judge, Paul Trimmer; justice of peace, precinct 1, C. H. Willingham; county superintendent, R. E. White; commissioner, precinct 3, H. B. Poe. For the tax assessor, M. C. Boyd, incumbent, and Sid Caskey, have announced.

The columns of The Ledger will carry the latest in political news and announcements.

MOTORISTS MUST GET LICENSES

It just costs each man \$21.70 to ignore the state highway law in regard to license numbers for 1928, it was stated Thursday at the court house.

Since Friday, January 20th, 14 highway cases have been filed in the justice court here and each defendant has been fined \$21.70. County Attorney C. P. Shepherd and Sheriff R. E. McWilliams urge all who have not yet obtained a 1928 license for their motor vehicle to get one immediately or they will be haled before Judge C. H. Willingham, in the justice court.

INTERIOR OF F. & M. BANK IS BEING OVERHAULED

A general overhauling is being made on the interior of the Farmers & Merchants State Bank and the bank will soon have a new set of interior decorations.

The painters have been busy for several days and have just started hanging new decorations where the old ones were removed.

LOS ANGELES, Feb. 1.—The defense in the William Edward Hickman kidnapping-murder trial sprang another surprise today when Jerome Walsh, chief counsel for Hickman, announced that he had subpoenaed thirty-eight of the state's witnesses to testify for the defense.

Hickman was also arraigned in another court today with Welby Hunt, for the murder of C. Ivy Thoms, a druggist. Both cases were continued.

OPERATION OF OIL WELL IS HEARD IN THE CITY

Sound of some kind of an engine in operation, just north of the city has been falling on the ears of Ballinger citizens for some time, but it was only recently that the engine was located. It is being used to drill the Gibson & Johnson-Serratt No. 1.

Many thought the sound came from the old city light plant in operation, but this was proved incorrect. Natural gas is being used in the oil well engine and as the exhaust has no muffler it makes quite a sound at each firing.

The drillers on this test have been making very good time, with a day and night tour, and Thursday afternoon the bit was working below 700 feet.

This well is the nearest to the city limits of Ballinger. The contract calls for a hole 3,700 feet deep.

When the bit is working in a hard formation it may be heard here when it strikes the bottom of the hole, if there is a little wind from the north.

Should this well prove good Ballinger will probably be on the edge of a large oil pool.

MULES BALK ON TRACK; SOLDIER KILLED BY TRAIN

EL PASO, Jan. 27.—The traditional stubbornness of mules cost the life of Private Moach M. Joy, 25, of Fort Bliss.

The team balked on a railroad crossing as the Southern Pacific Apache train came thundering on.

The driver flayed the team with his whip but they refused to budge. The train ploughed into the wagon, killing Private Joy. Three other soldiers were thrown clear of the wagon.

TOM BALL WANTS UNINSTRUCTED DELEGATES

HOUSTON, Feb. 1.—Col. Tom Ball, long a power in Texas politics, in a statement issued here, declared that he favored an uninstructed delegation to the Democratic National Convention at Houston.

Ball declared that he would support the nominee of the party for the presidency, regardless of who he may be.

Mrs. W. D. Gregory and daughters, Mrs. L. R. Tigner, Mrs. Harry Lynn, and children; Mrs. S. M. Bouehelle, of Abilene, and Miss Marguerite Truly visited Mr. and Mrs. David Gregory at San Angelo Wednesday.

Not Just Modernized

This Bank has a greater appeal for its patrons than the matter of offering "Every Facility of a Modern Bank." It does, certainly, give each patron the advantage of the most efficient banking practices. But we are not JUST EFFICIENT—for we thoroughly enjoy the associations and contacts, the pleasant and courteous moments of meeting our customers.

The Winters State Bank

This Texas Girl's Story Makes Mothers Think

"Everybody in the neighborhood was crazy about Dorothy. She was the happiest, brightest little thing you ever saw," says her mother, Mrs. S. P. Jones, 1702 West Laurel Street, San Antonio. "She never had any trouble and she looked so healthy we thought she never would. But when she was about three years old, she began to be unwell. It got to be the worst I ever knew. It made her fretful, cross and feverish most of the time. Her breath got to be terrible and her tongue was nearly always coated. She didn't want to do anything but lie around and sleep. She wouldn't eat and was losing weight.

"A friend recommended California Fig Syrup so highly that I got some and began giving it to Dorothy. It brightened her up right away, and in

a few days her little stomach and bowels were perfectly normal. She was eating heartily and digesting all her food perfectly. Her cheeks got rosy again, her eyes became bright and soon she was picking up weight. California Fig Syrup helped Dorothy so wonderfully that I have used it ever since when any of my children had any trouble with their stomach or bowels."

California Fig Syrup is made from two of the greatest natural laxatives known to medical science—ripe California figs and First Quality Senna leaves. It tastes so good children like to take it. It gives tone and strength to the stomach and bowels so they act normally, of their own accord.

All drug stores have it. Be sure to ask for it by the full name, "California Fig Syrup," so you'll get the genuine, endorsed by physicians for over 50 years.

CALIFORNIA FIG SYRUP
RICH, FRUITY, ACTS Quick!

ACTION ON WATER RESOLUTION DELAYED

No action was taken on the water question compromise presented the citizens of Ballinger at a meeting held for about two hours Friday morning in the offices of the Ballinger Chamber of Commerce, at which Milton Burks, manager of the Brownwood Chamber of Commerce; D. W. Ross, chief engineer of the water project, Brownwood; W. A. Wilson, manager, and W. E. Barrow, of the San Saba Chamber of Commerce, and H. G. Lucas, of Brownwood, were present.

It is possible that some definite action will be taken at a later date after more information is obtained on the water compromise between the citizens of Brownwood and the J. Alexander and Insull interests of the Syndicate Power Company.

The matter was presented by Mr. Burks, who gave the history of the fight for the Brownwood water project and told how the controversy started with the Syndicate Power Company over the water rights.

Mr. Ross gave figures on the projects of both Brownwood and the power company and told of the situation which the rice growers of South Texas were confronted with. He told of various meetings held at Ft. Worth, Dallas and Abilene at which times representatives of the Alexander and Insull interests were present and of the meeting of the board of directors of the West Texas Chamber of Commerce held at Ft. Worth, where a resolution offering a compromise between the citizens of Brownwood and the Syndicate Power Company was presented to a sub-committee, which would bring an end to the fight which has been waged by the West Texas chamber against the power company. This resolution was not adopted, but was referred to a committee.

The resolution was read by Mr. Ross, who explained that the Syndicate company would cut their permit to 580,000 acre-feet of water to be impounded in their dam instead of 1,225,000

acre feet which their permit called for, and at the same time would allow the State Board of Water Engineers to grant a permit for the impounding of 125,000 acre-feet of water by the Brownwood project instead of 500,000 acre-feet as the original application showed.

The matter as explained shows that the Syndicate Power Company still has the right to practically all of the water on the Colorado River's watershed.

Several questions were asked, but the resolution read by Mr. Ross was not favorably regarded by those present without further consideration of the matter and without additional information to base judgment on.

Manager Wilson of the San Saba Chamber of Commerce made a short talk, telling how the citizens of that section had favored the resolution and that he and Mr. Barrow accompanied Mr. Burks and Mr. Ross to Junction where the matter was also endorsed.

C. A. Doose, a member of the water committee of the West Texas Chamber, made a talk against the acceptance of the compromise and against endorsing the resolution. Mr. Doose attended the recent meeting held at Fort Worth. He declared, however, that he would be in accord with whatever the majority of the citizens of Ballinger endorsed.

C. P. Shepherd expressed himself not in favor of the resolution without further information for consideration.

John A. Weeks, chairman of the civic improvement committee of the Ballinger chamber, expressed practically the same view, not favoring the adoption of the resolution without further information.

As the matter now stands, it appears no action will be taken on the matter presented by the Brownwood and San Saba men, but if action is taken it will oppose the compromise.

It is probable that another meeting of the citizens will be held within the next few days and the matter discussed further.

DAWKINS FREEMAN

The marriage of Miss Dale Freeman and Thomas Dawkins took place in Rankin at the home of Rev. Taylor, pastor of the Baptist church, at 6 p. m. They were attended by Miss Jackie Hurst and Mr. Bayes of Rankin. Mrs. Dawkins is the daughter of M. F. Freeman of McCamey and is a charming and attractive young lady. Mr. Dawkins is very well known, having been recently employed by Hoyt Bros. in their local store. Both of the young people are very popular with the younger set of the town and their many friends extend them heartiest congratulations.

GRAHAM—Gain of gross receipts at the local postoffice for 1927 over 1926 was about \$1200, with receipts for December 1927, making a better showing than for the entire year.

K. S. Hull is Shot to Death at Temple

TEMPLE, Jan. 30.—K. S. Hull, superintendent of the southern division of the Santa Fe Railroad, was instantly killed by a bullet through his brain, and William Henderson, former conductor of the road, died shortly afterwards from a bullet through his heart as the result of a shooting affray on a downtown corner today.

Police are investigating for a motive.

J. J. Beck, local Santa Fe agent, said Monday afternoon that funeral services for Mr. Hull would be held from his home at Temple Tuesday afternoon at 3:30 o'clock. Mr. Beck will go to Temple Tuesday morning to attend the funeral.

K. S. Hull, general superintendent of the Gulf, Colorado & Santa Fe Railroad's southern division from Somerville to San Angelo, was shot and instantly killed in Temple at 7:45 o'clock Monday morning, by a former conductor of the road, William Henderson. Henderson then turned the gun on himself and took his own life.

The report came to the local office of the Santa Fe shortly after 8:00 o'clock Monday morning. J. J. Beck, local agent in charge, immediately called.

Members of the boy's Sunday school class will act as pallbearers. Interment will be made in Evergreen Cemetery. Girls members of the class in the Ballinger high school with whom he graduated, will be in charge of floral offerings.

He is survived by his parents, Mr. and Mrs. J. W. Bigby, and three brothers.

Johnnie Douglas Bigby, 20 years 7 months 11 days, was born at the Bigby ranch near Pony Creek. He was reared in this county, first attending the rural school near his home and later moving to Ballinger with his family to attend the city schools. His death came as a shock to his family and to friends here as he was apparently in good health when he returned to his school Monday.

No classes were held Wednesday at the college, and many of the students, friends of young Bigby, came here to attend the

A HA First Showing

To assure you that I deeply appreciate your confidence as attested by your giving me the office so long, have about one more year to serve and shall be just as glad to see you at any time in the future as in the past. It will be my constant aim to give you the best service possible during the remainder of my term of office.

Sincerely,
W. A. FORGEY.

RELIGIOUS DOGMAS BIND MUSLEMS IN JUGO-SLAVIA

BELGRADE, Jan. 30.—Despite the emancipation of the Moslems of Turkey their brethren in Jugo-Slavia who number some two million, and are scattered throughout the provinces of Southern Serbia, Bosnia, Herzegovina, and Montenegro still remain bound by the old dogmas of their religion. Even in the bigger towns, such as Serajevo, their womenfolk still go veiled through the streets—often it must be admitted so lightly that the veil adds to rather than diminishes their attractiveness—and the men still wear the fez.

In villages in Bosnia and Macedonia the old Moslem customs are most strictly adhered to and even in the fields at their work the women are shrouded in long robes and provided with thick veils with which to cover their faces should a strange man approach.

PAVING WORK IS STARTED

Preliminary work on the 25 block paving program in this city was started Tuesday morning on Eighth Street when workmen for Brown & Root, contractors, commenced excavation of the first block north of the Santa Fe railroad tracks.

W. A. Woolsey, general superintendent of the firm, is here in charge of the work.

This is the first active work of the program which was passed by the City Commission several months ago. It will require about 65 to 85 working days to complete the job. The concrete curb and gutter on Eighth will be started some time this week.

Eighth Street will be completed first and then the crew will be transferred to Broadway. After Broadway is paved the few blocks between Tenth Street and the Colorado River bridge on Hutchings Avenue will be paved and connect with the brick paving on that street.

This work will be carried on as rapidly as possible, it was stated, and it is hoped that all the streets included in the plan will be ready for use within a short time.

Card of Thanks

We take this method of thanking our many friends who were so kind and faithful to help us in the saddest hours of our lives caused by the sudden death of our son and brother, Johnnie.

May God bless each of you.
Mr. and Mrs. J. W. Bigby and Family,
Grandmother, Mrs. Guest.
27-1td-1tw

L. L. Stroble and daughter, Mrs. Truman Butler, and son, have gone to San Antonio to be with Mrs. Stroble. Mrs. Stroble is resting very well after an operation performed a week or so ago.

Mr. and Mrs. Paschal Armstrong, of El Paso, are here visiting Mr. and Mrs. E. E. Woodson and other friends.

Mr. and Mrs. W. D. McKee, who reside in the 500 block on Ninth Street, are the parents of a fine 10-pound boy born to them Friday night. Mr. McKee is with the Community Natural Gas Company here. This is their fourth child and the only son. Both mother and son are reported to be resting very well.

Mr. and Mrs. Alex Saunders are the parents of a fine baby girl, born Friday night. The mother and young daughter are reported to be resting very well while the boys at the postoffice said Mr. Saunders did not know whether he was picking cotton or gathering pecans.

J. S. Reese, of Route B, was a caller at The Ledger office Thursday and joined our list of Banner Ledger readers.

Our Great Offer Saturday, March 1st Is the Last 60 MORNING A PERSONAL

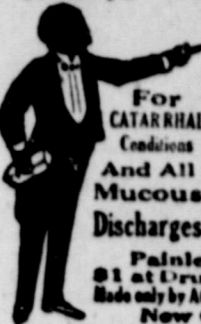

To Our Old Friends & to M. In 60 DAYS our agreement

Burton Reese, who had been working in Santa Anna for some time, is here to spend a few days with his parents, Mr. and Mrs. J. A. Reese, before returning to College Station, where he will re-enter Texas A. & M. College.

Be wise and advertise.

Roy Chancey, of Abilene, spent the week-end in Ballinger with his parents, Mr. and Mrs. T. H. Chancey.

LESSON No. 14
Question: Why is emulsified cod-liver oil so efficient and so beneficial a food-tonic?
Answer: Because it is so easily assimilated and quickly builds up strength. Multitudes use it every day as in
SCOTT'S EMULSION

You cannot be attractive without a clear skin

EVERYBODY wants to be attractive. It is a great and just ambition. But no one can be attractive without a clear skin—you know that.

Do you realize the importance of pure, rich blood in preserving the health, and that the source of most skin disorders is in the blood?

Remove the cause, which is not in the skin itself, and pimples, boils, eczema and that sallow complexion will disappear.

You may have tried many things without relief. Why not try S.S.S.?

S.S.S. is extracted from the fresh roots of medicinal plants and herbs, and gives to Nature what she needs in building you up so that your system throws off the cause.

For more than 100 years S.S.S. has been giving relief in thousands

S.S.S. - the great tonic SINCE 1826

a clear skin comes from within

of cases, as testified to in unsolicited letters of gratitude.

"S.S.S. cleared my skin of pimples and blackheads. I think it a most wonderful blood medicine. Several of my friends are taking it for the same reason I did."—Miss Margaret Frye, Lapel, Ind.

All drug stores sell S.S.S. in two sizes. Get the larger size. It is more economical.

MANN NEWS

The P. T. A. met last Friday night. A program and a debate were given at this meeting. Tonight week there will be a business meeting. All members are urged to be present.

Rev. Tierce is conducting a B. Y. P. U. study course at the church this week. All the young people are urged to take the courses offered.

J. A. Henderson has returned from a business trip to Littlefield.

A crowd of people from our community went to church at Poe Sunday morning.

Miss Velma Morgan spent the week-end with Miss Orene Moore.

The Senior B. Y. P. U. has grown so much that more literature had to be ordered. Everyone is invited. Come at six, young people, and be sure to come on time.

Flora Nelms visited in the Smallwood home last week-end.

Miss Fannie Lou Presley returned Sunday from a visit to her home folks in the Harmony community.

We are glad Grandma Henderson is some better.

Miss Clarice Stephens, a teacher in the Lone Star school, spent the week-end at home.

We are glad that Inez Moore is better. She has been ill for several days.

The Tackett family of Miles are moving to our community this week. Welcome to our school and church, "new-comers."

The trustees were welcome visitors to our school Monday. They fixed the pump, and now all are glad for there is plenty of water

Got a Cold on Train, Arrived All Right!

From steam-heated Pullmans to icy blasts on platforms; no wonder conductors catch cold! But the wise ones are rid of colds almost as easy as they caught them. Here is the secret:

A plain white, pleasant-tasting tablet called Pape's Cold Compound kills a cold so quickly you can't believe that little tablet is what did it. But it will work next time, and every time. Furthermore, it can unseat a cold you've let settle in throat or lungs, though this takes longer. Any drugstore, 35c.

PAPE'S COLD COMPOUND

PAVING WORK STARTS ON EIGHTH TUESDAY

Breaking of dirt, preparatory to starting the paving of Eighth Street, will take place Tuesday morning, W. A. Woolsey, superintendent for Brown & Root, of Georgetown, paving contractors, said Monday morning.

Mr. Woolsey and a crew of workmen arrived in the city during the week-end.

"We will break dirt early Tuesday morning and in two or three days will start the curb and gutter on Eighth Street," Mr. Woolsey said. "The job will take anywhere from 65 to 85 working days, however the contract allows 100 working days. The time on this job will depend largely on the weather and labor conditions here."

First breaking of dirt will take place at the Central Hotel corner on Eighth.

Twenty-five blocks will be paved during the first part of the program, as follows: Eighth Street to the Charles Castor corner, on Broadway to the A. F. Brock corner, and on Hutchings Avenue to the Colorado River bridge from Tenth Street. This job will cost in excess of \$100,000.

"We hope that by the time we have the first job completed we will have another paving job in Ballinger," Mr. Woolsey said. "I have never superintended a job where we did not do at least one-third as much paving as the original plans called for."

He cited Beeville in South Texas, his latest job, declaring he and a crew of laborers went in there on September 5th, last year, and that they were still working. The original paving plan called for an expenditure of \$32,000. Mr. Woolsey said, and at present more than \$200,000 has been spent at Beeville for pavement. The Beeville job is not yet completed, he stated.

Plumbers of the city water department lack two or three blocks of completing the copper water connections on Eighth Street, and immediately after this street is completed the crew will start installing copper connections on Broadway, and later on Hutchings Avenue.

Considerable improvement has already been made in the water system on Broadway, and the copper connections will add much to the value of the whole system.

SEE NEW HOPE IN SAN ANTONIO FIGHT ON CANCER MAN PURCHASES SEWERAGE PLANT

LONDON, Jan. 27.—Great interest has been aroused in London medical circles by news of a fresh treatment for cancer which has been applied, it is stated, with great success, in Madeira recently.

The news is communicated by Dr. Michael Grabham, a very distinguished Fellow of the Royal College of Physicians, London, who for many years has been associated with cancer research.

He states that Dr. Fortunato Pitta, of Funchal, found accidentally that a few drops of matter discharge of "trachoma" (inflammation of the eyelids) injected into a growing cancer, caused immediate arrest in vitality of the growth followed by disintegration of the malignant mass, with disappearance also of the secondary gland enlargements.

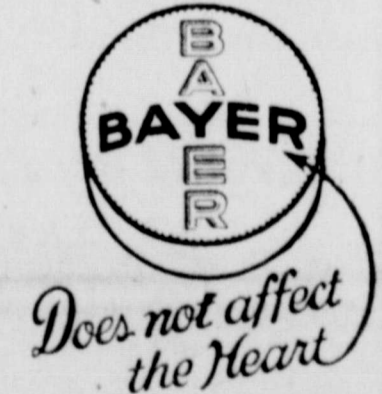

It also appears that the virus or agency which affects the disintegration of the growth is selective in action, leaving healthy tissue, and tumors other than malignant, untouched. The dissolved malignant growth is discharged through a subsequent small incision.

Until Dr. Pitta's virus has been received in this country, and subjected to thorough tests, medical opinion is reserved. It is hoped that the Ross Institute of Tropical Diseases will make investigation on the spot. Up to now, it has not even been discovered whether the attacking organism is of a bacteriological or chemical nature.

Be wise and advertise.

BAYER ASPIRIN PROVED SAFE

Take without Fear as Told in "Bayer" Package

Unless you see the "Bayer Cross" on package or on tablets you are not getting the genuine Bayer Aspirin proved safe by millions and prescribed by physicians over twenty-five years for

Colds Headache Neuritis Lumbago Toothache Rheumatism Neuralgia Pain, Pain

Each unbroken "Bayer" package contains proven directions. Handy boxes of twelve tablets cost few cents. Drug-gists also sell bottles of 24 and 100.

Motherhood no longer dreaded by thousands of women

LOOKING towards maternity should always be a period of joyful anticipation in a woman's life, rather than one of dread and doubt, as is so commonly the case.

However, the conditions of pending motherhood, existing as they do, over a protracted period of months, create almost a new state of being for a woman. Just as she prepares herself for it, so will most favorable conditions prevail when her child is born.

As an aid for the relief of the distressing phases of expectancy, and in the alleviations of the hardships that usually come with childbirth, Mother's Friend is a benefaction to womankind that has all but worked miracles.

"I used Mother's Friend with all my babies and I think it is the grandest help that has ever been discovered for expectant mothers," writes Mrs. Laura Hendrix, Grace-mont, Okla.

"Mother's Friend did wonders for me," writes Mrs. John S. Herr, Mannheim, Pa. "I can almost say my baby was born without pain."

Externally applied, Mother's Friend, relieves prenatal distress by relaxing tight tissues and muscles. Its daily use makes the skin soft and pliable.

Mother's Friend is the discovery of an eminent physician. It contains no narcotics or harmful drugs. For over three generations Mother's Friend has relieved expectant mothers of much suffering. Begin using Mother's Friend today. The sooner the better. Sold by drug stores—everywhere.

Booklet on Things to Know Before Baby Comes sent on request. One copy is yours, free. Write for it NOW.

BIG CROWDS GREET NAZARENE EVANGELIST

The special revival campaign opened yesterday at the First Nazarene Church, corner Ninth Street and Harris Avenue, with two splendid congregations. At the evening service nearly every available seat was taken.

The evangelist, Rev. Ralph C. Gray, of Temple, brought two stirring messages. He used as his subject at the morning hour, "The Divine and Human Side of the Revival." At the evening service he brought a message on the subject, "The Problem of Prayer."

At the close of this message five raised their hands for prayer and the Christians gathered around the altar for a closing season of prayer in interest of the revival. Rev. and Mrs. Lawson Brown, local pastors, have charge of the music and singing. Their special singing blessed the hearers at both services yesterday. The old-fashioned congregation singing was an inspiration to all who came.

This revival campaign is to continue two weeks with services each evening at 7:30 and each morning at 10 o'clock except Monday and Saturday. The entire public is very cordially invited to the meetings. No seats are reserved. Come and sit where you like. The entire campaign is being put on as a great spiritual and moral uplift to this community and every Christian is especially invited to help make it so. Come once and you will want to come again.

BOY HOLDS THE RECORD; LEGS BROKEN 27 TIMES

INDIANAPOLIS, Jan. 27.—Leland Earl, 13-year-old son of Mr. and Mrs. Isaac Earl, of this city, is believed to hold the world's record for broken legs.

In his brief existence young Earl has had his legs broken 27 times. He is suffering from so-called "soft bones."

The boy is ambitious to be a musician and is studying music. He is still using his crutches from his last "break" three years ago.

So ORIGINAL AND DIFFERENT that Comparisons are Impossible

Frankly, The Victory has left current practice so far behind that comparisons are impossible.

Conservative drivers will never really discover the car's astonishing resources.

They will delight in its pick-up and low gas needs—its comfort and streamline beauty.

But the magnificent, all-day speed of the car—its faultless smoothness over clods and cobbles—are thrills that await the adventurer!

Six powerful cylinders are six powerful reasons for this. A seventh vital reason is the basic Victory ideal

For the first time in motor car history, chassis and body are a unit. Floor and seats are built in the chassis. The wide Victory chassis frame replaces the customary body sill—and eliminates the customary body overhang. The body itself has only 8 major parts!

The result is 175 less pounds, 330 less parts; standard road and head clearance, yet a car that is extremely low, steady and safe—with a power plant stripped for instant and brilliant action!

And the smartest car at the price ever created!

\$250,000 STOLEN MONEY IN BABY'S TEDDY BEAR SMUGGLED OVER LINE

BERLIN, Jan. 30.—How a five-year-old child dragged a teddy bear stuffed with \$250,000 worth of stolen banknotes across the Polish-German border will be told in the trial of Karl Kessler, accused of robbing the Koenigs-huetter postoffice.

The child's innocent carelessness with its toy enabled its parents, Kessler's accomplices, to escape with the loot, according to the state's attorney, who charges that Kessler plundered the post-office of 1,500,000 zloty, turned the money over to Mr. and Mrs. Creslik, and fled to Germany.

5 MISDEMEANORS IN JUSTICE COURT MONDAY

Five misdemeanor cases were filed in the justice court Monday morning, four for operating motor cars without a 1928 license and one for drunkenness. All the defendants arranged for their fines.

NOTICE TO BANNER-
LEDGER REPORTERS

Correspondents for The Banner-Ledger in the various communities are requested to mail their items in not later than Tuesday of each week. The weekly paper is printed on Wednesday and we must have your copy before that time if it is to appear that week. All special notices can be written in advance and included in the news from each locality, with little trouble. We ask your co-operation in this and promise to try to give you the best country weekly possible to publish.

CANDIDATES

At present there has been no one to announce for office in this county other than the incumbents, and it is understood that one or two of the county officials do not expect to make the race this year. You will want to have a say in who will take their places. To assure yourself of a hand in this deal pay your poll tax before Jan. 31, midnight.—Ballinger Ledger.

For goodness' sake, and saints alive. Aren't Runnels county offices good offices? If candidates are as scarce there as your plaint indicates, we could ship you a number of excellent office seekers, good runners all, from this county. In most of the Texas counties candidates are blooming out in fullest maturity. They are burgeooning on every political bough. It is a good thing to have plenty of candidates. Responsible offices should be occupied by responsible men, and when a number offer for a single office it is easy to choose the best. Certainly the racers themselves would rather race alone. They would rather have a solo campaign than a duet, trio or sextet. Asking for public office is hard work, because the asking has to be repeated so many times and to so many sorts of people. Think of running for a state office in Texas and having to see as many of the 5,500,000 Texas people as may be possible. There are not 5,500,000 voters, of course, but in considering the voters the candidate must consider the non-voters also. The non-voters are influential. They form a large part of the body of public opinion, and public opinion always sways elections. The sincere candidate must shake hands with the women as well as the men, for the women vote now. And the woman voter must be handled with gloves, metaphorically speaking. She can not be slipped on the back and jolted long. She can not be invited to bite a chew off the candidate's plug. She can not be half-fellowed. She must be approached by the candidate much as though he were a peddler and offering her something she doesn't want, but may be induced to buy through sympathy. It's hard work—running for office and courting the women platonically.—State Press in Dallas News.

F. M. Pearce has returned from a ten days visit in San Antonio, Corpus Christi and the Rio Grande valley.

HERRING TOPICS

The weather has been very nice the past week, especially for preparing the land for the future year.

Cleg Gassiot spent the week-end with his parents at Santa Anna.

Ira Hale, of San Angelo, visited his parents, Mr. and Mrs. W. A. Hale, Sunday.

A talk was made to the young people Sunday night at the Hope-well church by the pastor, Rev. Tierce.

Miss Ozella Arent is spending the week with friends and relatives in Abilene.

A number from this community attended church at Crews Sunday night.

Mr. and Mrs. W. H. Alicorn spent Sunday with Mrs. Alicorn's parents, Mr. and Mrs. W. A. Day, of Santa Anna.

Mr. and Mrs. G. C. Arent and family, and Miss Bernice Hale visited friends and relatives at Abilene the past week-end, returning home Sunday.

The party at the home of Mrs. Mary Powe was well attended and all reported a nice time.

Mr. and Mrs. M. Brister, of San Angelo, were the guests of Mr. and Mrs. W. A. Hale Sunday.

Mr. and Mrs. Homer Davis are rejoicing over the arrival of a new baby girl.

A number of the young people attended a party at the home of W. W. King, of Crews, Saturday night.

Miss Thora Brevard, who is attending school at Ballinger, spent the week-end with home folks, Mr. and Mrs. J. P. Brevard.

Mr. and Mrs. Ray Mulanax, of Valera, were the guests Sunday of Mrs. Mulanax's parents, Mr. and Mrs. Joe Bragg.

Mrs. C. O. Branch spent the afternoon Thursday with Mrs. W. A. Hale.

The Herring boys and girls played basketball with Oxien Friday afternoon, on the Herring courts. Both Herring teams were defeated.

REPORTER

BARNETT NEWS

The young people of Barnett were given a party at the home of Jesse Drake on Tuesday night of last week. A large crowd was present in spite of the fact that most of our Barnett girls are attending school in town, and so could not be here.

Lawrence Ray, of Roscoe, visited his sister, Mrs. In Ray, on Tuesday of last week.

The Barnett young people are busily working on their play, "Duncan Dolds," which they are planning to present soon.

Mrs. A. R. Spain gave the

young people a party last Thursday night. A wonderful time was enjoyed by all. We were glad to have several of the older people of the community present. We certainly appreciate the interest the older people are taking in our pleasures.

A crowd of young people from our community attended a party in the Blanton community Saturday night. A fine time was reported. Miss Mateline Nunn, of Bethel, accompanied Miss Minnie Lea Camp home to spend the week-end.

Misses Minnie Lea and Estelle Camp, and Mateline Nunn, and Buna Camp were Bethel visitors Saturday night.

Misses Ina Ray and Mozelle Bennett and Jim Bennett visited in the Duke home near Ballinger Sunday.

A good crowd was out for Sunday school Sunday morning. We had a very interesting lesson.

The singing at the Frost home Sunday night was well attended and enjoyed by all.

We are glad to report Garland Howell back in school again after several days illness.

Among the pupils on the sick list this week are Jack Spurn, Willis Brister, and Ruby Howell.

REPORTER

CREWS NEWS

Sister Nellie Hill, a Nazarene preacher from Ballinger, preached to a large crowd in the Methodist church Sunday morning and evening.

Several of the Methodist people attended conference at Talpa Sunday.

The boys' basketball team met the Drasco boys on the Winters court Thursday and the score went in favor of Drasco, 13-43. They played again Friday, the scores favoring Drasco, 8-28.

The basketball boys went to Norton Tuesday and played with the Winters boys, the score favoring Crews, 22-21.

The Crews Senior boys' basketball team is champion of this district.

Misses Jessie Lee Brown, Mildred Madison, Beatrice Burrus, Venita Rainwater and Norma Bradley spent Sunday with Misses Thelma and Neoma Cox, of the Lone Star community.

Lloyd Jackson, Pinkie King and Willie Belle Lucas spent Sunday with Reba and Doyle Jayroe.

Doyle Jayroe has sold his garage and Elbert King is now in charge of same.

Miss Alma Phipps spent Sunday with Miss Bonnie Mae Clark.

A. W. Madison and Mr. and Mrs. J. G. Phipps spent Sunday with Mr. and Mrs. W. W. King.

Wilma Phipps spent Saturday night and Sunday with Hazel

Mae Grounds

The "singing party" in the Jim Phipps home Friday night was well attended, and all reported a nice time.

The party in the home of W. W. King Saturday night was enjoyed by a large crowd.

Mrs. A. W. Madison spent Sunday with Mrs. W. P. King.

Mr. and Mrs. R. T. Lucas and family and Irven Phipps spent Sunday with Mr. and Mrs. Quincy Traylor.

Velma Mathis, of Winters, spent the week-end with her aunt, Mrs. Clifford Wood.

Bonnie Mae Clark spent Tuesday night with Wilma Phipps.

Mr. and Mrs. J. W. Berry and Mr. and Mrs. Eargle Berry visited relatives at Drasco Sunday.

Venita Rainwater spent Saturday night with Beatrice Burrus.

Alma Phipps spent Saturday night with Pinkie King.

Mrs. Icie Lewis, Misses Nellie Hill, Leona and Deolva Jones spent Sunday with Miss Effie Hanbright.

Miss Nellie Hill spent Sunday night with Mrs. E. F. Beck.

The Ladies Aid met at the Baptist church Thursday and quilted two quilts.

We are sorry to report that little Curtiss Wilkerson has been ill the past week.

REPORTER

BENOIT ITEMS

The people of our neighborhood are delighted with this fine spring-like weather. The farmers are breaking their land and fixing it in shape for future planting.

The Werner well closed down operations Thursday afternoon, after a slight showing of gas.

Max Cole went to Lampasas Thursday. He is working on the ranch of Arch Brookshire.

Mr. and Mrs. Walter Neely, of Winters, spent Sunday afternoon with the W. T. Hill family.

Mr. and Mrs. W. H. Stagner, Mr. and Mrs. Jess Stagner and Miss Faye Stagner motored to Winters Saturday to visit in the home of Mrs. Gordon Nix.

Mrs. Jim Donaldson and children, of Miles, spent Saturday night and Sunday with her parents here.

Arthur and Joe Hoffman and Mrs. Gertrude Pullin were called to Brownwood Saturday to the bedside of their aunt, Mrs. Sophie Stump, who has been ill since Christmas. They returned

Sunday and reported the patient doing nicely.

Mrs. Ida Cox spent Wednesday night in Ballinger, with Elzie Cox and wife. By way of entertainment they attended Harley Sadler's show.

Misses Corinne Gressett and Ruth Cole were guests of their teacher, Mrs. Willingham, in Ballinger Thursday night.

Mrs. Claud Brookshire went to Goldsboro Sunday to spend a few days with her sister, Mrs. Bud Coats and little nephew, who made his arrival Monday.

Mrs. G. W. Pillow was a Benoit visitor Thursday afternoon.

* Some few from this place attended services at Talpa Sunday and heard Rev. Coleman, the new presiding elder of the Brownwood district, deliver a fine sermon.

Jack Brookshire and wife visited the former's mother, Mrs. W. D. Lewis, and family, Sunday.

John A. Weeks, local druggist, has received word from R. W. Earnshaw, of this city, who has been in Detroit, Mich., with his mother, who has been ill, will leave there Wednesday night for Ballinger. His mother is somewhat improved and will return here with him.

LOWER TIRE PRICES

Lowest Prices In History

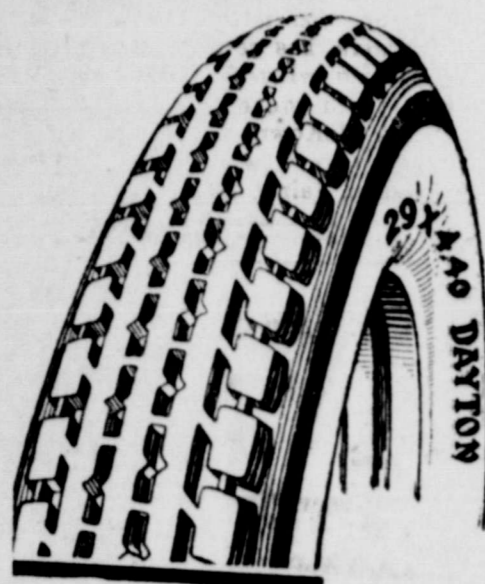

Lower Than Any Previous Reduction

Made Possible By a Special Winter Purchase of

\$500,000.00

Taking advantage of the decreased demand for tires in the North, due to extreme cold weather, and because Tire Factories are overloaded with stock—the Hicks Organization is enabled to make this spectacular reduction, even in the face of an advancing Rubber Market, and an expected general rise in Tire Prices.

When the Hicks Organization announces New Low Prices, it means that in 1928 still greater values will be given to Motorists throughout the Southwest by Hicks Stores, Associated Stores, and Allied Dealers. Thus a Standard of both Quality and Price is set which is virtually impossible for competition to follow.

An Outstanding Value
29x4.40
Dayton
Red Stripe Balloon

Over 50,000 tires of this size alone have been sold by our Stores during the last 2 years to owners of Ford, Chevrolet and other light cars, in Texas and bordering states. It contains an excess amount of rubber, and no reclaim. It is sturdy, tough, and enduring. Its beauty is unsurpassed. Its present price is \$1.20 lower than we have ever sold it before. Priced now at—

\$10.95

THOROBRED BLACK DAYTON—29x4.40

The Dayton ALL BLACK Thorobred Tires have been made to answer the demands of those who are sold on Dayton Quality and yet prefer a tire moderately priced, and standard in weight and number of plies. An unusual value indeed, at—

\$9.15

The NEW
30x4.50
Dayton
Red Stripe Balloon

The New Ford and the 1928 Model Chevrolet both specify the new sized tire, the 30x4.50. Public announcements of both these car manufacturers stress the SPEED and POWER of their respective cars. Remarkable acceleration in speed is obtainable. Tires on these cars will now be put to the supreme test of this "flash of the gun" get-away. This EXTRA PLY, excess weight tire, with its rugged strength and staunchness, is the only tire built to withstand the severity of sustained high speeds and quick stops with 4-wheel brakes, and yet deliver comfort, mileage, safety. Priced unusually low at—

\$11.50

THOROBRED BLACK DAYTON—30x4.50

This new sized tire is being built by Dayton in ALL BLACK effect to distinguish it from the EXTRA PLY Red Stripe. It is conceded to be the World's Best Standard Ply Tire, and our attractive price is—

\$9.60

30x3 1/2

SPECIAL CORD

It is not a question with us as to how low we can price a tire—but how low can we sell you a tire and yet give you value received for your money. Experience has taught us that a lower priced tire than the one listed here is not dependable—hence costly to you in the end. On this unusual value we have placed the attractive price of—

\$4.95

30x3 1/2

SPECIAL TUBE

A Heavy Red Tube, full size and one that would ordinarily sell for \$1.75. We have taken special care in its make, and we know that it will stand up under the most severe road tests. This tube must give you absolute satisfaction, or we stand ready to refund your money. Only because of the large volume in which we buy them are we able to make you this price of—

\$1.10

29x4.40

SPECIAL TUBE

One of our special makes, a heavy weight Red Tube, and made for hard use with long wear expectancy. It is ample in size and full length, and would be sold by us as high as \$2.25—but for the fact that we made a very large purchase of this one size at one time. Only through Hicks' Stores, Associated Stores or Allied Dealers can you obtain such a big value for this figure—

\$1.45

29x4.40

SPECIAL BALLOON

A very sturdy Balloon Tire though moderate in price. This would still make a splendid buy for you even if priced as high as \$8.75. No doubt you have bought tires elsewhere, paying more for them and receiving less in actual mileage than you will get from this Balloon. We have sold this tire over a long period of time, and find that it will deliver excellent service for the price asked—

Recommended and Sold by All Five Ballinger Druggists

TO TAKE ACTION ON WATER LATER

Nothing has yet resulted from the water meeting held Friday morning at the Chamber of Commerce offices when Brownwood and San Saba men explained the compromise between the citizens of Brownwood and the Syndicate Power Company.

These men came here asking Ballinger citizens to endorse a resolution that would settle the battle between the power company and the West Texas Chamber of Commerce, if all commercial organizations in this section endorsed the proposal.

The hearty endorsement received at San Saba and Junction failed to materialize at the meeting here and it is not believed Ballinger citizens will see fit to endorse the matter. The West Texas Chamber of Commerce entered the fight at the request of Brownwood to aid all West Texas as it was expressed by several representatives present and it now appears that Brownwood with its wishes partly granted, wants the Chamber to drop the fight and leave the other West Texas cities where they were before the battle began. At least that was the opinion expressed by several local citizens. Brownwood has a permit for more water and Ballinger citizens are glad this neighboring city has the water, but Ballinger it is said will look out for itself in this matter and not do anything that will likely prevent this city from obtaining a water permit.

It is thought here that Ballinger will send a delegation to Austin in the near future to apply for more water for municipal uses as this city is steadily growing and more water will be necessary soon.

SICKLY, PEEVISH CHILDREN

Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 35c. Sold by Weeks Drug Store

SID CASKEY IN RACE FOR TAX ASSESSOR

Sid Caskey of Winters, was in Ballinger Thursday, and at that time announced for tax assessor of Rannels county, subject to the action of the Democratic primary in July.

Mr. Caskey is favorably known over the county, having lived in Ballinger and Winters for more than 21 years.

At present he is winding up his insurance business and preparing to make a formal announcement which will appear in a later issue of this paper.

After Winter's Colds

It is Wise to Check Up on the Kidneys.

WATCH your kidneys after colds and grip! When the kidneys slow up, impurities remain in the blood and are apt to make one tired and achy with headaches, dizziness and often nagging backache. A common warning is scanty or burning secretions. Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and aid in the elimination of waste impurities. Are endorsed by ushers everywhere. Ask your neighbor!

GERMANY MAKES MOST PROGRESS IN AIR SERVICE

LONDON, Jan. 30.—Crippled by the war, Germany has made miraculous use of the resources at its command, and has made more progress in the development of commercial aviation than any other nation of the world.

The ability, undreamed of a few years ago, of a person of moderate means flying to practically any large city of Germany he may desire, gives ample proof of the perspicacity of the German government in giving its commercial aviation concern, the Deutsch Luftthansa, all the support it possibly could muster.

With the help of the \$15,638,500 handed it as governmental subsidy since 1924, the Luftthansa has established a system of air-lines such as exist nowhere else in the world. The entire nation is a criss-cross of air routes, and there is a regular service operating between Berlin and Moscow, which some day will be extended across Russia to the Pacific coast.

Covers Republic

A glance at the Luftthansa's air-line map would express better than words the completeness with which this organization has covered the republic. Practically every large city is served by air planes that operate with the regularity of railroad trains, with more than twice the speed.

There are now approximately 350 airplanes operated by the Luftthansa, covering almost 25,000 miles daily. More than 60,000 passengers were carried in the year just ended, representing a total passenger mileage of almost 7,000,000 miles.

The Luftthansa has extended its lines outside of Germany, to Scandinavia, Morocco, Egypt, Austria, Switzerland, Czechoslovakia, and Poland.

The German government has realized the full advantages of commercial aviation, and has demonstrated its faith in the potentialities of the airplane by ready cash. As in the case of England, the airlines of Germany have been transformed from a scattered, straggling, struggling mixture, to a well-ordered, regular, dependable means of transportation.

The Luftthansa also carries mails, but no country has proved so efficient in this direction as the United States. The Luftthansa has occupied itself more with the transportation of passengers and merchandise that demands speedy delivery, and has been astonishingly successful.

The policy of the French government in regard to civil aviation has been not dissimilar to that of Germany. The appropriation in 1926 was approximately 60,000,000 francs, and during this period French airplanes flew well in excess of 3,000,000 miles on regular routes.

French Lines

There are four main French lines—Paris to London, Paris to Amsterdam, Paris to Constantinople by way of Prague and Bucharest, with a branch from Prague to Warsaw, and Toulouse to Dakar by way of Casablanca. At present it is possible to travel from Paris to Constantinople in 36 hours, an approximate saving of two and one-quarter days over the previous methods of transportation.

By means of these routes, France is connected with her North African empire, and with French Equatorial Africa. It is brought within a few hours of the British Isles and the important cities of Europe, for the airlines of Europe are timed so that it is possible for passengers to change at terminal cities to planes of another nation.

But France, England and Germany are not the only countries which have taken active steps to foster development of civil aviation. Soviet Russia, despite its scattered population and immense expanse of area, has established commercial air routes which carry a large number of passengers. Holland possesses an air service, the Royal Dutch Air Service Company, with an excellent record of reliability and safety. Sweden, Denmark and Norway have not been lax in this matter, and their aggregate efforts have succeeded in placing Europe in an enviable light in the important field of commercial aircraft development.

Back to Normal

Texarkana, Texas.—"I was in a serious condition of health when I arrived at middle life and as I had heard of so many being wonderfully benefited by Dr. Pierce's Favorite Prescription at that age I decided to try it. It proved to be the proper medicine and I cannot praise it too highly for the benefit I received, for it relieved my aches and pains—saved me a lot of suffering, and left me in good health which I still enjoy."—Mrs. C. E. Shipp, 307 Oak St. All druggists. Tablets or liquid. Send 10c to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for a trial pkg. of the tablets and write for free advice.

DISTRICT MEET TO SAN ANGELO

District 18 of the Interscholastic League of Texas will hold its annual field, track and literary meet at San Angelo on Friday and Saturday, April 20 and 21, according to information received here.

H. C. Lyon, superintendent of the Ballinger city schools, is director of essay writing.

Other officials are: Felix E. Smith, San Angelo, director general; J. C. Helm, Sterling City, director of debating; W. R. Hardy, Bronte, director of declamation; Bill Bissett, San Angelo, director of athletics.

It is said that quite a number of Ballinger and Rannels county pupils will take part in the meet.

Counties composing the 18th district are as follows: Coke, Concho, Crockett, Ector, Glasscock, Irion, Midland, Reagan, Rannels, Schleicher, Sterling, Sutton and Tom Green.

Several hundred school children with their parents and teachers will go to San Angelo for the events.

COLE BROTHERS GET 2 YEARS EACH IN PEN

Leo and Irving Cole, brothers of Houston, who were alleged to have stolen the Ford touring car of the late Chief of Police W. L. McMillan, were each given two years in the penitentiary for the theft of a Nash roadster in Houston several months ago. The Nash was recovered by Mr. McMillan here.

The Cole brothers were arrested for Ballinger officers at Lamesa and brought here. A Houston deputy later came to Ballinger and escorted the boys there.

Sheriff R. E. McWilliams and Calvin Robinson returned to Ballinger Thursday at noon, after testifying for the state in the case.

MARRIAGE LICENSES AVERAGE ONE A DAY SINCE FIRST OF YEAR

Twenty-four marriage licenses had been issued by County Clerk W. A. Forgey up to the close of business on January 24th, the records showed Thursday. This is an average of one each day.

The wedding license business fell off during 1927, the figures showed, but it is hoped that 1928 will put the business back to and above normal and show an increase with other industries of the county. At the present rate there will be an increase.

Rufus J. Wheeler, superintendent of the Southwestern district of the American Central Life Insurance Company, left Thursday afternoon on a business trip to Austin, San Antonio and other towns in that section.

Six packages Theme Paper for 25c. Ballinger Printing Co.

For colds, grip and flu take

Relieves the congestion, prevents complications, and hastens recovery.

LITTLE WORK IS BEING DONE BY CONGRESS

WASHINGTON, Jan. 27.—The Seventieth Congress is in its sixth week with its major legislative program still untouched.

Apparently unmindful of its "do-nothing" record both House and Senate proceed at leisurely pace. The calendars of both branches are crowded with minor bills but the major legislation is buried in committees.

Congress approached its legislative tasks with a deliberateness seldom seen before on Capitol Hill. As one congressman described it, "It's the most unusual session in ten years; nobody seems to be in a hurry about anything. We're having a take your good old time session."

The past week saw but one important bill enacted—the first of the regular appropriation bills. At this time previous sessions from five to eight appropriation bills usually were enacted. This additional bill gave the congress a record of enacting three important bills since it convened Dec. 5, last year. Dozens of sectional, local and personal bills, however, have been passed.

This week, the Senate probably will act on the Jones merchant marine bill, a measure intended to help keep the American flag sailing on the high seas. No other major legislation was ready for debate.

In the House there was a possibility that the Norris "lame duck" resolution, proposing a constitutional amendment to convene congress in January of each year and to inaugurate presidents in January instead of March, might be adopted. The rest of the House program consisted chiefly of minor pension and bridge bills.

In the Senate committees were to reopen the famous Teapot Dome inquiry, to start work on the Wilson-Vare senatorial election contest, to open consideration of Muscle Shoals legislation and to act on the alien property bill which the House passed long ago. Other committees will continue consideration of railroad consolidation legislation, the Boulder Dam bill and the Walsh resolution for investigation of the so-called power trust. The interstate commerce committee probably will act on the power inquiry before the end of the week.

In the House the flood control committee was getting the most attention. After holding hearings since November 7th, on a flood control bill, there were indications the committee might render a report within two or three weeks. The committee will conclude its public hearings today but the work of drafting a bill will take several weeks. It was for the enactment of this bill that President Coolidge was urged to call a special session of congress last summer.

MISS MCKOWN IN RACE FOR COUNTY CLERK

To the Voters of Rannels County: In placing my candidacy for the office of County Clerk of Rannels County before you for your kind consideration, my sole and only request is that you make inquiry as to my qualifications for the office and cast your vote as your judgment may dictate.

It has been my privilege and pleasure to serve as Deputy in the County Clerk's office for more than five years, giving me considerable experience that should be of material assistance in handling the duties of this responsible office.

I shall make an effort to meet every voter of the county before the primary and trust that in the meantime you will acquaint yourselves with my worth and qualifications for this office, whatever they may be, and assure you of my sincere appreciation for any consideration extended.

Sincerely,
(Miss) IMA MCKOWN.
26-1td-11w

C. R. Dutton, of Ranger, the contractor who drilled in the discovery well of this county, was in Ballinger Friday looking after business and greeting friends of the oil fraternity.

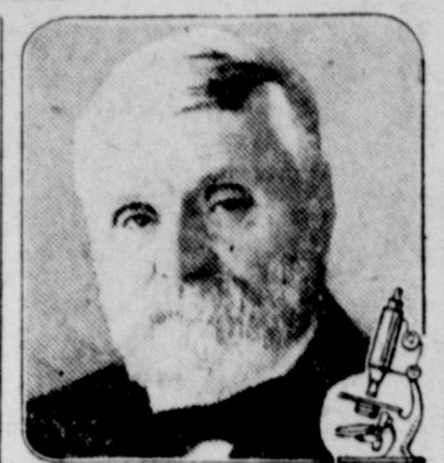

ALAMOGORDO, N. M.—Otero and Lincoln counties shipped 46,651 head of cattle in 1927.

What Dr. Caldwell Learned in 47 Years Practice

Dr. Caldwell watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time regardless of how much one tries to avoid it. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the most delicate system and is not a habit forming preparation. Syrup Pepsin is pleasant-tasting, and youngsters love it. It does not gripe. Thousands of mothers have written us to that effect.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. In a practice of 47 years he never saw any reason for their use when a medicine like Syrup Pepsin will empty the bowels just as promptly, more cleanly and gently, without griping and harm to the system.

Keep free from constipation! It robs your strength, hardens your arteries and brings on premature old age. Do not let a day go by without a bowel movement. Do not sit and hope, but go to a druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin. Take the proper dose that night and by morning you will feel like a different person. Use Syrup Pepsin for

Dr. Caldwell M.D. AT AGE 83

yourself and members of the family in constipation, biliousness, sour and crampy stomach, bad breath, no appetite, headaches, and to break up fevers and colds. Always have a bottle in the house, and observe these three rules of health: Keep the head cool, the feet warm, the bowels open. We would be glad to have you prove at our expense how much Dr. Caldwell's Syrup Pepsin can mean to you and yours. Just write "Syrup Pepsin," Monticello, Illinois, and we will send you prepaid a FREE SAMPLE BOTTLE.

40,000 HORSES KILLED TO AID MEAT SUPPLY FOR EUROPEAN CITIES

ROCKFORD, Ill., Jan. 31.—From a small plant started shortly after the close of the World War, the Chappel Brothers Abattoir of this city, which during the year just closed slaughtered 40,000 horses, has grown to a plant of monster proportions. Incidentally, the plant is the only institution of its kind in the United States.

Carloads of wild horses captured by wild horse hunters of the western plains are shipped to the plant here. Broken-down steeds, whose working days are over, are received at the plant and given a merciful death.

The wild horses, it is said, are being secured for about \$2 per head, while broken-down Dobbin will bring in \$5 to \$10 to the owner. These animals are collected from a wide area and shipped to the plant.

While the bulk of the horse meat is shipped to Europe, American circuses and animal acts use a large quantity of the flesh. Owners of dogs too purchase the plant's product.

ARTESIA, N. M.—Aid in building a connected system of highways leading into Artesia was one of the chief works of the local chamber of commerce in 1927.

Be wise and advertise.

LEFT FOR BALLINGER

Mr. and Mrs. W. R. Wilkerson left last week for Ballinger where Mr. Wilkerson has a position with the firm of King-Holt Furniture & Undertaking Company. The people of Winstboro recommend Mr. and Mrs. Wilkerson to the good people of Ballinger as being most worthy citizens. They have lived in Winstboro practically all of their lives and have been active in every civic and religious movement toward a better home town. Mr. Wilkerson is an experienced undertaker and will serve the Ballinger people in a most courteous way. We bespeak for their success in their new field and a worthy addition to Ballinger's citizenship.—Winstboro Weekly News.

PINK BOLL WORM SCARE COMES FROM MIDLAND

AUSTIN, Jan. 28.—Presence of the pink boll worm in Ector and Midland counties has resulted in a hurried trip to Washington by R. E. McDonald, entomologist for the state.

McDonald will discuss means of combating the pest with federal authorities.

H. Giesecke and son, H. Giesecke Jr., of San Antonio, came in Saturday morning. Mr. Giesecke will remain here for some time while the son will return to San Antonio Tuesday.

Mr. and Mrs. J. H. Goss spent the week-end here with their daughter, Mrs. Troy Simpson, who has been ill for the past week. Her condition was about the same Monday. Miss Mary Virginia Simpson, who had been visiting her grandparents in Abilene for the past week, accompanied them to Ballinger.

WEDDING BELLS

Black-Cardwell

Miss Loula Muriel Cardwell, of Big Spring, and Carl L. Black, of Ballinger, were married Sunday at 12:30 o'clock in the First Baptist Church of Big Spring with Rev. N. H. Heard, pastor of the church, officiating.

The young couple returned to Ballinger Sunday afternoon to make this city their home.

Howard Faulkner, of this city, and Miss Lillie Cardwell, sister of the bride, were the only attendants at the wedding.

Mrs. Black is a daughter of Mr. and Mrs. W. H. Cardwell, of Big Spring. She is a graduate of the Big Spring high school and has had two years in Simmons University at Abilene. She is very popular in the younger set at Big Spring.

Mr. Black is a son of Mr. and Mrs. J. W. Black, of this city. He is a graduate of the Ballinger high school and has been connected with the D. Reeder Dry Goods Company almost continuously since he graduated.

The young couple have an apartment at 804 Phillips Avenue.

R. E. WHITE ASKS FOR RE-ELECTION

To the Voters of Runnels County:

Feeling that my experience in the office will enable me to serve the school interests of the county more efficiently than I have been able to do in the past, I respectfully ask for re-election as County Superintendent of Public Instruction. I am indeed grateful to you for your past consideration, and if given the opportunity of again serving you in this capacity, I shall strive to the best of my ability to administer the affairs of the office courteously and efficiently.

Respectfully submitted, R. E. WHITE

Mr. and Mrs. Hugh Jones, of Brownwood, spent the week-end here with Mrs. Jones' sister, Mrs. A. J. Thorp, and family.

KEEP YOUR APPETITE YOUNG

If the things you used to like disagree with you, take a tablet of Pape's Diapepsin after a meal. It displaces the excess acid in the stomach, sweetens your food, and digests it. The nourishment from it produces good, healthy tissue and blood; you gain weight and strength, and with that comes a healthy, youthful color.

Thousands of people who suffered from stomach trouble for years, praise Pape's Diapepsin for their good health and young appetite. They can now eat anything they want. That's why 5 million packages are used a year. Any druggist will supply you with Pape's Diapepsin, because it is indispensable in every home.

LOCAL COUPLE WED SATURDAY

Miss Anna Laura Conner, daughter of Mr. and Mrs. J. W. Conner, 15th Street, this city, formerly of Benoit, and Robert C. Dishman of this city, were married Saturday afternoon at the home of Rev. Lawson Brown, pastor of the Nazarene church.

Mr. Dishman is employed at the Ballinger oil mill. The young couple will make their home in Ballinger.

Mrs. Sterling Bouchelle, of Abilene, is here visiting Miss Marguerite Truly and other relatives.

CRAGER ACCEPTS CHURCH CALL

Judge Alfred Crager, for the past few years a practicing attorney here, has quit the practice of law and will return to the pulpit, it was stated Monday morning by Scott H. Maek, member of the board of the First Christian Church.

The church issued Judge Crager a call and he accepted Sunday.

Judge Crager has been a resident of Ballinger for six or seven years, coming here as pastor of the First Christian Church, which was his first pulpit charge. He moved to Ballinger from Breckenridge where he practiced law. After serving the church here for a couple of years he resigned to enter a partnership with Judge O. L. Parish.

After continuing the partnership for two or three years it was mutually dissolved and Judge Crager entered a partnership with Judge Frank C. Dickey, with whom he was connected when he accepted the pastorate of the church here for the second time.

Judge Crager, who has been practicing law in this and other counties throughout this section for the past few years, is well-known generally. He was formerly president of the Ballinger Chamber of Commerce and has been closely connected with the advancement of the business and civic interests of Ballinger and this territory.

The church feels it has made a wise decision in asking Judge Crager to again take up ministerial work and accept the pastorate of the Ballinger church.

Rev. Leslie G. Smyth, who is now in Plainview after two or three years of splendid work here, during which pastorate he put the church on a firm basis, is a close friend of Judge Crager and believes he will make the church the best pastor it ever had. Rev. Smyth is doing fine work in Plainview, Mr. Maek said Monday.

Onion Sets and Plants, white, yellow and red. Piggly Wiggly. 3-1tw

Adolph Giesecke, formerly of this city, spent a few hours here Monday night and Tuesday morning while en route to Amarillo from San Antonio where he had been visiting relatives.

YOU'LL MEET YOUR FRIENDS AT OUR STORE

There's the young wife, helping to save for a new home— And the family of the promising young chap who just started in business for himself— And the woman who's paying the life insurance premiums out of what they save (that big worry is gone forever).

And the dozens of people who enjoy walking over to the nearest PIGGLY WIGGLY Store because they know the money saved here will help them buy a new "Six" next spring! Don't let anybody tell you you need be ashamed of saving money at a PIGGLY WIGGLY Store! Your grocery money is yours—buy the best of everything you can with it and use the balance for something that will keep!

Most of the really worthwhile families in this town get their start by watching the pennies. Trading at a PIGGLY WIGGLY Store is a dignified and worthy way of helping your husband get ahead financially!

You'll find many of the pleasantest people in town when you stop here to buy. We invite you to join them and to know the joy of getting the world's best groceries at a definite saving.

SID CASKEY ENTERS THE RACE FOR TAX ASSESSOR

Responding to the solicitations of friends over the county, and after due consideration, I have decided to enter the race for Tax Assessor of Runnels County, subject to the action of the Democratic primary to be held next July, and hereby make my formal announcement.

I am well known over the county, having lived here since 1906, being a resident of Ballinger before moving to Winters. I have been in public business all my life, which, I believe, fits me in a measure for the duties of the office which I seek, and I believe my continuous residence in the county for the past 21 years will be of benefit to me in administering the duties of the office of Tax Assessor.

In soliciting your vote and influence in my race for this office, I want to assure the taxpayers of the county that if they honor me with this office, I will at all times put forth my best effort to so conduct the business of this office that no one will

have regret for having supported me.

I intend to personally see and solicit the support of the people between now and election date, but in case I fail to see you personally, I want you to consider this announcement as an appeal for your support.

SID CASKEY,
Candidate for Tax Assessor, Runnels County. 1w

MASONS PLAN A FEAST FEB. 22

On February 22nd, Washington's Birthday, Ballinger Masons are planning a big celebration, including a banquet to be served by members of the Eastern Star, and a fine program, part of which will consist of radio talks by national leaders of the Masonic Lodge, according to J. McGregor, one of the local committee.

Plans call for a banquet in the dining room of the lodge, at which all members of the lodge and their wives will be present.

Radio reception will come from various stations in the Southwest at the same time other Masonic lodges will be celebrating the anniversary of our first president.

A short ceremonial session will be held following the radio program, at which time the Ballinger Council of Royal and Select Masters will give a class of candidates their degrees in this part of the work.

The dinner will be served and the remainder of the evening will be devoted to entertainment and good fellowship.

Mr. McGregor said that prominent members of other Royal Arch chapters of this section would be present and take part in the festivities.

"The fact that the ladies of the Eastern Star will be in full charge of the banquet assures the success of this part of the entertainment," Mr. McGregor said.

This program promises to be one of the most novel and entertaining of any ever held by the Masonic lodge in the city.

R. J. Wheeler has returned from San Antonio, where he had been on business.

R. T. Thornton, Jr., and A. O. Strother, Winters attorneys, were looking after business here Monday.

MARRIAGE LICENSES

Carl L. Black and Miss Loula Murial Cardwell.

Robert C. Dishman and Miss Anna Laura Conner.

Carl A. Gottschalf and Miss Elfreda Martha Gerhart.

J. R. Orr and Miss Lizzie Elliott.

COUNTY'S FIRST RABBIT HUNT STARTS THIS WEEK

The first rabbit hunt of the season in Runnels county will be held in the Miller school house community, about nine miles down the Colorado River, on Thursday and Friday of this week. P. A. Pulen of that section, who was in Ballinger last week, stated.

The Miller school house is off the Jones Tap road, southeast of the city. A large crowd is expected to attend the drive.

Dinner will be served on the ground to the hunters.

Jake Davis, gin man of Winters, was in Ballinger Monday looking after business.

DEATHS

Ruth Reese
Ruth Reese, 5-year-old daughter of Mr. and Mrs. J. C. Reese, of South Ballinger, died Wednesday afternoon at 4 o'clock in the Halley & Love Sanitarium after a short illness. The girl had only been in the local hospital a few days.

Funeral services will be held Thursday afternoon at 3:00 o'clock at Evergreen Cemetery, where interment will be made. Rev. W. H. Doss and Rev. R. B. Hooper will officiate.

She is survived by her parents, Mr. and Mrs. J. C. Reese; five brothers and two sisters as follows: Curtis, Clinton, Ira, Luther, Sam, and Delia and Willie Martha.

King-Holt Co. undertakers prepared the body for burial and will be in charge at the grave.
